a 1974 figures are based on Statistical Survey Cards returned by 93.7 percent of the total student population. Students who did not hand in the cards are distributed proportionately to each category in the table. Minority enrollment data for Crookston, Duluth-graduate, Duluth-Medical School and Mayo-graduate school are supplied by the records office of each college.

b Includes foreign students.

c 1973 figures are the total for Agriculture, Forestry and Home Economics combined.

d 1973 figures do not include Medical Fellow Specialists.

e 1973 figures are the total for Occupational Therapy and Physical Therapy combined.

* Less than 0.1 percent.
