THE BOARD OF REGENTS

Dr. James Lewis Morrill, President

Mr. William T. Middlebrook, Secretary

Mr. Clarence E. Larson, Assistant Secretary

Mr. Laurence R. Lunden, Treasurer

The Honorable Ray J. Quinlivan, St. Cloud
First Vice President and Chairman

The Honorable George W. Lawson, St. Paul
Second Vice President

The Honorable James F. Bell, Minneapolis

The Honorable Edward B. Cosgrove, Le Sueur

The Honorable Daniel C. Gainey, Owatonna

The Honorable Richard L. Griggs, Duluth

The Honorable Marjorie J. Howard (Mrs. C. Edward), Excelsior

The Honorable A. I. Johnson, Benson

The Honorable Lester A. Malkerson, Minneapolis

The Honorable Charles W. Mayo, M.D., Rochester

The Honorable A. J. Olson, Renville

The Honorable Herman F. Skyberg, Fisher

As a courtesy to those attending functions, and out of respect for the character of the building, be it resolved by the Board of Regents that there be printed in the programs of all functions held in the Cyrus Northrop Memorial Auditorium a request that smoking be confined to the outer lobby on the main floor, to the gallery lobbies, and to the lounge rooms, and that members of the audience be not allowed to use cameras in the Auditorium.

This Is Your University

CHARTERED in February, 1851, by the Legislative Assembly of the Territory of Minnesota, the University of Minnesota this year celebrated its one hundred and eighth birthday. As from its very beginning, the University is dedicated to the task of training the youth of today, the citizens of tomorrow. How well it has succeeded is indicated by the number of physicians, lawyers, engineers, social workers, educators, journalists, dentists, veterinarians, farmers, businessmen—community and civic leaders in all fields—who have gone from its several campuses to participate actively in the upgrading of the welfare of the citizens of our state. During the period of its existence the University has awarded more than 139,000 degrees to its students who have completed the rigorous training demanded by the complexities of modern society.

In addition to the enormous task of giving collegiate instruction to more than 25,000 students on its Minneapolis, St. Paul, and Duluth Campuses, the University offers, through its Schools of Agriculture and its General Extension Division, specialized training designed to assist those who wish to study on a part-time basis. Still in addition, its staff members who are county agents, home agents, 4-H Club agents, and recreation and health consultants give effective assistance to citizens of the state in their very homes.

But the University of Minnesota, like all great universities, has expanded far beyond its early teaching and training programs. In the diverse research laboratories on its three campuses, at the several agricultural experiment stations scattered throughout the state, at the Rosemount Research Center, the Cloquet Forest Research Center, the Cedar Creek Natural History Area near Bethel, the Fruit Breeding Farm and the Arboretum at Excelsior, the Lake Itasca Forestry and Biological Station, the Mayo Foundation at Rochester, the Hormel Institute at Austin, and at University Hospitals, University scientists at any one moment are working on countless research experiments of vital importance to the future health and welfare of us all. These projects deal with such matters as cancer, heart surgery, taconite, gamma irradiation, cheese-making, teacher training, municipal government, nuclear energy, school surveys, and new varieties of grains, fruits, and flowers, to mention only a few.

THE UNIVERSITY is recognized as the cultural hub of the Northwest; it is the home of the University Artists Course, Radio Station KUOM, the Twin City Area Educational Television Station KTCA-TV, the University Theater, the Minneapolis Symphony Orchestra, and the local performances of the Metropolitan Opera Company. Through the University of Minnesota Program Service, the University brings to more than a million and a half people in the area it serves, artists and lecturers of quality and talent.

The people of Minnesota are proud of their University, not only because it is one of the leading state universities in the nation, but also because of the extent and quality of its services from which they, their families, communities, and organizations benefit. Their interest in the University is a dynamic, living thing and expresses itself in many ways. Contributions from them have made it possible for the Variety Club Heart Hospital and the great Mayo Memorial Building to be constructed. Through the American Legion and its auxiliary posts all over the state, thousands of friends have made generous donations to provide an endowed research professorship in heart disease. Further contribu-

tions have made it possible for the University to build the Masonic Memorial Hospital and are making it possible to construct Diehl Hall (which will house the biological-medical library and additional medical research facilities) and the Veterans of Foreign Wars Cancer Research Center.

Equally generous have been the contributions made by corporations, associations, foundations, trade unions, clubs, and individuals, whose thoughtful cooperation has made hundreds of scholarships and fellowships available each year to students of promise. Chiefly because of financial difficulties, only one-half of the Minnesota high school graduates of high ability enter any college or university. Because of this, the friends and supporters of the University are constantly trying to increase the number of scholarships and the amount of money available for such assistance.

Over recent years, much of the University's energy has gone into the necessary planning for the anticipated increases in future enrollments. At present, about half of the students in Minnesota colleges and universities attend the University of Minnesota. If the other institutions continue to take this same percentage of these students, not less than 47,000 full-time, fully matriculated students will be attending the University in 1970. This means more teachers, more civil service staff members, more land, and more buildings.

THE 1957 LEGISLATURE ACCEPTED, on behalf of the people of the state, the additional responsibilities which this anticipated enrollment involves. In addition to \$44,339,057 for general maintenance, the University received \$7,907,291 for University Hospitals; \$3,610,000 for special appropriations, including special extension and research activities; and \$16,530,518 for new buildings, land, and for the rehabilitation of existing buildings for the two years, 1957-58 and 1958-59.

Each year the University publishes and widely circulates a summary financial statement, which is available to anyone upon request as is a much more comprehensive and complete statement for those who wish to make a special study of the University's income and expenditures.

The summary financial statement of 1957-58 showed that the University received \$78,192,595.44 and spent \$78,196,960.26. This includes a total of \$13,137,045.97 received from student tuition and fees, hospital and other department receipts; \$1,412,790.67 from intercollegiate athletics; \$12,698,158.03 from such services as dormitories and dining halls, printing, the laundry, the University of Minnesota Press, the Department of Concerts and Lectures, the University Theater, and the Health Service, and from the revolving funds; and \$14,227,127.38 from trust funds, including gifts, grants, donations, and income from endowments and research contracts for instruction, research, prizes, scholarships, and the care of the sick, as well as from the Permanent University Fund derived from land set aside by the Federal Government, and the occupational tax on iron ore. Also, \$2,439,375.73 came from federal appropriations for instruction, research, Agricultural Extension, and plant expansion.

Of the total of \$78,192,595.44 which the University received for 1957-58, \$34,278,097.66 came from the state.

All students at the University, their families and friends are invited to continue their enthusiasm and interest in the University of Minnesota. Graduates are especially urged to identify themselves with the Minnesota Alumni Association and the Greater University Fund and to return as frequently as possible to visit us here at the University.

Order of Events

ASSEMBLING OF THE AUDIENCE: The members of the Senior Class will line up by colleges in front of the Coffman Memorial Union, and the line of march will be up the center of the Mall into the Auditorium. University staff members will march last in the procession and will sit on the platform. Preceding the formation of the procession, the Frances Miller Brown Memorial Bells will be heard from Northrop Auditorium, played by Miss Helen Garvey, SLA '60, carillonneur. As the line of march is being formed, the University of Minnesota Concert and Varsity Bands, conducted by Instructor in Music and Bandmaster Gale L. Sperry, Ph.D., will play from the steps of the Auditorium. Leading the procession from the Union to the Auditorium will be: the University Army ROTC Band, conducted by Cadet Captain Charles D. Crandall; the University Navy ROTC Band, conducted by Midshipman Lieutenant Dale E. Sauer; and the University Air Force ROTC Band, conducted by Cadet Major Richard J. Beringson.

PROCESSIONAL: The University of Minnesota Concert and Varsity Bands, together with the University Army, Navy, and Air Force ROTC Bands, will play until the procession has entered the Auditorium.

As the procession enters the Auditorium, Assistant Professor of Music and University Organist Edward Berryman, M.A., will play:

"Sonata 3" - - - - - Mendelssohn

PRESENTATION OF COLORS: As the Color Guard, made up of University Army, Navy, and Air Force ROTC Cadets and Midshipmen, enters the Auditorium, the audience will rise.

NATIONAL ANTHEM: The entire audience and Professor of Music Roy A. Schuessler, M.M., soloist.

Oh, say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh, say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

INVOCATION: The Reverend Thomas Payne, B.D., Adviser to Methodist students and staff members on the Minneapolis Campus of the University.

Order of Events

PRESIDING: Dean of Students Edmund G. Williamson, Ph.D.

PRESENTATION OF THE CLASS OF 1959: Mr. Wayne W. Anderson, SLA '59, outgoing President of the All-University Congress.

SPEAKING FOR THE UNIVERSITY: President James Lewis Morrill, LL.D.

ADDRESS: "You and the World of Tomorrow," Professor and Director of the School of Nursing Katharine J. Densford, LL.D.

PRESENTATION OF THE MEMBERS OF HONOR SOCIETIES, OF THE RECIPIENTS OF SCHOLARSHIPS, FELLOWSHIPS, AWARDS AND PRIZES, OF HONOR STUDENTS, AND OF MEMBERS OF THE SENIOR CLASS: Dean Williamson.

"HAIL! MINNESOTA," the University's Alma Mater song. The audience and Professor Schuessler.

Minnesota, hail to thee!	Like the stream that bends to sea,
Hail to thee, our college dear!	Like the pine that seeks the blue,
Thy light shall ever be	Minnesota, still for thee
A beacon bright and clear;	Thy sons are strong and true;
Thy sons and daughters true	From thy woods and waters fair,
Will proclaim thee near and far;	From thy prairies waving far,
They will guard thy fame	At thy call they throng
And adore thy name;	With their shout and song,
Thou shalt be their Northern Star.	Hailing thee their Northern Star.

RECESSIONAL: Professor Berryman.

"Finale" - - - - - Widor

Faculty marshals, wearing maroon gowns and gold caps, are: Professor of Animal Husbandry Ralph Comstock, Ph.D.; Professor and Director of University High School Robert J. Keller, Ph.D.; and Assistant Professor of Mathematics David Storvick, Ph.D.

STUDENTS WITH AVERAGES OF "B" OR HIGHER

The following students have completed at least two quarters (26 credits) of work at the University with a scholarship average of "B" or higher through winter quarter, 1959.

Grade averages for the School of Dentistry, Law School, College of Pharmacy, and the College of Veterinary Medicine are based solely on the professional school record. Medical students are not listed because the Medical School grading system does not provide a basis for determining "B" averages. Grade averages for the other schools and colleges are based on the entire record including preprofessional work with the exception of freshman and sophomore physical education courses which are not included.

Students whose names are preceded by a star (*) have maintained an "A" average.
