STAFF DIRECTORY

The Faculty, Administrative Officers, and Employees

The *Staff Directory* has been prepared from the 1958-59 Staff Address Cards filed by staff members with the Civil Service Personnel Department. The directory includes all academic personnel and all full-time civil service personnel on all campuses of the University who have turned in Staff Address Cards.

Minneapolis Campus staff members are listed without campus designation. Staff members on the St. Paul Campus are designated by "StP" and those at the Hospitals by "Hosp" preceding the office phone. For staff members on other campuses, the campus with which they are associated is listed.

Telephone extension numbers for staff members on the Minneapolis, St. Paul, and Rosemount campuses are in parentheses following the office address. Telephone extension numbers for staff members on other campuses are not listed.

USE OF CAMPUS PHONES

Emergency Calls

Accident or Police calls—Dial 6801

Fire, Flood or Emergency Repairs—Dial number "0" and report to the University operator.

Outgoing Calls from Minneapolis Campus

To Minneapolis Campus numbers—Dial extension number listed

To Minneapolis city numbers—Dial "9," then number listed

To St. Paul city numbers—Dial "9," for an outside line, then number listed

To University Hospitals numbers—Dial "80" for University Hospitals operator—or "8," then Hospitals extension number listed

To St. Paul Campus numbers—Dial "600" for St. Paul Campus operator—or "60," then extension number listed

Outgoing Calls from St. Paul Campus

To St. Paul Campus numbers—Dial extension number listed

To St. Paul or Minneapolis city numbers—Dial "9," then number listed

To Minneapolis Campus numbers—Dial "80" for Minneapolis Campus operator—or "8," then extension number listed

To University Hospitals—Dial "880" for Hospitals operator—or dial "88," then Hospitals extension number listed

If no dial tone is heard after dialing "9," hang up for a few minutes, as that indicates all outgoing equipment is momentarily busy.

Long Distance Calls—Dial "77" and place call with the University operator (effective about December 1, 1958). For calls placed prior to December 1, 1958, dial number "0."

Successive Calls—In making successive calls, hang up for a few seconds between calls to clear *dial* equipment.

Report Telephone Trouble—Dial number "0" and report to the University operator.

To Transfer a Call—*Incoming calls* handled by your operator may be transferred from one extension to another. To transfer a call, move the receiver hook slowly up and down several times. When the operator answers, ask her to make the transfer.

Calls which you have dialed or calls which have been dialed from any extension on either campus *cannot* be transferred. An attempt to do so will cause a cutoff. Party will need to make a new call to desired extension.

Answering Calls—When receiving a call, answer by your name, department or both. When answering another person's phone, give both his name and yours: "Mr. Jones' office, Mr. Smith speaking."

In Telling Someone Your Number So That They May Call You Back—Please tell them where you are located (i.e., Hospitals, Main Campus, or St. Paul Campus) so that they will have sufficient information to make the return call correctly.

Use This Directory—Wrong numbers mean extra calls. When in doubt, use your directory or dial number "0" and ask the University operator for numbers not listed.
