ICERS 1ST BY 1, HOST WIS.

Minneapolis, MN---After splitting a home series against New Hampshire and seeing its WCHA lead dwindle to just one point, Minnesota's hockey Gophers now must prepare for an invasion by the Wisconsin Badgers Friday and Saturday at Williams Arena. Both 7:35 P.M. CST games will be aired locally by KRSI-950 AM radio.

The Gophers dropped Friday's game to New Hampshire 3-2 in overtime. It marked the first time in just over 33 years that an eastern team had won a game at Williams Arena. The last times came on December 28-29, 1951, when Yale swept the Gophers 7-4 and 4-3.

However, Minnesota bounced back to take Saturday's contest 4-3. Minnesota had run up a 4-0 lead midway through the game only to see the Wildcats bounce back with three scores despite being outshot 62-22. New Hampshire goalie Greg Rota came up with 58 acrobatic saves to stymie a ton of Gopher chances.

Minnesota lost two points on its narrow margin over Minnesota-Duluth in the WCHA standings and now lead the league by just one point, 30-29. The Gophers are 14-4-2 in league play while Duluth, which swept Lowell at home 12-1 and 5-1, is 14-5-1 after an extremely slow start to open the 1984-85 campaign.

Wisconsin, which also started slow due to playing numerous rookies and suffering a number of key injuries, were also moving up the ladder fast until last weekend when it suffered a double setback to red-hot Boston College at home, 5-2 and 6-2.

(OVER)

The Badgers are now in sixth place with an even 10-10-0 league record good for 20 points. Overall they have run up a 13-11-0 mark.

Last year the Gophers and Badgers split even in six games played with Minnesota winning both ends of the series here and gaining one victory in four games played in Madison. This is the only meeting between UM & UW this season

Against New Hampshire, Minnesota was forced to play without its leading scorer, junior wing Pat Micheletti, who was sidelined with the flu. Micheletti normally anchors the Gopher power play unit which was 0 for 6 on the weekend.

The Gophers started out slow Friday and just didn't have enough of a comeback after falling behind 2-0 in the first period. UM tied the score in the third on Tim Bergland's goal, but gave up the overtime winner at 6:18.

On Saturday UM raced out to a 4-0 lead with four different players netting goals. But even though they continued to pour on the offensive pressure, the Gophers couldn't connect again and New Hampshire kept getting closer.

Both games were played at a fast pace, but it was the goal tenders who really kept the games close. Even in losing Friday, junior Frank Pietrangelo lowered his goals allowed average to 3.24. It was only his second loss of the year compared to seven victories.

Freshman John Blue gained his 12th win of the season Saturday against two losses and still leads all WCHA netminders with a stingy 2.27 goals allowed average. Both men are expected to play this weekend against Wisconsin.

BLUELINE LUNCHEON FRIDAY

The Gopher faithful gather for lunch and hockey talk at noon Friday at Jax Cafe for another GOPHER BLUELINE CLUB luncheon. Both Minnesota and Wisconsin's head coaches, plus several surprise guests, will speak and the public is invited to attend.

GOLDEN GOPHER CAGERS HOPE TO BOUNCE BACK AGAINST IOWA

Minnesota's Golden Gophers, still smarting from last weekend's 74-65 setback at the hands of Purdue, will entertain arch-rival Iowa in a Big Ten Conference assignment at Williams Arena Saturday.

Tip-off for that annual shoot-out is set for 1:05 p.m., and Coach Jim Dutcher's host contingent will be putting an overall record of 8-4 and a Big Ten log of 1-1 on the line against the red-hot Hawkeyes.

The Golden Gophers opened this year's conference slate with a stunning 60-58 upset win over defending-champion Illinois last Thursday...but their perch on top of the mountain didn't last long as the Boilermakers brought them back to reality with that decisive nine-point triumph last weekend.

Coach Dutcher called the victory over Illinois a gutsy performance by his youthful contingent. "We did a great job of hanging in there," he said. "We were 11 down, but we did not give up. We got some clutch plays because of great hustle on our part, and we wound up with an excellent comeback win."

Against Purdue, it was a different story as Minnesota fell behind by eight in the closing moments of the first half and were never able to get back into contention against the red-hot shooting Boilers.

"We dug ourselves into too deep a hole in the last four minutes of the first half," Dutcher analyzed. "We played hard in the second half, but Purdue is a good team that played a good game. We just did not play as well as we can, and we didn't play as well as we need to play if we are going to win consistently in the Big Ten."

That certainly will be the case on Saturday when Minnesota tries to bounce back into the win column against invading Iowa which won both of its conference outings last weekend.

The Hawkeyes opened up with a 75-63 verdict over Purdue last Thursday and followed that fine effort with a stunning 64-60 win over Illinois on Saturday. That means that Iowa came into this week's action with an overall record of 13-2 and a perfect 2-0 mark...good for a first-place tie with Michigan State...in the Big Ten.

Already listed as a sellout at Williams Arena, Saturday's confrontation between the Hawks and Gophers should be another classic, and it could match the fevered pitch recorded when these two teams clashed a year ago.

Iowa notched a shocking 62-50 win in Williams Arena after Minnesota had pulled off a 56-49 triumph in Iowa City, and that split gave Minnesota a 75-61 lead in the historic basketball series.

Dutcher is not expected to make any changes in his starting lineup for the Iowa game, and that means that Todd Alexander again will open with Captain Tommy Davis at guard while Mitch Lee and Kevin Smith will get the nod at forward. John Shasky is a fixture at center.

Davis continues to lead Minnesota in scoring with a 20.8 average. Davis got 19 in the win over Illinois and 25 in the loss to Purdue to give him 250 on the season. That moved him into 11th place on the all-time U of M scoring list with 1,196 points.

TENNIS TEAM GETS WINTER SCHEDULE UNDERWAY

The Gopher tennis team will open its winter schedule this Thursday in Milwaukee, Wisconsin at the Milwaukee Classic. The tournament will run through Saturday.

Coach Jerry Noyce will continue to get his team ready for the Big Ten season with a host of tournaments this month, as he did this fall. After the Milwaukee Classic, the Gophers will host Illinois State in a dual meet here, then go on to play some big tournaments before the Big Ten matches start in March.

This fall, the Gophers competed in many of the most prestigious tournaments in the country, and defeated Iowa State in their only dual meet.

GOPHER WRESTLERS HAVE A BUSY WEEKEND AHEAD

Minnesota's wrestling squad has a busy weekend ahead, with dual meets scheduled Friday, January 11 against Arizona State and Saturday, January 12, against Nebraska. Both meets are at Williams Arena, at 8:00 p.m. Friday night, and 7:00 p.m. Saturday night.

Coach Wally Johnson's team will be competing in its final meets of the non-conference season. Big Ten matches begin later this month.

SWIMMERS BACK IN ACTION

Coach Paul Stearns will get his swim team back in action Saturday, January 12, in a dual meet against Bemidji State, at Cooke Hall at 1:00 p.m.

Seniors Scott Etnyre (Cedar Rapids, IA), Bob Barrett (Arlington Heights, IL), Jeff Shea (Madison, WI) and Flip Crummer (Omaha, NE) have led the team thus far, but senior sprint freestyle swimmer Jay Peterson (Bloomington, MN) may be lost for the season due to illness.

The Gophers easily defeated Northwestern in their first dual meet, and is now back from a training trip to Hawaii. The Bemidji State meet is the first of four straight home meets for the Gophers swimmers.

TRACK TEAM KICKS OFF ITS INDOOR SEASON

The Gopher track team will get things underway at the UM-TAC all-comer, this Saturday at the fieldhouse at 11:00 a.m.

Coach Roy Griak's 22nd year will feature a returning All-American in junior Ron Backes (Richmond, MN). Backes is the Big Ten shotput champion and second place finisher in the discus.

Griak also will be counting on senior Dave Morrison (Lakeville), a 1984 cross country All-American who will compete in the distance events.

The schedule, which Griak calls "one of the finest....in the country", features the Alumni Varsity meet January 19, the Northwest Open January 25-26 and the Minnesota Relays February 16. Those meet are all at the UM Fieldhouse.

Record: 8-4

GOLDEN GOPHER CAGERS TO INVADE MICHIGAN

Minnesota's Golden Gopher basketball team hits the road this week for two more of those "crucial" Big Ten Conference shootouts...Thursday at the University of Michigan and Saturday at Michigan State University.

The Thursday confrontation with the Wolverines in Ann Arbor shows a 7:30 p.m. (EST) tip-off, while the Saturday assignment against the Spartans in East Lansing is scheduled for 7:05 p.m. (EST).

Coach Jim Dutcher's youthful contingent will take an overall record of 9-4 and a Big Ten Conference log of 2-1 into this week's action after posting an impressive 65-57 triumph over Iowa last weekend.

"The Iowa series has been a great one," Dutcher admitted. "and they had beaten us two straight years on our home floor. Winning this one in front of a sellout crowd (17,344) was good for us."

There were plenty of heroes for the Golden Gophers in that triumph. Senior captain and guard Tommy Davis led the way with 18 points, but two other Minnesota cagers also finished in double figures.

John Shasky, 7-0 junior center, had 14 points and eight rebounds (tops for the winners) while 6-7 sophomore forward Kevin Smith chipped in with 11 points and six rebounds.

(MORE)

Marc Wilson, relegated to a backup role recently after starting the first nine games for Minnesota this year, drew Dutcher's praise for his efforts when coming off the bench in the second half. Wilson scored seven points but also sparked the host club with two crucial steals down the stretch.

Solid defense apparently won that game for Minnesota as it continuously cut off the passing lanes, blocked five Hawkeye shots, recorded a total of eight steals and forced the visitors into 20 turnovers.

"We did a good job defensively," Dutcher said. "We wanted to take away their lob for baskets, we did not want to give up any fast break baskets and we did not want any dunks by their big people. We reached those goals because we got physical and because we played aggressively."

So where does that win, discreetly classified as another "big one" for Minnesota, put the Golden Gophers as they take their show on the road to face red hot Michigan and Michigan State.

"We said at the start of the conference season that if we could win two of our first three we would be in it," Dutcher analyzed. "We got our two wins, and we feel we are part of the race."

While Indiana and Michigan State came into this week's action leading the pack with 3-1 records, Minnesota is tied for third (with Iowa) just one-half game back at 2-1.

But Golden Gopher fans have to realize that Minnesota has played its first three conference assignments at Williams Arena, and that home court advantage could have been a big help for those young Golden Gophers.

"For us to win," Dutcher maintains, "we must be a little feisty, like we were against Iowa. And we have to work hard, just as we have been doing the past couple of weeks. The pressure isn't on us because we are not favored, and we are so young that every experience is a new one."

No pressure on Minnesota? The Golden Gophers have won just one game in history in 18-year old Crisler Arena on the University of Michigan campus....that when they captured the Big Ten championship in 1982. And after winning five straight years at Jenison Fieldhouse at Michigan State, Minnesota was hammered there last season 83-62.

Minnesota and Michigan have met 97 times in basketball over the years, and the Wolverines will bring a 50-47 edge into Thursday night's game. A year ago Michigan swept the series, winning 51-50 at Ann Arbor and 66-62 in Williams Arena.

The Golden Gophers have faced the Michigan State Spartans 65 times, and Minnesota will take a 33-27 edge in the series into Saturday's game. A year ago, these two teams split....Minnesota winning at home 69-61 but losing that 83-62 decision at East Lansing.

Michigan will put an overall record of 10-3 and a Big Ten mark of 2-2 on the line Thursday night while the Spartans come into this week's play 12-2 and 3-1. Michigan State will prepare for Minnesota by hosting Iowa Thursday night.

TENNIS TEAM FACES ILLINOIS STATE FRIDAY NIGHT

Coach Jerry Noyce's tennis team will face Illinois State Friday night at 7:00 p.m. at the 98th Street Racquet Club in Bloomington. The team was previously scheduled to go to the Kohler Invitational in Wisconsin, but Noyce has instead scheduled the dual meet against the Redbirds.

The Redbirds are one of the favorites in the Missouri Valley Conference, and Noyce thinks they are as good as any Big Ten Team. The Big Ten Indoor Singles Tournament will be held in Columbus, Ohio the week after, so the Illinois State meet will provide some tough competition for the Gophers, before taking on the Big Ten's best.

ICERS STILL 1ST, PLAY AT 2ND UM-D

Minneapolis, MN---After receiving a reprieve Sunday in its bid to remain in first place in the WCHA standings, the Minnesota hockey Gophers now face a stiffer challenge. . .that of playing games Friday and Saturday at second place Minnesota-Duluth.

Both games in the Port City will be aired in the Twin Cities by KRSI-950 AM radio (8:05 Fri., 7:35 Sat.) while Friday's contest will be televised live via KMSP-TV Ch. 9.

UM-Duluth, just one point behind the Gophers (32-31) in the WCHA race, could have moved into 1st Sunday, but lost a 4-2 decision at Boston College. The Bulldogs defeated B.C. 8-4 Friday.

Minnesota carries a 20-5-2 seasons record for all games into this week's series while the Bulldogs are 19-6-1. In league play the records read 15-5-2 and 15-6-1, respectively.

The Gophers split their home series against Wisconsin last weekend. UM won 6-5 Friday before the Badgers gashed in an overtime goal to win 5-4 Saturday.

Every fan who attended the two sellouts at Williams Arena (7,625, 7,656) got their money's worth. I mean, if you want to see up and down, rockin'-sockin' hockey, then Minnesota and Wisconsin players always pay their dues.

But it was the unexpected that led the Gophers to victory Friday. Leading scorer Pat Micheletti, who missed the New Hampshire series Jan. 4-5, was not expected to play as he had been slowed all week by a lingering flu bug.

But there was "Mick" in Friday's lineup. He scored his second hat trick of the season and threw in an assist on teammate Roger Bowe's shorthanded goal which tied the game 4-4 after the Gophers had trailed 2-0 and 3-1.

Micheletti's third goal put UM ahead to stay in the final period and Rick Erdall got what proved to be the game winner at 16:53. Jim Johannson scored a power play goal for Wisconsin at 19:25 when the Badgers, already skating with two-man advantage, pulled their goalie to make it a 6-3 edge in manpower. Erdall added three assists in the game.

On Saturday the Gophers led 1-0 on Tom Rothstein's first period goal, and later held margins of 3-2 and 4-3 before Wisconsin tied matters in the final period. Micheletti notched is 31st and 32nd goals of the year in the second period for Minnesota.

But it was UW freshman forward Pat Ford who got his second goal of the game at 3:34 of overtime to seal UM's fate. He connected on an excellent screen shot from the right circle that beat goalie John Blue high in the far corner.

Blue, for the first time this year, started both ends of the series in the Gopher net. He made 71 series saves to 76 by UW goalie Dean Anderson.

Both Micheletti and Erdall finished the weekend with six points. Micheletti had five goals and one assist while Erdall went the other way with 1-5 totals. Rothstein chipped in with four points (1-3) while defenseman Tony Kellin had three assists.

A series of 1-2 items will be on display at Duluth this weekend. As you already know, the teams are 1-2 in the standings. Further, Micheletti and UM-D wing Bill Watson are 1-2 in the WCHA scoring derby. Micheletti has 48 league points on 26 goals and 22 assists whsile Watson has 47 points (21-26).

In another close race, Gopher freshman netminder John Blue still leads all WCHA goalies with a 2.69 goals allowed average while Duluth sophomore Rick Kostl, last year's WCHA top rookie, is second at 3.04.

INDOOR TRACK SEASON GETS UNDERWAY

The 1985 indoor track season, coach Roy Griak's 22nd, is underway, and the Alumni will meet the Varsity to kick things off at the Fieldhouse Saturday at 12:30 p.m.

The 1985 squad features All-American Ron Backes (Richmond, MN), the defending Big Ten shotput champion, and runner-up in the discus, and captain Dave Morrison (Lakeville, MN), a two-time All-American in cross country. Morrison will be a key in the distance events.

Other performers to keep an eye on this season are Brian Halvorson (Hudson, WI), a senior middle distance runner, who along with senior Brian Maas (Austin, MN) should lead that event, Emmanuel Onyia (Uwani-Enugu, West Africa), a senior competing in the long sprints, and Francis Ude (Nigeria), a senior short sprinter.

The rest of the team is young, but the nucleus of a strong squad is there.

SWIM TEAM ADDS A TRANSFER STUDENT FROM FINLAND

Petri Jakiyanta, a freshman from Finland, has stepped right into Paul Stearns' lineup, and will certainly bolster an already strong swim team. Jakiyanta, the third Finnish swimmer in Gopher history, is described by Stearns as a "pretty tough freestyler, a welcome addition to the distance crew." In fact, Jakiyanta is now the number two distance freestyler on the depth chart, behind Jeff Shea.

Jakiyanta claimed a first place finish in the 1000 Freestyle against Bemidji State last weekend, and took second in the 200 Butterfly. He also swam on the 400 Free Relay team.

Minnesota is 2-1,1-0 in the Big Ten, their only loss coming to the University of Hawaii. They face St. Olaf this Saturday at Cooke Hall, at 2:00 p.m. St. Olaf is the defending small college national champion, and the top ranked Division III team. They feature Bob Houk, a swimmer that set a Cooke Hall pool record in the 200 IM while he was in high school.

GOPHER GYMNASTS HOST MICHIGAN STATE, EASTERN MONTANA

The defending Big Ten Champions will host their first Big Ten opponent of the season at Williams Arena Saturday at 1:30 p.m., when Michigan State and Eastern Montana visit the Gophers.

Michigan State's top performer should be John Spellis, a junior who led the Spartans last year with high scores of 54.70 in the All-Around, 9.75 in the high bar, and 9.45 in floor exercise. The All-Around should be a strong event for the Spartans, who return eight All-Around performers.

Eastern Montana is a strong Division II school that has developed into somewhat of a powerhouse in their region.

After going up against the Spartans and Yellowjackets, Minnesota will take on LaCrosse, then come back to Williams Arena to face Iowa State.

WRESTLERS BACK IN ACTION WEDNESDAY NIGHT

The Gopher wrestling squad, recovering from a busy but successful weekend, will hit the mats again Wednesday night at the Athletes in Action meet at Coon Rapids High School. The meet begins at 7:30 p.m.

The Gophers faced two of the nations top teams this past weekend, and gained some confidence and respect, losing to Arizona State University, but wrestling well against the one-time third ranked team in the nation, and then handing Nebraska a 35-11 loss the next night. Nebraska has been rated as high as 12th.

After the Athletes in Action meet, the Gophers will prepare for Big Ten powerhouse Iowa, whom they will meet in Iowa City on January 25.

GOLDEN GOPHERS RETURN HOME TO HOST WISCONSIN

After gaining a split on the road, the University of Minnesota Golden Gopher basketball team returns home for two more Big Ten Conference assignments at Williams Arena this week.

On Thursday Coach Jim Dutcher will send his charges up against the University of Wisconsin before Minnesota takes on Northwestern University on Saturday. Both of those contests show 8:05 p.m. tip-off times.

The Golden Gophers will be risking an overall record of 10-5 and a Big Ten log, good for a third place tie with Indiana, Ohio State and Iowa, at 3-2 against the invading Badgers Thursday while the visitors also stand at 10-5 overall but are 1-4 in loop play.

Youthful Minnesota continued to pull surprises last week and in the process upped its Big Ten stock by gaining a split on the road. First the Golden Gophers fell 97-56 at Michigan but then bounced back to stun Michigan State 81-75.

"We went ahead of Michigan by one point mid-way through the first half," Coach Dutcher recalled, "and we seemed to be ok. But then we made three quick mistakes and it was all Michigan. We never got a second shot, and we never got back on defense. We simply did not execute well, and we certainly did not play with intelligence."

(MORE)

Despite Dutcher's displeasure over that loss....the most one-sided Minnesota setback since the 1919-1920 campaign....he was able to rally his troops and bring them around 48 hours later for the Michigan State Spartans.

"It was a different ball club and a different game on Saturday," he said. "It just proves that when people start counting us out of things we find a way to come back."

Tommy Davis, Minnesota's premier guard and All-America candidate, scored only five points in the loss at Michigan but regained his form with a 23-point effort at Michigan State.

But Davis didn't win it for Minnesota all by himself. John Shasky, 7-0 junior center who had 18 points at Michigan, made it a superb week of play by adding 19 points and nine rebounds against the Spartans.

Kevin Smith, 6-7 sophomore forward who was playing in front of his home town fans, added 12 points while Todd Alexander, 5-11 freshman guard, also finished in double figures with 10.

"It was a great win for us," Dutcher said. "We went on the road hoping for no worse than a split. After being humiliated at Michigan, not many people gave us a chance of getting one. We didn't have much time to recover after that loss, but we wound up doing a good job in a very short period of time."

There were several keys in Minnesota's win over Michigan State, but according to Dutcher the big factor was defensively. "We played great defense against the Spartans," he said. "We contained them where we had to, and it made the difference."

As sweet as the win was, Minnesota didn't have much time to savor the taste. "We come home 3-2 in the league with two games at home," Dutcher reminded his players. "We have two games in Williams Arena and a chance to move up in the standings. We don't want to let that chance slip away."

GOPHER TALES--Davis now ranks ninth on the all-time University of Minnesota scoring list with 1,242 career points. He needs 87 more to match Lou Hudson who is in eighth position.

Injuries were of concern for Coach Dutcher at Michigan State and could be a factor this week as the Golden Gophers prepare for Wisconsin and Northwestern. Most serious seems to be 6-9 freshman forward Mitchell Lee who has a bruised foot and did not start at Michigan State. Also hobbled were Alexander who is nursing a bruised thigh and 6-1 junior guard Marc Wilson who has a sprained knee.

Minnesota and Wisconsin have met 140 times in basketball, and the Golden Gophers will take a 79-61 edge into Thursday's confrontation. The Golden Gophers and Northwestern have played 110 times and Minnesota leads that series 64-44.

Latest Golden Gopher statistics show Davis pacing his teammates with 296 points for an average of 19.7 per game. He's averaging 18.0 per game in Big Ten play. Shasky tops Minnesota in rebounds with 109 (7.3 per game) while Wilson leads in assists with 31 and in steals with 17.

Minneapolis, MN---For the first time since early in the 1984-85 season, the U. of Minnesota hockey Gophers do not reside atop the Western Collegiate Hockey Association (WCHA) standings.

In an emotion-packed series last weekend at Duluth, the Gophers could gain but one point in the league race after being tied 6-6 in overtime the first night, and then losing 8-6 Saturday.

Thus the Gophers now trail UM-Duluth by one point, 34-33, in the WCHA standings. Minnesota is 15-6-3 in league play and 20-6-3 overall. The Bulldogs, WCHA defending champions, are 16-6-2 and 20-6-2 overall.

But the chase is far from over. Minnesota has 10 WCHA games remaining beginning at home this weekend against surging Colorado College. The teams play Friday at 7:35 and Saturday at 2:05 in Williams Arena. Both games will be aired locally by KRSI-950 AM radio in the Twin Cities.

Besides losing the top rung of the standings ladder last weekend, the Gopher squad lost a lot more. In Friday's game both senior center Rick Erdall and junior defenseman Tony Kellin were sidelined with injuries that kept them out of Saturday's game.

However, the predictions of their return to duty are better than originally believed. Kellin's injury turned out to be a badly sprained thumb and he is now considered a probable for the Colorado College series.

But Erdall, who suffered stretched ligaments in his right knee, is out this week. With luck he could be ready to go in two weekends when the Gophers travel up to Michigan Tech. But at best his status is questionable at this time.

The Gophers played two different games up in Duluth. On Friday Minnesota, after trailing 1-0 and 2-1 in the first period, tied matters 2-2 in the same session. The Gophers later held leads of 4-2 and 5-3 before giving up a goal in the final minute of the second period, and another early in the third creating a 5-5 tie.

Wally Chapman scored his second goal of the night to give UM a 6-5 lead only to see Duluth's Brett Hull, son of the former NHL great Bobby Hull, forge the final tie on a rebound goal with 0:41 left in regulation. Gopher goalie Frank Pietrangelo stopped seven Bulldog shots in overtime to preserve the tie.

Saturday was something else. UM-Duluth roared out to a 6-0 lead in the first 15 minutes of the game. But give the Gopher squad some credit. They didn't roll over and die.

In fact, Minnesota scored the next three goals and entered the third stanza trailing 7-4. Tom Rothstein then scored his second goal of the night, fourth of the weekend, making it 7-5.

But Duluth then got another tally to erase any Gopher momentum. Todd Okerlund hit the last Gopher goal at 14:20 creating the final 8-6 score.

"I'm certain both teams are disappointed in not winning all four points, but had either of us done that, it wouldn't have meant the whole season," Gopher coach Brad Buetow said Monday.

"There are still a lot of games left. But to stay in the race we've got to show more improvement. We did not show that last weekend and it cost us. Overall we were disappointed in our play, but give credit to our men. They battled all the way and never once gave up. It was a great, great series.

"Our total concern right now is Colorado College. They are the most improved team in the league and will come in here full blast."

WRESTLERS TAKE ON TOP RANKED IOWA

The Gopher wrestlers (9-5) travel to Iowa City Friday to take on the top ranked powerhouse Hawkeyes.

The Hawkeyes return six All-Americans this year; Barry Davis (126), Greg Randall (134), Jeff Heffernan (150), Marty Kistler (158), Lindley Kistler (167) and Duane Goldman (190).

The Gophers have met some of these wrestlers before, at the Minnesota Quadrangular in November, and had a tough time with the defending NCAA Champions. But since then, the Gophers have put a scare into #3 ranked Arizona State, and upset #12 Nebraska.

Especially impressive Gophers lately have been senior Greg Evans (Rockford, IL), at 158, and Blake Bonjean (Bloomington, MN), at 134. Evans has not lost a match in a dual meet (11-0) and Bonjean has been impressive all year, compiling a 9-1-1 dual meet record, 18-3-1 overall. Another Gopher to watch is freshman Dave Dean (Montrose, MI), at 177. Dean has a 6-1 dual meet record, 13-5 overall.

BIG TEN INDOOR SINGLES TOURNAMENT THIS WEEKEND

Four Minnesota players have qualified for the Big Ten Indoor Singles Tournament in Columbus, Ohio this weekend. Junior Matt Grace (Milton, MA), sophomore Chuck Merzbacher (Findlay, OH), senior Peter Kolaric (Wickliffe, OH) and freshman Casey Merickel (Wadena, MN) all will make the trip to compete against the top players in the Big Ten. The remainder of the squad will participate in the Winter Carnival Qualifier, a pro-am tournament in Arden Hills.

The Gophers are coming off a 8-1 victory over the Illinois State Redbirds, and will not have another dual meet until they travel to Madison to take on the Badgers in early March. In the meantime, Grace will go to the ITCA Singles Tournament in Houston, and the team will compete in the Republic Airlines Showcase at the Burnsville Racquet Club in February.

RECRUITING SEMINAR JANUARY 23

Ken Foxworth, former University of Minnesota football player, chairs a recruiting seminar aimed at aiding high school student-athletes, their parents and coaches Wednesday, January 23, at Minneapolis North High School.

The opening address of the workshop will be delivered at 7:00 p.m. by Floyd Smaller, head coach, St. Paul Central High School. No admission is charged anyone attending this event.

Additional speakers include Darryl Mitchell, graduate student and former University of Minnesota basketball player, Vince Fuller, computer analyst for the University of Minnesota Foundation and former University of Minnesota football player, LeRoy Gardner, student counselor for the University of Minnesota football program and former Gopher basketball player, and Kwame McDonald, director of Governor's Council on Youth.

A special guest speaker will be Sandy Stephens, former Gopher All-America football player who quarterbacked Gopher teams to the 1961 and 1962 Rose Bowls.

Several discussion panels on such subject as recruiting, scholarships, financial aid packages and student management skills will also be held featuring the above speakers plus several other local coaches and educators.

This event is sponsored by specialty units at Mankato State University, the University of Minnesota, and the Governor's Council on Youth, and additional local organizations.

MINNESOTA TO HOST THE NORTHWEST OPEN

The UM Fieldhouse will be the site of the Northwest Open track and field meet, this Friday and Saturday. The long jump trials will kick things off at 2:00 p.m. on Friday, and the meet continues Saturday afternoon.

Twenty teams are expected, and the competition will be mainly from among local and state schools. There will be no team competition, but individual results will be kept.

The Gophers will compete at Madison, Wisconsin next week, where they will meet not only the Badgers, but Penn State, LSU and Georgetown.

SWIMMERS MEET IOWA, IOWA STATE

Paul Stearns' swim squad has a tough assignment this weekend when they take on Iowa State and Iowa on successive nights.

Friday night at 6:00 p.m., they face the Cyclones, in a coed meet. The Cyclones have a team that includes 13 returning lettermen, and finished second in the Big Eight last year. Last year the Cyclones beat the Gophers in Ames, IA, but this year Minnesota gets a shot at them at Cooke Hall.

Then Saturday at Cooke at 1:00 p.m., Minnesota will take on the second place finisher in the Big Ten, the Iowa Hawkeyes.

GYMNASTS TO LA CROSSE

Fred Roethlisberger's Gopher gymnasts will take on the University of Wisconsin-LaCrosse at LaCrosse, Saturday, January 26.

The Gophers go into LaCrosse having just defeated Michigan State and Eastern Montana at Williams Arena. LaCrosse is the first head to head dual meet of the season, which continues February 2 at Williams Arena against Iowa State.

Juniors Rob Brown (Chicago, IL), Dave Menke (Bloomington, MN) and sophomore Jamie Gerardo (Springfield, VA) have turned in the best Gopher all around performances, while sophomore Collin Godkin (West Allis, WI) has also been impressive.

Senior Kevin Cochran (Bloomington, MN) has been the strongest Gopher in the floor exercise, which Cochran specializes in.

MINNESOTA CAGERS FACE CHALLENGING ROAD TRIP

What may be described as the toughest road swing of the Big Ten Conference is next in line for Coach Jim Dutcher's struggling University of Minnesota basketball team.

The Golden Gophers are scheduled to take on Ohio State University in Columbus on Thursday and then meet Indiana University in Bloomington on Saturday. Then a week from Wednesday Minnesota will make it three in a row on the road by challenging the University of Iowa in Iowa City.

"Now we'll find out what we are all about," Jim Dutcher told his squad last Saturday night after they had dropped a disappointing 56-51 decision to Northwestern at Williams Arena.

"We play our next three games, all against first-division teams, on the road," he pointed out. "Now we will see what we are made of. Now we will find out if we belong in the first division of the Big Ten."

(MORE)

Last week the Golden Gophers seemed on the verge of moving into a tie for first place in the loop standings....especially after they had polished off Wisconsin 72-62 last Thursday.

But then disaster struck and the lowly Wildcats pulled that stunning four-point upset, dropping Minnesota to 11-6 on the season and 4-3 in Big Ten Conference play----good for a fourth place tie with Ohio State and Purdue.

"We did not play with any intelligence against Northwestern," Dutcher said, "and it is impossible to win in the Big Ten unless you play smart basketball. We broke down in nearly every phase of the game....defensively, on the boards and offensively."

Dutcher was also disappointed in the lack of intensity shown by his players against the upstart Wildcats. "We had a combination of things that hurt us," Dutcher said. "No, we weren't able to score like we wanted to, but that was primarily because we just couldn't find anybody that would give us a spark."

So what do the Golden Gophers do now as they leave the friendly confines of Williams Arena knowing they will be facing three tough teams on the road? What will Coach Dutcher do to salvage something from this challenging swing?

"We will probably make a change in our lineup," Dutcher said Monday. "We may move Tommy Davis from guard to forward and put Marc Wilson back into the starting lineup at guard. It will make us awfully small, and in essence we will be playing with four guards. But we feel we just have to make a change."

Should Dutcher follow through with those tentative plans, it would see that Davis would team with Kevin Smith at forward and Wilson would line up with Todd Alexander at guard. John Shasky is a fixture at center.

There are other possibilities with Minnesota's lineup as it gets ready for the Ohio State shootout. Paul Van Den Einde, a 7-0 sophomore, started at forward against Northwestern and could windup with a similar assignment Thursday.

In addition, George Williams, a 6-9 freshman, saw extensive action against the Wildcats and could be tapped for more duty against the Buckeyes. The same holds true for Gerald Jackson, a 6-4 sophomore.

GOPHER TALES---Minnesota and Ohio State have met 91 times in basketball over the years, and going into Thursday night's contest the Buckeyes hold a commanding 52-39 edge in the series. Last year the two clubs split, Minnesota winning 83-61 at Williams Arena but losing 73-62 at Columbus.

The Golden Gophers have faced Indiana 109 times over the years and the Hoosiers hold a 64-45 edge. A year ago Indiana swept the series, winning 67-54 at Williams Arena and 74-72 in overtime at Bloomington.

Ohio State will carry an overall record of 12-4 and a Big Ten mark of 4-3 into Thursday's contest in Columbus. Indiana is 11-45 overall and 3-4 in loop play, and the Hoosiers tune up for Minnesota by hosting Iowa Thursday.

ICERS STILL 2nd, TRAVEL TO MTU

Minneapolis, MN---Minnesota's hockey Gophers, for less than 24 hours, got another taste of first place in the Western Collegiate Hockey Association (WCHA) standings last weekend.

But when the work was finished, Minnesota was back in second place, one point behind defending champion Minnesota-Duluth.

Now the Gophers carry a 21-7-3 season record (16-7-3 in the WCHA) to Michigan Tech this weekend for games Friday evening (6:05 CST) and Saturday afternoon (12:35 CST).

Both contests, a part of Michigan Tech's annual Winter Carnival gala, will be aired locally by KRSI-950 AM radio.

Minnesota played one of its better games of the year last Friday in defeating Colorado College, 6-2. That win, coupled with Minnesota-Duluth's 5-4 home loss to Northern Michigan, shot the Gophers back into first place.

But Saturday afternoon saw the Gophers drop three one-goal leads and see the Tigers gain a final tie on a late fluke goal from center ice, and then win 5-4 at 1:53 of overtime on a goal by Ken Filbey, his second of the game.

Minnesota-Duluth went the same route, overtime, but defeated NMU 2-1 Saturday night to regain first place in the standings. The Bulldogs are 17-7-2 for 36 points while the Gophers have 35 points.

Leading UM scorer Pat Micheletti tried to do it alone for the Gophers Saturday as he scored a pure hat trick, his third of the season and the fourth of his career. He added two goals in Friday's win.

Micheletti is tied for first place in the league scoring race with winger Bill Watson of Minnesota-Duluth. Each has 58 points. Micheletti's totals read 32-26 while Watson is 27-31.

Freshman goalie John Blue, who played both games for UM last weekend, remains in second place among league goalies with a 3.13 goals allowed average. That's second only to red-hot North Dakota freshman Scott Brower who is tops with his 2.87 mark.

Minnesota and Michigan Tech have not met since the 1980-81 season when the Huskies, a charter member of the old WIHL and later the WCHA, left the Association along with Michigan, Michigan State and Notre Dame.

This season the Huskies are back in the fold renewing several long standing rivalries, including Minnesota. Gopher and Huskie teams have met 169 times with UM owning a 100-62 won-lost margin. There have been 7 series ties.

Michigan Tech is 14-15-1 for the season, 12-13-1 in the WCHA.

Additional good news and bad news came to the Gopher squad following last weekend. It appears that senior center Rick Erdall, who sat out the C.C. series, will probably play at Tech. Erdall suffered stretched ligaments a week earlier at Minnesota-Duluth, but appears ready to go full speed once again.

However, junior defenseman Tony Kellin is questionable. After being slowed and missing one game at UM-D' with a thumb injury, Kellin suffered from a rapid heart beat and did not play in the final period of Saturday's game. He is undergoing tests and it will not be known until at least Wednesday if he will join the Gophers on their trip to Houghton.

BIG TEN QUADRANGULAR UP NEXT FOR SWIMMERS

The fifth through eighth place finishers in the Big Ten get together this Friday and Saturday in Madison, Wisconsin in a meet that will tell a lot about where the Gophers stand in the conference this year.

Wisconsin, Purdue, Illinois and Minnesota all finished in the lower half of the pack last year, and each of them will be trying to make the jump to the first division this weekend, in what should be a tight battle.

Minnesota, 3-3 overall and 1-1 in the Big Ten, has been hurt by the loss of tri-captain Jay Peterson (Bloomington, MN), but newcomer Petri Jokiyanta (Finland) has helped strengthen the lineup with Peterson out. Senior Bob Barrett has been the top Gopher swimmer, getting two of the three Gopher victories in their loss to Iowa. Barrett has finished first or second in every Butterfly event he has swam this year.

Senior diver Flip Crummer was the other Gopher to win his event, taking the three-meter diving. Crummer too has never finished lower than second in his events.

TRACK TEAM HEADS TO ITS FIRST COMPETITION

After participating in three open home meets, the Gopher track team heads to its first competition at Wisconsin, where they will meet the host Badgers, Penn State, LSU and Georgetown.

Junior Ron Backes, a 1984 All-American and Big Ten shotput champion, has already qualified for the NCAA Indoor Championships with his toss of 60' 6 $\frac{1}{4}$ " at the Northwest Open. The championships are March 8-9.

Coach Roy Griak has made some additions to team, adding sprinters Mel Anderson (Homestead, PA), Jason Bruce (Burnsville, MN), Dennis Carter (Miami, FL), Gary Cough (Davenport, IA), triple jumper Alan Holt (Miami, FL), and shotput man Dan Jones (White Bear Lake, MN). All of the additions were members of the football team.

GYMNASTS SWEEP ANOTHER DOUBLE DUAL; HOST IOWA STATE

Having swept another double dual meet, coach Fred Roethlisberger and his 4-0 Gophers will host Iowa State Saturday at 2:00 p.m. at Williams Arena.

The Cyclones handed the Gophers their only loss last year, and went on to finish fourth nationally. They have several gymnasts who will compete for national honors.

The Gophers also boast of a lineup that includes some top national competition, including juniors Dave Menke (Bloomington, MN) and Rob Brown (Chicago, IL). Menke and Brown finished in the top two spots in the all-around last week, with sophomore teammate Jamie Gerardo (Springfield, VA) taking third.

The Cyclones will give the Gophers all they can handle in the Gophers last home meet until March. They go on the road the rest of February, then take on Michigan at Williams Arena March 2. The Big Ten Championships will be at Williams Arena March 23 and 24.

WRESTLERS TO FACE MICHIGAN, MICHIGAN STATE

Hoping to rebound from a 51-0 drubbing at the hands of #1 Iowa last weekend, the Gophers travel to Michigan to take on the Wolverines and the Spartans on successive nights.

The road trip begins with Michigan Friday night in Ann Arbor. Michigan will be the fourth Big Ten school the Gophers have faced, their only Big Ten win being against Purdue. The Gophers, 9-6 overall, will meet the Spartans the next day in East Lansing. They return home the next week to face Illinois at Williams Arena.

Sophomore Blake Bonjean (Bloomington) has been the outstanding Gopher to date, compiling a 17-4-1 record overall, 9-0-1 in dual meets, at 134 pounds.

"Mitchell Lee is entitled to due process under the law and is innocent until proven guilty. Allegations are just that, and innuendo or rumor should not impede his right to a fair hearing.

"However, the attention that has been given to this situation makes it impossible for Mitchell to continue as a member of our basketball team. Under the present circumstances, he cannot give the necessary time, effort and concentration necessary to play Big Ten basketball.

"His not playing should not prejudice the case and is in no way an assumption of guilt."

ICERS HOST RED-HOT NMU

Minneapolis, MN---The Minnesota hockey Gophers couldn't have picked a worse time to meet the Northern Michigan Wildcats. In the last two weeks NMU has made like a recently awakened sleeping giant ready for bear.

Northern Michigan invades Williams Arena for games Friday and Saturday evenings. Both games begin at 7:35 p.m. and will be aired locally by KRSI-950 AM Radio.

Minnesota lost two points to Minnesota-Duluth in the WCHA race last weekend when the Gophers saw three leads (3-1, 4-3, 5-4) evaporate in dropping a 7-5 decision at Michigan Tech Saturday. Minnesota defeated the Huskies 4-1 Friday.

Minnesota is now 17-8-3 in WCHA standings good for 37 points while UM-D is 19-7-2 for 40 points.

The Gophers did gain a pair of points on third place North Dakota as the Sioux dropped a road pair to the then last place Wildcats. ND is 16-11-1, 33.

(OVER)

But Northern Michigan, by winning twice, moved all the way to fifth place in the standings and are just four points behind fourth place Wisconsin. The latter spot is the final position for home ice in the first round playoffs which begin in only four weeks.

Two weekends ago NMU almost swept league-leader Minnesota-Duluth on the road. The Wildcats won the first game and lost 2-1 in OT to the Bulldogs.

"Northern Michigan is playing with great confidence right now," says Minnesota head coach Brad Buetow. "They will come in here with all guns blazing.

"I believe you can rule out any advantage we might gain from playing on home ice. We must simply jack it up a notch if we plan to gain any points this weekend.

"From reports I have received, Northern Michigan may be playing as well or better than anyone else in the WCHA at this time. They want home ice for the playoffs just as badly as we do, so it should be some kind of series."

Buetow added that his Gopher team played very well in Friday's win, but had too many breakdowns by everyone Saturday.

"We've won a lot of close ones, but the puck just seems to have been bouncing the other way the last month," the coach continued.

"It's not an excuse, but I do believe that playing so many Friday night, Saturday afternoon series has taken a toll on us. We are not a big, physical team and I guess that kind of catches up with us the second day.

"We are pretty banged up after last weekend, but I believe everyone will be ready to play. Billy Yon received a slight concussion but should be ok.

"We are not certain about the status of freshman goal tender John Blue. He missed our series with a viral infection, but could be ready. Junior Frank Pietrangelo had an excellent game Friday but wasn't quite as sharp Saturday.

"I'm not certain as of this time who will play in goal this weekend. But I can say our team morale has remained strong. It's just that we have to work a little harder."

Center Corey Millen led the Gophers in the Tech series scoring two goals and two assists Friday, and adding another assist Saturday for a 5-point weekend. Millen has scored at least one point in all but one of his 24 games this season.

Gopher scoring leader Pat Micheletti was shut out Friday, but came back with two goals and an assist Saturday. He now has 72 points on 40 goals and 32 assists in 30 games.

His 40 goals are the sixth highest scored in a single season by a Minnesota skater. The record is 53 goals by Tim Harrer in 1979-80.

However, Micheletti did establish one single season record Saturday when he ran his season penalty minute total to 114. That breaks the former UM record of 112 minutes off the ice set by older brother Don Micheletti in 1978-79.

BLUELINE LUNCHEON FRIDAY

The hockey faithful gather this Friday for lunch and fun when the GOLDEN GOPHER BLUELINE CLUB holds a noon luncheon at Jax Cafe on University Ave. NE. The public is invited to hear head coaches Brad Buetow of Minnesota and Rick Comley of Northern Michigan speak.

A surprise guest speaker is expected to appear on the scene, too.

GOLDEN GOPHERS CONTINUE ON THE ROAD

Minnesota continues on the road this week for a Wednesday encounter at the University of Iowa. That Big Ten Conference basketball assignment is scheduled for a 7:05 p.m. tip-off, and it has been tabbed as the Big Ten TV Game of the Week.

Coach Jim Dutcher's contingent will be striving to snap a three-game losing streak against the high-flying Hawkeyes, but the task will be a difficult one and will mark the third straight road contest for Minnesota.

The Golden Gophers lost their most-recent home game 56-51 to Northwestern and then last week suffered 76-62 and 89-66 setbacks at Ohio State and Indiana respectively.

Those losses mean that Minnesota will take an overall record of 11-8 and a Big Ten standard of 4-5 into Wednesday's game at Iowa, a contest that marks the beginning of the second half of the Big Ten campaign.

Dutcher's task of putting together a lineup for the Hawks (currently 18-4 and tied for first with Michigan for the Big Ten lead at 7-2) became even more difficult when he learned that another starter would not be available.

Earlier Dutcher lost 6-9 freshman forward Mitchell Lee (he has not played in the last three games). Now Kevin Smith, a 6-7 sophomore forward, will be shelved for at least three weeks with a broken thumb.

That means Minnesota will be going up against one of the toughest "inside" teams in the Big Ten at Iowa Saturday with two new starting forwards. And who they will be remains to be seen.

"We still don't know for certain how we will open against Iowa," Dutcher said. "We have a number of combinations that we are looking at in practice, and it could be any one of them."

Whatever Dutcher decides to do, it seems certain that 7-0 junior John Shasky will open at center. Shasky had 15 points and eight rebounds in the loss at Ohio State and then tallied 18 in the setback at Indiana. During Minnesota's recent troubles, Shasky has been Minnesota's most solid performer.

It also appears certain that Dutcher will have 6-4 senior Tommy Davis in the starting lineup...but whether Davis will be at guard or forward still is up in the air.

Todd Alexander, 5-11 freshman guard, appears ticketed for a starting role again against the Hawks, and George Williams, a 6-9 freshman, looks like a logical choice at forward after opening in that spot at Indiana.

Beyond that, only time will tell. Gerald Jackson, a 6-4 sophomore, could be a starter as could 6-1 junior guard Marc Wilson or 6-6 freshman guard-forward Tim Hanson. All three of those cagers played extensively in last week's road trip.

"We'll try to determine which group can function the best together," Dutcher said, "but however we go, we now become a perimeter team. And we won't get many second shots. That means we will have to shoot over 50% if we are to have any kind of chance for success against Iowa."

UNDEFEATED GYMNASTS TAKE SHOW ON THE ROAD

The scary thing for Northern Illinois, and other upcoming Gopher opponents, is that they look like they're getting better. Coach Fred Roethlisberger's team is undefeated (5-0) and may stay that way for awhile. In fact, the Gophers have won nine straight dual meets, a Big Ten Championship, and finished 10th in the NCAA in the past year. Their last loss was to Iowa State February 4, 1984, and this past weekend, the Gophers beat Iowa State for the first time in Roethlisberger's thirteen years.

The Gophers take on Northern Illinois in DeKalb, Illinois this Sunday. It is the first of three road meets before the Gophers perform at home again. They will also take on Cal-Fullerton and go to the UCLA Invitational, before coming home to Williams Arena to meet Michigan.

Junior Dave Menke (Bloomington, MN) won the all-around in the Gophers victory over Iowa State. He had a season high 55.80 all-around, 9.5 on the rings, and a 9.45 on the vault. He is now averaging 55.10 a meet.

As a team, the Gophers had their highest score of the year, 275.1 against Iowa State.

GOPHERS SEND GRACE TO NATIONAL INDOOR TOURNAMENTS

#1 singles player Matt Grace will compete in the ITCA National Indoor Singles Championships in Houston, Texas this week. The tournament starts Thursday, February 7 and continues through Sunday, February 10.

Grace, who captured the Big Ten Indoor Singles Championship a week ago, is a junior from Milton, Massachusetts. He won the Big Ten title at #3 last year, and is a favorite to win the Big Ten title this spring.

The team won't be competing until the Republic Airlines Showcase at the Burnsville Racquet Club February 16 and 17. Other teams competing there will be Cal-Berkeley, Clemson, and Texas.

WRESTLERS FACE A TOUGH WEEKEND

The Gopher wrestling squad will have a tough weekend ahead when it takes on Illinois and Iowa State on successive nights.

Friday night, the Gophers will take on Illinois at 2:00 p.m. at Williams Arena. This will be the first of a three meet home stand to wrap up the season. Saturday at 2:00 p.m. the Gophers take on highly rated Iowa State. The Cyclones have been rated as high as fourth in the nation this year, and will be the fifth rated team the Gophers have seen in the last seven matches.

Ohio State comes in the next week to wrap up the regular season. The Big Ten Tournament is March 2-3 in Evanston, Illinois.

TRACK TEAM HEADS TO HUSKER INVITATIONAL

The indoor track and field season continues for the Gophers this Saturday at the Husker Invitational, in Lincoln, Nebraska.

1984 All-American Ron Backes (Richmond, MN) has been the highlight of the season, to no one's surprise. In his first meet, Backes, the defending Big Ten shotput champion qualified for the NCAA National Championships. He also captured a first place shotput victory at Wisconsin last weekend.

Griak's sprinting events have been bolstered by the addition of several football players, including Mel Anderson (Homestead, PA), Dennis Carter (Miami, FL) and Gary Couch (Davenport, IA).

GOLDEN GOPHER CAGERS TO HOST MICHIGAN STATE & MICHIGAN

Minnesota, striving to snap a four-game losing streak, returns to what it hopes will prove to be the "friendly" confines of Williams Arena this week for two more Big Ten Conference basketball assignments.

Wednesday the Golden Gophers are slated to entertain Michigan State University in a 7:05 p.m. encounter. Then on Saturday Coach Jim Dutcher's squad will square off with the University of Michigan. Tip-off is set for 1:05 p.m.

Moving back into the win column won't be easy for Minnesota, as both Michigan State and Michigan are healthy and playing top-notch basketball while the youthful and short-handed Golden Gophers are wondering what has happened to them.

A couple of weeks ago Minnesota was in a position to move into a tie for first place in the Big Ten standings. Since then, however, the Golden Gophers lost their two starting forwards (Mitchell Lee and Kevin Smith), and they have suffered four consecutive setbacks...the last three on the road.

Most recent loss for Minnesota was another heartbreaker, a 70-65 setback to the Iowa Hawkeyes in Iowa City, and it was a game that the gutty Gophers had a chance to pull out of the fire.

"Heavy underdogs in that contest, Minnesota had rallied strongly in the second half to pull within three with under a minute to play. But a missed one-and-one free throw opportunity by the Golden Gophers sealed their doom.

"It was a great effort on our part," Coach Dutcher lamented after the game. "Nobody can fault or question the effort our squad put forth at Iowa. We had a chance to win it, and that is disappointing. But we played hard."

With the disappointment of the loss, and with the Golden Gophers feeling the pressure of a losing streak, how hard will it be for Coach Dutcher to get his Minnesota club back in groove?

"Losing those last four has been tough on all of us," Dutcher admitted. "But now all we can do is get ready for Michigan State. That's next in line, and this club has proven time and time again that when someone counts them out, that's when they come back the toughest."

Dutcher had high praise for a couple of his players after the loss at Iowa City. "Tommy Davis shot the ball better," Dutcher said, "but he has had better scoring nights. He got some crucial baskets for us in the second half, and he sparked us into our rally."

Dutcher also tipped his hat to John Shasky, Minnesota's 7-0 junior center. "Shasky has really come on strong in the Big Ten season," Dutcher said. He has had 19, 15, 18 and 19 in his last four games. He's been playing like gangbusters."

Even in defeat, Dutcher felt Minnesota's solid effort at Iowa was, as he put it, "A step forward for us. We've been struggling, and we came into the league leader's arena and played them tough. That is hard to do. I told our squad that now we are a new team, and we are starting a new nine-game season (the second half of the conference campaign). Now we've got to get it in place for Michigan State."

ICERS CLINCH 2ND, AT DENVER FRI-SAT

Minneapolis, MN---For the first time since last November, the Minnesota hockey Gophers know what a pure WCHA sweep feels like.

Last weekend saw Minnesota take two from Northern Michigan at home by scores of 7-1 and 3-0. One has to look all the way back to Nov. 9-10 when UM won twice at Colorado Springs for its last WCHA sweep.

The twin wins means Minnesota has clinched at least a share of second place in the final WCHA standings. Minnesota is eight points ahead of third place North Dakota with four regular season games remaining.

The remainder begins this weekend when the Gophers pay a visit to Denver to face the Pioneers Friday and Saturday. Both 8:35 CST games will be aired in the Twin Cities via KRSI-850 AM radio.

The final Gopher WCHA series finds North Dakota visiting the Twins Cities Feb. 22-23. Minnesota remained three points behind WCHA leader Minnesota-Duluth.

The Bulldogs, attempting to repeat last year's league title, are 21-7-2 for 44 points after sweeping Wisconsin in Madison, 5-4 and 8-1. Minnesota owns a 19-8-3 league log good for 41 points.

The name of the series against NMU was freshman goal tender John Blue, the San Jose, CA product. Blue allowed but one goal on the weekend and Saturday recorded his first collegiate shutout stopping all 20 Wildcat attempts.

Blue lowed his WCHA goals allowed average to 2.83, the lowest figure in the Association. He has a 2.99 mark for all games with a 16-5 won-lost record.

Winger Pat Micheletti scored four points on three goals and an assist and now has 76 points on the season. In WCHA play he is four points behind scoring leader Bill Watson of Minnesota-Duluth, 69-65.

Micheletti's 43 goals in all games equals the third highest single season output in Minnesota hockey history. He is tied with Scott Bjugstad who ran home 43 scores in 1982-83.

The school record is 53 goals by Tim Harrer in 1979-80. Aaron Broten owns the second highest total. He scored 47 goals in 1980-81.

"The wins last weekend were extremely important for us in many ways," says Gopher head coach Brad Buetow. "Naturally it kept us in the race with Minnesota-Duluth, and, I hope, brings more confidence to our players.

"I think we were beginning to believe we couldn't win on Saturday. We have been struggling at times, but our men found out last weekend what extra hard work can produce.

"There are only four games left in regular season play, but to us they are extremely important. We all know anything can happen in this league.

"But possibly more important is that we hope to finish strong and use that as a springboard entering the playoffs. We can't do anything about what Minnesota-Duluth does the rest of the way. We can only take charge of our own record, our own results. That's what's important to us now."

ARENA TO BE RENAMED

The University of Minnesota Board of Regents announced Friday, February 8, that official ceremonies will be conducted March 2 to change the hockey portion of Williams Arena to Mariucci Arena.

This gesture is to honor John Mariucci, former Gopher All-American and head coach at UM from 1952 through 1966. A Minnesota native from Eveleth, Mariucci is known to all fans as the Godfather of amateur hockey in this State. Today he is a vice-president and scout with the NHL Minnesota North Stars.

Details of the ceremonies will be announced next week.

REPUBLIC AIRLINES SHOWCASE THIS WEEKEND FOR TENNIS TEAM

The Republic Airlines Tennis Showcase takes place this Saturday and Sunday at the Burnsville Racquet Club. The Showcase features the Minnesota tennis team going up against the highpowered competition of California-Berkeley, the University of Texas, and Clemson.

Some of the top college players in the country will be meeting in this tournament, including Minnesota's #1 player, Matt Grace (Milton, MA), the Big Ten Indoor Singles Champion. Grace's latest competition was in the ITCA national tournament, where he competed not only in the singles competition, but in the doubles with Chuck Merzbacher (Findlay, OH).

Minnesota will compete in one more tournament, the University of Miami Invitational February 22-24 before it begins its dual meet schedule in March.

GOPHER SWIMMERS HOST THE MINNESOTA INVITATIONAL

The final preparations for the Big Ten meet will be the Minnesota Invitational this weekend for the Gopher swimmers. The meet, at Cooke Hall, will start at 4:00 p.m. on Friday, and continue on Saturday at 9:00 a.m.

The competition will be the Gophers last minute time trials before the Big Ten Championships, at Indianapolis, Indiana March 7-9. For the other teams, Bemidji State and St. Cloud State, the meet will be the qualifying competition for the NAIA Championships. The Gophers, who beat Bemidji State 79-34 earlier in the season, may find the going a bit tougher because of this. The preparation Bemidji State and St. Cloud State puts into this meet will include the shaving and tapering that goes along with championship competition, while the Gophers, after a week off, will be using the meet as a tune-up for Big Tens.

FINAL HOME MEET FOR WRESTLERS IS SATURDAY

The Minnesota wrestling squad will close out the regular season this Saturday with a 7:00 p.m. meet against Ohio State at Williams Arena.

The Gophers, having faced five nationally ranked teams in their last six matches, have gone into something of a tailspin, losing their last four matches. Coach Wally Johnson has had to juggle the lineup due to injuries to 150 pounder Brett Rasmussen (Kasson, MN) and Dave McDaniel (Waseca, MN).

The Gophers will be wrestling to finish above .500, and in preparation for the Big Ten Championships in Evanston, Illinois March 2 and 3. Rasmussen and McDaniel may both be back for that, and the Gophers may have a couple of contenders for Big Ten crowns.

Sophomore Blake Bonjean (Bloomington, MN), the only wrestler to score points against Iowa State last weekend, will contend at 134. He goes into the match with the Buckeyes with a 17-5-2 record overall, and is 5-1-1 against Big Ten wrestlers this season (2-1-1 in Big Ten duals).

Freshman Dave Dean (Montrose, MI) has compiled a 16-10 overall record, at 177 pounds. Senior Greg Evans (Rockford, IL) also has Big Ten possibilities at 158 or 167. Evans is 13-6 overall at 158, and has wrestled at 167 the last four matches, going 2-2. He is 5-4 overall at 167.

TRACK SEASON CONTINUES WITH MINNESOTA RELAYS

The Minnesota Relays, at the Fieldhouse Saturday at 10:00 a.m., will occupy the time of most of the Gopher track squad, but a handful of the team will be miles away at the Central Collegiate Championships in Ann Arbor, Michigan, that same day.

A scheduling change has caused the conflict, and coach Roy Griak has decided to send some of his team members to the Central Collegiate competition while the rest stay behind to host the Relays.

Who will go to Ann Arbor hasn't been decided yet, except in the case of Griak's top two performers, shotput All-American Ron Backes (Richmond, MN) and cross country All-American and distance man Dave Morrison (Lakeville, MN). Gopher fans will not get a chance to see them this weekend, but the competition in Ann Arbor will give them a good chance to prepare for the Big Ten Indoor Championships March 1 and 2.

Backes will be looking to defend his 1984 Big Ten title. Morrison ran one of his best times in the mile run at 4:05.84.

ICERS CLINCH 2nd, HOST ND FRI-SAT

Minneapolis, MN---The University of Minnesota hockey Gophers missed out on the brass ring in Denver last weekend, but came home with second place locked up in the final 1984-85 WCHA standings.

The Gophers saw a 4-1 lead evaporate in Friday's game, but came back strong to post a 7-0 lead after two periods and win 7-2 Saturday.

(OVER)

The series split in Denver coupled with Minnesota-Duluth's home sweep of Michigan Tech means a second straight championship for the UMD Bulldogs. UMD is 23-7-2 for 48 points while the Gopher WCHA record reads 20-9-3, 43. Each team has two regular season games remaining. Minnesota is 25-9-3 overall.

Minnesota closes its league campaign Friday and Saturday hosting the third place North Dakota Sioux. Both 7:35 PM CST contests will be aired locally by KRSI-950 AM radio.

Last year Minnesota ended one point behind North Dakota in the final standings, but this season the Sioux cannot overtake UM. UND is 18-13-1 for 37 points, and will be out to hold off Wisconsin (18-14-0, 36) and maintain its third place standing for the playoffs.

Minnesota and North Dakota split a series at Grand Forks in December. The Sioux took the opener 4-1 with UM winning the next night 5-3.

Centers Rick Erdall and Corey Millen were the only Gophers to score two goals on the weekend. They both scored once each game. Erdall is second in scoring for UM with 62 points (20-42) and Millen third (20-33-53).

Pat Micheletti gained the most UM points with a goal and four assists. He has now scored 82 points this season on 44 goals and 38 assists.

His point figure ties him with Tim Harrer (1979-80) for the fifth highest total in UM ice history, while his 44 goals is the third most in a single season. The goal record is 53 scored by Harrer in '79-'80, while the second highest is 47 goals scored by Aaron Broten in 1980-81. That same year Broten set a single season point mark with 106.

Gopher captain and defenseman Mike Guentzel also had a fine series gaining a goal and three assists. He was UM's nomination for WCHA Player of the Week.

Freshman goalie John Blue played both games for UM but was the victim of several plays which knocked him down, and sometimes all the way out of the goal crease. However, he continues to lead all WCHA netminders with a 2.90 goals allowed average. For all games this season he is 3.03 with a 17-6-0 won-lost record.

"I have to give credit to our men for hanging in there this weekend," head coach Brad Buetow said Monday. "Billy Yon and Paul Broten did not play the second and third periods Friday. Each was out with a slight concussion. This contributed to our running out of gas in that game.

"But we switched our lines around Saturday to get more balanced scoring and it paid off.

"I believe we were somewhat distracted by the heavy checking Friday. But Saturday's contest belonged to us and I'm proud of the way we bounced back.

"Naturally we are disappointed in not staying alive in the run for first place in the WCHA. But the main thing now is first to offer congratulations to Minnesota-Duluth for repeating as champions, and secondly to get ready for the weekend series against North Dakota.

"Granted, we cannot move up or down in the standings, but this series is very important to us in terms of maintaining momentum for the playoffs. We are assured home ice for the first two rounds, providing we win the first weekend.

"So how we do this weekend can go a long way in determining how we get started on the second season."

GOLDEN GOPHER CAGERS TO GO BACK ON THE ROAD

Minnesota's Golden Gopher basketball team, still nursing hopes for a post-season tournament bid, goes back on the road this week for a pair of Big Ten Conference assignments.

On Thursday Coach Jim Dutcher will send his quintet up against Northwestern University in Evanston, IL. That shoot-out shows a 7:30 p.m. start. Then Minnesota gets an unusual Sunday outing against the University of Wisconsin in Madison. Tip-off is set for 1:05 p.m.

The Golden Gophers will take an overall record of 12-10 and a Big Ten mark of 5-7...an effort which puts them all alone in eighth place in the current standings... into Thursday's duel. Northwestern comes in 5-18, 1-12 and lodged in the league cellar. Wisconsin, which hosts Iowa Wednesday, enters this week's action 11-12, 5-7 and in ninth place.

Earlier this season Minnesota lodged a 72-62 triumph over the Badgers but dropped a 56-51 decision to the Wildcats. Both of those first-round contests were played at Williams Arena.

Since then Minnesota has lost both of its starting forwards and again will go into this week's games with a make-shift lineup that will use three guards... and a starting unit which includes two freshmen, two juniors and only one senior. That delegation includes John Shasky, Tommy Davis, George Williams, Todd Alexander and Marc Wilson.

Those cagers gained one win for Minnesota last week...a 73-64 decision over Michigan State...and almost upset third-ranked Michigan before falling in the closing seconds by a 66-64 margin.

"We did a good job under pressure against Michigan State," Coach Dutcher recalled. "We did not committ any turnovers when they came after us late in the game, and we were able to convert those pressure free throws at the end that kept us on top."

And there was no way to minimize the importance of that victory. It snapped a four-game Big Ten losing streak, and it gave the youthful Gophers some new life. "It was just a heck-of-a-win for us," Dutcher said.

Then against the front-running Wolverines, Minnesota really put things together and almost fulfilled its role as giant killer. "It certainly was not a lack of effort on our part against Michigan," Dutcher stressed. "We played hard every minute of the way. We just could not get the shot to drop at the end when we needed it."

Minnesota had led by as much as seven points in the second half of that game, but when 7-0 center John Shasky fouled out, the Golden Gophers were without their top rebounder...and it made the difference as Michigan out-boarded the host club 22-12 in the second half.

"We just could not get a rebound when we had to have it," Dutcher pointed out. "They got their last four baskets on put-backs, and that was the difference. But we gave it everything we had."

Now Minnesota must give more. The Golden Gophers desperately want to get into a post season tournament, but to do so they know they must improve their record. And doing that on the road won't be an easy assignment. It starts Thursday at Northwestern where Dutcher's club will be shooting for some revenge.

MARIUCCI DEDICATIONS PLANS SET

Final plans for dedication ceremonies March 2 to change the name of the hockey portion of Williams Arena to Mariucci Arena were announced today.

The ceremony is to honor John Mariucci, former University of Minnesota All-American hockey player and head coach of the Gopher program from 1952 through 1966.

Today Mariucci is a assistant general manager with the NHL Minnesota North Stars.

Activities on March 2 begin with an invitation only reception for former players and those who worked with Mariucci over the years.

This will be followed by a luncheon and program open to the public from 12:15 to 1:45 p.m. at the Radisson Metrodome Hotel. Tickets to the luncheon are \$15 and will go on sale Monday, February 25, at Bierman Building on the main UM campus.

Following the luncheon, special on-ice ceremonies will be conducted at 2:45 just prior to the Minnesota Gopher first round WCHA playoff game at 3:05 that afternoon. The opponent will not be decided until this weekend.

Several hockey, U. of Minnesota and other dignitaries will be included in the luncheon program and on-ice ceremonies March 2.

Seating is limited at both the Radisson Metrodome Hotel Ballroom (550) and at Williams Arena for the afternoon hockey game. The \$15 luncheon ticket DOES NOT include admission to the hockey game that afternoon.

SENIOR NIGHT SATURDAY

Seven members of the University of Minnesota varsity men's hockey team will make their final appearance in a regular season game at Williams Arena Saturday when the Gophers face North Dakota at 7:35 p.m.

These seven are the senior members of the squad and will be introduced individually, along with their parents, just prior to gametime.

The seniors are, alphabetically: Rick Erdall, C, Minneapolis, MN (Washburn High School); Captain Mike Guentzel, D, Marble, MN (Greenway-Coleraine High School); Kurt Larson, D, Moorhead, MN (Moorhead Sr. High School); Tom Parenteau, D, North St. Paul, MN (North St. Paul Sr. High School); Sean Regan, D, North St. Paul, MN (Hill-Murray High School); Tom Rothstein, LW, Grand Rapids, MN (Grand Rapids Sr. High School); and Billy Yon, RW, Roseau, MN (Roseau Sr. High School).

Going into this weekend, these men have appeared in a combined 742 games for the Minnesota Gopher hockey program.

FINAL BLUELINE LUNCHEON FRIDAY

Members of the GOLDEN GOPHER BLUELINE CLUB will gather Friday noon at Jax Cafe for the final Blueline Luncheon of the season. Head coaches Brad Buetow of the Gophers and Gino Gasparini of North Dakota are the featured speakers.

Herb Brooks, former Gopher head coach and serving on a special dedication committee which will honor another former UM coach, John Mariucci, will be part of the program and announce final plans for the ceremonies scheduled March 2 to change the name of the hockey portion of Williams Arena to Mariucci Arena.

As always the public is invited to attend all Golden Gopher Blueline Club luncheons.

UNDEFEATED GYMNASTS HEAD WEST

Minnesota (6-0) travels to California for two meets this week, to round out their February schedule. The first meet will be Wednesday, when they take on California-Fullerton. Then on Thursday, they will participate in the UCLA Invitational, in Los Angeles.

The undefeated Gophers have equalled or improved their score every meet, reaching a high of 276.60 in their last meet, February 10 against Northern Illinois. They won the Big Ten with a 279 last year, and with four dual meets left after the California trip, it looks like they should have no problem approaching or surpassing that score this year.

Sophomore Collin Godkin (West Allis, WI) is leading the team with an all-around average of 55.65, and has scored the highest all-around mark, 56.15, in the Northern Illinois meet, which Godkin won.

JOHN MARIUCCI DAY MARCH 2

Minneapolis, MN---Official proclamations from the Governor of Minnesota and the Mayors of Minneapolis and St. Paul are being drawn which will make Saturday, March 2, 1985, John Mariucci Day in the State of Minnesota.

The official notices will coincide with special ceremonies that day in which the hockey portion of Williams Arena on the University of Minnesota campus will be re-named "MARIUCCI ARENA" in honor of the former Gopher All-American player, and head hockey coach from 1952 through 1966.

Mariucci, today assistant general manager for the NHL Minnesota North Stars, is known all across Minnesota as the Godfather of amateur hockey in Minnesota.

The day (Mar.2) begins with an invitation-only reception for Mariucci's ex players at the University, followed by a 12 noon public luncheon at the Radisson Hotel Metrodome in Minneapolis. Tickets for the luncheon are priced at \$15 and go on sale Monday, Feb. 25, at Bierman Building on the U. of M. main campus.

The luncheon, expected to last until approximately 2 p.m., will be followed by a brief on-ice ceremony at Mariucci Arena at 2:45 p.m. prior to the U. of Minnesota WCHA playoff game at 3:05 p.m.

Several special guests are expected to participate in the luncheon program. Al Shaver, radio voice of the North Stars, will MC.

Longtime friend and fellow U.S. Hockey Hall of Famer Bob Ritter will be the main speaker with Athletic Director Paul Giel representing the University, and former Gopher, Olympic, and N.Y. Rangers coach Herb Brooks presenting the above mentioned proclamations.

Special program guests will include William W. Wirtz, President and Owner of the Chicago Black Hawks and Chairman of the NHL Board of Governors, who will represent the National Hockey League. Mariucci played five seasons with the Black Hawks in the 1940's.

Another of Mariucci's close friends, Amo Bessone, former head coach at Michigan State, is expected to speak and represent collegiate hockey.

The day's celebrations conclude with an informal gathering of all hockey friends and fans from 6-10 p.m. at the Radisson Metrodome Hotel.

ICERS FINISH 2ND, HOST NMU IN PLAYOFFS

Minneapolis, MN---And now comes the second season. It's called "playoff hockey."

The U. of Minnesota hockey Gophers are home this weekend to host Northern Michigan University in first round WCHA playoff action. Games are 3:05 p.m. Saturday and 2:05 p.m. Sunday in Mariucci Arena. The WCHA playoff format calls for a two-game, total-goals series.

Minnesota, which had already clinched second place in the final WCHA standings before its split at home last weekend against North Dakota, ended with a 21-10-3 WCHA record good for 45 points. Then placed UM seven points behind champion Minnesota-Duluth (25-7-2, 52). UM lost 6-1 and won 5-2 against ND.

Northern Michigan finished its regular season play on a down note losing twice at home last weekend to WCHA champion UM-D, 7-6 in overtime and 5-3. The Wildcats ended seventh in the standings with a 14-20-0 league record for 28 points. NMU is 18-20-1 overall and the Gophers 26-10-3.

The teams met for one series during regular season play with Minnesota gaining a home sweep, 7-1 and 3-0. The latter victory was Gopher goalie John Blue's lone shutout of the season.

However, as is the normal case, what happens in regular season play has little to do with the playoffs. According to Gopher head coach Brad Buetow, the biggest thing Minnesota faces, besides NMU, is a psychological challenge.

"It always seems more difficult to face a team you have already defeated when it comes to playoff time," Buetow said Monday. "Any coach is always concerned with his players getting themselves up for the second meeting.

"Northern Michigan is certainly a better team than they showed here. They suddenly went into a scoring draught starting with our series. So I expect them to be much tougher this time around.

"And remember, they finished us off the last time they came to our arena for a playoff game. So we do not expect anything easy this weekend."

On the re-naming the Gopher ice area to "Mariucci Arena" this weekend, Buetow added, "If John Mariucci had not taken his stand of recruiting Minnesota high school players, a majority of our past and present players at the U. of M. would not have had the chance to fully develop their hockey skills.

"We are all thrilled to see this great man recognized on our campus. Saturday will be a day all of us connected with Gopher hockey will always remember because we were a part of it."

BLUE, MICHELETTI FINISH HIGH

Gopher freshman goalie John Blue from San Jose, CA, ended his rookie campaign with the best goals allowed average among all WCHA netminders. Blue finished at an even 3.00 with a 15-7-0 league won-lost record.

Teammate Pat Micheletti (Hibbing) ended the season second in the WCHA scoring derby to two-time winner Bill Watson of Minnesota-Duluth. Watson totaled 37 goals and 43 assists for 80 points to Micheletti's 40-34-74. The 40 goals scored by Micheletti are the highest of all WCHA players. In fact, in all games played he had scored 46 goals which leads the nation.

MINNESOTA CAGERS CLOSE HOME SEASON THIS WEEK

Minnesota's Golden Gophers will make their final regular-season home appearances of the 1984-85 basketball season this week when entertaining two more Big Ten Conference opponents.

Coach Jim Dutcher will send his youthful contingent onto the Williams Arena floor against Indiana University on Thursday and against The Ohio State University on Saturday. Both contests show 8:05 p.m. tip-off times.

The Golden Gophers will go into the Hoosier assignment with an overall record of 13-11 and a Big Ten mark of 6-8...putting them in a tie for seventh place in the conference standings with Thursday's opponent.

Invading Indiana will risk an overall record of 14-10 (along with that 6-8 league standard) while Ohio State enters this week's play 17-7 and 9-5. And the Buckeyes, who play at Iowa Thursday, currently are in second place in the Big Ten.

Last week Minnesota split honors, winning 74-48 at Northwestern on Thursday but then falling 65-61 in a heartbreaker at Wisconsin Sunday afternoon. It left the Golden Gophers even at 1-1 with each of those two clubs on the season.

"To contend in the Big Ten," Dutcher analyzed, "you have to beat the teams below you in the standings. Normally a split on the road won't hurt you, but the fact remains we split with Northwestern and Wisconsin, and we needed to sweep those series."

Against the Wildcats last week, Dutcher felt that his club was continuing to show good progress. "We have played well for the last three weeks," he said after that victory. "We played well but lost at Iowa. We played well and beat Michigan State. We played very well but lost to Michigan. And we played excellent basketball against Northwestern."

Sunday found the Golden Gophers slipping, however. "We have no excuses," Dutcher said. "Wisconsin simply beat us. They played harder than we did, and they executed better than we did."

Minnesota and Wisconsin exchanged leads throughout that game, and the outcome was in doubt until the final seconds. But the Golden Gophers, as gallant as their bid for victory might have been, came up short.

"We had four chances to win it," Dutcher pointed out. "We had good shots at the end, but we simply could not get those shots to drop. We lost, not because we played so poorly, but instead because we just could not make the BIG play when we needed it."

So now Minnesota returns home to close regular season play against two teams that have beaten the Golden Gophers once already this season. Indiana hammered Minnesota 89-66 at Bloomington early in February while Ohio State won 76-62 in Columbus late in January.

Over the years the series with Indiana and Ohio State have been tough ones for Minnesota. The Hoosiers and Golden Gophers have met 110 times, and coming into Thursday's contest the visitors hold a commanding 65-45 edge in the series. Against Ohio State, it's 92 confrontations, and the Bucks leads 53-39.

BIG TEN WRESTLING CHAMPIONSHIPS BEGIN SATURDAY

The 71st Big Ten Wrestling Championships will be held at Northwestern Saturday and Sunday. For the first time in eight years, the Gophers face the prospect of finishing lower than third in the championship.

Iowa has won 11 straight Big Ten titles (seven straight national titles), and in that time, only the Gophers and Wisconsin have challenged them, each finishing second or third. This year, the Gophers will have a tough time mounting a challenge. They have gone winless (0-7) in the Big Ten, and finished 8-11 overall.

The young Minnesota squad will be relying on the experience gained this year, after wrestling a schedule that featured five teams rated in the top twelve. Captain Greg Evans (Rockford, IL), the only senior on the team, will have a shot at finishing high at 167, where Evans moved to late in the year. The defending champion, Iowa's Lindley Kistler will be back. Kistler beat Evans earlier this year 7-2. That was Evans' only Big Ten loss at that weight, as he handily defeated his other three opponents.

Evans qualified for the NCAA's last year, finishing fourth in the Big Ten at 158.

Other Gopher leaders should be Blake Bonjean (Bloomington, MN) at 134, and Brett Rasmussen (Kasson, MN) at 150.

ALL-AMERICANS LEAD GOPHERS INTO TRACK CHAMPIONSHIPS

A couple of All-Americans, Ron Backes (Richmond, MN) and Dave Morrison (Lakeville, MN) will lead the Gophers into the 75th Big Ten Indoor Track Championships at Madison, Friday.

Backes, a junior, is the defending outdoor shotput champion, and should be the favorite to capture the indoor title. He has qualified for the NCAA tournament, and recorded a high throw of 64'9½". 61'11½" won the indoor meet last year.

Senior Dave Morrison, a cross country All-American, could contend in the one or two mile run, where he has run some of the best times ever turned in by a Gopher. His 8:56.78 at the Central Collegiate Championships nabbed him third there, and he also has two second place finishes to his credit.

Two Gophers will be in their last collegiate competition. Both Francis Ude (Nigeria) and Brian Maas (Austin, MN) will be graduating after this quarter. Ude holds the Gophers top time this year in the 300 yard dash (:31.78) and is considered one of Minnesota's top sprinters. Maas competes in the middle distance events.

The team outlook is hard to gauge, but in their latest competition, the Central Collegiate Championships, the Gophers tied with Michigan State as the fifth highest scoring Big Ten team.

GYMNASTS HOST MICHIGAN

Minnesota (6-0) returns from its California trip to host Michigan Saturday at Williams Arena. The meet gets underway at 2:00 p.m.

The Gophers are in the home stretch of their schedule, with only four meets left before the Big Ten Championships come to Williams Arena (March 23 and 24). After the Michigan meet, they will travel to Iowa and Wisconsin-Oshkosh before coming back home to face Wisconsin.

Michigan (0-5) will be in the second of a four meet road trip to end up their regular season, which has not been a good one for the Wolverines. They are a young team led by Gavin Meyerowitz, who is leading the team with an all-around season best of 54.40.

The Gophers outscored Michigan 269.40 to 247.80 at the Windy City Invitational, in the first competition of the year, and since then, the Gopher scores have steadily risen, while Michigan has been inconsistent.

Still, this will be only the second Big Ten meet for the Gophers, important in itself, and the Gophers will also be looking for high scores the remainder of the season to qualify for the NCAA Championships.

GOPHER TENNIS BEGINS BIG TEN SEASON

The dual meet season will finally get underway for the Minnesota tennis team this Friday when they take on Wisconsin in Madison.

The Gophers thus far have been competing in tournaments across the country, honing their skills in anticipation of the Big Ten season. Wisconsin presents the first Big Ten challenge of 1985, and the Badgers look to be stronger than last year, when they finished third in the conference. The Gophers will be defending the Big Ten Championships.

Wisconsin will be led by senior captain Dan Arends, who was defeated in the Big Ten Indoor Singles Championship by #1 singles player Matt Grace (Milton, MA). The Gophers will host Ohio State next week.

STATEMENT FROM UNIVERSITY OF MINNESOTA HEAD BASKETBALL COACH JIM DUTCHER.

"I'm temporarily suspending Todd Alexander from the basketball team pending the resolution of his misdemeanor cases. The most recent case, which occurred on January 7th, is of a minor nature. However, University of Minnesota basketball players are held to a high standard of conduct. My hope is that Todd will meet those standards and remain a part of our basketball program. He assures me he has every intention of doing so."

goal of the game, 21st of the season, at 12:29 and UM was ahead to stay.

Senior wing Billy Yon then got the game winner on an unassisted shorthanded goal at 16:46 after stealing the puck at center ice. The Wildcats got one back on the same power play, but Todd Okerland's rebound goal at 18:15, still in the second period, proved to be the deciding goal of the series.

Bob Curtis got his second goal of the game in the third period for NMU, but that proved to be the last straw as Gopher freshman goalie John Blue and his teammates held off Northern to win the series.

The Gophers take a 27-11-3 season record into the next round against Wisconsin. The Badgers finished third, one spot behind Minnesota, in the final regular season standings.

Wisconsin finished off sixth place Colorado College at home last weekend 2-1 and 7-3 to win its first round series 9-4. The Badgers carry a 25-15-0 record into Mariucci Arena.

The schools met for a series here in the Twin Cities this season with each club taking one victory. Minnesota won the opening battle 6-5 only to see the Badgers come back to take a 5-4 overtime decision the next night.

Chapman scored a team high three goals on the weekend while defenseman Tony Kellin picked up a single tally in each game.

Goalie Blue ran his season record to 18-8-0 while guarding the Gopher nets in both outings.

The 27 wins posted by the 1984-85 Gopher team equals the fifth highest number of wins in UM hockey history, the same number of wins posted by last year's squad.

In addition, head coach Brad Buetow raised his six-year career record to 167-73-8 for a winning percentage of .690%. It is believed to be the highest winning percentage of all active NCAA Division I college hockey coaches.

In the other half of the WCHA playoff bracket, '85 champion Minnesota-Duluth is at home Friday and Saturday nights to fourth place North Dakota. Both teams won their first round playoff series handily.

The Bulldogs defeated eighth place Michigan Tech 3-2 and 5-2, while North Dakota whipped fifth place Denver 7-1 and 8-4.

Winners of this weekend's playoff series meet the following weekend to decide the 1985 WCHA playoff championship. Winner of the latter series will be seeded directly into the first round NCAA playoffs leading to the championship tournament March 28-29-30 in Detroit, MI.

NO MAIL ON ADVANCE TICKETS

Due to the heavy snow storm last weekend, the University of Minnesota ticket office is unable to mail out any pre-purchased tickets for this week's WCHA playoff series at Mariucci Arena between Minnesota and Wisconsin.

All the above mentioned tickets will be held at the Bierman Building ticket office window for pickup between 9 a.m. and 5 p.m. daily through Friday, and then will be available beginning Saturday a.m. at the Mariucci Arena will call windows.

MINNESOTA TO CLOSE BASKETBALL SEASON ON THE ROAD

Minnesota closes its' 1984-85 basketball season on the road this week with Big Ten Conference assignments at Purdue on Thursday (7:35 p.m. EST) and at Illinois on Saturday (3:05 p.m. CST).

The Golden Gophers come into the final week of play with an overall record of 13-13 and a Big Ten mark of 6-10 (good for 8th place in the standings) after dropping two home decisions last week.

First Coach Jim Dutcher's quintet fell 79-68 to Indiana and then on Saturday dropped another heartbreaker 78-77 to Ohio State. Dutcher felt that Minnesota could have won either (or both) of those decisions.

"We had our chances," he proclaimed after the one-point setback to the Buckeyes. "We wasted a good effort. We played hard, and we got ourselves back into a position to win. We just could not make the big play."

That lack of a big play has plagued Minnesota through the past few weeks when they have been without three of their starters. (Mitch Lee, Todd Alexander and Kevin Smith). And it is obvious the Golden Gophers will need a lot of big plays to win on the road this week.

"We are a very young basketball team," Dutcher pointed out, "and when we have found ourselves in a situation where we would win a game, we have not played with the intelligence that comes with experience. We simply must play smarter if we want to win. We must learn to play with more poise down the stretch."

When Minnesota goes up against Purdue in West Lafayette on Thursday, it will be facing a team that shelled the Golden Gophers 74-65 at Williams Arena earlier in the season. In all, there have been 122 meetings between the Boilermakers and Minnesota, and Purdue will take a 62-60 edge into Thursday's contest.

The Golden Gophers will be out to make it a 1985 sweep over Illinois on Saturday after posting a 60-58 triumph over the Fighting Illini at Williams Arena in the Big Ten opener early in January. Minnesota and Illinois have played 128 times, and the Golden Gophers trail 77-51 in the series.

In the earlier meetings this season, senior guard and Captain Tommy Davis led Minnesota with 25 points against Purdue and 19 against Illinois. Davis, Minnesota's leading scorer this season with 489 points for an average of 18.8 per assignment, has 1,435 career points and now ranks fifth on the all-time University of Minnesota scoring list.

Coach Dutcher has used a variety of lineups in recent games and could alter things again this week. But Davis is a set starter....either at guard or forward.... as is 7-0 junior John Shasky at center, 6-9 freshman George Williams at forward and 6-1 junior guard Marc Wilson at guard. The fifth spot could again go to 6-4 sophomore Gerald Jackson or 6-5 freshman Tim Hanson, each of whom got the nod once last week.

Minnesota still nurses hopes for a post-season tournament invitation, but it would seem that the Golden Gophers must do no worse than split on its final road trip. Is it possible? "We will just have to put the pieces back together and do the best we can." Dutcher said.

BIG TEN SWIMMING CHAMPIONSHIPS START THURSDAY

The Big Ten Swimming Championships at Indianapolis, Indiana will start Thursday and run through Saturday. The Gophers enter the meet with a 3-6 record, 1-4 overall, and will have a hard time competing with the top Big Ten schools.

Minnesota certainly has some top swimmers, but depth has been a problem this year, as has an injury to tri-captain Jay Peterson (Bloomington, MN) that has kept him out of the pool most of the season.

Some Gophers to watch are tri-captain Bob Barrett (Arlington Heights, IL), in the butterfly, diver Flip Crummer (Omaha, NE), and senior Chris Tahti (Mounds View, MN), in the freestyle events, and sophomore Jim Wise (Faribault, MN) also in the freestyle events.

BACKES TO COMPETE IN NCAA'S

Junior Ron Backes (Richmond, MN) will go to Syracuse, New York to compete in the NCAA Indoor Track Championships. Backes won the Big Ten shotput title this year, as well as the outdoor title last spring.

Backes' throw of 62'7½" won the Big Ten, and gave him four meet victories out of five for the indoor season. He finished second in the other meet. 60' is needed to qualify for the NCAA's, and Backes accomplished that distance in all but one meet. His farthest throw of the year was 64' 9½" at the Husker Invitational February 9.

As a team, Minnesota finished seventh in the Big Ten meet, which was won by Indiana. The Gophers will be without Brian Maas (Austin, MN) and Francis Ude (Nigeria) for the outdoor season, as both graduate this quarter.

UNDEFEATED GYMNASTS TAKE FINAL ROAD TRIP OF THE YEAR

The Gopher gymnastic team will travel for the final time this year as they go on the road for two meets this weekend. They face Iowa Friday night, then take on Wisconsin-Oshkosh Sunday afternoon. They return home to face Wisconsin March 16 in their final meet before the Big Ten Championships come to Williams Arena March 23 and 24.

The Gophers, 7-0, were led by Dave Menke in their last meet against Michigan, in which Menke scored a season high all-around of 56.45 for the Gophers. Rob Brown, who has consistently been scoring higher through the year, scored 56.10.

An undefeated season seems probable for the Gophers, who were rated eleventh nationally in the last poll.

TENNIS TEAM HOSTS OHIO STATE

The Gophers will host Ohio State Saturday night in their second Big Ten match of the season. They defeated Wisconsin last weekend 5-4.

The Gophers, undefeated in dual meets thus far, will travel to California later in the month, and don't have another Big Ten match until April 6, when Indiana visits the 98th Street Racquet Club.

#1 singles Matt Grace (Milton, MA) has compiled a 22-10 overall record, 11-4 in 1985. He defeated Ohio State's number one player Roger Smith earlier this year, 6-4, 3-6, 6-3.

Record: 13-13

Big Ten: 6-10

HOLTZ SETS GOALS IN SECOND SPRING PRACTICE SESSION

Head Coach Lou Holtz is a goal oriented type person, and he has set a number of objectives for his Golden Gophers as he whistles the start of his second spring football practice session at the University of Minnesota this weekend.

"Our primary aim is to improve fundamentally," Holtz said. "We also want to look at new things....new trends in football, different offenses and new defenses. In addition we want to evaluate our own athletes so that we can come out of spring practice with a set lineup."

That wasn't the case a year ago when Holtz took over the reins at Minnesota. He had to adjust to his players, and the holdover squad had to get to know Holtz. It all took time.

"It is important for us to establish a top unit," Holtz analyzed, "and when we do that we will begin to develop some pride and feeling towards ourselves and towards our teammates."

Holtz felt that a year ago Minnesota's biggest obstacle was the fact that it was plagued by an inability to generate continuity. "We made strides in those directions," Holtz recalled, "but we must continue to do so. It is critical for our future success."

Offensively spring drills are expected to find Holtz stressing consistency. "We really need to develop more consistency in the offensive line," he said. "We moved the ball well on the ground at times a year ago, but we must improve our passing game. We must become more physical. We are stronger than last year, and we expect to continue getting stronger."

On defense, Holtz figures the linebacking corps could be solid, but "We must develop a pass rush," he said. "That is acute in our defensive strategy. Our success also will depend upon our ability to improve in the defensive secondary. We have some junior college transfers that could help, but we must get better in that area."

Holtz also pointed to some players who would get trials at new positions in spring drills, but he admitted, "We don't have the flexibility of others, and any changes we might try to make will be restricted by size and speed. Or lack of it."

In the kicking department, Minnesota should be improved. "our kicking game was fairly strong last year," Holtz said, "and with those players back and some new candidates added we should be even better."

The Golden Gophers will go through 20 practice days this spring, and the annual Spring Game will be held in the Hubert H. Humphrey Metrodome on Saturday, April 27. A year ago 42,000 tickets were sold for the spring game, and Holtz hopes to shatter that mark this time out of the blocks.

But all of it....the 20 days and the spring game....are simply preparations for next fall when Holtz will try to improve Minnesota's 4-7 mark of 1984. "We will be playing an ambitious schedule," he points out, "but it is one that should bring out the best in our squad. And hopefully the fans."

As far as spring practice goes, Holtz keeps a keen eye on his goals. "I believe it is of vital importance for us to finish with a starting lineup," he said. "We must create a foundation upon which we can build in the fall. But I expect spring practice to be fun, and I expect our players to enjoy it."

ICERS IN WCHA PLAYOFF FINALS

Minneapolis, MN---The University of Minnesota hockey Gophers reached another stage in its second season last weekend by qualifying for the 1985 WCHA playoff championship series this weekend at Minnesota-Duluth.

The Gophers swept Wisconsin at Mariucci Arena 6-0 and 8-7 to take the total-goal verdict 14-7 in the second round league playoff series.

Now all UM has to do is unseat the regular season WCHA champion Bulldogs to be guaranteed a spot in the first round of the NCAA playoffs the next week.

However, even if the Gophers lose at Duluth, there is a good chance the team would receive an at-large berth to the NCAA playoffs.

The games this weekend in the Duluth Arena are scheduled at 8:05 p.m. Friday and 7:35 p.m. Saturday. Both contests will be aired locally by KRSI-950 AM radio in the Twin Cities.

The Bulldogs own the best record of all teams in the West at 32-7-3 while Minnesota, which finished runner-up to UM-D in the regular season, stands 29-11-3.

Minnesota-Duluth earned its way to the playoff finals by edging an improved North Dakota sextet 10-8 in a total-goal series. The teams tied 4-4 the first night with UM-D coming from behind to win 6-4 Saturday.

Minnesota and Minnesota-Duluth played one series up in the Port City this season. The teams tied 6-6 the first night with UM-D taking wild 8-6 decision the next game.

Hockey Release Continued

Freshman goalie John Blue authored his second shutout of the season last Saturday against Wisconsin. Blue admittedly used every piece of equipment he had, including both pipes and the cross bar on the net to blank the Badgers.

At times his scrambling while flat on the ice resembled an old Keystone Cops movie. But he managed to get the job done.

Saturday's win according to head coach Brad Buetow, was the "best complete game performance put together by our men all year. I simply can't fault anyone's play in that win."

Saturday's hero, besides Blue, was senior wing Tom Rothstein. Not enjoying his most productive season ever, Rothstein came through with his first hat trick performance of the year. He also scored one assist.

After Corey Millen got the only goal of the first period Saturday, for UM, Rothstein scored back to back markers early in the second period, and then jammed home his team's final score on a power play in the final period.

He added a goal and four assists Sunday for a 9-point weekend.

Sunday, however, was a different story. Even though Minnesota took a 3-1 first period lead (9-1 for the series), Wisconsin was far from finished.

The Badgers scored three unanswered goals in the second period to take a 4-3 lead, and later lead 5-4 in the third period. But senior center Rick Erdall rammed in a pair of rebound power play goals and Billy Yon added another tally to give UM a 7-5 lead.

Wisconsin again rallied to tie in the final minute only to see Rothstein score the game winner on a 150-foot shot into an empty net after the Badgers had pulled goalie Dean Anderson for a sixth attacker. That score came at 19:47.

Minnesota ended Sunday's clash with several players banged up. The worst case belonged to junior wing Pat Micheletti who suffered a bad shin bruise. Micheletti did not play after the first period when he scored his 47th goal of the season to give UM a 2-0 lead.

Micheletti's has now tied Aaron Broten for the second highest number of goals in a season for UM. Broten got his 47 in 1980-81. The record is 53 scored by Tim Harrer in 1979-80.

Besides Rothstein's totals, Millen chipped in with three goals and an assist while Erdall added an assist to his two goals Sunday and both Tony Kellin and Steve Orth added three assists.

Blue ran his season record to 21-8-0 with the two victories last weekend.

BUETOW ON THE GOPHERS

"The series we played earlier at Duluth has no bearing whatsoever on this weekend for either team," Buetow said Monday. "This is an all new season for both Minnesota-Duluth and ourselves.

"Yes, we did get a big banged up. But we expect every man who played last weekend to be ready to skate this week, too. So I do not expect to see any lineup changes, except possibly to move some people around to different spots.

"I couldn't have been more pleased with our performance against Wisconsin. It was easily the biggest series of the year for us. But that was last week, and last week is history.

"We now face an even bigger challenge. Minnesota-Duluth has already proved itself as league champions and a playoff finalist. As always, you can expect a great series whenever we get together."

MINNESOTA ENDS BASKETBALL SEASON AT 13-15

Minnesota brought down the curtain on its' 1984-85 basketball season this past weekend with two road losses against Big Ten opponents. Those setbacks dropped this year's mark to 13-15 overall and 6-12 in the conference.

That pair of defeats in the final week of the season were 79-67 at Purdue and 82-56 at Illinois. Decisive as they were, both seemed typical of what has happened to the Golden Gophers this year.

Against Purdue, Minnesota fell behind by 11 in the first half but then pulled within five after th intermission only to find that rally not enough. "We made a run in the second half," Dutcher recalled, "but we gave up 10 points on mistakes in critical situations down the stretch."

Then at Illinois in the finale, Minnesota stayed with the powerful Illinois through the early going before the Fighting Illinois outmuscled the youthful Gophers and pulled away in the second half.

"We must learn that the Big Ten is a physical conference," Dutcher said, "and to win in this league we have to be physical ourselves. We have to be able to rebound. Against Purdue we were out-boarded 33-26. At Illinois it was 38-25. We can't expect to win if we can't rebound better than that."

Minnesota had a solid chance at Purdue when it shot .540 from the field, but at Illinois, that mark dipped to .442. "For us to win," Dutcher analyzed, "we have to shoot nearly 60% because we simply are not big enough or strong enough to rebound and get those put-back baskets."

Despite the fact that Minnesota dipped below the .500 mark for the first time since 1978-79, Dutcher saw some good things about the just-completed season.

"We beat some good teams," he said. "We beat four teams that at the time of our competition were ranked in the nation's top 20. We beat teams from the Pac-Ten Conference, the Ivy League, the Big East and top-ranked independent Marquette. We have some things to be proud of."

At mid-season, Minnesota seemed to be ready to make a run for Big Ten honors. The Golden Gophers were 4-2 and on a roll. But then disaster struck and within a space of two weeks three starters (freshman forward Mitch Lee, sophomore forward Kevin Smith and freshman guard Todd Alexander) were on the sidelines.

"We simply lost the numbers game during the last few weeks of the season," Dutcher analyzed. "We gave an effort, but we simply did not have the people. We asked young players who are not physically ready to play in the Big Ten to compete against juniors and seniors."

Dutcher's final words were of tribute to this year's captain, Tommy Davis. "There isn't any way to describe how much we have appreciated having Tommy in our program," Dutcher said. "He always hustled and always gave everything he had."

In his four seasons at Minnesota, Davis scored a total of 1,481 points to rank fourth on the all-time U of M career scoring list. He was named to the 1985 All-Big Ten team and to the second team on the 1985 All-District 11 honor squad.

GYMNASTS WRAP UP REGULAR SEASON

--UM--

Minnesota will finish its regular season with a meet against Wisconsin Saturday at Williams Arena. The meet starts at 2:00 p.m.

The Gophers suffered their first loss of the season at Iowa last weekend, and will be looking for a big meet to boost their average score, which will determine their participation in the nationals. The Gophers will have another chance to improve that average as the host team of the Big Ten Championships, which comes to Williams Arena March 23 and 24.

The Gophers have now had two unusual subpar performances against Big Ten teams, and will need a strong performance against the Badgers to move their national ranking back into the top ten. They were tied for tenth before the trip to Iowa.

BASKETBALL AWARDS ANNOUNCED AT MINNESOTA

Captain Tommy Davis, John Shasky and Todd Alexander cleaned up at the University of Minnesota's 1985 basketball awards dinner Monday night.

Davis, a 6-4 senior guard from Aberdeen, Maryland, was named the Golden Gophers' Most Valuable Player for the second straight year. He also earned the team's Free Throw Percentage Champion award with a mark of .842, carved with an 85-of-101 effort.

Shasky, a 7-0 junior center from Birmingham, Michigan, was honored as Minnesota's Most Improved Player and as the team's Rebound Champion. He garnered 190 boards this season for an average of 6.8 per game.

Alexander, a 5-11 freshman guard from Waxahachie, Texas, reaped the Golden Gophers' Mister Hustle Award. Alexander, despite missing the final four games of the season, recorded 29 steals, best for a U of M player, and 55 assists.

Earlier Davis was named to the first unit on the 1985 All-Big Ten honor squad and to the second team of the District 11 aggregation. He finished the season with 535 points and in four years totaled 1,481 which places him fourth on the all-time University of Minnesota career scoring list.

Record: 13-15
Big Ten: 6-11

MINNESOTA HOSTS THE BIG TEN GYMNASTIC CHAMPIONSHIPS THIS WEEKEND

The 77th Big Ten Gymnastics Championships come to Williams Arena this Saturday and Sunday and the timing couldn't be better for the Gophers. They finished the regular season with their two highest scores of the year, culminating with a 282.50-271.35 victory over conference rival Wisconsin. Minnesota won the Big Ten Championship last year with 279 points.

The Gophers, 9-1 (3-1 Big Ten), broke out of a mini-slump with two outstanding performances that may have clinched a qualifying berth in the NCAA tournament. After reeling off seven straight victories to open the season, Minnesota suffered its only loss of the year at Iowa. Coach Fred Roethlisberger rallied his troops, who then routed Wisconsin-Oshkosh and placed Gophers in the top four spots in the final meet against Wisconsin.

(MORE)

Regardless of the momentum the Gophers have going into the Big Tens, they will still find some tough competition Saturday, when the team competition is held. That is scheduled to start at 7:00 p.m. The Big Ten sent four schools to the NCAA's last year, and some regard it as the best gymnastics conference in the nation.

The All-Around competition will be Sunday, at 12:00 noon. Charles Lakes, a junior from Illinois will be back to try to defend his title. Three of the next four finishers last year will also be back, including Dan Bachman, a junior from Iowa, and Minnesota's Rob Brown (Chicago, IL) and fifth place finisher Dave Menke (Bloomington, MN). Collin Godkin (West Allis, WI), the ninth place finisher in 1984, will also be among the Gophers challenging for the title.

Menke has led the Gophers, with four first place finishes and a 55.43 average. Godkin's 55.38 average is the next highest. Godkin has also recorded 9.85's on both the parallel and high bar. Brown has the highest all-around score, 56.85, and a 54.67 average. The Gopher's other all arounder, Jamie Gerardo, has a 54.52 average.

The individual event finals, Sunday at 7:00 p.m., could also feature some Gophers. Pat Houde (Bloomington, MN) has the highest Gopher score on the floor exercise, 9.85. He is averaging 9.28. The highest floor exercise average belongs to senior Kevin Cochran (Bloomington, MN), a 9.46. Cochran also specializes in the vault. Freshman Mike McCabe (Des Plaines, IL) could also compete strongly in any of the six events.

Other Gopher entries include freshman Steve Bajusz (Naperville, IL), sophomore Steve Braun (Bloomington, MN), who specializes in the pommel horse, sophomore Dale Langfels (Edina, MN) a floor exercise specialist, sophomore Dave Devries (New Hope, MN) and freshman Brad Pries (Bloomington, MN).

MINNESOTA MEN'S GYMNASTICS IN REVIEW --

Since taking over the head coaching duties in 1972, Fred Roethlisberger has compiled an impressive 81-36 coaching record (.691). Roethlisberger took over a team that had not finished higher than fifth in the Big Ten since 1961, and guided the Gophers to seven Big Ten titles. Nationally Minnesota has finished in the top ten in the NCAA five times since 1976, and in the top 15 in the nation every year. Under Roethlisberger, the Gophers have had five All-Americans -- Jeff LaFleur in 1976, Tim LaFleur in 1978, Peter Velguth in 1981, Brian Meeker in 1982, and Joey Ray in 1983. Both of the LaFleur's, Meeker and Ray received the Big Ten Conference Medal of Honor given to the senior athlete at each university with the greatest proficiency in athletics and academics.

A DYNASTY IN THE CONFERENCE From 1976 to 1980, the Big Ten title had a permanent home at Cooke Hall, Minnesota's gymnastics facility. Minnesota won the title five years straight, finished second in 1981, and regained the crown in 1982 and 1984. Before the 1976 season, the Gophers had not won a Big Ten title since 1949, but since then the lowest finish has been fourth in 1983.

Gopher individuals have won the all-around title every year since 1976, except in 1984. Tim LaFleur won the title three times from 1976-78, Kevin Prady won it in 1979, and Dan Price captured the title in 1980. The next two years, Brian Meeker earned the all-around title and Joey Ray gained the Big Ten honor in 1983. Since 1972, the Gophers have won 25 individual Big Ten titles.

GOPHERS IN WORLD COMPETITION -- Minnesota gymnastics has not only had an impact in the conference and the NCAA, it has contributed to the world gymnastics scene. Since 1975, seven Gophers have participated on the US National team, three have been in the Pan America games, and two have been alternates to the Olympic team. Brian Meeker in 1984 and Tim LaFleur in 1980. LaFleur has also competed in the World Championships twice. Coach Roethlisberger also has a long list of accomplishments in the gymnastics world. He coached the US National team which traveled Europe in 1977, and led American teams that participated in the 1978 Canada Cup, 1979 Barcelona Invitational, 1979 Taiwan Cup, 1981 South African Cup, 1982 France Invitational, and the 1982 London Coca Cola Invitational.

Minneapolis, MN---For the second time this season, the U. of Minnesota hockey Gophers have experienced the same feeling, looking up to northern neighbor Minnesota-Duluth.

Last weekend the Bulldogs came from behind twice to defeat the Gophers and take the 1985 WCHA playoff championship in their home rink.

Minnesota won the opening contest 6-4 after trailing 2-1 in the first period. However, it was a two-game, total-goal series, and on Saturday the Bulldogs roared back to win that contest 6-2 and take the series 10 goals to 8.

Earlier in the season, Minnesota also finished second to UM-D in the regular season WCHA standings.

So while UM-D plays at home in the First Round NCAA Playoffs this weekend having received the #2 West seed, the Gophers head to Chestnut Hill, MA, and another two-game, total-goal series, this one against #2 East seed Boston College. Both 6:30 PM CST games will be broadcast locally by KRSI-950 AM radio in the Twin Cities.

Here are the complete NCAA First Round pairings:

#4 E-Providence (21-15-5) at #1 W-Michigan State (36-5-0)

#3 E-Harvard (20-6-2) at #2 W-Minnesota-Duluth (33-8-3)

#3 W-MINNESOTA (30-12-3) at #2 E-Boston College (27-12-2)

#4 W-Lake Superior State (27-15-0) at #1 E-R.P.I. (29-2-0)

(NOTE: All but one series is Friday-Saturday. Prov-MSU play Saturday-Sunday)

Winners of the above four first round series advance to Joe Louis Arena in Detroit, MI, for the 1985 NCAA Championship Tournament March 28-29-30.

The Gophers and Boston College Eagles played a single series in the Twin Cities during regular season play and the Gophers swept that affair 8-2 and 4-2.

But as any coach will tell you, what happens during regular season play has literally no bearing whatsoever on the playoffs.

Boston College walked away with the first team championship of the new Hockey East Association (HEA). The Eagles ended 24-9-1 for 49 points, seven better than runner-up Boston University at 19-11-4. The seven-point margin was exactly the same edge UM-D enjoyed over the Gophers in final WCHA standings.

BUETOW ON THE GOPHERS

"The series at Duluth has to go down as one of the finest ever played," Gopher head coach Brad Buetow said Monday. "Either team could have won both games. It was that close.

"In no way am I disappointed with the effort put forth by our players. At the same time you have to salute Minnesota-Duluth for coming from behind to win.

"We wanted to take that series just as much as they did to gain home ice this weekend. I guess it wasn't our turn. But like I said, with a bounce or two we could have won it. I know hockey fans from both schools were treated to collegiate hockey the way it's supposed to be played."

Asked to comment on this week's opponent, Buetow continued, "Boston College has already proved itself this season. I don't believe they were really ready to play us here back in November.

"We got off to a very quick start in that series and kind of set them back on their heels. You can believe things will be different this weekend.

"They (B.C.) are a very strong, hard-checking team. On their home ice, a much smaller surface than ours, Boston College will be extremely tough.

"As in most playoff series, this one will probably come down to who has the hot goal tender. But we are going out there with every intention to win. It has been our goal all season to make it to the NCAA tournament. Now we need two more wins to achieve that goal. But it will not be an easy task. Believe me."

BASEBALL TEAM OPENS SEASON IN TEXAS

Minneapolis, MN---One would think that hosting the WHEATIES BASEBALL TOURNAMENT OF CHAMPIONS against the U. of Arizona, Indiana State U. and Oral Roberts U., and a week later hosting Oklahoma City U., all at the H.H.H. Metrodome, and THEN going into Big Ten play would be enough for any baseball team.

But not for the U. of Minnesota. What the 1985 Gophers face is the most demanding schedule in the school's history culminating, hopefully, in another West division title and a chance at the overall Big Ten championship.

But before all of the above, the annual spring trip to Texas begins this weekend with the Gophers scheduled for eight games against the likes of Sam Houston State, Rice and Texas A&M.

"If it wasn't for professional baseball and seniors completing their eligibility, we would really have some kind of pitching staff this spring," says Gopher head coach John Anderson heading into his fourth year at the UM helm.

"Our staff was really depleted by the loss of seniors Jim Francour, Rick Hill and Tom Riever, plus pro signees Bill Cutshall and Doug Kampsen. Add in the signing of our best hitter, outfielder Jack Schlichting, and, well, I guess you could say my staff members and I have a bit of a plugging job this spring.

"But not all is bleak. Fortunately we have a senior dominated team returning, so experience on defense and at the plate will be our strong point. And we are not totally without pitchers, either.

"In junior Bryan Hickerson-L (Bemidji) we may have the best lefthanded pitcher in the Big Ten. He will start our first game in Texas.

"Other men slated to start on the spring trip include junior Greg Mau-R (Stillwater), sophomore Darren Knight-R (Anoka), plus transfers Mike Clarkin-R (St. Paul Johnson) and Shawn Slemmons-R (Hopkins Lindbergh).

"Others expected to see mound duty include senior Bill Thompson-R (Bloomington Jefferson), sophomore Mike Pavelka-L (Hopkins), plus freshmen Todd Anderson-L (Black River Falls, WI), Paul Gidley-R (Superior, WI), Karl Johnson-R (Forest Lake), and Dick Newstrom-R (Minneapolis Edison).

"We are blessed with a truly veteran lineup on defense. We expect to start six seniors, one junior and a sophomore in the field. Our opening lineup has already proven itself."

The Gopher starting unit could go this way: 1B-Sr. Alex Bauer-BR (Robbinsdale), 2B-Sr. Dan VanDehey-BR (Crystal), SS-Jr. Mark Hess-BR (St. Anthony), 3B-Sr. Mike Perhson-BL (St. Peter), OF-Sr. Bill Lentsch-BR (St. Paul Cretin), Sr. Pat Pohl-BL (Hastings), and Sr. Jon Beckman-BR (Jordan), and C-So. Mike Halloran-BR (Edina).

Additional players who are certain to see action include: So. Jeff Goergen-BR (Owatonna), who is expected to be platooned with Perhson most of the season, and in the OF Sr. Bryan Bowlin-BR (St. Paul Cretin) and So. Mark Hunziker-BL (St. Paul St. Agnes).

"As usual we have several questions to be answered, but that's what our spring trip is all about," Anderson closed. "I just hope we can get ready for our big tournament at the Metrodome. That is going to be some kind of baseball."

BACKES NAMES 1985 ALL-AMERICAN

Junior Ron Backes (Richmond, MN) has been named All-American for the second straight year for his performance in the shotput. Backes won the Big Ten Indoor Shotput Championship, to go along with the outdoor title he won last year.

Backes captured first place in the Big Ten with a throw of 62'7½", then went on to place fifth in the NCAA's with a throw of 63'5½". Coach Roy Griak said Backes could be throwing over 67' in the outdoor season, which begins March 30 for the Gophers, at the Willie Williams Classic in Tucson, Arizona.

He's improved tremendously from a year ago, and he's gonna continue to improve. He's a fierce competitor," Griak said.

GOLDEN GOPHER GRIDDERS TO BREAK FROM SPRING PRACTICE

After a gruelling two-and-one-half hour scrimmage last Saturday, Minnesota's Golden Gopher football team was told to take two weeks away from the game and concentrate on academics by Head Football Coach Lou Holtz.

Minnesota will return to practice after winter quarter exams and a brief spring break on Monday, April 1. The Spring Game is slated in the Hubert H. Humphrey Metrodome on Saturday, April 27 at 7:30 p.m.

Last Saturdays' intra-squad affair brought to a close what Holtz termed, "The toughest six days of practice I've put a squad through in my 16 years as a head coach. We worked our players extremely hard."

The scrimmage itself brought out some good and some bad. "We have shown a great deal of progress," Holtz said. "We are a much better football team today than we were last fall. But we still have a lot of work to do."

On the credit side of the ledger, Minnesota scored five times in the workout. Gary Couch, a sophomore-to-be, scored on an 80 yard run on the first play of the scrimmage. David Puk, a fullback who will be a senior in 1985, then hauled in a shovel pass from quarterback Rickey Foggie and went 80 more yards for another TD on the very next play.

Other scores were added by Courtney Holmes, sophomore tailback; Valdez Baylor, senior tailback; and by Terry Stewart, a redshirt freshman tailback.

In all, 14 Golden Gophers carried the ball in the scrimmage, Couch led the parade with 161 yards in seven carries while Stewart had 62 in 14. Baylor registered 42 in five tries.

Foggie was one of five quarterbacks getting a taste of action, and he turned in a solid effort with 13 completions in 17 attempts (with no interceptions) for 245 yards and a pair of scores.

Twelve different gridders were on the receiving end of Minnesota's 35 passing attempts. Mel Anderson, junior split end, topped the efforts with four catches for 60 yards although Puk's two grabs netted 92 yards and a touchdown.

But all of it was not good news. The Golden Gophers were charged with a total of 14 penalties....seven by the offense and seven more by the defense....for 115 yards. In addition they fumbled nine times and lost four of them to the defense.

"We put the ball on the ground too much," Holtz proclaimed after the scrimmage. "That was one of our basic problems, and it is something we must correct if we are to be consistent offensively."

Overall, however, Holtz seemed satisfied with the work done by his Golden Gophers. "We are moving in the right direction," he said. "If we did the best we can, it is all we can ask of anyone. But as long as we hustle, and as long as we hit like we did in the scrimmage, we have a chance to become a good football team."

Two gridders missed the scrimmage with injuries that have caused concern. Mark Dusbabek, junior defensive end, underwent surgery on his shoulder last week and will be shelved for the remainder of spring drills. Peter Najarian, senior linebacker, suffered a broken thumb in practice last Monday and will be out indefinitely.

QUOTING LOU HOLTZ. . .

On the subject of the progress made by his second University of Minnesota football team in its first week of practice, Holtz said...."We are making good progress. We must make more, but we are a better football team today than we were last fall."

On the subject of the nine fumbles committed in the first scrimmage of spring drills last Saturday, Holtz said...."We put the ball on the ground too much. It is a problem that we will have to work hard on to correct if we are to become a consistent offensive football team."

On the subject of gaining that consistency, Holtz said...."If we did the best we can do it is all we can ask. But we need self discipline both on and off the field. When that happens, the real satisfaction will come from within."

On the subject of an area that needs improvement for Minnesota to be winners, Holtz said...."We need to become a deeper football team. We have quality players that have shown improvement, but we need to find some depth if we are to be a really solid football team."

On the subject of the play of Minnesota's defense in the first scrimmage of this year's spring practice, and of the linebacking in particular, Holtz said...."Even with Peter Najarian out with an injury, our linebacking in the scrimmage was impressive. Larry Joyner, Joe Christopherson and Jerry Keeble played well."

On the subject of the qualities and the play of Minnesota's tight ends, Holtz said...."The tight end position is a critical one for us, and it is a position that takes a great deal of skill. That player must not only be a pass receiver but a good blocker, and we felt that Kevin Starks held up well in our scrimmage."

On the subject of defensive improvement that must take place if the Golden Gophers are to be winners in 1985, Holtz said...."We must learn to keep the ball in FRONT of us. We can't let the opponents get by us like the offense did on occasion in that scrimmage. We must stop our opponents from breaking any long gainers."

On the subject of offensive improvement that needs to occur, Holtz said...."In direct contrast, our offense needs to be able to get those long gainers. We need to find some backs that are break-a-way type players. Hopefully we will find a player or two like that in our program this spring."

BASEBALL TOURNEY AT THE DOME

Minneapolis, MN---For the first time ever a major college baseball tournament will be held in the Twin Cities' H.H.H. Metrodome this Friday-Saturday-Sunday.

Using a round-robin format, host U. of Minnesota will go up against three nationally ranked teams when the U. of Arizona, Indiana State U. and Oral Roberts U. come to town for the first WHEATIES BASEBALL TOURNAMENT OF CHAMPIONS.

ORU and ISU kickoff the tourney with a 9-inning game at 4 p.m. Friday followed by Minnesota vs. Arizona at 7:30 p.m.

Following the annual Gopher Baseball Clinic to be staged from 9:30 to 11:30 a.m. Saturday, four 7-inning games will be played. Minnesota meets ORU at 12:30 p.m. followed by ORU vs Arizona at 2:30, Arizona vs. ISU at 5, and Minnesota vs. ISU at 7.

Then on Sunday a third place game is set for 12 noon with the championship contest scheduled for 3 p.m. Both the latter contests will go 9 innings.

Admission each day is \$4 per person. However, anyone turning in a WHEATIES box top will be given a \$2 discount (includes all ages). One ticket is good for all games played each day.

Minnesota is set to play eight games this week in Texas while each of its opponents this weekend has already played more than 25 contests.

The Gophers are scheduled to host St. Thomas next Tuesday and Wisconsin-Stout next Wednesday (Apr. 2-3) at Siebert Field on campus, and then return to the Metrodome for doubleheaders Friday and Saturday, Mar. 5-6, against Oklahoma City University.

GYMNASTS FINISH SECOND IN BIG TEN; WAIT FOR NCAA CALL

Minnesota's Golden Gopher gymnastic team, after finishing a close second to Ohio State in the Big Ten Conference championship meet at Williams Arena last weekend, now are in a "wait and see" situation.

The NCAA championships are slated April 12-13 at the University of Nebraska in Lincoln, and Minnesota's chances of competing in that meet will remain up in the air until official invitations are extended next week.

"We currently are ranked eighth in the nation," Coach Fred Roethlisberger points out, "and the NCAA will take 10 teams to that meet. We feel that our chances are very good, but we just will have to wait and see."

Roethlisberger also points out that one Golden Gopher, Steve Braun in the pommel horse, already has qualified for the NCAA showdown on an individual basis. But he also contends that other U of M gymnasts could get the nod.

"We have three all-arounders who rank near the top," Roethlisberger said, "and if we don't go as a team, Collin Godkin, Dave Menke and Rob Brown also could be invited to compete as individuals."

In last weekend's Big Ten affair at Williams Arena, Ohio State copped team honors with 283.65 points. Minnesota was next in line with 281.05 while Iowa finished third at 279.25. Then it was Illinois with 271.75, Michigan State with 269.65, Wisconsin with 268.4 and Michigan with 264.25.

All-Around competition found Godkin doing the best for Minnesota entries with 107.0 points for a runner-up position. Menke was fifth and Brown sixth.

Individual event championships found Jamie Gerardo placing seven in floor exercises and finishing in a tie for fifth in vaulting; Braun placing second on the pommel horse; Godkin finishing in a tie for seventh on the still rings, in a tie for fourth on the parallel bars and eighth on the horizontal bar; Brown placing seventh on the parallel bars, third on the horizontal bar and tied for fourth on the still rings; Menke finishing sixth on the horizontal bar, ninth on the parallel bars and sixth on the still rings; and Pat Houde rounding out the action with a 10th on the still rings.

ICERS CLOSE SEASON 31-13-3

Minneapolis, MN--Thirty one wins is a ton in any hockey season. But as far as the U. of Minnesota hockey Gophers are concerned, it was three wins short.

Minnesota bowed out of the NCAA quarterfinals last weekend by losing 9-8 in a two-game, total-goal series at Boston College.

The Gophers carried a two-goal edge into the second contest after winning 7-5 the first night. But the Eagles bounced back with a super game the next night to win 4-1 and earn a berth in an NCAA semifinal game against Providence College Thursday in Detroit, MI.

Minnesota's final record for all games ended at 31-13-3. The win total matches the third highest in Gopher hockey history equalling that of the 1974-75 squad which reached the NCAA finals only to lose to Michigan Tech.

This was the fourth time in his six years as head coach at Minnesota that Brad Buetow has seen his teams reach the NCAA playoffs. The Gophers lost at home to Northern Michigan in a single NCAA qualifying game in 1980, dropped the national final game of 1981, and ended 4th at the 1983 tourney.

Buetow's 1980-81 team still owns the record for most wins in a season, 33, while his 1982-83 club tied the total of 32 victories recorded in 1978-79. The latter year was when Minnesota won its third NCAA championship.

Against Boston College Friday the Gophers fell behind 1-0 in the first few minutes, but held period leads of 2-1 and 4-3. Minnesota stretched its margin to three goals, 7-4, in the final period only to draw back to back penalties and see the Eagles score at 16:39 with a two-man advantage. The game ended 7-5.

For the fourth game in a row Minnesota again gave up an early goal when BC scored at 1:02 Saturday. But Rick Erdall matched that tally by converting a pass from behind the net by Pat Micheletti and UM maintained its two-goal series margin.

But that was to be the last gasp. Boston College came back to tie the series with two more first period goals, the last one from the slot when an errant Gopher clearing pass hit the side of the UM net and bounced straight out in front of goalie John Blue.

The eventual BC winner was scored at 3:31 of the second period when Eagle Bob Sweeney slammed home a 30-foot slap shot off a two on one break. Neither team could score again even though the Gophers pressed harder and harder trying to gain the equalizer.

To say this series reflected Minnesota's adventurous up and down campaign wouldn't be that far off. After running up an 18-3-2 record through December, the first half of the season, the Gophers began to struggle.

From January on through the playoffs, the only win streak more than two games came during the playoffs when UM took one from Northern Michigan, two from Wisconsin and another from Detroit bound Minnesota-Duluth on successive dates.

BUETOW ON THE GOPHERS

"Very simply stated I'm awfully proud of our kids," Buetow said Monday. "We have nothing to be ashamed of. I believe 31 wins tells of a lot of great games turned in by our players.

"Naturally we wanted badly to be in Detroit this weekend. We had aimed at reaching that goal all season. But give credit to Boston College. They played a super game Saturday and used the smaller rink surface to their best advantage.

"Naturally our best wishes go to Minnesota-Duluth. They are our champion and are representing the WCHA. They lost a heartbreaker in the finals last year. All of us hope they make it this time.

"It almost seems as if this team of ours was snakebitten. Do you realize that we lost seven games by one goal, including four in overtime, and two more by two goals. So nine of our 13 losses were by two goals or less.

"Right here I must mention the contributions of our senior players. The direction given by this group was excellent. I believe this was the most close knit team I have been privileged to coach."

(MORE)

(Buetow continued)

"I honestly believed we were going to make it all the way to Detroit. I guess Boston College felt a little bit stronger about its than we did.

"But last weekend's series loss in no way detracts from my pride in our players. They threw their hearts out on the ice every game. It's a shame their total efforts will not be fully rewarded.

"So I guess at this point we just start concentrating on next year."

MICHELETTI, BLUE ON HONOR TEAMS

Junior wing Pat Micheletti and freshman goaltender John Blue received post season honors by being named to the first and second 1984-85 All-WCHA teams, respectively.

Micheletti ended the regular season as the second highest scorer in the WCHA with 74 points in 34 league games. On the entire season he led the Gophers with 48 goals, second highest ever in a single season at UM, and the same number of assists for 96 total points. The latter figure is also the second highest ever at UM. Micheletti received honorable mention last year.

He is also one of 10 finalists for the 1985 Hobey Baker award, the winner being announced this Friday in Detroit, site of the NCAA championships.

Blue, in his rookie season of college hockey, posted the lowest goals allowed average in the WCHA this year with an even 3.00 mark.

In all games played he ended with a 23-10-0 record and a 3.39 goals average.

Four additional UM players received honorable mention on this year's WCHA team, including senior defensemen Tom Parenteau and Mike Guentzel, senior center Rick Erdall, and junior defenseman Tony Kellin.

MORE RECORDS

This year's Gopher hockey team finished at or near the top in several scoring and penalty categories after closing 1984-85 with a 31-13-3 record.

Minnesota's 1978-79 NCAA championship team owns the third highest single season scoring totals in Gopher ice history: 239 goals, 405 assists and 644 points. Strangely enough, this year's club matched each one of those figures.

Two new records were also established, including the most penalties, 449, and the most penalty minutes, 953. The latter figures broke the single season high water mark set in 1975-76, another NCAA title year.

On the individual level, the only player to establish any new single season records was Micheletti. Both came via the penalty route as Pat was whistled down for 65 penalties and sat out 154 minutes. The penalty minute total erased the previous Minnesota high of 112 set by older brother Don Micheletti in 1978-79.

The 47 games played this season is also a new high for Minnesota.

Coach Brad Buetow's six-year record now stands at 171-75-8 for a winning mark of .689%. He is believed to own the highest winning percentage of all active NCAA Division I college hockey coaches in the nation.

SPRING FOOTBALL GAME SET FOR GOLDEN GOPHERS

Plans for the University of Minnesota Spring Game at the Hubert H. Humphrey Metrodome on Saturday, April 27 at 7:30 p.m. are almost complete, and this year's event promises to be bigger than ever.

Head Coach Lou Holtz has indicated that he again will divide his Golden Gophers into a "Minneapolis Millers" contingent and a "St. Paul Saints" delegation to battle it out in the annual intra-squad confrontation.

Honorary coaches for both offense and defense on each team will be selected from the business community and local media outlets, and both sides have plans which will help create a total game-like atmosphere.

A special autograph and picture session is planned for a 40-minute period on the Metrodome playing field prior to squads warming up, and fans will be encouraged to take advantage of that session.

Tickets are available through the Bierman Field Athletic Ticket Office, by mail and will be sold at the Metrodome on the day of the game. Reserved seat tickets are priced at \$5.00 and General Admission tickets at \$3.00. Groups of 100 or more are able to purchase general admission tickets for \$2.00, and groups of 500 or more may purchase general admission tickets for \$1.00. For complete ticket information, phone 612-373-3181.

In addition, through a cooperative venture between the Minnesota Twins and the University of Minnesota, anyone purchasing a ticket to the Twins-Oakland A's game scheduled for 1:15 that same day will receive a price discount for the football game by presenting baseball ticket stub.

The game will be televised on a delayed basis April 28 on WTCN-TV in the Twin Cities area and will be seen live over a four-state network that already involves television stations in Sioux Falls, S.D., Mason City, IA, Fargo, N.D.; Duluth and Alexandria.

The game also will be broadcast live over WCCO Radio, and the game atmosphere itself will feature the University of Minnesota Marching Band, Golden Gopher Cheerleaders and the U of M Dance Line.

A year ago, more than 42,000 tickets were sold for the University of Minnesota Spring Football game, and with the interest being generated by the Golden Gophers that number is expected to be surpassed in 1985.

 Mark Carlson (Off. 476-2000, Hom. 934-4554)

2) Tournament Headquarters -- The Radisson Hotel Metrodome, 1500 Washington Avenue South, Minneapolis, MN 55454 - Area Code 612 - 333-4646
 Hotel Contacts -- Rob Amundson or Nancy Deger

3) Team Entry To Metrodome - all players, coaches, managers, trainers, etc. will, during the entire tournament, enter the Dome at the loading dock entrance just below the stadium parking lot.

4) Transportation And Parking -- Teams will be driven between the Radisson Hotel and the Metrodome in two (2) 15 passenger vans with teams hosts as drivers. There are marked parking slots at the Metrodome lot for team vans, the ISU bus, media and tournament officials. Parking passes will be printed and controlled by UM head coach John Anderson.

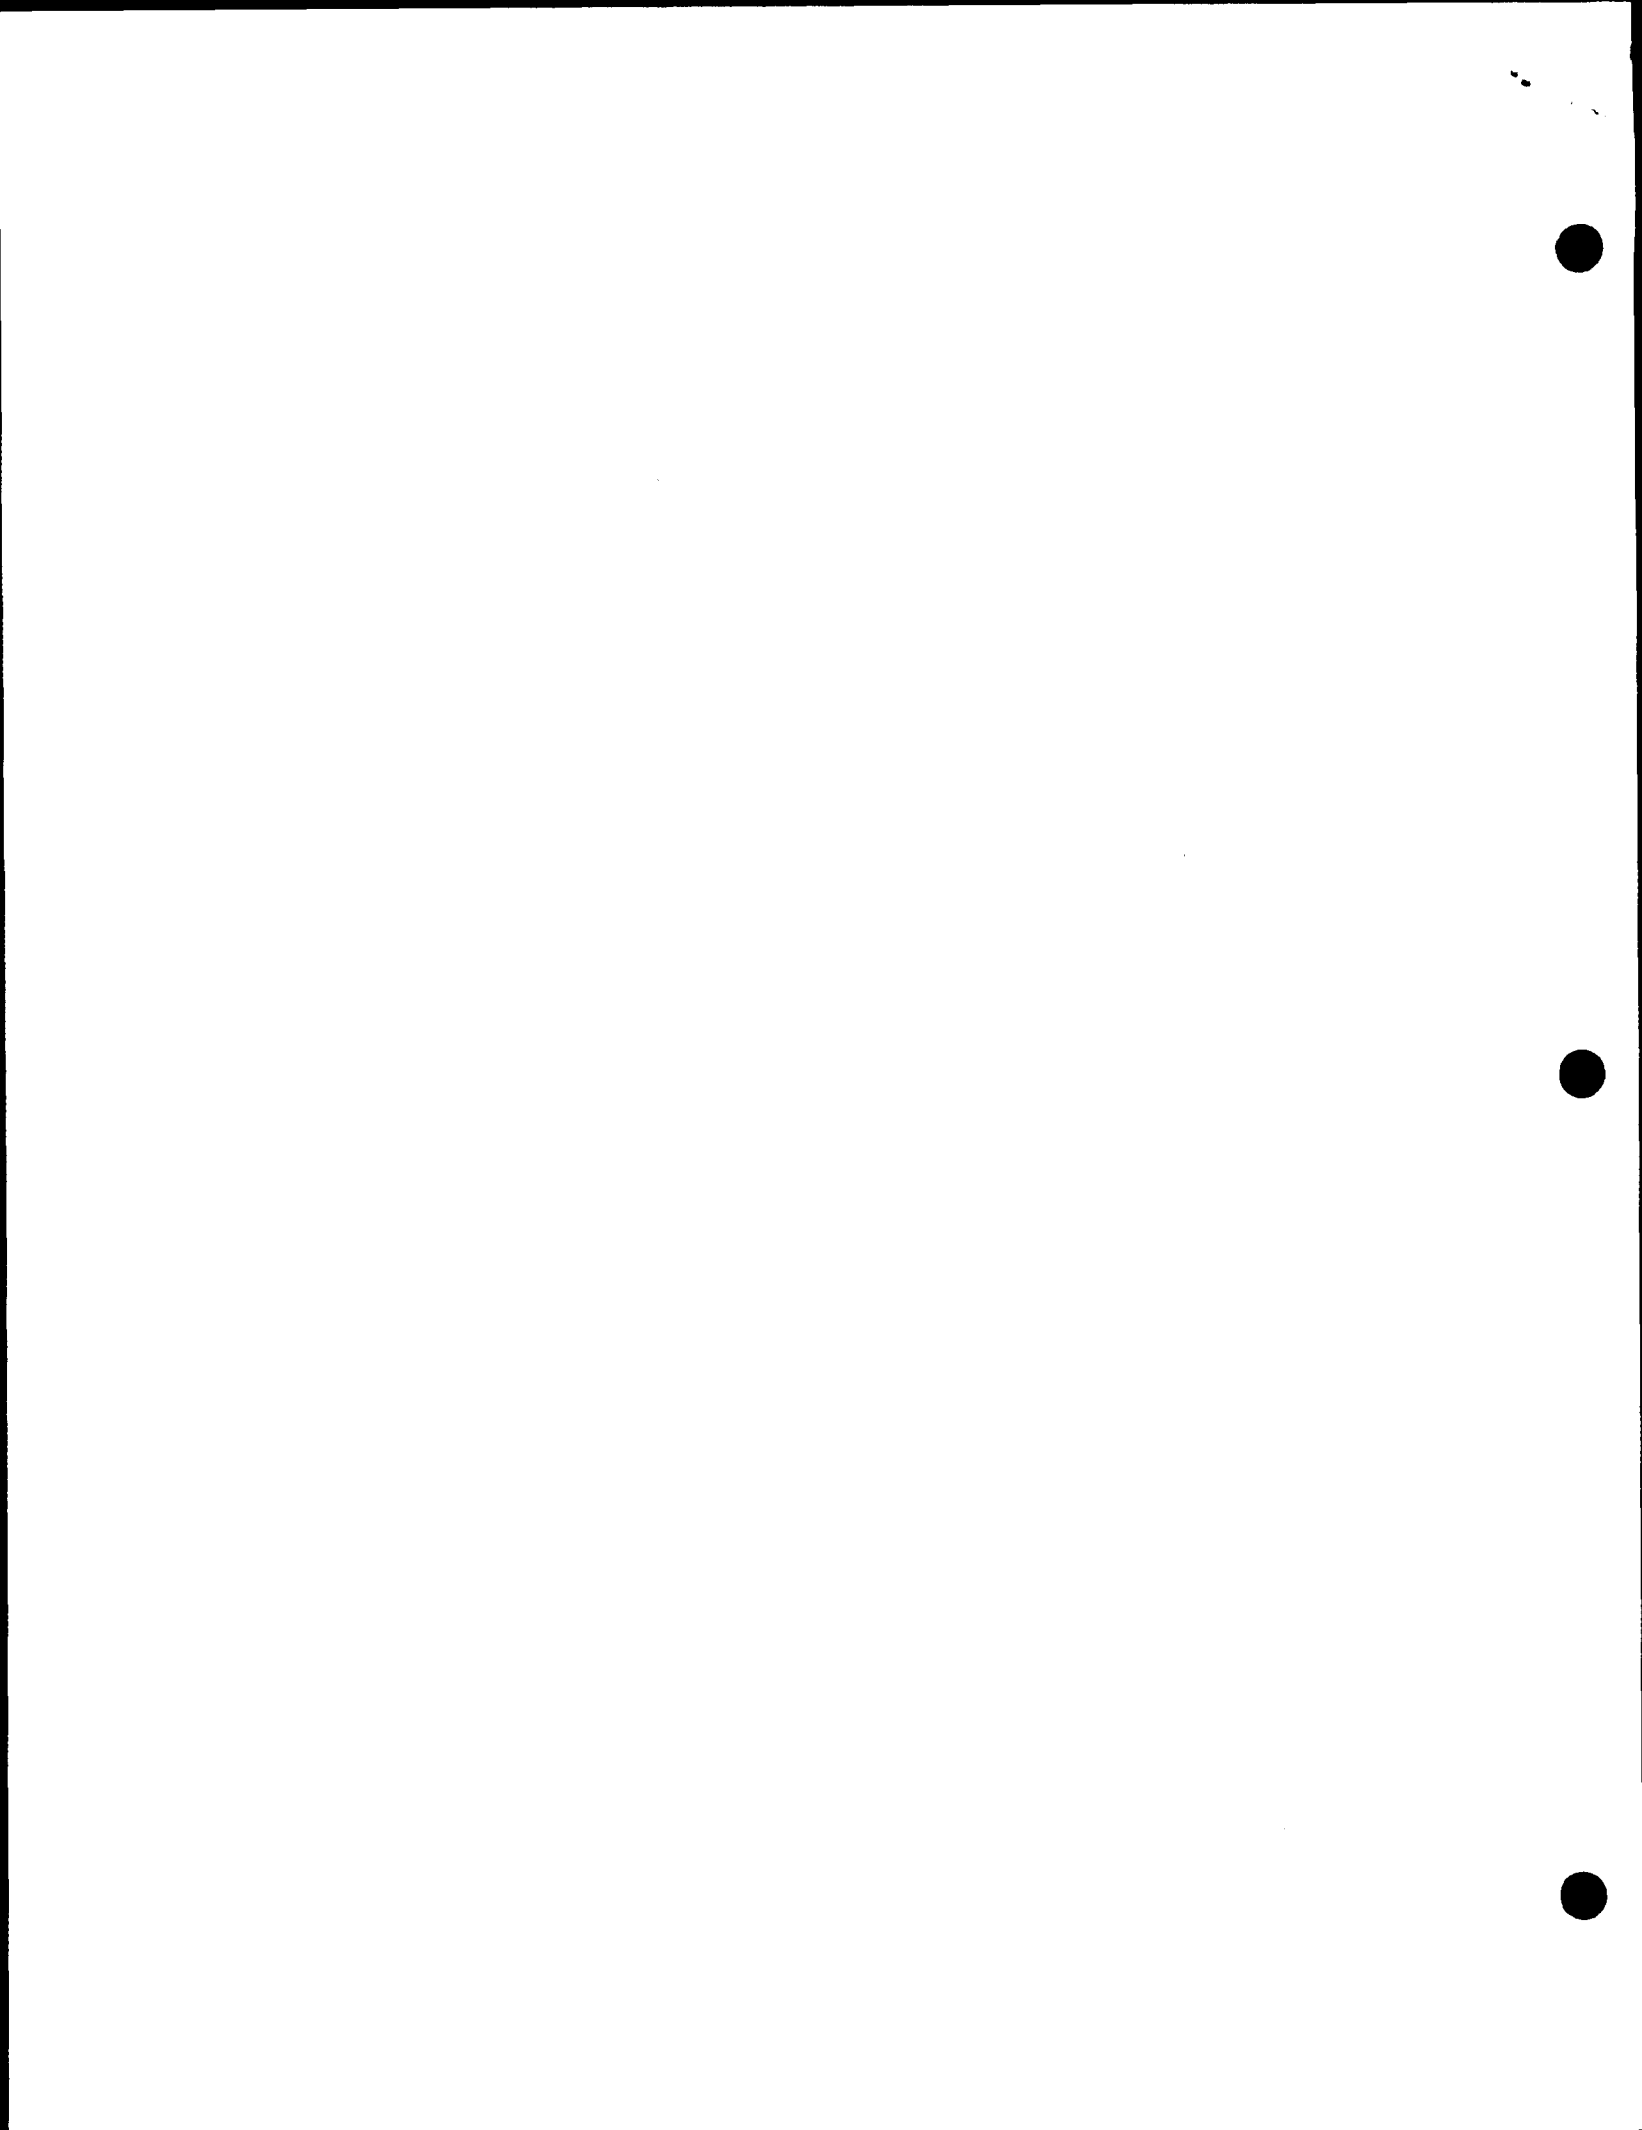

5) Dome Gates - During all tournament games, Gates F (behind home plate) and H (down the left field corner) will be used for public entry. However, on Saturday morning, all those attending the clinic will enter through Gate D (down the right field corner available to the parking lot). That is the only time gate D will be used during the tournament.

Page 3 -- Tournament Checklist

- 5) Media Passes & Entry -- Media may enter the Metrodome either through the Press Gate next to Gate F behind home plate, or through the Dock entrance used by the players. Media credentials -- local media are asked to use the same passes that gained them entry to all U. of M. winter sports events (the GREEN U. OF M. WORKING PRESS PASS 84-85). This will gain you entry to the Metrodome. PARKING -- any local media needing parking passes contact the Gophers SID office at 373-5236.
- 6) Tickets -- No pre-tournament sale. All tickets, except for clinic tickets, must be purchased at the gate. Tickets are \$4, with a \$2 discount given to anyone who produces a WHEATIES box top at point of purchase. Also, on the reverse side of the box top, individuals must print their name, address and telephone number to qualify for special door prize drawings.
- 7) Jersey Retirement -- Prior to the Minnesota-Arizona game Friday evening (March 29), special ceremonies will be conducted at home plate to honor former Gopher squad member David Chelesnik, Jr. who died on Labor Day, 1984. David's jersey #26 will be retired and each Gopher player will wear the #26 on their sleeve this season to honor his memory. David's parents will be present and announce the establishment of a new U. of M. annual baseball award in David's name.
- 8) Former Gopher Player Reunion -- This will be held in a special meeting-type room at the Radisson Hotel Metrodome following Saturday's final night game. All former UM players and their wives are invited to attend. Refreshments include chips & dip, etc., plus a cash bar. Our 1956 NCAA Championship team will be holding a special reunion, and be introduced prior to the UM game Sat. night. Members of the UM Dugout Club are also invited to attend this reception.
- 9) Clinic -- The annual Gopher Baseball Clinic will be conducted on the floor of Metrodome Stadium 9:30 a.m. to 11:30 a.m. Saturday, March 30. Coaches from all four competing tourney teams will lecture using their players for demonstrations. All ages are invited to attend. Last year more than 2,500 were massed on the Metrodome playing surface.
- 10) Locker Room Use - Minnesota will use the Gopher football lockerroom, while all three visiting teams will use the lockerroom marked visitor for both pro baseball, college and pro football. TEAM MANAGERS WILL BE IN CONTROL OF DOOR SECURITY AND HAVE KEYS TO THE LOCKERROOMS. However, it is suggested that each visiting team dress and change in your hotel room and only use the Dome lockerrooms to store your heavy gear between games and overnight. Otherwise, it could get a little hairy with three teams using the same lockerroom at the same time.
- 11) Public Address -- Bob Casey will handle from the Dome baseball press box (writers level) alongside official scorer just outside scoreboard booth. SIDs from each school are requested, whenever possible, to supply their starting lineups to both Mr. Casey and official scorer Joel Ripple in the baseball press box at least one-half hour before gametime.

SPECIAL NOTE: Through the corporate sponsorship of WHEATIES (General Mills) and the Radisson Hotel Metrodome, plus additional aid from both the U. of M. Dugout Club, M-Club and countless others, this first major college tournament at the Metrodome has become a reality. All of us connected with the U. of M. baseball program pay special thanks to individuals connected with the above mentioned groups. It is our fond hope to eventually make this tournament the showpiece of collegiate baseball. Without the help of so many, it never would have happened. Many thanks from the U. of M. Men's Department of Intercollegiate Athletics.

UNIVERSITY OF MINNESOTA / DEPARTMENT OF MEN'S INTERCOLLEGIATE ATHLETICS

Paul Giel

Director

(612) 373-4233

Wednesday, March 20, 1985

TO: Media Sports Directors and Editors
FROM: Paul Giel
ABOUT: WHEATIES Baseball Tournament Of Champions

The weekend of March 29-30-31 marks a new milestone in the efforts of the University of Minnesota Men's Department of Intercollegiate Athletics. Putting on an NCAA Division I baseball tournament of this size is a huge undertaking, and we definitely need your help in putting fans in those Metrodome seats.

Any mention you can make of this event in getting the word out to the public will be much appreciated by our head baseball coach John Anderson and his players.

It is the aim of our department to make this tournament the premium gathering in all collegiate baseball. In future years we hope to have the major college baseball teams in the nation knocking at our doors to gain entry. But we cannot make this a top attraction without coming out of the gate fast.

The information attached to this memo will, I believe, cover your needs for correct reporting. But if more details are needed, please call on Tom Greenhoe in our Sports Information Office at 373-5236 and he will be ready and willing to fill in any blanks.

May I at this time thank each of you for the continued support you have shown all our men's athletic teams during their 1984-85 athletic seasons. See you at the ballpark!!

GOPHERS RETURN TO THE DOME

Minneapolis, MN---After finishing tied for third place in its first WHEATIES Baseball Tournament of Champions last weekend, the U. of Minnesota baseball Gophers return to the HHH Metrodome this weekend to host Oklahoma City U.

Scheduled is a single game at 7 p.m. Friday evening with a doubleheader set for 1 p.m. Saturday afternoon. All three games will be broadcast locally via KRSI-950 AM radio.

The Gophers, owners of a 4-8 record after the tournament and eight games in Texas, had two doubleheaders washed out by weather this week. The two games against St. Thomas will hopefully be rescheduled later while the doubleheader vs. U. of Wisconsin-Stout State will be played Monday, Apr. 8, at Siebert Field.

Minnesota got off to a great start in the WHEATIES tournament by upsetting nationally ranked U. of Arizona 5-4 Friday. The Gophers came from a 3-1 deficit with four runs on six hits in the sixth inning, then used some clutch relief pitching by Shawn Slemmons and Mike Clarkin to secure the win.

But Minnesota's bats, for the most part, went silent the rest of the tournament. In succession came losses of 4-2 to tourney champion Oral Roberts, 9-4 to runner-up Indiana State, and 6-2 to Arizona in the consolation game.

Against Oral Roberts a pair of two-run home runs did Minnesota in. One was off starter Mike Pavalka (0-1) and the other off reliever Darren Knight.

The Minnesota offense consisted of a long two-run homer off the bat of designated hitter Tim McIntosh in the sixth inning, a blast measured at 385 feet into the left field seats.

Minnesota led Indiana State 1-0 going into the fifth inning of its third game only to see the Sycamores come up with eight runs in the fifth and another in the sixth.

Shortstop Mark Hess drove in two Gopher runs with a triple and third baseman Mike Pehrson another with a single in the 9-4 loss. Coach John Anderson used five pitchers in an attempt to stem the tide. Junior transfer Greg Williams (0-1) took the loss in relief of starter Bill Thompson.

Thompson, who underwent shoulder surgery last summer, allowed only two hits and one run in four innings plus, his longest stint on the mound in two years.

In the final game against Arizona, the Wildcats, coached by former Gopher All-America and assistant coach Jerry Kindall, scored two runs in the third and added single tallies in the fifth, seventh and eighth innings off UM starter and loser Clarkin (0-2).

Minnesota went into the ninth inning with just one hit, but scored its two runs on safe blows by catcher Mike Halloran and second baseman Dan VanDehey.

VanDehey, a senior from Crystal (Robbinsdale High School) was the only Gopher player named to the All-Tournament team.

The tournament final was another story. Oral Roberts and Indiana State battled 4 hours and 15 minutes through 10 innings before ORU won 14-13.

Included in the contest were 35 hits, eight errors and 10 pitchers, six for Indiana State.

The game heroes for Oral Roberts turned out to be outfielder Page Odle and pitcher Tim McCoy. Odle, with two outs and two strikes, blasted a pitch 397 feet over the right centerfield wall in the top of the 10th inning.

McCoy, making his first relief appearance, ran his season record to 8-1 as he came in with two out in the eighth inning and ORU leading 13-12.

He allowed but two hits and an unearned run in the ninth when his shortstop threw wild to first base on a routine two-out grounder. McCoy struck out five, including the final batter with a runner on third in the 10th.

"Simply stated we've got to put it all back together," Gopher head coach Anderson said Monday. "We invited a strong field to the first tournament and did not play the kind of baseball we showed we could play in Texas.

"No excuses. We were just not aggressive at the plate and did not come up with the big plays on defense when we had to. But I'm not down on this club. We'll battle back starting this weekend.

"Oklahoma City University has a fine ball club that will play us tough from start to finish. I think this should be another fine series.

"As to the tournament, I simply cannot thank the representatives from General Mills and WHEATIES, the Radisson Hotel Metrodome, our Gopher Dugout Club and the M Club for all their donations of time, hard work and financial contributions. Coaches from the visiting teams said to me they have never been to a tournament run better or where as visitors they were treated better.

"It took a ton of people to make this event a reality. Our thanks go out to each of our helpers, also. It is our aim right now to make this an annual event, one that will be bigger and better than this year."

MINNESOTA TENNIS TEAM RETURNS HOME

After a demanding four-meet, non-conference road trip, the University of Minnesota tennis team returns home Saturday to resume its 1985 Big Ten season against Illinois in a 7 p.m. assignment at the 98th Street Racquet Club.

Coach Jerry Noyce is expected to use six players in that confrontation when attempting to improve Minnesota's overall mark of 5-6 following that recent jaunt to the West Coast.

"We probably will go with Matt Grace at our number one singles spot," Noyce revealed. "Then we plan to come back with Chuck Merzbacher at number two, Casey Merickel at number three, Peter Kolaric at number four, David Blackstone at number five and Tom Olmseheid at number six."

In doubles play, Noyce is not certain how he will line up his host contingent. "We will use Grace and Merzbacher at the number one spot," he said, "but we will wait and see how we team up the other people."

Last week in California, Noyce's contingent fell to Pepperdine 9-0, to the University of Southern California 7-2, to Harvard 7-2 and recorded a 5-1 victory over Santa Barbara.

"It was a tough swing for us," Noyce revealed. "The competition was excellent, and we just hope that we learned from it and will be better prepared for the Big Ten Conference season."

In earlier competition against Big Ten opponents, the Golden Gophers scored two impressive victories....nudging Wisconsin 5-4 and Ohio State University by a resounding 8-1 margin.

Following Saturday's competition against Indiana, Minnesota again will stop out of the Big Ten to entertain St. Olaf College at the Bierman Field Athletic Building tennis courts on Tuesday at 3 p.m.

GOPHER TRACK TO TEXAS RELAYS

Head coach Roy Griak will take three members of his U. of Minnesota varsity track team to the Texas Relays in Austin, TX, this weekend.

Competing will be junior All-American Ron Backes (Richmond) in the shot put and discus events, with senior Dave Morrison (Lakeville) and junior Brian Schmidt (West Bend, WI) running the 1,500 meter race.

Last week Backes took first place in the open shot put division of the Willie Williams Classic at Tucson, AZ. Backes won with a heave of 62'-10". He also placed third in the discus with a toss of 182'-1".

At the same meet Morris won the 5,000 meter race with a personal best time of 14:04.94.

Another competitor, Gary Couch (Davenport, IA), wide receiver on the varsity Gopher football team, captured first place in the long jump with a leap of 21'-2".

Three schools competed in Tucson, including host U. of Arizona and U. of Texas at El Paso. No team scores were kept.

Next UM home event is scheduled April 13 when the Minnesota Open Track and Field Meet will be held at the Bierman Field track.

BUETOW CONTRACT NOT TO BE RENEWED

Paul Giel, Director of the Men's Athletic Department at the University of Minnesota, announced at 4 p.m. today (Tuesday, April 3, 1985) he will not renew the contract of Minnesota head hockey coach Brad Buetow which terminates on June 30, 1985.

Mr. Giel, in a statement read to media present in the Bierman Building said:

"After weighing everything as carefully as humanly possible and being particularly aware of his impressive record in the six years he has been our head hockey coach, I have, unfortunately, come to the conclusion that for a number of reasons that I will not discuss now or later, I have decided not to renew Brad Buetow's contract which expires June 30, 1985.

I sincerely appreciate the great effort Brad has given the U of M hockey program first as a player, then as an assistant coach, and these past six years as our head coach.

A Search Committee will be formed as soon as possible and I would hope that by the end of this month or early next month, we will have an outstanding person on board to carry on the great Gopher hockey tradition."

GOPHERS OPEN BIG TEN AT NORTHWESTERN

Minneapolis, MN---After falling to third place in its first tournament held at the H.H.H. Metrodome March 29-31, the Minnesota baseball Gophers, 8-9 through games early this week, travel to Northwestern for doubleheaders Saturday and Sunday.

The four conference games against the Wildcats are the opening affairs for Minnesota in defense of the 1984 Big Ten West Division title.

In fact, the Gophers, under head coach John Anderson in his fourth year, have won the West Division title the last two seasons. In Anderson's rookie season, 1982, UM finished second to Illinois, but went on to win the Big Ten playoff championship.

Minnesota took a short trip to Texas in March recording a 3-5 record before coming home to host the first WHEATIES Baseball Tournament of Champions at the Metrodome, home of the American League Minnesota Twins.

Oral Roberts defeated Indiana State, a pair of nationally ranked teams, to take the title with Minnesota and Arizona U. finishing 1-3 in the round robin format.

However, the Gophers bounced back the next weekend to sweep three more Dome games from Oklahoma City U., 13-4, 9-8 and 7-2. Then Monday came a home split at Siebert Field against Wisconsin-Stout State. The Gophers took the opener 8-7 in eight innings and Stout the nightcap, 7-3.

"I believe the seven games we played in the Metrodome helped us a great deal in getting prepared for the Big Ten season," Anderson says. "Just getting the chance to play is the first factor.

"But getting to play against powerful teams like Oral Roberts, Arizona, Indiana State and Oklahoma City is another bonus. You simply have to get better when you meet teams of that caliber.

"The other important factor for us right now is that we are relatively healthy. In the past few years we have been continually banged up, particularly our pitching staff. But for the most part right now we are in pretty good shape.

"Whether we can defend last year's championship in our division is another question. I believe all four of our Big Ten opponents are improved over last season, and that Northwestern has come farther than anyone the last few years.

"They exhibited that by finishing runner-up to overall champion Michigan in the Big Ten tournament we hosted last spring. I look for one heck-of-a series this weekend. I just hope we can survive. Winning road games in the Big Ten is not the easiest job in the world."

Anderson named three starters for the Northwestern series. Junior lefty Bryan Hickerson (Bemidji) and sophomore righthander Peter Bauer (South St. Paul) gain the starting chores Saturday, with senior righty Gregg Mau (Stillwater) going in the first game Sunday. Anderson says he is undecided who his fourth starter will be.

Hickerson is 2-1 with a 4.36 ERA while Bauer is 1-0 and 10.47 after winning his only start of year last weekend vs. Oklahoma City, 9-8. Mau is the leading hurler on the UM staff to date having won all three starts and owning the lowest ERA among the regulars, 3.65.

Anderson also said he plans to keep his nearly all senior defensive lineup intact with very few substitutions planned.

That means Alex Bauer will be at first base, Dan VanDehey at second, Mike Pehrson at third and Mark Hess at shortstop. Pat Pohl, Jon Beckman and Bill Lentsch will man the outfield with Mark Halloran and Tim McIntosh trading off behind the plate. McIntosh will be the Gopher designated hitter when not catching.

The Gophers play four additional games (St. Thomas today and St. Cloud State Wednesday) before leaving Friday for Northwestern.

Next week finds the Gophers on the road for eight games at Nebraska, Creighton and Iowa State before returning home to face Mankato State Tuesday, April 23.

GOPHERS PLAN SCRIMMAGE AS PART OF FOOTBALL CLINIC SATURDAY

Minnesota's Golden Gopher football team will move past the halfway mark of spring drills on Saturday by holding an intra-squad scrimmage as part of the 1985 U of M High School Coaches Clinic.

The clinic opens Friday morning and will run almost continuously through the Saturday workout. It will offer lectures by members of Lou Holtz' Golden Gopher staff and by numerous high school coaches as well as a luncheon and social gathering.

Activities get underway at 7:30 a.m. Friday. Lectures by George Thole of Stillwater and by John Gutekunst and John Palermo of the Golden Gopher staff will take place in the morning.

A noon luncheon will be followed by sessions with George Wemeier of the U of M coaching staff, with Dan Yannessa of Aliquippa, PA, High School and with Bruno Waldner of Bloomington Jefferson before clinic participants attend Friday afternoon's football practice.

Saturday at 8 a.m. Grady Rostberg of Hutchinson High School will speak to the group before Pete Cordelli, Jim Strong, Larry Beckish, Jim Huber and George Stewart, all members of Holtz' staff, will conduct clinic sessions.

Pete Annarella of Warren, OH, Western Reserve High School and Dick O'Brien from Hillsborough High School in Tampa, FL will speak in afternoon sessions before the scrimmage is held at 2:45 p.m.

"We had an excellent turnout for our clinic a year ago," Holtz said, "and we anticipate that this weekend's workshop will attract an even larger number of coaches from around the area."

And the scrimmage on Saturday will offer Holtz an opportunity to put his vastly-improved Golden Gophers on display for those area prep coaches.

With only two weeks left after Saturday afternoon's affair before the Spring Game takes place in the Hubert H. Humphrey Metrodome on April 27 at 7:30 p.m., Holtz might be expected to pull out all the stops at this stage of things.

That was almost the case last Saturday when he ran his top offensive unit against his best defenders for a short period of time in a grueling and demanding scrimmage that again saw quarterback Rickey Foggie set the pace.

Foggie ran eight times for 51 yards, and the sophomore-to-be completed eight of 14 attempts (.571) for 135 yards and a pair of touchdowns. He did not throw any interceptions.

Courtney Holmes was the next biggest yardage producer on the ground with 45 yards and one touchdown in four carries. Kevin Wilson did the most work with 11 carries for a total of 42 yards.

The scrimmage was not perfect, however, and among the things that continued to plague the Golden Gophers....and probably cause Holtz concern....were three interceptions, seven penalties and six fumbles.

No doubt Holtz would like to see continued improvement in practice this week so his charges will be able to put on a solid show for those visiting high school coaches.

TENNIS TEAM AT MICHIGAN AND MICHIGAN STATE THIS WEEKEND

Following a Tuesday match at 3:00 p.m. at the Bierman tennis courts against non-conference opponent St. Olaf, the University of Minnesota tennis team travels to Michigan Friday and Michigan State Saturday for Big Ten dual matches.

Coach Jerry Noyce's Golden Gophers, 5-7 overall and 3-1 in the Big Ten will try to get back on the winning track after a tough 5-4 setback by Indiana.

The Gophers will be back next week to begin a six match homestand including four non-conference meets.

Expecting to see action this weekend will be Matt Grace at the number one singles spot followed by Chuck Merzbacher at number two, Peter Kolaric at number three, Casey Merickel at number four, David Blackstone at number five, and either Tom Olmsehoid or Garry Assen at number six. Other players expected to see action against St. Olaf are Scott Card, Andy Salentine, and Cort Larson.

GOPHER TRACK TO DOGWOOD RELAYS

The University of Minnesota varsity track team will split-up this weekend when head coach Roy Griak takes six Gophers to the Dogwood Relays in Knoxville, TN while the remaining Gophers host the Minnesota Open on Saturday at Bierman Field at 12:00 noon.

Competing in the Dogwood Relays April 12th and 13th will be senior captain Dave Morrison (Lakeville) in the invitational 10,000 meters and junior All-American Ron Backes (Richmond) in the invitational shot put and invitational discuss. Junior Brian Schmidt (West Bend, WI) will compete in the 800 meters while sophomore Paul Gisselquist (Richfield), freshman Marty Humphrey (Iron Mountain, MI), and senior Steve Shelerud (Duluth) will all compete in the collegiate 10,000 meters to complete the Knoxville squad.

Last weekend in the competitive Texas Relays, Morrison placed fourth in the mile with a personal outdoor best of 4:03.8. Morrison, who usually runs the 5,000 and 10,000 meters, was running his first outdoor mile as a Gopher. Ironically, his time gave him the second best all-time University of Minnesota outdoor mile behind Gary Bjorklund's 4:02.2 in 1972.

Also at Texas, Backes placed fifth in the shot put and eighth in the discuss with throws of 62'-5" and 179'-5" respectfully. Although the tosses were somewhat below par for the defending Big Ten shot puter, Coach Griak was pleased with Backes' second outdoor performance of the year.

STEARNS RESIGNS AS GOLDEN GOPHER SWIMMING COACH

Paul Stearns, head men's swimming coach at the University of Minnesota for the past five years, has resigned from that post for what he cited as "personal reasons," effective June 15.

"I want to thank Athletic Director Paul Giel for having given me the opportunity to coach swimming at the University of Minnesota," Stearns said. "The job has been a difficult but enjoyable one, and I will especially miss the tremendous young student-athletes with whom I have had the privilege of working during the last five years."

Stearns' dual meet record as the Golden Gopher coach was 20 wins against 18 losses. His teams placed sixth twice, eighth twice and ninth once in Big Ten Conference championship meets.

A 1973 political science and education graduate of the University of Minnesota, Stearns coached both boys and girls swimming teams at Minnetonka High School for six seasons before taking over the reins at his alma mater.

His Minnetonka contingents won three Minnesota High School swimming championships, and he earned Minnesota High School "Coach of the Year" honors in 1975, 1976 and again in 1977. He also coached the Lake Swim Club of Minnetonka.

ANDERSON SIGNS BKB TENDER

Minneapolis, MN---Jim Dutcher, head basketball coach at the University of Minnesota, announced today that Mark Anderson, 6-3, 175 guard from Sheridan Junior College, Sheridan, WY, has signed a national letter of intent and will enroll at the U. of M. next fall.

Anderson is a JUCO First Team All-America selection this year after being named the last two years as MVP of his region.

A native of Oak Harbor, WA, Anderson led his Sheridan team to the number one national ranking for 12 straight weeks this season. They ended 24-7 losing out in the region finals to Casper (WY) Junior College. Anderson hit 38 points in that contest.

This past season Anderson lived up to one scouting report which stated flat out that "he is the best J.C. guard, period, and can play anywhere." He averaged 20.1 points, seven rebounds and 7.2 assists per game while shooting .600% from the floor and .860% at the charity line.

Mark's accomplishments were further rewarded when it was recently announced he has been invited to the Olympic Development Camp in Colorado Springs, CO, April 15.

"Mark (Anderson) is a great shooter who has the ability to penetrate," says Bruce Hoffman, head coach at Sheridan J.C. "He just finds ways to score and is extremely creative."

According to Dutcher, Anderson will probably be asked to fill the role of shooting guard vacated after this past season at Minnesota by veteran Tommy Davis, the only senior on the 1984-85 Gopher squad.

Davis finished his UM career with 1,481 points, fourth highest in Gopher cage history.

"We do not expect Mark (Anderson) to step right in and fill the entire void left by the graduation of Tommy Davis," Dutcher said today. "But we will expect Mark to contribute right from our first game next season."

Phil (Flip) Saunders, assistant coach who did a majority of the recruiting job with Mr. Anderson, says he has no doubt that after watching Mark play several times this season that he can step right into major college basketball and play with the best.

Anderson's signing brings to two the men who have committed to Minnesota. Last fall Ray Gaffney, a senior at Dunbar High School in Dayton, OH, signed his national letter of intent.

Gaffney, a 6-2½ guard, was recently named Ohio High School Player of the Year by the Ohio H.S. Coaches Association.

He averaged 24 points and five assists a game in leading his team to the state regional finals. Gaffney completed his career as the leading scorer in Dayton Dunbar history. He also ranks 16th academically in his senior class of 250 students.

7 SIGN HOCKEY TENDERS

Wednesday, April 10, was a busy day for University of Minnesota assistant hockey coach Tom "Chico" Adrahtas.

Wednesday was NCAA national letter of intent signing day for student-athletes who were making their choice where to attend college next fall.

So Adrahtas called in six Minnesota high school products and one more from the Chicago area and all inked their national letters at the same time.

In addition, one more Minnesota high school player, forward Marty Nanne of Edina High School, was out of town, but is expected to sign his tender letter next week. He is the son of Minnesota North Stars G.M. Lou Nanne, a Gopher All-America defenseman in the early 1960s.

(OVER)

(more on hockey signees)

Included among the signees are three forwards and four defensemen. The latter breakdown is not surprising as the 1984-85 Gopher varsity, which finished 31-13-3, graduated four seniors on defense.

Four of Wednesday's signees were high school seniors this past season with the other three coming from area Junior A teams.

Signing national letters of intent at Minnesota are:

. . .TOM CHORSKE, 6-1, 180, F from Minneapolis, MN (Southwest H.S.). . . first winner of Minnesota's prep "Mr. Hockey Award", all-state first team, team captain, member National Honor Society, scored 46G and 24A last season, named the top player in Minnesota by numerous pro scouts.

. . .JAY CATES, 5-11, 185, F from St. Paul Junior A Vulcans. . .a product of Stillwater H.S. where he was team captain senior year, was the leading scorer and MVP of the USHL in 1983-84, also a member of the league's All-Star team. . . Jay was a non-predictor academically and sat out this past season to qualify for scholarship aid.

. . .DAVE ESPE, 6-0, 190, D from White Bear lake, MN. . .another Mr. Hockey nominee, called the top defenseman in Minnesota prep circles, member of 1984 U.S. Junior National Team, all-state and all-metro selection, scored 20G and 25A this season.

. . .MIKE LUCKRAFT, 6-2, 180, D from Burnsville, MN. . .leader of State AA championship team, all-state selection, all-metro first team, a three-year regular for the Burnsville Braves and team captain this season.

. . .TODD RICHARDS, 5-10, 180, D from Crystal, MN (Armstrong H.S.). . . another outstanding defenseman and finalist for Mr. Hockey Award. . .all-state, all-metro first teams, team captain in '84-'85.

. . .MIKE SACKS, 6-0, 185, D from the St. Paul Junior A Vulcans. . .a Chicago native, moved here last season and attended Inver Grove Heights H.S. but played for the Vulcans. . .made the USHL All-Star team, attended AHAUS Midget Elite Camp, member 1983-84 Junior A national champion Franklin Park (IL) Jets.

. . .DAVE SNUGGERUD, 6-2, 180, F from the Minneapolis Junior A Stars. . . a native of Minnetonka, MN, and a product of Hopkins H.S., Dave was his team's leading scorer this season, a USHL first team all-star selection, and was MVP of the league all-star game.

MICHELETTI ALL-AMERICAN

Pat Micheletti, junior right wing from the University of Minnesota, was named to the NCAA Division I West All-America team as selected by the coaches.

This season Micheletti led the Gophers in scoring with 96 points on 48 goals and 48 assists. It is the second highest single season scoring total in UM history.

He finished second in scoring in the Western Collegiate Hockey Association with 74 points (40-34) in 32 games and was earlier named to the All-WCHA first team. A native of Hibbing, MN, Micheletti becomes the 25th Minnesota hockey player to receive first team All-America honors.

Minneapolis, Minnesota--The University of Minnesota baseball Gophers took two wins in 4 road games last weekend in their initial Big Ten series of the year at Northwestern.

The Gophers and Wildcats split Saturday with the University of Minnesota taking the opener 4-2 on a 6-hitter by Bryan Hickerson (4-1). Northwestern won the nightcap 6-5 with 3 runs in the final inning.

Rain Sunday delayed the next games until Monday and the teams reversed the order of wins. Northwestern took the first contest 7-1 on a 5-run 5th inning, but Minnesota came back to win 4-1 behind Mike Clarkin (2-3) who threw a 5-hitter at Northwestern.

The rain delay caused additional traveling problems for the Gophers. The team arrived in the Twin Cities at 11:30 p.m. Monday and at midnight boarded a bus at the airport headed for Omaha, Nebraska.

Minnesota played Nebraska in Lincoln two games today (Tuesday), and meets Creighton in another pair Wednesday in Omaha. The week closes with 4 games Saturday and Sunday at Iowa State.

First baseman Alex Bauer and outfielder Jon Beckman carried the big bats for the Gophers over the weekend. Bauer connected for 2 homeruns on Saturday and for the series drove in 6 runs on 7 base hits in 12 times at bat.

Beckman also had 7 hits in 15 trips, including a game-winning homerun Monday and drove in two runs in the series. Beckman leads the Gophers in batting for all games with a .369 average.

TENNIS TEAM BACK HOME FOR SIX CONSECUTIVE MEETS

The University of Minnesota tennis team will play host to non-conference Eau Claire on Tuesday and Carleton on Wednesday. Both matches will be played at the Bierman tennis courts, with Tuesday's match getting underway at 2:00 p.m. and Wednesday's match scheduled for 3:00 p.m.

Jerry Noyce's Golden Gophers will continue their busy week when they entertain Big Ten rivals Illinois on Saturday and Purdue on Sunday at the 98th Street Racquet and Swim Club in Bloomington. Saturday night's Illinois match will begin at 7:00 and Sunday's Purdue duel will have a 1:00 p.m. start.

The Gophers then step back out of Big Ten play to host St. Thomas on the 22nd and Gustavus on the 24th.

Following last weekends 7-2 win over Michigan State and 6-3 loss to Michigan, the Gopher netters stand 7-8 overall and 3-2 in the Big Ten.

The Gophers are led by junior #1 singles player Matt Grace (Milton, MA). Despite being bothered by tendonitis of the wrist, Grace has compiled an impressive 28-12 overall record and is 5-0 in Big Ten competition. Grace, who won the Big Ten #3 singles title last year, is nationally ranked #48 in college tennis by the Head Intercollegiate Tennis Standings (H.I.T.S.). In doubles Grace and sophomore partner Chuck Merzbacher (Findlay, OH) are ranked #34 with a 16-11 overall and 4-1 Big Ten record.

Gopher coach Jerry Noyce holds to his early season conviction that "it's going to be a ten team race for the Big Ten Team Championships" (held May 10-12 in Indiana). Wisconsin, Indiana, Northwestern, and Illinois are all tied for the Big Ten lead with 4-1 records. The Gophers and Michigan are right on their tails at 3-2. If Minnesota, the defending Big Ten Champions, can rebound against Illinois this weekend, they will be right back in stride for the Big Ten lead.

GOPHER TRACKSTERS OFF TO KANSAS RELAYS

Head Coach Roy Griak will take 12 Gophers to the Kansas Relays April 19-20 while the remaining squad will compete in the Carleton Invitational at Northfield, MN Saturday, April 20.

Among the Gophers competing in Lawrence, Kansas will be junior All-American Ron Backes (Richmond) in the discus and shot along with freshman Marty Humphrey (Iron Mountain, MI) in the 10,000 meters. Freshman John Laymon (Bloomington) and junior Brian Schmidt (West Bend, WI) will run the 800 meters. Sophomore Paul Gisselquist (Richfield) and senior Steve Shelerud (Duluth) will compete in the 5000 meters while freshman Rodney Hutton (Shakopee) will sprint the 400 meters. Senior Larry Mohr (Mankato) along with sophomore Mike Vukovich (Park Ridge, IL) will compete in the high jump. Coach Griak will also send a four mile relay team as well as a distance medley team to Lawrence. Both relay teams will be anchored by senior captain Dave Morrison (Lakeville).

Last weekend in the elite Dogwood Relays in Knoxville, Tennessee Morrison finished third in the invitational 10,000 meters with the fastest collegiate time this year of 28:34.03. The run qualified him for the Nationals and shattered Garry Bjorklund's former record of 28:50.4 set in 1970. "Through his tenacity and toughness which has made him this year, he has shown more than I had ever hoped," Coach Griak said. "He has the confidence now to run with anybody and if he can stay healthy he'll make a good showing for himself."

Competing in the open 10,000 meters at Knoxville, Shelerud took first with a personal best time of 30:13.5. Humphrey, meanwhile, took second in the same event with a 30:22.0. Schmidt placed third in his 800 meters heat with a time of 1:51.82.

Also at Knoxville, Backes took second in the shot and third in the discus with tosses of 60'-1/4" and 177'-8" respectfully.

The rest of the Gophers took second of 9 teams participating in the Minnesota Open last Saturday at Bierman Field. Laymon won the 800 meter run with a 1:54.6 while Hutton finished first in the 200 meters with a 22.1. Junior Dave Nordberg (Fridley) placed first in the discus with a heave of 146'-11" while Vukovich took first in the high jump with a 6'-8" leap. --UM--

BSB RETURNS HOME, HOST ILLINOIS

Minneapolis, MN---After playing six doubleheaders in nine days, all on the road, the U. of Minnesota baseball Gophers finally get to play in their own park this week hosting Illinois in a pair of Big Ten doubleheaders Saturday and Sunday at Siebert Field. Action both days begins at 1 p.m. CST.

The Gophers split the first five twin bills last week, two at Northwestern in Big Ten openers for both schools, then single dates at Nebraska, Creighton, and Saturday at Iowa State.

However, Minnesota finally broke the consecutive splits Sunday by whacking the Cyclones 11-0 and 12-5. UM won the first meeting Saturday 7-3 only to see Iowa State take the second game 8-4.

On Sunday junior lefty Bryan Hickerson ran his season record to 5-3 by throwing a 1-hitter at ISU. He walked none and struck out three. Only third baseman Bill Argo could solve Hickerson's slants as he drove a double to left center with two men out in the sixth inning.

Another lefty, Mike Pavelka, won the second contest allowing just one hit and two unearned runs in four innings. Righty Mike Clarkin finished up giving the Cyclones three hits and three runs, one unearned.

Sophomore Peter Bauer was the Saturday winner for UM going the distance on a 7-hitter in the 7-3 Gopher victory.

A surprise package came to the front for the Gophers all last week, too. Senior Bryan Bowlin, who has kind of coasted along the last three years, suddenly emerged as a full-fledged player on several fronts.

For starters, he made his first collegiate pitching appearance ever against the U. of Nebraska in relief. His four innings of 5-hit ball led UM to a 7-3 victory against the Cornhuskers who had won the first game 18-17 on eight runs in the last inning.

Bryan also started to hit the ball with authority playing both first base and in the outfield, or batting as the DH.

Against Iowa State Saturday he clouted his first home run for UM, a three-run belt in the Gopher 7-3 win.

For the weekend at Ames, IA, Bowlin went 7 for 13 at the plate, scored 4 runs and drove in a whopping 11 runs in the four games. Last week he raised his batting average from .189 to .294.

There were plenty of other Gopher stars, too, like first baseman Alex Bauer who ran his season home run total to eight with a pair, including a game-winner in the final inning, against Creighton. Bauer drove in eight runs last week running his team-leading total to 34.

Center fielder Pat Pohl, also a senior, went on a personal tear of his own by crashing out 15 hits in 24 at bats last week for a .625 average. He raised his personal bat mark from .250 to .348 after being blanked in 13 trips to the plate at Northwestern.

COACH ANDERSON ON THE GOPHERS

"It certainly was not an easy task for our men playing that long on the road often under adverse conditions, but then, neither is playing in the Big Ten an easy task," Gopher head coach John Anderson said Monday.

"We had an opportunity to play excellent opposition. Baseball is a game of repetition, being in difficult situations over and over. By being under constant pressure day after day and playing in front of hostile crowds, our men got to feel what it takes to win.

"Every game is a learning situation, and that goes for me, too. We played a ton of people and saw how they performed under pressure situations. I believe we, as a team, have come closer together and are ready to face the top challenge, three more Big Ten opponents.

"Preparing ourselves for conference play is what these games against top flight opponents are all about. I only hope we are ready. Illinois will come in here wanting to knock us off badly. They are 5-3 and in the top spot in the Big Ten's West Division. The Illini took two of four at Iowa last weekend. We'll find if we are for real Saturday and Sunday."

RECORD: 19-14
BIG TEN: 2-2

SPRING FOOTBALL GAME TO SIGNAL END OF DRILLS SATURDAY

Saturday at 7:30 p.m. the University of Minnesota will hold its annual Spring Game in the Hubert H. Humphrey Metrodome and in the process signal the conclusion for its 1985 spring football practice.

That gala affair again will find Coach Lou Holtz dividing his squad, via a draft, into two teams that will compete as Minneapolis vs. St. Paul for internal bragging rights.

Tickets for the game are priced at \$5 for reserved seats and \$3 for general admission. Special group rates are available for \$2 with a group of 100 or more and \$1 for a delegation of 500 or more. Anyone attending the Minnesota Twins game at the Metrodome Saturday afternoon also will be able to purchase a \$1 general admission ticket by presenting a Twins ticket stub for April 27.

The entire evening is expected to generate a festive atmosphere with cheerleaders, the University of Minnesota marching band and the Golden Gopher Danceline.

A special photograph and autograph session with members of the 1985 University of Minnesota football team will be held from 6 p.m. until 6:40 on the Metrodome playing field.

"We want to put on a good show in the Spring Game," Lou Holtz has said, "but we want to have a good crowd there to put it on for. Last year we had 27,000 fans at the game, and we would like to see even more people attend this year. We hope our fans will bring their children along and enjoy the evening as a family."

If the game will be fun for the fans, it will be even more enjoyable, Holtz believes, for his players who have worked extremely hard in a tough month or more of spring practice.

"We have made a lot of progress in spring drills," Holtz said, "but there still is a lot of progress to make. Someone said we turned the corner in 1984, but I am always reminded that for every corner you turn there is another one just ahead. For our players, Saturday's game will help us determine our final depth chart for the spring and as we prepare for next fall, so really our people will be playing for positions."

The Golden Gophers tuned up for the finale last weekend when Holtz put them through a rugged two-hour scrimmage that saw Rickey Foggie, Minnesota's sophomore-to-be, shine from his quarterback position.

Foggie scored twice on runs of 80 and 5 yards. He carried the ball 19 times for 121 yards and completed nine of 17 passing attempts (without an interception) for 115 more yards.

Valdez Baylor chipped in with 68 yards and 12 carries (he scored once on a three yard blast) and caught two passes for 12 more yards. Baylor and Foggie are expected to be "prized possessions" through the draft and Saturday night's Spring Game.

QUOTING LOU HOLTZ

On the subject of Minnesota's recent spring football coaches clinic, Lou Holtz said...."The clinic is very important to our program at the University of Minnesota. It enables members of our coaching staff to get close to and to know the fine high school coaches from around our state."

G-O-P-H-E-R-S

On the subject of how hard his Golden Gophers have worked this spring, Lou Holtz said...."We asked a lot of our players in spring practice, and they responded very well. We worked extremely hard on fundamentals, and I feel we showed excellent improvement."

G-O-P-H-E-R-S

On the subject of the squad's overall improvement this spring, Lou Holtz said...."I feel we made a great deal of progress this spring. But no matter how good I feel about what has been accomplished, I know that it is like a savings account....and we want to have more."

G-O-P-H-E-R-S

On the subject of specific improvement made by the Golden Gophers, Lou Holtz said...."We showed that we are better in many areas. But for us to win we must be able to excell in a lot of areas. We were better on offense, and we were better on defense. I really feel that our fans won't have to look for tackles this fall because they will be able to hear them. But the area that I am most pleased about is the improved attitude and character that our squad has developed. Our team is learning the meaning of pride."

G-O-P-H-E-R-S

On the subject of last weekend's final tuneup scrimmage prior to this Saturday's Spring Game, Lou Holtz said...."It was a very important scrimmage for us because the players were competing for places on our depth chart which would be used for the draft of our two squads for the Spring Game. And we are beginning to develop a true depth chart which we will take into the fall with us. Our players are beginning to establish themselves as the best at their individual positions."

G-O-P-H-E-R-S

On the subject of concerns that still remain about the 1985 squad, Lou Holtz said...."Everybody makes mistakes, and we certainly have made ours. What we must do is realize that we get one chance, and we must play every play as if it is our last. That means we must run that play perfectly. We practice a play over and over to make sure we do it right. Under game conditions, we absolutely have to run that play perfectly. We must learn to concentrate. We must eliminate mistakes."

GOPHER TENNIS TEAM TO IOWA AND NORTHWESTERN

The Gopher tennis team will cap off their home schedule when they play host to non-conference Gustavus on Wednesday. The duel is slated for a 2:00 p.m. start at the Bierman tennis courts.

Head Coach Jerry Noyce will then take his netters on the road to close out their Big Ten season with matches against Iowa on the 26th and Northwestern on the 27th.

Led by the undefeated conference play of senior Matt Grace (Milton, MA) at #1 singles and freshman Casey Merickel (Verndale, MN) at #3 singles, the Gophers stand 5-2 in Big Ten competition and 11-8 overall.

"Both Iowa and Northwestern should prove to be tough matches," Noyce revealed. "We need to win both of them if we want to get a first or second place seeding at the Big Ten Team Championships," (held May 10-12 in Indiana).

Last weekend the Golden Gophers scored two impressive Big Ten victories.... thrashing highly rated Illinois 9-0 and nudging Purdue 5-4.

Coach Noyce considers the Illinois victory his Gophers best performance of the year. Last weekend's victories put the Gophers in a four-way tie for first place with Michigan, Illinois, and Northwestern.

Expected to see action this weekend is Matt Grace at the #1 singles spot, sophomore Chuck Merzbacher (Findlay, OH) at #2, Casey Merickel at #3, senior Peter Kolaric (Wickliffe, OH) at #4, sophomore Gary Aasen (Fridley, MN) at #5, and freshman Tom Olmscheid (Fridley, MN) at #6.

SPECIAL ATTRACTIONS ON TAP AT SPRING FOOTBALL GAME

When Minneapolis squares off with St. Paul in the annual Spring Game in the Hubert H. Humphrey Metrodome at 7:30 p.m. Saturday, it will mark the end of spring drills for 1985. But there is more than the game on tap for University of Minnesota football fans.

The Minneapolis Millers, for example, will have Larry Beckish, U of M offensive coordinator, acting as the head coach. Serving as his honorary assistants will be Randy Shaver of WTCN-TV and Tom Hanneman of WCCO-TV.

John Gutekunst, defensive coordinator of the Golden Gophers, will run the show for the St. Paul Saints. His honorary media coaches will be Perry Williams of KMSP-TV and Larry Burnett of KSTP-TV.

Coach Lou Holtz will designate team captains for the two squads, but in addition such former University of Minnesota football standouts as Keith Fahnhorst, Jeff Schuh, Carl Eller, Walter Bowser and Marion Barber will act as honorary team captains and participate in the coin toss.

At the half, Bob Ballentine, director of the Minnesota Champions Fund at the U of M, will present the winner of the "Guess the Number of Bricks in the new Football Facility Contest" with a 10-ounce gold brick.

Tickets, priced at \$5 for reserved seats, \$3.00 for general admission, \$2 for groups of 100 or more and \$1 for groups of 500 or more, will be on sale at the Hubert H. Humphrey Metrodome.

In addition, fans attending the Minnesota Twins baseball game against Oakland Saturday afternoon will be able to purchase a \$1 general admission ticket to the Spring Game by presenting a Twins ticket stub as part of the special Salute to Minnesota Sports Day promotion.

Players and coaches from both the Minneapolis Millers and St. Paul Saints football squads will be on the field from 6:00 p.m. until 6:40 where they will be available for photographs and autographs with University of Minnesota football fans.

GOPHER BLUELINE CLUB AWARDS ANNOUNCED

Minneapolis, MN---A total of eight University of Minnesota varsity hockey players were singled out for special honors at the Annual Gopher BlueLine Club Awards Banquet Monday evening at Jax Cafe in Minneapolis.

Top award of the evening went to junior right wing Pat Micheletti of Hibbing who was named recipient of the John Mariucci Most Valuable Player trophy. Micheletti led the 1984-85 Gopher edition to a 31-13-3 record by recording the second highest season point total in UM history, 96, on 48 goals and as many assists. His goal total is also the second highest Gopher output ever.

Earlier this month Micheletti had been named All-American and a member of the All-WCHA first team.

John Blue, freshman goal tender from San Jose, CA, was presented the Frank Pond Trophy as UM's Rookie of the Year. Blue finished with the best goals allowed average in the Western Collegiate Hockey Association (WCHA) at 3.00 and was named to the All-WCHA second team.

Additional honors were presented to junior defenseman Tony Kellin of Grand Rapids who was named recipient of the John Mayasich Trophy as the team's Outstanding Student Athlete; senior defenseman Tom Parenteau of North St. Paul winner of the Dr. V.G. Nagobads Cup as the team's Unsung Hero; and senior defenseman and captain Mike Guentzel of Marble winner of the Elwin "Doc" Romnes Trophy for outstanding Ability and Sportsmanship

Rick Erdall, senior center from Minneapolis Washburn, and Kurt Larson, senior defenseman from Moorhead, were named co-recipients of the Mike Crupi Memorial Cup as the Most Determined Player(s) on the squad.

The final announcement was that Kellin and junior left wing Wally Chapman of Edina were named co-captains of the 1985-86 Gopher varsity. Both men have played three full varsity seasons with the Gophers.

Members of the varsity hockey team voted for all the awards mentioned above.

TRACKSTERS TO DRAKE RELAYS

Head coach Roy Griak will take seven runners who have qualified to the prestigious Drake Relays April 26-27 at Des Moines, IA. The remaining Gopher squad members will compete in the Carleton Relays Saturday, April 27, at Northfield.

Competing in Des Moines will be junior All-American Ron Backes (Richmond) in the shot put and discus, senior captains Dave Morrison (Lakeville) 5,000 meters, junior Brian Schmidt (West Bend, WI) 1,500 meters, freshman Marty Humphrey (Iron Mt., MI) and senior Steve Shelerud (Duluth) 10,000 meters, with senior Larry Mohr (Mankato) and sophomore Mike Vukovich (Park Ridge, IL) in the high jump.

Last week at the Kansas Relays, Backes took first place in the collegiate discus and second in the overall open with a throw of 185 feet. Earlier an incorrect report said his toss was 195 feet which would have broken his UM standard of 189'-11". The record still stands.

Backes also took third in the shot put with a heave of 61'-6 $\frac{1}{2}$ ". The rest of the team in Kansas battled 30 to 40 mph. winds as Humphrey took third in the 10,000 meters with a time of 31:26.1, and the distance relay team anchored by Morrison stook second at 10:00.94. Iowa State won the latter even in 9:59.7.

The four-mile relay team was third in 17:10.96 while Vukovich ended fourth in the high jump at 6'-10".

BSB SWEPT, TRAVEL TO IOWA

Minneapolis, MN---The University of Minnesota baseball Gophers were dealt a harsh blow to hopes of repeating as Big Ten West Division champions last weekend when Illinois came to the Twin Cities and stole away with four wins.

It marked the first time since anyone can remember that a Minnesota diamond team lost a full Big Ten weekend series on its home turf.

That means Minnesota, looking up from the lower ranks, travels to second place Iowa for doubleheaders Saturday and Sunday (a schedule change moved the games from original dates of Friday and Saturday) with a 2-6 league mark and only eight Big Ten contests remaining.

Illinois took Saturday's pair 8-5 and 2-0 before completing the sweep by winning 7-2 and 4-3 Sunday. Crack pitching and timely hitting keyed the Illini game plan.

On the other hand, would you believe Minnesota stranded a total of 38 base runners in the four games?

"That may be the wierdest set of Big Ten games I have ever been involved in," Gopher head coach John Anderson said Monday. "Now I'm not taking a single thing away from Illinois.

"They were very impressive and did all the right things needed to win. But I tell you there were so many places where the right play, or big play, offensively or defensively, including the pitching, could have turned things around it boggles the mind.

"It was simply the case of Illinois coming up with the big play and us not making any. When you leave 38 runners on base in four games, it tells you of chances missed.

"But I'm not down on our club. Hey, we've been backed up to the wall before and bounced off in good shape. Maybe we can again. We've got nothing to lose, so maybe for a change we can become the spoiler.

"Iowa is playing good baseball right now and only trails Illinois in the West Division. Sure, we are 2-6, but Iowa is at 6-2 and Northwestern 4-4 behind Illinois' 9-3 record.

"That means Iowa, Northwestern and ourselves each have eight games left. And Iowa and Northwestern have to play each other. So how we finish up is pretty well in our own hands.

"Second place and a trip to the Big Ten Tournament is not out of the question. I believe catching Illinois is pretty far fetched. So all we have to worry about is how we do ourselves.

"I hope to learn more about our players, more about what makes each man tick this week when we play two games at St. Cloud Tuesday evening, and a make-up doubleheader at 2 p.m. against Mankato State Wednesday at home. Maybe we'll make some changes before facing Iowa. At this point I really don't know what our lineup will look like."

On Saturday Illinois broke open a tight pitching dual between UM's Bryan Hickerson and Carl Jones of the Illini. They went into the sixth inning of the first game tied 2-2.

But Illinois loaded the bases and pinch hitter Larry Coffey smacked his first home run of the year, a grand slam. Gary Borg then tied an Illinois record by hitting his 11th homer of the year with a man on board in the 7th. The Gophers rallied for three in the 7th, but it was too little, too late.

In the second outing Saturday pitcher Greg McCollum spun a three-hit victory over the Gophers, 2-0. A lead off home run by Dave Payton in the sixth ruined a great pitching performance by UM's Mike Clarkin who only allowed four hits, two in the 7th for the final Illini run.

On Sunday Boo Champagne held UM hitless for 5 2/3 innings before shortstop Mark Hess singled home UM's only two scores in a 7-2 loss. And in the nightcap, pitcher Donn Pall ran his season record to 11-0 by hanging on to win 4-3 with a save going to center fielder Borg who stifled a last gasp Gopher rally by getting the final out in his second save of the year.

RECORD: 20-19
 BIG TEN: 2-2

GOPHER TRACKSTERS RETURN HOME TO HOST MIT

The Gopher track team will host the Minnesota Invitational (MIT) this Saturday at Bierman Field.

Featured in the meet will be junior All-American Ron Backes in the shot put and discus. Long distance runners Paul Gisselquist (sophomore, Richfield), Marty Humphrey (freshman, Iron Mountain, MI) and Steve Shelerud (senior, Duluth) are all slated to compete in 5000 meters. Freshmen Rod Hutton (Shakopee) and John Laymon (Bloomington) are scheduled to sprint the 400 meters. Sophomore Robert Miller (Sauk Centre) will run the 3000 meter steeplechase while junior Brian Schmidt (West Bend, WI) will contest the 1500 meters. Sophomore Mike Vukovich (Park Ridge, IL) and senior Larry Bohr (Mankato) will compete in the high jump. Senior captain Dave Morrison (Lakeville) will be given a rest this weekend and will not compete.

Five Gophers competed with top athletes from 203 track and field teams last weekend at the elite Drake Relays in Des Moines, IA. Backes took first in the shot put with a heave of 61'-8½" while placing fifth in the discus with a toss of 179'-2". Morrison placed second among collegiates and third overall in the invitational 5,000 meters with a personal best of 13:51.43. The time qualified Morrison for the NCAA Outdoor Championship meet May 29 in Austin, TX. Also at Drake, Vukovich placed fifth in the high jump with a 6'11½" leap.

The remaining tracksters went to Northfield, MN last weekend to compete in the Carleton Relays. In the 800 meters, Gophers swept first through third place with Laymon leading the pack at 1:55.1 with sophomores Dave Batt (Glen Ellyn, IL) and Miller chased closely behind. Miller also took first in the 3000 meter steeplechase with a 9:16.62 finish. Gisselquist took the blue ribbon in the 1500 meters with a personal best of 3:57.9 as Humphrey followed in fourth place. Sophomore Brian Halverson (Hudson, WI) won the 400 meter intermediate hurdles with a 54.9 while Hutton won the 200 meters in 22.36. The mile relay team of Laymon, Halverson, Hutton, and sophomore Robert Smith (Jamaica, West Indies) took first with a 3:20.8.

GOPHERS PLAY AT MSU

Minneapolis, MN---With the U. of Minnesota golf team headed for the Northern Intercollegiate Meet at Michigan State U. in East Lansing this weekend, Gopher head coach Greg Harvey is probably the most perplexed man on the UM staff.

"Last fall I really believed we had the team to challenge the Big Ten leaders this spring," Harvey said Monday. "But based on how we have performed recently, I'm not certain we'll make the cut at the Big Ten championships. (In all seriousness, there is no cut at the Big Ten meet).

"The worst part is that neither myself or my assistant, John Harris, can explain what has happened," Harvey continued. "It's not a lack of experience. We are for the most part a junior-sophomore team.

"On top of that we have enjoyed the best spring golfing weather in four years, and this team has already played more golf, been in more tournaments than any previous Minnesota golf team.

"We seem to be all but destroying ourselves on the course mentally. I just wish I could wave a magic wand or putter and straighten us out. Unfortunately, it's never that simple. But we'll keep hacking away and hope everything starts to fall in place the next two weeks."

The Big Ten meet is one week away, May 10-12, at the U. of Michigan.

Harvey said he is certain of four men going to MSU this weekend. Included are juniors John Brellenthin (Edina), Steve Barber (Austin), Dave Nordeen (Richfield), and Phil Reichel (Minneapolis). The coach added he will chose two more from the trio of junior Tim Peterson (Forest Lake), plus freshmen Greg Bradford (Princeton) or Kirk Vanstrum (Dellwood).

GOPHER TENNIS TEAM TO BIG TEN SINGLES AND DOUBLES CHAMPIONSHIPS

Seedings for the Big Ten Singles and Doubles Championships, to be held May 3-5 in Champaign, Illinois, will be compiled on Thursday.

Almost certain to gain the top seed in the #1 singles competition will be Minnesota junior Matt Grace (Milton, MA). Grace has compiled a perfect 9-0 Big Ten record and an astonishing 34-12 overall mark. Grace is currently ranked 52nd nationally among college tennis players according to the Head Intercollegiate Tennis Standings (H.I.T.S. List).

Sophomore Chuck Merzbacher (Findlay, OH) should have strong considerations for a first or second seeding at #2 singles with his impressive 8-1 Big Ten and 25-15 overall record.

Freshman Casey Merickel (Verndale, MN) will likely be placed as the one or two seed at #3 singles. Merickel closed out regular season play with an undefeated 9-0 Big Ten dual match record and a 31-10 overall performance.

Senior Peter Kolaric (Wickliffe, OH), who won the Big Ten #5 singles title as a freshman, will be a strong contender to capture the #4 singles spot.

The Gopher duo of Grace and Merzbacher are the prime candidates for the first seeding in #1 doubles play. They posted a 7-1 Big Ten and 21-11 overall record.

Last weekend the Golden Gophers (13-8 overall, 7-2 Big Ten) closed out regular season play by knocking off Iowa 6-3 and rolling over Northwestern 7-2. Earlier in the week they disposed of non-conference Gustavus 8-1.

By defeating Northwestern, the Gophers tied Michigan for the best regular season Big Ten record at 7-2. However, because of Minnesota's earlier season 6-3 loss to Michigan Coach Jerry Noyce's Gophers are expected to be seeded second at the Big Ten Team Championships in Champaign, Illinois, May 10-12.

Finishing up behind Minnesota's and Michigan's top 7-2 pace was Indiana, Illinois, and Northwestern at 6-3, Wisconsin at 5-4, Purdue at 4-5, Iowa at 3-6, Ohio State at 1-8, and Michigan State at 0-9.

SPRING GAME BRINGS DRILL TO CONCLUSION

When St. Paul beat Minneapolis 23-17 in the Spring Game last weekend, it marked the end of spring football drills for the University of Minnesota for another year.

It also evened the series between the two Twin Cities at 1-1 since the arrival of Coach Lou Holtz on the Minnesota scene, and it provided Golden Gophers with a ray of hope for the future.

"We made a lot of progress in spring practice this year," Coach Holtz analyzed, "but we still must temper our optimism with the realization that we had a long way to come. And we still have more improvement to make if we are to be winners next fall."

Holtz makes no bones about the fact that he is pleased with what he saw this spring however, or about his belief that Minnesota can be a winning football team in 1985.

"We had over 100 players out for spring practice," Holtz pointed out, "and that is an indication that we are building numbers. We are going to have much better depth than we had a year ago."

In 1984, Minnesota won four and lost seven. That obviously wasn't a record-setting season.....but it was such a vast improvement over the two previous campaigns (3-8 and 1-10 respectively) that Minnesota fans saw visions of greatness in the future. They saw more of the same in the Spring Game.

Sophomore-to-be quarterback Rickey Foggie was one of many bright spots, and he left no doubt that he would go into fall drills as Minnesota's top signal-caller.

Foggie completed his first six passing attempts and finished the game with a six-for-seven mark. That accounted for 114 yards and two touchdowns.... 62 yards to Mel Anderson and 32 yards to Marty Werden.

On top of that Foggie rushed eight times of 36 yards and perfectly executed an option play on which he pitched to Gary Couch for a spectacular 61 yard touchdown.

"We saw some good things in the scrimmage," Holtz admitted, "but we still made too many mistakes. We put the ball on the ground too often, had too many interceptions and too many penalties. But those are things that can be corrected. We also saw some good physical contact. Our people played with enthusiasm and intensity, and it showed up in the hitting."

In his final analysis, Holtz felt that the game was an indication of what had been accomplished in practice this spring. "We made progress on offense in several ways, but even more improvement was made on defense. I feel, however, that our biggest accomplishment has come in the attitude of our squad. We have come closer together, and our players believe in themselves. They have some pride. They feel they can win in 1985."

SMITH SIGNS WITH GOPHERS

Jim Dutcher, head basketball coach at the University of Minnesota, announced this week that Kelvin Smith, a 6-7, 210 pound forward from Conroe High School in Conroe, Texas, has signed a national letter of intent and will enroll at the University of Minnesota next fall.

Smith was a first team all-state selection this past year while leading Conroe to a 35-3 record and a state runner-up spot. He averaged 17.2 points and 10.4 rebounds per game. Smith was called in the Texas Scouting Report as the "best player in Texas under 7 feet."

"Kelvin Smith has unlimited potential, and the sky is the limit," says Harold Wilder, head coach at Conroe.

According to Coach Dutcher, Smith will be asked to fill either forward spot, and will be the only freshman forward in the program.

"We feel that Kelvin can come in and give us immediate help on our front line. He has the ability to score, rebound, and handle the ball on the open floor," Dutcher said.

Phil "Flip" Saunders, assistant coach who did the majority of the recruiting on Kelvin, says he has no doubt after watching Kelvin play seven times this past year that he can step right into major college basketball and play with the best.

Smith's signing brings the total to three who have committed to Minnesota. The other two are 6-3 guard Mark Anderson, a junior college All-American, and 6-3 guard Ray Gaffney, Ohio's high school player of the year.

GOPHER TENNIS TO BIG TEN TEAM CHAMPIONSHIPS

Netter Coach Jerry Noyce will take his Gophers to Champaign, Illinois this weekend to compete in the 75th annual conference tournament. The defending Big Ten Champion Gophers will be seeded second behind Michigan. Both teams compiled an impressive 7-2 Big Ten record, but one of Minnesota's losses was a 6-3 setback to Michigan. Minnesota, who earned a first round bye, will take on the winner of the Wisconsin-Michigan State match at 1:30 p.m. Friday.

Last weekend unseeded #4 singles player Peter Kolaric (Wickliffe, OH) reached the Big Ten singles final. Kolaric defeated Rudy Foo of Iowa 6-2, 6-2, fourth seeded Jon Losito of Illinois 6-3, 6-2, seventh seeded Mike Massie of Ohio State 6-1, 6-1, and Tim Klein of Wisconsin 6-2, 6-4 before bowing out to second seeded Roger Smith of Ohio State in a hard fought 6-1, 3-6, 6-1 final.

Kolaric was not the only Gopher who had a big weekend. Minnesota's #2 singles player Chuck Merzbacher (Findlay, OH) knocked off the tournament's number three seed Jim Sharton 6-2, 6-1 enroute to a 3rd place finish.

Freshman Casey Merickel (Wadena, MN) reached the quarter finals before falling to Smith, the eventual champion, 6-1, 6-1.

In doubles action Minnesota's Matt Grace (Milton, MA) and Chuck Merzbacher reached the semi finals before losing to Dan Arends and Tim Klein of Wisconsin 6-3, 3-6, 6-4.

GOPHER GOLFERS OFF FOR BIG TEN CHAMPIONSHIPS

Head coach Greg Harvey will take six golfers to the Big Ten Championships this weekend at the University of Michigan in Ann Arbor.

Competing will be junior Steve Barber (Austin) who led the Gophers with a 231 over 3 rounds last weekend in the Northern Intercollegiate Tournament in East Lansing, MI. Also competing in the Championships will be freshman Phil Reichel (Minneapolis) and junior Dave Nordeen (Richfield) who together finished second and third among teammates at East Lansing. Freshman Kirk Vanstrum (Dellwood) along with co-captains John Brellenthin (Edina) and Tim Peterson (Forest Lake) will complete the Ann Arbor squad.

The following are the 18 hole averages for the Gopher golfers who are competing in the Big Ten Championships:

	85'		85'
Steve Barber	78.5	Tim Peterson	84.4
John Brellenthin	78.5	Phil Reichel	78.5
Dave Nordeen	78.1	Kirk Vanstrom	80.9

GOPHER TRACKSTERS TO HOST GBS-GOPHER LAST CHANCE

The Gophers will host the GBS-Gopher Last Chance track and field meet Saturday at Bierman Field at 12:00 noon.

Competing again for the Gophers in the shot put and discus will be junior All-American Ron Backes (Richmond). Senior captain Dave Morrison (Lakeville) who has qualified for Nationals in both the 5,000 and 10,000 meters this season will be rested with a minor hamstring injury.

Long distance runners Paul Gisselquist (sophomore, Richfield), Marty Humphrey (freshman, Iron Mountain, MI) and Steve Shelerud (senior, Duluth) are all slated to compete in the 5,000 meters.

Junior Brian Schmidt (West Bend, WI) will again contend the 1,500 meters while freshman teammate John Laymon (Bloomington) will run the 800 meters.

Freshman Rod Hutton (Shakopee) will sprint the 400 meters as teammate Brian Halvorson (Hudson, WI) will again compete in the 400 meter intermediate hurdles. Blaise Schweitzer (St. Paul) and Robert Miller (Sauk Centre) will go head to head again in the 3,000 meter steeplechase. Mike Vukovich and Larry Mohr will compete in the high jump to complete the Gopher featured athletes.

Last weekend in the Minnesota Invitational, Backes threw the shot put for a first place 65'-9½" setting a new meet record and outdistancing his nearest competitor by over 10 feet. The toss broke his own school record of 63'-6" and qualified him for the Nationals May 30 in Austin, Texas. Backes also easily won the discus with a 180'-7" heave. "Ron is starting to peak somewhat and throw

like we hoped he would," said head coach Roy Griak. "If it wasn't for the wind, he probably would have qualified for the Nationals in the discus as well."

Also in the Minnesota Invitational, Schweitzer upset teammate Miller to take first in the 3,000 meter steeplechase. The 1600 meter relay (4 x 400 meters) team of Hutton, Halverson, Schmidt and Robert Smith (Jamaica, West Indies) took first with a 3:19.85 effort.

Coach Griak announced that four recruits have agreed to become Gophers next fall. Carson Hoeft of Armstrong who has had outstanding times in the mile and 800 meters this year, has agreed to run for the Gophers. Mark Bennett of Wayzata who currently is Minnesota's leading 400 meter sprinter, will also be a Gopher. Griak has also recruited a twin brother tandem of Roger and Frank Bjorkli who are top middle distance runners in Norway.

TWO GOPHER NETTERS TO NCAA CHAMPIONSHIPS

Junior Matt Grace (Milton, MA) and sophomore Chuck Merzbacher (Findlay, OH) have been selected to compete in the NCAA Championships May 22-26 in Athens, Georgia.

While playing at #1 singles, Grace compiled a 34-13 overall record and was undefeated at 9-0 in Big Ten play. Matt is currently ranked 49th nationally among college tennis players by the Head Intercollegiate Tennis Standings (H.I.T.S. LIST).

Merzbacher finished out the regular season with a 28-16 overall and 8-1 Big Ten record at #2 singles. Chuck recently placed third in the Big Ten Singles Championships at Champaign, Illinois.

Grace and Merzbacher will also be representing the Gophers in the NCAA Doubles Championships. The Gopher duo recently reached the semi finals of the Big Ten Doubles Championships last weekend in Champaign.

The winner of this weekend's Big Ten Team Championships will earn an invitation to the NCAA Team Championships May 18-22 in Athens, Georgia.

BSB MAKES BIG TEN PLAYOFFS

Minneapolis, MN---The University of Minnesota baseball Gophers first did their own thing last week, and then released both a sigh of relief and words of thanks to the Northwestern Wildcats.

Minnesota did its own thing by sweeping a 4-game home series against the Wisconsin Badgers to finish its Big Ten West Division campaign at 9-7. But help was needed.

In order for UM to qualify fo the Big Ten tourney, Iowa had to drop two games at Northwestern. That's exactly what happened. The Hawkeyes and Wildcats split doubleheaders Friday and Saturday throwing Minnesota and Iowa into a second place tie in the West.

(OVER)

But Minnesota got the second place nod having defeated Iowa three of four games a week earlier, and thus joins West champion Illinois for the journey to Ann Arbor, MI, site of this year's conference championship tournament.

However, not all is great for the Gophers as they have drawn perennial East champion Michigan in the opening tourney game Friday at 12 noon Minnesota time. Illinois will play the second tourney game against a team to be decided today (Monday) by games between Purdue and Michigan.

Minnesota carries a season log of 30-21 along with its 9-7 Big Ten mark against nationally ranked Michigan. The Wolverines, through games Sunday when they defeated Purdue, 11-2, 12-2, were 49-6 and 12-2 going into games this afternoon. Michigan has won a whopping 22 straight games.

The Gophers, badly needing a sweep against Wisconsin, finally put in all together for one series this year. Lusty hitting and intelligent pitching got Minnesota through all four games.

Minnesota rattled off 45 hits and scored 37 runs in sweeping the Badgers 7-1 and 9-2 Thursday, and 10-7, 11-1 Friday. Gopher pitchers allowed 33 hits, but only five earned runs in 28 innings.

Junior lefty Bryan Hickerson (Bemidji) hurled a complete game in the series opener, the sixth consecutive time he has finished a start. Hickerson had a no-hitter going for 5 1/3 innings, but finished allowing two hits and a single unearned run for the 7-1 series opening win. He walked none and struck out six. Hickerson will receive the starting call against Michigan Friday.

Sophomore Peter Bauer (South St. Paul) came back with another complete game the same day winning 9-2. He allowed eight hits and struck out five in running his season record to 6-0.

Junior transfer Mike Clarkin (St. Paul Johnson) road a rough track in winning the first game Friday. He gave up 12 hits and seven runs (3 earned) in five innings, but received some solid Gopher hitting (14 safe blows) and key relief aid from junior Gregg Mau (Stillwater) in the 10-7 UM decision. Mau gained his second save of the year.

In the series final, senior Bill Thompson (Bloomington Jefferson) gained his first win of the season (1-3) going five innings and blanking the Badgers on eight hits. Mau and senior Jeff Doffing (Hastings) mopped up as the Gophers produced 13 more hits in winning 11-1.

"There is little question that we are grateful to Northwestern for giving out team the chance to compete further," Gopher fourth-year head coach John Anderson said Sunday. "But the way our players finished the season winning six in a row, and seven of our last eight Big Ten games, I personally believed they deserved the chance.

"Playing at Michigan is bad enough, but playing them in the Big Ten Tournament on their field is something else. I do not believe they have ever lost a home game, well, maybe one, since they began hosting every other year.

"Their record indicates what an outstanding team they have. But we are not going down there just to make an appearance. Our men are excited and eager to face the best. Let's just hope we can play at our best.

"We have played some pretty good baseball down the stretch and could be peaking at this time. Bryan Hickerson has never faced Michigan and is really up for the challenge. I hope we don't get too high. Maybe I'll have to shake our players out of the trees before we get down to Ann Arbor."

RECRUIT SIGNED

Jay Kvasnicka (quas-NICK-ah), 18, senior outfielder from Delano, has signed a national letter of intent in baseball and will enroll at the U. of Minnesota next fall, says Gopher head coach John Anderson.

Kvasnicka, 6-0, 180, bats and throws left, has hit four home runs and owns a whopping bat average of .605. He also carries high B average in the classroom and was named all-conference for Delano in football, basketball and baseball. Delano has already clinched the Wright County Conference championship and will compete in the Class A District 17 playoffs. Coach Anderson says he believes Kvasnicka is one of those promising Minnesota products who can step in and begin to contribute in his first year with the Gophers.

GOPHER NETTERS PLACE SECOND IN BIG TEN

Coach Jerry Noyce's Golden Gophers capped off their 1984-85 season with a second place finish in the Big Ten Team Championships at Champaign, Illinois last weekend. The Gophers routed Wisconsin 5-0 and knocked off Indiana 5-2 before falling to Michigan 3-5 in the final.

With the straight set victories posted by Matt Grace (Milton, MA), Chuck Merzbacher (Findlay, OH), and Casey Merickel (Wadena, MN) at the numbers one, two, and three singles positions respectively, the Gophers looked as if a second consecutive Big Ten title was in the making. Michigan's strong depth at the numbers four through six positions proved too much for the Gophers to contend with. Minnesota's three singles victories were all that Michigan would surrender.

Minnesota ended their season with a 16-9 overall and 9-3 Big Ten mark. Michigan's victory over the Gophers earned them a birth into the NCAA Team Championships May 18-22 in Athens, Georgia.

Representing Minnesota in the NCAA Singles and Doubles Championships, also in Athens May 22-26, will be #1 singles player junior Matt Grace (37-13 overall) and #2 singles player sophomore Chuck Merzbacher (32-16 overall). Grace and Merzbacher will both compete in the singles draw, and the Gopher duo (23-12 overall) will team up for the doubles competition.

GOPHER TRACKSTERS HEAD FOR BIG TEN CHAMPIONSHIPS

Head coach Roy Griak will take his top personnel to Evanston, Illinois this weekend to compete in the Big Ten Outdoor Championships.

Ron Backes will again be competing in the discus and will defend his Big Ten title in the shot put. Backes, who has already qualified for the NCAA Outdoor Championships in the shot put, will be trying to equal that accomplishment in the discus. He must have a throw of 190'-0" to do so.

Senior captain Dave Morrison (Lakeville), who has qualified for the NCAA Outdoor Championships in both the 5,000 and 10,000 meters, will compete in those events. Sophomore Paul Gisselquist (Richfield), freshman Marty Humphrey (Iron Mountain, MI) and senior Steve Shelerud will all be competing with Morrison in those events.

Brian Schmidt (junior, West Bend, WI) and John Laymon (freshman, Bloomington) will compete in the 800 meters. Senior Brian Halvorson (Hudson, WI) will run the 400 meter intermediate hurdles while junior teammate Roger Roettger (New Richmond, WI) will contend the 1,500 meters.

Freshman teammates Rod Hutton (Shakopee), John Lawton (Shorewood) and Robert Smith (Jamaica, West Indies) will all compete in the 400 meters. Robert Miller (sophomore, Sauk Centre) and Blaise Schweitzer (junior, St. Paul) will compete in the 3000 meter steeplechase. The Gophers will also send a mile relay team consisting of Halvorson, Hutton, Lawton and Smith to complete the Big Ten squad.

Last weekend in the Gopher Last Chance track meet at Bierman field, Backes again took first in the shot put and discus with throws of 61'-11" and 179'-9" respectfully.

Lawton took first in the 400 meters with a 49.93 finish while Roettger won the 800 meters with a 1:56.34. Halvorson took the blue ribbon 400 meter intermediate hurdles with a 54.5 sprint. The 1600 meter relay team of Laymon, Dave Batt (Glen Ellyn, IL), Roettger, and Schmidt finished first with a 3:21.57 finish. The Gophers dominated the 1,500 meters taking second through sixth places as Morrison led all collegiates with a 3:54.92 run.

Coach Griak announced that Jim Scott of Bloomington Jefferson has signed a letter of intent with the Gophers. Scott anchored Jefferson's state champion sprint medley relay team in 1984 and has been a standout this spring.

GOPHER GOLFERS FINISH STRONG IN BIG TEN MEET

The Golden Gopher golfers finished fifth in the Big Ten Championships last weekend just 10 strokes behind second place Purdue.

Junior Steve Barber (Austin) was the top Gopher finisher with a 301 over four rounds taking 10th place. Juniors Phil Reichel (Minneapolis) and Dave Nordeen followed with scores of 302 and 308 respectively. Junior co-captain Tim Peterson (Forest Lake) brought his overall average down with a 311 as teammates Kirk Vanstrum (freshman, Dellwood) and co-captain John Brellenthin (junior, Edina) tied with scores of 312.

"Considering how things went this year, fifth place was a nice finish for us," said head coach Greg Harvey. "I hoped that we would finish higher than that, but we're a young team so we'll have to see what happens next year."

Harvey also announced that Dave Bratland of St. Anthony and Mike Lehman of Alexandria have agreed to become Gophers next fall. Bratland won the state high school golf tournament last year as a junior while Lehman is among the top five high school golfers in the state according to Harvey.

The following are the final spring season averages for the Gopher golfers:

1. Greg Braford	77.7	5. John Brellenthin	78.4
2. Steve Barber	77.8	6. Kirk Vanstrum	80.1
3. Dave Nordeen	77.8	7. Mike Scheller	80.5
4. Phil Reichel	78.3	8. Tim Peterson	81.4

GOLDEN GOPHERS SIGN JUNIOR COLLEGE CAGER

Terance Woods, a highly-touted 6-5 forward, has signed a Big Ten-Conference letter of intent with the University of Minnesota and will be a member of the Golden Gopher basketball team next season.

A product of Sterling High School in Houston, TX, Woods played two years of basketball at McLennan Community College in Waco, TX and is expected to play "small" forward for the University of Minnesota.

Woods averaged 20.5 points and 10.5 rebounds for McLennan this past season. He was an All-Regional JC choice and received All-America honorable mention honors.

"Terance has great jumping ability," Coach Jim Dutcher of the Golden Gophers said. "He's a tremendous all-around athlete who originally signed a national letter of intent to play football at Texas A&M but then decided he wanted to concentrate on basketball."

According to Dutcher, the signing of Woods completes Minnesota's basketball recruiting for this year. And the veteran U of M coach seems pleased with the results.

"We really signed an outstanding group of athletes," Dutcher said. "All four of them have great athletic ability, and their addition will really help us improve our overall team speed."

Earlier the Golden Gophers signed Ray Gaffney, a 6-2 All-State guard from Dayton, OH, Dunbar High School who was the 3-A Ohio prep player of the year; Mark Anderson, a 6-4 Junior College All-American from Sheridan, WY, Community College; and Kelvin Smith, a 6-7 All-State cager from Conroe, TX.

SHASKY AND WILSON NAMED U OF M Gopher CAPTAINS

John Shasky and Mark Wilson, both seniors-to-be at the University of Minnesota, have been named co-captains of the 1985-86 Golden Gopher basketball team.

"John and Mark will be excellent captains for us," Coach Jim Dutcher said this week when making the announcement. "Both have had fine three-year careers on the court, and both have done well in the classroom. In fact both have been Williams Scholars at Minnesota."

Shasky is a 7-0 center from Birmingham, MI, Brother Rice. In his first three seasons with the Golden Gophers, he has scored 621 points for an average of 7.6 per game in 82 appearances.

Minnesota's top rebounder this past year (190), Shasky has been credited with 388 boards as a Golden Gopher. His best game last season was a 27-point, 19-rebound effort at Indiana State.

Wilson, a 6-1 guard from Calvert Hall in Baltimore, MD, has scored 899 points in his three seasons for an average of 10.7 per game. He has 239 rebounds for an average of 2.8 per outing. Even more impressive, Wilson has notched 288 assists and again led the Golden Gophers in that department this past season.

Last year Shasky led Minnesota in field goal percentage with a .567 mark. He finished as the Golden Gophers' second leading scorer. Wilson was third in scoring, tops in assists and second in steals (24).

"Both of those players have shown continued improvement during their careers at Minnesota," Dutcher said, "and both have the temperament and dedication to be outstanding leaders for us."

DALE NAMED SWIM COACH AT THE U OF M

Dennis Dale this week was named the new swim coach at the University of Minnesota, with that appointment pending final approval of the U of M's Board of Regents.

The 39-year old Dale has been the swim coach at Burnsville High School for the past 10 years, and at Minnesota will succeed Paul Stearns who resigned earlier this spring.

"I am excited about returning to the University of Minnesota as coach of the men's swim team," Dale said. "Hopefully the University will be able to provide the type of program that the entire state can support."

A product of Menilde High School, Dale was a three-time prep swim champion. He attended the University of Minnesota and became a Big Ten finalist, an NCAA finalist, a two-time All-America selection and established three U of M varsity swimming records before being graduated in 1968.

Dale served as an assistant on the Golden Gopher staff for two seasons, then coached at DeLaSalle High School for three years and eventually took over at Burnsville in 1973.

He also gained experience in the coaching field while working with the Ascension Swim Club, the St. Louis Park Swim Club and the Burnsville Swim Club.

During his tour at Burnsville, Dale coached both boys and girls swim teams. His boys' contingents won three Minnesota Conference championships, three sectional championships and a Minnesota prep title.

Two of his Burnsville girls' teams won conference crowns while they also garnered five sectional titles, three state championships and finished as runners-up once.

Five times Dale was named the boys' sectional coach of the year. He earned coach of the year honors six times in girls' competition and was honored four times as Minnesota State High School Coach of the Year.

"My first priority as coach of the Golden Gophers," Dale said, "is to start recruiting the Minnesota athlete. I realize that we have some excellent high school and USS programs in our area which can help provide the U of M with the foundation for an excellent team."

Paul Giel, men's athletic director at Minnesota, expressed total pleasure at Dale's appointment. "Those who are close to swimming in Minnesota," Giel said, "have told me Dennis is an excellent coach who has the reputation of taking what might be considered average talent and turning it into championship material. He has deep feelings about the U of M, and I'm confident that in a few years our young men will be heard from in Big Ten and the NCAA competition."

BSB WINS BIG TEN TOURNEY, IN NCAA REGIONAL

Minneapolis, MN---For the second time in his four years as head coach, John Anderson has seen another of his U. of Minnesota baseball team's finish second in the West Division, and then come on to win the Big Ten championship.

The 1985 baseball Gophers did it all last weekend in Ann Arbor by winning three straight games to earn the school's 14th conference crown.

It began Friday when Minnesota came from behind three times to edge host U. of Michigan 11-10. The next two days saw the Gophers turn back a determined Ohio State Buckeye squad by scores of 8-5 and 5-3.

So how are the Gophers rewarded? An automatic berth to the NCAA Midwest Regional. But what a regional!

Friday night at 7:30 p.m. CST, Minnesota (33-21) takes on the number one ranked team in the nation by Collegiate Baseball, the Oklahoma State U. Cowboys (54-13). The other pair of teams playing in Stillwater, OK, home of the Cowboys, include Wichita State (65-18) and Oral Roberts U. (49-17).

Looking at the national regional pairings, the Midwest group has to be the strongest foursome going. Competition at each site is double elimination.

Minnesota well remembers two of the three opponents. In 1982, the last time UM qualified for a regional, it was at Stillwater. The Gophers lost to OSU 16-9 in a game covering two days because of a rain interruption. Minnesota then defeated Oral Roberts 9-0, but lost its next game to Middle Tennessee State, 7-1, and was eliminated.

This season Oral Roberts was one of three visitors to Minnesota's first WHEATIES Tournament of Champions held the final weekend in March at the H.H.H. Metrodome in the Twin Cities. ORU won the round-robin tournament with a perfect 4-0 record. Other teams competing were Arizona U. and Indiana State.

All but Indiana State made it to the regionals this weekend.

Pitching was the name of the game for Minnesota last weekend. Two starters, sophomore Pete Bauer (South St. Paul) and junior transfer Mike Clarkin (St. Paul Johnson), hurled complete games.

Bauer (7-0) pitched an 8-hitter in UM's 8-5 win Sunday. He walked three and struck out two. Clarkin (7-5) came through with a 5-hitter in the title Game Sunday. He walked two, struck out six and only allowed one hit, a single, after the fourth inning.

(OVER)

Junior Bryan Hickerson (8-4, Bemidji) started against Michigan Friday but did not have his usual stuff. He retired after six innings with the Gophers trailing 10-8.

That set the stage for senior Gregg Mau (Stillwater). Normally a starter, Mau's last five appearances have all been in relief. In that span he has recorded two saves and a win.

The win came Friday when he allowed just one hit, walked one and struck out four as the Gophers came from behind with three runs in the final two innings to pull out the 11-10 win. Mau's season record is now 5-0.

Several Gophers had big games at the plate in Minnesota's three wins. In the opener against Michigan, first baseman Alex Bauer (Golden Valley) drove in three runs on three singles while left fielder Jon Beckman (Jordan) and shortstop Mark Hess (St. Anthony) also has three hits apiece.

Third baseman Mike Pehrson (St. Peter) banged out a triple and a double in the same game good for two RBIs while right fielder Bill Lentsch (St. Paul Cretin) blasted a two-run homer.

In Saturday's win against Ohio State, sophomore designated hitter Tim McIntosh (St. Louis Park) and Beckman each cracked three-run homers to back Bauer's pitching.

On Sunday senior center fielder Pat Pohl (Hastings) was the only Gopher to get two hits, both singles. But his second safe blow drove in two runs to tied the game at 3-all in the seventh inning. He then scored the game winning run on a sacrifice fly by McIntosh.

TOURNAMENT HONORS

For their efforts, five Gopher players were named to the All-Tournament team. Included were Alex Bauer, first base, Pehrson, third base, Beckman, left field, Pohl, center field, and right-handed pitcher Clarkin.

For recording two game-winning RBIs on four hits, which produced five runs batted in for the three games, Beckman was named most valuable player of the tournament.

The above awards were quite a contrast to the All-Big Ten team announced Monday. Minnesota did not place anyone on the first team. However, Pehrson made the second team with Hickerson and Beckman named to the third team.

It was not, however, a huge surprise as Minnesota individuals did not have all that great a conference season. The Gophers only placed four batters among the top 33 averages and Hickerson was UM's top pitcher with a conference record of 3-1 and an earned run average of 3.56, the latter 11th best in the Big Ten.

ANDERSON ON THE GOPHERS

"I honestly believe there are three major factors on why we finished so strong in the regular season and went on to win the Big Ten tournament," Gopher head coach John Anderson stated.

"It all started the day we were to leave for the Iowa series. We had a long meeting sitting on the outfield grass after practice. We were 2-6 in conference play and nobody had smiled or showed positive emotions in two weeks.

"We discussed everything, and at that point (Bryan) Hickerson stood up and laid out everyone. He said 'I'm getting the ball tomorrow and there is no way Iowa is going to beat me'. He backed it up with a 2-hitter and won 7-1.

"Then in the final game against Iowa, we were one pitch away from being eliminated three times. Right then when we pulled it out 8-5 in nine innings, I could feel this team was on its way.

"I believe the third factor was the remembrance of this team to their teammate from last season, David Chelesnik Jr., who died of cancer on Labor Day, 1984. Our players dedicated this season to David and each man wears his jersey #26 on his sleeve.

"The last thing David said to me before he died was, 'Next year we're going to win the Big Ten and I'm going to get a ring'. In our team huddle just before Sunday's game against Ohio State, our players said let's win this one for #26. It was an emotional moment, but also a huge factor in our success."

Granted, Minnesota has won its last nine games and 10 of the last 11. But the odds will not be with them in Stillwater looking at three teams ranked #1 (Ok. St.), #12 (Oral Roberts), and #16 (Wichita St.). But, then, Minnesota was not supposed to win in Ann Arbor, either.

TWO GOPHER NETTERS TO NCAA CHAMPIONSHIPS

Junior Matt Grace (Milton, MA) and sophomore Chuck Merzbacher (Findlay, OH) will compete in the NCAA Singles Championships May 22-26 in Athens, Georgia.

Grace compiled a 37-13 overall record and was 12-0 in Big Ten action at the #1 singles position. Grace is ranked 49th among college tennis players nationally by the Head Intercollegiate Tennis Standings (H.I.T.S. LIST).

Merzbacher finished out the regular season with a 31-16 overall and 11-1 Big Ten record at #2 singles. Merzbacher netted a third place finish at the Big Ten Singles Championships in Champaign, Illinois.

Grace and Merzbacher will also represent Minnesota in the NCAA doubles tournament. The Gopher duo (23-12 overall, 8-1 Big Ten) recently reached the semi finals of the Big Ten Doubles Championships.

BACKES, MORRISON OFF FOR NATIONALS

The Golden Gopher track team finished seventh in the Big Ten Championships in Evanston, Illinois last weekend being outpointed for a notch higher by Purdue by four points.

Ron Backes (Richmond) successfully defended his Big Ten shot put title with a 66'-5½" heave. The throw broke a stadium record and again broke his own school record he had reset for himself just three weeks ago in the Minnesota Invitational.

That throw was a 65'-9½" effort which qualified him for the NCAA Outdoor Championships June 1. Backes also placed fourth in the discus with an 182'-1" effort that was short of the 190'-0" mark needed to qualify for the NCAA Outdoor Championships.

"I felt really good about both throws," said Backes. "I didn't know whether to feel satisfied about the discus or feel mad. I just threw my best and next year I'll try to get it up to 190'-0".

Senior captain Dave Morrison finished second in the 10,000 meters behind defending Big Ten Champion John Easker. Both men shattered the old meet record of 29:03.39 as Easker set the new mark with 28:45.25 with Morrison following at 28:53.65.

Morrison battled stomach cramps the next day as he placed fourth in the 5,000 meters with a 14:41.44. Morrison, who has previously qualified for the NCAA Outdoor Championships in both the 5,000 and 10,000 meters, will only run the 10,000 meters at that meet May 31.

Junior Brian Schmidt (West Bend, WI) finished sixth in the 800 meters with a 1:51.41. He will try to top that mark this weekend at the Central Collegiate Championships in Champaign, Illinois.

Junior Blaise Schweitzer (St. Paul) placed third in the 3000 meter steeplechase with a 9:07.8.

Senior Scott Morton (Apple Valley) finished sixth with a 15'-½" pole vault while teammate Mike Vukovich (Park Ridge, IL) just missed clearing 6'-10½" in the high jump and did not place. "It looked as though he cleared the bar and the wind blew the bar down," said coach Roy Griak. "But the official didn't see it that way." Vukovich will also have another chance next weekend in Champaign.

Sophomore Paul Gisselquist (Richfield) beat his previous personal best in the 10,000 meters by 1:38 with a 29:25.3 finish. Freshman teammate Marty Humphrey (Iron Mountain, MI) also set a personal best in that event with a 30:03.81.

Senior Brian Halvorson (Hudson, WI), who battled back this year from a broken back two years ago, qualified for the final heat in the 400 meter intermediate hurdles with a 53.67. Unfortunately, he hit the first hurdle in the final heat and never caught back up with the leaders.

GOPHER HAPPENINGS ON TAP: (All Times CST)

May 29 thru June 1 - (TR) NCAA Championships at Austin, TX (U. of Texas Host)

GOPHER BSB FINISHES AT 33-23

Minneapolis, MN---Although the season didn't end on a winning note, the U. of Minnesota baseball Gophers still presented their school and head coach John Anderson with a first grade campaign.

Minnesota, two weeks ago, won the school's 14th Big Ten championship taking the playoff tournament in Ann Arbor, MI, and at the same time presented Anderson with his second conference crown in his four years at the UM helm.

But last weekend all came to a screaming halt as the Gophers were eliminated from the NCAA Midwest Regional in Stillwater, OK. Minnesota lost a highly emotional contest to host Oklahoma State, 8-3, and were then homered to death as Oral Roberts cracked six round trippers en route to a 17-8 shelacking.

So Minnesota can only look back to its days of success which produced a 33-23 season record. The 56 games played ties a school record first set in 1982.

Of course, the real highlight came when Minnesota went undefeated in the Big Ten tourney taking Michigan 11-10, and then edging Ohio State twice by scores of 8-5 and 5-3.

It was a struggle just for the Gophers to get to Ann Arbor. Under the Big Ten's East-West format installed beginning in 1981, only the first and second place teams from each divisions make it to the playoffs. The Gophers barely made it.

At one time Minnesota was all but counted out. The Gophers suffered a first-ever, four-game home sweep by a Big Ten opponent when Illinois, eventual West division champ, won an entire weekend of games at Siebert Field.

At that time Minnesota was 2-6 in conference play with two series left.

The thurning point came the next weekend when the Gophers journeyed to Iowa City and took three of four from the Hawkeyes. But it wasn't easy.

The teams split the first day, something Minnesota had been doing most of the year. Then thunder struck.

On the second day Minnesota won the opener 11-5. But Iowa took a 4-1 lead into the last inning of regulation play in the second game.

On two occasions in that last inning, Minnesota was one pitch away from being eliminated. But somehow Pat Pohl drove in one run with a single on a 3-2 count, and Jon Beckman followed with a 2-run triple, also on a 3-2 count. That tied the score at 4.

In the second extra inning, the Gophers received seven walks, one intentional, to score four runs and won the contest 8-5.

That was the beginning. That was the first two games of an eventual 9-game winning streak.

(OVER)

The next weekend saw UM return home to take four straight Big Ten games from Wisconsin. But Minnesota still needed help. And it came in the form of Northwestern taking two of four games at home from Iowa.

That meant the Gophers and Hawks ended second behind Illinois in the West at 9-7. But Minnesota won the tie breaker based on taking those three games from Iowa. And it was on to Ann Arbor.

The 11-10 win over Michigan was as wild as the score might indicate. Michigan jumped to a 4-0 first inning lead. The Gophers got five in the third. Michigan countered with two in their half of the third for a 6-5 lead.

The Gophers came back with two runs in the fourth inning, and another in the sixth to lead 8-6 only to see the Wolverines score four runs on four hits in their sixth and lead 10-6. It looked dark.

But the Gophers scored a run in the eighth inning, and then got two more in the top of the ninth without hitting the ball out of the infield. Both runs were plated on infield grounders with the bases loaded.

Reliever Gregg Mau was then the man UM counted on. The first batter got life on an error, but Mau struck out the next two. A walk followed, but Mau induced the next hitter to ground out third to first and Minnesota was a winner.

The next day sophomore Peter Bauer pitched an 8-hitter to down the OSU Buckeyes. He was backed by three-run homers from Tim McIntosh and Jon Beckman, the latter blow breaking a 4-4 tie in the sixth inning.

In the tourney finale, junior hurler Mike Clarkin allowed Ohio State only five hits, just one single after the fourth inning, as UM closed it out with a 5-3 win. Actually, the Gophers had to come from a 1-3 deficit to tie on a two-run single from Pohl in the seventh.

Pohl then scored the game winning run on a sacrifice fly by McIntosh. The Gophers added an insurance run in the seventh on a wild pitch.

Five Minnesota players were named to the all-tourney team in Ann Arbor. Besides Beckman and Pohl in the outfield and pitcher Clarkin, first baseman Alex Baauer and third baseman Mike Pehrson were also voted spots on the honor team.

The final honor came when Beckman was named the tourney MVP.

But that was it for the Gophers. Minnesota was assigned to the toughest NCAA regional going and was seeded fourth. Eventual winner Oklahoma State had too much bat power in the opener with three home runs and 13 hits. However, the Gophers got round trippers from Bill Lentsch and Dan VanDehey and had 10 hits overall, but left 10 men on base, most of them in scoring position.

The next day saw a Minnesota team that was drained from the night before. However, the Gophers only trailed 3-2 entering the last of the sixth inning before the bottom fell out.

Oral Roberts, which had defeated Minnesota 4-2 in the Metrodome while winning the first WHEATIES Tournament of Champions back in March, proceeded to knock out six home runs and score 14 times in its last three at bats.

The Minnesota season was over. But knowing they had won the Big Ten title and will gain the #1 prize every Gopher player was after, the championship ring, helped soften the blow.

ANDERSON ON THE GOPHERS

"Regardless of how the season ended, this has to be my most gratifying year as head coach of the Minnesota baseball program," Anderson says.

"This team was simply not as talented as our 1982 championship squad. There were no all-stars, just darned good division I college baseball players.

"It is also a team awfully hard to leave, hard to let go. The nine seniors on this team formed the backbone of the club emotionally. I have never been associated with an athletic team that was more harmonious than this one.

"Our aim was to win the Big Ten. We had to overcome a ton of obstacles to do it, but we did. It's a tribute to our players that they hung in there to the very end and became winners.

"I am certain every man on this team will go on to certain success in whichever field he enters. It is an exceptional group, and I am the most fortunate of all to have been the coach of this championship team."

BACKES AND MORRISON PREPARE FOR NATIONALS

Junior All-American Ron Backes (Richmond) and senior captain Dave Morrison (Lakeville) will both compete in the NCAA Outdoor Championships this weekend in Austin, Texas.

Backes who defended his Big Ten shot put title May 17th will make a NCAA bid June 1. He will try to equal or better his school record of 66'-9½" he set at the Big Ten Championships.

Morrison, who currently has one of the top collegiate 10,000 meter times in the nation at 28:34.03, will compete May 31. Morrison recently ran a 28:53.65 May 17 at the Big Ten Championships to finish second behind defending champion John Easker.

Last weekend at the Central Collegiate Championships in Champaign, IL, sophomore Mike Vukovich (Park Ridge, IL) finished fourth in the high jump with a 6'-8" leap. The jump was short of the 7' mark needed for a NCAA Outdoor Championship qualification. Brian Schmidt (West Bend, WI), the only other Gopher at Champaign, did not place in the 800 meters.

GRACE AND MERZBACHER FINISH SEASON STRONG AT NCAA TENNIS CHAMPIONSHIPS

Ninth seeded Chris Kennedy of Trinity defeated Gopher junior Matt Grace (Milton, MA) 6-7, 7-6, 6-1 in the round of 64 at the NCAA tennis tournament in Athens, Georgia last weekend. Grace worked his way to four match points in the second set but failed to pull out the victory. Kennedy, who eventually reached the quarter finals, simply played a great third set and put an end to Grace's hopes of gaining All-American status. According to Gopher Tennis coach Jerry Noyce, "Matt is pushing all the top players and should come out on top next year."

University of Minnesota sophomore Chuck Merzbacher (Findlay, OH) gave the tournament's number one seed and defending singles champion Michael Pernfors of Georgia all he could handle in their round of 64 match. Pernfors dodged Merzbacher's aggressive approach shots and continuous net rushes with a 6-4, 4-6, 6-2 victory. After defeating Merzbacher, Pernfors cruised to five consecutive straight set victories including a 6-2, 6-3 triumph over teammate George Bezecny in the finals. Coach Noyce attributed Merzbacher's success against Pernfors to the execution of aggressive approach shots and volleys. "Merzbacher was all over the net. Chuck had more success against Pernfors than anyone else in the tournament, because he rushed the net by approaching to Pernfors forehand where as everyone else attacked to his backhand side."

Pernfors is the only player to capture back to back NCAA singles titles. He defeated Lawson Duncan in last year's final. Pernfors plans to turn pro this summer.

In Grace and Merzbacher's first round doubles match they ran up against fifth seeded Kelly Jones and Carlos DiLaura of Pepperdine. Jones and DiLaura defeated the Minnesota duo 6-3, 6-2 enroute to capturing the NCAA Doubles Championships.

TENNIS TEAM ANNOUNCES THREE NEWCOMERS

University of Minnesota men's tennis coach Jerry Noyce has announced the signing of three new freshman recruits, Jonas Svensson (Vetlanda, Sweden), David Massart (Elm Grove, WI), and Duke Uihlein (Lake Forest, IL) will join the Gophers at the start of the 1985-86 school year.

Svensson will add to the Swedish influence on Minnesota tennis by following in the footsteps of former Gopher Swedes Hakan Almstrom, Stefan Eriksson, and Fredrick Pahlett. Svensson was a top ten rated Swedish junior player and is currently ranked among the top twenty men in Sweden.

Massart is in the process of defending his second consecutive Wisconsin state singles title. He finished runner-up in both his freshman and sophomore years. Massart is currently the top rated high school player in Wisconsin and is ranked as one of the top 25 seniors competing in high school tennis across the country.

Uihlein is considered one of the top rated high school players in Illinois.

BASEBALL AWARDS

Tuesday, May 28, was recognition day for the 1985 University of Minnesota baseball team. Several players were singled out for special notice at the Annual Golden Gopher Dugout Club Awards Banquet honoring the 1985 Big Ten champions.

The top award for the evening went to senior outfielder Jon Beckman (Jordan) who was named recipient of the Richard "Chief" Siebert Memorial Most Valuable Player Award by a vote of his teammates.

Beckman led the Gophers in batting with a .384 average. For that accomplishment he also earned the Paul Molitor Batting Champion Award.

He was also tops in total bases with 100 on a team-leading 61 hits, second in runs batted in with 46, and tops in slugging percentage at .629.

In Ann Arbor, MI, Beckman was not only voted a position on the all-tournement team, but was named MVP of the Big Ten Playoffs. He was also a member of the Big Ten's All-Academic first team for 1985.

Others honored at the banquet included junior Bryan Hickerson (Bemidji) who was voted the David Winfield Pitcher of the Year Award by his teammates; senior outfielder Bill Lentsch (St. Paul Cretin) received the Paul Fortin Outstanding Student/Athlete Award; and senior outfielder Pat Pohl (Hastings) was named winner of the Dugout Club Player of the Year Award.

A new award was instituted at the banquet honoring the memory of fallen teammate David Cheslenik, Jr.. David, a member of the 1984 Gopher varsity, lost a six-year battle with cancer and passed away on Labor Day last year.

The new honor will be given each succeeding year to the "person who demonstrates those special qualities of courage, determination and perserverance in his life exemplified by David Chelesnik, Jr."

The winner Tuesday evening was graduate assistant coach Paul Blanchard (Minnetonka). A former varsity member with the Gophers, besides lettering in football two years as the Gopher punter, Blanchard also faught a long and successful battle against Hodgkins Disease which at this time is in remission.

He served well in his first year on coach Anderson's staff while continuing work on his degree at the U. of Minnesota.

GOPHER CAGERS ANNOUNCE ³¹ GAME SCHEDULE

Seventeen home appearances are just one of the many items highlighting the 1985-1986 University of Minnesota basketball schedule announced this week by Head Coach Jim Dutcher.

In his 11th season with the Golden Gophers, Dutcher calls next year's slate challenging but extremely attractive to Minnesota's fans who traditionally jam Williams Arena.

"We will be playing nine Big Ten Conference games at home again this year," Dutcher points out, "besides bringing in some of the top independents and representatives from other conferences."

Among next year's visitors to Williams Arena will be Arkansas from the Southwest Conference, Oklahoma State from the Big Eight Conference and Colorado State from the Western Athletic Conference.

Other top-flight invaders will include San Francisco State, Eastern Illinois, the University of Detroit, Alcorn State and the University of South Dakota.

Another highlight of the 1985-1986 Golden Gopher schedule is the opening road trip to Hawaii where Dutcher's contingent will be competing in a four team affair with Brigham Young-Hawaii, Middle Tennessee State and West Virginia State.

"This marks the first time that the University of Minnesota basketball team has played in Hawaii since the 1971-72 season," Dutcher pointed out, "and it should be a good experience for us."

Other challenging road assignments for Minnesota in '85-'86, in addition to nine games in the Big Ten Conference, will be return games at Marquette and Connecticut.

Dutcher also indicated that negotiations still are underway for a foreign trip sometime in late summer prior to the start of the fall quarter. "We're getting close to finalizing things," he said, "and we are confident that we will have an excellent basketball trip lined up for our squad."

ASSISTANT GOPHER HOCKEY COACH RESIGNS

Tom "Chico" Adrahtas, assistant hockey coach at the University of Minnesota this past season, resigned today, effectively immediately, for what he termed "personal reasons."

Adrahtas, who worked primarily with goalies and defensemen under Brad Buetow, is a native of Chicago. Prior to joining Minnesota's staff, he served as an assistant at Du Page and as head coach of the Chicago Jets in Tier II hockey.

WOOG NAMED NEW UM HOCKEY COACH

Minneapolis, MN---Paul Giel, director of men's athletics at the University of Minnesota, announced today that Doug Woog, 41, of South St. Paul has been appointed head hockey coach at the University pending approval by the U. of M. Board of Regents.

"I believe that in Doug Woog we have attracted one of the finest hockey minds in the nation to the U. of Minnesota," Giel said Tuesday.

"Woog had an outstanding high school and college career as a player, and we are particularly proud that he returns to the school where he not only served as co-captain of the 1965-66 team, but also earned all-WCHA and All-American honors the year before.

"His coaching record at the high school, Junior A and national amateur levels has been marked with considerable success and I believe Woog is more than ready to take over the reins as our new head hockey coach.

"He has a great many followers and I am certain they will rally around his efforts to maintain our great Golden Gopher hockey traditions."

Woog's appointment comes a little more than two months after Giel announced that the contract of previous head coach Brad Buetow would not be renewed for 1985-86.

Currently on a fishing trip in Northern Minnesota, Woog is en route to the Twin Cities and will be introduced at a news conference scheduled for 4 p.m. Wednesday at the Bierman Field Athletic Building on the main U. of M. campus.

Woog, an All-American hockey player for Minnesota as a junior in 1964-65 and co-captain his senior year, brings 26 years of experience in hockey both as a player, coach and administrator to his new position.

In three varsity seasons at Minnesota, Woog played in 80 games under head coach John Mariucci. He scored 48 goals and 53 assists for 101 career points, and led the Gophers in scoring as a junior with 26 goals and 21 assists for 47 points in 29 games.

He was named MVP of the Gopher varsity team his senior year.

After graduation from the U. of Minnesota in 1967 with a B.S. degree in Education, he served at South St. Paul High School as a teacher, counselor, dean of students and head coach in both hockey and soccer. Woog attained his Master's degree in Guidance and Counseling from the College of St. Thomas in 1973.

He was head hockey coach at South St. Paul, his alma mater, from 1978 through 1983, and again last season after a year off to serve as assistant coach of the 1984 U.S. Olympic Team.

The latter was not Woog's first connection with international hockey as he played on the 1967 U.S. National Team and was a candidate for the 1968 U.S. Olympic Team.

As a high school player for the South St. Paul Packers, Woog earned all-state honors three consecutive years.

(OVER)

As head coach his hockey teams at South St. Paul won two conference championships and reached the Minnesota state tournament four times.

His soccer teams won six conference titles and were twice runner-up for the state Class AA championship.

He also served as a coach with the St. Paul Vulcans and Minneapolis Stars Junior A teams from 1971-77. He led his junior teams to league, playoff and national championships twice at each level mentioned.

Woog was on the US National Junior Team staff this past season, and has been assigned to work with the same entry in 1986.

He has also been an active member with the Amateur Hockey Association of the U.S. (AHAUS). Woog served as a coach and instructor on several national committees, and was once chairperson of the National Skating Committee.

He also served from 1981 through 1985 as a scout partly for the NHL Central Scouting Staff, and for the Los Angeles Kings. During summer months he has served as owner/director of several hockey camps located in Minnesota.

Woog is married to the former Janice Bystrom. They and their children, daughter Amy, 16, and sons Steve, 14, and Dan, 13, still reside in South St. Paul.

Coach Woog begins his duties at the U. of M. July 1.

GOPHER RECAPS & SUMMER STUFF

Minneapolis, MN---A new summer baseball organization, called the Interstate League, which is sanctioned by the American Amateur Baseball Congress (AABC), got underway Saturday, June 8, at Siebert Field on the University of Minnesota main campus.

Four teams from the Twin Cities of Minneapolis and St. Paul, plus two more squads from Wisconsin make up the new league. The summer schedule includes a full slate of regular season games ending with August playoffs and the winner going to the AABC national tournament in Battle Creek, MI, Labor Day weekend.

Included among the teams this summer is Steichen's of St. Paul, its roster made up mainly by members of the 1985 Big Ten champion U. of M. Gopher squad, plus East Side Merchants of St. Paul, Columbia Heights, ScanTec of Minneapolis, and teams from Eau Claire and Rice Lake in Wisconsin.

The Steichen's/Gopher squad split the season-opening doubleheader against the Eau Claire Cardinals winning 6-5 and losing 6-4 at Siebert Field Saturday. (ED. NOTE - see attached copy for Gopher team summer schedule)

SINGLE GAME FB TIX JULY 1

Ken Buell, athletic ticket director for the University of Minnesota Men's Athletic Department, announced this week that paid applications for the purchase of single game tickets to Gopher home football games in 1985 will first be accepted over the counter or by mail Monday, July 1.

Individuals wishing to make in-person applications may do so by going to the Bierman Field Athletic Building ticket offices at 516 - 15th Ave. SE in Minneapolis. Offices are open 9 a.m. to 5 p.m. weekdays. The phone number for information is 612-373-3181.

Actual tickets will not be handed out at the time paid applications are accepted. Single game tickets are usually mailed 10 days to two weeks prior to game date.

In addition, season ticket applications are still being accepted. As always, these orders are given priority over single game ticket purchases. Season tickets will be mailed in late August.

According to Buell, an all-time U. of M. season ticket record is expected to be established this summer. "We could possibly reach the 50,000 mark in season ticket sales," Buell stated this week.

Cost of a single game ticket is \$13 with season tickets for all seven home games at the H.H.H. Metrodome costing \$91.

Gopher home opponents in 1985 include: Wichita State Sept. 14; U. of Montana Sept. 21; U. of Oklahoma Sept. 28; Purdue Oct. 5; Ohio State Oct. 26; Wisconsin Nov. 9, and Michigan Nov. 16.

BACKES AND MORRISON EARN ALL-AMERICAN HONORS

Junior Ron Backes (Richmond) and senior captain Dave Morrison (Lakeville) captured All-American honors last weekend in the NCAA Outdoor Championships at Austin, Texas. For Backes, it was his second consecutive honor in the shot put. For Morrison, it marked the second time in Gopher history that an athlete earned the honor in both Cross Country and Track during the same academic year. Lloyd Ness 81'-82' was the other to receive the same honors.

Backes had two warmup throws of 66' and another of 69'-10" but suffered a moderate tear in his right groin during his first official throw of 62'-5". The toss was good enough for eighth place and the All-American honor.

"I wasn't really relaxed and didn't use my hips correctly," stated Backes. The extra pressure caused it to tighten up and pull."

He followed that effort with a 66' heave but could not stay in the circle because of the injured groin and was disqualified. "I'm a little disappointed but I'm trying to put it behind me," added Backes. "I'll do my best in the U.S. Nationals in one week." Backes said he will try to throw today to see how the groin feels.

Morrison finished sixth among 22 of the nation's top collegiate 10,000 meter runners at Austin with a 29:26.5 finish. The race transpired in 80 degrees and high humidity conditions causing two of the top rated runners to drop out of the race from exhaustion.

"I had a hard time dealing with those conditions when you're used to 60 degree weather," stated Morrison whose best time this year was a University record of 28:34.03 at the Dogwood Relays on April 12.

"I ran harder in this race than at Dogwood. It was a struggle to keep up and a pressure situation to place where I wanted to be," added the soft spoken senior. "I felt better at Dogwood than I ever have. Had I approached Dogwood with running the best I could instead of just trying to qualify for Nationals, I think I could have done better."

Morrison plans to continue competitive running in an attempt for the 88' Olympic trials. "I need to develop leg speed, upper body strength, and more mental toughness," added the modest All-American. "I can't say I'm mentally tough. Backes for example is really mentally strong."

MORRISON ON COACH GRIAK

"He's done a super job. He's not very demanding, is so giving and just a great coach to run for." Morrison continued with a crack in his voice, "I was just sitting here thinking, that was the last race I ran for him. It will be a different feeling the next time I race." That will be June 15 in the Track Athletic Congress at Indianapolis.

"We'll be losing super kids like Morrison, Halvorson (Brian of Hudson, WI), and Shelerud (Steve of Duluth), who have made great contributions to our programs not only as athletes but as people," said coach Griak. "They're all super kids and we'll miss them. "Brian Schmidt (West Bend, WI), Marty Humphrey (Iron Mountain, MI) and Paul Gisselquist (Richfield) showed real promise this year and all made important strides."

Captains Named

Backes and Schmidt were elected co-captains for the 1986 Track team by their teammates.

Recruits

The following is a list of current track recruits who have signed letters of intent with coach Griak:

Mark Bennett of Wayzata whose best 400 meters this year is :48.8.

Frank Bjorkli of Norway who has run a 4:13 equivalent in the mile.

Roger Bjorkli of Norway who has run a 4:18 equivalent in the mile.

Maceo Brown who is a transfer from Dade Junior College in Miami, FL with 100 meter and 200 meter bests of 10.45 and 21.02 respectively.

Carson Hoeft of Armstrong who has a 4:15 mile and a 1:53.5 in the 800 meters this year.

Jim Scott of Bloomington Jefferson who has a 1:55 in the 800 meters this season.

GOPHER SUMMER TEAM HEAD COACH - Herb Isakson (Hm. Ph. 739-3943, Off. Ph. 373-4205)

from the University of Minnesota, Minneapolis, Minnesota 55455

For Immediate Release

June 17, 1985

MINNEAPOLIS, MN -- Dave Morrison, Minnesota's only two-sport letterman has been selected as Minnesota's 1985 Male Athlete of the Year.

Morrison, who was also named Minnesota's Big Ten Conference Medal of Honor recipient, was named All-American this year for his efforts in cross country and track and field. It was the first time Morrison has garnered the honor in track and the second time in cross country. He now becomes eligible for Big Ten Athlete of the Year, the winner of which will be honored at a special breakfast-press conference in Chicago the morning of the football kickoff luncheon July 25.

In this year's Big Ten outdoor championships, Morrison finished second in the 10,000 meters and he wound up sixth in that event in the NCAA. But perhaps his most memorable performance came in Knoxville, Tenn., on April 12 when Morrison ran the fastest 10,000 meters in the nation among collegians with a time of 28:50.4.

It was performances like this that enabled Morrison to become only the second athlete in Minnesota history to be named All-American in Cross country and track and field in the same year. Lloyd Ness was the first in 1981-82.

Morrison finished sixth among 22 of the nation's top collegiate 10,000 meter runners in the NCAA Outdoor Championships at Austin, Texas with a 29:26.5 finish. He had hoped to do even better, but fell victim to the intense Texas heat. "I had a hard time dealing with those conditions when you're used to 60 degree weather," said the humble Minnesotan.

Morrison 2-2-2

At the NCAA Cross Country Championship, Morrison finished 13th, giving him his second All-American honor in that sport. The first time was in 1982 when he also finished 13th.

After sitting out last year with a knee injury, Morrison climbed back to the top of the cross country charts with a fifth place finish in the Big Ten 10K and a fifth in the NCAA Regionals.

Perhaps the only place Morrison has excelled more than the running track is in the class room where he graduated with a 3.56 GPA in Mathematics. This performance earned Morrison Williams Scholar status at the University of Minnesota and, more recently, a 1985 NCAA Postgraduate Scholarship.

Morrison will continue his education at Minnesota by seeking a Masters of Business Administration while training for the 1988 Olympics.

Last year, Gopher gymnastic great Joey Ray was named as the recipient.

Backes and Morrison to National Sports Festival

Ron Backes and Dave Morrison, key figures in the track and field picture at the University of Minnesota, reaped more national recognition for their efforts this week.

Both Backes and Morrison were selected to represent the North team in the 1985 National Sports Festival on tap July 26 through August 4 in Baton Rouge, LA.

Backes posted the top mark in the shot put of collegiate entries in the Track Athletic Congress a week ago while Morrison notched the best effort in the 10,000 meter run.

Roy Griak, U of M track and field coach, also indicated that Backes has been named to the United States team which will compete in the World University Games August 29 through September 4 in Kobe, Japan.

"When we open camp September 23, several individuals, including me, could be in for some real surprises. I believe we will first and foremost be starting out with a new look. . .from head coach to assistant coaches to some new players, systems, workouts, and so on.

"I believe our keys right from the start will be centered around what I do, what systems I try to put in. Each will be all new to the players, just as the players will be to me. It should be kind of interesting just to find out how long it will take for all of us to come together. And what I'm really saying about that is don't expect us to come out of the blocks in 1985-86 like some kind of Olympic sprinter.

"Our first aims this season will be to carry on with the long standing hockey traditions of the University of Minnesota, but from a different angle including new thoughts, new people.

"We plan to put a new look on the ice surface, too. I hope to include some European systems, or as some say, the more 'modern' concepts which include more player movement, interchanging of positions, as well as continued use of the traditional North American styles.

"As far as this year's team goes, I believe that compared to any other year Minnesota is returning a solid nucleus of veteran players. But, then, several other WCHA and Hockey East clubs are on the upswing in their cycles and will be very, very good. We are certainly starting out from scratch. Probably the biggest task facing us is trying to find the blend of old and new, putting our game together among veterans and rookies.

"We will certainly be young on defense, but at the same time it appears we are blessed with some pretty darned good veteran forwards and goal tenders. So again I have to cite the job of putting all these elements together.

"I was extremely encouraged by the first meeting I had with our returnees back in June when I was hired. They showed they had confidence in themselves, and they also showed a belief in the direction I want our program to go in the future. We had solid two-way communication. That, if nothing else, told me these men are ready to stand up and be counted. I believe they'll come to play hockey, too.

"I will not make any predictions about the outcome of our season, or about now our respective leagues are going to do. Hey, I'm the rook, the new kid on the block. Let us at least get our skates sharpened before we begin talking about more than we know. I can promise more of the same kind of exciting hockey that has filled what is now known as Mariucci Arena on the UM campus since back in the 1940's. If nothing else, I believe our fans will enjoy watching this team develop into what I believe by the end of the season can be a solid hockey team. If nothing else we will be interesting."

1985-1986 University of Minnesota Basketball Pre-Season Outlook

Although the University of Minnesota lost only one starter off its 1984-85 basketball team, Coach Jim Dutcher knows he has some big shoes to fill in his 11th season with the Golden Gophers.

Gone is Tommy Davis, a 6-4 off-guard who led Minnesota in scoring the past two years and in four campaigns with the Golden Gophers amassed 1,481 points. He finished as the U of M's fourth all-time leading scorer, and its most productive guard ever.

"Tommy was a great player for us," Coach Dutcher says. "He was a first-team All-Big ten selection and our Most Valuable Player for the last two years. We do have some experienced guards returning, however, and we hope to be able to pick up the slack."

In that "experienced returning" category would be Marc Wilson, a 6-1 senior co-captain, and Todd Alexander, a 5-11 sophomore. Both were starters through much of the 1984-85 campaign.

Wilson has scored 899 points (for an average of 10.7 per outing) over his first three years and equally important has led Minnesota in assists during that span (he has 278 as a Gopher).

Alexander had a fine freshman campaign with 181 points in 24 games for an average of 7.5. He also chalked up 55 assists and led the club with 29 steals.

Dutcher will bring in two more guards to help the situation. One is Ray Gaffney, a 6-2 freshman out of Dayton, Ohio, and the other is Mark Anderson, a 6-3 junior college transfer from Sheridan, Wyoming.

When Dutcher talks about picking up the slack, he's eluding to the necessity of finding more scoring punch in 1985-86. And the big man in his plans could be John Shasky.

A 7-0 center and co-captain, Shasky has shown steady improvement over his first three years at Minnesota and will be a key figure for the Golden Gophers in his final campaign.

Shasky served as a back-up to Randy Breuer in his freshman year but was a regular in both his sophomore and junior seasons. During his first three campaigns, Shasky has tallied 621 points (he was second behind Davis last year with 381) and more important has 388 rebounds. He led the Golden Gophers in that category a year ago with 190.

Providing depth at center will be two more seven-footers, Paul VanDenEinde, a junior letterman, and Dave Holmgren, a red-shirt sophomore. Added maturity, weight and strength by either (or both!) would be a big plus in Dutcher's quest for improving Minnesota's 1984-85 overall record of 13-15.

Just as was the case for the Golden Gophers a year ago, an uncertainty about the situation at forward may be Dutcher's biggest concern going into the current campaign.

Kevin Smith, a 6-7 junior, has the most experience and could rank as the most promising scorer among the returnees. He scored 128 (6.7 average) in 19 games before being shelved with an injury.

Mitch Lee, a 6-9 sophomore, started 15 games as a yearling and averaged 5.2 points per assignment. He also looms as a strong rebounder, and could be the power forward Minnesota needs.

George Williams, another 6-9 sophomore, started seven games near the end of the 1984-85 campaign and showed steady improvement. He will vie for a starting spot in his second season with the Golden Gophers.

Filling a spot as Minnesota's "swing man" again will be Tim Hanson, a 6-5 sophomore letterman, who was used by Coach Dutcher at both forward and guard a year ago. He started the final three games last year.

Dutcher also looks for help up front from a pair of newcomers.... Kelvin Smith and Terence Woods. Smith is a 6-7 incoming freshman from Conroe, Texas while Woods is a 6-5 product of Sterling High School in Houston, Texas, who put in two campaigns at McClennan Community College in Waco.

HEAD COACH JIM DUTCHER

Embarking upon his 11th year as head coach at the University of Minnesota, Jim Dutcher is firmly entrenched in the hearts of Golden Gopher basketball fans.

When he assumed the Gopher reins, cloudy is a mild way of describing the scene Dutcher inherited. Minnesota was in the midst of troubled waters, and Dutcher found himself facing a massive rebuilding job on and off the court.

The day he signed his contract here, Dutcher learned that five players who had been expected to return instead were jumping ship. He didn't alter his course, however, and quickly established himself as being in command.

In his first campaign, 1975-76, Dutcher brought Minnesota home with a credible 16-10 record after starting the season by winning eight straight. And as pleased Gopher fans were with those initial results, they were soon to learn that it was only the beginning.

In 1976-77, the Gophers established an all-time Minnesota single season win mark by posting a 24-3 record. They finished second in the Big Ten Conference with a 15-3 log which also loomed as another all-time mark.

In 1982, Dutcher piloted Minnesota to its first Big Ten Conference championship in a decade, and his ten year mark at Minnesota now stands at 177-106. In 16 years as a head coach at the collegiate level Dutcher is 299-156.

But it has always been known that the 52 year old Dutcher is accustomed to winning. Prior to joining the Minnesota staff, Dutcher was head coach for six seasons at Eastern Michigan University where his teams won 122 times while losing only 50 for .709 victory percentage. His 1972 club there reached the NCAA Division II national finals.

Before leading Eastern Michigan to six consecutive national tournaments, Dutcher coached for seven seasons at the community college in his hometown of Alpena, MI. Those teams won 105 and lost 70. His 1955-56 squad finished 22-5 and reached the finals of the national junior college tournament in Hutchinson, Kansas.

A 1955 graduate of the University of Michigan, Jim competed in both football and basketball until a knee injury ended his playing career and coaching took over. During his senior year at Michigan he served as an assistant basketball coach and following graduation he spent two years in the U.S. Army stationed in Europe where he gained additional experience as coach of the Third Armored Division basketball team in Germany.

Following his stint in Eastern Michigan, Dutcher returned to his alma mater to serve three years as assistant coach under Johnny Orr. During that span Wolverine teams won 55 and lost 26 winning one Big Ten title (a tie with Indiana in 1973-74) and twice qualifying for post season NCAA tournament play (1974-75).

Dutcher was twice named Conference Coach of the year while at Alpena Community College and at Eastern Michigan was twice named NAIA District 23's top coach. He earned top NCAA District Four honors in 1972 and in 1982 was named the Big Ten Coach of the Year.

A strong adherent to discipline and fundamental basketball, Jim's coaching theme revolves around the point that "basketball is a team game. It is difficult to promote certain individuals above others, promote them above the total welfare of the team. Whether its the tenth, the leading scorer, the manager or the equipment man, everyone must be put in the pot together. Working and playing together, a team can be successful. Working and playing as individuals, success can be as distant as the next star."

Confident, poised, always in control. That's the University of Minnesota basketball coach. A dedicated professional whose results speak for themselves.

Dutcher and wife Marilyn are the parents of four children: son Brian, and daughters Diane, Judith and Barbara.

JIMMY WILLIAMS--ASSISTANT COACH

Jimmy Williams, dean of the University of Minnesota basketball coaching staff, returns for his 15th campaign as an assistant with the Gophers owning an abundance of hardwood experience as a player and a coach.

A former outstanding defensive player and rebounder at Ashland College in Ohio, Williams joined the Gophers in 1971 and remained on the scene when Jim Dutcher took over in 1975.

Born in Stockton, Georgia, Williams is 38 years old. He attended elementary and high school in Havana, Florida and was all-conference center-forward for Northside High School. He also won all-regional recognition before enrolling at St. Petersburg, Florida Junior College where he became an all-league performer on a Florida State JC championship team.

Williams then transferred to Ashland where he played a key role on the Eagle's 1968-69 team which led the nation in defense, holding opponents to an average of 33.9 points per game. He received honorable mention on the college division All-America team that year as he led Ashland in rebounding and finished second in scoring. His play in the NCAA college division tournament earned him all-tourney honors.

After being graduated from Ashland in 1969, Williams began his coaching career as the junior varsity basketball coach at his alma mater. He held that post for one season before casting his lot with the University of Minnesota.

A member of the National Assistant Basketball Coaches Committee, Williams has been tabbed by Basketball Times as one of the top 15 recruiters in the nation. Since coming to Minnesota, he has established an outstanding reputation in that area, helping bring such Golden Gopher standouts as Mychal Thompson, Osborne Lockhart, Ray Williams, Gary Holmes, Darryl Mitchell, Randy Breuer, Jim Petersen, Tommy Davis and Marc Wilson to Minnesota.

Still single, Williams serves as Jim Dutcher's number one varsity assistant and is in charge of coordinating Minnesota's basketball promotion, publicity, scheduling and travel plans.

PHIL SAUNDERS--ASSISTANT COACH

Phil Saunders remains in Gold Country for the 1985-86 basketball season as a full time assistant on the University of Minnesota coaching staff, and he'll again work with the Gopher varsity as well as assist with scouting and recruiting.

Saunders is no stranger to Minnesota basketball fans. Flip was a guard for the Gophers beginning with the 1973-74 season and continuing through the 1976-77 campaign. During that time, he played in a total of 103 games and started 101. He was the teams captain his senior year when Minnesota compiled a 24-3 record, the best in U of M history.

During his four years at Minnesota, Saunders scored 842 points on the strength of 336 field goals and 170 free throws.

Flip came to Minnesota after graduating from Cuyahoga High School in Cleveland in 1973. He won 10 letters in five sports as a prepster, was a high school All America selection, and was named the Ohio player of the year in 1973.

After finishing his career as a player at Minnesota, Saunders served as head coach at Golden Valley Lutheran College. In four years there, his teams were 92-13 and won four conference championships.

Saunders and his wife Debbie reside in Bloomington. He received his B.S. degree from the University of Minnesota.

STEVE BROWN--ASSISTANT COACH

Steve Brown, for the third straight year, will function as a member of the University of Minnesota basketball coaching staff. His primary responsibilities will be involved in scouting and recruiting.

A product of South Dakota, Brown hails from Hamlin and led Hamlin High School to the South Dakota State Basketball championships with a 30 point average in the mid 1970's.

Then Brown enrolled at South Dakota State University where he compiled a brilliant athletic record. He became the SDSU all-time scoring leader in basketball, was his team's MVP in both basketball and baseball, was an All-North Central Conference selection two straight years, led the NCC in scoring for two years and was the conference's MVP as a senior. In 1978, Brown was named South Dakota's College Athlete of the Year.

After being graduated in 1978, Brown became the coach at Elkton High School where he compiled an enviable 52-16 record and won two district titles. Brown also served on the coaching staff at South Dakota State and Dickinson State before joining the Golden Gophers in 1983.

Brown has both his B.S. and M.S. degrees from South Dakota State University. He is single.

record: 13-15

Big Ten: 6-11

ABOUT THE UNIVERSITY OF MINNESOTA . . .

When the University of Minnesota was founded as a preparatory school in 1851, Minnesota had been a territory for just two years, and statehood was still seven years away. The school was built on the east bank of the Mississippi River with little more than the pioneers' faith in education.

The school struggled financially in its early years and was forced to close during the Civil War. But the institution survived, partly because of the guidance and financial aid of Minneapolis businessman John Sargent Pillsbury, who is known as "the Father of the University". The Morrill Act or Land-Grant Act, signed into law by President Lincoln in 1862, also played a major role in the school's survival by giving each state land to be used to provide education for the people of the state.

From those faltering origins, the University has grown into the single greatest center of creativity in the state. The students it educates, the ideas it generates and the medical, scientific, agricultural and economic activities it stimulates represent an enormous resource that contributes directly to Minnesota's economic, intellectual and cultural life.

Today, the University of Minnesota is an international research institution, a land-grant school with a strong tradition of education and public service and a metropolitan university. The Twin Cities campus, the largest in the University's five-campus system, is among the most comprehensive in the nation, with 18 colleges that offer a full range of academic and professional degrees. A comprehensive campus in Duluth offers undergraduate and graduate programs in northeastern Minnesota. The Morris campus in the western part of the state provides a four-year liberal arts program. And two-year technical colleges in Crookston, in northwestern Minnesota, and Waseca, in southern Minnesota, provide paraprofessional and technical education, primarily in agriculture-related fields.

Under the leadership of its new president, Kenneth H. Keller, the University has embarked on a course designed to build on its traditions of excellence to make the University one of the top five public institutions of higher education in the nation. Early this year Keller outlined a plan he calls "A Commitment to Focus," which is aimed at concentrating the University's efforts and resources on what the institution does best. By focusing on the special capabilities of the University, Keller hopes to foster cooperation rather than competition among the state's higher education institutions.

Research is key among those special capabilities. Research accomplishments at the University have improved the lives — sometimes even saved the lives — of people throughout the world.

Among the achievements that have come from University researchers have been the continuing success of the world's leading kidney transplant program at University Hospitals, development of the phenomenally successful wheat variety known as Pa wheat, the development of the world's first total body X-ray scanner, the isolation of uranium isotope U-235, the virtual elimination of dozens of poultry and livestock diseases and the production of a live calf from freeze-dried sperm. In addition to fostering research projects that have obvious and immediate benefits, the University is a center for the basic research that makes scientific breakthroughs possible.

Service to the people of Minnesota is another way the University plays an important role in the quality of life in the state. More than 150 University programs reach out to Minnesotans, solving problems and bringing to communities the University's vast store of knowledge. The Agricultural Extension Service, for example, reaches almost a third of the people of Minnesota each year through almost 22,000 educational programs.

A variety of cultural and sports events also bring Minnesotans in touch with the University. Performances by the Metropolitan Opera and major dance troupes are highlights of the year. Large crowds attend Gopher football, basketball and hockey games. The Centennial Showboat and free concerts on the Northrop Mall are popular summer attractions. Children enjoy the touch-and-see room at the James Ford Bell Museum of Natural History and the animal barns of the St. Paul campus.

Of course, one of the University's most important contributions to the state is its graduates. At the University, students are exposed to knowledge — the newest and the most ancient — and emerge prepared to tackle today's problems. Three University alumni have won Nobel Prizes: Norman Borlaug, who won the Peace Prize in 1970; Walter Brattain, who won the prize for physics in 1956; and Melvin Calvin, who won the prize for chemistry in 1961. Nobel Prizes have also been awarded to nine faculty and former faculty members.

Many University alumni have become nationally known, including Warren Burger, Everett Dirksen, David Durenberger, Hubert Humphrey, Linda Kelsey, Eugene McCarthy, Walter Mondale, Jeanette Picard, Gale Sondergaard, Carl Stokes, Roy Wilkins and Whitney Young.

Over the years, the people of Minnesota have invested heavily and wisely in their University. The University is committed to ensuring that Minnesotans will continue to receive a strong return on their investment.

GOLDEN GOPHERS TO OPEN DRILLS FOR 1985 SEASON

Nearly 150 candidates for the 1985 University of Minnesota football team will be reporting for the start of fall drills during the next two weeks when Coach Lou Holtz begins preparations for his second season with the Golden Gophers.

New players begin four days of drills and orientation next Tuesday (Aug. 20), and that delegation will include 23 tendered freshmen and 28 walk-ons.

Veterans then will arrive in camp in time for Media Day on Saturday (Aug. 24) at the Hubert H. Humphrey Metrodome before on-the-field practice for the entire squad gets underway the following Monday (Aug. 26).

All of that will find Holtz attempting to put together a squad which is ready to open the '85 campaign on Saturday, September 14, against non-conference opponent Wichita State.

In all the Golden Gophers will play seven home games in the "Golden Dome" this season.....including the first four against Montana, Oklahoma and Purdue in addition to Wichita State.

"We will be a much improved football team over the one which finished 4-7 a year ago," Coach Holtz has said. "We still have some questions on defense, primarily in the secondary, but I do feel better about our offense.

Reason for that "guarded optimism" on the offensive side of things probably centers around the return of sophomore quarterback Rickey Foggie who led Minnesota in both passing and rushing last fall as a rookie.

"Foggie is a vastly improved quarterback," Holtz maintains. "He has become a passer instead of a thrower, and he has the ability to beat you with his arm, his feet, his head and his heart."

Defensively Holtz will mold a unit that has Peter Najarian, senior line-backer, as its foundation. "We could be solid at that spot," Holtz says, "but we need to improve our pass rush and we must find some stabilizing help in the secondary."

Forty-five lettermen are expected to be on hand for the fall practice session, 24 offensive returnees and 21 from the defense. Holtz points out, however, that while those veterans will form the nucleus for the '85 team, help must come from those early reporting newcomers.

QUOTING LOU HOLTZ:

On the subject of the University of Minnesota's potential in the Big Ten Conference in 1985, Lou Holtz says....."Not many people feel we can compete in Big Ten this year without the help from three Martians at halftime, but we will be a much improved football team."

G-O-P-H-E-R-S

On the subject of Minnesota's quarterback situation in 1985, Lou Holtz says... "Rickey Foggie is a vastly improved quarterback, a quality quarterback. But if he is injured, we will need help. That may come from Alan Holt, a red shirt, or incoming freshman Rozelle Richardson."

G-O-P-H-E-R-S

On the subject of Minnesota's running backs for 1985, Lou Holtz says....."We have blue collar type people in our backfield. They may not win the Kentucky Derby, but I would take them in any horserace. That is best exemplified by our fullback, David Puk. He may be the most underrated football player we have, but he can get the job done."

G-O-P-H-E-R-S

On the subject of Minnesota's receivers in 1985, Lou Holtz says....."We need depth at wide receiver. Mel Anderson is a quality player, we will have to get help from new people. Kevin Starks has the potential to be as good as any tight end in the country."

G-O-P-H-E-R-S

On the subject of Minnesota's offensive line in 1985, Lou Holtz says....."We have excellent potential in our offensive line. Jim Hobbins and Ray Hitchcock are quality people. We just need to have Jon Lilleberg and Dan Rechten healthy."

G-O-P-H-E-R-S

On the subject of Minnesota's kicking game in 1985, Lou Holtz says....."Our kicking game was good a year ago, and with solid people returning, we should be even better this fall. Chip Lohmiller is a very consistent placement kicker, and we expect Adam Kelly to have a great year as our punter."

G-O-P-H-E-R-S

On the subject of playing in the Hubert H. Humphrey Metrodome again in 1985, Lou Holtz says....."We love playing in the Golden Dome. We hope to have it sold out in 1985, and we know we are going to sell more season tickets than at any time in University of Minnesota history. We are going to provide a college-type atmosphere in the dome, and we will try to make that a positive factor for our football team."

ROETHLISBERGER TO COACH U.S. NATIONAL TEAM

Fred Roethlisberger, University of Minnesota gymnastic coach, is one of six individuals named this week to coach the 1985 United States Senior National Gymnastic team.

Now in his 15th season as coach of the Golden Gophers, Roethlisberger is a graduate of the University of Wisconsin and has been involved, both as an athlete and coach, in international competition for several years.

Four Golden Gophers will be members of Roethlisberger's Senior National contingent which begins training for the games in Colorado Springs this week.

That delegation includes Rob Brown, a senior from Chicago, IL; Dave Menke, a senior from Bloomington, MN; Collin Godkin, a junior from Milwaukee, WI; and Joe Ray, a 1984 graduate of the U of M.

Brown also has been selected to participate in the World University Games as a member of the U.S. team. That competition is on tap in Kobe, Japan beginning August 22.

HOLTZ FEATURED IN FOOTBALL DRILL BOOK

Charlie McClendon, executive director of the 5,000-member American Football Coaches Association, announced today that Head Football Coach Lou Holtz was one of 240 distinguished coaches featured in a 300-page football drill book. The book is entitled The American Football Coaches Guide Book to Championship Football Drills and is dedicated to William D. "Bill" Murray who served the AFCA as executive director for seventeen years before his retirement in 1982.

This unprecedented drill book edited by Dr. Jerry R. Tolley of Elon College contains over 800 drills and drill variations covering every position innate to American football as well as drills of passing, option play, combination and team play, tackling, defensive pursuit, agility, conditioning, and all phases of the kicking game. Specific safety factors are highlighted with each drill. These safety factors number over 1,000 and should prove to be a valuable source of knowledge for every coach.

The one-of-a-kind practical drill guide has application for every coach in America and Canada, including those who coach in the Pop Warner Leagues, junior and senior high schools and the college ranks. The text also has unlimited application for football methods courses in colleges and universities.

The book sells for \$14.95 (plus \$1.00 for postage and handling). Mail orders to AFCA Football Drill Book, P. O. Box 463, Elon College, North Carolina 27244. All orders must be accompanied by check or money order.

FOUR ATHLETIC STAFF APPOINTMENTS MADE AT U OF M

Four additions were made this week to the Men's Intercollegiate Athletic Department staff at the University of Minnesota, with all four of those appointments pending final approval of the U of M's Board of Regents.

Two of the new staff members will serve as assistants to Head Hockey Coach Doug Woog while the remaining two will serve as assistants in the sports medicine area.

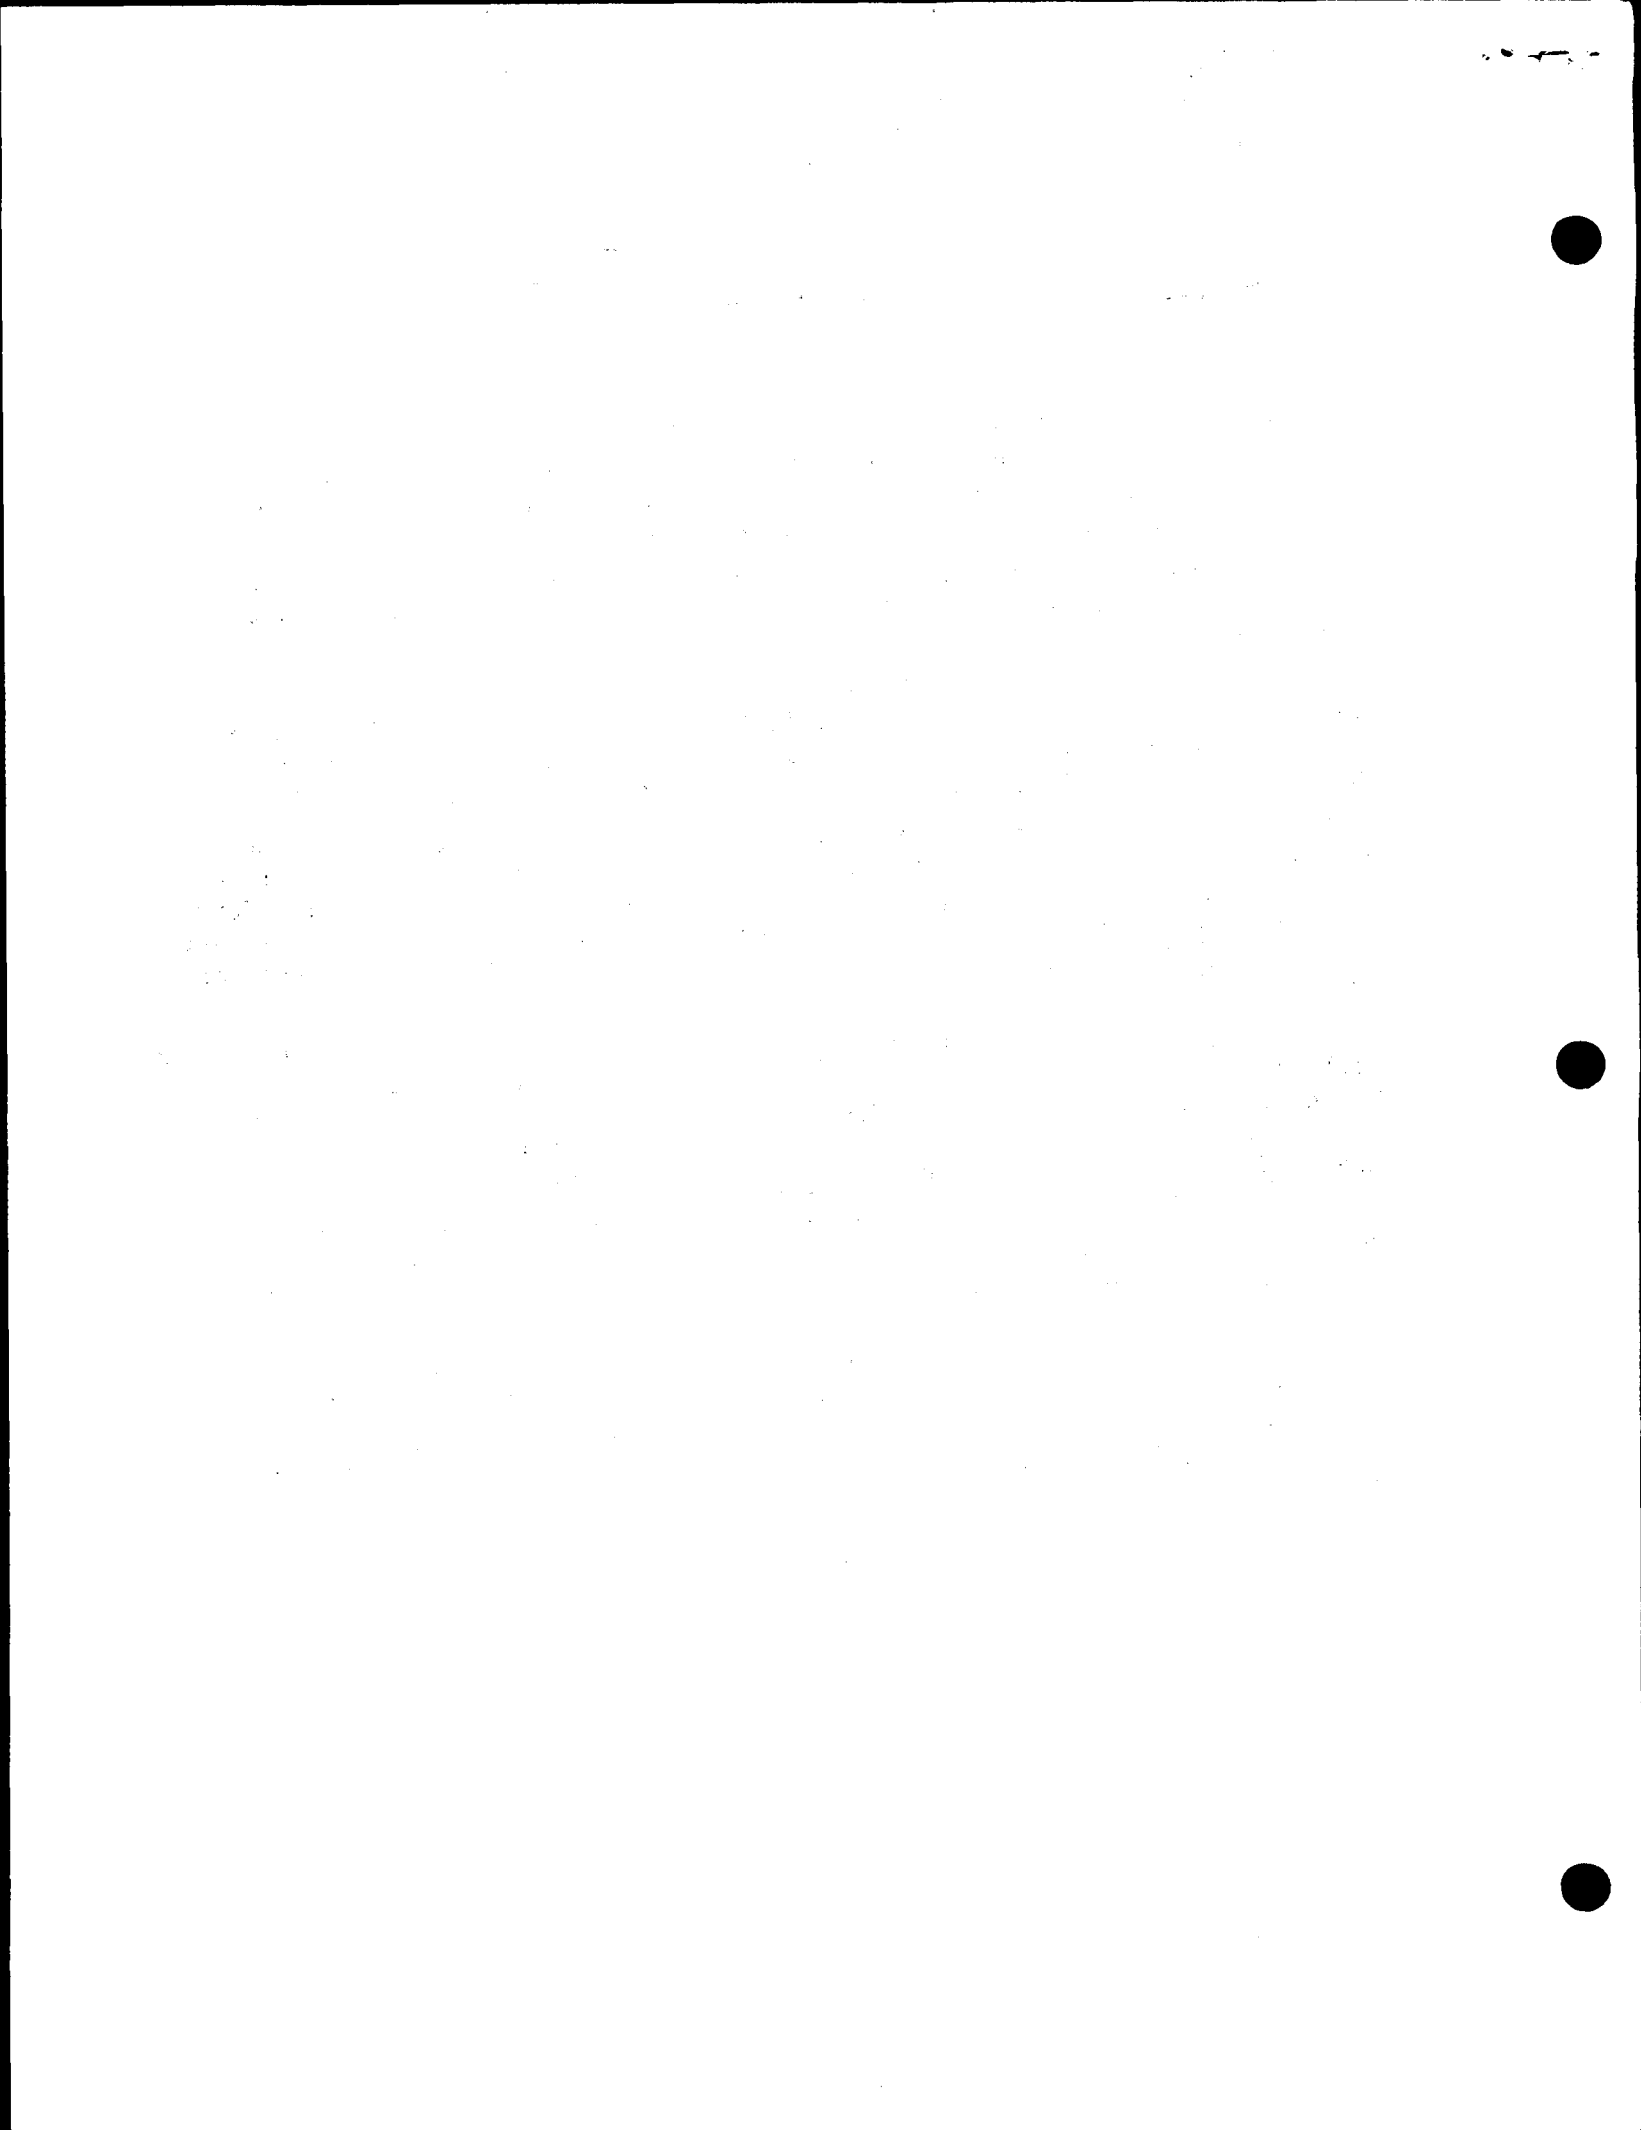

Dean Talafous, a former Golden Gopher assistant, and Bill Butters, a former U of M defenseman, are the additions to Woog's staff. The sports medicine appointments include Keith Jones who will work on the football training staff and Roger Schipper who will serve in the basketball area.

Talafous, 33, is a native of Hastings, MN, and a 1974 graduate of the University of Wisconsin. After his tour with the Badgers, Talafous played professionally with the Atlanta Flames, Minnesota North Stars and New York Rangers before coaching at the U of M from 1982 through 1984. For the past two seasons, he has been the head coach of the Minneapolis Junior Stars of the USHL.

Butters, 34, hails from White Bear Lake, MN, and had four standout seasons with the Golden Gophers before winding up his collegiate career in 1973. Since that time, Butters has played professionally (including a stint with the Minnesota North Stars), coached at the high school level and again at the professional level in the North Stars farm system.

Jones, 24, graduated from high school in San Antonio, TX, and then received his B.S. degree from the University of Arkansas in 1984. This past season he served on the training staff with the Arizona Outlaws of the USFL.

Schipper, 32, is from Worthington, MN, and has his B.S. degree from Mankato State as well as his M.S. degree from Western Illinois. He has served as a trainer at the high school, professional football, junior college and college levels, and for the past two years has been on the staff at UW LaCrosse.

FOOTBALL SEASON TICKET SALES REACH ALL-TIME HIGH

from the University of Minnesota, Minneapolis, Minnesota 55455

Football season ticket sales at the University of Minnesota reached an all-time high Thursday when the 1985 total for public student and staff sales soared to 44,216.

That mark tops the previous high of 44,209 established in 1957, and puts this year's goal of 55,000 within striking distance. "We still have season tickets available," according to athletic ticket manager Ken Buell, "and we anticipate that the combined sale for public, students and staff will enable us to reach that goal."

Buell points to several promotional efforts as contributing reasons for this year's success. "We started an early bird sale in February for new public sales," he pointed out, "and to date we have sold 11,738 to new ticket holders."

Buell also credited a May mailing campaign to all previous ticket buyers, to a May Telemarketing campaign where direct telephone solicitation took place and to the July Gold Rush strike force campaign where local volunteer members of the business community used direct mail and direct sales contacts as efforts which have enhanced ticket sales.

A breakdown of the 44,216 total includes 34,161 in public sale, a figure which tops the previous high of 24,701 set in 1984; 3,299 in staff sale which is closing in on the 3,869 sold in 1957; and the 6,756 in student sales.

"We feel that the important factor in our student sale," Buell said, is that we should be able to reach our goal of 10,000, and while that won't approach the record of 15,392 set in 1962, it will mean that our student sale would top 10,000 for the first time since 1969.

For information about the availability and sale of season football tickets, Buell urges potential buyers to contact the Athletic Ticket Office, Bierman Building, 516 15th Avenue SE, University of Minnesota, Minneapolis, MN 55455, or call (612) 373-3181.

GOPHER VETERANS TO JOIN ROOKIES IN FALL DRILLS

from the University of Minnesota, Minneapolis, Minnesota 55455

Veteran players will arrive in camp at the University of Minnesota this weekend as second-year coach Lou Holtz steps up the pace in preparation for the 1985 football season.

This week has seen Holtz put his newcomers through drills and orientation, and the arrival of the players who were with Minnesota last spring signals the "real" start of fall practice.

"We think that it is good for the freshmen and new players to have a few days here by themselves before the rest of the squad arrives," Holtz said. "It gives us a chance to try to make them aware, to understand what the University of Minnesota is all about."

Holtz made it plain that Golden Gopher tradition is part of that indoctrination program. "We want our players to develop some pride in our program," he explained. "We want them to know that the University of Minnesota used to be a national power, and that is where we want to be again."

The first week of practice without the veterans around also gives Holtz and his staff a chance to evaluate the new people and attempt to learn which of the freshmen will be able to make an immediate contribution.

"This week lets us take a good look at the new people," he said. "It gives us an opportunity to see those players at various positions, and in the process we are better able to evaluate where someone might be best suited to help us."

When the veterans arrive this weekend, one of the first items on the agenda will be media day Saturday in the Hubert H. Humphrey Metrodome where members of the press will gather with players and coaches.

On the ticket front, Minnesota continues to set new season ticket sales records. Last week the number soared over 44,000, and Ticket Manager Ken Buell this week announced that about 6,000 tickets remain before the U of M reaches its "sellout" goal of 55,000.

QUOTING LOU HOLTZ

On the subject of differences between Minnesota in 1984 and what the Golden Gophers will be in 1985, Lou Holtz says...."Our team will be changed more than any time I have ever coached. We've changed our offense, our defense, our personnel and a number of player positions. We will present a different look from a year ago."

G-O-P-H-E-R-S

On the subject of Minnesota's defense in 1985, Lou Holtz says...."You will never find a good football team without a good defense, and you won't find a good defense that doesn't have a good secondary. Our biggest concern going into the season is in the defensive secondary. We also know that our defensive line must improve its ability to rush the passer if we are to be successful."

G-O-P-H-E-R-S

On the subject of holding by offensive linemen, Lou Holtz says...."We don't play football anymore, we have wrestlers with pads on. The changes in the rules permit the use of hands more and more, and it is all because of the passing game."

G-O-P-H-E-R-S

On the subject of Minnesota still putting a young team on the field in 1985, Lou Holtz says...."We will be a young team again this fall, with a predominance of our players being sophomores and juniors. We do have some outstanding seniors, however, and we must get solid leadership from them if we are to be successful. And we will ask for that leadership no matter what role a senior plays....whether he is a starter or a backup player."

G-O-P-H-E-R-S

On the subject of Minnesota's being successful in 1985, Lou Holtz says...."We feel that a bowl game is a distinct possibility this year. Anything less than that will be a disappointment. We are not talking about being 4-7 or 5-6. We are talking about the things that have to happen in order for us to compete for the Big Ten title."

GOLDEN GOPHERS TO CONCLUDE FIRST WEEK OF FALL DRILLS

from the University of Minnesota, Minneapolis, Minnesota 55455

After donning pads for the first time on Tuesday, the University of Minnesota football team is looking ahead to a major scrimmage Saturday as the signal for the conclusion of its first week of fall drills.

Second-year coach Lou Holtz wasted little time shifting his practice schedule into high gear and, following four days of early work with newcomers, brought in the veterans last weekend before contact work got underway when those pads came out of moth balls.

In all, a total of 146 candidates for Holtz' 1985 contingent have reported for practice. A breakdown shows that roster including 18 seniors, 22 juniors, 32 sophomores and 74 freshmen.

Forty lettermen are included in that delegation, and Holtz expects those veterans and the upperclassmen to form the nucleus for this year's squad as well as the players who will provide the necessary leadership.

Holtz also feels that a more "comfortable" atmosphere exists in the Golden Gopher camp this year, and that should be an asset for Minnesota.

"We feel better about things than we did a year ago," Holtz admits, "and we are further along than we were a year ago. We also feel that we'll be even further along that road a year from now. We know each other better, and we know what to expect of each other."

Along those lines, Holtz believes Minnesota is close to having a starting lineup put together. "We're going into things with a lineup that is fairly well set," he said. "A year ago we didn't reach that point until the third game of the season. If our players can stay healthy, our starters are fairly well established."

That fact alone should make the Golden Gophers an improved football team. "To be successful," Holtz said, "a team has to have stability. Last year we made a lot of position changes and switches in personnel as the season went along. We don't feel that will be the case this year, and that should give us much more stability."

Saturday's workout is expected to find Holtz taking a good look at those top units, but it also could find him giving some of the new people real tests.

"We need to find help at several positions in order to build some depth," Holtz pointed out, "and several of our new freshmen as well as some of the walk-on players have been impressive."

(OVER)

Quarterback is one of those areas where Holtz is looking for some help behind returning starter Rickey Foggie. "Alan Holt had a good spring game for us after being redshirted last year, and Mike Moe is in the picture. They will compete with freshman Roselle Richardson for the backup position." All probably will get a shot on Saturday.

MINNESOTA'S HOLTZ RANKS AMONG TOP TWENTY COACHES

Lou Holtz, now in his second season as head football coach at the University of Minnesota, ranks among the nation's top 20 college football coaches with a winning percentage of .643.

In a study completed by Elmore "Scoop" Hudgins of the College Sports Broadcasting Company, figures reveal that Holtz ranks 12th going into the 1985 season with 110 wins against 60 losses and five ties.

Barry Switzer of Oklahoma, Minnesota's third opponent on this year's schedule, is the national leader with 115 wins, 23 losses and four ties.

Other top-20 coaches facing Minnesota this year are Bo Schembechler of Michigan (186-54-6), Earle Bruce of Ohio State (102-50-0) and Bill Mallory of Indiana (99-63-1).

QUOTING COACH LOU HOLTZ

On the subject of the physical condition of his squad, Lou Holtz said "One of the difficult things is to evaluate the physical condition of the squad when they report. Overall I was slightly disappointed, but it is encouraging to note that most of the athletes on the first two units reported in excellent condition. Some coaches feel if an athlete didn't report in great condition, he is not committed to winning. I don't think this is true. I feel it is an indication that they don't know what it takes or they don't believe they can win."

G-O-P-H-E-R-S

On the subject of why physical conditioning is so important to a player and team, Lou Holtz said "When a player is not in condition, he loses his concentration and he comes susceptible to injury. They have a hard time distinguishing between pain and injury. Fatigue makes cowards of us all is not an original quote. But it is safe to say it is an accurate one."

G-O-P-H-E-R-S

On the subject of how good Minnesota might be this year, Lou Holtz said "We're not concerned about how good we are or what our record might be. We're just concerned about getting better. You either get better or worse, you don't stay the same. As long as you keep getting better, eventually you will be good enough to win the Championship."

G-O-P-H-E-R-S

On the subject of how strong the Big Ten Conference will be in 1985 Lou Holtz said "The Big Ten could be stronger this year from top to bottom than at any time in history. The number of great quarterbacks in the Conference is unbelievable. Fortunately, we have one of them; so we will not go into the game totally unarmed at this position."

G-O-P-H-E-R-S

On the subject of playing only eight Big Ten opponents this year, Lou Holtz said "The fact that each team will play only eight conference games this year could weigh heavily on the outcome of the race. For example, we don't play Illinois. This doesn't bother me nearly as much as it bothers Illinois."

G-O-P-H-E-R-S

On the subject of Minnesota's soaring season ticket sales for 1985, Lou Holtz said "It is important for us to sell out. Not only does it give us fan support, but financial support, and we are totally self supporting with no revenue coming from taxes or the University."

G-O-P-H-E-R-S

On the subject of the importance of the new football building, Lou Holtz said "Our new facility has had a positive impact on our program and team. First of all, it was a factor in our recruiting, and it has enabled us to recruit a very competitive class. When young people come in here to visit our building, they can see that the University of Minnesota is committed to excellence. It also has had a strong positive influence on our players' attitude. They may not be as excited about the building if we have to charge them to use it in order to pay for it."

GOLDEN GOPHERS NEAR END OF SECOND WEEK OF DRILLS

from the University of Minnesota, Minneapolis, Minnesota 55455

Another major scrimmage is on tap at the University of Minnesota this weekend as the 1985 Golden Gophers near the conclusion of their second week of fall drills.

Head Coach Lou Holtz put his charges through a similar workout last Saturday, and his plans are to continue two-a-day drills through the remainder of this week.

"When you construct a building, you start with the foundation," Holtz said. "For us, that foundation is fundamentals, and we will continue to work hard on fundamentals this week."

That need for work on fundamentals may have resulted from evaluating that initial major scrimmage last weekend when Holtz was pleased with the overall results but admitted work still had to be done.

"We made some mistakes," he said. "We made too many mental errors. These things are correctable, however. Whatever problems we had in the scrimmage can be worked out."

On the positive side of things, Holtz felt enough good things happened to make it an outstanding scrimmage, and he looks for more of the same this weekend.

"The hitting was very good," he pointed out. "It was a very physical workout. It also served as an opportunity for a very good teaching process, and it gave us an excellent opportunity to evaluate our players."

In that evaluation category, Holtz used great numbers of players in the afternoon affair. "We kept some of our established players out much of the time," he explained, "especially on defense. It gave us a chance to look at some of the new people."

And the fact that a lot of new faces were in the lineup may explain why there were three interceptions, six fumbles and a dozen penalties in the two-hour workout.

But those things fall into that category of being "worked out," and it all explains why Holtz continues to stress fundamentals in practice this week before holding that scrimmage on the weekend.

There were four touchdowns scored in last week's workout. Courtney Holmes, sophomore tailback from Ambler, PA, got two of them on runs of one and 11 yards. Valdez Baylor, senior tailback from Harrisburg, PA, accounted for one on a two yard run. And Roselle Richardson, freshman quarterback from Warren, OH, notched the other on an eight yard jaunt.

QUOTING LOU HOLTZ. . .

On the subject of Minnesota's first major scrimmage of fall drills, Lou Holtz said...."We saw some awfully good things. However, we made the kind of mistakes that get you beat. If we can eliminate those things in the future, we will have a better appraisal of our team."

G-O-P-H-E-R-S

On the subject of playing with intensity and consistency, as demonstrated during last Saturday's scrimmage, Lou Holtz said...."A Gopher ball is commonly used to describe a pitcher giving up a homerun. We sure have given up our share in the past. Due to the fact that we are the Minnesota Gophers, we hope to put a different meaning into the term Gopher Ball. We think of it as a big hit for us, an enthusiasm for what we are doing and a persistence to overcome all adversity. With intensity, consistency, a mental and physical toughness, Gopher Ball can become a positive term."

G-O-P-H-E-R-S

On the subject of the mistakes and mental errors that were made in the first scrimmage, Lou Holtz said...."There have been great football players who were deaf. I played with one at Kent State by the name of Lou Marinara from Canton, OH. However, I have never seen a good one who was dumb. Our players are the smartest I have seen, but we lose our concentration. We must either eliminate our mental errors or our schedule."

G-O-P-H-E-R-S

On the subject of areas where Minnesota must show continued improvement before the September 14 opener against Wichita State, Lou Holtz said..."All areas of our game need improvement, but some more than others. It is difficult to evaluate the situation accurately at this time because we are practicing against each other, and everything is relative."

G-O-P-H-E-R-S

On the subject of the progress being shown by Minnesota's kicking game, Lou Holtz said...."We should be improved in this area, and that is saying a lot because our kicking game was one of the better ones in the country last year. We were nationally ranked statistically in net punting and punt returns. I feel our kickoffs and field goal efficiency should be improved."

G-O-P-H-E-R-S

On the subject of the extensive amount of playing time registered by freshman quarterback Roselle Richardson in the scrimmage last weekend, Lou Holtz said...."Roselle makes good decisions. I felt he had the ability when he selected Minnesota, and we are glad he did. He played a lot last Saturday by design and did well. We gave him two desserts."

WALLY JOHNSON IN MAT HALL OF FAME

Minneapolis, MN---Wallace T. "Wally" Johnson, head wrestling coach at the University of Minnesota the past 34 years, has been elected to the National Wrestling Hall Of Fame located in Stillwater, OK.

Formal induction ceremonies will be conducted at an honors banquet in Stillwater November 16.

For Johnson, this honor caps a host of local, national and international awards he has gained over his long and productive career in the collegiate wrestling field.

Counting time first spent coaching at Luther College (IA) and the U. of South Dakota before joining the staff of his alma mater, Minnesota, Johnson's career record for dual meets stands at 419-190-11.

A multi-sport athlete at Minnesota, Johnson was captain of a Gopher mat team, member of a national championship football team, and twice the school's middleweight boxing champion.

He was one of the organizers and first president of the U.S. Wrestling Federation. He counts being past president of the NCAA Wrestling Coaches Association, NCAA Coach of the Year (1976), U.S. Wrestling Federation Coach of the Year (1977), Chairman Pan-American Games Trials (1984 and 1968), Director U.S. Olympic Trials (1972), and induction into the Helms Foundation Hall of Fame among his numerous offices, honors and titles.

His top international honor came in 1973 when he served as manager/coach of the U.S. team for the World University Games held in Moscow, USSR.

Johnson gained his B.S. in 1941 and his M.S. in 1947 both from the U. of Minnesota. In addition to his wrestling duties, he also served as an assistant football coach from 1952 through 1971.

Coach Johnson has announced he will retire at the end of this coming academic year following his 35th season as Gopher wrestling coach.

LOU HOLTZ LUNCHEONS MOVE TO CAMPUS HOTEL

The "M" Club-sponsored Lou Holtz luncheons will be held at the Radisson University Hotel, Oak Street and Washington Avenue this year to accommodate increased attendance. The luncheons will be held each Friday before home football games at noon.

A tradition dating back 30 years, the luncheons became increasingly crowded last year as interest in Lou Holtz and the Golden Gophers soared. The new site will allow for up to 500 people with ample parking in an adjoining ramp.

University President Kenneth H. Keller will be the guest speaker at the first luncheon, noon, September 13 with Minneapolis Star and Tribune sports columnist Sid Hartman as the guest emcee. In addition to head football coach Lou Holtz, who will speak at each luncheon, other speakers for this season's luncheons include head hockey coach Doug Woog; Elayne Donahue, Assistant Athletic Director for Academic Advising; Ellen Hanson, Women's Head Basketball Coach, Jim Dutcher, Men's Head Basketball Coach; and Paul Giel, Men's Athletic Director.

Other guest emcees this season include Charlie Walters, St. Paul Dispatch and Pioneer Press; Bob Lurtsema, former Minnesota Viking; Tom Ryther, WUSA-TV; Ray Christensen, WCCO Radio; and Ken Resnick, Pro Wrestling USA.

Cost for each luncheon is \$10. Reserved seating for any or all seven luncheons can be made by calling 379-8888. Payment by VISA, Mastercard or American Express will be accepted.

ST. PAUL AND MINNEAPOLIS TO HOST PEP RALLIES

People in the downtowns of Minneapolis and St. Paul will get a blast of the "Minnesota Rowser" in the forms of parades and pep fests next Tuesday, September 10 and Thursday, September 12.

The Tuesday, September 10 event is slated for downtown Minneapolis and will include a parade with two stops for rallies. The parade, which features the Minnesota Marching Band, will begin at 11:30 a.m. at the corner of 10th and Marquette. The cheerleaders and danceline will march with the band as it travels to 4th Street. It then turns right for one block and marches to First Bank Plaza at 5th Street and 2nd Avenue.

A pep rally will be held in the First Bank Plaza beginning at 11:45 a.m. with WCCO-Radio personality Ray Christensen serving as emcee. The rally will feature Minnesota Athletic Director Paul Giel, Head Coach Lou Holtz, and selected members of the Minnesota football team.

The second phase of the parade will lead the band via 2nd Avenue and 7th Street to the City Center where City Center General Manager Doug Tindal will kickoff a second rally. Once again, Ray Christensen will introduce Coach Holtz and the band and cheerleaders. The event is scheduled to begin at 12:30 in the City Center atrium. The event is being sponsored by the First Bank of Minneapolis with additional sponsorship from the Minneapolis Chamber of Commerce and the City Center.

ST. PAUL RALLY TO BE HOSTED BY KDWB RADIO AND MINNESOTA FEDERAL

The Minnesota Marching Band, the cheerleaders and the danceline will march through the streets of St. Paul Thursday, September 12 in a parade and pep rally sponsored by KDWB Radio and Minnesota Federal.

The parade, which begins at 11:30 a.m., originates at Osborn Plaza, 5th and Wabasha. The brigade travels east to Cedar Avenue. It then turns south on Cedar to 4th where it runs east to the Minnesota Federal Plaza at Minnesota Street

Upon introduction at 12:15 p.m., Mayor George Latimer will introduce Minnesota Athletic Director Paul Giel, who will introduce Coach Lou Holtz. Performances from the band, cheerleaders and danceline will follow the comments from Latimer, Giel, and Holtz. Selected players will also be on hand to be introduced by Holtz. The parade and pep rally will be the second annual featuring the University of Minnesota Athletic Department, cheerleaders and band.

HOLTZ VS. WSU

In 1980 when coach Holtz was head coach at the U. of Arkansas, his team defeated the Wichita Shockers 27-7 in a home contest. It was the only time Holtz has sent a squad against WSU.

ON THE AIR

Broadcasting Saturday's UM-WSU contest live will be WCCO-AM (Twin Cities) and its stations across the state on the Minnesota News Network, and the Gopher State Radio Network which also covers numerous stations statewide. KMSP-TV, Ch. 9, will telecast the entire game on a delayed basis beginning at 10:30 p.m. Saturday evening after completion of the game itself.

HOLTZ-MEDIA GATHERING

The first Wednesday media gathering of the season in Williams Arena with coach Lou Holtz will be a brunch affair (coffee-rolls-pop) at 10:30 a.m. Wed., Sept. 11. WSU coach Chrismar will be on the speaker phone at 10:30 followed by Holtz live speaking and answering questions from 10:45 to 11:15. The Welcome Gopher luncheon at noon at the Leamington Hotel is reason for the early start.

MINNESOTA TO HOST WICHITA STATE IN OPENER SATURDAY

Minnesota's Golden Gophers kick off their second season under Head Coach Lou Holtz at 7:00 p.m. Saturday in the Hubert H. Humphrey Metrodome by playing host to Wichita State in a non-conference assignment.

While it is the opener for Minnesota, it will be the second start of the 1985 campaign for Wichita State which upset Kansas State 16-10 last weekend.

That victory means the Golden Gophers may be facing a tougher opener than Minnesota fans expected, and Coach Holtz is the first to make that clear.

"We will have to play well to win," he said. "Not only did Wichita State beat a Big Eighth Conference team in winning its opener, it was impressive in doing so."

By playing well, Holtz probably means that his club will have to play without errors, and those errors which have plagued Minnesota in the past continued to crop up in last weekend's final scrimmage.

Penalties, fumbles and interceptions were at the top of the list of those mistakes, and Holtz continues to emphasize the importance of protecting the football.

It was a productive scrimmage, however, and the list of credits was lengthy.... including the fact that the Golden Gopher coaching staff got another good look at a lot of players.

"We used 19 ball carriers, five quarterbacks and had 16 different players catch passes," he pointed out. "Those evaluations will not only help us determine our top 22 players offensively and defensively, but they will help us get to 33. And we need to think in terms of 33 because it is impossible to know when injuries may strike."

Health-wise, Minnesota appears fairly solid going into the Wichita State opener, and that includes the offensive backfield where quarterback Ricky Foggie, tailback Valdez Baylor and fullback David Puk all are ready to go.

Foggie led Minnesota in both rushing and passing as a freshman last season, and he not only turned in a fine practice session last spring but also an even more impressive fall. He ranks as one of the premier quarterbacks in the Big Ten Conference, and he's expected to be the key in the Golden Gopher attack this fall.

Defensively against the invading Shockers, linebacker Peter Najarian could again be the leader after topping Minnesota in tackles the past two seasons. But other players, like defensive ends Bruce Holmes and Larry Joyner and free safety Donovan Small also figure prominently in Minnesota's plans.

Another big plus for the Golden Gophers in the opener could be in the kicking game where Adam Kelly, one of the nation's top five punters, is back as is placement specialist Chip Lohmiller. --UM-- (OVER)

QUOTING LOU HOLTZ. . . .

On the subject of last weekend's final pre-season scrimmage, Lou Holtz said...."We did many things much better than we have done in the past, and we are showing improvement. We aren't a great team, and we have not shown that we can protect the ball well enough to win. We hope we can correct that problem this week along with any other deficiencies we may have before playing Wichita State."

G-O-P-H-E-R-S

On the subject of the physical condition of Minnesota going into the opener against Wichita State, Lou Holtz said...."Injuries are things you can't worry about once they happen. We just hope that we have someone to pick up the rifle, to close ranks and march on. We have been fortunate that we haven't lost many people thus far. It is a tribute to, Tom Rutledge and Keith Jones, our physicians, Dr. Smith, Dr. Severson and Dr. Larson, and to our players. It is necessary for them to distinguish between pain and injury, and they have."

G-O-P-H-E-R-S

On the subject of Minnesota's defensive secondary, which was called an area of concern earlier, Lou Holtz said...."You never know how to evaluate a position until well into a season, but thus far our secondary has been a most pleasant surprise, from Coach John Gutekunst who took over that area this year to our players. We are glad to have Lungen Howard back because he is a class person. It is unfortunate that he missed all of our two-a-day practices, and I am sure it will be difficult for him to contribute much to our secondary early in the season."

G-O-P-H-E-R-S

On the subject of the contributions of the more than 20 redshirts on this year's squad and the new arrivals this fall, Lou Holtz said...."Several players have gotten better fundamentally, and this gives us a chance to develop depth. If you have two teams of equal ability, you usually have two second teams."

G-O-P-H-E-R-S

On the subject of Minnesota's kicking game as it prepared for Wichita State and the 1985 opener, Lou Holtz said...."I felt our kicking game was good last year. This year it has a chance to be outstanding. We are pleased with it, but we must keep getting better. The kicking game is like your golf swing: it is pretty fickle....with you one minute and gone the next."

G-O-P-H-E-R-S

On the subject of invading Wichita State, Lou Holtz said...."The Missouri Valley Conference, of which Wichita State is a member, is a good conference. We played Wichita State three years ago at Arkansas, and we were lucky to win 17-7. They have good athletes, are well coached and play hard. The fact that they played a game on the road and won it in an impressive manner will help them. It should be a great game."

THERE WILL BE A GOLD RUSH IN THE METRODOME SEPTEMBER 14 COMPLIMENTS OF
GENERAL MILLS AND RED BARON PIZZA.

GENERAL MILLS

To help kick off the 1985 football season, Minnesota-based companies General Mills and Red Baron Pizza are providing premiums for the first 50,000 fans to enter the Metrodome, September 14 when the Gophers open their 1985 season against Wichita State at 7:00 p.m.

General Mills will distribute their Gold Rush Ice Cream Bars to fans as they enter the stadium. General Mills has been a strong supporter of university athletics including playing an active role in the Gold Rush Strike Force, the Twin Cities business coalition to help sell out the Dome.

RED BARON

In addition to the Gold Rush bars, the first 50,000 fans will receive complimentary gold pom poms from Red Baron Pizza. A division of Schwans, based in Marshall, Minnesota, Red Baron is a leading Gopher supporter and will distribute special Gopher football posters throughout Minnesota in stores handling Red Baron products. Attached to the pom poms will be a coupon worth .50¢ off any Red Baron Pizza.

The Gophers hope the ice cream and sea of gold coming from the pom poms, will help create a "golden dome".

GOPHER PEP RALLY

To celebrate the Gopher's opener against Wichita State, two pep rallies will be held in downtown Minneapolis on Tuesday, September 10. The pep rallies will be sponsored by Donaldsons, The First Banks, City Center and Skyway News.

The festivities begin at 11:45 a.m. at First Bank Plaza on the corner of Fifth Street and Second Avenue. The program will be full of team spirit. Coach Lou Holtz, players, cheerleaders, the dance line, and band and, of course, the Gopher mascot, Goldie, will be there.

At 12:15 p.m., led by the Gopher's marching band, the pep rally will proceed to the atrium of City Center through the Sixth Street entrance.

At 12:30 p.m. Coach Lou Holtz and the players will be introduced, and the cheerleaders and dance line will perform. The celebration will last until 1 p.m.

The First Banks, Donaldsons, City Center, and Skyway News employees urge the public to join in the festivities as they kick off the Golden Gophers' new season against the Wichita Wheat Shockers.

Schedule:

- 11:30 a.m. Parade begins: Marquette & 10th Street to Marquette & 4th St.; turn right one block and march to First Bank Plaza.
- 11:45 a.m. First Bank Plaza: band plays, cheerleaders and dance line perform. Lou Holtz and players are introduced.
- 12:15 p.m. Pep rally proceeds down 7th Street to Nicollet Mall into atrium of City Center.
- 12:30 p.m. Lou Holtz and players introduced. Band, cheerleaders and dance line perform.
- 1:00 p.m. Pep Rally ends.

GOPHER HOCKEY PRE-SEASON

Minneapolis, MN---Even before new head coach Doug Woog conducts his first University of Minnesota varsity hockey practice September 23, a long schedule of pre-season events are already on tap.

It all begins Saturday, Sept. 21, when a media and public picture day has been scheduled at Mariucci Arena. The media will lunch and talk business with coach Woog, his staff and players from 11 a.m. until 1 p.m. From that point on the public is invited to mingle with the players on and off the ice in an autograph and picture session until 2 p.m.

Also scheduled are three varsity intrasquad games prior to the season exhibition opener Oct. 11. The intrasquad games are Sept. 29 at the Burnsville Arena, Oct. 6 in Hibbing, and Oct. 9 at the Aldrich Arena in Maplewood.

Gopher varsity players and staff will conduct a clinic and be available for an autograph and picture session prior to each intrasquad game.

Proceeds from ticket sales at each intrasquad game will be split evenly between the Gopher hockey program and local kids hockey booster organizations. Tickets to all the intrasquad games are \$2 adults and \$1 students.

Then comes a big opening weekend when Woog first puts his assembled 1985-86 varsity squad on public display. It's called "Olympic Weekend."

On Friday, Oct. 11, the varsity plays a recent alumni team featuring about five or six members from the gold medal-winning 1980 U.S. Olympic Team. Naturally, head coach of the alumni squad will be Herb Brooks, former Gopher head coach and boss of the 1980 "miracle" team at Lake Placid, NY.

Prior to that contest (5:30 p.m.), a game between two teams of "older" alumni will be featured. There will be an autograph and picture session between games featuring players from all four teams.

Then Saturday, Oct. 12, the Gopher varsity plays an exhibition game against Team Canada. The latter squad which will, for the most part, make up the 1988 Canadian Olympic Team for the Games scheduled in Calgary, Alberta.

Featured on the Canadian club are several former WCHA players from North Dakota, Denver and other member schools.

Team Canada will have just come off an extensive exhibition schedule against NHL teams prior to meeting the Gophers.

Admission to games each night of Olympic Weekend is \$4 adults and \$2 students.

The official opening series of the regular season finds Michigan Tech visiting Mariucci Arena Oct. 18-19.

Paid season ticket applications are now being accepted at the Bierman Building ticket offices, while individual game tickets first go on sale Oct. 1, also at Bierman Building.

---UM---

UM BAND PRE-GAME

The famed University of Minnesota Marching Band is scheduled to arrive at the Metrodome at 5:15 p.m. prior to each home Gopher football game this fall.

The band will march once around the Dome, and then assemble at Gate D to play in concert until 6:15 p.m.

Members of both the Gopher cheerleader squad and danceline will participate with the band in the outside pre-game activities.

HOCKEY MEDIA DAY

Members Of The Media:

Our new head hockey coach, Doug Woog, has chosen Saturday, September 21, as Media Day to place himself, his staff and the 1985-86 Gopher varsity at your disposal.

The day begins with a light lunch, soup and sandwich, from 11 a.m. to noon in the Gold Room at Williams Arena, the same room in which we host our fall football media luncheons. Coach Woog and staff members will be present to discuss plans for the coming season, and answer any and all questions.

From noon to 1 p.m., the entire Gopher varsity and coaching staff will be available both on and off the ice inside Mariucci Arena for interviews, pictures, etc.

From 1 p.m. to 2 p.m. we have invited the public into the Arena to mingle with our players and staff for an autograph and picture session.

May we at this time ask each of you to respond by calling our Gopher SID office at 612-373-5236 to let us know how many staffers from your outlet plan to join us on the 21st. It will help give us a handle on how many places to set at the table.

Thanks much, and let's think hockey!!!!

MINNESOTA SEEKS SECOND WIN WHEN HOSTING MONTANA SATURDAY

Minnesota will go after its second win of the 1985 football season Saturday when playing host to Montana in a non-conference assignment in the Hubert H. Humphrey Metrodome at 7:00 p.m.

The Golden Gophers opened the current slate with a gutty come-from-behind 28-14 victory over Wichita State last weekend, and they hope to make it two in a row with another win over the Grizzly invaders this time out of the blocks.

In Minnesota's initial triumph, Coach Lou Holtz' contingent spotted Wichita a 14-0 lead early in the second quarter, but from that point on it was in complete control and won impressively.

"When we went down by 14 that early," Holtz explained, "I was concerned. You never know about an opener. When the defense is having trouble, the offense just has to pick things up for you, and ours did. They rose to the occasion. Then our defense came back, and we actually shut Wichita out for the final 42 minutes."

Holtz hit the nail on the head when he said the offense picked things up for the Gophers, that they rose to the occasion. And the big man in the Minnesota attack was sophomore quarterback Rickey Foggie who carried the ball 15 times for 140 yards and a 9.3 average. He also threw 10 times and completed eight (his first seven in a row) for 157 more yards. In addition, he scored the Golden Gophers first three touchdowns.

It was far from a one-man show for Minnesota, however, as senior tailback Valdez Baylor had 45 yards in seven carries, and sophomore flanker Gary Couch accounted for the other score. On top of that junior split end Mel Anderson had three catches for 92 yards.

On defense, junior linebacker Bruce Holmes, converted to that post from his end position earlier in the week, led the way with 19 tackles including one for a four yard loss. Matt Martinez, junior college cornerback, got Minnesota's only interception and added five tackles.

"We came out of the game with a very positive feeling," Holtz said. "We were down early, but we came back very well. We didn't get to play as many people as we had hoped to because we fell behind, but our goal is to win one game a week, and that's what we accomplished. Now it's Montana."

The Grizzlies had last weekend off, and that gives them two full weeks to prepare for their assignment against Minnesota. They opened the 1985 season on September 7 by upsetting Cal-Fullerton 31-30, and again they did so in impressive fashion.

Obviously Coach Holtz does not want anyone taking Montana lightly. "Their record is exactly the same as ours," he points out. "They are a well disciplined team, and they play hard. Our goal remains to win one game this week."

QUOTING LOU HOLTZ. . . .

On the subject of sophomore quarterback Rickie Foggie being a "Pied Piper" for the Golden Gophers this year, Lou Holtz said...."He draws a crowd wherever he goes. On the field the opposition follows his every move. His teammates follow him and the Golden Gopher supporters follow him. I only hope that the BOWL scouts follow him!"

G-O-P-H-E-R-S

On the subject of the kind of character a team has to have to come back from a 14-0 deficit as Minnesota did against Wichita State in the opener, Lou Holtz said...."There are a lot of intangible things that determine the difference between winning and losing, and those qualities are best personified when you are behind. The character, integrity, discipline and competitiveness of a football team are best revealed when you have adversity. I was most pleased with the response of our team when we fell behind by 14 points."

G-O-P-H-E-R-S

On the subject of the defensive performance turned in against Wichita State when it shut the Shockers down over the final 42 minutes of the game, Lou Holtz said...."Our defense really gave up only seven points and our kicking game the other seven. Our kicking game tried to give up another seven, but our defense would not let them. Our defense got better as the game went along."

G-O-P-H-E-R-S

On the subject of the philosophy that a team makes its most improvement during the week between its first game and its second game, as was the case with Wichita State, Lou Holtz said...."I surely hope this is true, because there are plenty of opportunities for this to happen."

G-O-P-H-E-R-S

On the subject of Minnesota's health and general physical condition going into the Montana game after surviving the opener without any serious injuries, Lou Holtz said...."We feel fortunate not having had a serious injury in the opening game. It was a very physical game."

G-O-P-H-E-R-S

On the subject of the mistakes made by Minnesota in its opener against Wichita, Lou Holtz said...."We played a relatively error-free game on offense and defense, but unfortunatley the kicking game was exceptionally poor. We spent a lot of time on our kicking game and got very little results. It reminds me of a slot machine....the more you put in the less you seem to get back."

Head Coach: Roy Griak 23rd season at Minnesota

1985 MINNESOTA CROSS COUNTRY OUTLOOK

Coach Griak comments on Minnesota's overall 1985 outlook. "The loss of our two top runners Dave Morrison and John Kromer is a big loss for us. Both were top-ten finishers in the Big Ten. We have everyone of the remaining team back from 1984 and they are all improving. Paul Gisslequist and Marty Humphrey finished 7th and 8th in the Big Ten 10,000. Those two runners, coupled with our returners and four freshman who could make the top seven - are a very competitive top twelve runners."

U of M Strengths

"I don't know if we'll have anyone in the top ten individually at the Big Ten Championships. We will look for a solid seven man performance. Between the 10 and 25 positions at the Big Ten meet, we should give a pretty good account of ourselves," Griak said.

1985 Big Ten Team Outlook

Coach Griak summarized his impressions of the Big Ten CC race. "Wisconsin is the clear-cut favorite and the team to beat again this season. The Badgers have almost everyone back from the 1983 NCAA National Championship team. They also recruited the best cross-country runner in the United States, so they will be very strong. On paper, Wisconsin looks unbeatable. Illinois (Big Ten Defending Champion) lost a lot to graduation but will still be tough with some fine new recruits. Michigan will be strong again and Michigan State will be a stronger team. Northwestern will be improved and Purdue was one of the dark horses last season and could be a factor in the upper division. Ohio State finished in the top five and they have almost everyone back."

In summarizing, Griak talked about the strength of Big Ten cross country. "It's going to be a tough league. The Big Ten year-in-year out, is probably the strongest conference in the nation. In our Districts/Region, we have more national top 15 team finishers than any other region."

MINNESOTA SEASON OPENER: - September 28 against Wisconsin

The Gophers open the 1985 season hosting the University of Wisconsin in a dual meet at the University of Minnesota golf course. Race time 10:30 AM and the teams will run 8,000 meters.

HO PRACTICE BEGINS 9/23

Minneapolis, MN---New University of Minnesota head hockey coach Doug Woog, after meeting with the media Saturday, has scheduled Monday, Sept. 23, as the first day of practice for his 1985-86 varsity candidates.

"We expect to have 45 players on the ice Monday, including 24 returnees from the varsity and varsity reserve teams of last year, six tendered freshmen and 15 walkons," coach Woog says.

"All of us are really excited about starting out brand new. It will be interesting to see how fast the players can adjust to a new staff, and how quickly we, the coaches, can discover exactly which systems are the best for our players."

Woog and his players have only five days of practice before heading into the first of three varsity intrasquad games Saturday evening, Sept. 21, at the Burnsville Arena.

That outing will be followed by two more squad games at Hibbing, Oct. 6, and Aldrich Arena in Maplewood, Oct. 9.

Proceeds from the intrasquad games are split between the U. of M. hockey program and junior hockey booster organizations in the respective areas.

This Saturday, Sept. 21, Woog and his staff meet with the media at Williams Arena for lunch and discussion. Following a picture session with the varsity players from noon to 1 p.m., the public is invited to mingle with the players and staff at 1-2 p.m. for autographs and pictures in Mariucci Arena.

An "Olympic Weekend" has been scheduled October 11-12 at Mariucci Arena.

The first night presents an old timers game at 5:30 followed by the varsity meeting a more recent alumni team at 7:30. The latter game features at least five former Minnesota stars who played on the 1980 U.S. Olympic championship team and, of course, Herb Brooks will coach his former pupils.

On Saturday, Oct. 12, Minnesota faces Team Canada at Mariucci Arena. Team Canada contains several former WCHA standouts and is the basis for the Canadian Olympic squad which will host the 1988 Winter Olympics in Calgary, ALTA.

None of the above games are included in the UM season ticket package. Tickets for the Olympic Weekend game are \$4 adults and \$2 children. All seats are general admission.

Minnesota opens its regular season at home Oct. 18-19 against Michigan Tech of the WCHA. Single game tickets for the 85-86 season go on sale Oct. 1.

ABOUT THE GOPHER STAFF

HEAD COACH DOUG WOOG

Returning as head coach at his alma mater is a dream held by many an athlete. Beginning this winter college hockey season, the dream has become a reality for one individual.

Doug Woog, 41, Gopher All-America player in 1965, has, in a phrase, returned home. He begins his first year as boss of the UM hockey program this season after a long and successful coaching career that included stops at numerous levels of the game.

Woog is the 10th full-time coach at Minnesota, 11th overall counting one interim coach. He inherits an impressive load of traditions--winning traditions--posted by his predecessors. But in viewing Woog's track record, one has to believe Minnesota not only chose wisely, but that the Gopher program has been safely lodged in the correct hands.

Coach Woog played under famed mentor John Mariucci in the mid-1960s. His scoring and overall play landed him several honors, including being singled out nationally as listed above. He led the Gophers in scoring in '65 and was elected team captain the next season.

A native of South St. Paul, Woog was actually a basketball player until the 4th grade when he began skating on outdoor rinks. Organized hockey followed in the 6th grade at the peewee and bantam levels.

After getting his first tastes of this often crazy game on ice, Woog was hooked. What followed was a fantastic high school career for the South St. Paul Packers. He earned All-State honors three out of four years of varsity play and appeared in four straight state tournaments. The team's best finish in that span was runner-up to Roseau in the 1-0 title game of 1961. In his spare time he also earned all-state honors as a tailback in prep football and actually received scholarship offers from Minnesota in both hockey and football.

He entered the U. of M. with a "can't miss" label and lived up to every word. In 1964-65, the year he gained national attention, he led UM in scoring with 26 goals and 21 assists in 29 games. He ended third in scoring in the WCHA with 13 goals and 20 assists in 18 league games. Minnesota finished third that season.

After leaving UM he played on the 1967 U.S. National Hockey Team with the likes of Herb Brooks, Lou Nanne, George Konik, goalie Carl Wetzel and the late Bill Masterton. The next season he passed up several business opportunities in quest of a long, long dream. . .to play with a U.S. Olympic team. But Doug made the B team and not the national A club. "Hey, there was a ton of talent ahead of me so I guess I can't be too disappointed when looking back at those times," Woog says today.

(OVER)

Woog actually began his teaching career at Hopkins West Junior High School that same 1968 Olympic year. While there he also coached football and hockey at the junior high level. In the fall of 1968 he moved back home to South St. Paul where he became head soccer coach, plus aiding in JV hockey and junior high baseball. In soccer his teams won six conference championships and were twice runner-up for the state AA title.

His hockey career branched out in 1971 when he began coaching on the Junior A level. From '71 through '77 he coached the St. Paul Vulcans and the Minnesota Junior Stars. He eventually led these teams to league, playoff and national championships twice at each level mentioned.

In 1978 it was back to the prep ranks as Woog took over the head coaching reigns at South St. Paul. Through 1983 his teams won two conference trophies, and reached the Minnesota State Tournament four times.

In 1984 Woog served as a special assistant coach for the U.S. Olympic Team, and last season was head coach for the U.S. National Junior Team. Doug was named to be on the same staff this season, but had to decline after joining the Gophers.

Coach Woog owns a long and varied career working on numerous levels with AHAUS, including membership on several national committees, and is chairman of the National Skating Committee. He also served from 1981 through 1985 with the NHL Central Scouting Staff, and for the Los Angeles Kings. During summer months he has labored as owner/director of several Minnesota hockey camps.

In 1967 Doug married the former Janice Bystrom, who also attended South St. Paul High. They are the proud parents of daughter Amy, 17, and sons Steve, 14, and Dan, 13. Naturally, they reside in South St. Paul.

(More on the Gopher staff)

ASSISTANT COACH DEAN TALAFOUS

After spending one year away from the Gopher hockey program, assistant coach Dean Talafous returned home this year as a member of coach Woog's staff. Dean was with UM for the 1982-83 and 1983-84 seasons as an assistant following excellent professional career in the NHL. A native of Hastings, MN, "Dino", as he is known to his charges, coupled an outstanding prep career in his hometown by going on to become an All-American at the U. of Wisconsin. Besides later playing for the Atlanta Flames, Minnesota North Stars and New York Rangers, Dean worked in four outings split between U.S. National and Team USA Canada Cup squads. A neck injury curtailed his pro career, so he helped coach much of the Gopher success his two years here. Last season he revamped the Minnesota Junior A Stars moving them from last place the previous year to a second place USHL finish in '84-'85. Dean and his wife, Kay, also a Hastings native, live in the Twin Cities suburbs with daughter Amanda 6, and son Peter 5.

ASSISTANT COACH BILL BUTTERS

Bill is the newest member of the Gopher staff joining coach Woog in the first year for both. A veteran defenseman of Gopher action in the early 1970's (actually 1969 thru 1973), Butters remains one of the most rugged defenders to ever play for the Maroon & Gold. A White Bear Lake product, where he and his family still live, Bill enjoyed a well-traveled professional hockey career after completing his collegiate days. He originally signed with the Toronto Maple Leafs, but only played one year in their farm system. Following that came two skates with the old St. Paul Fighting Saints sandwiched around a trip to Houston, also of the WHA. In 1976 he was traded to Edmonton (WHA), and then to Hartford (WHA) before coming the next season to the NHL North Stars. Bill played there two seasons before hanging up his competitive skates. He has since served as assistant coach with the Oklahoma City Blazers, and the last five years at Breck School in the Twin Cities. During the latter time he also worked for API, Inc. as a project manager in the construction field. Bill and his wife, Debby, a former UM cheerleader from LeSeur, are the parents of son Ben, 11, and daughters Anne, 9, and Rebecca, 5.

PART-TIME ASSISTANT COACH BOB SHIER

Bob Shier begins his third year on the Gopher staff, his first under coach Woog. Although he owns part-time status, his contributions are varied and many. Prior to joining the UM staff, Bob served four years as an assistant coach at Woodbury High School in the Twin Cities. Bob attended the U. of M. in 1969-71 and played on the Gopher freshman team under head coach Glen Sonmor. A graduate of Cretin High in St. Paul, Bob appeared in the old Independent School state tournaments of 1967 and '68. Then came two years of Junior A hockey with the St. Paul Vulcans before he turned in his competitive skates. Today Bob is a sales representative in graphic arts and industrial rollers for Ideal Roller Company. Shier's work with the Gopher program consists of much administrative detail besides additional behind the scenes tasks of scouting and coordinating recruiting efforts. Bob is at home in Woodbury with wife Pat, and their children, sons Michael and Bryan, 14 and 9, and daughters Amy and Katie, 12 and 7.

PART-TIME ASSISTANT COACH JACK BLATHERWICK

Members of the Gopher hockey team last year began experiencing everything new about physical conditioning when Jack Blatherwick came on the scene just once in awhile. This year Jack is working more and more with UM players in a total conditioning program. A veteran of 11 years as head coach in hockey and football at Breck School in the Twin Cities, Jack has in recent years worked on a Doctor's Degree in Physiology with special emphasis on physical conditioning at the U. of M, his alma mater. Only completion of his thesis remains. He had worked with Gopher players under coach Herb Brooks in the late '70's, and then spent five more years toiling with Brooks and the NHL NY Rangers. In addition, Blatherwick was the Exercise Physiologist for the 1980 and 1984 U.S. Olympic Hockey Teams. He is also Director of the Sports Medicine Committee for AHAUS. Besides his rigorous training schedules off the ice, Jack also coaches Gopher players in skating intervals on the ice. His dry land training techniques are also considered innovative by many amateur hockey coaches. Jack is single and continues to live in his hometown of Minneapolis.

HOLTZ VS. SWITZER

These head coaches have only met once. It came following the 1977 season, Holtz' first year as boss of the Arkansas program. Both schools were 10-1 in regular season play and picked to face off in the Orange Bowl. Oklahoma was a heavy favorite, but Holtz and Co. pulled off a giant upset as Arkansas won 31-6. Holtz was named national Coach of the Year following the '77 season. Switzer won the same honor in 1980.

GAME BROADCASTS

As usual, WCCO-AM and the Media Broadcast Service networks carry the game live via radio. In addition, WTBS-TV, the Atlanta-based cable network, will air the game nationally. In the Twin Cities KITN-TV, Ch. 29, does the local pickup.

GOLDEN GOPHERS TO HOST OKLAHOMA ON SATURDAY

Off to an impressive 2-0 start, the University of Minnesota gets its most severe test of the still young 1985 football season Saturday when entertaining top-ranked Oklahoma at 7:08 p.m. in the Hubert H. Humphrey Metrodome.

Coach Lou Holtz piloted his youthful Golden Gophers to their second straight non-conference triumph at home last weekend, a 62-17 verdict over game but outmanned Montana.

"We just had too many numbers for them," Holtz said after the win. "It was great to see some of our younger players get a chance to play, but I feel badly about all the points we scored. Montana really played its heart out."

The invading Grizzlies gave Minnesota all it could handle early in that game and trailed only 14-7 after the first period. In fact Montana was down only 28-17 at the half and was causing the Golden Gophers grave concern over the fact that they had registered scoring drives of 80 and 81 yards.

In the end, however, it was the numbers game Coach Holtz eluded too, and after what Holtz termed "A good little session at the half," the host club took complete charge and wound up scoring the final 34 points of the contest.

Those 62 counteres registered by Minnesota were the most points scored by a Golden Gopher team since the 1939 team whipped Arizona 62-6. The most points ever scored by a Minnesota contingent was 69 against North Dakota State in 1937.

But all of that is history, as is the fact that Holtz was able to clear his bench against Montana, use five different quarterbacks, allow 17 different Golden Gophers to carry the ball and involve seven different players in the scoring.

Now is Oklahoma, the number one ranked team in most pre-season polls, and a solid choice to cop championship honors in the Big Eight Conference as well as make a run for the national title.

Oddly enough Coach Barry Switzer's club has not played yet this season. The Sooners had been scheduled to open against Southern Methodist University last week, but that game was changed to the end of the season to accommodate a television request.

So now the age-old debate will surface. Does Minnesota have an advantage because it has two games under its belt while Oklahoma has not yet played? Or do the Sooners have the advantage because it has not yet shown the Golden Gophers ANYTHING while Oklahoma has had a chance to view Minnesota twice?

Only time will tell. It is obvious, however, that Oklahoma will come into the Hubert H. Humphrey Metrodome with a talented football team and will rank as a heavy favorite over Minnesota.

QUOTING LOU HOLTZ. . . .

On the subject of Minnesota's being able to score 62 points against Montana, the most by a U of M team since 1939, Lou Holtz said...."Anytime you score a lot of points your defense has to have given you good field position. I am sorry we scored so much because Montana played a valiant first half."

G-O-P-H-E-R-S

On the subject of being able to use so many players in the Montana game, Lou Holtz said...."It is great to play everybody because every young player has spent an equal amount of time on the practice field. I feel it is important for a young man to be able to say 'I played' for the U of M."

G-O-P-H-E-R-S

On the subject of still being concerned about the Minnesota defense and being able to establish a "defensive tradition" philosophy at the U of M, Lou Holtz said...."We don't have a defensive tradition at Minnesota from recent years. We give up yards and points like a philanthropist. You can't win without a great defense. Minnesota hasn't won in recent years and it hasn't been great on defense. It takes a rare individual to start a defensive tradition, and once you get it, you have a chance against anyone."

G-O-P-H-E-R-S

On the subject of not throwing the ball as much as it had planned against Montana, Lou Holtz said...."We wanted to throw more, but we had success running the football. Our inability to stop Montana necessitated us thinking about controlling the ball and winning. Our opponents are controlling the ball almost five minutes a game more than we are and are running 14 plays a game more than we are. The patient is alive, but vital signs such as these do not bode well for the chances of recovery."

G-O-P-H-E-R-S

On the subject of the physical condition of the squad going into the Oklahoma game, Lou Holtz said...."Mel Anderson, our starting split end, is out of the game with a pulled hamstring. This is a tremendous setback to us." (Anderson not only leads Minnesota in receiving with 167 yards on four catches, he also tops the Golden Gophers in kick returns with five for 113).

G-O-P-H-E-R-S

On the subject of the strength of this week's opponent, the Oklahoma Sooners, Lou Holtz said...."They are pre-season picks as the number one team in the country. Other than the fact that Barry Switzer coaches them, I know nothing about them. Unfortunately I probably know more about Oklahoma than anyone on our staff, and that puts us at a tremendous disadvantage."

Minneapolis, MN---Rob Fornasiere has been named full-time assistant baseball coach at the University of Minnesota.

Fornasiere joins head coach John Anderson on the Gopher staff with whom he has worked together on clinics for several years. In 1981 Fornasiere coached the U. of Minnesota's summer baseball team.

The last five years have seen Fornasiere post a record of 105-29 as head coach at Normandale Community College in Bloomington, MN.

Included in his time at Normandale were four consecutive Southeast Minnesota Community College Conference (MCCC) championships from 1982 through last spring.

He also directed his 1983 squad to the National Junior College (NJCAA) Region 13 title and a berth in the JC World Series at Grand Junction, CO.

His teams led all junior colleges in winning percentage in 1982 and 1983 with a combined 51-5 record.

A native of Sun Prairie, WI, Fornasiere received his BS degree in PE and Health Education from Wisconsin-La Crosse State in 1978, and his masters in education from Bowling Green State (OH) in 1980.

He lettered four years in baseball at La Crosse, and was a graduate assistant coach at Bowling Green.

Fornasiere began his coaching career at Drummond High School in Wisconsin before enrolling at Bowling Green State.

Last summer he was head coach of the North baseball team which took the silver medal at the National Sports Festival in Baton Rouge, LA.

Fornasiere is married to the former Ruth Kuhn. They are the parents of two boys, Andrew, 4, and Matthew, 2, and are expecting a new addition to the family in October.

BASEBALL ALUMNI DAY SAT. 9/28

Minneapolis, MN---The second annual U. of Minnesota baseball Alumni Day is set Saturday, Sept. 29, at Siebert Field on the main UM campus.

Two five-inning games are scheduled. At 12:30 p.m. Gopher lettermen from pre-1970 face off, with players who lettered after 1970, or "active" players, competing in another game at 2:30.

Last year more than 40 former lettermen showed up for the first Alumni Day when a single nine-inning game was held. Also like last year, a social session for the players and their families follows the games Saturday.

"We enjoyed a great turnout last year, and I wouldn't be surprised if even more former Gopher players took part this Saturday," UM head coach John Anderson says.

"The public is invited to attend and renew acquaintances with several former Minnesota baseball greats."

Anderson said he will probably coach one of the teams, and that former UM coach and player George Thomas will also be an honorary coach.

A special ceremony is scheduled between games when the 1985 Big Ten championship trophy, won by the Gophers, will be officially presented to the University. In addition, championship rings will also be awarded individually to each player and staff member of the '85 squad.

No admission will be charged the public for entry to view the games.

HO INTRASQUAD SAT.

The first of three University of Minnesota varsity hockey intrasquad games is scheduled 7 p.m. Sunday at the Burnsville Ice Arena.

Two more outings are scheduled Sunday, Oct. 6, in Hibbing, and Wednesday, Oct. 9, at Aldrich Arena in Maplewood.

New Gopher head coach Doug Woog will split his varsity players into two teams for games consisting of two 25-minute halves.

An autograph and picture taking session plus a clinic featuring Gopher coaches and players precede each game.

Proceeds from each outing are split between the Gopher hockey program, and sponsoring booster clubs for junior hockey programs in the respective areas.

GOLDEN GOPHERS OPEN 1985 CC SEASON HOSTING WISCONSIN SATURDAY

The University of Minnesota Golden Gopher Cross Country team opens the 1985 season hosting Big Ten pre-season favorite Wisconsin Badgers. The Gophers and UW will run a 8,000 meter race at the University of Minnesota golf course, beginning at 10:30 AM, Saturday morning, September 28.

Minnesota coach Roy Griak's team will be led by co-captains David Duvick(SR, Eden Prairie, MN) and Paul Gisselquist(SO, Richfield, MN). The Gophers placed sixth at last seasons Big Ten meet while the Badgers placed third. Wisconsin returns 10 lettermen and are Coach Griak's pick to win the Big Ten title. "Wisconsin is the clear-cut Big Ten favorite and the team to beat this season. The Badgers have almost everyone back from the 1983 NCAA national championship team and have recruited some good runners. They will be very strong again in 1985."

The Gophers will continue action next Saturday, October 5, with two events scheduled. A split squad will be at Iowa City, Iowa for a triple-dual meet and U of M will also host the Gold Country Open. The U of M meet will be a 8,000 meter race at the University golf course at 10:30 AM.

GOPHER GYMNASTS COMPETING IN WORLD CHAMPIONSHIP TEAM TRIALS

Three University of Minnesota gymnasts will compete for a spot on the National team this weekend at the 1985 McDonald's World Championship Team Trials at the St. Paul Civic Center, September 26-28.

Current Gophers competing for a berth on the national team are Rob Brown (Sr., All-Around, Chicago, IL) , David Menke(Senior, All-Around, Bloomington, MN) and Collin Godkin(Junior, All-Around, Milwaukee, WI).

Minnesota gymnastics coach Fred Roethlisberger hopes for some good showings from his athletes. " I hope for one in the top eight, two in the top twelve and all three in the top twenty." Roethlisberger will also have his daughter Marie, a 1984 Olympian, in the women's competition.

Men's compulsories are set for 1:00 PM, Thursday and the finals will be held 7:30 PM on Friday night, September 27.

GOPHER ICERS AT HIBBING OCT. 6

Minneapolis, MN--New University of Minnesota head hockey coach Doug Woog will place his first Gopher team on show in Range Country Sunday, October 6, at Hibbing's Memorial Arena.

Coach Woog has scheduled a varsity intrasquad game beginning at 2:30 p.m. that day.

Action begins at 1:15 p.m. with an autograph/picture session at Memorial followed by a warmup clinic at 2:00 before the game.

Tickets for the game are \$2 adults and \$1 children. Proceeds from this event will be split between the Gopher hockey program and the Hibbing Youth Hockey Association.

Probably the most excited Gopher looking forward to this outing is senior right wing Pat Micheletti, the high-scoring Hibbing Bluejacket product.

Last year Micheletti led Minnesota to a 31-13-3 record, second place finish in the Western Collegiate Hockey Association, and a berth in the NCAA quarterfinals.

Micheletti scored a whopping 96 points on 48 goals and as many assists to rank second in the nation only to left wing Bill Watson of WCHA champion Minnesota-Duluth. Both men were named first team All-America.

Micheletti is presently the fifth highest scorer in UM hockey history with 191 career points. The all-time Minnesota scoring champ is Eveleth's own John Mayasich who scored 298 points from 1951 through 1955.

Although Micheletti is a proud Hibbing representative on the Gopher varsity, he will not be the only former northern Minnesota prep star on the ice Oct. 6.

Cloquet's Corey Millen, a 1984 U.S. Olympian, is in his junior season with the Gophers as is Tim Bergland of Thief River Falls. Both are forwards.

Two Grand Rapids products will also be skating when senior co-captain Tony Kellin, a defenseman, and senior center Eric Lempe hit the ice.

Add in junior defenseman Craig Mack from East Grand Forks and sophomore center Paul Broten from Roseau and the "North Country" is well represented from border to border.

"We certainly appreciate the opportunity to showcase our varsity players in such a hockey hotbed as Hibbing," Coach Woog says.

"The hockey history and traditions of this community go back to the beginning of our game in the U.S. In this sense we are proud to be invited to present this event.

"Being so early in the season I do not anticipate our players will be in midseason form. But I can promise a highly competitive game.

"The competition for positions on this year's team is very keen. So our players will be going all-out to show exactly what they can do and will give their very best performances.

"I'm certain the Hibbing fans will see a fast, exciting hockey game. It should be a great afternoon for all."

MINNESOTA TO OPEN BIG TEN SLATE SATURDAY

Minnesota hopes to rebound from its 13-7 weekend loss to top-ranked Oklahoma when entertaining Purdue on Saturday in the Hubert H. Humphrey Metrodome at 7:08 p.m.

It will be the Big Ten Conference opener for the Golden Gophers and the Boilermakers, both of whom will bring identical 2-1 non-conference marks into Saturday night's clash.

Coach Lou Holtz' host club had visions of a 3-0 start until its gallant upset bid of number-one rated Oklahoma fell short in the Golden Dome last weekend.

"We had the ball," Holtz analyzed, "and we were going for the winning score when the game ended. I thought we had a chance right up to the end."

Actually the Sooners had held the upper hand through much of the game, especially in the early going, before Minnesota's vastly-improved defense began to steal the show.

In the first half, Oklahoma held Minnesota to only 30 offensive yards and without a first down. Those one-sided efforts enabled the visitors to post a 10-0 lead.

But then Minnesota mastered Oklahoma's explosive offense and shut down the Sooners, limiting them to a single field goal the rest of the way.

When that happened, Rickey Foggie took over. The sophomore quarterback engineered one score....a 12-yard pass to tight end Kevin Starks....and almost got another.

It was Minnesota's defense that stole the show, however, and while the list of heroes included many Golden Gophers, senior linebacker Peter Najarian was perched on the top.

Najarian registered a total of 10 unassisted tackles and 13 assists for a total of 23 hits in the game. Bruce Holmes, converted from end to linebacker earlier this season, was next in line with 15 while Mark Dusbabek and Larry Joyner each had 13.

Those efforts were in vain, however, as Minnesota suffered its initial setback of the current campaign and now must hope it did not spend all of its emotion on the Sooners.

"I've never been more proud of a football team," Holtz said after the game. "I don't like to lose, and I don't believe there's any such thing as a moral victory. But we got beat by a great football team, and our players really hung in there against them. They never gave up."

They question remains then: can Minnesota bounce back against the highly-touted Purdue Boilermakers who knocked off Notre Dame 35-17 last weekend?

"Our loss to Oklahoma is over," Holtz said. "There is not much worse than losing, but that's in the past. Now it's the Big Ten. Now it's Purdue."

FOR THE LATEST IN GOPHER SPORTS DIAL 612-373-4211.

Minneapolis, MN---New University of Minnesota hockey coach Doug Woog, his staff and players have come through their first week of practice, according to Woog, very well.

"I would have to say last week was highlighted by both the enthusiasm of the players and their acceptance of the coaching staff," Woog commented Monday.

"We threw an awful lot of systems at them in one week's time, much of which were basically new to their previous style of play.

"But there was a positive acceptance on tough things to learn and any coach will tell you immediately that is a real plus.

"Naturally, there is much need of refinement, which was evident in Sunday's intrasquad scrimmage game out at Burnsville Arena. But don't get me wrong. Not all was bad Sunday.

"We were very pleased with the puck movement by our players. The hustle and desire was also at a high point. But as coaches we were probably as much pleased to see our men playing as a team more than anything else.

"And that includes everyone, not just the so-called high profile players, those who have already had big scoring successes.

"Four or five players who have not been on the front pages in the past made some solid contributions, including forwards Mike Anderson, Eric Lempe, David Grannis and Steve MacSwain.

"We are also pleased with the play of veteran defensemen Tony Kellin and Gary Shopez, plus newcomers Todd Richards and David Espe.

"Fortunately, the errors that were evident are correctable. And that's our job, the coaching staff. I'm glad we still have a couple more weeks before the season opens. There is a lot of work ahead."

Woog & Co. will next place the squad on view Sunday afternoon in the Hibbing Memorial Arena. The team plays another intrasquad game at 2:30 p.m. preceded by an autograph/picture session and warm-up clinic starting at 1:15.

The final intrasquad game of pre-season practice is scheduled Wednesday, Oct. 9, at the Aldrich Arena in Maplewood. Festivities there begin at 6:45 p.m. with the game starting at 7:45.

Proceeds from both the above events are split between the Gopher hockey program and local booster clubs who administrate kids hockey programs.

The first action in Mariucci Arena includes exhibition games Friday and Saturday, Oct. 11-12.

The first night features two alumni games, the first one among "old timers", with the second contest featuring more recent alumni, including at least five former Gopher stars who excelled for the championship 1980 U.S. Olympic Team, against the UM varsity.

Then on Saturday Minnesota plays host to Team Canada, a squad loaded with former Western Collegiate Hockey Association (WCHA) standouts.

Neither of the above nights are considered a part of the Gopher season ticket package.

The official season-opening series is at Mariucci Arena Oct. 18-19 against Michigan Tech.

THREE BASKETBALL AIDES NAMED AT U OF M

Three new appointments have been made to the basketball coaching staff at the University of Minnesota, with those posts including a part-time coach, a graduate assistant and a volunteer coach.

Jim Dutcher, Minnesota's 11th year head coach, has tabbed Bob Battisti as his part-time coach, Dan Kosmoski as the GA and Mike Dorrigan as a volunteer coach.

Battisti, 27, is a product of Montgomery High School. He attended Worthington Community College and received his B.S. degree from Mankato State University. He also has his M.Ed. degree from the University of Minnesota.

After being graduated from Mankato State, Battisti took over as the head basketball coach at Lakewood Community College, a post he held for three seasons. A year ago he joined the U of M staff as a graduate assistant while completing work on his masters degree.

Kosmoski, 26, is a native of Owatonna. He was a member of the U of M cage teams in the late 1970's, and received his B.S. degree in 1980.

Since that time Kosmoski has served as assistant basketball coach at Golden Valley Lutheran College as well as a staff member at a variety of summer basketball camps.

Dorrigan hails from Chicago Brother Rice and was a four-year letterman at Luther College in Iowa where he served as a team captain and played on two conference championship teams.

After receiving his B.A. degree from Luther in 1985, Dorrigan continued with graduate school and currently is enrolled in the business finance program at the U of M in pursuit of a Ph.D degree.

NOTE TO MEDIA:

The University of Minnesota will hold its annual Basketball Media Day on Saturday, October 5 in Williams Arena on the U of M campus.

Coach Jim Dutcher will host a luncheon in the Gold Room beginning at 12 noon, and all members of the press are invited to attend. Dutcher will address the group at 12:30 p.m., and then at 1 move to the practice floor where squad members and coaches will be available for interviews and pictures.

At 2 p.m. the public is invited to join the gathering for pictures, autographs and visitations with both members of the coaching staff and 1985-86 squad members.

We not only invite you, as a member of the working press, to be on hand, but we also solicit your assistance in notifying area basketball fans and the general public that they will be welcome to participate beginning at 2 p.m.

THREE GOPHER GYMNASTS PLACE IN TOP TWENTY AT WORLD CHAMPIONSHIP TEAM TRIALS

Minnesota gymnastics coach Fred Roethlisberger was a happy man last weekend as three of his current Gopher team members placed among the top twenty gymnasts at the World Championships in St. Paul, Minnesota. Roethlisberger also saw a former Gopher, Joey Ray place 12th in the men's competition and watched his daughter Marie, place fourth in the women's competition.

Gopher gymnasts excelling at the World Team Trials were: Collin Godkin(Jr. All-Around, Milwaukee, WI) with a 10th place finish, David Menke(Sr. All-Around, Bloomington, MN) a 13th place standing and Rob Brown(Sr. All-Around, Chicago, IL) a 16th place finish.

1984 Olympians Tim Daggett and Scott Johnson were one-two in the all-around competition with Brian Babcock third. Action took place at the St. Paul Civic Center, September 26-28 with the top six competitors and two alternates making the squad to compete at the World Championships.

GOLDEN GOPHER CROSS COUNTRY TEAM AT IOWA CITY SATURDAY: SPLIT SQUAD HOSTS GOLD COUNTRY

Minnesota will compete in a triple dual meet with the University of Iowa and Northern Iowa, Saturday, October 5, 10:30 AM in Iowa City, Iowa. Coach Roy Griak will send top runners Paul Gisselquist(Sr. Richfield, MN), Blaise Schweitzer(Sr, Cretin, MN), Marty Humphrey(Sr, Iron Mountain, MI), Frank Bjorkli(Fr. Hommelvik, Sweden), Wright Laufenberg(So, Hopkins, MN), John Laymon(So. Bloomington, MN), Robert Miller(Jr. Sauk Centre, MN) and David Duvick(Sr. Eden Prairie, MN)

The remaining squad members will compete in the Gold Country Open at Les Bolstad Golf Course in Falcon Heights(U of M Golf Course). The meet will get underway at 10:30 AM, 8,000 meter course. Teams expected to compete on Saturday are: University of Manitoba, University of North Dakota, North Dakota State University, Club Sota and the Gophers.

Minnesota opened the 1985 cross country season last Saturday losing to Big Ten power Wisconsin 15-48. Coach Griak was pleased with the opening performance. "In comparing times to last year at this time, we are much better than a year ago. Some as much as a minute and a half better. For the first meet, I think it went well. Gisselquist ran very well, his best time ever. It's no crime to lose to a great Wisconsin team. If we can continue to bring our times down, we'll be in the thick of the Big Ten race."

Following Saturdays action, Minnesota will host Drake University, October 12, 10:30 AM in a dual meet at the U of M Golf Course.

MIDNIGHT MADNESS TIPS OFF GOPHER CAGE PRACTICE

Midnight Madness, Golden Gopher style, tips off the start of basketball practice for Coach Jim Dutcher and the University of Minnesota early next week.

According to the NCAA, college teams may begin practice on October 15.... that's next Tuesday....and Coach Dutcher plans on getting a jump on things by getting underway just after midnight at 12:01 Monday.

"We hope to make a fun and enjoyable time out of it," Dutcher explained. "We are going to do a few extra things, and we hope to get our fans involved."

First on the agenda will be an abbreviated exhibition game between the Twin Cities Media All-Stars and the Golden Dunkers. That game, actually two 10-minute halves, will get underway at 11:30 p.m.

Paul Presthus, a former Golden Gopher, will captain the Golden Dunker squad which also will include Tom MacIntosh, Larry Mikan, Ray Finley, Rob Hamilton and Jim Miller. The Media All-Stars will be composed of local sports writers, broadcasters and telecasters.

Then at 12:01, Coach Dutcher will bring his 1985-86 Golden Gophers onto the floor and put them through a full-scale, intra-squad scrimmage to mark the opening of practice. Dutcher plans to divide the squad into the Maroon Sleepwalkers and the Gold No-Dozers.

Squad members will be led by this year's senior captains, John Shasky and Mark Wilson. Other lettermen on hand will be Todd Alexander, Tim Hanson, Mitch Lee, Kevin Smith, Paul VanDenEinde and George Williams.

Rounding out the Golden Gophers will be newcomers Mark Anderson, Ray Gaffney, Kelvin Smith and Terence Woods.

Assistant coaches Phil Saunders and Jimmy Williams will tutor the Maroons and the Golds.

Adding spice to the Midnight Madness event will be the Golden Gopher Pep Band, Goldy the mascot, the U of M cheerleading squad and the Minnesota Danceline. Sleepwear will be the official dress for all participants.

Admission is free, and numerous door prizes and Midnight Madness Buttons will be given away to all in attendance.

GOLDEN GOPHERS FACE FIRST ROAD GAME OF SEASON

For the first time this season, Head Coach Lou Holtz will take his University of Minnesota football show on the road for a Big Ten Conference outing at Northwestern on Saturday. Kickoff is set for 11:38 (CDT).

The Golden Gophers will risk an overall record of 3-1 and a Big Ten mark of 1-0 as a result of last weekend's stunning 45-15 triumph over Purdue at the Hubert H. Humphrey Metrodome.

Minnesota held the upper hand from the very outset of that contest and established its supremacy on defense, on offense and in the kicking game from the start.

"We played a complete game, played as a complete team for three quarters against Purdue," Coach Holtz analyzed after the win. And by that time, the outcome was well decided.

Sophomore quarterback Ricky Foggie had another spectacular night in leading Minnesota to its triumph. He was seven-of-seven passing (with no interceptions) and threw for one touchdown. On the ground he carried nine times for 47 yards and another TD.

But he had plenty of help. Gary Couch, sophomore flanker, caught three passes for 171 yards and that Foggie touchdown strike. Couch also rushed four times for 44 yards.

Valdez Baylor, senior tailback, chipped in with 68 yards on eight carries (with two touchdowns) while David Puk, senior fullback, had 36 in 10. In all, 13 Golden Gophers carried the ball against the Boilers.

On defense it was a similar story. There were heroes-a-plenty as Purdue's explosive offense was totally shut down by a game plan Minnesota players described as "great."

Peter Najarian, senior linebacker, again led the Golden Gophers with 11 hits.... five solo tackles and six assists. Bruce Holmes, junior linebacker, was not far behind with nine while Steve Thompson had two tackles for losses of 17 yards, Garry Hadd notched two for minus 11, Joel Brown had a fumble recovery and Matt Martinez broke up three passes.

But that's now part of the past, and the Minnesota contingent must play outside the Golden Dome for the first time in 1985. Coach Holtz and his players know it will be different on the road this time out of the blocks.

They also know that a year ago fiesty Northwestern shocked Minnesota 31-28, and the Wildcats own a three-game winning streak over the Golden Gophers. In all, Minnesota and Northwestern have met 66 times. Going into Saturday's contest, the Golden Gophers lead 39-23-4.

Minnesota apparently came out of the Purdue contest in good physical condition, and Coach Holtz probably won't make any drastic changes in his two-deep lineups.... either offensively or defensively....for the Cats.

QUOTING COACH LOU HOLTZ.....

On the subject of how important it is to get off to a good start in conference play and how significant the win over Purdue actually is, Lou Holtz said....."When you beat a team the caliber of Purdue, you would think that you are a legitimate contender, but in the Big Ten it just means that you have seven difficult games left rather than eight."

G-O-P-H-E-R-S

On the subject of how well Minnesota controlled the offensive line against Purdue, Lou Holtz said....."Our offensive line came off the ball better than at any time since I have been at Minnesota. It is a tribute not only to our players but to our assistant coaches."

G-O-P-H-E-R-S

On the subject of Minnesota coming together, of being a total and complete football team against Purdue, Lou Holtz said...."For us to have a chance to compete in the Big Ten we must have all our teams...offense, defense and kicking team....play well. When we do, as was the case for the first three quarters against Purdue, we are very competitive."

G-O-P-H-E-R-S

On the subject of Minnesota "gaining respect" with its efforts the last two weeks against Oklahoma and Purdue, Lou Holtz said...."I have always respected our players. They work hard and are a great group that cares about one another. They respect themselves, and that is more important than our opponents respecting us."

G-O-P-H-E-R-S

On the subject of Minnesota still needing to have its younger players come along more quickly and provide the Golden Gophers with the depth it needs, Lou Holtz said...."One of the major disappointments this year has been the performance of our second team. We should be and MUST be better in that area, but unfortunately those people haven't jelled yet."

G-O-P-H-E-R-S

On the subject of Minnesota's outstanding defensive effort against Purdue, Lou Holtz said...."Our defense has improved tremendously the last couple of weeks. Our linebackers, ends, secondary and line are all playing well. We give up some yards, but we don't give up the big play. Our opponents have not made many mistakes against us, and that is what makes our defensive performances the last couple of weeks so impressive."

G-O-P-H-E-R-S

On the subject of playing on the road for the first time this season on Saturday at Northwestern, Lou Holtz said...."We not only will be playing on the road for the first time Saturday, we also will be playing outdoors for the first time. Good teams play well in all places and under all conditions. With a young team, our concentration on the road concerns me."

Minneapolis, MN---Three hockey outings in four nights may seem a lot to some, but the Minnesota Golden Gopher varsity hockey team simply can't wait to get started.

This week's action begins at 7:00 p.m. Wednesday with the final intrasquad game of pre-season camp at Aldrich Arena in Maplewood.

Then it's back to Mariucci Arena where two games are scheduled Friday evening. An "Old Timers" alumni contest is set for 5:30 p.m. with the Gophers facing and "active" alumni team at 7:30.

In the latter game about five members of the 1980 championship U.S. Olympic Team will play against the varsity. Coaching that alumni team will be former Gopher ice boss, and coach of the '80 Olympians, Herb Brooks.

Then on Saturday at Mariucci, Minnesota plays an exhibition game against Team Canada, the squad being formed this year in hopes of being the Canadian representative for the 1988 Winter Olympics scheduled in Calgary, Alberta.

Several former standout WCHA players are on the Team Canada roster.

Minnesota's varsity players staged two intrasquad games last week which brought several mixed statements from new head coach Doug Woog Monday.

"I have to first and foremost say how pleased I am with the player's attitude and work habits," Woog said. "The players feel good about themselves and that, by itself, produces good feelings for all of us.

"In the two intrasquad games they handled themselves very well both on the ice and in mingling with our fans. Through these outings we are seeing the players gain identification from the fans and that always helps.

"We played a much more wide open style of hockey in Sunday's scrimmage game at Hibbing. Now I really don't know if that is due to the players becoming more effective with our offensive systems, or if it's because we are playing too loose defensively.

"Team defense is something all of our staff members are concerned about. We are simply not doing the covering and other jobs expected. Maybe it's too early for me to worry about this point, but it is an area we definitely need to work a lot harder at improving.

"As to playing three out of four nights, I really don't believe it will be a problem. We'll probably skate at least five lines, eight defensemen and two goal tenders against the Alumni. Then we'll make the decision as to who will line up against Team Canada."

LINEUP FORMING

Although coach Woog was quick to point out that nothing is certain as of this time, he did reveal some combinations that have been skating together.

One line that may be the fastest unit on the squad finds juniors Corey Millen at center between Steve MacSwain on the left and Todd Okerlund the right.

Other lines skating this week might see senior Pat Micheletti, who played right wing last year, centering senior Wally Chapman and sophomore Doug Grannis; senior Eric Lempe between freshman Tom Chorske and junior Tim Bergland; sophomore Steve Orth centering senior Mike Anderson and freshman Jay Cates; plus another unit of sophomore Paul Broten skating between junior John Labatt and senior Roger Bowe.

On defense these pairings are possibilities, including senior Tony Kellin with freshman David Espe, junior Gary Shopek with freshman Todd Richards, juniors Eric Dornfeld and Craig Mack, plus freshman walk-on Jeff Miller and freshman Brett Nelson.

Senior Frank Pietrangelo and sophomore John Blue return to battle for starting jobs in goal giving Minnesota more veteran depth here than any other position. Blue owned the lowest goals allowed average (3.00) in the WCHA last season.

Defenseman Tom Ward has decided to make baseball his full-time sport at Minnesota. He has two years of eligibility remaining in the diamond game, only one year left in hockey.

MIDNIGHT MADNESS TIPS OFF GOPHER CAGE PRACTICE

Midnight Madness, Golden Gopher style, tips off the start of basketball practice for Coach Jim Dutcher and the University of Minnesota early next week.

According to the NCAA, college teams may begin practice on October 15.... that's next Tuesday....and Coach Dutcher plans on getting a jump on things by getting underway just after midnight at 12:01 Monday.

"We hope to make a fun and enjoyable time out of it," Dutcher explained. "We are going to do a few extra things, and we hope to get our fans involved."

First on the agenda will be an abbreviated exhibition game between the Twin Cities Media All-Stars and the Golden Dunkers. That game, actually two 10-minute halves, will get underway at 11:30 p.m.

Paul Presthus, a former Golden Gopher, will captain the Golden Dunker squad which also will include Tom MacIntosh, Larry Mikan, Ray Finley, Rob Hamilton and Jim Miller. The Media All-Stars will be composed of local sports writers, broadcasters and telecasters.

Then at 12:01, Coach Dutcher will bring his 1985-86 Golden Gophers onto the floor and put them through a full-scale, intra-squad scrimmage to mark the opening of practice. Dutcher plans to divide the squad into the Maroon Sleepwalkers and the Gold No-Dozers.

Squad members will be led by this year's senior captains, John Shasky and Mark Wilson. Other lettermen on hand will be Todd Alexander, Tim Hanson, Mitch Lee, Kevin Smith, Paul VanDenEinde and George Williams.

Rounding out the Golden Gophers will be newcomers Mark Anderson, Ray Gaffney, Kelvin Smith and Terence Woods.

Assistant coaches Phil Saunders and Jimmy Williams will tutor the Maroons and the Golds.

Adding spice to the Midnight Madness event will be the Golden Gopher Pep Band, Goldy the mascot, the U of M cheerleading squad and the Minnesota Danceline. Sleepwear will be the official dress for all participants.

Admission is free, and numerous door prizes and Midnight Madness Buttons will be given away to all in attendance.

GOPHER FALL SPORTS UPDATES

CROSS COUNTRY TEAM EDGES IOWA AND NORTHERN IOWA IN TRIANGULAR: HOSTS DRAKE SATURDAY

The University of Minnesota cross country team will hope to continue its winning ways this Saturday hosting the Drake University Bulldogs, October 12, 10:30 AM at the Les Bolstad Golf Course. The two team dual meet will be an 8,000 meter race.

Paul Gisselquist(So, Richfield, MN) led a seven man Minnesota contingent last Saturday, winning two races at the Iowa City Triangular hosted the by the University of Iowa. The Golden Gophers edged Iowa 20-42 and beat Northern Iowa 27-29 in the triangular which was run in cool 40 degree weather with 30 MPH winds.

Gisselquist placed second overall and was Minnesota's top performer with a 26:05 race over the 8,000 meter course. The Gophers had six of the next 12 places to show excellent balance last weekend. Blaise Schweitzer(Sr, Cretin, MN) was 4th overall with a 26:19 time, Marty Humphrey(Sr. Iron Mountain, MI) 7th, 26:28, Frank Bjorkli(Fr. Hommelvik, Sweden) 9th, 26:45, Dave Duvick(Sr. Eden Prairie, MN) 10th, 26:50, Carson Hoeft(Fr. Armstrong, MN) 26:56, Robert Miller(Jr. Sauk Centre, MN) 14th overall with a time of 27:12.

Following Saturday's dual with Drake University, Minnesota will be at the Central Collegiate Championships in Kalamazoo, Michigan, Saturday, October 19.

GOLDEN GOPHERS TO INVADE INDIANA SATURDAY

Another tough road assignment, the second in two weeks, is next in line for the University of Minnesota when it invades Indiana for a Big Ten Conference football game on Saturday at 11:38 a.m. (CDT).

Coach Lou Holtz' contingent will put an overall mark of 4-1 and a Big Ten standard of 2-0 on the line in that outing after getting by gutty Northwestern 21-10 last weekend.

That was Minnesota's first road game this season after four straight contests, in the Hubert H. Humphrey Metrodome...and the initial outing away from those familiar surroundings plus playing outside for the first time this year had an effect upon the Golden Gophers.

"It might not have been spectacular," Coach Holtz agreed after the game, "but all we wanted was to get out of Northwestern with a win. We are 2-0 in the Big Ten, and that's what matters."

Holtz credited Minnesota's defense with keeping the Golden Gophers in the game during a period of time when Northwestern was playing exceptionally well and holding the visitors in check.

Among the standouts in that department would be (Donovan Small, Larry Joyner and Mark Dusbabek who had four solo tackles each (one of Joyner's was for a loss of five yards) and Duane Dutrieuille, Gary Hadd and Matt Martinez who had three each.

Offensively Rickey Foggie again led the way with an eight-of-15 passing afternoon good for 232 yards and a pair of touchdowns. He also rushed 19 times for 54 yards.

Valdez Baylor led all of Minnesota's rushers with 71 yards on 16 carries while Kevin Starks topped the receivers with 102 yards on three catches. Both had TD receptions.

Up front Minnesota's interior stalwarts....such as Dan Rechtin, Jon Lilleberg, Ray Hitchcock, Troy Wolkow and Jim Hobbins also drew accolades for their work against the Wildcats after some intricate offensive adjustments were made.

Those changes helped the Golden Gophers get untracked and jump off to their best start since 1976 when Minnesota was 2-1 in non-conference play and then 3-0 in the Big Ten before being hit with injuries and winding up 6-5.

And, while the U of M suffered some physical setbacks against Northwestern, it was hoped that most of those bruised Golden Gophers would respond in time for the morning Big Ten TV game of the week at Indiana on Saturday.

Minnesota needs to be healthy for the Hoosiers. The Golden Gophers have not won in Bloomington since 1968 when Coach Murray Warmath's contingent posted a 20-6 triumph. A year ago in the Golden Dome, Minnesota won 33-24 and it leads in the series 28-15-3.

Minneapolis, MN---It's remember the old but bring on the new at Mariucci Arena Friday and Saturday evenings when the Minnesota hockey Gophers play host to Michigan Tech in the WCHA opening series for both teams.

Both games have a 7:35 p.m. CDT starting time and will be aired via radio by KMFY-980 AM. WCCO-830 AM will broadcast Friday's game.

Both Minnesota and Michigan Tech have new head coaches. . . Doug Woog heading up the Gopher program and Herb Boxer taking over for the Huskies. Both men are graduates of and were outstanding hockey stars at their respective schools.

Woog takes a more veteran team into his first league scirmish while Tech has hopes of vacating the WCHA basement where the Huskies resided last season, their first since returning to the WCHA. Minnesota finished runner-up to champion Minnesota-Duluth in 1984-85.

Michigan Tech, like Minnesota, was a charter member of the WCHA back in the early 1950's, but left the Association in 1981 to join the CCHA. Tech, along with Northern Michigan, returned to the fold last season.

"I am certain that Michigan Tech is really eager to get off to a flying start this year in hopes of improving its chances," coach Woog offered Sunday. "I know that last Friday when they played to a 2-2 non-conference tie at Northern Michigan, they had already improved. Northern Michigan was picked to probably reach a first division finish this year.

"Tech has several big, young players that are going to cause trouble for a lot of WCHA teams in 1985-86. I hope we are ready to meet the challenge."

As for the Gophers, well, after last Friday's 6-0 exhibition whitewash at the hands of Team Canada in Mariucci Arena, it became apparent that Woog and Co. have a lot of work to do on the Gopher power play, offensively and defensively.

Minnesota was 0 for 8 in the extra man situations, while the Canadians cashed in on all four of their attempts.

"I'm certain we'll spend a lot of time on special teams work in practice this week," Woog continued. "In all fairness to our team, we did not put in a lot of time in these areas leading up to last weekend.

"We did put in a few options, but never really settled down to teaching situations with specified units. We more or less just covered over what we wanted the players to do, not with whom.

"I believe our men showed a bit too much finesse, were somewhat tentative on the power play. This further reflects in not having spent enough time in these particular areas.

"But overall I was not totally disappointed in our play. The intent was there to move the puck up, hit the lead man. On Friday against the Alumni team were had the time to make our plays and showed quick passing in winning 10-2.

"Team Canada limited our good intentions Saturday by hurrying us into more errors. The timing comes with practice and play. I believe our men will adjust to what we are trying to put in by time and repetition. Playing against Team Canada is a little different than being in practice.

"Everybody faces the same dilemma this weekend, that of jumping directly into WCHA play. There is no choice of further warmups. I do believe, however, it's an advantage for the players with Canadian backgrounds because of their more extensive play in Junior hockey. They play a ton of games up there."

Woog says he will probably open with sophomore John Blue in goal Friday coming back with senior Frank Pietrangelo Saturday.

On defense senior Tony Kellin will pair with rookie David Espe while another freshman, Todd Richards, skates with vet Gary Shopek. Craig Mack and Eric Dornfeld, both relatively short on experience, are the other pair.

Gophers lines Friday could go this way (LW-C-RW): Steve MacSwain, Corey Millen and Todd Okerlund; Wally Chapman, Jay Cates and Pat Micheletti; Mike Anderson, Eric Lempe and Tim Bergland; plus Tom Chorske, Steve Orth and David Grannis.

Woog added that forwards John Labatt and Paul Broten will probably dress for the second game.

Next weekend the Gophers travel to Minnesota-Duluth for another WCHA series.

GOPHER TENNIS TEAM AT PRESTIGIOUS SOUTHWESTERN LOUISIANA TOURNAMENT THURSDAY

Minnesota tennis coach Jerry Noyce will take four of his team members to the University of Southwestern Louisiana tournament this weekend. The tourney annually draws the top collegiate tennis teams and this years field includes Pepperdine, Southern California(USC), UCLA, Southern Methodist University and defending NCAA team champion- University of Georgia.

The Gophers opened the 1985 fall season with some impressive results at the Clemson University tournament two weeks ago. Chuck Merzbacher(Jr. Findlay, Ohio) won five straight matches enroute to the A flight championship and freshman Mattias Olsson(Tumba, Sweden) won five matches and copped the B flight championship.

Also competing for Minnesota at this weekends competition at Lafayette, Louisiana besides Merzbacher and Olsson will be last years #1 singles player Matt Grace(Milton, Massachusetts and sophomore Casey Merickel(Verndale, MN). The 64 player singles draw gets underway on Thursday and a 32 team doubles draw will also be held.

Matt Grace and Chuck Merzbacher will also compete at the Volvo Fall All-American Singles and Doubles championships at Los Angeles, California, October 31-Nov.3. Grace is the Midwest regional representative in singles and Grace-Merzbacher is the #1 Midwest doubles team at the Volvo Championships. Merzbacher did not qualify for the singles competition.

QUOTING LOU HOLTZ....

On the subject of Minnesota's defensive effort against Northwestern (toughness, physical, hard-hitting), Lou Holtz said....."You can't win on the road without defense. Defense starts with knowledge of your assignments, good fundamentals, tremendous effort and excellent toughness. Each week we have improved in all areas. Bruce Holmes, Peter Najarian, Donovan Small and Larry Joyner are really setting the tempo for us."

G-O-P-H-E-R-S

On the subject of Minnesota coming home with a win in spite of not having one of its better performance, Lou Holtz said...."Only an average person can be at their best all the time. We played well at Northwestern. Let's give them credit for a great effort. We won and that was the purpose of the trip down there. We were impressed with Northwestern."

G-O-P-H-E-R-S

On the subject of still not satisfied with Minnesota's inside running game, Lou Holtz said..... "We have enjoyed success running outside and throwing deep thus far. These will dry up quicker than a bank account with three children in college if you don't establish an inside running game and a short passing game and thus far we have done neither."

G-O-P-H-E-R-S

On the subject of continued concern over the Minnesota kicking game, Lou Holtz said... "One out of every six plays in some form or another is a kick. Our performance in this area has been a liability thus far. We have got to turn this into a plus if we are to be effective in the future."

G-O-P-H-E-R-S

On the subject of Minnesota being 2-0 in the Big Ten and 4-1 overall (best start since 1976), Lou Holtz said..."It isn't where you start but where you finish that is important."

G-O-P-H-E-R-S

On the effects on the squad playing outside for the first time this season and playing on the road for the first time, Lou Holtz said..."We can't control where we play, when we play, we can control only how we play. We can not worry about the factors such as wind, rain, crowd and environment. When we go on the road we are at a disadvantage but we won't worry about it."

G-O-P-H-E-R-S

On the subject of this week's opponent at Indiana, Lou Holtz said...."We will be playing a very inspired team Saturday. We haven't won there since 1968. Indiana is a fine team with a lot of talent and a great coach in Bill Mallory. Bradley may be the best quarterback in the Big Ten, Howard & Sweazy are excellent runners. Their offensive line is back and their defense swarms and will hit you. A week ago, they were in the Top 20."

G-O-P-H-E-R-S

On the subject of the Big Ten race, the toughness of the Big Ten, the high rankings of Big Ten teams, Lou Holtz said..."There are no winners in this league, only survivors."

MINNESOTA RETURNS HOME TO FACE OHIO STATE

After two straight weeks on the road, the University of Minnesota returns home Saturday for a Big Ten Conference football showdown with the Ohio State University Buckeyes.

Kickoff for Minnesota's 1985 Homecoming Assignment in the "Golden Dome" has been set for 2:42 p.m., and the game has been designated by CBS-TV as a national television outing.

Coach Lou Holtz' Golden Gophers will risk their impressive 5-1 record against the powerful Buckeyes, and they gained that stature with a 22-7 win at Indiana last weekend.

"We were glad to win it," Holtz proclaimed after that verdict. "It was a great win for us, and it gets us ready for the second half of the season."

Valdez Baylor, senior tailback, was the big man offensively for Minnesota in that win as he rushed for 141 yards and one touchdown in 20 carries....his most productive day as a Golden Gopher.

Defensively the top man for Holtz' contingent was senior linebacker Peter Najarian who registered nine solo tackles and five assists for a total of 14 hits.

Credit defensively also had to go to Donovan Small, junior free safety; Duane Dutrieuille, junior cornerback; and David Williams, sophomore strong safety; each of whom had interceptions against the frustrated Hoosiers.

As much as those Golden Gophers would like to savor their 3-0 conference beginning and celebrate the fact that Minnesota is off to its best start since 1976. Coach Holtz knows they better be ready for the invading Buckeyes.

"It is going to be interesting," Holtz said. "We will be facing our toughest challenge thus far this season. Ohio State has dominated every team it has played. They have been playing inspired football."

To compound the situation for Minnesota, the Buckeyes, now 5-1 on the season and 2-1 in Big Ten play, got standout runningback Keith Byars some extensive action and he responded with 106 yards and two touchdowns in OSU's 41-27 victory over Purdue last weekend.

Byars was ranked as a legitimate Heisman Trophy candidate prior to the start of the 1985 season but suffered a broken bone in his foot and missed the first several games. He's back in harness now and is listed as the starter for Saturday's game.

A year ago Ohio State held off Minnesota 35-22 and has posted three straight wins over the Golden Gophers. In the series, which dates back to 1921, Ohio State has dominated 22-6-0. Minnesota's most recent victory over the Buckeyes was by a 35-31 margin in 1981....at old Memorial Stadium.

Minneapolis, MN---The University of Minnesota hockey Gophers got their season off to the right start last weekend taking two at home from Michigan Tech 3-0 and 7-2.

But Tech was the last place finisher in 1984-85. This weekend the Gophers go up against two-time defending champion Minnesota-Duluth. . .on the road.

The Gophers and Bulldogs face off Friday at 8:05 p.m., and Saturday at 7:35 in the Duluth Arena. Both games will be carried back to the Twin Cities by KMFY-980AM radio, and KMSB-TV, Ch. 9. WCCO-830AM radio will carry Friday's game.

Duluth went on the road last weekend and raised a few eyebrows by sweeping a pair at North Dakota, 5-4 and 4-1.

"Anytime you win games on the road at a program with winning traditions like North Dakota, that has to be a huge bonus," says rookie Gopher head coach Doug Woog.

"Minnesota-Duluth must have played awfully well without the puck which means solid team defense.

"Up there (Duluth) we will have to respond very quickly. I expect to see fast paced games this weekend. Both teams are quick, but we may possibly be a bit larger physically. This could give us a very slight advantage when you consider the smaller size of their rink.

"Our major concern is of their quality players. They are not a young team and know their systems well. But we can't allow ourselves to be in awe of Minnesota-Duluth. We certainly respect their program and players. We simply must stay within ourselves and our own systems and not worry about theirs."

Asked to discuss his team's twin wins last weekend, Woog added, "The biggest difference appeared to be our team speed. In general, our men played up to their capabilities for this time of the year.

"Our team reaction to defensive play was good. A lot of our players realized they could play good defense and showed it.

"Unfortunately, we wanted to use some additional players Saturday, but who could we take out of the lineup that played Friday? It was a difficult decision, but we believed that everyone who played Friday deserved to appear Saturday.

"We anticipate the same men who dressed last weekend will be on the ice at Minnesota-Duluth. The only change at this time could see freshman defenseman Todd Richards breaking into the lineup. He was scheduled to play last week but suffered from a viral infection and was sidelined.

"We would also like to see sophomore center Paul Broten get some ice time. But this decision, like Richards, will be made later in the week."

One player definitely out of the lineup is senior wing Roger Bowe who suffered a broken thumb in the Alumni exhibition game and is expected to be out of the lineup a few more weeks.

Quoting Lou Holtz. . . .

On the subject of the improvement in Minnesota's kicking game from the Northwestern to Indiana games, Lou Holtz said....."Our kicking game was instrumental in our win and it is vital it shows continued improvement this week."

G-O-P-H-E-R-S

On the subject of the effort put forth by Valdez Baylor who had his career rushing high of 141 yards against Indiana, Lou Holtz said...."We are happy for Valdez and our team. He is a great example of what happens if you are patient and work hard."

G-O-P-H-E-R-S

On the subject of Minnesota not completing a pass yet still winning at Indiana, Lou Holtz said...."I wished we had thrown the ball better. However, I felt better after this game than I did when we threw for 200 yards and lost. The only thing that matters is the scoreboard."

G-O-P-H-E-R-S

On the subject of the improved Minnesota defense which had a shutout until only nine minutes remained against Indiana Lou Holtz said....."Our defense gives us a chance. We could not succeed without the development of our defense. Our assistant coaches and players deserve all the credit."

G-O-P-H-E-R-S

On the subject of the excellent play of the offensive line against Indiana Lou Holtz said...."Our offensive line has really become a good one. Hitchcock and Lilleberg give us the leadership. Hobbins, Walkow, Rehtin, and Wilson are much better players than people think."

G-O-P-H-E-R-S

On the subject of winning on the road for the second week in a row and being 5-1 Lou Holtz said...."Great teams win on the road and in all situations. We aren't a great team but we aren't bad."

G-O-P-H-E-R-S

On the subject of "coming home" to play Ohio State in the 1985 Homecoming game, Lou Holtz said...."We love coming back to play but it is no easy task to play Ohio State. They have a great team. I hope they play one this Saturday."

MINNESOTA TO PLAY AT MICHIGAN STATE SATURDAY

There are a couple of major questions being asked in the Golden Gopher football camp this week as the University of Minnesota prepares for its invasion of Michigan State University on Saturday.

That Big Ten Conference game is scheduled for an 11:08 a.m. (CST) kickoff, and it is a game that could go a long way in determining if Coach Lou Holtz' contingent is on or out of the circuit race.

But going into the contest, Golden Gopher fans are raising two major questions: Will sophomore quarterback Rickey Foggie mend and be available? Can Minnesota bounce back from its heartbreaking 23-19 loss to Ohio State?

"It was a tribute to our young men that they had a chance to win that game last Saturday right up until the end," Coach Holtz said. "Ohio State is as good as any team in the Conference, and we competed well against them. We played well and we played hard. We were on the threshold of victory, but we just could not put enough points on the board."

Foggie's absence may have been the reason the gallant Golden Gopher effort fell short. With Minnesota driving for what would have been the winning touchdown in the final moments of the game, Foggie was injured and forced to leave the game.

Now he's listed as "doubtful" for the Michigan State contest Saturday, and his name does not appear on the Golden Gopher two-deep. Coach Holtz is not counting on having Minnesota's offensive leader available.

Knowing that, and knowing that the entire Golden Gopher contingent spent everything it had physically and emotionally for the Homecoming Game against the Buckeyes, Minnesota followers wonder whether it is possible to bounce back against the upstart Spartans without Foggie in the lineup.

"We felt sorry for ourselves from Saturday night until Monday morning," Holtz said, "but Monday afternoon the Ohio State game was put out of our minds and we started concentrating on Michigan State."

Hopefully that is the case, because the Spartans will be another serious challenge for Minnesota. A week ago Michigan State went into Purdue and posted an impressive 28-24 victory. That makes MSU 3-4 overall and 1-3 in the conference and gives them a big boost in their preparations for the invading Golden Gophers who are 5-2 and 3-1.

It will take another solid effort on Minnesota's part defensively to stop MSU's two pronged attack of quarterback Dave Yarema and tailback Lorenzo White.

It will take supreme efforts from such Minnesota defensive leaders as linebacker Bruce Holmes who had 14 tackles against Ohio State, from free safety Donovan Small who had 13 and linebacker Peter Najarian who had 12.

And it will take more. "It will take a total team effort for us to have a chance to win," Holtz maintains. "It will take a total effort on offense, a total effort on defense and a total effort in the kicking game."

A year ago Michigan State came into the Hubert H. Humphrey Metrodome and escaped with a 20-13 victory....when Minnesota quarterback Rickey Foggie was injured early in the second half.

QUOTING COACH LOU HOLTZ. . .

On the subject of Minnesota's 23-19 heartbreaking loss to Ohio State last weekend being an example of the theory that football is a game of inches, Lou Holtz said...."Life is a game of inches and belief and resiliency and other things. You have many disappointments in life, but what is important is to never lose faith in yourself."

G-O-P-H-E-R-S

On the subject of the difference in the outcome of the OSU game being related to OSU making its four-and-one attempt and Minnesota not making it, Lou Holtz said...."There were many plays that were critical to the outcome and it would be unfair to pick one or two out. The momentum went back and forth as it showed in the game between two fine teams. I thought it was a great tribute to our team to place themselves in a position to win after all the adversity they faced last Saturday."

G-O-P-H-E-R-S

On the subject of how severe a loss Rickey Foggie's injury created at such a critical point in the game, Lou Holtz said...."It would be unfair to Ohio State and their fine team to detract from their win by dealing with ifs, but the fact Rickey was not allowed to play when we were under the impression he could created instability in our team at a critical moment."

G-O-P-H-E-R-S

On the subject of Minnesota being able to come back from such a disappointing loss to be ready for Michigan State, Lou Holtz said...."If anyone can come back it will be our players. This will be as tough a situation as they may face in their careers, but I feel certain they will play well and play hard."

G-O-P-H-E-R-S

On the subject of Minnesota now having to go back on the road this week to play another challenging Big Ten Conference game at Michigan State, Lou Holtz said...."Michigan State is on a high. They have a fine team that is well balanced and playing very well. They have a great deal of talent, and they are very well coached."

G-O-P-H-E-R-S

On the subject of Minnesota, at 5-2 and 3-1, still being in the Big Ten Conference race, Lou Holtz said..."We are in the race but certainly in the middle of the pack. We can't see the leader from our position, but we could put ourselves in a challenging view with a victory at Michigan State on Saturday."

HOCKEY GOPHERS HOST DU FRI-SAT

10/28/85

Minneapolis, MN---After gaining a valuable road split at defending champion Minnesota-Duluth, the U. of Minnesota hockey Gophers return home this weekend to host the U. of Denver in WCHA games Friday and Saturday.

Both games in Mariucci Arena begin at 7:35 p.m. and will be aired on KMFY-980 AM, with Friday's contest on WCCO-830 AM as well. Plenty of tickets are available for both games.

The split at Duluth helped create a four-way jam for first place in the WCHA standings. Tied with UM and UMD at 3-1 for top honors are Denver and Wisconsin, both the latter scoring series sweeps last weekend.

The Gophers put together a 4-goal second period Friday en route to a 4-2 win. But the Bulldogs controlled much more of Saturday's contest to win 5-2 by scoring three power play goals.

"We were very pleased with our overall play Friday," Gopher coach Doug Woog said Monday. "Our players had the desire to win which showed with their evenness of performance.

"Even though Minnesota-Duluth came out strong, our men didn't unravel. That's easy to do when you are on the road.

"I have to say that UMD showed more snap and quickness Saturday. They executed a very good game plan. Hey, they have a fine hockey team and I believe their experience on defense was the major factor of the series.

"As for our team, well, we are somewhat concerned about our goal output when playing at full strength. We are playing well, but not pulling the trigger, not completing our plays.

"It's possible that we need to allow our forwards a little more freedom in our offensive zone. This week we may juggle some of our lines to try and improve the scoring potential of each unit. That remains to be seen."

Asked about this week's opponent, Woog added, "I can't really say much because I'm not familiar with their personnel. But from what I'm told, Denver is a better team than they were rated in preseason. That's all I know."

Senior co-captain Wally Chapman was the only Gopher to score two goals at Duluth. He got UM's equalizer and game winner Friday, the latter his second in four games, and leads the Gophers in scoring with six points.

Both Minnesota goalies played extremely well with John Blue gaining the win Friday. Frank Pietrangelo was victimized Saturday when two UMD goals actually came on deflections by his own teammates. Both men could play in the Denver series.

GOPHER CROSS COUNTRY TEAM AT BIG TEN CHAMPIONSHIPS

The University of Minnesota Golden Gopher cross country team will be at the Big Ten Conference championship meet this Saturday November 2, in Ann Arbor, Michigan.

The Gophers have been led all season long by Co-Captain Paul Gisselquist (Richfield, MN) and he will be among the individual favorites at the 1985 Big Ten race, the 71st cross-country championship meet of the conference.

Minnesota was idle last weekend in preparation for the championship event. The 10,000 meter race has defending individual champion Tim Hacker (Wisconsin) returning this year. Hacker had a winning time of 30:18.8 last year to edge teammate John Easker by two-tenths of a second.

LAST YEAR AT THE BIG TEN CROSS COUNTRY MEET

Illinois edged Michigan and defending champion Wisconsin last year to win the 1984 Big Ten team title. Here are the team scores from the 1984 Big Ten CC Championship:

1. Illinois.....58	6. Minnesota.....138
2. Michigan.....62	7. Purdue.....162
3. Wisconsin.....64	8. Michigan State.....173
4. Ohio State.....107	9. Northwestern.....248
5. Indiana.....111	10. Iowa.....257

Minnesota cross country coach Roy Griak (23rd season) had these comments on the Big Ten race. "Wisconsin is the favorite on paper going in with Purdue second. The other teams will all have a shot at a first division (top five finish). We will need stellar performances from all seven runners to get in the top five and we have made great strides in self-improvement this season. I am quite confident that our team will show itself very well this weekend."

GYMNASTIC TEAM OPENS SEASON WITH ALUMNI MEET FRIDAY AT EDINA HIGH SCHOOL

The 1985-86 Gopher gymnastic team will host the University of Minnesota Alumni gymnasts Friday, November 1, 7:00 PM at Edina High School. The event will kick off the competitive season for Coach Fred Roethlisberger (15th season) and his defending Big Ten runnerup squad.

"It is good to get the season underway with the alumni meet. With our great gymnastic tradition at the University of Minnesota, we have many alums in attendance and competing," Roethlisberger said.

"The alumni meet does symbolize Minnesota gymnastics and it is a fun event. The varsity Gophers will try some new tricks and we aren't too worried about perfecting our routines yet."

GYMNASTS HOST JAPANESE

MINNESOTA vs. JAPANESE COLLEGIATE ALL-STARS DECEMBER 1, 2:00 PM AT WILLIAMS ARENA

For the fifth consecutive year the Japanese Collegiate All-Stars will compete against the University of Minnesota men's gymnastic team in a dual meet at Williams Arena. This year it will be a co-ed dual meet with the women's team of Minnesota also battling the Japanese women. It will be the second year of the co-ed meet.

The Minnesota men's team has won seven of the last 11 Big Ten gymnastic team titles and will be one of the favorites again in 1985-86. The Gophers were runnerup last year in the Big Ten to Ohio State University.

Coach Roethlisberger has three National Team members on his squad this season: Rob Brown (Sr. Chicago, IL), Collin Godkin (Jr. Milwaukee, WI) and David Menke (Sr. Bloomington, MN).

Menke will be competing internationally at the Cuban Invitational, November 29-30 and at the British Invite in London, December 21-22. Godkin will be competing at the Barcelona Invitational in Spain, December 14-15 for the US National team.

GOPHERS WEIGHT-BY-WEIGHT OUTLOOK

- 118 - Ed Geise is back after a red-shirt season in 1984-85...Geise won the 1984 Big Ten championship at 118 pounds and is expecting a big senior season.
- 126 - Freshman John Miller (four-time Minnesota state champion) is the top 126 candidate and will have a bundle of challengers at the weight.
- 134 - Blake Bonjean was 17-6-2 last season at 134 and is the top wrestler.
- 142 - Bruce Gebhart, last years 126 pounder may move up to 142 this year...Gebhart was 11-13-0 at 126 in 1984-85...Jim Keeler, Jerry Pritchard and Mark Shuda will challenge.
- 150 - Tim Manning (transfer from Iowa State) looks to be the top man at 150...Freshman Gordy Morgan and Ken Johnson could contribute at both 150 and 158.
- 158 - Brett Rasmussen was 7-8-0 at 150 last year and will move up to 158 in 1985-86.
- 167 - Rod Sande was 14-16-1 last year at 158 for the Gophers and will move up a weight this season...Freshman Mike Baker and Daniel Hanson will add depth.
- 177 - Eric Lehrke (red-shirt) and squad member Brian Flygare will battle for the 177 spot.
- 190 - Dave Dean moves up a weight from 177...Dean was 17-10-0 last year...Mark Helleksen will challenge at 190.
- HWT - Norries Wilson is the returning heavyweight with a 8-9-0 1984-85 record.

Head Coach: Wally Johnson (34th year at Minnesota -374-200-11 career record)

Assistants: Dalen Wasmund, Jim Martinez, John Hughes, Dan Chandler

Coach Johnson's 1985-86 Outlook

"We will be vastly improved this season. We will be much, much better and with the red-shirts (Ed Geise, Tim Manning) coming back, it will give us the leadership needed. Last year as a team we had seven freshman competing at times and we lacked that leadership. That was quite different than the year before when we were loaded with the veteran talent and were among the top ten nationally."

Johnson's Big Ten Outlook

"The Big Ten is a much tougher league overall this year. All teams are coming on and it's good for the league. Iowa is favored again to repeat both in the Big Ten and nationally. They have a wealth of talent under Coach Gable down there in Iowa. We'll hope to get in the upper division once again...Wisconsin and Michigan will follow the Hawkeyes. Many teams will be right in there and it will be an awfully balanced conference race, a dogfight at the Big Ten championships."
