A safe you is a Safe U!

- The Department of Public Safety asks that you remember the following:
 - When threatened with a weapon, it's best not to resist. Your personal safety is more important than a lost wallet or cell phone.
 - Always be aware of your surroundings.
 - Walk in well lit areas and don't walk alone. If you can't find someone to walk with, ***call the Campus Escort service at 612-624-WALK for a free security escort. Students are encouraged to use the Gopher Chauffer.***
 - Carry minimal amounts of valuables.
 - Keep written records of valuables, including model and serial numbers, in a safe place.
 - Call 911 anytime you need to speak to a police officer!
 - Document information about the suspect for police (i.e. clothing descriptions, facial features, piercings or tattoos, speech, etc.).

Thanks for your support.....questions?
