NOTES

1. All data in the report are based on the number of students registered as of the end of the second week of classes.
2. Ethnic background information of students comes either from application forms for admission or request for update of student ethnic data during fall registration. In both cases the supplying of ethnic data is optional.
3. The first year the University of Minnesota officially reported its fall minority enrollment was in 1972.
4. Data for the years other than 1997 are taken from the University of Minnesota Minority Enrollment Report, Fall Quarter 1988 and 1996.
5. The descriptions of the ethnic categories in the report are the latest version used by the U. S. Department of Education.
6. In the past, non-minority students were reported under "All Other Students". Beginning from 1996, these students are reported separately under White, International and Unknown.
7. Data for College of Agriculture are reported under its new name - College of Agriculture, Food And Environmental Science .
8. Data for College of Education are reported under its new name - College of Education And Human Development .
9. With the exception of Figure 1.1, no data are reported for Waseca Campus because it was closed as of September 1992.
10. Effective Fall Quarter 1993 Crookston Campus has been changed from 2-year institution to 4-year institution.
11. Table 8 includes 1988 data for ten year comparison of minority enrollment.
