MINNESOTA TENNIS TEAM TRIES TO IMPROVE ON FOURTH PLACE CONFERENCE FINISH --

Spring season competition for the Minnesota tennis team begins with a spring break training trip to Florida and ends at the 1986 Big Ten Tennis Championship May 2-4 at the University of Illinois. In between, Minnesota tennis coach Jack Roach and the eleven-member team will compete against seven conference opponents and build on the fall/winter season 9-5 record. Minnesota has finished fourth at the conference championship twice, in 1984 and 1985, and the team has the capability to improve on that finish in 1986.

DUAL MATCH RESULTS DETERMINE CONFERENCE SEEDING -- The seeding for the Big Ten championships will be determined by each team's record in dual matches against other conference schools. The Gophers have a 2-1 Big Ten record, with victories over Iowa (8-1) and Ohio State (7-2) and a 5-4 loss to Wisconsin.

The Gophers will compete against seven conference rivals during the spring: Illinois, Wisconsin and Purdue at home, and Michigan, Michigan State, Iowa, and Northwestern on the road.

During the squad's spring break training trip to Florida, the team will compete against South Florida, Arkansas, North Florida and Flagler College. All competition will be in Jacksonville, Fla.

Minnesota Spring Tennis Outlook 2-2-2

SINGLES PLAYERS ALL HAVE WINNING RECORDS -- Minnesota has a strong singles lineup as the ten players all have winning records. The 100-63 overall record includes six players with over 11 wins and nine players with less than ten defeats. Freshman Anna Hallgren (HALMSTAD, Sweden) has an 18-8 record and was the Gophers' number one player during the fall season. Hallgren, however, has been bothered by a shoulder injury and underwent exploratory surgery in early March. Her return to the lineup is uncertain. A healthy Hallgren will boost the team's strength at both singles and doubles.

Two-time All-Big Ten team selection Nancy Rost starts spring play with a five-match winning streak at number two and number one singles. Rost has played at number one for the last three matches because of Hallgren's injury and has a 13-6 record. Rost has been Minnesota's number one singles player in her previous three seasons.

Other strong singles players are senior Maura Bjerken (EDINA, MN) and sophomore Karin Eneberg (HELSINGBORG, Sweden). Bjerken has a 12-11 singles record, playing at third, fourth and fifth singles. Eneberg has primarily played number three singles and posts an 11-9 record. Freshman Lisa Dick (DON MILLS, Ontario) also brings a three-match winning streak into spring play, and an overall record of 9-5.

The return of freshman Anne Gorde (ROSEVILLE, MN) will also bolster the Gopher lineup. Gorde was academically ineligible for winter quarter play, but she had a 10-4 singles record during the fall season.

DOUBLES TEAMS REMAIN QUESTIONABLE -- According to Roach, the outcome of the spring season depends on a healthy Hallgren and winning doubles teams. Roach has experimented with the doubles combinations all season to find the right matchups. Minnesota's overall doubles record is 38-44. Four individuals, Bjerken, Hallgren, junior Darcy Jones (TOPSFIELD, MA) and senior Lisa Martin (ST. PAUL, MN) have winning doubles records, but all have been paired with a minimum of four partners.

JACK ROACH
Head Coach

After only two seasons as the Gophers' tennis pilot, Jack Roach has established Minnesota as a first-division power in the Big Ten Conference. For the past two seasons the Gophers have finished fourth in the league, despite the improvement in competitive balance among the conference teams.

Despite a serious lack of depth on the team roster throughout most of the season, the Gophers compiled an 11-6 record under Roach in 1984-85, including an 8-4 mark during the spring. That record included a win at the eight-team Southern Illinois Invitational, and boosted Roach's two-year mark at Minnesota to 31-17 (.646).

Roach had never coached at the collegiate level before coming to the University of Minnesota, but he is no stranger to the Twin Cities Tennis Community. Over the last 25 years, Roach has earned respect as a player, coach and as a club pro. He has coached at two local high schools, and worked as a pro and as a manager at several area tennis and country clubs. During the summer, he operates the Jack Roach Tennis Camp and is a teaching pro at the Interlachen Country Club.

A polished player in his own right, Roach was inducted into the Minnesota Tennis Hall of Fame, as a player, in 1982. As a teaching professional, he was named the Outstanding Pro of the Year in 1977 by the Northwest Professional Tennis Association. Roach also served as coach of the U.S. team at the Pan American Games in 1967, a squad that included Arthur Ashe.

Off the court, Roach has served as president of the Northwest Tennis Association, the Northwest Professional Tennis Association, and the Northwest Junior Development Tennis Organization.

A graduate of Minneapolis Central High School, Roach won the state prep doubles championship as a senior in 1953. He also played tennis at Macalester College in St. Paul, where he graduated in 1957 with a teaching degree in social studies and physical education. Roach earned his master's degree from St. Cloud University in 1963, and has taught and coached tennis at Edison High School in Minneapolis and Kellogg High School in St. Paul.

Jack and his wife Jean live in South Minneapolis. They have three sons: Dan, Michael and Paul.
