

OFR-07-07 319/CWP Final Project Report
Contaminant Management in the Karst Region
Contract with MGS, also includes summary
information for 319 Karst Demonstration Project
(contract with DNR)
Reporting Year: 2004

Files located in karst319.zip. Readme text files included for the information included. GIS file projections are UTM NAD83, Zone 15.

The quicktime_mov.zip contains a Quicktime VR movie, a 360 degree pan around a quarry in Wabasha County.

The finalrpt_karst319.pdf is a summary of the information and interpretations from the project. Note that in this report, links to a karst web site are likely no longer valid.
