MEMORANDUM

To: Student Organizations and Their Faculty Advisers  
From: Student Activities Bureau  
Subject: Student Organization Roster

This Student Organization Roster prepared by the Student Activities Bureau has been annotated for your use. It defines the structures and functions of all student organizations on the Minneapolis and St. Paul campuses of the University of Minnesota and lists those students who may be contacted concerning their group. The data contained in the Roster was compiled from information submitted by the student organizations which is kept on file in the Student Activities Bureau, 209 Eddy Hall. The data includes the purpose of each organization, its membership, its meeting time, and its officers.

Projects, committees, and programs sponsored by student organizations have been included in the body of the Roster. This was done to show the relationship of these groups to its sponsor, as well as to illustrate the wide variety of programs carried on by student organizations. In order to be an officially recognized student organization, each group must submit for approval its constitution and amendments to the Senate Committee on Student Affairs. It is one of the functions of the Student Activities Bureau to coordinate for the University all of these student organizations and their activities.

Student groups are dynamic, hence the information included in this document is subject to constant change. We wish to be notified and welcome your suggestions of any changes in regard to the Roster information for your organization.

The following are the 1950-51 members of the staff of the Student Activities Bureau. They can be contacted as indicated.
