FOREWORD

The 1958-59 Directory of Student Organizations has been prepared by the Student Activities Bureau in cooperation with the officers of student organizations. The Directory is published

1. To provide an annual description of organized student life at the University of Minnesota;
2. To facilitate communication and understanding of each other's programs among student leaders;
3. To help professional and academic counselors provide informed advice for meeting the recreational, cultural and social interest of their advisees;
4. To help the administrative and service agencies of the campus provide effective service to the officers of recognized student organizations.

For a more detailed description of the program of any group, we recommend consultation with a staff member of the Student Activities Bureau. The staff for 1958-59 is listed below, along with the various areas of specialization to which they will be assigned. Since these area assignments have not been made at the date of publication of this Directory, they are listed in a group rather than alongside the appropriate adviser's name. The receptionist in the Bureau office at Temporary South of Mines A, Room 106, will be glad to direct you to the staff member assigned as adviser in your particular area of interest.

## USE OF THE DIRECTORY

The following information will help you to use this book:

1. The alphabetical index at the back of the Directory includes not only all recognized student organizations but also many all-University events. Some of these activities are described in a section entitled, "All-University Projects, Traditional Events and Programs."
2. In listing faculty members who are advisers to groups, no academic titles have been included and no professional titles except those for ministers of religions.
3. Extension numbers listed are for University offices. Persons calling from off the campus should first dial FE 2-8158 (Minneapolis Campus) and MI 6-4616 (St Paul Campus).
4. In the right-hand corner of each organization entry, the next election date has been indicated whenever this information was available. The tenure of the officers listed can be determined by checking this date. Please consult the Student Activities Bureau for the names of new officers.
5. Certain groups unfortunately failed to comply with our repeated requests for officer lists, making it impossible to list officers for them.

## CORRECTIONS OR SUGGESTIONS

Although we have made every effort to compile a complete and accurate Directory, there are possible errors in the entries. Please submit any corrections or comments to the Student Activities Bureau, Room 106 Temporary South of Mines A.

### GOVERNING BOARDS AND INTER-GROUP COUNCILS

**PURPOSE:** These organizations form the structure of student government at the University. The functions of the separate boards vary from those with considerable governing authority to those which coordinate the activities of member groups. From the governing boards stem many of the traditional events and programs of the University such as Homecoming, Greek Week, and Religion in Life Week.

**MEMBERSHIP:** Positions on governing boards and councils are filled either by election or appointment. Details on board membership are included in each entry.

### STUDENT PUBLICATIONS

There are three major classifications of student publications at the University:

1. All-University publications like the MINNESOTA DAILY
2. Technical or college publications like the MINNESOTA TECHNOLOG
3. Temporary or special publications such as a monthly newsletter published by a political group.

The Board in Control of Student Publications supervises the editorial and financial management of All--University publications. Publications of a single college have their own editorial boards.

## ACADEMIC FRATERNITIES AND SORORITIES

These organizations for men and women provide opportunities for personal development through experience in student government and social and cultural activities. Most fraternities and sororities maintain residences which furnish living and eating accommodations for their members, and are affiliated with a national organization. Members are bound together by unity of purpose in their stated objectives. Sororities and fraternities are coordinated through the Panhellenic and Inter-fraternity councils respectively.

**MEMBERSHIP:** Membership drives called "rushing" periods are conducted during the academic year. A student interested in joining a fraternity or sorority must register for rushing at the Panhellenic and Inter-fraternity Councils' Office, Room 225 Coffman Union. (Three academic sororities, Alpha Kappa Alpha, Gamma Omicron Beta, and Clovia are associate members of Panhellenic and conduct their rushing independently). More detailed information about rushing may be obtained from these offices or from the Student Activities Bureau.

**MEETINGS:** Meetings are held weekly (usually on Monday nights).

**EXPENSES:** Monthly living expenses compare favorably with those of the University residence halls.

**OFFICERS:** Because of space limitations the following listings include the names of four officers only: president, treasurer, social chairman, and rushing chairman. For the names of other officers, call the Student Activities Bureau, Extension 6277.
