## MOLITOR MAKES GIFT OF \$100,000 TO MEN'S ATHLETICS

Paul Molitor of the Milwaukee Brewers, an All-American shortstop for the Golden Gophers in 1976 and 1977, has made a gift to Men's Athletics of \$100,000, it was announced today.

The gift will become an endowment fund and will provide income to the department on an annual basis to cover the expense of one scholarship in the University's baseball program.

"We are extremely grateful to Paul for his generous gift," said Director of Athletics Dr. McKinley Boston. "Building financial support for our entire program is a major goal of mine. This type of gift has a very direct and positive impact on student-athletes and helps ensure continued success for our baseball program."

"Paul is a first-class person as well as an outstanding player," said Golden Gopher Baseball Coach John Anderson. "I know Paul is grateful for what the University, Dick Siebert and the baseball program did for him. We're certainly grateful for what he's done and is doing for us."

Gopher men's athletics have joined the ranks of a number of major Division I athletic programs in establishing individual sport endowment programs to deal with ongoing scholarship obligations, according to Associate Athletic Director Mark Dienhart. The Dick Siebert Scholarship Endowment Program in baseball is only a year old, but already has secured pledges or gifts in the amount of \$350,000. Other major donors to the program include former Minnesota Twins owner Calvin Griffith and Minneapolis businessman David Weiner.

**Broadcast Coverage:** Thursday's game at Indiana will be broadcast on WCCO-TV with Ted Robinson on the play-by-play and Billy McKinney as the analyst. Saturday's home game against Michigan will be broadcast on the Raycom weekend series and be seen locally on the Midwest Sports Channel. WCCO-AM 830 is the exclusive radio voice of University of Minnesota basketball with Ray Christensen calling all of the action.

**The Scouting Report:** Defending Big Ten co-champion Indiana scored an 81-60 victory over host Cincinnati on Saturday to raise its overall record to 9-2 on the season. A pair of All-Big Ten performers, 6-6 junior Calbert Cheaney and 6-9 senior Eric Anderson, headline a talented cast that includes a total of 10 returning letterwinners from the 1990-91 squad that racked up an impressive 29-5 overall mark, collected a share of the league crown with Ohio State, and advanced to the Sweet 16 of the NCAA Tournament. In his 21st season as head coach at Indiana, Bob Knight has logged a sterling 468-155 record. Overall, he is 570-205 in 27 seasons. Michigan closed out the non-conference portion of its schedule with a 63-51 win over Virginia Tech on December 30 and is now 8-1 overall heading into the Big Ten opener at Iowa on Thursday. The only blemish on the Wolverines' record was a thrilling 88-85 home court setback in overtime to the top-ranked and defending national champion Duke Blue Devils back on December 14. Four of five starters returned from last year's NIT squad, and then Head Coach Steve Fisher added what many astute observers have called the finest recruiting class ever assembled at one school. Chris Webber, who was considered the top prep player in the country a year ago, Jalen Rose, Jimmy King, Juwan Howard, and Ray Jackson make up the Wolverines' "Fab Five." In his third season as head coach at Michigan, Fisher, who took over as interim coach at the start of the 1989 NCAA Tournament and then directed the Wolverines to the national title, is 51-24 overall heading into Thursday's game at Iowa.

**Series Records:** Indiana holds a 77-47 advantage in the all-time series with Minnesota, while Michigan leads 62-49. The Hoosiers and Wolverines both swept the season series from the Golden Gophers a year ago.

**Hello Again:** Saturday's game against Michigan will be "reunion day." Detroit Southwestern High School won its second straight Michigan State Class A title and claimed the top ranking in the final USA Today prep national poll a year ago with present Michigan Assistant Coach Perry Watson as the head coach, and Minnesota freshman standout Voshon Lenard (Detroit) and Wolverines rookie star Jalen Rose as the key players.

**Coach Haskins:** In his sixth season at the helm, Head Coach Clem Haskins has been the chief architect behind the resurgence of the Golden Gopher basketball program. After two rebuilding seasons, he directed the program to national prominence with back-to-back storybook runs through the NCAA Tournament in 1989 (Sweet Sixteen) and 1990 (Elite Eight). Known as "Clem the Gem," he was a consensus All-America choice, and is still recognized as one of the most dominant players to ever play in the Ohio Valley Conference, after charting a standout collegiate career at Western Kentucky. The third player selected in the NBA draft, he went on to play nine outstanding seasons in the professional ranks. Coach Haskins has recorded an 81-79 overall record at Minnesota, including a 62-42 mark over the past three-plus seasons. He has a 182-152 overall record in 12 seasons.

**Heartbreaking Loss:** The Golden Gophers dropped a heartbreaking 76-73 decision to Iowa State on Saturday before 16,029 at Williams Arena. With the score tied at 73-73 and 3.2 seconds remaining, an attempted inbounds pass hit the bottom of the scoreboard at midcourt, giving possession back to the Cyclones underneath their own basket. Justus Thigpen then took the inbounds pass and put back his own miss, was fouled, and then nailed the subsequent free throw with 0.2 seconds remaining. Chad Kolander (Owatonna, Minn.), a 6-9 redshirt freshman, turned in the finest game of his budding collegiate career. He scored a team-high 16 points, missing only one shot the entire game (four-of-five from the field, eight-of-eight from the free throw line), and hauled down five rebounds in 20 minutes of action. Voshon Lenard chipped in 14 points, including a clutch three-pointer with 31 seconds remaining to tie the game at 73-73, and sophomore Randy Carter (Memphis, Tenn.), playing despite painful bone spurs in the arches of both feet, tallied 11 points and collected six rebounds in the defeat.

## GOPHERS SWEEP MICHIGAN TECH; HOST UMD THIS WEEKEND

Head Coach Doug Woogs' Golden Gopher ice hockey team (14-6, 10-4) will host Minnesota-Duluth (7-10-1, 6-9-1) this weekend at Mariucci Arena. Both games are slated for 7:05 p.m. starts. The Gophers are coming off a two-game road sweep over Michigan Tech this past weekend where the Maroon and Gold tallied wins of 5-2, and 6-1.

**Freshmen Lead the Way:** The Gopher victories over Michigan Tech were high-lighted by strong offensive efforts by the freshman class. On Friday night, WCHA Freshman of the Year candidate **Darby Hendrickson (Richfield, Minn.)** opened the scoring with his 12th goal of the year, while fellow freshman **Justin McHugh (Minnetonka, Minn.)** tallied his second and third career goals to pace the Gophers to the 5-2 win. In the Saturday game, Hendrickson took off where he left off Friday night, by scoring his 13th and 14th goals of the year to put him one goal behind pre-season All-American **Trent Klatt (Osseo, Minn.)** in the Gophers scoring charts. Hendrickson is the leading freshman scorer in the WCHA with 14 goals and 10 assists and has now scored 10 goals in his last 10 games, and 14 in his last 15 games. For the weekend the Minnesota freshmen corp tallied five goals and four assists between Hendrickson (3-1=4), McHugh (2-1=3) and **Steve Magnusson (0-2=2, Anoka, Minn.)**.

**Johnson-Hendrickson-Klatt Line on Fire:** The line combination of **Craig Johnson (St. Paul, Minn.)**, Darby Hendrickson and Trent Klatt has been on fire of late. They have tallied 11 goals in the last six games, and those three players now have 39 of the Gophers 99 goals and have tallied 87 points for the year. All three players are candidates for WCHA post-season honors. They also have tallied 20 of the 35 Minnesota power play goals.

**Stolp Leads the WCHA:** Pre-season All-American **Jeff Stolp (Nashwauk, Minn.)** continued his sterling play in the nets for the Gophers this past weekend, notching his 11th and 12th victories and lowering his goals against average to 2.93 which leads the WCHA. Stolp led the WCHA in GAA and save percentage last season, yet was snubbed in post-season awards and was not a first or second team All-WCHA choice. He has now raised his career record to 42-15-6 with a 3.21 GAA and is the backbone of the Gophers league-leading defense.

**Big "O":** Pre-season All-American **Larry Olimb (Warroad, Minn.)** continues to lead the Gophers in scoring with 8 goals and 30 assists for 38 points. The senior captain is the quarterback of the power play and a key member of the penalty-killing unit as well. Olimb now has 133 career assists to rank him third on the all-time list behind Pat Micheletti (1982-86, 149), and John Mayasich (1951-55, 154). Olimb is one of the most exciting players in the country and his dramatic rushes up the ice create many scoring opportunities for himself and his teammates.

**Team Defense:** The Gophers lead the WCHA in defense, allowing just 3.14 goals per-game. The penalty-killing unit is clicking at an 82%. That strong defense starts with Stolp but is bolstered by the play of Pre-season All-American **Doug Zmolek (Rochester, Minn.)** who is a physical force in the Gophers zone. Travis Richards has been outstanding behind the blue line, while adding offensive zip to the forwards. Second-round NHL draft pick **Mike Muller (Wayzata, Minn.)** improves with each game, while veterans **Sean Fabian (St. Paul, Minn.)** and **Chris McAlpine (Roseville, Minn.)** add strength and stability to the group.

**Woog Watch:** Head Coach Doug Woog notched his 208th and 209th victories over the weekend and now sports a 209-80-11 record with a 153-50-10 WCHA mark. His winning percentage of .711 is the top of any active collegiate coach. Woog is also the all-time leader in wins at Minnesota, and is third in career winning percentage behind I.D. McDonald (10-1-1, .875, 1922-230 and Emil Iverson (70-20-13, .743, 1923-30).

**Bulldogs Come to Town:** Inter-state rival UMD comes to town this weekend after losing a pair of WCHA games at Denver University this past weekend. The Bulldogs are in fifth-place in the WCHA with an 7-8-1 record and an 7-10-1 overall record. The Gophers and Bulldogs met in the season opener at Duluth in October, with Minnesota winning the opener 7-3, but losing the second game 7-4.

**About the "Dogs":** The Bulldogs are coached by Mike Sertich who is in his 10th season at the helm of the Duluth program. The former UMD letterwinner has a career mark of 204-169-23 and has won three WCHA titles and taken his team to the NCAA tourney three times. The Bulldogs are led by the line of Derek Plante, Doug Torrell, and Kevin Kaiser. Those three players had accounted for 59 of the Bulldogs 149 points as of 1/2/92. On defense the return of Greg Andrusak from the Canadian National Team has solidified an already strong group. Andrusak was second in team scoring going into the Denver series with five goals and 13 assists. Veterans Jon Rohloff, Brett Hauer and Rod Aldoff add some muscle in their zone, while freshman Jerome Butler has been the primary goalie and had a 5-5-1 record with a 3.91 GAA before the weekend.

**Broadcast Notes:** The UMD series will be broadcast on KFAN 1130 AM radio both nights with Greg Harrington and Doug Johnson giving you all the action. On Friday, KITN FOX 29 will televise the game with Wally Shaver and Frank Mazzocco bringing home the action. The Saturday night game will be televised by Midwest Sports Channel with Doug McLeod and Dick Bremer describing the game. Both games are slated for 7:05 p.m. starts.

## FORMER ALL-AMERICAN PAUL MOLITOR ENDOWS SCHOLARSHIP

The University of Minnesota baseball program announced last week that former Gopher All-America shortstop Paul Molitor, now with the Milwaukee Brewers, would give a \$100,000 gift to Men's Athletics to endow a scholarship for the baseball program.

Gopher men's athletics have joined the ranks of many other Division I programs in establishing individual sport endowment programs to deal with ongoing scholarship obligations. The Dick Siebert Scholarship Endowment program in baseball is only a year old, but has already secured pledges or gifts in the amount of \$350,000. Other major donors to the program include former Minnesota Twins owner Calvin Griffith and Minneapolis businessman David Weiner.

The Gopher baseball team throws out the first pitch on the 1992 season on February 6-9, when the Maroon and Gold play the University of Arizona in a three-game series at Tucson.

## MINNESOTA SWIMMING & DIVING WINS GOLD COUNTRY INVITE

The University of Minnesota swimming & diving team outdistanced St. Cloud State by 843 points (1397 to 554), enroute to winning their annual Gold Country Invitational meet. St. Olaf finished third with 522 points, while Mankato State finished fourth with 290 points. Individually, strong performances were turned in by senior diver **Omar Boyd (Los Angeles, Calif.)**, as he captured the one (514.30) and three (511.30) meter diving events and by junior **Paul Kaump (Rochester, Minn.)**, who won the 100 (:51.75) and 200 yard backstroke (1:54.42). The meet was held at the University of Minnesota Aquatic Center.

**Up Next:** The Golden Gophers will travel to Lawrence, Kansas to take on the Jayhawks in dual meet competition, this weekend. Meet time is set to begin at 2:00 p.m. Last season Minnesota defeated their Big Eight opponent 194-104 in Minneapolis.

## WRESTLING TEAM HEADS FOR VIRGINIA DUALS

Coach J Robinson's wrestlers will risk their 3-0 dual meet record when they take part in the Virginia Duals held in Norfolk, Va. this coming Friday and Saturday (Jan. 10-11).

Minnesota, which was scheduled to participate last Saturday (Jan. 4) in the Oklahoma Sooner Open, decided to rest up after a busy holiday schedule saw them sweep three matches at the California Duals and place 14 wrestlers in the top five at the Midwest Championships.

On December 15, in California, the Golden Gophers defeated San Diego State, Cal State-Fullerton and UC-Davis. They followed that successful day with a prosperous trip to Ames, Iowa where they brought home four individual titles at the Drake University meet (Dec. 18). The winners included senior **Eric Folkins (118 - Sacramento, Calif.)**, freshman **Tim Harris (134 - St. Louis, Mo.)**, junior **Mike Marzetta (158 - Liberty Lake, Wash.)** and sophomore **Damon Johnson (142 - Mustang, Okla.)**.

## TENNIS TEAM REVS-UP FOR BUSY WINTER SCHEDULE WITH INTRA-SQUAD MATCH

For the first time in memory the men's and women's tennis teams will be participating in a co-ed event. Beginning at 6:30 p.m. Saturday, Jan. 11 the two squads will hold an event labeled, "Double-Trouble in the Bubble." As host school for the upcoming Rolex National Indoor Championships, Minnesota receives one singles and one doubles wildcard entry for both its men's and women's teams.

This year the teams have decided to play challenge matches, forcing their players to earn those berths rather than simply awarding the spots to each team's number one player. Saturday's event will be the culmination of a week-long series of matches. Fans will see the men's singles and women's final, as well as a mixed-doubles tournament (also a U of M first).

## TRACK & FIELD TEAM HOSTS EARLY BIRD OPEN SATURDAY

The Golden Gopher track & field team will host the Early Bird Open on Saturday at the University of Minnesota Field House. The meet gets underway at 11:00 a.m.

## SCHADE NOT TRANSFERRING TO U OF M

Tim Schade, the 6-5 quarterback from Texas Christian University who had contemplated following his uncle, Coach Jim Wacker, to the University of Minnesota, has decided not to transfer to the U of M.

Schade started five games for the Horned Frogs in 1991 before being injured. He visited the U of M campus over the weekend, and after carefully weighing his options, informed Coach Wacker Tuesday that he would not become a Golden Gopher.

"I have decided not to enroll at the University of Minnesota," Schade said. "While I was very impressed with the situation at Minnesota, I feel that coming to the U of M to play for my uncle again after having first played for him at TCU would be creating too much pressure. Minnesota is a great school, and I do wish Coach Wacker and the Golden Gophers every success in the future."

## **STEVE CALVERT, BRENT DAVIS NAMED CO-CAPTAINS FOR 1992**

Golden Gopher baseball coach John Anderson announced that seniors Steve Calvert and Brent Davis were elected co-captains by the team for the 1992 season, which opens February 6 at Arizona. Calvert, a fifth-year senior from Edina, hit .274 for the Maroon and Gold in 1991, while splitting time with freshman Mark Merila at the second base position.

Pitcher Brent Davis, a southpaw from Minnetonka, has become a solid performer in the Golden Gopher rotation. He appeared in 20 games last season, started 10, and posted a 4-5 record with 2 saves. Davis is one of six senior pitchers on the 1992 squad.

## **BUELL NAMED CABMA MANAGER OF THE YEAR**

Ken Buell, assistant director for internal affairs in the men's athletic department at the University of Minnesota, has been named College Athletic Business Managers Association Manager of the Year.

Buell, 45, was honored at CABMA's annual convention, held in conjunction with the NCAA meetings in California earlier this week. He is a past president of the organization, has been at the U of M since 1969 and has been a part of the Golden Gopher athletic staff since 1972.

"Obviously I view this as a distinct honor," Buell said. "CABMA is an outstanding organization made up of great individuals. I consider myself fortunate to have had the privilege of working with them over the years, and now to be honored by them is something very special."

When first joining the athletic department, Buell served as ticket manager. Those duties were expanded to include game day operations manager and then, in 1990, he was named assistant director in charge of athletic facilities, game-day operations and the athletic ticket office.

A native of Holstein, IA, and a graduate of the University of South Dakota, Buell has been an active member of CABMA for more than 20 years.

## **NICHOLS TO TRANSFER FROM UNIVERSITY OF MINNESOTA**

Josh Nichols, a 6-6, 190-pound freshman from Jackson, Mich., will transfer from the University of Minnesota to a school closer to home.

"I want to get closer to home," Nichols said. "If I transfer now, then I won't have to sit out another full season. I've been very happy here at the University of Minnesota, but I think that at this time this is something that I need to do for myself."

"Josh has been a real credit to our program," said Golden Gopher Head Coach Clem Haskins. "He's a super young man who comes from a great family and we hate to see him leave. We wish him the very best."

## **EARLY BIRD FOOTBALL TICKET SALE ANNOUNCED AT U OF M**

An Early Bird football season ticket sale will get underway at the University of Minnesota on January 27, and the venture will be designed to generate new and increased sales for Golden Gopher football.

Special mailings, season ticket applications and promotional folders are being created to promote the early bird campaign, and much of that material, featuring new Head Coach Jim Wacker, is expected to be in the hands of potential buyers later this month.

The 1992 season ticket package, good for six home games.....two non-conference assignments against San Jose State and Colorado, and four against Big Ten rivals Illinois, Michigan State, Indiana and Iowa ..... in the Hubert H. Humphrey Metrodome will be priced at \$102.00 each, the same as a year ago.

This campaign is aimed exclusively at new season ticket buyers. Season ticket holders from last year will not be asked to renew their orders until the regular season and single game sales begin in April.

## **NALL TO STAY AT TCU**

Hugh Nall, a member of Jim Wacker's football coaching staff for three seasons, has opted not to join Wacker at the University of Minnesota and instead remain at Texas Christian University.

Nall had been expected to become the Golden Gopher's offensive line coach, but early this week was offered the post of offensive coordinator with the Horned Frogs, and he decided to accept that TCU offer.

"I am extremely happy for Hugh," Coach Wacker said. "This represents professional advancement and is a tremendous opportunity for him. I wish him the best."

The Nall decision, coupled with recent NCAA legislation which restores the ninth assistant coach position to Division I member schools, results in Coach Wacker now having two positions to fill on his University of Minnesota staff.

While Coach Wacker may not be facing any urgent decision on those two vacancies, he is accepting applications and plans to begin interviewing candidates immediately.

**Coach Haskins:** In his sixth season at the helm, Head Coach Clem Haskins has been the chief architect behind the resurgence of the Golden Gopher basketball program. After two rebuilding seasons, he directed the program to national prominence with back-to-back storied runs through the NCAA Tournament in 1989 (Sweet Sixteen) and 1990 (Elite Eight). Known as "Clem the Gem," he was a consensus All-America choice, and is still recognized as one of the most dominant players to ever play in the Ohio Valley Conference, after charting a standout collegiate career at Western Kentucky. The third player selected in the NBA draft, he went on to play nine outstanding seasons in the professional ranks. Coach Haskins has recorded an 82-80 overall record at Minnesota, including a 63-43 mark over the past three-plus seasons. He has a 183-153 overall record in 12 seasons.

**The Scouting Report:** In a game that was close throughout, Wisconsin dropped a 79-63 decision to No. 10 Indiana in Madison last Saturday to fall to 10-5 overall, 1-1 in the Big Ten, coming into Wednesday's clash with the Golden Gophers. Sophomores Tracy Webster (17.3 ppg/3.4 rpg) and Carlton McGee (12.6 ppg/5.4 rpg) scored 23 and 19 points respectively for the Badgers. In his 10th season at Wisconsin, Head Coach Steve Yoder has registered a 125-152 record. Overall, he is 202-214 in 15 seasons. Despite losing Steve Smith, a first round NBA draft pick, No. 9 Michigan State returned eight letterwinners, including four starters, this season from the 1990-91 squad that finished 19-11 overall and advanced to the second round of the NCAA Tournament. The Spartans have compiled an impressive 11-1 overall record, 1-1 in the Big Ten, heading into Wednesday's encounter with Northwestern in East Lansing. Through 12 games, a total of four Spartans are averaging in double figures and five different players have finished as the team's high scorer in at least one contest. Shawn Respert (16.7 ppg/2.5 rpg), a 6-3 redshirt freshman guard, scored 28 points in the team's 77-75 win over Illinois at home last Saturday. Mike Peplowski (14.0 ppg/9.2 rpg), a 6-10 junior center who was a member of the U.S. team at the Pan American Games last summer, 6-7 senior forward Matt Steigenga (13.2 ppg/4.9 rpg), and 6-7 junior forward Dwayne Stephens (10.3 ppg/5.7 rpg), headline Head Coach Jud Heathcote's balanced lineup. The quarterback of the Spartans' attack is 6-2 senior guard Mark Montgomery (6.3 ppg/4.7 rpg/6.2 apg). In his 16th season at the helm, Heathcote has registered a 272-182 record. He is 352-235 overall in 21 seasons.

**Series Records:** Minnesota holds an 84-70 advantage in the all-time series with Wisconsin, and a 45-34 edge in the all-time series with Michigan State.

**The Madison Blues:** Since taking over the reins of the Golden Gophers, Head Coach Clem Haskins is 0-5 vs. Wisconsin in Madison.

**Lenard Leads The Way:** Freshman Voshon Lenard (Detroit) tallied 25 points and collected eight rebounds to lead the Golden Gophers to a 73-64 upset of No. 11 Michigan before 16,193 at Williams Arena last Saturday. Coming on the heels of a 46-point (96-50) drubbing at the hands of No. 10 Indiana on Thursday, the victory was sweet for Coach Haskins' young squad. The Golden Gophers bolted out to a 9-0 advantage and never relinquished the lead en route to the win. Sophomore Arriel McDonald (Raleigh, N.C.) played a fine overall floor game, finishing with 12 points on the day, while redshirt freshman Chad Kolander (Owatonna, Minn.) continued to impress with 11 points and five rebounds in 20 minutes of action.

**Giant Killers:** Coach Haskins' Golden Gophers have become "Giant Killers" in Big Ten home openers. Following Saturday's upset of No. 11 Michigan, his squads have now compiled a 5-1 overall record in league home openers. During his first season at the helm in 1986-87, the Golden Gophers topped unranked Wisconsin 69-67 at Williams Arena. The Golden Gophers also defeated No. 5 Iowa 80-78 in 1988-89, No. 4 Illinois 91-74 in 1989-90 and No. 22 Iowa 79-77 last season. The lone setback was a 65-61 defeat to No. 19 Illinois in 1987-88.

**Welcome To The Big Ten:** Things certainly don't get any easier for Coach Haskins' youthful Golden Gophers after opening league play with No. 10 Indiana and No. 11 Michigan. After playing at Wisconsin on Wednesday, the Golden Gophers will host No. 9 Michigan State on Saturday, before meeting No. 6 Ohio State in Columbus on January 22.

**Williams Arena:** The Golden Gophers have become very tough to beat at home in front of their loyal home fans. They have registered an impressive 42-12 record (.778) over the past three-plus seasons within the hallowed halls of Williams Arena, including a 6-1 mark this season.

**Great Balance:** Through 15 games, 10 players are averaging at least 3.5 points and 12 minutes a game for the Golden Gophers.

## **GOPHERS TAKE A PAIR FROM BULLDOGS AND MOVE ONE POINT OUT OF FIRST-PLACE; HOST MICHIGAN TECH HUSKIES THIS WEEKEND**

The University of Minnesota Golden Gopher hockey team extended its winning streak to six games by defeating the Minnesota-Duluth Bulldogs 3-0 and 5-4 (OT) this past weekend at Mariucci Arena. The wins improved the teams record to 16-6 overall and 14-4 in the WCHA. The Gophers are now one point behind league-leading Northern Michigan in the WCHA standings.

The Gophers continue their home stand this weekend with a two-game series with Michigan Tech. The Huskies (11-11-1, 9-10-1) are coming off a two-game sweep of St. Cloud State at home and will come in looking for revenge for the two wins the Gophers took from them two weeks ago in Houghton.

**The Series:** The Minnesota/Michigan tech series stands at 123-67-8 with the Golden Gophers holding the overall edge. Head Coach Doug Woog has a 22-4-1 record vs. the Huskies and a 10-2 record against them at Mariucci Arena. The Gophers won two games at Michigan Tech on January 3-4 (5-2, 6-1), when All-American candidate **Jeff Stolp (Nashwauk, Minn.)** held the Huskies to three goals in the two games.

**About The Huskies:** Michigan Tech is led in scoring by left wing Jim Storm who has posted 19 goals and 17 assists for 36 points in 23 games. Center John Young is second in scoring with 11 goals and 22 assists, followed by Jamie Steer who has netted 11 goals and 18 assists. Those three players have tallied over half of the Huskies' scoring this season. The strength of the Huskies' defense starts with their goaltenders, Jamie Ram and Geoff Sargeant. Sargeant posted both wins in the St. Cloud State series and has a 5-6 record with a 3.40 GAA and a 90.6 save percentage. Ram has a 6-5-1 record with a 3.61 GAA and an 89.2 save percentage. Note: The Michigan Tech overall record and statistics include those generated in a 10-2 win over Laurentian University of Canada. The WCHA and the NCAA does not recognize the game as counting on their record.

**Stolp Continues to Roll:** Pre-season All-American Jeff Stolp continues to shine for the Gophers. The senior goalie posted his 13th and 14th wins of the year and reduced his GAA to 2.82, while raising his save percentage to 88.8. Stolp's career numbers now show him with a 44-15-6 record and a 3.16 GAA. Stolp led the WCHA in GAA and save percentage last season and is the leader this season in GAA, wins and shutouts.

**Big "O":** Pre-season All-American Larry Olimb (Warroad, Minn.) continues to lead the Gophers in scoring with nine goals and 30 assists. Olimb has five power play goals and two short-handed goals, while leading the team in assists. The senior captain is the quarterback of the power play. He now has 133 career assists to rank him third on the all-time list behind Pat Micheletti (1982-86, 149), and John Mayasich (1951-55, 154). Olimb is one of the most exciting players in the country and his dramatic rushes up the ice create many scoring opportunities for his teammates and himself.

**Freshmen Contribute:** The Gophers continue to receive great contributions from the freshman class. Freshman of the Year candidate **Darby Hendrickson (Richfield, Minn.)** has been on an incredible roll. He has now scored 11 goals in his 12 games and has scored 15 goals in his last 17 games. He is the leading scorer in the WCHA for freshman and is second on the Gophers in goals scored with 15. **Steve Magnusson (Anoka, Minn.)** is right behind Hendrickson in scoring for freshman with seven goals and 14 assists, while **Justin McHugh (Minnetonka, Minn.)** has netted three goals and three assists. Freshman goalie **Jeff Callinan (Minnetonka, Minn.)** has a 2-1 record in the nets for the Gophers as Jeff Stolp's backup.

**Klatt Attack:** Junior All-American candidate **Trent Klatt (Osseo, Minn.)** continues to lead the Gophers in goals with 16, but is being chased hard by Darby Hendrickson. Klatt has been a force for the Gophers in the corners and is one of the strongest wingers in the conference. His eight power play goals leads the team, and he will be one of the keys to the team's success down the stretch.

**Broadcast Notes:** The Minnesota/Michigan Tech series will be broadcast on KFAN AM 1130 with Greg Harrington and Doug Johnson calling the action. The Saturday night game will be delayed because of the Timberwolves game, but will be available live on KJJO AM 950. The television schedule shows KITN FOX 29 televising the Friday night game with Frank Mazzocco and Wally Shaver bringing you the action. The Saturday night game will be televised by Midwest Sports Channel with Doug McLeod and Dick Bremer bringing you the action.

**Road Warriors:** Following the Michigan Tech series this weekend, the Gophers will go on the road for six straight games, including key games at Colorado College, Northern Michigan and Wisconsin. The Maroon and Gold returns to Mariucci Arena for a five-game home stand with Colorado College, Denver and St. Cloud State, before finishing the regular season on the road with three games at St. Cloud State (1) and North Dakota (2).

**Woog Watch:** Head Coach Doug Woog notched his 210th and 211th wins and now has a career record of 211-80-11 for a winning percentage of .717 which is the highest of any active collegiate coach in the country. Woog has a 155-50-10 for a .744 winning percentage in WCHA games. Woog is the leader on the all-time win list at Minnesota having surpassed the record of his mentor, the late John Mariucci (199-137-18), earlier this season.

## MINNESOTA ROLEX WILDCARDS DETERMINED

As host school for the national championship Minnesota is given one wildcard entry for both men's and women's singles and doubles. The doubles wildcards will be chosen at a later date.

For the first time in history, the Golden Gophers men's and women's tennis team sponsored a joint event to determine their wildcard selections to the national championship to be held at the 98th Street and Crosstown Racquet Clubs February 6-9.

Next up for the Gopher men will their home opener Saturday, January 18 against Notre Dame.

**Defending Champions:** Three Golden Gophers return this season after claiming Northwest Open titles a year ago. Junior Kirk Dyer (San Jose, Calif.) won the 55 meters last year in a hand-held clocking of 6.3, senior co-captain Sean Fitzgerald (Ottawa, Ontario, Canada) took the 3000 meters in a time of 8:31.3, and junior Chad Goldstein (St. Louis Park, Minn.) collected top honors in the shot put with a throw of 54-10 3/4.

**Great Competition:** The Northwest Open annually attracts some of the Midwest's finest track & field competitors and Saturday's meet promises more of the same.

## GOPHER BASEBALL TEAM GETS SET TO OPEN 1992 CAMPAIGN

It wasn't that long ago that the Twins were capping off their World Series victory. And it was only eight months ago that John Anderson's Golden Gopher baseball squad was making its run for the College World Series.

Spring training is just around the corner for the Twins, but even closer is the season opener for the Golden Gophers. The Golden Gophers once again will face one of the toughest non-conference schedules of any team in the country. John Anderson's charges open the 1992 slate at eighth-ranked Arizona in a three-game series on February 6-8, followed by a three-game slate at fifth-ranked Cal-State Fullerton on February 14-16. That series is followed by a road trip to Oxford, Miss., to play the University of Mississippi. Overall, the Maroon and Gold's schedule has nine of their first 12 games against teams ranked in the top twenty by Collegiate Baseball magazine. The Gophers are currently ranked 36th in the country in that poll.

The Golden Gophers return their entire pitching staff from last season's squad that advanced within three games of the College World Series. In addition, the Big Ten's Freshman of the Year and freshman All-American, **Mark Merila (Plymouth, Minn.)**, returns to anchor the team's infield defense which led the Big Ten last year. On offense, All-American candidate Merila will be counted upon heavily, but he will not be alone. All-American candidate **Ryan Lefebvre (Los Angeles)** is back to hold down the center field position. Lefebvre leads the Gophers in almost all career offensive categories. Fifth-year senior **Brain Hartmann (Arlington, Minn.)** will anchor the catcher position after another successful summer in the Cape Cod league. In all, the Gophers return 19 lettermen from last season's Big Ten runner-up squad.

The home opener for the Maroon and Gold is the **Oscar Mayer Classic** at the Metrodome on February 28th and 29th, and March 1st. As always, the Gophers will entertain some high-powered talent in 19th-ranked Texas A&M, fourth-ranked Mississippi State and eighth-ranked Florida State. This tournament has become one of collegiate baseball's greatest showcases of talent.

The **Oscar Mayer Baseball Classic** and its predecessors (Wheaties Classic, Pillsbury Classic) has produced 23 current major league players and 138 players who are playing in professional baseball at some level. In addition, the tourney has also showcased the talents of two athletes who are playing football in the NFL.

This is just an example of the kind of talent the Minnesota lads will face. But the Golden Gopher baseball team is not going to back down. Last year they beat highly-rated Stanford to win the championship trophy, so don't be surprised come Sunday when the Gophers are playing for the hardware again. For ticket information contact the Golden Gopher Ticket office at 624-8080.

## MINNESOTA CRUISES PAST THE JAYHAWKS; QUAD DUALS UP NEXT

The Golden Gopher swimming & diving team upped its dual meet record to 3-1 with a 169-74 victory over the Kansas Jayhawks in Lawrence, KS. Minnesota won 12 of 13 events as **Paul Nelsen (Lincoln, Neb.)**, **Omar Boyd (Los Angeles, Calif.)** and **Del Cerney (Staples, Minn.)** were double event winners. Minnesota will travel to Madison, Wis., next weekend to participate in a quad dual meet against Purdue, Wisconsin and Illinois.

## GOLDEN GOPHER GYMNASTS SPLIT IN MICHIGAN; WINDY CITY UP NEXT

The Golden Gopher gymnasts finished fourth in their season opening meet in East Lansing with a score of 269.20. Ohio State finished first with 277.455, Michigan State second with 275.10, followed by Illinois with 270.35 and Illinois-Chicago finished fifth with 259.40. Then the Golden Gophers defeated Michigan in Ann Arbor 277.75 - 267.00 on Sunday. In the meet in East Lansing, the Golden Gophers were led by junior **John Roethlisberger (Afton, Minn.)** with a 54.90 all-around score and freshman **Kerry Houston (Houston, Tex.)** added a 54.40 all-around score. In the win over Michigan, he led the Golden Gophers by winning the parallel bars (9.55), vault (9.50), still rings (9.55) and tying for first on the pommel horse (9.65) with Michigan's Glenn Hill. He also finished first in the all-around competition with a score of 56.00. Freshman Kerry Houston (54.30) and senior Leif Carlson (**Bloomington, Minn**) (54.15) finished second and third respectively, in the all-around competition, as Minnesota swept the top three spots. Houston also added a first place finish on floor exercise with a score of 9.70. Next Saturday, the Golden Gophers will be in Chicago for the Windy City Invitational.

FOR IMMEDIATE RELEASE  
January 9, 1992

Contact: Joe Reilly

**The Institute for International Sport Names 1991-92 Sports Ethics Fellows**  
*Will focus on the 'influential role of the coach' within athletics*

The Institute for International Sport and Merrill Lynch, Inc. & Co. have recently announced the 1991-92 Sports Ethics Fellows. The Fellows will conduct research and write on the contemporary issues of ethics, fair play and sportsmanship, with a specific emphasis on the influential role of the coach within today's athletics. Fellow Dr. Robert Coles, a professor at Harvard University, will spearhead this research.

Other Fellows selected by the Institute's Advisory Committee include: **Vince Dooley**, the athletic director at the University of Georgia and former football coach with a career record of 201-77-10; **Sonja Henning**, a former All-American basketball player at Stanford University; **Steve Palermo**, an American League Umpire since 1977, who was shot and seriously wounded while trying to thwart a robbery in Houston last summer; **Meredith Rainey**, a member of the 1988 US Olympic Team and a 1990 graduate of Harvard; **Judith Sweet**, athletic director at the University of California at San Diego and the first woman president of the NCAA; **Jim Wacker**, the newly appointed head football coach at the University of Minnesota.

This marks the second consecutive year that the Institute for International Sport has selected a group of Sports Ethics Fellows from diverse fields in the sports world to conduct research relating to ethics and sportsmanship. Work done by the Ethics Fellows will be linked to the Institute's second annual National Sportsmanship Day, which will be held on March 3, 1992. All participants will engage in debate and discussion with the assistance of a 'how-to' packet and introductory video tape. More than 1,600 high schools, colleges, and universities took part in last year's program, and well over 1,000 schools, ranging from elementary schools to universities, already have registered for this year's Day, including schools from every state.

In an era when substance abuse and illegal practices, both on the college and professional level, have proliferated in recent years, National Sportsmanship Day is intended to stress the importance and long-term benefits of fair play and good sportsmanship. This year's nationwide program will again provide school administrators, coaches, student-athletes, parents, and fans an opportunity to discuss contemporary issues of ethics with a view towards establishing a national consciousness of sportsmanship.

## **FOERSTER NAMED TO U OF M FOOTBALL STAFF**

Chris Foerster today was named to Jim Wacker's University of Minnesota football coaching staff. He will function as Wacker's offensive line coach.

Foerster comes to the U of M from Stanford where he worked with the Cardinal's offensive line and special teams under Dennis Green for the past three seasons. Prior to that Foerster served as offensive line coach at Colorado State University for four years.

A 1983 graduate of Colorado State, the 31-year old Foerster was a three-year starter at offensive center for CSU. He won Colorado State's Scholar Athlete Award during the 1981-82 academic year.

After receiving his B.A. degree in '83, Foerster remained at CSU, first as a volunteer coach and then as a graduate assistant before becoming a full-time assistant in 1984.

Foerster's appointment leaves Coach Wacker with only one spot to fill on his Golden Gopher staff, and he hopes to have that position filled early next week.

## **U OF M MALE STUDENT-ATHLETES POST BEST ACADEMIC RECORD EVER**

Male student-athletes at the University of Minnesota posted their most impressive academic record in history during the recently-completed fall term. They showed increases in graduation rates, credits earned and grade-point averages according to a report released this week by Elayne Donahue, assistant director for academics in the Golden Gopher athletic department.

"We are elated with the report," Donahue said. "It shows not only the commitment of the individual student-athletes but also the dedication of people within the athletic department and throughout the University who work with them."

The graduation rate for tendered male student athletes, based on a six year period, rose to 40.4, an increase of 11.8 over the previous year and 7.1 above the graduation rate for all University of Minnesota men during that same period.

In addition, Donahue's report shows that Minnesota's male student-athletes earned an average of 13.4 credits during the fall term and posted an average GPA of 2.76, equalling their U of M cumulative GPA.

On top of that, Minnesota's delegation of male student-athletes had 155 individuals, 41% of all participants, who posted 3.0 or better GPA's during the fall term, and 18 had 4.0 GPA's. Football led the way with 38 student-athletes over the 3.0 mark while track and field and swimming and diving each had 25 in that category.

**Broadcast Coverage:** Wednesday's game at Ohio State will be broadcast on WCCO-TV 4 with Ted Robinson on the play-by-play and Billy McKinney as the analyst. Saturday's home game against Illinois will be part of the Raycom weekend package and be seen locally on WCCO-TV 4. WCCO-AM 830 is the exclusive radio voice of University of Minnesota basketball with Ray Christensen calling all the action.

**Coach Haskins:** In his sixth season at the helm, Head Coach Clem Haskins has been the chief architect behind the resurgence of the Golden Gopher basketball program. After two rebuilding seasons, he directed the program to national prominence with back-to-back storybook runs through the NCAA Tournament in 1989 (Sweet Sixteen) and 1990 (Elite Eight). Known as "Clem the Gem," he was a consensus All-America choice, and is still recognized as one of the most dominant players to ever play in the Ohio Valley Conference, after charting a standout collegiate career at Western Kentucky. The third player selected in the NBA draft, he went on to play nine outstanding seasons in the professional ranks. Coach Haskins has recorded an 84-80 overall record at Minnesota, including a 65-43 mark over the past four seasons. He has a 185-153 overall record in 12 seasons.

**Carter To Undergo Surgery Monday:** Sophomore Randy Carter (Memphis, Tenn.) will undergo surgery on Monday at the University of Minnesota Hospital to remove bone spurs from both ankles. A key performer at both ends of the floor for the Golden Gophers, he did not play in the second half against Wisconsin last Wednesday after being held scoreless in 15 minutes of action in the first half, and he then tallied just two points in 16 minutes of play against Michigan State on Saturday. Despite having his playing time and effectiveness drop off drastically as of late because of the injury, through 17 games he still leads the team in rebounding at 6.1 boards a game and is ranked second in scoring at 10.4 points a game. The 6-foot-9, 230-pounder was named to the all-tournament team at the Far West Classic in Portland when he scored 24 points and registered 19 rebounds in two contests.

**The Scouting Report:** Minnesota and Ohio State are tied for second in the Big Ten standings with identical 3-1 league marks entering Wednesday's contest at St. John Arena in Columbus. The Buckeyes, ranked No. 4 in last week's AP poll, scored an 85-81 victory over visiting Iowa on Sunday to raise their overall record to 11-2 on the season. All-American Jim Jackson, the Big Ten Player of the Year last season, tallied 21 points and six assists in the win. Through 13 games, the 6-6 junior guard is averaging a team-leading 24.4 points an outing and is second in rebounding, behind 6-9 sophomore forward Lawrence Funderburke, with 6.5 boards a game. Funderburke, a transfer from Indiana who has made an immediate impact in the lineup the past four games after becoming eligible to play at the start of winter quarter, is averaging 6.8 rebounds and is third on the team at 11.8 points a game. Jamaal Brown, a 6-4 senior guard, is second on the team in scoring at 12.4 points a game, while connecting on 58 percent (59-102) of his field goal attempts. Chris Jent is a sparkplug at both ends of the floor for the Buckeyes. The 6-7 senior forward is averaging 11.2 points and 5.1 rebounds a game. A 6-1 senior guard, Mark Baker is the quarterback of the Buckeyes' attack. He is averaging 10.8 points and a team-leading 4.8 assists a game. In his third season at the helm, Head Coach Randy Ayers has registered a 55-19 record entering Wednesday's encounter with the Golden Gophers. Illinois lost 68-61 to Michigan at Assembly Hall in Champaign on Saturday to fall to 7-7 overall and 1-3 in the Big Ten heading into Wednesday's home game against Wisconsin. Through 14 games, 6-9 sophomore forward/center Deon Thomas leads the team in scoring with an average of 18.6 points a game and in rebounding with 7.4 boards per contest. Tom Michael, a 6-8 sophomore forward, is second on the team in both scoring (13.1) and rebounding (5.1). Rennie Clemons, a 6-0 sophomore point guard, is averaging 11.4 points and 4.2 assists per game. Last season he connected on a twisting layup with three seconds remaining, was fouled, and then drained the subsequent free throw to deal the Golden Gophers a heartbreaking 67-66 setback in Champaign. Head Coach Lou Hanson enters Wednesday's game against the Badgers with an impressive 344-167 record in 17 seasons at Illinois. He is 584-274 overall in 30 seasons.

**Series Records:** Ohio State holds a 62-43 advantage in the all-time series with Minnesota and a 38-15 edge in games played at Columbus. Illinois leads the series with Minnesota 88-53, but the Golden Gophers have a 37-32 edge in games played at Minneapolis.

**Orr Leads The Way:** Behind a career-high 20 points from sophomore guard Townsend Orr (Dolton, Ill.), the Golden Gophers scored a 70-66 victory over No. 11 Michigan State at Williams Arena on Saturday. Orr connected on a perfect five-of-five three pointers in the contest. Sophomore guard Arriel McDonald (Raleigh, N.C.) and redshirt freshman forward Chad Kolander (Owatonna, Minn.) chipped in 10 points apiece as the Golden Gophers won their third straight game. The Golden Gophers came off a 44-34 deficit with 5:51 remaining to come away with a 49-48 victory at Wisconsin last Wednesday. After being held scoreless through the first 33:18 of the contest, freshman guard Voshon Lenard (Detroit) caught fire and hit four big three pointers down the stretch. The last one came with 39 seconds left and brought the Golden Gophers to within a point at 48-47. After the Badgers missed a pair of free throws, junior forward Dana Jackson (Chicago) rebounded a Lenard miss, and kissed the game-winner off the glass with 4.2 seconds left on the clock to present Coach Haskins with his first-ever victory over the Badgers in Madison.

**Great Start:** The Golden Gophers' 3-1 record in the Big Ten is the program's best start in league play since the 1982-83 team jumped out to a 3-1 record, before losing their next game to Iowa (68-52) to fall to 3-2. Not since the 1981-82 season has a Golden Gopher squad gone 4-1 to open the conference season.

**70 The Magic Number:** The Golden Gophers are 10-1 when they have held opponents to 70 points or less this season, with the setback being a tough 65-62 loss at Memphis State back on December 19. When opponents have scored more than 70 points, the Golden Gopher squad is 1-5 record on the season.

**Leading At The Half:** When the Golden Gophers have held the lead at the half they have a perfect 8-0 record on the season.

**Williams Arena:** The Golden Gophers have become very tough to beat at home in front of their loyal home fans. They have recorded an impressive 43-12 record (.782) over the past four seasons within the hallowed halls of Williams Arena, including a 7-1 mark this season.

**The Bench Factor:** Depth is a key factor for the Golden Gophers this season. Led by Townsend Orr's 20 points, the Golden Gopher bench outscored Michigan State 39-15 on Saturday. Through 17 games, Coach Haskins' bench has outscored the opposition 458-285 (28.5-20.8) and racked up a 251-179 (14.8-10.5) advantage in rebounding.

**Final Four Media Credentials:** The University of Minnesota has been asked to remind news agencies that ALL requests for media credentials for the 1992 NCAA Final Four basketball tournament at the Hubert H. Humphrey Metrodome on April 4 & 6 MUST be directed to Dave Cawood at the NCAA headquarters. Please DO NOT send such requests to the University of Minnesota. ## **GOPHERS SWEEP TO TOP OF WCHA; START THREE WEEKEND ROAD SWING AT COLORADO COLLEGE THIS WEEK**

The Golden Gophers won a pair of games from the Michigan Tech Huskies, 9-2, and 6-3, this past weekend at Mariucci Arena. The two wins raised the Gophers' overall record to 18-6 and 14-4 in the WCHA. The Gophers have now won eight straight games and 14 of their last 16 games and have taken over first-place in the WCHA. This week Minnesota begins a crucial three-series road swing that starts at Colorado College and finishes with trips to Northern Michigan (Jan. 31 and Feb. 1), and Wisconsin (Feb. 7-8). The Gophers still have two games in hand on Northern Michigan and four in hand on Wisconsin.

**The Series:** The Minnesota/Colorado College series stands at 121-51-4 with the Gophers holding the edge. Head Coach Doug Woog has a 28-2 record against the Tigers with an 11-1 record at the Broadmoor World Arena. Last year the Gophers won both games at Colorado College (3-2, 7-5), but split the series at Mariucci Arena (2-6, 5-2).

**About the Tigers:** Colorado College is coached by former Gopher coach Brad Buetow. Buetow has a 50-82-10 record at Colorado College and an overall record of 283-200-18. The Tigers are coming off a big two-game home sweep of the North Dakota Fighting Sioux (5-2, 6-1). That was the first time the Tigers had swept the Sioux since the 1975-76 season. The Tigers raised their overall record to 8-10-4, with a 6-9-3 slate in the WCHA. Colorado College is on a four-game unbeaten streak with only two losses in their last eight and they have an impressive 6-1-1 record at home this season.

**Tiger Offense:** The top offensive players for the Tigers are Steve Strunk (18-9=27), Chris Hynnes (6-17=23) and freshman Kent Fearn (5-15=20). The tight confines of Broadmoor have been used effectively by the Tigers this season and the series promises to be exciting. Full-house crowds at Broadmoor are expected for the games which are slated for 8:05 p.m. (CST) starts on both nights.

**Stolp Leads WCHA:** Senior All-American candidate Jeff Stolp (Nashwauk, Minn.) continues to play well as he picked up his 15th and 16th wins over the weekend and lowered his GAA to 2.78 with an .889 save percentage. Stolp is now 46-15-6 in his career with a 3.14 GAA. He leads the league in winning percentage (.800), GAA, wins and shutouts.

**Gopher Defense:** The Golden Gophers lead the WCHA in defense allowing only 53 goals in 18 games for a 2.94 average. The Minnesota penalty killing unit is holding opponents to 30 goals in 184 chances for a .160 rate which is near the top of the league. On offense, the Gophers are scoring at a 5.08 goals per-game clip which is second in the WCHA.

**Big "O":** Pre-season All-American Larry Olimb (Warroad, Minn.) is having an outstanding year for the Gophers. Olimb is the team captain and the team's leading scorer with 12 goals and 34 assists. He is coming off an excellent series against the Huskies where he scored three goals and had four assists. With 137 career assists, he is now third on the all-time assist chart at Minnesota behind Pat Micheletti (1982-86, 149) and John Mayasich (1951-55, 154). Olimb is one of the most exciting players in the country and his dramatic rushes up the ice create many scoring opportunities for the Golden Gophers.

**Super Soph:** Sophomore Craig Johnson (St. Paul, Minn.) has been on a point-scoring rampage with three goals and nine assists in his last six games. He is centering the line of Trent Klatt (Osseo, Minn.) and Darby Hendrickson (Richfield, Minn.). That line has produced 45 goals and 104 points this season.

**Klatt Attack:** Pre-season All-American Trent Klatt is the Gophers leading goal scorer with 17 goals and 17 assists. He leads the Gophers with eight power play goals and has been a force for the Maroon and Gold.

**Road Warriors:** The Gophers take their 7-4 road record west this weekend, followed by trips to Northern Michigan and Wisconsin. This six-game road swing will probably determine the WCHA regular season title. The Gophers return home after the three-series swing for game with Colorado College, Denver and St. Cloud, before finishing with road games at St. Cloud and North Dakota.

**Hendrickson on the Rise:** Freshman of the Year candidate Darby Hendrickson is climbing steadily on the scoring chart. He now has 16 goals and 15 assists and is the leading freshmen scorer in the WCHA. He is fourth on the Minnesota scoring chart, and second in goals. He has now scored 12 goals in his last 14 games and 16 in his last 19 games. The dynamic young center has been everything he was said to be and more.

**Broadcast Notes:** The Minnesota/Colorado College series will not be televised. The game will come back to the Twin Cities on KFAN AM 1130. Greg Harrington will call the action with Doug Johnson handling commentary. The Friday night game will be delayed on KFAN due to the Timberwolves game, but will be available live on KJJO AM 950.

**Woog Watch:** Head Coach Doug Woog notched his 210th and 211th wins and now has a career record of 211-80-11 for a winning percentage of .717 which is the highest of any active collegiate coach in the country. Woog has a 155-50-10 for a .744 winning percentage in WCHA games. Woog is the leader on the all-time win list at Minnesota having surpassed the record of his mentor, the late John Mariucci (199-137-18), earlier this season.

## GOPHERS TO PLAY PROFESSIONAL ALUMNI TEAM IN GAME AT METRODOME

The University of Minnesota baseball team announced last week that the 1992 team will play an exhibition game against a Gopher Professional Alumni team consisting of former Minnesota players competing in professional baseball. Paul Molitor, Terry Steinbach, Bryan Hickerson and Denny Neagle highlight the alumni team. The game is slated for Tuesday, February 11, at 7:00 p.m. at the Metrodome. Pre-game activities include a controlled autograph session, in addition to open batting and fielding practice for both squads.

The game is sponsored by Rainbow Foods, KFAN AM 1130, Oscar Mayer and Kraft. All proceeds from the event go to the Dick Siebert Scholarship Endowment Fund. Tickets are \$5, but fans can receive 2-for-1 admission with any receipt from Rainbow Foods.

## GOPHER BASEBALL TEAM GETS SET TO OPEN 1992 CAMPAIGN

It wasn't that long ago that the Twins were capping off their World Series victory. And it was only eight months ago that John Anderson's Golden Gopher baseball squad was making its run for the College World Series.

Spring training is just around the corner for the Twins, but even closer is the season opener for the Golden Gophers. The Golden Gophers once again will face one of the toughest non-conference schedules of any team in the country. John Anderson's charges open the 1992 slate at eighth-ranked Arizona in a three-games series on February 6-8, followed by a three-game slate at fifth-ranked Cal-State Fullerton on February 14-16. That series is followed by a road trip to Oxford, Miss., to play the University of Mississippi. Overall, the Maroon and Gold's schedule has nine of their first 12 games against teams ranked in the top 20 by *Collegiate Baseball* magazine. The Gophers are currently ranked 36th in the country in that poll.

The Golden Gophers return their entire pitching staff from last season's squad that advanced to within three games of the College World Series. In addition, the Big Ten's Freshman of the Year and freshman All-American, **Mark Merila (Plymouth, Minn.)**, returns to anchor the team's infield defense which led the Big Ten last year. On offense, All-American candidate Merila will be counted upon heavily, but he will not be alone. All-American candidate **Ryan Lefebvre (Los Angeles)** is back to hold down the center field position. Lefebvre leads the Gophers in almost all career offensive categories. Fifth-year senior **Brian Hartmann (Arlington, Minn.)** will anchor the catcher position after another successful summer in the Cape Cod league. In all, the Gophers return 19 lettermen from last season's Big Ten runner-up squad.

The home opener for the Maroon and Gold is the **Oscar Mayer Baseball Classic** at the Metrodome on February 28th - March 1st. As always, the Gophers will entertain some high-powered talent in 19th-ranked Texas A&M, fourth-ranked Mississippi State and eighth-ranked Florida State. This tournament has become one of collegiate baseball's greatest showcases of talent.

The **Oscar Mayer Baseball Classic** and its predecessors (Wheaties Classic, Pillsbury Classic) has produced 23 current major league players and 138 players who are playing in professional baseball at some level. In addition, the tourney has also showcased the talents of two athletes who are playing football in the NFL (Cleveland Gary and Greg McMurtry).

This is just an example of the kind of talent the Minnesota lads will face. But the Golden Gopher baseball team is not going to back down. Last year they beat highly-rated Stanford to win the championship trophy, so don't be surprised come Sunday when the Gophers are playing for the hardware again. For ticket information on either event contact the Golden Gopher Ticket office at 624-8080.

## CLINE LEADS TRACK & FIELD TEAM AT NORTHWEST OPEN; WISCONSIN INVITATIONAL NEXT

Freshman **Keita Cline (Gainesville, Fla.)** stole the show as the Golden Gopher men's track & field team opened the 1992 season in impressive fashion at last Saturday's Northwest Open at the U of M Fieldhouse.

**Records Fall:** Keita Cline opened his collegiate career in dramatic fashion on his way to leading 1-2-3 Golden Gopher sweeps in both the long and triple jumps at the Northwest Open. He set a new school indoor record with a winning leap of 49-2 1/2 in the long jump. The previous record of 48-4 1/4 was held jointly by Vibert Forsythe (1976) and Bryant Noel (1987). Junior **Tyrone Minor (St. Paul, Minn.)**, who also won the 55 meters in 6.32, and freshman **Adrian Ellis (Racine, Wis.)**, were second and third in the long jump with marks of 47-1 1/4 and 47-10 respectively. Cline also set a new school freshman record in the triple jump with a winning mark of 24-1 3/4. The previous mark of 23-9 1/4 was set by Tim Doolin in 1978. Minor in second at 23-11 3/4 and senior **Dan Savitt (Plymouth, Minn.)** in third at 23-8 1/4 completed the sweep.

**More Winners:** Junior All-American **Chris Murrell (Grand Island, Neb.)** in the high jump with a leap of 6-10 3/4, and freshman **Jason Max (Minnetonka, Minn.)** with a time of 1:53.89 in the 800 meters and junior **Mark Narveson (Mankato, Minn.)** in the 3000 meters with a clocking of 8:37.2 also won events on the day for the Golden Gophers.

**Weightmen Impressive:** Junior **Chad Goldstein (St. Louis Park, Minn.)** finished second behind former Golden Gopher All-American Ron Backes (67-3 1/4) in the shot put with an NCAA provisional qualifying throw of 60-1. Senior All-American **Mark Lacy (Oak Brook, Ill.)**, in third with a toss of 58-4 1/2, and sophomore **Chris Brinkworth (Bloomington, Minn.)**, fourth in the shot put, also surpassed the NCAA provisional qualifying standard.

**Wisconsin Invitational:** The Golden Gophers will compete at the Wisconsin Invitational in Madison on Saturday. The meet is scheduled to begin at 10:00 a.m.

## GOLDEN GOPHERS TAKE WINDY CITY INVITATIONAL

The Golden Gopher (6-3) gymnasts rebounded from last weekend's dismal fourth place finish in the Spartan Invitational to capture the Windy City Invitational in Chicago, over the weekend. The Golden Gophers used the revenge factor, as they finished ahead of Ohio State, Illinois and Michigan State -- all topped the Gophers one week ago. Minnesota was paced by junior **John Roethlisberger** (Afton, Minn.) as he captured the all-around title with a score of 113.50 and the parallel bars with a score of 9.70. Freshman **Kerry Houston** (Spring, Tex.) finished first on the vault with a score of 9.60. He also added an eighth place finish in the all-around with a score of 109.75. Sophomore **Brian Ottenhoff** (Kersey, Colo.) placed first on the horizontal bar (9.65) as did **Rob Hanson** (Ramsey, Minn.) on the still rings (9.70). Two former Gopher gymnasts Mark McKiernan and Mike Farina finished third and fourth respectively in the all-around competition. Minnesota will be off until February 1, when they hold their annual alumni meet.

## MINNESOTA GOLDEN GOPHERS TAKE THREE AT QUAD DUAL MEET

The Golden Gopher swimming & diving team gained three more Big Ten victories as they stormed past Wisconsin, Illinois and Purdue in Madison, over the weekend. Minnesota improved its overall record to 6-1 and 5-1 in the Big Ten. The Maroon & Gold took the top spot in 11 of 15 events with **Del Cerney** (Staples, Minn.), **Paul Nelsen** (Lincoln, Neb.) and **Omar Boyd** (Los Angeles, Calif.) winning two events each. Cerney, captured the 50 (:20.81) and 100 freestyle (:46.25). Boyd won both the one (481.20) and three (525.10) meter diving events. Nelsen won both the 200 (1:51.62) and the 400 (3:59.08) individual medley races. Other winners included **Can Ergenekan** (Portland, Ore.) in the 200 butterfly (1:49.20) and **Matt Brown** (Beaverton, Ore.) the 200 breaststroke (2:07.38). Minnesota's 400 free relay team finished first with a time of 3:04.38. ## TENNIS TEAM WHIPPED BY NOTRE DAME; HEAD TO BIG TEN INDOORS

Coach David Geatz's Golden Gopher netters opened their home and dual match season, Saturday, with a loss to highly rated Notre Dame. The Fighting Irish swept all six singles matches to clinch the victory at the 98th Street Racquet Club in Bloomington, Minn.

Minnesota now heads to East Lansing, Mich., for the Big Ten Indoor Championships. This event is a singles tournament only and not scored as a team event. Looking to break a three match losing streak will be senior captain **Brian Uihlein** (Lake Forest, Ill.), whose record stands at 5-3. Also expecting to do good things will be junior **Rick Naumoff** (Columbus, Ohio), who is 9-3 on the season and leads the team in victories.

## WRESTLERS TO HOST IOWA

Minnesota's wrestlers will entertain nationally-ranked Iowa in a Big Ten Conference dual meet in Williams Arena Friday at 8 p.m. before traveling to Missouri for a non-conference affair with the Tigers at 2 p.m. on Sunday.

Coach J Robinson's grapplers will risk a 7-5 overall record and a 1-1 conference mark against the Hawkeyes after winning one and losing two this past week. The victory was a 25-14 decision over Big Ten foe Northwestern at home last Sunday while the setbacks were 29-5 at Wisconsin and 21-16 at Northern Iowa earlier in the week.

**Eric Betterman** (So., HWT, Prior Lake) was Minnesota's only winner at Wisconsin. **Ben Morris** (Sr., 118, Wooddale, IL), **Scott Rohrer** (Sr., 126, Waupun, WI), **Damon Johnson** (So., 142, Mustang, OK), **Mike Marzetta** (Jr., 167, Liberty Lake, WA) and **Todd Moss** (So., 190, St. Paul, MN) all claimed victories at UNI.

Against Northwestern, Minnesota got wins from **Eric Folkins** (Sr., Sacramento, CA) at 118, **Rohrer** at 126, **Tim Harris** (Fr., St. Louis, MO) at 134, **Johnson** at 142, **Chad Carlson** (Fr., Pennock, MN) at 150, **Marzetta** at 158 and **Moss** at 177.

A year ago the Golden Gophers fell 30-9 at Iowa but nudged Missouri 20-18 at home. This time around, **Marzetta** will put Minnesota's top individual record on the line. He is 20-5 in overall competition and 11-1 in dual meets.

**Broadcast Coverage:** Wednesday's home game against Northwestern will be broadcast locally on the Midwest Sports Channel (MSC) with Ted Robinson on the play-by-play and Billy McKinney as the analyst. Saturday's game at Iowa will be the first game of the Raycom weekend package and be seen locally on WCCO-TV 4. WCCO-AM 830 is the exclusive radio voice of University of Minnesota basketball with Ray Christensen calling all the action.

**Coach Haskins:** In his sixth season at the helm, Head Coach Clem Haskins has been the chief architect behind the resurgence of the Golden Gopher basketball program. After two rebuilding seasons, he directed the program to national prominence with back-to-back storybook runs through the NCAA Tournament in 1989 (Sweet Sixteen) and 1990 (Elite Eight). Known as "Clem the Gem," he was a consensus All-America choice, and is still recognized as one of the most dominant players to ever play in the Ohio Valley Conference, after charting a standout collegiate career at Western Kentucky. The third player selected in the NBA draft, he went on to play nine outstanding seasons in the professional ranks. Coach Haskins has recorded an 85-81 overall record at Minnesota, including a 66-44 mark over the past four seasons. He has a 186-154 overall record in 12 seasons.

**Carter Has Surgery:** Sophomore Randy Carter (Memphis, Tenn.) underwent successful surgery to remove bone spurs from both ankles last Monday at the University of Minnesota Hospital. A key performer at both ends of the floor for the Golden Gophers, he did not play in the second half against Wisconsin on Jan. 15 after being held scoreless in 15 minutes of action in the first half, and he then tallied just two points in 16 minutes of play in his final game prior to the surgery against Michigan State on Jan. 18. Despite having his playing time and effectiveness drop off drastically prior to the surgery because of the injury, he has played in 17 games this season and he still leads the team in rebounding at 6.1 boards a game and is ranked second in scoring at 10.4 points a game. The 6-foot-9, 230-pounder was named to the all-tournament team at the Far West Classic in Portland when he scored 24 points and registered 19 rebounds in two contests. Orthopaedic surgeon Dr. Elizabeth Arendt said that she found "a substantial number of bone spurs" in both ankles, and also removed a loose chip from the left ankle joint. After being on crutches for five days, Carter has begun a light exercise program that includes biking, swimming and walking. He is expected to be sidelined from four to six weeks.

**The Scouting Report:** Northwestern dropped an 82-63 decision at Purdue on Saturday to fall to 7-9 overall and 0-6 in the Big Ten heading into Wednesday's encounter with the Golden Gophers at Williams Arena. Saturday's game was the Wildcats' second contest without guard Pat Baldwin. The sophomore standout will miss the rest of the season because of a blood clot near his right shoulder. He was recognized as one of the finest rookie players in the conference a year ago, and through 14 games this season, he was averaging 11.1 points, 2.4 rebounds, 4.0 assists and 3.5 steals a game for the Cats. Kevin Rankin, a versatile 6-11 sophomore center/forward with an outstanding future, leads the Wildcats in both scoring (14.6) and rebounding (8.6) this season. Cedric Neloms, a 6-5 freshman forward, is second in both categories (13.1/4.6) behind Rankin. An outstanding perimeter shooter, 6-5 junior guard Todd Leslie is averaging 10.6 points and 3.8 rebounds a game. In his sixth season at Northwestern, Head Coach Bill Foster has registered a 44-112 record. He is 457-380 overall in 32 seasons. Iowa had the weekend off after defeating Northwestern 78-71 at Evanston last Wednesday to up its record to 10-5 overall and 2-3 in the Big Ten. Prior to playing the Golden Gophers on Saturday, the Hawkeyes will host Wisconsin on Wednesday. Acie Earl leads the team both in scoring (20.7) and rebounding (9.3) this season. The 6-10 junior center is also recognized as one of the premier shot blockers in the country. He is averaging 3.4 blocks an outing. James Moses, a 6-4 senior guard/forward, is averaging 14.7 points a game, while Val Barnes, a 6-2 junior guard, comes in at 10.4 points a contest. Chris Street, a 6-8 sophomore forward, is also averaging in double figures (10.1), and is second in rebounding behind Earl at 8.5 boards a game. In his sixth season at Iowa, Head Coach Tom Davis has recorded a record of 120-57. He is 394-207 overall.

**Series Records:** Minnesota holds a 72-50 advantage in the all-time series with Northwestern, which includes a five-game winning streak over the Wildcats, and an 81-69 edge over Iowa.

**Action Jackson:** Last second heroics are getting to be commonplace for Golden Gopher junior forward Dana Jackson (Chicago). After Deon Thomas of Illinois made one of two free throws to tie last Saturday's game at 53-53, Jackson was reinserted back into the lineup when the Golden Gophers called a timeout with 7.7 seconds remaining. After a missed shot, Jackson collected the rebound underneath, and was fouled just before the horn sounded as he went up for the shot. Standing alone at the free throw line with the crowd of 16,126 at Williams Arena holding its breath, Jackson's first attempt was halfway down before it spun out of the cylinder. He then drained the game-winner on his next attempt to give the Golden Gophers a hard-fought 54-53 victory. At Wisconsin on Jan. 15, Jackson rebounded a Golden Gopher miss and kissed the game-winner off the glass with 4.2 seconds remaining to secure a 49-48 victory over the Badgers. Last season, he collected the rebound and then scored the game-winner to give the Golden Gophers an equally thrilling 79-77 victory over Iowa at Williams Arena. Through 19 games (14 starts), he is averaging 6.7 points and 3.3 rebounds a game.

**Great Start:** The Golden Gophers' 4-2 record in the Big Ten is the program's best start in league play since the 1984-85 team also jumped out to a 4-2 record, before losing their next game to Northwestern, 56-51, at Williams Arena. Not since the 1982-83 season has a Golden Gopher team started league play with a 5-2 record. That squad actually opened up 6-2 en route to an 18-11 overall record, 7-9 in the Big Ten, and a berth in the NIT.

**70 The Magic Number:** The Golden Gophers are 11-1 when they have held opponents to 70 points or less this season, with the lone setback being a tough 65-62 loss at Memphis State back on December 19. When opponents have scored more than 70 points, the team has a 1-6 record on the season.

**Defense-Defense:** The Golden Gophers have really cranked up the defensive pressure this season. Illinois was held to 36.6 percent (15-41) shooting from the field for the game, and just 24 percent (6-25) in the second half, in Saturday's victory. Indiana (30.56, 33.6 percent) is the only Big Ten team this season to surpass the 50 percent mark in field goal shooting against the Golden Gophers. Through 19 games, Golden Gopher opponents are shooting just 42.5 percent (444-1045) from the field.

**Williams Arena:** The Golden Gophers have become very tough to beat at home in front of their loyal home fans. They have registered an impressive 44-12 record (.786) over the past four seasons within the hallowed halls of Williams Arena, including an 8-1 mark this season.

**The Bench Factor:** Depth has been a key factor for the Golden Gophers this season. Through 19 games, Coach Haskins' bench has outscored the opposition 519-379 (27.3-19.9) and racked up a 272-191 (14.3-10.1) advantage in rebounding.

**Final Four Media Credentials:** The University of Minnesota has been asked to remind news agencies that ALL requests for media credentials for the 1992 NCAA Final Four basketball tournament at the Hubert H. Humphrey Metrodome on April 4 & 6 MUST be directed to Dave Cawood at the NCAA headquarters. Please DO NOT send such requests to the University of Minnesota. Send the requests to: Dave Cawood, NCAA, 6201 College Blvd, Overland Park, Kansas 66211.

## LEAGUE-LEADING GOPHERS EXTEND WINNING STREAK TO 10; TRAVEL TO NORTHERN MICHIGAN THIS WEEKEND

The University of Minnesota hockey team continued their winning ways with a two-game sweep of Colorado College in Colorado Springs this past weekend 6-3, 8-2. The red-hot Gophers (20-6-, 16-4) are on a 10-game winning streak and have increased their lead in the WCHA race to five points over Northern Michigan and Wisconsin, who are both tied for second place with 27 points.

The Golden Gophers continue their road schedule this week with a trip to Northern Michigan to take on the defending NCAA and WCHA champions at Lakeview Arena. Following that trip, the Gophers will travel to Wisconsin to play the Badgers at Dane County Coliseum. Besides the five point lead in the standings, the Gophers also have two games in hand on both Wisconsin and Northern Michigan.

**The "Big O" Leads the Way:** Hobey Baker Award candidate **Larry Olimb (Warroad, Minn.)** continued his hot streak by having the best series of his career as a Gopher. The senior captain had five goals and five assists for the weekend, including four power play goals. Olimb leads the Gophers in scoring with 17 goals and 39 assists and is third in the WCHA. He has posted nine power play goals and has notched 17 points in the last four games. Olimb is climbing fast on the Minnesota all-time assists chart and it appears that he will surpass both Pat Micheletti (1982-86, 149) and John Mayasich (1951-55, 154) to become the all-time career assist leader at Minnesota. He currently has 142 assists and 52 goals.

**Special Teams:** Olimb's contributions are not limited to offense alone. As a key member of the Gophers penalty killing unit, he had a big part in the success of that unit over the weekend as it held C.C. to only two goals in 13 attempts, including killing off a six minute and five second power play in the second period on Saturday night. The Minnesota penalty killing unit leads the WCHA with a 84.9 percent kill rate, while the power play is second in the league and is clicking at a 23.9 percent rate. For the weekend the power play was 8 of 13 with Olimb notching four of the goals.

**The "Stopper" Shines:** All-American candidate **Jeff Stolp (Nashwauk, Minn.)** had another outstanding weekend and gained wins number 17 and 18. Stolp's record for the year stands at 18-4 with a league-leading GAA of 2.77 and a save percentage of .892. Stolp has been the backbone of the Gophers' WCHA-leading defense this year. He now leads the WCHA in wins (18), GAA, shutouts (2), shutout periods (27) and winning percentage (.818). The senior led the WCHA in GAA and save percentage last year, yet only received honorable mention status at the league awards. His career stats show him with a 48-15-6 record and a 3.12 GAA.

**Gopher Defense:** The Minnesota defense continues to play strongly led by Stolp, but supported by a veteran defensive contingent of **Doug Zmolek (Rochester, Minn.)**, **Travis Richards (Crystal, Minn.)**, **Sean Fabian (St. Paul, Minn.)**, **Chris McAlpine (Roseville, Minn.)**, **Eric Means (Rochester, Minn.)** and **Mike Muller (Wayzata, Minn.)**. The Gophers have held their opponents to 2.9 goals per game in league games. On offense, the Gophers are scoring at a 5.45 goals per-game clip.

**Hendrickson on the Rise:** Freshman of the Year candidate **Darby Hendrickson (Richfield, Minn.)** is climbing steadily on the scoring chart. He now has 17 goals and 20 assists and is the leading freshmen scorer in the WCHA. He is fourth on the Minnesota scoring chart, and 12th in WCHA scoring. He has now scored 13 goals in his last 16 games, and 17 in his last 21 games. The dynamic young center has been everything he was said to be and more.

**Up Next:** The Gophers' opponent this weekend is a formidable one. The Northern Michigan Wildcats are the defending NCAA and WCHA champions. They boast the top scoring line in the country in Scott Beattie, Jim Hiller and Dallas Drake. Those three players have been on top of the WCHA scoring chart since the beginning of the season. On top of that, the Wildcats are the only team that has beaten the Gophers since November 9 when the Gophers lost a pair of non-conference games to Michigan 3-7, 6-7. Since that series, the Maroon and Gold has rattled off 16 victories in 18 games with the only losses coming at the hands of the Wildcats in Mariucci Arena on December 14 and 15. In that series, the Gophers outshot the Wildcats 92-46, but lost both games 5-7, 3-4. The Wildcat power play unit notched five goals in 10 attempts and freshman goalie Corwin Saurdiff held off the Gopher barrage to gain the two wins. The Gophers have not lost since that series and have outscored their opponents 59 to 24 during that period.

**The Series:** The Minnesota/Northern Michigan series stands at 18-11-5 in favor of the Gophers. The Wildcats have had the upper hand in the last couple of years. They have won four of the last seven meetings between the teams to help even their overall record. Head Coach Doug Woog has a 12-9-3 record against the Wildcats and his record in Lakeview Arena stands at 5-5-1. Last year the two teams battled to a win and a tie in their respective home arenas, while the Wildcats prevailed 4-2 in an exciting WCHA Tournament Championship game last spring. The Wildcats went on to win the NCAA title, while the Gophers were eliminated at Maine.

**Broadcast Notes:** The Minnesota/Northern Michigan series will be broadcast on Midwest Sports Channel (MSC), with Doug McLeod and Dick Bremer calling the action. Game time for both games is 6:05 (CST). The game will also be broadcast on KFAN AM 1130. The Friday night game will be a delayed broadcast due to the Timberwolves game, but will be carried live on KJJO AM 950. Saturday night's game will be live on KFAN.

## MAJOR LEAGUE ALL-STARS PAUL MOLITOR AND TERRY STEINBACH HIGHLIGHT GOPHER PROFESSIONAL ALUMNI GAME AT METRODOME

The University of Minnesota baseball team announced last week that the 1992 team will play an exhibition game against a Gopher Professional Alumni team consisting of former Minnesota players competing in professional baseball. Paul Molitor, Terry Steinbach, Bryan Hickerson and Denny Neagle highlight the alumni team. The game is slated for Tuesday, February 11, at 7:00 p.m. at the Metrodome. Pre-game activities include a controlled autograph session, in addition to open batting and fielding practice for both squads.

The game is sponsored by Rainbow Foods, KFAN AM 1130, Oscar Mayer and Kraft. All proceeds from the event go to the Dick Siebert Scholarship Endowment Fund. Tickets are \$5, but fans can receive 2-for-1 admission with any receipt from Rainbow Foods.

## 36TH-RANKED GOPHER BASEBALL TEAM OPENS 1992 SEASON WITH THREE-GAME SERIES AT EIGHTH-RANKED ARIZONA ON FEBRUARY 6-8

It wasn't that long ago that the Twins were capping off their World Series victory. And it was only eight months ago that John Anderson's Golden Gopher baseball squad was making its run for the College World Series.

Spring training is just around the corner for the Twins, but even closer is the season opener for the Golden Gophers. The Golden Gophers once again will face one of the toughest non-conference schedules of any team in the country. John Anderson's charges open the 1992 slate at eighth-ranked Arizona in a three-game series on February 6-8, followed by a three-game slate at fifth-ranked Cal-State Fullerton on February 14-16. That series is followed by a road trip to Oxford, Miss., to play the University of Mississippi. Overall, the Maroon and Gold's schedule has nine of their first 12 games against teams ranked in the top 20 by *Collegiate Baseball* magazine. The Gophers are currently ranked 36th in the country in that poll.

The Golden Gophers return their entire pitching staff from last season's squad that advanced to within three games of the College World Series. In addition, the Big Ten's Freshman of the Year and freshman All-American, **Mark Merila (Plymouth, Minn.)**, returns to anchor the team's infield defense which led the Big Ten last year. On offense, All-American candidate Merila will be counted upon heavily, but he will not be alone. All-American candidate **Ryan Lefebvre (Los Angeles)** is back to hold down the center field position. Lefebvre leads the Gophers in almost all career offensive categories. Fifth-year senior **Brian Hartmann (Arlington, Minn.)** will anchor the catcher position after another successful summer in the Cape Cod league. In all, the Gophers return 19 lettermen from last season's Big Ten runner-up squad.

## OSCAR MAYER CLASSIC BOASTS ANOTHER TOP FIELD IN HOME OPENER

The home opener for the Maroon and Gold is the **Oscar Mayer Baseball Classic** at the Metrodome on February 28th - March 1st. As always, the Gophers will entertain some high-powered talent in 19th-ranked Texas A&M, fourth-ranked Mississippi State and eighth-ranked Florida State. This tournament has become one of collegiate baseball's greatest showcases of talent.

The **Oscar Mayer Baseball Classic** and its predecessors (Wheaties Classic, Pillsbury Classic) has produced 23 current major league players and 138 players who are playing in professional baseball at some level. In addition, the tourney has also showcased the talents of two athletes who are playing football in the NFL (Cleveland Gary and Greg McMurtry).

This is just an example of the kind of talent the Minnesota lads will face. But the Golden Gopher baseball team is not going to back down. Last year they beat highly-rated Stanford to win the championship trophy, so don't be surprised come Sunday when the Gophers are playing for the hardware again. For ticket information on either event contact the Golden Gopher Ticket office at 624-8080.

## **MINOR & LACY LEAD TRACK & FIELD TEAM AT WISCONSIN; HOST MINNESOTA INVITATIONAL SATURDAY**

Junior Tyrone Minor (St. Paul, Minn.) and senior Mark Lacy (Oak Brook, Ill.) turned in outstanding performances to lead the Golden Gopher men's track & field team at last Saturday's Wisconsin Invitational in Madison.

**Final Team Scores:** 1) Wisconsin 50 2) Iowa State 42 3) Iowa 31 4) MINNESOTA 22.

**Minor Leads The Way:** Tyrone Minor leaped 50 feet, 4 inches to finish second overall and break teammate Keita Cline's (Gainesville, Fla.) week-old school indoor record of 49-2 1/2 set at the Northwest Open on Jan. 18. Cline and Adrian Ellis (Racine, Wis.), both freshmen for the Golden Gophers, tied for third in the event with identical leaps of 49-2 1/4. Just two weeks into the season, the trio now holds the top three spots on the U of M's all-time indoor triple jump list. Iowa State's Gogo Peters won Saturday's event with a jump of 51-11 1/4. Minor also finished third in the 55 meters with a clocking of 6.46 and fifth in the long jump at 23-4 1/2. Cline also placed fourth in the long jump with a leap of 23-11 3/4.

**Lacy Headlines Deep Weight Crew:** Mark Lacy, an All-American in the shot put at the NCAA Outdoor Championships last spring, won Saturday's shot put with a personal best and NCAA provisional qualifying throw of 60-7 1/4. That throw put him third on the all-time U of M indoor list behind Ron Backes (68-11 1/2) and Colin Anderson (61-9 1/2). His performance paced the potent Golden Gopher weight crew that now has four throwers over the 50-foot mark following Saturday's competition. Junior Chad Goldstein (St. Louis Park, Minn.) finished second behind Lacy with a toss of 58-5 3/4, sophomore Chris Brinkworth (Bloomington, Minn.) was fourth at 54-8 and redshirt freshman Robert Hydukovich (Bemidji, Minn.) placed seventh with a personal best throw of 50-8 3/4.

**Max Collects Rookie Record:** Redshirt freshman Jason Max (Minnetonka, Minn.) placed fourth in the 600 meters on Saturday with a personal best and new U of M freshman indoor school record clocking of 1:21.65. That time puts him third on the school's all-time indoor list in the event.

**Minnesota Invitational:** The Golden Gopher men's and women's teams will host the Minnesota Invitational on Saturday at the U of M Field House. The women's pentathlon begins at 11:30 a.m. The men's 5,000 meters will kick off the running events at 4:00 p.m., while the pole vault at 4:00 p.m. will be the first field event of the competition. Olympic gold medalist and world champion, Jackie Joyner-Kersey, is expected to compete on Saturday.

## **SWIMMING & DIVING TEAM CLOSSES OUT REGULAR SEASON; BIG TEN'S UP NEXT**

The Minnesota men's swimming & diving team won all 18 events in their two-day, non-scored Minnesota Challenge meet, held at the University Aquatic Center, over the weekend. Minnesota will be off next weekend before they host the 82nd Annual Big Ten Swimming & Diving Championship February 6-8. Diving competition begins each day at 10:00 a.m., with swimming starting at noon each day. Finals of each session will begin each evening at 7:00 p.m. For ticket information please contact the U of M ticket office at 624-8080.

## **GOLDEN GOPHER GYMNASTS HOST ANNUAL ALUMNI MEET**

The Golden Gophers will hold their annual Alumni meet this Saturday, in Williams Arena at 2:00 p.m. Minnesota did not compete last weekend. The weekend of February 8-9, the Golden Gophers will compete in the Winter National meet in Colorado Springs.

## **WRESTLERS TO BATTLE OKLAHOMA STATE AT WILLIAMS ARENA**

On Thursday, February 6, the Oklahoma State Cowboys will invade Williams Arena at 7:30 p.m., for a dual match with the Golden Gophers. Minnesota is coming off a tough weekend following losses to the #1-ranked Iowa Hawkeyes on Friday and the Tigers of Missouri on Sunday.

Iowa beat the Gophers 44-2, while Missouri edged the Maroon & Gold 21-19. Minnesota's dual match record is now 7-6. On the bright side, junior Mike Marzetta (158 - Liberty Lake, Wash.) and 134-pounder Tim Harris (St. Louis, Mo.) picked up their 21st wins of the season at Missouri. Marzetta moved to 21-6 when he beat Jason Sexton of Missouri, 9-4, while Harris pushed his record to 21-10-1 with a 9-4 decision over Eric DeVenney. Senior Scott Rohrer (126 - Waupun, Wisc.) moved his record to 20-7 with a 3-2 decision over Missouri's Buddy Smith.

# All-American Candidates

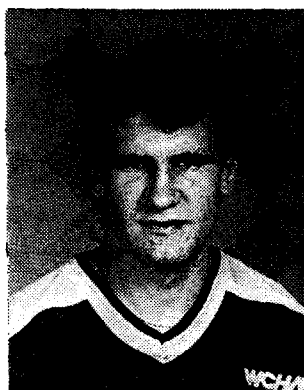

**Craig Johnson "C.J."**  
**6-2, 195, Sophomore Center**  
**St. Paul, Minn.**

Johnson is the second leading scorer on the Gophers' team this year with 13 goals and 29 assists. He is ninth in the WCHA in scoring and seventh in assists. He is second on the team in power play goals with eight. One of the fastest players in the WCHA, Johnson is an Olympic Trials finalist and one of the keys to Minnesota's league-leading specialty teams. A second round pick of the St. Louis Blues, his size and speed make him one of the top players in the country. Johnson was named to the WCHA All-Freshman team last year, even though he missed most of the second half of the season. A product of the USA Hockey system, Johnson is a strong candidate for the 1994 Olympic team.

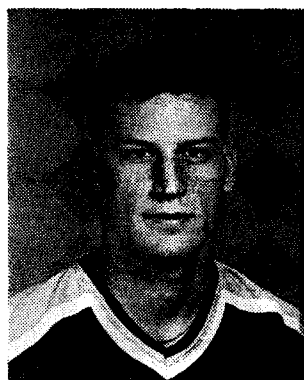

**Trent Klatt "Klatter"**  
**6-1, 205, Junior**  
**Osseo, Minn.**

Klatt is the leading goal scorer on the team with 19 goals and 22 assists and is tied for the lead with Larry Olimb in power play goals with nine. A prototype hockey player with size, strength and great hand skills, he is one of the most physically imposing offensive threats in the country. His ability to control the puck with opposing players draped on his back or retrieve the puck from the corners make him a dangerous threat. He leads the Gophers in game-winning goals with four. Another USA Hockey product who was an Olympic Trials finalist, he has been a leader on the team all year. Klatt is the type of player who always comes to play, but really turns it up a notch in the big games.

**Travis Richards "Richie"**  
**6-1, 195 Junior Defenseman**  
**Crystal, Minn.**

Richards is the biggest offensive threat of the Gophers' blueliners. He has the ability to take the puck the length of the ice and score. He leads the Gopher blueliners in scoring with eight goals and 13 assists. He has four power play goals and is a key contributor on the penalty killing unit as well. Richards was an Olympic Festival player and is a ninth round draft pick of the Minnesota North Stars. He has great skating skills and speed, and knows how to use his body in the defensive zone.

**Doug Zmolek "Z-Man"**  
**6-1, 215 Junior Defenseman**  
**Rochester, Minn.**

Zmolek is the leader of the Gophers' defense which leads the WCHA. A tough, physical player who delivers punishing checks. He possesses great passing skills and can control the flow of the game when he has the puck. He has three goals and 13 assists this year with two game-winning goals. Another Olympic Trials finalist, he is one of the main reasons the Gophers have held their foes to less than three goals per-game. He was a first round draft choice of the Minnesota North Stars, but his rights are now controlled by the San Jose Sharks.

That game will be carried on MSC and WCCO-AM 830, beginning at 7:00 p.m. The same will be true of Saturday's clash at Northwestern. ## TOUGH ROAD STRETCH CONTINUES FOR GOLDEN GOPHERS THIS WEEK

Life on the road will continue this week for Head Coach Clem Haskins' young Golden Gopher basketball team (13-8, 5-3 Big Ten). The Golden Gophers will play at Purdue (11-8, 3-4) on Wednesday and then at Northwestern (8-10, 1-7) on Saturday. Tip-off for both games is at 7:00 p.m. (Central).

### Probable Starting Lineup:

Forward: #32 Jayson Walton (Dallas), 6-6, Freshman, 7.4 ppg, 4.0 rpg, 1.4 apg  
Forward: #25 Dana Jackson (Chicago), 6-8, Junior, 6.6 ppg, 3.3 rpg, 1.8 apg  
Center: #55 Bob Martin (Apple Valley, Minn.), 7-0, Senior, 8.6 ppg, 5.2 rpg, 2.2 bpg  
Guard: #10 Arriel McDonald (Raleigh, N.C.), 6-2, Sophomore, 9.3 ppg, 2.9 rpg, 3.7 apg  
Guard: #21 Voshon Lenard (Detroit), 6-4, Freshman, 13.2 ppg, 3.4 rpg, 3.3 apg

**Broadcast Coverage:** Both games this week will be broadcast locally on the Midwest Sports Channel (MSC). WCCO-AM 830 is the exclusive radio voice of University of Minnesota basketball with Ray Christensen calling all the action.

**Coach Haskins:** In his sixth season at the helm, Head Coach Clem Haskins has been the chief architect behind the resurgence of the Golden Gopher basketball program. After two rebuilding seasons, he directed the program to national prominence with back-to-back storybook runs through the NCAA Tournament in 1989 (Sweet Sixteen) and 1990 (Elite Eight). Known as "Clem the Gem," he was a consensus All-America choice, and is still recognized as one of the most dominant players to ever play in the Ohio Valley Conference, after charting a standout collegiate career at Western Kentucky. The third player selected in the NBA draft, he went on to play nine outstanding seasons in the professional ranks. Coach Haskins has recorded an 86-82 overall record at Minnesota, including a 67-45 mark over the past four seasons. He has a 187-155 overall record in 12 seasons.

**Carter Has Surgery:** Sophomore Randy Carter (Memphis, Tenn.) underwent successful surgery to remove bone spurs from both ankles on Jan. 20 at the University of Minnesota Hospital. Despite having his playing time and effectiveness drop off drastically prior to the surgery because of the injury, he has played in 17 games this season and he still leads the team in rebounding at 6.1 boards a game and is ranked second in scoring at 10.4 points a game. The 6-foot-9, 230-pounder was named to the all-tournament team at the Far West Classic in Portland when he scored 24 points and registered 19 rebounds in two contests. Orthopaedic surgeon Dr. Elizabeth Arendt said that she found "a substantial number of bone spurs" in both ankles, and also removed a loose chip from the left ankle joint. After being on crutches for five days, Carter has begun a light exercise program that includes biking, swimming and walking. He is expected to be sidelined four to six weeks from the date of the surgery.

**The Scouting Report:** Purdue dropped a 79-69 decision at Wisconsin on Sunday to fall to 11-8 overall and 3-4 in the Big Ten heading into Wednesday's encounter with the Golden Gophers at Mackey Arena. Woody Austin, a 6-2 senior guard, is the team's leading scorer, while Ian Stanback, a 6-7 sophomore forward, leads in rebounding. In his 12th season at Purdue, Head Coach Gene Keady has recorded a record of 243-113. He is 281-132 overall in 14 seasons. With the score tied 43-43 and Illinois going for the last shot, Cedric Neloms, a 6-5 freshman forward, stole the ball and then launched a shot halfway between the top of the key and the halfcourt line that kissed off the glass and through the hoop as the buzzer sounded to give host Northwestern a thrilling 46-43 victory on Saturday. The win, before a sellout crowd of 8,117 at Welsh-Ryan Arena, snapped a 29-game Big Ten losing streak for the 'Cats and upped their overall record to 8-10 on the season heading into Wednesday's game at Michigan. Kevin Rankin, a versatile 6-11 sophomore center/forward, leads the Wildcats in both scoring (14.2) and rebounding (8.4) this season. The Wildcats are operating without the services of star guard Pat Baldwin. The sophomore standout will miss the rest of the season due to a blood clot in the axillary vein near his right shoulder. In his sixth season at Northwestern, Head Coach Bill Foster has registered a 45-113 record. He is 458-381 overall in 32 seasons.

**Series Records:** Purdue holds a 72-63 advantage in the all-time series with Minnesota. Behind 17 points from senior center Bob Martin (Apple Valley, Minn.), the Golden Gophers defeated Northwestern 92-50 at Williams Arena last Wednesday to up their overall advantage in the series to 73-50. The Golden Gophers have won six straight over the Wildcats.

**Mackey Arena:** The Golden Gophers have lost nine straight games to Purdue at Mackey Arena. In 1982, the Golden Gophers, behind 18 points from Darryl Mitchell, came away with a 53-52 victory en route to a 14-4 league mark and the most recent of the school's eight Big Ten crowns. With one second left and the Golden Gophers trailing 52-51, Mitchell calmly swished two free throws to secure the victory. The Golden Gophers finished 23-6 overall that season and advanced to the Sweet 16 of the then 48-team NCAA Tournament.

**Tough Stretch:** Saturday's game at Iowa was the first of three straight away games, and a stretch where they will play five of six on the road, for Coach Haskins' youthful Golden Gophers. The Golden Gophers will then play four of their last five games in the friendly confines of Williams Arena. Acie Earl scored 15 points and blocked seven shots to lead the Hawkeyes to an 87-70 victory over the Golden Gophers on Saturday. Sophomore guard Arriel McDonald (Raleigh, N.C.) led Minnesota with 13 points and six assists.

**70 The Magic Number:** The Golden Gophers are 12-1 when they have held opponents to 70 points or less this season, with the lone setback being a tough 65-62 loss at Memphis State back on December 19. When opponents have scored more than 70 points, they have a 1-6 record on the season.

**Youth Prevails:** The Golden Gophers' roster has six freshmen, five sophomores, two juniors and one senior.

**The Bench Factor:** Depth has been a key factor for the Golden Gophers this season. Through 21 games, Coach Haskins' bench has outscored the opposition 587-419 (28.0-20.0) and racked up a 306-209 (14.6-10.0) advantage in rebounding.

**Great Balance:** Coach Haskins has used a 10- to 11-player rotation all season long. Through 21 games, 10 players are averaging at least four points and 12 minutes a game for the Golden Gophers.

**Final Four Media Credentials:** The University of Minnesota has been asked to remind news agencies that ALL requests for media credentials for the 1992 NCAA Final Four basketball tournament at the Hubert H. Humphrey Metrodome on April 4 & 6 MUST be directed to Dave Cawood at the NCAA headquarters. Please DO NOT send such requests to the University of Minnesota. Send the requests to: Dave Cawood, NCAA, 6201 College Blvd, Overland Park, Kansas 66211.

**Backcourt Club Luncheon:** The next Backcourt Club luncheon will be held on Monday, Feb. 10 at Noon at Jax Cafe, 1928 University Avenue N.E., Minneapolis. The cost is \$15 and no reservations are necessary. Tom Ryther and Director of Athletics McKinley Boston will emcee the program. For more information, call Arna Disch at 533-2113 or Bill Kozlack at 789-7297.

## **GOPHERS WIN STREAK REACHES 12 WITH SWEEP OF NMU; TRAVEL TO WISCONSIN THIS WEEKEND TO PLAY SECOND-PLACE BADGERS**

The number-one ranked University of Minnesota hockey team continued its winning streak by defeating the defending NCAA and WCHA champion Northern Michigan Wildcats 3-2, 5-3 in Marquette. The sweep put the Gophers six points ahead of Wisconsin in the standings with two games in hand. The Gophers raised their overall record to 22-6, with a 18-4 slate in WCHA games. The 12-game winning streak is tied for the longest in the Gophers WCHA history with John Mariucci's 1953-54 WIHL championship team which posted a 12-game winning streak.

**The "Stopper":** Senior All-American and Hobey Baker candidate Jeff Stolp (Nashwauk, Minn.) had another outstanding weekend for the Maroon and Gold as he allowed just five goals in the two games to the Wildcats, who came into the game averaging 5.73 goals per-game. Stolp and the Gopher penalty killing unit shut down the highly-touted NMU power play. The Wildcats came into the series with a league-leading 32.2 percent success rate on the man-advantage. The Gophers held the Wildcats to one goal in 16 chances and that goal came with six seconds left in a man-advantage. Stolp has now raised his record to 20-4 and leads the WCHA in goals against with a 2.75 average, and his winning percentage (.833) leads the WCHA and is third in the country.

**The "Big O":** Hobey Baker and All-American candidate Larry Olimb (Warroad, Minn.) continued to climb on the all-time assists chart at Minnesota by notching career assists number 143 and 144. He is now 10 away from the all-time record held by Minnesota hockey legend John Mayasich. Olimb continues to lead the country in assists with 41 and is fourth in the country in scoring with 58 points and is the Gophers scoring leader with 17 goals and 41 assists. The senior captain is the quarterback of the Minnesota power play and a key player on the league-leading penalty killing unit.

**The "B" Line:** A large portion of the success of the Gophers in the past month can be attributed to the play of the third and fourth lines. This balanced attack has been a trademark of Minnesota teams, and this year is no different. The fourth line, dubbed the "B" line is a tireless group of workers led by John Brill (Grand Rapids, Minn.), Scott Bell (St. Paul, Minn.) and Tony Bianchi (Bloomington, Minn.). The line notched two goals and three assists for the weekend led by Bell's two goals. In addition, all three of those players were big contributors on the penalty killing unit. The third line of Joe Dziedzic (Minneapolis), Steve Magnusson (Anoka, Minn.) and Justin McHugh (Minnetonka, Minn.) had a strong weekend as well, and Dziedzic's goal in the third period on Saturday night made the score 5-2 and killed the NMU comeback hopes.

**Nielsen Has Big Weekend:** Sophomore Jeff Nielsen (Grand Rapids, Minn.) had an outstanding weekend, notching a game-winning goal and an assist. But numbers don't tell the whole story. Nielsen had four break-aways that were thwarted by the NMU netminders and he, along with Scott Bell, constantly harassed the NMU power play. Nielsen's speed and size was a thorn in the Wildcats back all weekend. For the year, Nielsen has 13 goals and 12 assists. Sophomore Craig Johnson (St. Paul, Minn.) also had a strong weekend killing penalties. His 13 goals and 30 assists is good for third on the Minnesota scoring charts, while Freshman of the Year candidate Darby Hendrickson (Richfield, Minn.) is just behind him with 18 goals and 21 assists for 39 points. Hendrickson has now scored 14 goals in 18 games, and is the leading freshmen scorer in the WCHA.

**Klatt Attack:** Junior All-American candidate Trent Klatt (Osseo, Minn.) continues to lead the Golden Gophers in goals with 20 for the year, including a team-leading five game-winners. The alternate captain right wing leads the team in power play goals with 10 and is second in scoring with 44 points.

**Up Next:** This weekend the Maroon and Gold travels to Madison, Wisc., to take on the Badgers. The series is one of the greatest rivalries in collegiate hockey. The Minnesota/Wisconsin tradition goes back to 1922 and the games have had it all, from NCAA championship games to numerous overtime thrillers. The two teams have eight NCAA championships and 10 WCHA championships between them, and the programs are recognized as two of the top programs in the country year-in and year-out.

**The Series:** Minnesota leads the series by a 98-58-11 margin, including the 5-4, and 4-1 victories the Gophers posted at home earlier this season. The second game of that series was played at the Met Center in Bloomington, Minn., before an NCAA regular-season record crowd of 15,712. Head Coach Doug Woog has a 23-81 record against the Badgers, and has an 8-4 mark in Dane County Coliseum. Last year the Gophers won 5-3 and 8-1 at Wisconsin, and posted a 4-0-1 record for the year against the Badgers.

**About the Badgers:** The Badgers are led by senior Duane Derksen who has been the starting goalie the last four seasons. The former All-American has a 15-8-2 record this season and was ranked fourth in the WCHA for league game going into the UMD series. The Badgers gained a 4-1 victory and a 6-6 overtime tie at Duluth to secure second-place in the WCHA. They now have 30 points in 24 league games with a 14-8-2 league mark. Offensively, the Badgers are led by Jason Zent who has 17 goals and 11 assists. The Badgers are 3-0-1 in their last four games and are the only team with a legitimate chance of stopping the Gophers from winning the regular-season league title. The Badgers are averaging 4.1 goals per-game and are giving up 3.54 goals per-game. Their overall record is 16-8-2 and they were ranked seventh in the last NCAA poll.

**Broadcast Notes:** The Minnesota/Wisconsin series will be broadcast on KFAN AM 1130 with Greg Harrington and Doug Johnson calling the action. The television slate has the Friday night game being televised by KITN FOX 29 with veteran announcers Frank Mazzocco and Wally Shaver calling the action. The Saturday game will not be carried on television.

## **GOPHERS OPEN '92 BASEBALL SEASON AT EIGHTH-RANKED ARIZONA**

John Anderson's University of Minnesota baseball team opens the 1992 schedule at Arizona this weekend, where they will take on the eighth-ranked Wildcats in a three-game series. The Gophers are currently ranked 36th in the *Collegiate Baseball* poll, and are picked as one of the top teams in the Big Ten. The Gophers return their entire pitching staff from last year's team which posted a 37-27 record and advanced to within three games of the College World Series.

Offensively, the Gophers return last year's Big Ten Freshman of the Year and a freshman All-American in **Mark Merila** (Plymouth, Minn.). The All-American second basemen candidate has power from both sides of the plate and will be the go-to guy at the plate for the Maroon and Gold this year. Merila will not be alone on offense, the Gophers also return All-American candidate **Ryan Lefebvre** (Los Angeles) in center field. Lefebvre is a big catalyst for the Gophers. He leads the team in almost all career offensive categories and his speed on the base paths is a dangerous weapon. Fifth-year senior **Brian Hartmann** (Arlington, Minn.) will anchor the catcher position for the Gophers, but may miss the Arizona series because of a shoulder problem he aggravated at the U.S. Olympic Trials last November. Hartmann is looking to go out in style after having a great summer in the Cape Cod league. In all, the Gophers return 14 lettermen from last season's team which finished second in the Big Ten to Ohio State.

The Golden Gopher defense will be anchored up the middle by Hartmann, Merila and Lefebvre. The team, which has led the Big Ten in defense the past two seasons, will have new players at the corners with the departure of Greg Johnson (3B) and Jeff Monson (1B). Freshman **Tony Bender** (Rock Island, Ill.) will get a shot at third base, while veterans **Tom Doyle** (Rapid City, S.D.) and **George Behr** (St. Paul, Minn.) will battle for playing time at first base. In the outfield, Lefebvre will have veterans on both sides with **Keith Krenke** (Owatonna, Minn.) in right field, and fleet-footed sophomore **Charlie Nelson** (Perham, Minn.) in left field to start the year. Junior **Darren Schwankl** (Burnsville, Minn.) will fill in at any of the outfield positions, and in the infield giving Minnesota skipper John Anderson some flexibility in the late innings.

On the hill the Gophers will be led by seniors **John Lowery** (Shepherdston, W. Virginia) and **Scott Bakkum** (LaCrosse, Wisc.). Lowery was the team leader in appearances last year, and is a smooth left-handed pitcher. Bakkum is a righty, who has great control. He was the Gophers top starter last year and posted impressive wins over Miami, Michigan, Stanford and Ohio State. The Gophers will have a variety of pitchers in the bullpen, including senior **J.T. Gilbert** (LaCrosse, Wisc.) and team captain **Brent Davis** (Minnetonka, Minn.), who will contribute as a starter and as a reliever.

Following the Arizona series the Gophers travel to fifth-ranked Cal. State-Fullerton for a three-game series February 14-16.

## **MAJOR LEAGUE ALL-STARS PAUL MOLITOR AND TERRY STEINBACH HIGHLIGHT GOPHER PROFESSIONAL ALUMNI GAME AT METRODOME**

The University of Minnesota baseball team announced last week that the 1992 team will play an exhibition game against a Gopher Professional Alumni team consisting of former Minnesota players competing in professional baseball. Paul Molitor, Terry Steinbach, Bryan Hickerson and Denny Neagle highlight the alumni team. The game is slated for Tuesday, February 11, at 7:00 p.m. at the Metrodome. Pre-game activities include a controlled autograph session, in addition to open batting and fielding practice for both squads.

The game is sponsored by Rainbow Foods, KFAN AM 1130, Oscar Mayer and Kraft. All proceeds from the event go to the Dick Siebert Scholarship Endowment Fund. Tickets are \$5, but fans can receive 2-for-1 admission with any receipt from Rainbow Foods.

## **OSCAR MAYER CLASSIC BOASTS ANOTHER TOP FIELD IN HOME OPENER**

The home opener for the Maroon and Gold is the Oscar Mayer Baseball Classic at the Metrodome on February 28th - March 1st. As always, the Gophers will entertain some high-powered talent in 19th-ranked Texas A&M, fourth-ranked Mississippi State and eighth-ranked Florida State. This tournament has become one of collegiate baseball's greatest showcases of talent.

The Oscar Mayer Baseball Classic and its predecessors (Wheaties Classic, Pillsbury Classic) has produced 23 current major league players and 138 players who are playing in professional baseball at some level. In addition, the tourney has also showcased the talents of two athletes who are playing football in the NFL (Cleveland Gary and Greg McMurtry).

This is just an example of the kind of talent the Minnesota lads will face. But the Golden Gopher baseball team is not going to back down. Last year they beat highly-rated Stanford to win the championship trophy, so don't be surprised come Sunday when the Gophers are playing for the hardware again. For ticket information on either event contact the Golden Gopher Ticket office at 624-8080.

The Oscar Mayer Classic is sponsored by Oscar Mayer foods, American Airlines, the Metrodome Hilton and Wilson sporting goods.

## FIELD EVENTS CARRY TRACK & FIELD TEAM TO RUNNER-UP FINISH AT MINNESOTA INVITATIONAL; TRAVEL TO IOWA SATURDAY

Head Coach Roy Griak's Golden Gopher track & field team won four of the five field events en route to a runner-up finish in the four-team Minnesota Invitational held last Saturday at the U of M Field House.

**Final Team Scores:** 1) Michigan State 57.3 2) MINNESOTA 47.3 3) Purdue 46.3 4) Iowa State 12.

**Weight Crew Sweeps:** With two throwers over 60 feet and four over 50 feet, the Golden Gophers have assembled what many have called their finest weight crew, in terms of quality and depth, in school history. Senior Mark Lacy (Oak Brook, Ill.), an All-American in the shot put at the NCAA Outdoor Championships last spring, won again on Saturday with a heave of 60-1 1/4. That mark was just off his personal-best and NCAA provisional qualifying throw of 60-7 1/4, set on Jan. 25 at the Wisconsin Invitational. Junior Chad Goldstein (St. Louis Park, Minn.), who won the Northwest Open earlier this season with a personal-best and provisional qualifying throw of 60-1, finished second behind Lacy on Saturday with a toss of 56-7 1/4. Sophomore Chris Brinkworth (Bloomington, Minn.), who has also surpassed the provisional qualifying standard with a personal-best toss of 57-9 earlier this season, completed the one-two-three Golden Gopher sweep by placing third on Saturday at 55-9 1/4.

**Jumpers Shine:** The Golden Gophers finished one-two in both the long and triple jumps on Saturday. Junior Tyrone Minor (St. Paul, Minn.) won the long jump with a leap of 24-0 3/4, followed in second by freshman Keita Cline (Gainesville, Fla.) with a jump of 23-4. Later in the meet, Cline captured top honors in the triple jump with a leap of 48-0 3/4, with senior Dan Savitt (Plymouth, Minn.) collecting runner-up honors at 45-10 3/4. Junior Chris Murrell (Grand Island, Neb.) also won the high jump with a season-best of 6-11.

**Max Continues To Impress:** Behind a blazing kick over the last 100 meters, redshirt freshman Jason Max (Minnetonka, Minn.) won the 800 meters on Saturday with a fine clocking of 1:53.15. At the Wisconsin Invitational on Jan. 25, he placed fourth in the 600 meters with a new U of M freshman indoor school record clocking of 1:21.65, a time which put him third on the school's all-time indoor list in the event. In his collegiate debut at the Northwest Open on Jan. 18, he won the 800 in a time of 1:53.89.

**Dyer Equals School Record:** In his season debut on Saturday, junior Kirk Dyer (San Jose, Calif.) finished fourth in the 200 meters with a clocking of 22.27. That time equals Tim Arinze's (Festic Town, Lagos, Nigeria) school indoor record set last year.

**Iowa Triangular On Saturday:** The Golden Gophers will travel to Iowa City to meet the host Iowa Hawkeyes and Northern Iowa in a triangular competition on Saturday. Field events will begin at 11:30 a.m., with the first running event slated to start at Noon.

## U of M WRESTLERS FACE CHALLENGING WEEK

Two challenging assignments are on tap for Coach J Robinson's University of Minnesota wrestling team this week. Thursday the Golden Gophers are slated to entertain Oklahoma State in a non-conference dual-meet at 7:30 p.m. in Williams Arena. Then Saturday and Sunday Minnesota will compete in the Cliff Keen National Dual Championships at the University of Michigan.

"It will be a tough week for our young team," Coach Robinson admits. "Oklahoma State finished second in the NCAA tournament a year ago, and although they have lost a couple of wrestlers, still look like they could challenge for the championship again this year. In the National Duals, we will be facing several of the top-ranked individual wrestlers in the country."

The Golden Gophers come into this week's action with a dual-meet record of 7-7. They were idle last week, and Robinson hopes the time off will help his club mend as well as prepare for the stiff competition on tap.

Among Minnesota's pace-setting individuals, Tim Harris (Fr., 134, St. Louis, MO) leads the Gophers with 22 wins, while Mike Marzetta (Jr., 158, Liberty Lake, WA) is right behind with 21. Thus far in the '91-92 season Harris has posted a 22-7-1 record. Marzetta, who is currently ranked 8th at 158-lbs. by AWN, enters this week's action with a 21-6 standard.

Current Golden Gopher wrestling statistics also show that Scott Rohrer (Sr., 126, Waupun, WI) is next in line with 20 wins while Chad Carlson (Fr., 142, Pennock, MN) is right on his heels with 19. Eric Folkins (Sr., 118, Sacramento, CA) is keeping pace with an 18-6-1 mark.

## GOPHER NETTERS WILL TRY TO LEAVE MARK ON NATIONAL INDOOR TOURNEY

Beginning Thursday through Sunday (Feb. 6-9), the University of Minnesota will play host to the 1992 Rolex National Intercollegiate Indoor Tennis Championships. The third leg of the college tennis grand slam will be held at the 98th Street Racquet Club in Bloomington on Thursday and Friday with matches starting at 8 a.m. and continuing into the evening. On Saturday and Sunday, the semifinals and finals will be held at the Crosstown Racquet Club in Eden Prairie.

Participating for the men's team will be junior Dominic Roderiguez (Albuquerque, N.M.), who will represent Minnesota in the singles bracket. Roderiguez earned the school's wildcard entry by winning a series of intra-squad challenge matches.

On the doubles court, the Golden Gophers will be represented by senior captain Brian Uihlein (Lake Forest, Ill.) and his sophomore partner Adam Krafft (Saginaw, Mich.). Uihlein and Krafft won the Rolex Midwest Regional doubles title in November to automatically qualify for this week's tournament. A week ago, Uihlein continued his torrid pace by defeating teammate Rick Naumoff (Jr., Columbus, Ohio) to win the Big Ten Indoor singles championship held in East Lansing, Mich.

As host school, Minnesota also receives a wildcard entry for the doubles bracket. Since Uihlein and Krafft qualified on their own, senior Dean Hlushko (Arden Hills, Minn.) and sophomore Roger Anderson (New Hope, Minn.) will be joining the field.

## **GOLDEN GOPHER ALUMNI DEFEATS VARSITY**

The Golden Gopher men gymnasts fell to the Alumni team 281.75 to 279.05 over the weekend. Alumnus Mark McKiernan, a former Nissen Award runner-up, Big Ten pommel horse champion and All-Big Ten selection captured the all-around crown with a score 56.75. McKiernan won the parallel bars (9.7) and tied for first on the high bar (9.5). For the varsity, freshman **Kerry Huston (Spring, Tex.)** won the floor exercise with a 9.7 and the vault competition with a 9.6. Juniors **John Roethlisberger (St. Paul, Minn.)** and **Rob Hanson (Ramsey, Minn.)** tied for top honors on the pommel horse with a score of 9.7. Roethlisberger also finished first on the still rings with a 9.6. Alumnus Joey Ray finished second in the all-around competition with a score of 56.35.

Next Up: The Golden Gophers will compete in the Winter Nationals next Friday and Saturday in Colorado Springs, Colo.

## **SWIMMING & DIVING TEAM TO HOST BIG TEN CHAMPIONSHIPS THIS WEEK**

The University of Minnesota will host the 82nd Annual Big Ten Conference Swimming & Diving Championship this Thursday through Saturday, Feb. 6-8, in the University of Minnesota Aquatic Center.

Preliminary rounds will begin at 10 a.m., with the finals starting at 7 p.m. each day.

Head Coach Dennis Dale is in his seventh season at the helm of the Gopher swimming program. Dale has a strong nucleus returning in senior **Del Cerney (Staples, Minn.)**, last season's Big Ten champion in 50-meter freestyle, and junior **Paul Nelsen (Lincoln, Neb.)**, the Big Ten's defending champion in the 200-meter individual medley. Minnesota (6-1) also has a strong supporting cast in seniors **Sean Quackenbush**, a three-time All-American who ranks among the nation's best in the butterfly, and **Omar Boyd (Los Angeles)**, an All-American diver. The Golden Gophers finished second at last season's meet in Indianapolis after scoring a school record of 573 points. Minnesota's point production should remain strong after losing only one scorer, All-American diver **Scott Upper**, from last year's squad. In 1992 the Golden Gophers' goal is to win the team title, a feat that has not been accomplished since 1926.

Pennsylvania State University (9-3) will bid for its first conference title as the Nittany Lions make their debut in the championship meet under head coach Peter Brown. Meanwhile, head coach Jon Urbanchek and the Michigan Wolverines (8-0) will vie for their seventh consecutive Big Ten crown. The Wolverines have won the title 25 times, but will be without some big names this season. Though the departures of **Mike Barrowman**, **Eric Wunderlich** and **Eric Namesnik** represent a significant loss, **Brian Gunn**, a talented junior butterflyer and national qualifier, remains on the Wolverine team.

Ohio State, Iowa, Indiana and Michigan State (10-3) all could rise to the forefront to make it a tight race at the top. All-American **David Pichler**, the 1991 Big Ten Diver of the Year and NCAA National Champion on the 10-meter platform, leads the way for the Ohio State Buckeyes (6-2) as they return 12 varsity athletes from a year ago.

Eleven-time All-American **Artur Wojdat** will key the Iowa Hawkeyes (6-2) as they look to win their first conference title since 1982. But head coach **Glenn Patton** will need help from others if they want to improve on last season's fourth-place finish.

Last season's Big Ten Coach of the Year, **Kris Kirchner**, returns for his second season at the helm of the Indiana Hoosiers (8-2). The Hoosiers finished a surprising third at last season's meet and 15th at the NCAA Championship meet to prove that they have a team with championship capabilities. Much of the burden in helping Indiana return to the championship podium for the 24th time falls on the shoulders of senior freestyler **Richard Granneman**.

Tickets are available in advance through the University of Minnesota ticket office (624-8080). To request media credentials and more information please contact the Sports Information Department at 625-4090.

# All-American Candidates

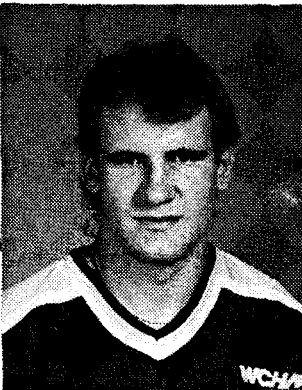

**Craig Johnson "C.J."**  
6-2, 195, Sophomore Center  
St. Paul, Minn.

Johnson is the second leading scorer on the Gophers' team this year with 13 goals and 29 assists. He is ninth in the WCHA in scoring and seventh in assists. He is second on the team in power play goals with eight. One of the fastest players in the WCHA, Johnson is an Olympic Trials finalist and one of the keys to Minnesota's league-leading specialty teams. A second round pick of the St. Louis Blues, his size and speed make him one of the top players in the country. Johnson was named to the WCHA All-Freshman team last year, even though he missed most of the second half of the season. A product of the USA Hockey system, Johnson is a strong candidate for the 1994 Olympic team.

**Trent Klatt "Klatter"**  
6-1, 205, Junior  
Osseo, Minn.

Klatt is the leading goal scorer on the team with 19 goals and 22 assists and is tied for the lead with Larry Olimb in power play goals with nine. A prototype hockey player with size, strength and great hand skills, he is one of the most physically imposing offensive threats in the country. His ability to control the puck with opposing players draped on his back or retrieve the puck from the corners make him a dangerous threat. He leads the Gophers in game-winning goals with four. Another USA Hockey product who was an Olympic Trials finalist, he has been a leader on the team all year. Klatt is the type of player who always comes to play, but really turns it up a notch in the big games.

**Travis Richards "Richie"**  
6-1, 195 Junior Defenseman  
Crystal, Minn.

Richards is the biggest offensive threat of the Gophers' blueliners. He has the ability to take the puck the length of the ice and score. He leads the Gopher blueliners in scoring with eight goals and 13 assists. He has four power play goals and is a key contributor on the penalty killing unit as well. Richards was an Olympic Festival player and is a ninth round draft pick of the Minnesota North Stars. He has great skating skills and speed, and knows how to use his body in the defensive zone.

**Doug Zmolek "Z-Man"**  
6-1, 215 Junior Defenseman  
Rochester, Minn.

Zmolek is the leader of the Gophers' defense which leads the WCHA. A tough, physical player who delivers punishing checks. He possesses great passing skills and can control the flow of the game when he has the puck. He has three goals and 13 assists this year with two game-winning goals. Another Olympic Trials finalist, he is one of the main reasons the Gophers have held their foes to less than three goals per-game. He was a first round draft choice of the Minnesota North Stars, but his rights are now controlled by the San Jose Sharks.

SUBJECT: State-Wide Tradition Tour

As you may already know, the University of Minnesota is conducting a State-Wide Tradition Tour around Minnesota in an attempt to introduce our new athletic director, Dr. McKinley Boston, and our new football coach, Jim Wacker, to as many out-state communities as possible. It is their top priority to "reach out" to the entire state of Minnesota and solicit support for the Golden Gophers in a way that has not been attempted for several years.

Our exclusive football radio originator, WCCO, is helping arrange the tour and will ask its network affiliate in your area to schedule an appropriate gathering. We plan to hold a breakfast, brunch, lunch or dinner in each of the 13-communities on the tour during the entire week that we are on the road.

Here is our tentative schedule:

Monday, February 17---breakfast Albert Lea (KATE/KRGR host)  
  lunch Austin (KAUS host)  
  dinner Rochester (KROC host)

Tuesday, February 18----breakfast Mankato (KTOE host)  
  lunch Marshall & Tracy(KARL host)  
  dinner Willmar (KWLM host)

Wednesday, February 19-breakfast Minneapolis (WCCO host)  
  lunch St. Cloud (KNSI host)  
  dinner Alexandria (KXRA host)

Thursday, February 20--breakfast Fergus Falls (KBRF/KJJK host)  
  lunch Brainerd (KLIZ host)  
  dinner Grand Rapids (KOZY host)

Friday, February 21-----breakfast Duluth (KDAL host)  
  return to Twin Cities

Our hope is that you and other representatives of your agency not only will attend the gathering in your area (or closest to you!) but also help us promote the event. Any advance publicity you are able to generate, any coverage of the appearance and any additional support you are able to provide to this Golden Gopher undertaking will be appreciated.

If you need any further information about the tour, please contact the U of M Promotions & Marketing office (612/625-4879) or the Sports Information Office (612/625-4090). Thanks, in advance, for your assistance. And keep in mind, "It's a Whole New Ball Game!"

## **GOLDEN GOPHERS ANNOUNCE STATE-WIDE TOUR**

A week-long, state-wide tour will be conducted February 17-21 by the men's athletic department at the University of Minnesota.

Leading the tour will be U of M Men's Athletic Director Dr. McKinley Boston and Head Football Coach Jim Wacker. Also participating will be Ken Buell, assistant director; Dr. Mark Dienhart, associate director; Vince Fuller, director of the Williams Fund; Leanne Baylor and Nancy Hagenson of the promotions and marketing staff; and Bob Peterson, sports information director.

Paul Flatley of WCCO Radio and Laura Niemi and Dave Jarzyna of Midwest Radio Networks also will be part of the tour staff. Flatley will conduct live remote broadcasts for WCCO and participate in the program scheduled in each of the 13 Minnesota communities. Niemi and Jarzyna will coordinate each of the stops with local network affiliates.

"We feel strongly that the entire state of Minnesota should consider itself a part of University athletics," Dr. Boston said. "We want to emphasize that belief in as many communities as we can reach. We feel good about our new football coach, and we want the people throughout the state to get to know him. 'It's a Whole New Ball Game,' and we hope Minnesotans will participate in the scheduled events." Boston also indicated that additional tours and out-state appearances are being planned.

The Golden Gopher tour members will take part in a breakfast, a luncheon or a dinner in different communities each day during that week. Local arrangements in each of those communities are being made by that area's WCCO Golden Gopher football network affiliate.

**Broadcast Coverage:** Both games this week will be broadcast locally on the Midwest Sports Channel (MSC). WCCO-AM 830 is the exclusive radio voice of University of Minnesota basketball with Ray Christensen calling all the action.

**Coach Haskins:** In his sixth season at the helm, Head Coach Clem Haskins has been the chief architect behind the resurgence of the Golden Gopher basketball program. After two rebuilding seasons, he directed the program to national prominence with back-to-back storybook runs through the NCAA Tournament in 1989 (Sweet Sixteen) and 1990 (Elite Eight). Known as "Clem the Gem," he was a consensus All-America choice, and is still recognized as one of the most dominant players to ever play in the Ohio Valley Conference, after charting a standout collegiate career at Western Kentucky. The third player selected in the NBA draft, he went on to play nine outstanding seasons in the professional ranks. Coach Haskins has recorded an 87-83 overall record at Minnesota, including a 68-46 mark over the past four seasons. He has a 188-156 overall record in 12 seasons.

**McDonald Stars:** With the score tied at 55-55 and the clock running down, sophomore Arriel McDonald drove inside and lofted a 10-foot jumper that bounced off the rim, hit the glass and dropped through the twine to give the Golden Gophers an important two-point victory on the road Saturday. He finished the game with seven points, but even more importantly, racked up five assists and two steals, while committing just one turnover in the victory. In the past nine games, he has registered only 11 turnovers, while dishing out a total of 34 assists and scoring 81 points in 279 minutes of playing time. Through 23 games, he is ranked third on the team in scoring (9.3), and is the team leader in assists at 85 (3.7), while committing only 42 turnovers. With 211 career assists, he has moved into 10th on the school's all-time list. Trent Tucker (1978-82) is ninth with 219. If he continues at his present pace, he will shatter Marc Wilson's (1983-86) career record of 375.

**Tubbs Starts In Style:** In just the second start of his collegiate career, junior Nate Tubbs scored a career-high 15 points to lead the Golden Gophers in the 65-57 defeat at Purdue last Wednesday. Tubbs, regarded as one of the finest defensive players in the Big Ten, has scored 62 points (7.8), while shooting 50.9 percent (27-53) from the floor, in the team's past eight games.

**The Scouting Report:** Behind 26 points from Damon Bailey, Big Ten co-leader Indiana defeated Iowa at home on Sunday to raise its overall record to 17-3 on the season. The Hoosiers and Ohio State stand atop the league standings heading into this week with identical 8-1 conference marks. Calbert Cheaney leads the team in scoring with an average of 17 points a game, while Alan Henderson is the rebounding leader with seven boards an outing. In his 21st season at Indiana, Head Coach Bob Knight has recorded an impressive 476-156 record coming into Wednesday's game. He is 578-206 overall in 27 seasons. Illinois was idle last weekend after losing 76-65 at home to Indiana last Tuesday to fall to 8-11 overall and 2-7 in the Big Ten. The Fighting Illini will play at Purdue on Tuesday. Deon Thomas leads Head Coach Lou Henson's club both in scoring (18.1) and rebounding (7.1) this season. In his 17th season at Illinois, Henson has logged a 345-171 overall record. He is 585-278 overall in 30 seasons.

**Series Records:** Indiana holds a 78-47 advantage in the all-time series with Minnesota. The Hoosiers have won 18 of the past 20 games between the two schools. Illinois leads 88-54 in the all-time series with Minnesota, which includes a 55-15 advantage in games played at Champaign.

**Welcome To The Big Ten:** Coach Haskins' young Golden Gophers were introduced to Big Ten basketball in a hurry when Indiana and Minnesota met in the league opener for both teams at Assembly Hall in Bloomington back on Jan. 9. Led by 20 points from Alan Henderson, the Hoosiers dominated every phase of the game en route to a 96-50 victory. The 46-point margin of defeat is the largest in school history (1920, 58-16 Chicago). Arriel McDonald led the Golden Gophers with 13 points on the night.

**Down To The Wire:** Dana Jackson connected on the second of two free throws with no time left on the clock to give the Golden Gophers a hard-fought 54-53 victory over Illinois before 16,126 at Williams Arena back on Jan. 25. The Fighting Illini's Deon Thomas had earlier made one of two free throws to tie the game and set the stage for Jackson's last second heroics. T.J. Wheeler led the way for the Fighting Illini with 14 points, despite going to the sidelines early in the second half with a sprained ankle. Voshon Lenard paced the Golden Gophers with 14 points in the contest.

**Carter Has Surgery:** Sophomore Randy Carter (Memphis, Tenn.) underwent successful surgery to remove bone spurs from both ankles on Jan. 20 at the University of Minnesota Hospital. Despite having his playing time and effectiveness drop off drastically prior to the surgery because of the injury, he has played in 17 games this season and he still leads the team in rebounding at 6.1 boards a game and is ranked second in scoring at 10.4 points a game. The 6-foot-9, 230-pounder was named to the all-tournament team at the Far West Classic in Portland when he scored 24 points and registered 19 rebounds in two contests. Orthopaedic surgeon Dr. Elizabeth Arendt said that she found "a substantial number of bone spurs" in both ankles, and also removed a loose chip from the left ankle joint. After being on crutches for five days, Carter has begun a light exercise program that includes biking, swimming and walking. He is expected to be sidelined four to six weeks from the date of the surgery.

**There's No Place Like Home:** Saturday's game at Northwestern was the third straight away game for the Golden Gophers who are in the middle of a stretch where they play five of six on the road in an 18-day period. After returning home to meet Indiana at Williams Arena on Wednesday, Coach Haskins' young squad will play at Illinois Saturday and then wrap up this very difficult portion of the schedule at Michigan on Jan. 19. The Golden Gophers will then play four of their last five regular season games in the friendly confines of Williams Arena.

**Williams Arena:** The Golden Gophers have become very tough to beat at home in front of their loyal home fans. They have registered an impressive 45-12 record (.789) over the past four seasons within the hallowed halls of Williams Arena, including a 9-1 mark (4-0 Big Ten) this season.

**70 The Magic Number:** The Golden Gophers are 13-2 when they have held opponents to 70 points or less this season. When opponents have scored more than 70 points, they have a 1-7 record on the season.

**The Bench Factor:** Depth has been a key factor for the Golden Gophers this season. Through 23 games, Coach Haskins' bench has outscored the opposition's bench 625-440 (27.2-19.1) and racked up a 326-218 (14.2-9.5) advantage in rebounding.

**Final Four Media Credentials:** The University of Minnesota has been asked to remind news agencies that ALL requests for media credentials for the 1992 NCAA Final Four basketball tournament at the Hubert H. Humphrey Metrodome on April 4 & 6 MUST be directed to Dave Cawood at the NCAA headquarters. Please DO NOT send such requests to the University of Minnesota. Send the requests to: Dave Cawood, NCAA, 6201 College Blvd, Overland Park, Kansas 66211.

## WINNING STREAK ENDS AT 13 AS GOPHERS SPLIT AT WISCONSIN; FIVE-GAME HOMESTAND STARTS WITH COLORADO COLLEGE THIS WEEKEND

The Golden Gophers established a school winning streak record last Friday night when they won their 13th consecutive game (2-1) and 11th consecutive WCHA game. The streak was the longest since Minnesota joined the WCHA. The winning streak came to an abrupt halt on Saturday night as the Maroon and Gold lost to the Badgers 4-1. The Gophers (23-7, 19-5), return home to the friendly confines of Mariucci Arena this weekend for the first of five home games. The Gophers are 11-2 at home this year, with the two losses coming against Northern Michigan last December.

**Road Warriors:** The Golden Gophers return home this weekend after a crucial six-game road swing that took them to Colorado College, Northern Michigan and Wisconsin. The Gophers won five of six games during this period and firmly took control of first-place in the WCHA. The team has a six point lead over second-place Wisconsin with two games in hand. The next five contests are at Mariucci Arena, before finishing with a game at St. Cloud State and two games at North Dakota.

**The "Big O":** Hobey Baker and All-American candidate Larry Olimb (Warroad, Minn.) continued his climb towards the 200-point club. Olimb has 53 career goals and 144 assists. He is 10 assists short of the all-time assists record held by John Mayasich (1951-55, 154). Olimb is one of the most versatile players in collegiate hockey. He plays on both the power play and the penalty killing unit. He quarterback's the power play and regularly takes shifts at defense. His open ice ability makes him a threat at all times. Going into last weekend, he led the nation in assists with 144 and was third in the WCHA in scoring. A great deal of the success of the Gophers this year has been because of the senior captain. He is the team scoring leader (18-41=59), and also leads in power play goals with 10.

**"Stopper" Gains Win Number 21:** Pre-season All-American Jeff Stolp (Nashwauk, Minn.) gained win number 21 this past weekend and continued his strong play by allowing just five goals in the two games. Stolp lowered his GAA to 2.73 and his save percentage is now .897. The senior is having a phenomenal season and has been the backbone of the Gophers' WCHA-leading defense. The Gophers are holding their opponents to a 2.83 per-game average in WCHA play. Stolp is the WCHA leader in GAA, winning percentage (.808), shutouts (2) and shutout periods (32). Stolp went into the weekend leading the nation in winning percentage and ranked seventh in GAA.

**Up Next:** The Colorado College Tigers come to town this weekend after gaining a split with Michigan Tech in Colorado Springs last weekend. The Tigers are coached by former Gopher coach Brad Buetow. The Tigers have a 9-12-3 record in WCHA games and an 11-13-4 overall record and are currently in seventh-place in the standings with 21 points, just six points out of third-place. The Tigers have given up five goals per game in league play and have scored at a 4.46 goals per game clip. They are led by senior Steve Strunk, who has 22 goals and 14 assists, good for 15th in the WCHA scoring chart. The senior winger has posted 13 power play goals, which led the nation going into last weekend.

**More About the Tigers:** The Tigers have a pair of fine offensive defensemen in Chris Hynnes (10-23=33) and freshman Kent Fearn (5-22=27). Add to that a smooth skating blueliner in Chris Reid and a solid goaltender in freshman Paul Frank (8-10-2, 4.16 GAA) and you have the makings of a solid defensive club. They have good quickness and forechecking up front, and can give a team trouble bringing the puck out of its own end. With eight games left and only four of them at home, this series is big for the Tigers. They are battling to stay in the playoff picture, but could also end up as high as third.

**Streaks:** The Gophers have compiled some notable streaks in the past few games. First, the team has won 13 of their last 14 games, and 19 of their last 22 games. Larry Olimb has points in 16 of his last 18 games with 13-24=39 in that period and has 16 multiple-point games. WCHA Freshman of the Year candidate Darby Hendrickson (Richfield, Minn.) has points in 12 of the last 13 with 7-16=23 in those games, and had scored 14 goals in his last 20 games. Cory Laylin (St. Cloud, Minn.) has points in nine of his last 13 games with 7-6=13. Craig Johnson (St. Paul, Minn.), who is 10th in WCHA scoring, has points in 15 of his last 18 games, with 7-18=25 in that period, while Trent Klatt (Osseo, Minn.) has points in 16 of the last 17 games with 10-15=25, and has 14 multiple-point games, five game-winners, and a team-high 10 power play goals.

**Woog Watch:** Head Coach Doug Woog now has a career record of 218-81-11, for a winning percentage of .721 which is the highest of any active collegiate coach in the country. Woog also has a 162-51-10, for a .749 winning percentage in WCHA games. He is the leader on the all-time win list at Minnesota having surpassed John Mariucci (199-137-18) earlier this season.

**Broadcast Notes:** The Minnesota/Colorado College series will be broadcast on KFAN-AM 1130 with the Friday night game coming live and the Saturday night game being on a tape-delayed basis following the Timberwolves game. Saturday's game will be live on KJJO-AM 950. Both games will feature Greg Harrington and Doug Johnson as the broadcast team. The Friday night game will be telecast on KITT FOX 29, with Wally Shaver and Frank Mazzocco bringing you all the action. Game time for both games of the series is 7:05 p.m.

**WCHA Credentials:** All media interested in covering the WCHA tournament in St. Paul on March 20-21, should mail their request in writing or by FAX (608-283-6412) to WCHA Public Relations Director Doug Spencer no later than March 5.

The University of Minnesota Swimming & Diving team finished second for the third consecutive season, at the Big Ten Championships, which they hosted at the University of Minnesota Aquatic Center. They fell short of the first place Michigan Wolverines with 703 points, as they claimed their seventh consecutive Conference title this past weekend. The 10th ranked Gophers recorded 613 points to set a new school record as they qualified several swimmers for the NCAA Championship to be held in Indianapolis, Ind., March 26-28. Indiana was third with 440 points, followed by Ohio State 430, Iowa 405, Wisconsin 302, Michigan State 290, Penn State 251, Purdue 173, Northwestern 166 and Illinois 94. ## NETTERS TO HOST 11th ANNUAL ICE VOLLEYS TENNIS SHOWCASE

Once again the University of Minnesota will play host to one of the nation's premier indoor tennis showcases when the Golden Gophers hold the 1992 Ice Volleys at the 98th Street Racquet Club in Bloomington. The tournament begins on Friday at 6:30 p.m. when the Gophers take on the Kansas Jayhawks and the Volunteers of Tennessee battle the SMU Mustangs. The championship will be decided with the winners of round one meeting at 6:30 p.m. on Saturday.

This past weekend Minnesota put its best foot forward as host school for the Rolex National Intercollegiate Indoor Tennis Championship. Rolex is the third leg of the college tennis Grand Slam. The first two days of the tournament were held at 98th Street, while the semifinals and finals were held Saturday and Sunday at the Crosstown Club in Eden Prairie. This year's tournament marked the fifth consecutive year Minnesota has been the site of the championship.

Minnesota's doubles pair of senior Brian Uihlein (Lake Forest, Ill.) and sophomore Adam Kraftt (Saginaw, Mich.) reached the quarterfinals before losing to the number two seeded team. USC's Jon Leach and Brian MacPhie bounced the Gophers in a hard-fought three set match, 4-6, 7-6, 6-3. The Gopher pair earned their way into the Rolex by winning the Midwest Regional doubles title last November.

## WRESTLERS READY TO HOST WOLVERINES

Coach J Robinson's wrestlers will attempt to end a five-match losing streak when the Michigan Wolverines invade Williams Arena on Saturday, February 15 at 7:30 p.m. The Gophers enter that match with a 7-10 dual record, following losses to fourth-ranked Oklahoma State (Thursday) and two more losses at the Cliff Keen National Duals in Ann Arbor, Mich. over the weekend.

On Saturday at the National Duals, Minnesota fell to Penn State (ranked third), 38-0, in the first round, and were knocked out of the tournament when they lost, 20-15, to 24th-ranked Oregon.

Freshman Chad Carlson (150 - Pennock, Minn.) joined the 20-win club when he decisioned Oregon's Jason Jones, 7-3, at the National Duals. He improved his record to 20-14. Other Gophers with 20-plus wins are freshman Tim Harris (134 - St. Louis, Mo.) who is at 23-9-1; junior Mike Marzetta (158 - Liberty Lake, Wash.) -- 22-7; and senior Scott Rohrer (126 - Waupun, Wis.) -- 20-10.

## **GOPHERS WIN TWO OF THREE AT EIGHTH-RANKED ARIZONA TO START THE 1992 BASEBALL SEASON**

The 36th-ranked University of Minnesota Golden Gopher baseball team got off to a great start on its 1992 season by winning two of three games at Arizona this past weekend. In the season opener on Thursday, All-American candidate Mark Merila (Plymouth, Minn.) knocked in the game-winning run in the 10th inning to spark the Gophers to their 3-2 win. Starter Scott Bakkum (LaCrosse, Wis.) went four innings with two earned runs, while relievers John Lowery (Shepherdstown, W. Va.) (4.3) and co-captain Brent Davis (Minnetonka, Minn.) (1.6) pitched six innings of scoreless ball. Brent Davis finishing off the Wildcats and gaining the victory. The 2-1 start mirrors the Gophers' 1990 season start when they won two of three at Arizona. The opening day loss is the third consecutive for the Wildcats. Due to the rain on Friday, the series was concluded on Saturday in a doubleheader. In the first game Arizona pitcher Mike Schiefelbein pitched a complete-game victory (9-0) for his second victory of the year.

In the nightcap, the Gophers powered their way to the 8-3 victory with three homeruns. George Behr (Maplewood, Minn.), Brian Hartmann (Arlington, Minn.) and Keith Krenke (Owatonna, Minn.) all had round-trippers to lead the Gophers to the 8-3 win. Starter Jeff Schmidt (LaCrosse, Wis.) pitched five innings and gave up one run on four hits while striking out two, to gain the victory. For the weekend, the Gophers' pitching staff had a 4.00 ERA and the team batted .267 with 28 hits in the three games.

**Next Up:** The Gophers resume regular season action this weekend when they travel to fifth-ranked Cal-State Fullerton for a three-game series starting Friday night at 7:00 p.m. (PST), followed by 1:00 p.m. (PST) starts on Saturday and Sunday.

## **MAJOR LEAGUE ALL-STARS PAUL MOLITOR AND TERRY STEINBACH HIGHLIGHT GOPHER PROFESSIONAL ALUMNI GAME AT METRODOME**

The University of Minnesota baseball team announced last week that the 1992 team will play an exhibition game against a Gopher Professional Alumni team consisting of former Minnesota players competing in professional baseball. Paul Molitor, Terry Steinbach, Bryan Hickerson and Denny Neagle highlight the alumni team. The game is slated for Tuesday, February 11, at 7:00 p.m. at the Metrodome. Pre-game activities include a controlled autograph session, in addition to open batting and fielding practice for both squads.

The game is sponsored by Rainbow Foods, KFAN AM 1130, Oscar Mayer and Kraft. All proceeds from the event go to the Dick Siebert Scholarship Endowment Fund. Tickets are \$5, but fans can receive 2-for-1 admission with any receipt from Rainbow Foods.

## **OSCAR MAYER CLASSIC BOASTS ANOTHER TOP FIELD IN HOME OPENER**

The home opener for the Maroon and Gold is the Oscar Mayer Baseball Classic at the Metrodome on February 28th - March 1st. As always, the Gophers will entertain some high-powered talent in 19th-ranked Texas A&M, fourth-ranked Mississippi State and eighth-ranked Florida State. This tournament has become one of collegiate baseball's greatest showcases of talent.

The Oscar Mayer Baseball Classic and its predecessors (Wheaties Classic, Pillsbury Classic) has produced 23 current major league players and 138 players who are playing in professional baseball at some level. In addition, the tourney has also showcased the talents of two athletes who are playing football in the NFL (Cleveland Gary and Greg McMurtry).

This is just an example of the kind of talent the Minnesota lads will face. But the Golden Gopher baseball team is not going to back down. Last year they beat highly-rated Stanford to win the championship trophy, so don't be surprised come Sunday when the Gophers are playing for the hardware again. For ticket information on either event contact the Golden Gopher Ticket office at 624-8080.

The Oscar Mayer Classic is sponsored by Oscar Mayer foods, American Airlines, the Metrodome Hilton and Wilson sporting goods.

## MINNESOTA SIGNS 18 FOOTBALL PROSPECTS

Minnesota signed 18 student-athletes to National Letters of Intent this past week, and all will enroll at the U of M and be candidates to play football for Coach Jim Wacker and the Golden Gophers.

"We are pleased with our first recruiting class at the University of Minnesota," Coach Wacker said. "Obviously we did not sign everyone we wanted, but we went after speed and it appears we were successful. Despite our late start, we are very encouraged."

The delegation of future Golden Gophers includes eight signees from the state of Texas, three from Minnesota, two from Michigan and one each from Colorado, Georgia, Illinois (a transfer from TCU), Louisiana and Ohio.

## **WILLIAMS BREAKS SCHOOL 600 METER RECORD; IOWA STATE INVITATIONAL SET FOR SATURDAY**

Sophomore Norris Williams (Milwaukee) made his 1992 season debut an impressive one by blazing to a new school indoor record in the 600 meters with a winning time of 1:19.70 at Saturday's Iowa triangular competition in Iowa City. Rod Hutton had held the record with a clocking of 1:20.41 set back in 1987.

**Final Team Scores:** 1) Iowa 65 2) Northern Iowa 44 3) MINNESOTA 39.

**Not Bad For Openers:** Norris Williams, who finished fifth in the 400 meters at both the Big Ten Indoor and Outdoor Championships as a freshman a year ago, won Saturday's 600 meters by over a full second. Gary Falls of Iowa finished second with a time of 1:20.81. Sophomore Martin Eriksson (Stockholm, Sweden), who cleared 17-6 1/4 in the pole vault last season to set a new freshman indoor school record, also made his debut on Saturday. He won his speciality with a vault of 15-7. Both Williams and Eriksson have been slowed by nuisance-type leg injuries this season.

**Weight Crew Sweeps:** With two throwers over 60 feet and four over 50 feet in the shot put, the Golden Gophers have assembled what many have called their finest weight crew, in terms of quality and depth, in school history. Junior Chad Goldstein (St. Louis Park, Minn.), who won the Northwest Open earlier this season with a personal-best and NCAA provisional qualifying throw of 60-1, won Saturday's competition with a throw of 56-10. Senior Mark Lacy (Oak Brook, Ill.), an All-American in the shot put at the NCAA Outdoor Championships last spring, finished right behind Goldstein with a toss of 56-6 3/4. That mark was well off his personal-best and NCAA provisional qualifying throw of 60-7 1/4 set on Jan. 25 at the Wisconsin Invitational. Sophomore Chris Brinkworth (Bloomington, Minn.), who has also surpassed the provisional qualifying standard with a personal-best toss of 57-9 earlier this season, completed the one-two-three Golden Gopher sweep by placing third on Saturday at 54-10 3/4.

**Iowa State Invitational:** The Golden Gophers will travel to Ames to compete in the Iowa State Invitational on Saturday. The competition will begin at 10:00 a.m.

## **KOLANDER SUFFERING FROM EAR AILMENT**

University of Minnesota sophomore forward Chad Kolander is suffering from a high-frequency hearing loss and noise distortion in his right ear.

Since the team's flight to West Lafayette, Ind. on Feb. 4, Kolander has experienced muffled hearing and general discomfort in the ear. Dr. Elizabeth Arendt, team orthopaedist, said that after examination the symptoms point to a fluid leakage between the middle and inner ear. The problem can be caused due to pressure changes that occur during an airline flight. She added that if the condition does not improve, microscopic surgery might be needed.

Dr. Arendt added that possible high noise levels at Williams Arena tonight may cause Kolander some discomfort and dizziness. Kolander has been advised against flying and plans call for him to be driven to Champaign for Saturday night's game against Illinois. He is scheduled to undergo further examinations on Monday.

## CARTER & KOLANDER NOT EXPECTED TO PLAY AT ILLINOIS

Sophomore Randy Carter and redshirt freshman Chad Kolander are not expected to make the trip to Champaign, Ill. for the University of Minnesota's basketball game against Illinois on Saturday.

Carter, who underwent successful surgery to remove bone spurs from both ankles on Jan. 20 at the University of Minnesota Hospital, has been out of the lineup since the Michigan State game on Jan. 18. Despite having his playing time and effectiveness drop off drastically prior to the surgery because of the injury, the 6-foot-9, 230-pounder has played in 17 games this season and he leads the team in rebounding at 6.1 boards a game and is ranked second in scoring at 10.4 points a game. Golden Gopher Head Coach Clem Haskins said that he would bring Carter along on the trip only in the case of an injury or illness at the last minute to another player.

"Randy is not in good enough game shape right now," Haskins said. "When I call on Randy, I want him to be able to deliver the big bucket, the big rebound for us. I have to know in my heart that he's 110 percent healthy and ready to go. Right now, our plans are to work him out tomorrow before we leave and then have a practice schedule for him to follow over the weekend. If his progress and his conditioning continues to improve, our target date for him to return to the lineup will be at Michigan on Wednesday."

Already suffering from a high-frequency hearing loss and noise distortion in his right ear, Kolander sustained a hip pointer during Wednesday's 71-67 victory over No. 4 Indiana at Williams Arena. He scored four points and collected six rebounds in the win and is now averaging 5.8 points and 3.6 rebounds a game. Since the team's flight to West Lafayette, Ind. on Feb. 4, the 6-foot-9, 220-pounder has experienced muffled hearing and general discomfort in the ear. Dr. Elizabeth Arendt, team orthopedist, said that after examination the symptoms point to a fluid leakage between the middle and inner ear. The problem can be caused due to pressure changes that occur during an airline flight and he has been advised against flying. She added that if the condition does not improve, microscopic surgery might be needed. He is scheduled to undergo further examinations on Monday.

"With the hip pointer and the ear ailment, Chad is not physically able to play basketball for us at the present time," Haskins said. "We will rest him over the weekend, and then after the examinations, see if he will be able to make the trip to Michigan on Wednesday. He's played very well for us and we will miss him a lot on Saturday."

The Golden Gophers upped their overall record to 15-9 with last night's big victory. The win also helped them maintain a grip on sole possession of third-place in the Big Ten standings with a 7-4 league mark. Although Saturday's game at Illinois is obviously an important one, Haskins did not let that enter into the decision-making process regarding the availability of Carter and Kolander.

"Common sense goes a long ways," Haskins said. "I don't let winning and losing affect the health of my players."

## **GOLDEN GOPHER BASEBALL TEAM HOSTS TOP TWENTY-FIVE TALENT IN THE OSCAR MAYER BASEBALL CLASSIC AT THE METRODOME**

John Anderson's University of Minnesota baseball team will defend its 1991 Oscar Mayer Baseball Classic championship on February 28-March 1. Once again the Gophers will host some of the finest collegiate talent in the land. All four teams are ranked in the top twenty five, including fifth-ranked Florida State Seminoles, the 25th-ranked Texas A&M Aggies, the seventh-ranked Mississippi State Bulldogs and our own twentieth-ranked Golden Gophers.

This is the second year since Oscar Mayer took over primary sponsorship of this spring classic and it further demonstrates their commitment to youth baseball in Minnesota and across the country. Oscar Mayer is not alone in their support of this fine tournament. American Airlines is the official air carrier of the Oscar Mayer Baseball Classic and the Metrodome Hilton is the official hotel of the Oscar Mayer Baseball Classic.

All the action begins on Friday, February 28 at 2:00 p.m., when Texas A&M and Mississippi State square off in the tournament opener. Later that night, the Golden Gophers will play host to the Florida State Seminoles. Saturday's slate has a special event scheduled. At 11:00 a.m., the annual youth baseball clinic will take place. This event is open to baseball players and coaches of all ages, and allows them to come out on the Metrodome carpet for some instructional lessons from the coaches and players of all the teams participating in the tourney. At 2:00 p.m., the Golden Gophers will do battle with Mississippi State. Texas A&M and Florida State will play in the 6:00 p.m. nightcap. Sunday the tournament concludes with Minnesota playing Texas A&M at 1:15 p.m., and Florida State and Mississippi State finishing the tourney schedule.

Friday evening, the Classic will play host to "Winter Break at the Dome." The fan dressed in the most creative beachwear will win a spring break package for two. On Sunday, it's the "Minnesota Leap for Baseball," which is a promotion that allows area youths to leap their way from the third base line to the center field wall to collect special prizes and baseball memorabilia.

The talent that will be displayed during the tournament at the Metrodome is indicative of the talent that has competed in the tourney since its inception in 1985. Since that first year, 24 players who have competed in the tournament have gone on to professional baseball and are now active in the Major Leagues. A total of 156 players who have played in the tournament are currently playing professional baseball at some level. In addition, last year's tournament produced two first round Major League draft choices in Brent Gates (Oakland) and David McCarty (Twins). This clearly demonstrates the quality of competition in this highly-respected collegiate baseball tournament.

Last year the Golden Gophers won the tournament by defeating highly-ranked Stanford on the last day of the tournament 9-3. This year should bring much of the same exciting collegiate baseball action to the Metrodome. Tickets for this event are \$5, or \$1 with any UPC label off an Oscar Mayer product. For more ticket information, contact the Golden Gopher ticket office at 624-8080.

WCCO-AM 830 is the exclusive radio voice of University of Minnesota basketball with Ray Christensen calling all the action.

**Coach Haskins:** In his sixth season at the helm, Head Coach Clem Haskins has been the chief architect behind the resurgence of the Golden Gopher basketball program. After two rebuilding seasons, he directed the program to national prominence with back-to-back storybook runs through the NCAA Tournament in 1989 (Sweet Sixteen) and 1990 (Elite Eight). Known as "Clem the Gem," he was a consensus All-America choice, and is still recognized as one of the most dominant players to ever play in the Ohio Valley Conference, after charting a standout collegiate career at Western Kentucky. The third player selected in the NBA draft, he went on to play nine outstanding seasons in the professional ranks. Coach Haskins has recorded an 88-84 overall record at Minnesota, including a 69-47 mark over the past four seasons. He has a 189-157 overall record in 12 seasons.

**There's No Place Like Home:** Following Wednesday's game at Michigan, the Golden Gophers will wrap up a very demanding stretch of the season in which they will have played five of six games on the road in an 18-day period. They are 2-3 during that time heading into the contest against the Wolverines. The Golden Gophers will then play four of their last five regular season games in the friendly confines of Williams Arena, where they are 10-1 this season and a perfect 5-0 in Big Ten play.

**The Scouting Report:** Michigan lost 70-59 at home to Michigan State last Saturday to fall to 15-6 overall and 6-5 in the Big Ten coming into Wednesday's confrontation with the Golden Gophers. Freshmen Jalen Rose (18.3), Chris Webber (15.6) and Juwan Howard (10.4) all average in double figures for the Wolverines. Webber leads in rebounding with 10 boards a game, followed closely by Howard at 6.3. In his third season at Michigan, Fisher, who took over as interim coach at the start of the 1989 NCAA Tournament and then directed the Wolverines to the national title, has recorded a 58-29 overall record at the helm.

**A Look Back:** Voshon Lenard tallied 25 points and collected eight rebounds to lead the Golden Gophers to a 73-64 victory over the then No. 11 ranked Wolverines before 16,193 at Williams Arena on Jan. 11. Coming on the heels of a 46-point (96-50) drubbing at Indiana less than 48 hours earlier, the worst loss in school history, the victory was especially sweet for Coach Haskins' young squad. Jalen Rose, Lenard's high school teammate at Detroit Southwestern High School, paced Michigan with 25 points as well. Detroit Southwestern won its second straight Michigan State Class A title and claimed the top ranking in the final *USA Today* prep national poll a year ago with present Michigan Assistant Coach Perry Watson as the head coach, and Minnesota's Lenard and Michigan's Rose as the key players.

**Series Record:** Michigan holds a 62-50 advantage in the all-time series with Minnesota.

**Crisler Arena:** Crisler Arena has not been kind to the Golden Gophers through the years. Minnesota's only win in Ann Arbor since the building opened in December, 1967, was back in 1982, a 61-50 triumph en route to the program's most recent Big Ten title. In all, Minnesota has recorded a 1-22 record at Crisler Arena.

**Big Victory:** On Jan. 9, Coach Haskins' young Golden Gophers were introduced to Big Ten basketball in a hurry when Indiana and Minnesota met in the league opener for both teams at Assembly Hall in Bloomington and the powerful Hoosiers came away with that record-setting 46-point blowout. In the rematch last Wednesday before 16,212 at Williams Arena, the Golden Gophers used a total team effort up and down the lineup to score a 71-67 upset victory over the Hoosiers, who came in ranked No. 4. Arriel McDonald led the way with 18 points and six assists. Backcourt mate Voshon Lenard was right behind with 16 points, while Nate Tubbs and freshman Jayson Walton (Dallas) chipped in 10 apiece. Bob Martin tallied six points and collected a team-high eight rebounds. The Golden Gophers have certainly come of age since that fateful night in early January back in Bloomington. They have recorded a 7-4 mark since suffering that 46-point shellacking.

**Fighting Illini Too Much For Gophers:** Behind 22 points from Rennie Clemons, Illinois scored a 74-58 victory over the Golden Gophers at Assembly Hall in Champaign last Saturday. The Fighting Illini attempted a school record 51 free throws, including 34 in the final eight minutes, as the Golden Gophers registered a total of 33 personal fouls in the contest. Arriel McDonald led the Golden Gophers with 12 points.

**Carter Returns:** Sophomore Randy Carter (Memphis, Tenn.), who had surgery to remove bone spurs from both ankles on Jan. 20 and had been out of the Golden Gopher lineup since the Michigan State game on Jan. 18, returned to action on Saturday against Illinois. He scored eight points and hauled down a game-high nine rebounds in 15 minutes of playing time. Despite having his playing time and effectiveness drop off drastically prior to the surgery because of the injury, the 6-foot-9, 230-pounder has now played in six games this season and he still leads the team in rebounding at 6.3 boards a game and is ranked second in scoring at 10.3 points an outing.

**Kolander Questionable:** Already suffering from a high-frequency hearing loss and noise distortion in his right ear, redshirt freshman forward Chad Kolander (Owatonna, Minn.) sustained a hip pointer in last Wednesday's game against Indiana. Averaging 5.8 points and 3.6 rebounds a game, he did not make the trip to Champaign on Saturday. Since the team's flight to West Lafayette, Ind. on Feb. 4, the 6-foot-9, 220-pounder has experienced muffled hearing and general discomfort in the ear. Dr. Elizabeth Arendt, team orthopedist, said that after examination the symptoms point to a fluid leakage between the middle and inner ear. The problem can be caused due to pressure changes that occur during an airline flight and he has been advised against flying. She added that if the condition does not improve, microscopic surgery might be needed. He is scheduled to undergo further examinations on Monday.

**McDonald Comes To The Forefront:** Arriel McDonald's outstanding play has been a big factor in the success of the Golden Gophers this season. He scored 18 points and recorded six assists in 35 minutes of action in the win over Indiana last Wednesday. Prior to that, he nailed the game-winning shot with one second remaining to give the Golden Gophers an important 57-55 road victory at Northwestern on Feb. 1. In the past 11 games, he has registered just 13 turnovers, while dishing out a total of 44 assists and scoring 110 points in 349 (31.8) minutes of playing time. Through 25 games, he is ranked third on the team in scoring (9.7), and is the team leader in assists at 95 (3.8), while committing only 44 turnovers. With 221 career assists, he has moved into ninth on the school's all-time list, passing Trent Tucker (1978-82, 219) with four assists in the Illinois game on Saturday. Walter Bond (1987-91) is eighth with 235. If he continues at his present pace, he will shatter Marc Wilson's (1983-86) career record of 375.

## **GOPHERS SWEEP COLORADO COLLEGE; CAN CLINCH WCHA TITLE WITH WIN OVER DENVER THIS WEEKEND AT MARIUCCI ARENA**

The Minnesota Golden Gophers climbed to within one victory of clinching their ninth WCHA title and gaining possession of the prestigious McNamara Cup, with their two-game sweep of the Colorado College Tigers (5-3, 6-4) this past weekend. With Saturday's win, the number-one ranked Gophers (25-7, 21-5) won their 13th victory in 14 WCHA games and their 21st victory in their last 24 games. The magic number for the team is one. Any Minnesota victory or Wisconsin loss would clinch the school's ninth WCHA title and Head Coach Doug Woog's third league title in seven years of coaching. This weekend, the Badgers travel to Colorado College for a two-game set, while the Gophers continue their five-game homestand with two games against Denver University (8-21-1, 7-18-1). Game time for both games is 7:05 p.m.

**The "Big O" Joins the 200-Point Club:** Hobey Baker and All-American candidate Larry Olinb (Warroad, Minn.) became the seventh player in school history to reach the 200-point plateau. Olinb fittingly reached the milestone on an assist. The senior captain has 146 assists in his career and is just eight assists short of the career assist record held by John Mayasich (1951-55, 154). With 43 assists this year, Olinb has a shot at breaking the single-season assist mark of 59 (1980-81) held by Aaron Broten. Olinb is the first member of the 200-point club to have played at least half of his career at defense. That versatility is what makes Olinb arguably the most valuable player in the WCHA. He regularly takes shifts at defense as well as his listed position of center. The only spot he hasn't lined up at this year is goalie. He quarterback's the power play and is on penalty killing and four-on-four units.

**Laylin Keys Gopher Sweep:** Senior right wing Cory Laylin (St. Cloud, Minn.) was one of a group of key players that stepped forward in Saturday's game and contributed to the sweep of the Tigers. Colorado College had battled strongly all weekend and finally took a lead on David Paxton's goal in the second period. The Gophers' fourth line of John Brill (Grand Rapids, Minn.), Steve Magnusson (Anoka, Minn.) and Scott Bell (St. Paul, Minn.) countered with Bell's goal at the 18:29 mark to send the two teams to the locker rooms tied at three. After the period break, Laylin took charge by scoring the Gophers' next two goals on strong determined efforts. The second goal came after C.C. had tied the game at 4-4 on a Chris Venkus goal. The final margin was provided by Trent Klatt's (Osseo, Minn.) 175-foot open-net goal at 19:44. Laylin has been a key player for the team down the stretch. He kills penalties and plays on the second power play unit. He has points in 11 of the last 12 games with nine goals and seven assists in that period, including two game-winning goals. Magnusson had a strong weekend and opened the scoring on Saturday with his eighth goal of the year. For the year, the freshman ranks sixth on the team in scoring in all games and fifth in WCHA games.

**"Stopper Continues To Roll With Wins Number 22-23:** Pre-season All-American goaltender Jeff Stolp (Nashwauk, Minn.) continues to prove prognosticators right with his outstanding play. Stolp leads the NCAA in wins with 23, and his winning percentage of .821 is in the top four in the country. Stolp leads the WCHA in wins (23), GAA, shutouts (2), shutout periods (34) and winning percentage. He is the backbone of the top-ranked defense in the WCHA, that is holding its opponents to 2.88 goals per game in conference play. Stolp was the top goalie in the WCHA last year when he posted a GAA of 2.71 and a save percentage of .896. This year he has put himself into the record books by becoming the third-winningest goalie in Minnesota history. His 53 wins puts him behind John Blue (1984-87, 64) and Hobey Baker winner Robb Stauber (1986-89, 73) in the all-time wins chart. His 3.10 career GAA puts him third on that list behind Stauber (2.77) and Jim Mattson (1951-54, 2.48).

**Klatt Attack:** Pre-season All-American Trent Klatt continues to shine this year. The junior alternate captain had three goals and five assists for the weekend. He leads the team in goals with 23, and is tied for the NCAA lead in game-winners with five. His 10 power play goals ties him for the team lead with Olinb and Darby Hendrickson (Richfield, Minn.). With 23 goals and 28 assists, Klatt is second on the Gophers' scoring chart. He went into the weekend ninth in the WCHA in scoring and should have climbed a spot or two with his strong five-point performance.

**Freshman Flash:** Darby Hendrickson, the coaches pre-season pick as Freshman of the Year, continues to prove the coaches right. The 6-0, 175-pound center/wing is tied for second on the team in goals with 19, and has posted nine power play goals. He has scored points in 13 of the last 15 games with 8-17=25 during that span. This talented young player is everything he was expected to be and more. He went into the weekend as the top freshman scorer in the conference and 13th overall.

**Woog Watch:** Head Coach Doug Woog has raised his career record to 220-81-11 this year for a .825 winning percentage, the highest of any coach in the collegiate ranks. He is the winningest coach in school history and his teams have never finished lower than second in the WCHA. This year he is closing in on his third WCHA title and his seventh consecutive NCAA playoff appearance.

**Broadcast Notes:** Both games of the Minnesota/Denver series will be televised on Midwest Sports Channel with Doug McLeod and Dick Bremer bringing you all the action. Friday night's game will also be televised by Prime Sports Network with Norm Jones and Jim Conrad calling the plays. On the radio dial, KFAN-AM 1130 will broadcast the games on a tape-delayed basis following the Timberwolves' broadcasts. The games will be broadcast live on KJJO-AM 950. ## **GOPHERS BASEBALL TEAM TRAVELS TO MISSISSIPPI THIS WEEKEND**

John Anderson's 20th-ranked Golden Gopher baseball team had its three-game series with Cal-State Fullerton cancelled last weekend due to the flooding in Southern California. This weekend the team travels to Oxford, Miss., for three games with Ole Miss. The Gophers (2-1), hope to continue the success that they had in winning two of three games from Arizona in the season opener at Tucson. The series with Mississippi starts Friday with a 2:00 p.m. (EST) start and 1:00 p.m. (EST) starts on Saturday and Sunday. The Minnesota series will be the first action of the year for Ole Miss.

**On the Attack:** Offensively, the Gophers return last year's Big Ten Freshman of the Year and a freshman All-American in Mark Merila (Plymouth, Minn.). The All-American second baseman candidate has power from both sides of the plate and will be the go-to guy at the plate for the Maroon and Gold this year. Merila knocked in the game-winning run in the Gophers 3-2, 10-inning win over Arizona. He will not be alone on offense, the Gophers also return All-American candidate Ryan Lefebvre (Los Angeles) in center field. Lefebvre is a big catalyst for the Gophers. He leads the team in almost all career offensive categories and his speed on the base paths is a dangerous weapon. This year he is batting .333 with two stolen bases in as many attempts. Fifth-year senior Brian Hartmann (Arlington, Minn.) will anchor the catcher position for the Gophers, but missed the Arizona series because of a shoulder problem he aggravated at the U.S. Olympic Trials last November. Hartmann did DH during the series and had his first homer of the year in the Gophers' 8-3 drubbing of the Wildcats that concluded the series. Hartmann is looking to go out in style after having a great summer in the Cape Cod league. In all, the Gophers return 14 lettermen from last season's team which finished second in the Big Ten to Ohio State.

**Big Defense:** The Golden Gopher defense will be anchored up the middle by Hartmann, Merila and Lefebvre. The team, which has led the Big Ten in defense the past two seasons, will have a new player at first base with the departure of Jeff Monson. Senior co-captain Steve Calvert (Edina, Minn.) is holding down third base, while veterans Tom Doyle (Rapid City, S.D.) and George Behr (St. Paul, Minn.) will battle for playing time at first base. Behr has the edge right now, and is leading the team in batting with a .444 average and has one homer. In addition, Behr had one of only two team hits in the Gophers' Professional Alumni game at the Metrodome last Tuesday when he belted a two-run, 400-foot blast into the Metrodome seats off of major leaguer Denny Neagle of the Twins, accounting for the varsity's only runs in the 5-2 exhibition loss. In the outfield, Lefebvre will have veterans on both sides with Keith Krenke (Owatonna, Minn.) in right field, and fleet-footed sophomore Charlie Nelson (Perham, Minn.) battling junior Darren Schwankl (Burnsville, Minn.) for the left field spot. Schwankl can play any outfield or infield positions, giving Minnesota skipper John Anderson some flexibility in the late innings.

**Pitching Report:** On the hill the Gophers will be led by senior John Lowery (Shepherdston, W. Virginia) who pitched 4 and a third innings against Arizona without giving up a run. Lowery was the team leader in appearances last year, and is a smooth left-handed pitcher. Other probable starters for the Ole Miss series are Jeff Schmidt (LaCrosse, Wisc.), who pitched five innings and gained the win against Arizona in the series finale and Eric Slagle (Barrington, Ill.). The Gophers will have a variety of pitchers in the bullpen, including senior J.T. Gilbert (LaCrosse Wisc.) and team captain Brent Davis (Minnetonka, Minn.), who picked up his first win in relief in the season opener when he pitched one and two thirds innings without giving up a hit.

## **OSCAR MAYER CLASSIC BOASTS ANOTHER TOP FIELD IN HOME OPENER**

The home opener for the Maroon and Gold is the Oscar Mayer Baseball Classic at the Metrodome on February 28th - March 1st. As always, the Gophers will entertain some high-powered talent in 19th-ranked Texas A&M, fourth-ranked Mississippi State and eighth-ranked Florida State. This tournament has become one of collegiate baseball's greatest showcases of talent and has given an early-season glimpse of the top teams in the country.

The tournament schedule has Texas A&M and Mississippi State squaring off in the first game on Friday, February 28, at 2:00 p.m. The Gophers open their home slate that night at 7:30 p.m. when they take on Florida State. Saturday has the Gophers playing Mississippi State at 2:00 p.m. and Florida State and Texas A&M playing in the nightcap at 6:00 p.m. Sunday, the tourney concludes with Minnesota and Texas A&M playing at 1:15 p.m. and Florida State and Mississippi State playing at 5:00 p.m.

The Oscar Mayer Baseball Classic and its predecessors (Wheaties Classic, Pillsbury Classic) has produced 23 current major league players and 138 players who are playing in professional baseball at some level. In addition, the tourney has also showcased the talents of two athletes who are playing football in the NFL (Cleveland Gary and Greg McMurtry).

This is just an example of the kind of talent the Minnesota lads will face. But the Golden Gopher baseball team is not going to back down. Last year they beat highly-rated Stanford to win the championship trophy, so don't be surprised come Sunday when the Gophers are playing for the hardware again. For ticket information on either event contact the Golden Gopher Ticket office at 624-8080.

The Oscar Mayer Classic will again host its annual coaches clinic with an on-field clinic scheduled for 11:00 a.m. on Saturday, with players and coaches from all the teams participating on the Metrodome carpet. This event is open to youth baseball players and is further evidence of Oscar Mayer's and the University of Minnesota's commitment to youth baseball in Minnesota. The Oscar Mayer Classic is sponsored by Oscar Mayer foods, American Airlines, the Metrodome Hilton and Wilson sporting goods.

## GOLDEN GOPHER GYMNASTS DEFEAT TOP-RANKED CORNHUSKERS

The fifth-ranked Golden Gophers (3-3) scored one of their biggest victories this season, as they defeated the number one-ranked Nebraska Cornhuskers in Williams Arena last weekend, 280.95 to 280.40. The 280.95 score, was a season high for the Golden Gophers. Minnesota was trailing by 1.2 points going into the final event, before pulling off the upset. The Gophers were led by junior All-American John Roethlisberger (Afton, Minn.), as he captured the all-around competition with a score of 57.80. He also added top honors on the pommel horse (9.75) and parallel bars (9.65). Three other Gophers took first place honors: sophomore Brian Ottenhoff (Kersey, Colo.) on the high bar (9.80), junior Rob Hanson (Ramsey, Minn.) on still rings (9.85) and freshman Kerry Huston (Spring, Texas) tied with Nebraska's Dennis Harrison in the vault (9.60). Minnesota will venture to the road this weekend for a dual meet against UW-Oshkosh.

**Last Season:** The Golden Gophers' scored a season-high of 278.65 points as they defeated the Michigan State Spartans and Wisconsin-Oshkosh Titans in a triangular meet at Williams Arena on February 23, 1991. All-American Mike Farina returned to action after missing most of the season with an elbow injury. Farina won the pommel horse event with a 9.75 and tied for the floor exercise crown with a score of 9.35. Jay Caputo captured two events and tied fellow teammate Corey Bannerman for first place in the still rings event. Leif Carlson won the parallel bars with a mark of 9.75.

## NETTERS FALTER AT ICE VOLLEYS; LOOK AHEAD TO BIG TEN SEASON

Minnesota's tennis team was unable to defend its Ice Volleys Showcase title thanks to a red-hot Tennessee team that beat the Gophers, 5-1 in the final. The Kansas Jayhawks blazed past the SMU Mustangs in the consolation match, 5-0.

Gopher senior Phil LeBlanc (St. Bruno, Quebec) was the only Minnesotan to pick up two wins at the weekend tournament. LeBlanc beat Kansas' Ian Goodman, 6-3, 6-2, on Friday and came back on Saturday to pick up the team's lone win when he beat Paul Robinson of Tennessee.

Minnesota is now 1-2 in dual match competition as they prepare to open the Big Ten season on Friday, February 21, against Ohio State and Saturday, February 22, against Indiana. Both matches will be held at the 98th Street Racquet Club in Bloomington.

## TRACK & FIELD TEAM TURNS IN OUTSTANDING INDIVIDUAL PERFORMANCES AT CYCLONE INVITATIONAL; GOLD COUNTRY INVITATIONAL SATURDAY

Junior Chris Murrell (Grand Island, Neb.) in the high jump and freshman Keita Cline (Gainesville, Fla.) in the triple jump surpassed NCAA provisional standards to pace the Golden Gopher track & field team at last Saturday's Cyclone Invitational in Ames, Iowa. Cline, and junior Kirk Dyer (San Jose, Calif.) in the 200 meters, also set new school indoor records. The meet was a non-scored competition.

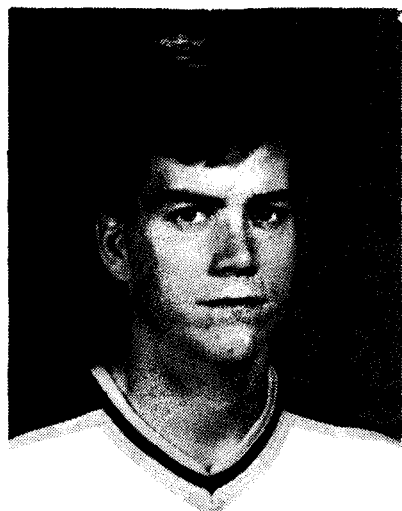

**The Road To Indianapolis:** Murrell, who collected All-American honors after finishing eighth at the NCAA Outdoor Championships last spring, won Saturday's high jump competition with a leap of 7-2 1/2. That was just off his school indoor record of 7-3 set last year and easily surpassed the provisional qualifying standard of 7-1. The NCAA Indoor Championships will be held on March 13-14 at the Hoosier Dome in Indianapolis. Cline finished third in the triple jump with a provisional qualifying leap of 51-8 1/2, topping teammate Tyrone Minor's (St. Paul, Minn.) school record of 50-4 set at the Wisconsin Invitational back on Jan. 25 in the process. The mark also surpassed his own school freshman record of 49-2 1/2 set at the Northwest Open on Jan. 18. In a loaded 200 meter field, Dyer finished 13th overall with a new school indoor record clocking of 22.16. He had shared the previous record of 22.27 with teammate Tim Arinze (Festic Town, Lagos, Nigeria).

**Looking Good:** The Golden Gophers turned in a number of other outstanding individual performances on Saturday. The shot put "fearsome foursome" turned in yet another solid competition. Senior All-American Mark Lacy (Oak Brook, Ill.) placed second with a throw of 57-10 1/2, followed by junior Chad Goldstein (St. Louis Park, Minn.) in third at 57-9 1/4, sophomore Chris Brinkworth (Bloomington, Minn.) in fifth at 56-1 1/2, and redshirt freshman Robert Hydukovich (Bemidji, Minn.) in sixth at 50-8 1/2. Junior Mark Narveson (Mankato, Minn.) finished fourth in the 3000 meters with a personal-best time of 8:49.25 while Tyrone Minor also placed fourth in the long jump with a season-best leap of 24-3 1/4. The 4 x 400 meter relay of freshman Adrian Ellis (Racine, Wis.), Keita Cline, sophomore Norris Williams (Milwaukee), and Kirk Dyer finished eighth with a season-best time of 3:15.27.

**Gold Country Invitational:** In their final tuneup before the Big Ten Indoor Championships to be held Feb. 28-29 at East Lansing, Mich., the Golden Gophers will host the Gold Country Invitational at the UM Fieldhouse on Saturday. The co-ed competition will start at 11:00 a.m.

**Broadcast Coverage:** Tuesday's game against Iowa will be broadcast nationally on ESPN with Bob Carpenter on the play-by-play and Clark Kellogg as the analyst. WCCO-AM 830 is the exclusive radio voice of University of Minnesota basketball with Ray Christensen calling all the action.

**Coach Haskins:** In his sixth season at the helm, Head Coach Clem Haskins has been the chief architect behind the resurgence of the Golden Gopher basketball program. After two rebuilding seasons, he directed the program to national prominence with back-to-back storybook runs through the NCAA Tournament in 1989 (Sweet Sixteen) and 1990 (Elite Eight). Known as "Clem the Gem," he was a consensus All-America choice, and is still recognized as one of the most dominant players to ever play in the Ohio Valley Conference, after charting a standout collegiate career at Western Kentucky. The third player selected in the NBA draft, he went on to play nine outstanding seasons in the professional ranks. Coach Haskins has recorded an 88-85 overall record at Minnesota, including a 69-48 mark over the past four seasons. He has a 189-158 overall record in 12 seasons.

**There's No Place Like Home:** The Golden Gophers wrapped up a very demanding stretch of the schedule following last Wednesday's 95-70 defeat at Michigan. They played five of six games on the road in an 18-day period and recorded a 2-4 record during that time. The Golden Gophers will now play four of their last five regular season games in the friendly confines of Williams Arena, where they are 10-1 this season and a perfect 5-0 in Big Ten play. The Golden Gophers have registered an impressive 46-12 record (.793) over the past four seasons within the hallowed halls of the fabled arena.

**The Scouting Report:** Iowa Head Coach Tom Davis brings his highly successful fast-breaking offense and full-court pressure defense into Williams Arena on Tuesday. The Hawkeyes dropped a heartbreaking 77-72 decision in overtime at Illinois on Sunday to fall to 15-8 overall and 7-6 in the Big Ten coming into Tuesday's confrontation with the Golden Gophers. That defeat came on the heels of a 92-86 upset victory at home over Ohio State last Tuesday. Through 23 games, 6-10 junior center Acie Earl leads the Hawkeyes in scoring at 19.6 points a game and is second in rebounding with 8.0 boards an outing. He is averaging 4.0 blocked shots a game. One of the keys to the success of the Hawkeyes this season has been the outstanding play of 6-8 sophomore forward Chris Street. He leads the team with 8.7 rebounds a night, while shooting 53 percent (88 of 166) from the floor and averaging 11.0 points. In his sixth season at the helm, Davis has recorded a 125-60 mark at Iowa. He has a 399-210 overall record in 21 seasons.

**A Look Back:** Acie Earl scored 15 points and registered seven blocks to lead the Hawkeyes to an 87-70 victory over the Golden Gophers before a sellout crowd of 15,500 at Carver-Hawkeye Arena back on Feb. 1. James Moses with 14 points, Val Barnes with 12 and Chris Street with 10 joined Earl in double figures as the Hawkeyes broke open a close game with an 11-0 run early in the second half. Arriel McDonald led Minnesota's attack with 13 points, followed by freshman Jayson Walton (Dallas) with 12.

**Series Record:** Minnesota has an 81-70 advantage in the all-time series with Iowa, which includes three consecutive victories over the Hawkeyes at Williams Arena. Overall, the Golden Gophers hold a 49-28 edge in games played in Minneapolis.

**Carter Returns:** Randy Carter, who had surgery to remove bone spurs from both ankles on Jan. 20 and had been out of the Golden Gopher lineup since the Michigan State game on Jan. 18, returned to action on Feb. 15 against Illinois. He came off the bench to score eight points and haul down a game-high nine rebounds in 15 minutes of playing time in the loss to the Fighting Illini. He returned to the starting lineup at Michigan last Wednesday and registered 11 points and one rebound in 29 minutes. Despite having his playing time and effectiveness drop off drastically prior to the surgery because of the injury, the 6-foot-8, 230-pounder has now played in 19 games this season. He leads the team in rebounding at 6.0 boards a game and is second in scoring at 10.3 points an outing.

**Kolander Plays:** Suffering from a high-frequency hearing loss and noise distortion in his right ear, redshirt freshman forward Chad Kolander (Owatonna, Minn.) received medical clearance to take a commercial flight to Detroit for the Michigan game last week. The rest of the team traveled on a smaller charter jet. Averaging 5.6 points and 3.4 rebounds a game, he did not make the trip to Champaign on Feb. 15. Since the team's flight to West Lafayette, Ind. on Feb. 4, the 6-foot-9, 220-pounder has experienced muffled hearing and general discomfort in the ear. The problem can be caused due to pressure changes that occur during an airline flight.

**Tubbs Will Return:** Nate Tubbs will return to the Golden Gopher lineup against Iowa on Tuesday. He collected a technical foul with 2:04 remaining in the loss at Illinois on Feb. 15 after being called for his fifth personal foul and then he did not make the trip to Michigan last Wednesday. Tubbs, regarded as one of the finest defensive players in the Big Ten, has scored 78 points (7.8), while shooting 49.3 percent (34-69) from the floor, in the last 10 games that he has played.

**McDonald Comes To The Forefront:** Arriel McDonald's outstanding play has been a big factor in the success of the Golden Gophers this season. He has led or tied for the team lead in scoring the past three games, which included 18 points and six assists in 35 minutes of action in the 71-67 upset victory over Indiana at Williams Arena on Feb. 12. Prior to that, he nailed the game-winning shot with one second remaining to give the Golden Gophers an important 57-55 road victory at Northwestern on Feb. 1. In the past 12 games, he has registered just 14 turnovers (1.2), while dishing out a total of 48 assists (4.0) and scoring 126 points (10.5) in 378 (31.5) minutes of playing time. Through 26 games, he is ranked third on the team in scoring (10.0), and is the team leader in assists at 99 (3.8), while committing only 45 turnovers. With 225 career assists, he has moved into ninth on the school's all-time list, passing Trent Tucker (1978-82, 219) with four assists in the Illinois game on Feb. 15. Walter Bond (1987-91) is eighth with 235. If he continues at his present pace, he will shatter Marc Wilson's (1983-86) career record of 375.

## **GOPHERS SPLIT WITH DENVER; CLINCH NINTH WCHA TITLE SENIOR NIGHT IS SET FOR FRIDAY VERSUS ST. CLOUD STATE**

Doug Woog's Golden Gopher hockey team split a pair of games with Denver University this past weekend 4-5 and 7-3. The win on Saturday clinched the school's ninth WCHA title and gave the Gophers possession of the prestigious MacNaughton Cup. Minnesota (26-8, 22-6), can now concentrate on its remaining four regular season games. The Gophers play a home and home series this weekend with St. Cloud State, before finishing the season with two games at North Dakota. Friday night will be Senior Night at Mariucci Arena and there will be a special presentation to the Gophers' seniors and their parents.

**Woog Watch:** The 1991-92 WCHA title gives Doug Woog the third in his coaching career at Minnesota ('87-'88, '88-'89 and '91-'92). Woog has now raised his career record at Minnesota to 221-82-11. The former Gopher All-American is the all-time winningest coach at Minnesota and has the highest overall winning percentage of any active coach in collegiate hockey with a .721 percentage.

**Coming on Strong:** Senior wing Cory Laylin (St. Cloud, Minn.) has been a key part of the Gophers' success in the past few weeks. In his last 14 games he has 10 goals and eight assists, and his play on the penalty killing and power play units has been outstanding.

**New Scoring Punch:** The Gophers 11 goals over the weekend came from some new faces. On Friday night, the third line of John Brill (Grand Rapids, Minn.), Steve Magnusson (Anoka, Minn.) and Scott Bell (St. Paul, Minn.) was the top unit on the ice. Bell notched his 11th goal of the season, while Magnusson had a pair of assists and Brill had another. On Saturday night, the fourth line of Todd Westlund (Burnsville, Minn.), Justin McHugh (Minnetonka, Minn.) and Brandon Steege (Burnsville, Minn.) accounted for four of the seven Gopher goals. McHugh had the first hat trick of his collegiate career and added an assist, while Steege notched his first collegiate goal and added an assist. Westlund had two assists and was a physical force in the corners. Eight of the 11 goals over the weekend came from people who are not in the top six on the team in scoring. If the Gophers continue to get the strong play from the third and fourth lines, and get the first two lines scoring, then the Minnesota offense will be tough to stop.

**Klatt on the Attack:** Pre-season All-American Trent Klatt (Osseo, Minn.) had another solid weekend for the Gophers. The alternate captain had two goals and an assist to raise his totals for the year to 25 goals and 29 assists. Klatt leads the Gophers in goals and is second in power play goals with 10.

**Hendrickson Notches Number 20:** Freshman of the Year candidate Darby Hendrickson (Richfield, Minn.) notched his 20th goal of the year on Friday night making him the first Gopher freshman to reach that plateau since Trent Klatt had 22 in 1989-90. For the year, Hendrickson has 20 goals and 24 assists and is fourth in team scoring. He isn't the only freshman near the top of the scoring charts. Steve Magnusson is now fifth in scoring with eight goals and 19 assists for the year.

**Big "O":** Hobey Baker and All-American candidate Larry Olib (Warroad, Minn.) is the team's leading scorer with 19 goals and 43 assists. With 146 career assists, he is eight assists short of the all-time assist record at Minnesota held by John Mayasich (1951-55, 154). Olib is also the newest member of the 200-Point Club at Minnesota with 200 career points. He is the only member of that club to have played half his career at defense. His ability to play any position on the ice, except goalie, is what makes him one of the top players in the country and a very valuable member of the Minnesota squad.

**"Stopper Gains Win Number 24:** All-American candidate Jeff Stolp (Nashwauk, Minn.) notched his 24th win of the year and his 54th career win at Minnesota. Stolp leads the WCHA in GAA (2.87), wins (24), shutouts (2), shutout periods (35) and winning percentage (.800). He has been the backbone of the Gophers' league-leading defense all year. He is now number three on the all-time win list at Minnesota and has the third-best career GAA (3.10) of any Minnesota goalie.

**Next Up:** The Minnesota/St. Cloud State series this weekend will be emotion-filled as usual. Minnesota has a 7-0-2 edge in the series and won both games earlier this year. The Maroon and Gold won at St. Cloud on November 1, 7-4. The game was nearly cancelled due to the Halloween Blizzard that dropped over 20 inches of snow on the area. The Saturday night game at Mariucci Arena was a 7-2 decision in favor of the Gophers. For the weekend, the Gophers notched four short-handed goals, two by Larry Olib and two by Scott Bell.

**About The Huskies:** The Huskies are led by seniors Jeff Saterdalen and Tim Hanus. Saterdalen leads the team in scoring with 14 goals and 26 assists, while Hanus has 15 goals and 22 assists. Grant Sjervan has been the top goalie with a 8-5 record and a GAA of 3.99. The Huskies are coached by Craig Dahl who has a 78-94-11 record at the helm of the Huskies program.

**Broadcast Notes:** Both games of the Minnesota/St. Cloud State series will be televised by Midwest Sports Channel with Dick Bremer and Doug McLeod bringing you all the action. On the radio dial, Greg Harrington and Doug Johnson will bring both of the games to you live on KFAN-AM 1130.

**WCHA Tournament Credentials:** Any media interested in covering the WCHA Tournament on March 20-21 should contact WCHA Director of Public Relations Doug Spencer. FAX requests to (608)-283-6412, or mail to Spencer at P.O. Box 14599, Madison, Wis. 53714, no later than March 5, 1992. Requests received after that date may not be honored.

## GOPHERS WIN TWO OF THREE AT OLE MISS; OPEN UP 1992 HOME SLATE FRIDAY NIGHT VERSUS FLORIDA STATE IN OSCAR MAYER BASEBALL CLASSIC

John Anderson's Gopher baseball squad continued their success on the road by winning two of three games from Ole Miss this past weekend at Oxford, Miss. The 20th-ranked Gophers (4-2) open up their 1992 home slate, and the first of nine scheduled games at the Metrodome, on Friday night against fifth-ranked Florida State at 7:30 p.m.

**Ole Miss Recap:** The Maroon and Gold used a balanced offensive attack and strong pitching to take two of three from the Rebels. Ole Miss started their season with a 6-2 victory in the series opener on Friday. The Rebels turned six double plays on the Gophers, (one short of the NCAA record) as the Gophers managed two runs on seven hits and eight walks. Fifth-year senior Keith Krenke (Owatonna, Minn.) was two for three to pace the Gophers, while Darren Grass (St. Paul, Minn.) had an RBI single and Charlie Nelson (Perham, Minn.) had an RBI walk. John Lowery (Shepherdstown, W. Virginia) took the loss (0-1), giving up five earned runs on 10 hits in five and a third innings.

**On the Rebound:** Saturday afternoon the Gophers and Rebels battled to a 4-4 tie after three innings and that's the way it stayed until the top of the eighth when the Gophers scored two runs on a fielders choice and an RBI single by Ryan Lefebvre (Los Angeles). The Maroon and Gold added two runs in the ninth to seal the victory. The Gophers recorded a rare triple play in the fourth inning when the bases were loaded and starter Jeff Schmidt (LaCrosse, Wis.) took a line shot off of his throwing hand that continued on the fly to Mark Merila (Plymouth, Minn.) who tossed it to second base for the second out and shortstop Bill Mobilia (Ely, Minn.) caught the runner at third to end the inning. George Behr (St. Paul, Minn.) and Brian Hartmann (Arlington, Minn.) led the Gophers with three hits each, while Keith Krenke scored two runs and drove in two runs. Scott Bakkum (LaCrosse, Wis.) gained the victory (1-0) in relief of Schmidt who left the game due to the hand injury.

**Series Finale:** The Gophers finished the series with a 5-0 shutout when Gopher hurlers Eric Slagle (Barrington, Ill.) and Chris Lawler (Milwaukee, Wis.) put together a pair of strong performances. Slagle started and went five and two thirds giving up six hits and striking out six to gain the win and even his record at 1-1. Chris Lawler came in to shut the door and gain the save by pitching three and a third innings and giving up only one hit, while striking out five batters. Offensively, Bill Mobilia led the team with two hits and two RBI's, including the game winner. Keith Krenke is leading the team in batting with a .381 average, followed by Tom Doyle (Rapid City, S.D.) at .364 and George Behr at .348. With some strong hitting coming from some unanticipated places the outlook for the Gophers is bright.

**Up Next:** The Gophers home opener is against the fifth-ranked Florida State Seminoles. Minnesota knows all about Florida State after losing three straight games at Tallahassee last year to open the season. The game will be at 7:30 p.m., although the Oscar Mayer Baseball Classic will open earlier in the day when the 25th-ranked Texas A&M Aggies and the seventh-ranked Mississippi State Bulldogs do battle, starting at 2:00 p.m. in the Metrodome. Saturday's schedule has Minnesota playing Mississippi State at 2:00 p.m. and Florida State and Texas A&M playing at 6:00 p.m. The tournament concludes with the Gophers and Texas A&M playing at 1:15 p.m. Sunday, followed by Florida State vs. Mississippi State at 5:00 p.m.

**What a Schedule:** Once again the Gophers are playing one of the toughest schedules in the country. Six of the team's first nine games are against opponents ranked in the top 25, with five of them being against teams in the top 10. Head Coach John Anderson believes in playing a tough non-conference slate to prepare the team for the rigors of Big Ten play. Last year, victories over ranked opponents like Stanford, Miami, Notre Dame and Ohio State were instrumental in gaining the at-large berth in the NCAA West I regional. Last year, the Gophers played 14 of their 56 games against teams ranked in the top 20.

**Florida State Notes:** The Seminoles are ranked fifth in the nation by *Baseball America* and were 7-1 going into their weekend series with Duke. They are coached by Mike Martin who has a 672-220-3 record in his 12 plus years at Florida State. Offensively, the Seminoles are led by Chris Roberts who is a top pitcher and hitter. Last year he was 7-2 on the hill and has a 15-4 career mark. At the plate, Roberts batted .321 with 77 RBI's last year. Roger Bailey is another top pitcher for Florida State. He has a 20-4 career mark and won 11 games last year. The Seminoles joined the Atlantic Coast Conference this year after being in the Metro Conference for many years.

**Texas A&M Notes:** The Aggies are coached by Mark Johnson who had a 321-123-1 record coming into the year. Last year the Aggies advanced to the NCAA South Regional, before being eliminated by Southwestern Louisiana. They are led by All-American pitcher Jeff Granger who posted a 9-2 record last year. He was chosen to pitch for Team USA in the Pan American games and won two games, helping the team win the bronze medal. Offensively, the top returning hitter for the Aggies is senior Conrad Colby who batted .359 last year and knocked in 59 runs, earning all-tournament honors in the NCAA South Regional.

**Mississippi State Notes:** The Bulldogs are coached by Ron Polk who is in his 17th year at the helm of the Bulldog program. Polk was the head coach of Team USA, which won the bronze medal at the Pan American games in Havana, Cuba. The Bulldogs will open their 1992 season at the Metrodome against Texas A&M. They return seven starters from last year's 42-21 team which participated in the school's 11th NCAA Regional in 14 years. Senior Charlie Anderson returns after garnering All-SEC and team MVP honors last year. First baseman Chuck Daniel returns and he may also see some time on the hill after leading the team in saves in 1990. The Bulldogs return many of their top pitchers including, freshman All-America choice Jay Powell, who picked up a school record 10 saves a year ago. The sophomore is rated the fifth-best closer in the country by *Baseball America*.

## TRACK & FIELD TEAM SET FOR BIG TEN INDOOR CHAMPIONSHIPS THIS WEEKEND

Head Coach Roy Griak's Golden Gopher track & field team will compete in the Big Ten Indoor Track & Field Championships this Friday and Saturday at East Lansing, Mich.

**Final 1991 Big Ten Standings (at West Lafayette, Ind.):** 1) Indiana 115 2) Illinois 97 3) Ohio State 56 4) Michigan 55 5) Wisconsin 49 6) Purdue & Michigan State 35 8) Iowa 30 9) MINNESOTA 24.

**Defending Champion Lacy Leads Powerful Weight Crew:** With two throwers over 60 feet and four over 50 feet in the shot put, the Golden Gophers have assembled what many have called their finest weight crew, in terms of quality and depth, in school history. Heading into the Big Ten Championships, the Golden Gophers have the league's top three performances in the shot put (all rankings listed are as of 2/20/92). Senior Mark Lacy (Oak Brook, Ill.), who collected All-American honors in the shot put at the NCAA Outdoor Championships last spring, is the defending indoor league champion in the event. He won last year's competition with a throw of 59-9. At the Wisconsin Invitational back on Jan. 25, he uncorked a personal-best and NCAA provisional qualifying throw of 60-7 1/4. Junior Chad Goldstein (St. Louis Park, Minn.), fourth at the conference indoor meet a year ago with a heave of 55-10 1/4, won the Northwest Open back on Jan. 18 with a personal-best and NCAA provisional qualifying throw of 60-1. Sophomore Chris Brinkworth (Bloomington, Minn.), who has also surpassed the provisional qualifying standard with a personal-best toss of 57-9 earlier this season, is ranked third in the league in the event heading into this weekend. Redshirt freshman Robert Hydukovich (Bemidji, Minn.) set a new personal-best with a toss of 51-1 1/2 at the Golden Gopher Open this past weekend.

**Jumpers Shine:** Junior Chris Murrell (Grand Island, Neb.) in the high jump and freshman Keita Cline (Gainesville, Fla.) in the triple jump also stand atop the Big Ten's indoor best list heading into the conference meet. Murrell, who collected All-American honors after finishing eighth at the NCAA Outdoor Championships last spring, surpassed the NCAA provisional qualifying standard with a leap of 7-2 1/2 at the Cyclone Invitational on Feb. 15. He leaped 7-3 to win the 1990 Big Ten indoor title as a rookie and set a new school record in the process. Sophomore Matt Burns (Cedar Rapids, Iowa) matched his personal-best with a winning leap of 6-10 3/4 at last weekend's Golden Gopher Open. He came very close to topping the 7-0 mark and should be a threat alongside Murrell this weekend. Cline finished third in the triple jump at the Cyclone Invitational with a provisional qualifying leap of 51-8 1/2, topping teammate Tyrone Minor's (St. Paul, Minn.) school record of 50-4 set at the Wisconsin Invitational back on Jan. 25 in the process. That jump has Minor ranked third in the league heading into this weekend. Minor with a leap of 24-3 1/4 and Cline at 24-1 3/4 are ranked sixth and seventh in the conference in the long jump, while Minor will also be a threat to score points in the 55 meters with a season-best of 6.32. Senior Dan Savitt (Plymouth, Minn.), fifth in the triple jump last year at 46-7 1/2, will be a threat in both the triple and long jumps, while freshman Adrian Ellis (Racine, Wis.) has a best of 49-2 1/4 in the triple jump to his credit this season.

**On The Track:** Sophomore Norris Williams (Milwaukee) in the 600 meters, redshirt freshman Jason Max (Minnetonka, Minn.) in the 800 meters and junior Mark Narveson (Mankato, Minn.) in the 3000 meters, all rank near the top of the league indoor best list this season. Williams, fifth in the 400 meters at both the indoor and outdoor conference meets as a rookie last year, ran a school record clocking of 1:19.70 in the 600 meters earlier this season. He is ranked fifth in the event. Max is also ranked fifth with a time of 1:53.15 in the 800. Narveson cranked out a swift 8:19.25 clocking at the Cyclone Invitational on Feb. 15 and is ranked a distant second to Indiana superstar Bob Kennedy (8:02.23) heading into the Big Ten meet. Tyrone Minor will be joined in the sprints by senior Tim Arinze (Festac Town, Lagos, Nigeria) and junior Kirk Dyer (San Jose, Calif.). Both Arinze and Dyer have scored at the Big Ten indoor and outdoor meets in the past and have the experience and ability to do so again. Dyer raced to a school record clocking of 22.16 in the 200 meters at the Cyclone Invitational. With a best of 3:15.27, the Golden Gophers will look to score in the 4 x 400 meter relay. The 4 x 800 meter relay unit will also look to be in the hunt.

**Eriksson & Fitzgerald Look Sharp:** Sophomore Martin Eriksson (Stockholm, Sweden), who has been bothered by shin splints throughout the entire indoor season, won the pole vault at last Saturday's Golden Gopher Open by clearing 17-0 3/4. A vault such as that would put him right in the hunt for top honors and provide a big boost to the Golden Gophers' hopes. He cleared 17-6 1/4 last season. Senior Sean Fitzgerald (Ottawa, Ontario, Canada), who has seen limited action this season due to an ankle injury, won the 1500 meters at the Gold Country Open with a clocking of 3:57.57. Although he is far from peak condition, he has the experience and savvy to be a possible point producer this weekend and will be a key member of the 4 x 800 relay unit.

**The Road To Indianapolis:** The NCAA Indoor Championships will be held on March 13-14 at the Hoosier Dome in Indianapolis. The Golden Gophers have five provisional qualifiers for the national meet thus far. Mark Lacy, Chad Goldstein and Chris Brinkworth in the shot put, Chris Murrell in the high jump and Keita Cline in the triple jump have all surpassed the provisional standard. The field for each of the above events will be filled to a minimum of 14 competitors. If at least 14 competitors do not surpass the automatic qualifying standard, performances meeting provisional standards will be used to develop a descending-order list to fill the field in each event.

## GOLDEN GOPHER NETTERS RETURN TO WINNING WAYS

David Geatz's tennis team rebounded from its disappointing Ice Volleys loss, a week ago, to sweep weekend matches from Ohio State and Indiana. Minnesota breezed past the defending conference champion Buckeyes, 7-2, on Friday and pounded the Hoosiers, 5-1, on Saturday. The Gophers are now 3-2 in dual match action this season.

Next up for the Gophers will be a trip to Coach Geatz's old stomping grounds, the University of New Mexico, for the Balloon Fiesta Invitational. Geatz coached the Lobos for six seasons -- good enough for a 121-65 record. Other teams participating in the tournament, which begins February 28, are Arizona State, New Mexico and the University of San Diego.

## GOPHER GRAPPLERS FINISH BIG TEN REGULAR SEASON ON WINNING NOTE

After struggling against some of the nation's best competition all season long, Coach J Robinson's wrestlers wrapped-up their regular season with a 29-13 win at Indiana on Sunday. Senior Scott Rohrer (126 - Waupun, Wis.) notched his 23rd win of the season with a fall over Chris Russo at the 0:59 second mark of the match to lead the way for the Gophers.

Earlier in the day on Sunday, Minnesota dropped a 21-16 decision to the 17th-ranked Purdue Boilermakers at West Lafayette, Ind. The matches in the Hoosier state followed a Friday evening tilt at Ohio State, in which the Buckeyes nipped the Gophers, 23-19. Gopher junior Mike Marzetta (158 - Liberty Lake, Wash.) notched his 24th win of the season on Friday, and added his first draw of the year against Purdue's Tim Roahrig.

The Gophers finish up the dual match season with a record of 8-14, overall, 2-5 in the Big Ten. Next up for the Gophers will be the Big Ten Championships March 7 and 8 at Madison, Wis.
