### NOTES ABOUT THE DIRECTORY

- (1) Regents policy at the University of Minnesota requires the annual registration of all student organizations. This issue of the Directory includes all organizations registered as of the date on the cover. Only registered student organizations are entitled to the use of University facilities and services. Registration and the consequent publishing of this Directory facilitates communication within the University. All organizations are further encouraged to notify the Student Activities Center (317 - 17th Ave. S.E., 373-3955) of any changes in officers. Please contact the Student Activities Center regarding erroneous Directory information and groups not listed.
- (2) To facilitate communication between groups, any registered student organization may obtain pressure sensitive mailing labels for all student organizations or any combination of the groups listed in the Directory at a cost of 2¢ per label.
