FOREWORD

The 1954-55 Directory of Student Organizations has been prepared by the Student Activities Bureau in cooperation with the officers of student organizations.

The Directory is published:

1. As an annual description of organized student life at the University of Minnesota;
2. To facilitate communication and understanding of each other's programs among student leaders;
3. To help professional and academic counselors provide informed advice for meeting the recreational, cultural, and social interests of their advisees;
4. To help the administrative and service agencies of the campus to provide effective service to the authorized responsible officers of recognized student organizations.

For a more detailed description of the program of any group, we recommend consultation with the appropriate staff member of the Student Activities Bureau. The staff for 1954-55 is listed below. The Bureau office is located at Temporary South of Mines A, Room 114.

USE OF THE DIRECTORY

The following information will help you to understand and to use the Directory:

1. The alphabetical index at the back of the Directory includes not only all recognized student organizations but also many all-University events. Some of these activities are described in a new section entitled, "All-University Projects, Traditional Events and Programs."
2. In listing faculty members who are advisers to groups, no academic titles have been included except for full Deans and no professional titles except those for ministers of religion. Please consult the University Staff Address Book for correct academic and professional titles.
3. Extension numbers listed are all for University offices. Persons calling from off the campus should first dial MA 8158 (for the Minneapolis Campus) and NE 4616 (for the St Paul Campus).
4. In the right-hand corner of each organization entry, the next election date has been indicated whenever this information was available. The currency of the officers listed can be determined by checking this date. Please consult the Student Activities Bureau for the names of new officers.

CORRECTIONS OR SUGGESTIONS

Although we have made every effort to compile a complete and accurate Directory, there remain many chances for errors in descriptions of almost 400 organizations and events. If you have corrections or comments, please submit them to the Student Activities Bureau Office, Room 114, Temporary South of Mines A.

GOVERNING BOARDS AND INTER-GROUP COUNCILS

PURPOSE These organizations form the structure of student government at the University. From the governing boards stem many of the traditional events and programs of the University such as Homecoming, Greek Week, and Religion in Life Week.

MEMBERSHIP Positions on governing boards and councils are filled either by election or appointment. Details on board membership are included in each entry.

ACADEMIC FRATERNITIES AND SORORITIES

PURPOSE These organizations for men and women provide opportunities for personal development through experience in student government, social activities and in cultural and service programs. Most academic fraternities and sororities maintain residences which furnish living and eating accommodations for their members. Each is affiliated with a national organization. Members are bound together by unity of purpose found in commonly stated objectives. Sororities and fraternities are coordinated through the Panhellenic and Interfraternity Councils respectively.

MEMBERSHIP Membership drives called "rushing" periods are conducted during the academic year. A student interested in joining a fraternity or sorority must register for rushing at the Panhellenic and Interfraternity Councils' Office, Room 225, Coffman Union. (Two academic sororities, Alpha Kappa Alpha and Gamma Omicron Beta, are associate members of Panhellenic and conduct their rushing independently.) More detailed information about rushing may be obtained from these offices or from the Student Activities Bureau.

MEETINGS Meetings are held weekly (usually on Monday nights) at the respective residences or in Coffman Union.

EXPENSES Monthly living expenses compare favorably with those of the University residence halls.

RECOGNITION AND HONORARY ORGANIZATIONS

PURPOSE This section includes organizations or societies which give recognition to students who have distinguished themselves in certain ways. In general, the programs of these organizations are confined to semi-annual banquets, the selection and initiation of members and the carrying out of traditional service projects.

Many of these organizations have national affiliations and membership in them carries significance beyond the college years. Faculty and alumni as well as students can hold membership in the majority of these groups.

MEMBERSHIP Membership is selective and is based upon specific attainments in academic work, campus leadership or in performance in one of the arts.

Organizations within this section are grouped into three categories:

3. Student-Faculty Honoraries

In the third category are organizations having an active membership of both students (including graduates) and faculty members.

ALL-UNIVERSITY PROJECTS,

TRADITIONAL EVENTS AND PROGRAMS

The projects and programs described in this section are not recognized student organizations but are tied either administratively or financially to one of the Governing Boards or Councils listed in the first section of the Directory. Included are some of the major events which are planned either wholly or partly by students and which are open to all members of the University community. Through these activities, students can gain valuable experience in formulating long-range plans, in selecting and organizing committees, in creating publicity campaigns, and in cooperative work with other students and faculty members.

This listing is by no means complete, but is intended to be representative of the many semi-independent projects which are carried out on the campus each year.

BROTHERHOOD WEEK

Chairman Holly Mae Baker, Minneapolis
 Sharon Gallagher, St Paul

The National Conference of Christians and Jews has for many years promoted a nation-wide observance of Brotherhood Week. At the University of Minnesota, the Student Council of Religion sponsors such a week during Winter Quarter. Religious organizations, the All-University Congress, the Interfraternity and Panhellenic Councils, the Union Board of Governors, and the Inter-Residence Council contribute to the planning and execution of the program.

Convocations, exchange dinners and discussions among campus living centers, art exhibits on a cultural theme, a skit night with contributions by sponsoring groups, a square dance, and coffee-discussion hours have been featured in past years. Through these events, the committee hopes to increase student awareness of the problems and possibilities of brotherhood.

CAMPUS CARNIVAL

This is the only all-University fund raising project in the Spring Quarter. The organization which directs this traditional program high light is selected by the Social Service Council. While the sponsorship of the Carnival is open to any major campus organization, Alpha Phi Omega has usually been chosen for this responsibility.

The net profits of the Carnival are used traditionally for University scholarships, the support of SPAN, and special student projects.

CAMPUS CHEST DRIVE

Chairman Lois Huseby

This is the only all-University fund drive in the Fall Quarter. Funds raised during this drive are traditionally used for off-campus charitable purposes and are allocated to agencies on the community, national, and international levels.

Major campus organizations apply for sponsorship of this drive to the Social Service Council in the Spring Quarter. The Social Service Council selects the sponsor and turns the administration of the project over to the organization. The 1954 Campus Chest Drive is sponsored by the Y.W.C.A.

FRESHMAN CABINET

Fifty members of the freshman class are selected by the Placement Commission of the All-University Congress to form the Freshman Cabinet. Members of the Cabinet elect their own officers.

The High School Visitation Program constitutes the Cabinet's principal project. During spring vacation, approximately 150 University students visit between 75 and 100 high schools throughout the state to bring to high school students a picture of the opportunities for vocational and personal development in higher education.

Students interested in serving on the Freshman Cabinet should file applications at the All-University Congress, 213 Coffman Union, during Welcome Week.

GREEK WEEK

Annually during Winter Quarter, the Interfraternity and Panhellenic Councils cooperate in presenting a week of activities for the campus community. Through Greek Week, fraternity and sorority members hope to raise money for a community or campus project, to better inform non-members as to the purposes and goals of fraternities and sororities, and to evaluate their own programs.

Features of Greek Week include the Song Fest, the "Tunic Twirl," Faculty and Exchange Dinners, conferences on common problems, Small Fry Party (for homeless or handicapped children), Minnesota Olympics, the Variety Show, and the Award Banquet. In 1954, the Variety Show raised more than \$7000 for the Minnesota Heart Fund.

HOMECOMING

Chairman Bob Allen

During 1954, the University of Minnesota will celebrate its 37th annual Homecoming. One of the biggest all-University events of the year, Homecoming centers around a Big Ten Conference football game selected by the Committee on Intercollegiate Athletics in consultation with the All-University Congress.

Thursday and Friday, the Varsity Show, a student created variety show, is presented followed on Thursday by the Coronation Ball. Friday is traditionally "Alumni Day" with a parade of floats and judging of house decorations. A torchlight parade, bonfire, and pep dance climax that day's activities. On Saturday, the annual alumni luncheon, football game, and Homecoming dance complete the weekend festivities.

A large student committee will coordinate the more than twenty events and features of the 1954 Homecoming. Interested students can apply to the Congress office, 213 Coffman Union, or to Chairman Bob Allen.

NATIONAL STUDENT ASSOCIATION

Chairman G Charles Mohlke (for the Minnesota Region, 1953-54)

The National Student Association is a federation of college and University student governments throughout the country dedicated to the promotion of students' interests and welfare. NSA (as it is popularly known) serves as a clearing house for information, service, and research toward strengthening and improving student government.

Each student through his representation on All-University Congress is a member of NSA. Delegates to regional meetings and to the National Student Congress are selected by the All-University Congress from applications on file.

From its headquarters in Philadelphia, NSA publishes a number of bulletins and brochures of help to student leaders. For further information consult the Congress office, 213 Coffman Union.

ORIENTATION PROGRAMS

Chairman Bob Engstrom, Orientation Commission

Under policies set by the Senate Committee on Student Affairs, these programs are conducted for all new students by the Office of the Dean of Students and the All-University Congress. More than 500 students and 100 staff members work together in this large joint effort to make new students feel at home. All students may apply for any of the events listed below. If interested in assisting in these programs, a student may fill out an application blank at the Student Activities Bureau, 114 Temporary South of Mines A, or the All-University Congress, 213 Coffman Union.

American-Brother and Sister Program

Working through the Foreign Students Adviser's Office, each student in this program assists a new foreign student during his first days at the University.

Club Groups

Bob Engstrom, Chairman

During Fall Quarter, upperclassmen guide small groups of new students through the Welcome Week program and the first weeks of Fall Quarter.

Moccasin

This is the handbook given new students when they enroll. Information on colleges, personnel services, traditions, student activities, and schedules of events make up the booklet.

New Students' Camps

Chuck Johnson, Chairman

These are a series of camps conducted on the weekend prior to Welcome Week. Over a hundred students and staff members assist in the planning and execution of these camps.

Orientation-Registration

The Orientation-Registration programs are developed with the assistance of the colleges at the beginning of each quarter and the first Summer Session. Upper-class students act as sponsors for small groups of new students as they go through a program of testing, counseling, orientation meetings, and registration.

Welcome Week

Mike Leivestad, Chairman

Jointly conducted by students and staff members, this is a week of activities just prior to the beginning of classes for Fall Quarter. Welcome Week is an introduction to the academic, social, and cultural life at the University.

RELIGION IN LIFE WEEK

Chairmen Janet Parsons, Minneapolis
 Willard Carlson, St Paul

This week of religious emphasis is sponsored annually (during Fall Quarter) by the Student Council of Religion.

Religious services, speakers and discussions on subjects such as "God and the Scientist" or "Religious Problems in Marriage", special musical programs, feature articles in the Daily, and religious drama highlight the week.

A committee composed of representatives from the participating religious foundations plans and executes the program. Students interested in serving on the committee may apply through the member organizations of the Student Council of Religion or to the chairman.

SKI-U ROVERS

Chairman Patricia Hood

Ski-U Rovers is the newly organized outing committee of Coffman Union. The outing program includes hiking, camping, canoeing, cycling, sailing, and skiing and is open to all University students. The Ski-U Rovers expect to acquire a limited amount of sports equipment for rental to students.

The University Ski Club, Minnowaters Canoe Club, and the Gopher Sailing Club are cooperating with the Union Board in developing the outing program.

For more information about Ski-U Rovers see a Program Consultant in Room 229, Coffman Union.

SNOW WEEK

This mid-winter program of outdoor sports, entertainment, and dancing is sponsored by the Union Board of Governors. Traditionally the week includes a Snow Train to a popular winter sports area, ice sculpture competition among living centers, dog sled races on the Mall, and the Sno Ball.

Students wishing to participate in planning these events should contact Chuck Holmquist, Chairman of Union Special Events, or Program Consultants, Room 229, Coffman Union.

STUDENT FORUM

After a period of inactivity, the Student Forum was revived during 1953-54 under the sponsorship of the Social Commission of All-University Congress. The Student Forum plans a series of speakers, discussion meetings, and forums on topics of current interest. These programs are usually held during the noon hour and are open to the public. Students interested in serving on the Forum Committee should apply to the All-University Congress or to the Chairman of the Social Commission.

WMMR

322 Coffman Union - Ext 6437

Manager

Chuck Imm

WMMR is the campus radio station, operated by students and governed by the Union Board of Governors. Broadcasting on 630 kilocycles, WMMR reaches the University dormitories with a variety of musical, sports, and news programs.

Experienced students are preferred in the announcing or engineering departments but there is ample opportunity for inexperienced students to work on music, continuity, sports, publicity, and special events. Those interested should apply at 322 Coffman Union.
