THE OUTSTANDING ACHIEVEMENT AWARD

This evening, at the Law School Recognition Exercises, the University of Minnesota has the distinct privilege of presenting the Outstanding Achievement Award to one of its distinguished graduates, an attorney and a leader in business. This recipient symbolizes the qualities of integrity, leadership, and service to mankind which this award represents.

The Board of Regents of the University of Minnesota authorized the establishment of the Outstanding Achievement Award in 1947. This award includes an engraved gold medal and an individually prepared certificate citing the distinguished individual for his signal accomplishments and achievements.

Nominations for Outstanding Achievement Awards are made by the Senate Honors Committee to the Administrative Committee of the University Senate and, upon approval of this Committee, to the Board of Regents.

The awards may be conferred only upon former students of the University who have attained the highest distinction in their chosen fields or in the area of public service. These men and women are looked upon as individuals who have reached the pinnacle of outstanding achievement. Such a man is William J. Quinn.
