2. Ethnic background information on students comes from application forms for fall admission, 1978 and from ethnic background survey cards collected during fall registration, 1978. The supplying of ethnic data is optional.
3. Data for the years other than 1978 are taken from the Annual Fall Quarter Minority Enrollment Report prepared by the Office of Admissions and Records.
4. The campus/college order of Table 1, Table 2 and Table 4 in this report has been changed to the same order as that of the revised Official Registration Statistics Report for the University of Minnesota.
5. The descriptions of the ethnic categories in the report are the latest version proposed and used by the Department of Health, Education and Welfare.
