A SALUTE TO THE MVAIA

The MVAIA, during the past ten years, has written an enviable record in the improvement and upgrading of the individuals comprising its membership. It has achieved the status of an independent professional organization dedicated to the improvement of education for farm people through the public schools.

The Visitor is pleased to congratulate the membership of the MVAIA for its achievements of the past. *The Visitor* hopes that this same professional point of view will persist in the future. Incidentally, if any of our readers are eligible for membership, we urge you to avail yourself of this opportunity. Certainly no vo-ag instructor in Minnesota can afford to be a non-member.
