Lee R. Raymond

Dr. Raymond became chairman and chief executive officer of the Exxon Corporation in April 1993.

A native of Watertown, South Dakota, he graduated in 1960 from the University of Wisconsin, Madison, with a bachelor's degree in chemical engineering. In 1963 he received a Ph.D. in the same discipline from the University of Minnesota. He joined Exxon in the same year as a production research engineer in Tulsa, Oklahoma. Over the next sixteen years, he held positions of increasing responsibility with Exxon Company, USA; Creole Petroleum Corporation, which was Exxon's operating affiliate in Venezuela before those facilities were nationalized; the former Exxon International Company which was responsible for Exxon's international supply and transportation of petroleum products and crude oil; and Lago Oil & Transport Company, Limited, the Exxon affiliate in Aruba.

He became president of Exxon Nuclear Company, Inc. in 1979, and moved to New York in 1981, when he was named executive vice president of Exxon Enterprises. In 1983, Mr. Raymond was named president and director of Esso Inter-America Inc., with responsibilities for Exxon's operations in the Caribbean, Central, and South America. Mr. Raymond was named senior vice president and elected to the board of directors of the corporation in 1984. He became president of the corporation in 1987.

Mr. Raymond is a director of the American Petroleum Institute, J.P. Morgan & Co. Incorporated, Morgan Guaranty Trust Company of New York, the New American Schools Development Corporation and the United Negro College Fund. He is also a member of the Board of Governors of the United Way of America.

He is a Trustee of Southern Methodist University and the Wisconsin Alumni Research Foundation, and co-chairman of the University of Texas Southwestern Medical Center's Campaign Executive Committee. He is a member of the Advisory Board of Project Shelter Pro-Am and the Board of Honorary Trustees of the Business Council for International Understanding, Inc.

He is a member of The Business Council, The Business Roundtable, and also serves as a member of the Roundtable's Policy Committee and Taxation Task Force, the Dallas Committee on Foreign Relations, The American Council on Germany, the Council on Foreign Relations, the Emergency Committee for American Trade, the National Advisory Council of the American Society for Engineering Education, the National Petroleum Council, the Trilateral Commission, the Dallas Citizens Council, and the University of Wisconsin Foundation. He is a partner emeritus of the New York City Partnership.

Degrees in the Institute of Technology are awarded with two types of honors. Degrees with distinction and high distinction are awarded automatically to students with Grade Point Averages exceeding 3.5 and 3.8, respectively. The cum laude, magna cum laude, and summa cum laude degrees are awarded upon application to students who meet certain Grade Point Average requirements and complete special work within the major. Students receiving the summa cum laude degrees have completed a senior thesis.

This is not an official University of Minnesota Graduation List
