MEMORANDUM TO: Student Organizations and Faculty Advisers
FROM: Student Activities Bureau
SUBJECT: Student Organization Roster

This student organization roster prepared by the Student Activities Bureau has been annotated for your use in contacting and in defining the structures and functions of the various student organizations of the Minneapolis and St. Paul campuses of the University. The data contained in the roster was compiled from the information submitted by the student organizations and quarterly officer lists of the organizations which are kept on file in the Student Activities Bureau, 209 Eddy Hall. The data includes a description of each organization, its membership, its meeting time and a listing of its officers.

As you know, in order to be officially recognized, an organization must submit for approval its constitution and amendments to the Senate Committee on Student Affairs. It is one of the functions of the Student Activities Bureau to coordinate for the University all of the student organizations and their activities.
