Supplement to:

URBAN FORESTRY: A BIBLIOGRAPHY

Compiled by

Jean Albrecht and Patrick J. Weicherding*

University of Minnesota

Agricultural Experiment Station Miscellaneous Publication 16-1982

St. Paul, Minnesota

---

* Jean Albrecht is librarian of the University of Minnesota Forestry Library and Patrick J. Weicherding is a Graduate Research Assistant in the College of Forestry.

PREFACE

This bibliography is a supplement to Urban Forestry: A Bibliography which was published in 1980 as Miscellaneous Publication no. 1 of the University of Minnesota Agricultural Experiment Station. The scope and subject arrangement remain the same as in the 1980 bibliography.

All publications referenced here are in the collection of the University of Minnesota Forestry Library. References to books include call numbers when available. Classification numbers are given for state documents.

Photocopies or loans of these materials are available through the Interlibrary Loan Division, St. Paul Campus Library, 1984 Buford Ave., St. Paul, MN 55108
