At Last,

the first "on campus" liquor store.

Our location: You like your liquor store for convenience? Then why do you drive half-way across town to get there? Our new store is just a stone's throw from Memorial Stadium, in Stadium Village, USA. So you can make your liquor run between classes. And isn't that convenient?

Our selection: You name it. We carry it. Wines, spirits and beer from the "spirit capitals" of the world.

WELCOME BACK TO CAMPUS.

You probably know Zipps—The Beer King—from our many years of providing organizations, such as yours, with the largest stock of wines, liquors and beers at Low-Low-Low everyday prices. We have served your beverage needs in the past and, hopefully, will continue in the future.

The purpose of this letter, however, is to inform you of our new SERVICENTER POLICY. The key to our New Customer Services is our Charge Plan. Unlike other stores, we invite you to use your credit card at ZIPP'S. We solicit this business while keeping our prices competitive at all times.

Zipp's Liquors accepts American Express, Shopper's Charge, BankAmericard, Diner's Club, and Master Charge.

Check us out . . . Compare Zipp's. We're located at 27th & East Franklin, next to the 4th N.W. Bank (look for the weatherball) and across from the Goodwill Store . . . 2 minutes from Campus.

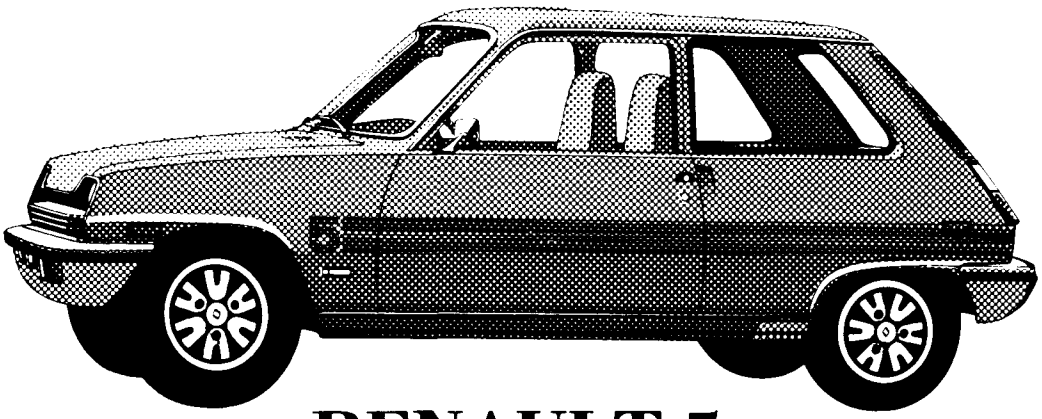
Renault 5 is the "in" car in Europe.



RENAULT 5

Model shown is the Renault 5 TL sticker priced at only $3,295.
P.O.E. East coast. Price excludes transportation, dealer preparation, taxes or optional equipment. Stripe and mag wheels are optional at extra cost.

HERE'S WHY:

Renault is now the number one automotive manufacturer in all of Europe, ahead of even Volkswagen and Fiat. And our sporty Renault 5 is the big reason why. With European sales well over the million mark, the Renault 5 has proven itself among some of the most demanding car buyers on earth. The Renault 5 is now being sold in the U.S. And we know that once you've driven this international best-seller you'll think twice before you consider a Honda, a Chevette or a Rabbit.

The Renault 5 boasts many standard features like front-wheel drive and Michelin steel-belted radials. But we'd like to highlight just two important qualities.

Economy and comfort. The R-5 starts with a low sticker price and then goes on to deliver outstanding gas economy. You can get 40 MPG highway/28 city. These are EPA estimates. Your actual mileage may vary depending on the type of driving you do, your driving habits, your car's condition and optional equipment.

The Renault 5 delivers a big dose of comfort, too! You get it from bio-engineered seats plus a fully independent suspension system laid out over the longest wheelbase of any car in this class.

People magazine has recently noted that the Renault 5 is now ***the "in" car*** in Europe. They pointed out that a certain glamorous young Princess recently gave up her Fiat for a Renault. Now this remarkable car is available in America.

RENT A RENAULT IN EUROPE

Renault is an economical car to drive anywhere, but this year Renault is cutting the cost even more if you're going to Europe.

Renault will lease its popular 5TL for three weeks—complete with **Registration, Insurance,** and **Unlimited Mileage** for just $348.

Staying longer? No problem. Rent a 5TL for three months and save even more. (Cost is just $750.)

Test drive the Renault 5 at:

Carousel Porsche-Audi-Renault, Inc.

8989 Wayzata Boulevard, Minneapolis 55426 • (612) 544-9591
