presents the

1966

Senior Class in Medicine

MAYO MEMORIAL AUDITORIUM, FRIDAY, JUNE 10, 1966, AT FOUR O'CLOCK

The Declaration of Geneva

At the time of being admitted as a member of the medical profession—

I SOLEMNLY PLEDGE myself to consecrate my life to the service of humanity;

I WILL GIVE to my teachers the respect and gratitude which is their due;

I WILL PRACTICE my profession with conscience and dignity;

THE HEALTH OF MY PATIENT will be my first consideration;

I WILL RESPECT the secrets which are confided in me;

I WILL MAINTAIN by all the means of my power, the honor and the noble traditions of the medical profession;

MY COLLEAGUES will be my brothers;

I WILL NOT PERMIT considerations of religion, nationality, race, party politics or social standing to intervene between my duty and my patient;

I WILL MAINTAIN the utmost respect for human life, from the time of conception; even under threat, I will not use my medical knowledge contrary to the laws of humanity.

I MAKE THESE PROMISES solemnly, freely and upon my honor.
