MEMORANDUM

From: Student Activities Bureau  
Subject: Student Organization Roster

This Student Organization Roster prepared by the Student Activities Bureau has been annotated for your use. It defines the structures and functions of all student organizations on the Minneapolis and St. Paul Campuses of the University of Minnesota and lists those students who may be contacted concerning their group. The Roster was compiled from information submitted by the student organizations, which is kept on file in the Student Activities Bureau, 114 TSMA. The data include the purpose of each organization, its membership, its meeting time, and its officers.

Projects, committees, and programs sponsored by student organizations have been included in the Roster. This was done to show the relationships of these activities with their sponsors, as well as to illustrate the wide variety of programs carried on by student organizations. In order to be an officially recognized student organization, each group must submit its constitution and amendments to the Senate Committee on Student Affairs for approval. It is one of the functions of the Student Activities Bureau to coordinate all of these student organizations and their activities.

The following are the 1952-53 members of the staff of the Student Activities Bureau. They can be contacted at 114 TSMA and by calling the University extensions listed below.
