Dear Colleague:

We are pleased to forward to you the information relating to the Staff Development offerings for 1976-77. The first section of the book contains a listing of the course offerings and related descriptive information. The second section lists the enrollment for each course.

If you are unable to attend a course which you have selected, it is important to notify the Staff Development Office. Otherwise there may be disappointed instructors as well as inflated meeting expenses. At many locations we must guarantee a given number of persons. This means we may be charged for the meals of persons who do not attend but were included in the initial count.

Thanks to the following persons who were instrumental in the preparation of this booklet:

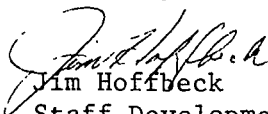

Nancy Jansen - Staff Development  
Vonda Holm - Staff Development  
Vicki McIntyre - Staff Development

Along with the assistance of:

Scott Robbins - MAPS  
Elaine Hokanson - Duplicating  
Arleen Finger - Duplicating

Thank you for your cooperation and may you find the Staff Development offerings meaningful.

Sincerely,

Jim Hoffbeck

Staff Development Leader

## SPECIAL NOTICE

During the year, the course instructors will contact the participants of each class giving the exact room location and hours (where not specified). They will also forward the objectives for the course or ask you for information which will assist them in forming the objectives.

Thank you for your cooperation.

Title: Crops Problems Diagnosis

Description or Objectives: To develop the analytical skills of Extension Agents so they can analyze field crop problems and make corrective recommendations. (Emphasis will be on corn and soybeans.)

- 1) Structures, growth and development of crop plants.
- 2) Herbicide injury symptoms.
- 3) Insect and insect damage identification and evaluation of losses.
- 4) Plant disease identification and evaluation of losses.
- 5) Nutrient deficiency symptoms.
- 6) Hail and frost damage.

Length: 1 day

Instructors: G. Miller, D. Hicks, W. Fenster,  
H. G. Johnson, J. Lofgren

Location and Dates: U. of M. Experiment  
Station, Waseca - June 28, 1976 ..... 1

Title: The Future of the Small Community

Description or Objectives: A study of the community in process. The analysis of social and political forces affecting the future of the small community. Included will be consideration of population trends, organizational structure, orientation of group leaders, and the impact of external forces.

Length: 1 day

Instructor: G. Donohue

Location and Dates: Brainerd - July 22, 1976..2

Title: Time Management II

Description or Objectives: A 2 to 3 hour time management refresher session for those who have participated in the one day course during one of the past four years. The course is to be held during state fair primarily for those who will be encamped on the date of the class. The instructor will contact those indicating an interest in participating for assistance in establishing objectives for the session as well as setting an appropriate time.

Length: 1 day

Instructor: J. Hoyt

Location and Dates: St. Paul - Aug. 31, 1976..3

Title: Wood Finishes and Refinishing

Description or Objectives: To provide agents with information on: 1) Characteristics, properties, preparation and handling of various woods used in furniture and in the home. 2) New finishing and refinishing products currently on the market. 3) Research and techniques in the use of wood and wood finishing products in the home, including both natural finishes and paints. 4) Evaluating furniture and wood surfaces for problems and potential in finishing or refinishing.

Length: 2 days

Instructors: L. Reece, L. Hendricks, & Others

Location and Dates: Fergus Falls -  
September 8, 9, 1976 ..... 4

Title: Use of Soil Surveys for Real Estate  
Assessment

Description or Objectives: To provide county Extension staff with a working knowledge of the concept and working procedure for a county tax department to shift to a soil survey base for rural real estate tax assessment. Emphasis will be on discussions regarding need for and organization of an educational program to precede decisions on such an assessment change.

Length: 1 day

Instructor: L. Hanson

Location and Dates: Lamberton -  
Sept. 10, 1976 ..... 6

Title: Creativity in Teaching and Program  
Presentation

Description or Objectives: 1) Bring about a better understanding of the creative processes. 2) Instill realization that everyone can be creative and that creativity and innovativeness depends on the individual who will be doing the teaching and training. 3) Review a variety of creative efforts of county and state faculty, industry, and other educational institutions so that each participant will be able to adopt at least one new teaching or communications practice in the next three months.

Length: 1 day

Instructors: H. Swanson, W. Gore

Location and Dates:  
Grand Rapids - September 17, 1976 ..... 7

Title: Edible Wild Plants

Description or Objectives: This course to include discussion and identification of edible wild plants and fruits growing in Minnesota. It will also include a demonstration of the preparation of some selected plants.

Length: 1 day

Instructors: L. Hertz, R. Mullin

## Location and Dates:

Bemidji - September 22, 1976 .....	8
New Ulm - September 24, 1976 .....	10

Title: Consumer Metrics

Description or Objectives: Legal aspects of the metric changeover differ from country to country but the basic information needed by consumers is similar. There are also similar problems that occur in the changeover but these can be kept at a minimum if training is well planned.

Length: 1 day

Instructors: E. Jordahl, and Others

## Location and Dates:

St. Paul Campus - September 23, 1976.....	11
---	----

Title: Radio Planning and Presentation

Description and Objectives: Station relations; obtaining air time; sources of material; preparing (writing and editing) material; radio speaking; conducting an interview; giving a straight talk; tape recorder--selection and use; tape-splicing and editing; and publicizing your program.

Length: 1 day

Instructors: R. Wolf, J. Macy, L. Nelson

Location and Dates:

St. Paul - September 28, 1976 ..... 12

Title: Cattle Feeding Opportunities in  
Minnesota

Description and Objectives: To update county agents on the economic and technical aspects of the cattle feeding enterprise given current farm input and commodity prices. Alternative beef housing systems would be evaluated by reporting on current economic and production research studies being carried out at the University of Minnesota and at Iowa State. Backgrounding opportunities will be evaluated. Ration alternatives under high feed prices will be compared. Competitive position with commercial feedlots will be updated.

Length: 2 days

Instructors: P. Hasbargen, L. Trede, R. Smith,  
R. Jacobs

Location and Dates:

Mankato - September 29, 30, 1976 ..... 13

Title: Sewing and Buying Outdoor Gear

Description or Objectives: The course will include: 1) criteria for selecting outdoor clothes, tents, camping and hiking gear; 2) techniques for making them; 3) sources of materials for making these items; and 4) suggested teaching techniques. This offering is for any Extension outdoor enthusiast.

Length: 2 days

Instructors: L. Ingels, S. Gahring

Location and Dates: St. Paul Campus -  
September 30, October 1, 1976 ..... 15

Title: Relax to Live

Description or Objectives: What is relaxation? What are the signs of tension? What are the up-to-date facts about relaxation as it relates to life? Are there trainers and camps available for learning how to relax? What are some medical developments for relaxation and what techniques are recommended? Anyone can benefit by having answers to the above questions.

Length: 2 days

Instructors: R. Kent, E. Jordahl

Location and Dates:

St. Cloud - October 5, 6, 1976 ..... 16

Title: Teaching Leaders to Teach

Description or Objectives: Delineate the similarities and differences in leadership approaches used with 4-H project leaders and adult program volunteers. Give experiences in designing lessons that leaders can teach. Give experience in developing evaluative techniques for professionals and leaders.

Length: 1 day

Instructors: M. Larson, K. Treat, M. Lamison,  
P. Borich

Location and Dates:

Rochester - October 28, 1976 ..... 17

Title: CRD: What Is It?

Description or Objectives: 1) Evolution of CRD as an Extension Program Area. 2) Definition of CRD. 3) Concepts, processes, and skills necessary for an effective CRD Extension worker. 4) Examples of County CRD Extension programs. 5) Examples of Area CRD Extension programs. 6) CRD and Public Affairs Extension Program Area in Minnesota.

Length: 1 day

Instructor: G. Rose

Location and Dates:

St. Cloud - November 3, 1976 ..... 19

Title: Computer Decision Aids

Description or Objectives: To develop an understanding of the Extension computer decision aids currently available and being used by Area Agents and Vo-Ag departments. To be able to complete computer decision aid input material and interpret the output.

Length: 2 days

Instructors: Farm Management Staff

Location and Dates:

Marshall - November 4, 5, 1976 ..... 20

Title: How to Work with Home Councils

Description or Objectives: To help agents understand: 1) history and philosophy of home councils; 2) purpose, function and organizational patterns of home councils; 3) Extension agents working with home economics and others' responsibility and relationships to the home council.

Length: 1 day

Instructors: M. Green, R. Qualey

Location and Dates:

Mankato - November 5, 1976 ..... 21  
 Brainerd - November 17, 1976 ..... 22

Title: Indoor Gardening

Description or Objectives: To give county staff enough indoor gardening information to plan and deliver programs, answer inquiries and assist commercial florists needing referrals.

Length: 1 day

Instructors: J. McKinnon, and Others

Location and Dates:

- Alexandria - November 11, 1976 ..... 23
- Arboretum - November 18, 1976 ..... 24

Title: Humanizing Our Educational Efforts I

Description or Objectives: To help agents become aware of: 1) the opportunity available to build a human through our educational efforts; 2) why value conflicts cause a different order of decision-making; 3) how goals and standards enhance or deplete our resources; 4) how Extension staff can apply humanizing instruction and help clientele to help themselves.

Length: 2 days

Instructors: P. Borich, M.F. Lamison, S. Meyers

Location and Dates:

- Koinonia - December 2, 3, 1976 ..... 25

Title: Marketing Grain and Livestock in  
South Central Minnesota

Description or Objectives: To help agents develop information and concepts to counsel and assist farmers in doing a better job of making selling decisions on their grain and livestock. This course will discuss the different marketing methods available to farmers. It will analyze cash, contract, futures, and speculative pricing decisions. The purpose of such analysis will be for making decisions among the alternatives in terms of best price, best management, cost, and risk-bearing capacity.

Length: 2 days

Instructors: W. Anthony, K. Egertson

Location and Dates:

Mankato - December 16, 17, 1976 ..... 27

Title: Managerial and Organizational  
Communication

Description or Objectives: 1) Development of managerial and organizational communication principles. 2) Analysis of specific purposes and functions of Extension managerial and organizational communication. 3) Determination of organization communication problems and methods of resolution.

Length: 2 days, 1st day-10:00 a.m.-8:00 p.m.  
2nd day-8:30 a.m.-2:00 p.m.

Instructor: M. Steil

Location and Dates

Walker - January 6, 7, 1977 ..... 29

Sleepy Eye - January 20, 21, 1977 ..... 30

Title: 4-H Leadership Development:  
A Systematic Approach

PAGE

Description or Objectives: Presentation of a leadership model that focuses on the utilization of volunteers as a major means of program implementation, and the role of the professional as an educator and manager of volunteers. Analyses of the phases of leadership development including leader identification, selection, orientation, training, utilization, recognition and evaluation. Assessment of county situations in relation to the model, and county needs in relation to leader development, and formulation of county plans. Phases of leadership development that will be emphasized will depend on participants' needs. However, at this time, recruitment, roles and responsibilities, contracting and evaluation of volunteers will be given priority.

Length: 3 days

Instructor: K. Treat

Location and Dates: St. Paul -  
Jan. 11,12,13, 1977 ....31

Title: Fabrics for Windows

Description or Objectives: To provide agents with information on: 1) new trends in window treatments and fabrics; 2) fiber content, fabric construction and fabric finishes in relationship to use, performance and care of curtain and drapery fabrics; 3) sewing techniques recommended for curtain and drapery construction.

Length: 2 days

Instructor: L. Reece

Location and Dates: Alexandria -  
January 19, 20, 1977 .....34

Title: Understanding the Energy Picture

Description or Objectives: 1) Available energy resources between now and 1984 in Minnesota and in the U.S., resources in 1985 and beyond in the U.S.; 2) energy use by economic sectors, current and future; 3) exploring energy choices and energy futures, scenarios, values and lifestyles; 4) analyzing energy use in agriculture: net energy analysis, input-output ratios, practical conservation; 5) major energy conservation measures, critical evaluation procedures; 6) applied sociology in energy conservation.

Length: 1 day

Instructors: C. Halsey, and Others

Location and Dates:

Willmar - February 10, 1977 ..... 36

Title: Fruits and Vegetables for Northwest Minnesota

Description or Objectives: A discussion concerning the selection of varieties, cultural practices including pest control in fruit and vegetable crops adaptable for northwest Minnesota.

Length: 1 day

Instructors: L. Hertz, O. Turnquist

Location and Dates:

Crookston - January 5, 1977..... 37

Title: Humanizing Our Educational Efforts II

Description or Objectives: To apply principles learned to on-going Extension programming, to experience the process of building a relationship between staff and clientele on a one-to-one and group basis, and to analyze conflict and its role in humanizing Extension programs. Principles learned in Humanizing I will be applied to county and area programs. Sociodrama, role playing, and other activities to illustrate how we humanize this relationship will be utilized. Prerequisite - Humanizing I.

Length: 2 days

Instructors: S. Meyers, P. Borich, M. Lamison

Location and Dates:

Koinonia - February 17, 18, 1977 .....39

Title: Effective Listening: Developing  
Your Ear-Q

Description and Objectives: 1) To provide participants with an appreciation for, and an understanding of, listening behavior and the listening process. 2) To "sensitize" the participants to their own listening attitudes and behavior. 3) To direct the participants improvement of listening behavior. Listening pre-test self-inventory, introduction to human listening process, variables which influence listening behavior, identifying your listening problems, improving your listening behavior, listening post-test self-inventory.

Length: 1 day

Instructor: M. Steil

Location and Dates: Brainerd-March 7, 1977.... 41

Title: Dwelling Assessment and Planning for  
Remodeling

Description or Objectives: Student Material and Publication Costs: \$10. Prerequisites: Students will be accepted for enrollment based upon an "open-book" pre-test requiring an average of 8 hours of preparation and completed 3 to 5 weeks prior to course. Course Description: Students will learn through classroom and lab activities: 1) to distinguish between the three forms of remodeling, additions, rehabilitation, restoration; 2) to identify major dwelling deficiencies - lot, foundation, structural, mechanical systems, exterior envelope, plan zoning and circulation - and approximate costs of correcting deficiencies; 3) the basic financial, legal (contracts), tax, and code aspects of remodeling; and 4) the basic drafting symbols and methods of architectural drafting.

Length: 2 days

Instructors: B. Angell, and Others

Location and Dates: St. Paul-  
March 21,22, 1977..... 43

Title: Humanizing Our Educational Efforts III

Description or Objectives: To provide the opportunity to apply concepts of humanizing. To develop the ability to reinforce others who humanize. Prerequisite - Humanizing I and II.

Length: 2 days

Instructors: M. Lamison, P. Borich, S. Meyers

Location and Dates:  
Landscape Arboretum -  
April 26, 27, 1977 ..... 45

Title: Swine Diagnostics

PAGE

Description or Objectives: To aid Extension agents in developing a systematic evaluation of pork producer's production problems. To teach Extension agents how to diagnose pork producer's problems and recommend sound solutions. Swine nutrition, breeding, health, building, and management practices will be taught through the use of swine producer's case studies.

Length: 1 day

Instructors: C. Christians, J. Hawton,  
A. Leman, L. Jacobsen

Location and Dates:

Owatonna - April 26, 1977-

9:00a.m.-9:00 p.m.... 47

Benson - April 28, 1977

9:00a.m.-9:00 p.m.... 49
