Our Commencement Speaker

Richard Obershaw travels extensively around the United States lecturing on grief and bereavement. He was invited to give the Charge to the Class of 1991 by request of the Student Commencement Planning Committee. That request came as a result of a presentation which Mr. Obershaw gave to the seniors during a Winter Quarter seminar class. The students recognized the importance of Mr. Obershaw's message, and were delighted by his method of presentation.

Mr. Obershaw has practiced as a funeral director. He received an Associate Degree in Mortuary Science from the Wisconsin Institute of Mortuary Science in 1966. He brings us a highly positive perspective on the value of the traditional funeral.

Mr. Obershaw is a practicing counselor. In 1973, he received a Bachelor of Science Degree in Social Work and Psychology from the University of Wisconsin-LaCrosse. He received his Masters Degree in Social Work from the University of Minnesota in 1975. Mr. Obershaw is the Director of the Grief Center, which he founded in 1975. The Grief Center has offered counseling services to thousands of clients in the Twin Cities area.

Notes of Special Information

We express appreciation to the six members of the Class of 1992 who are assisting this evening—Don Carson, Becky Moyer and Keith Shatava as class marshals, and Julie Fausch, Quinn Horvath and Stuart Wood as ushers. These young men and women will also serve as guides for those who visit the Teaching Center following the ceremony.

A reception for all in attendance will be held in the Great Hall Annex of this building immediately following the ceremony.

The A. A. Hodroff Memorial Teaching Center and the Robert C. Slater Funeral Service Teaching Center, both located in Jackson Hall, which is immediately adjacent to Coffman Memorial Union, will be open from 6:30 to 7:30 p.m for those family members, guests and friends who care to visit these facilities.
