UNIVERSITY WOMEN'S ATHLETICS NAMES GARR DIRECTOR OF PROMOTIONS AND MARKETING

Minneapolis, Minn. -- University of Minnesota Women's Athletic Director Chris Voelz announced today that Joan Garr has been named the new director of promotions and marketing for women's athletics at the University of Minnesota, pending approval by the Board of Regents. Garr, 27, has been the marketing and promotions coordinator for women's athletics at the University of Florida the past two years. She replaces Gail Shore, who resigned effective May 26 after two years as promotions and public relations director.

"I'm excited about coming to Minnesota," said Garr. "From what I've seen, there is already an awareness in the community about women's athletics because of past campaigns. What Minnesota needs is more awareness, attendance and revenue for women's athletics, and I'm looking forward to helping bring all of those to the University."

Garr's responsibilities for the women's athletic department will include the developing of promotional and marketing campaigns for the general public and target groups, promoting ticket sales, planning for the securing of external resources on a short and long-term basis, coordinating advertising and special promotions, and overseeing the department's merchandising program.

"Having been at Florida's top ten women's program within a merged department and at Tennessee's top 20 program in a separate department, Joan brings with her valuable experiences and creative insight into promotions and marketing of women's athletics," said Voelz. "The foundation in place will surely thrive under Joan's dedication and creativity."

more--

Among her responsibilities at Florida, Garr coordinated the marketing and promotions for seven women's sports, helped develop corporate sponsorship packages, organized special events and tournaments, including the 1989 and 1990 NCAA Women's Tennis Championships, and designed or set up all print and media advertising.

Garr has been professionally active with the Council of Collegiate Women Athletic Administrators, the Gainesville (Fla.) Sports Organizing Committee, and several other committees and programs associated with the Gainesville Area Chamber of Commerce.

She has gained experience working at the 1988 Sara Lee Classic in Nashville, the Doral Eastern Open in Miami, the 1986 NBC Superstars, the 1986 Elizabeth Arden Classic, the 1986 Virginia Slims of Florida Tennis Tournament and the 1985 Beatrice Indy Challenge.

Prior to her job at Florida, Garr was a promotions intern for women's athletics at the University of Tennessee in 1986-87. She served as a marketing and promotions assistant at the University of Miami (Fla.) in 1986.

Garr is a 1985 graduate of Tennessee Technological University in Cookeville, Tenn., where she received a bachelor's degree in health and physical education. She obtained a master's degree in sports administration from St. Thomas University in Miami in 1986.

Garr's starting date at Minnesota is July 24.

ABOUT THE COMPETITION — Minnesota will be meeting pool opponents Georgetown and Northern Arizona for the first time. The Gophers have a 3-5 series record against Florida State with the last meeting between the schools a 3-0 sweep for Minnesota in 1987. Prior to that match, the Seminoles had beaten the Gophers in three straight.

Georgetown University returns eight players from last year's 24-12 team. Included are 6-1 sophomore middle hitter **Jeane Erlenborn**, who led the team with 137 total blocks in 1988, and 5-10 senior setter/hitter **Casey Bradley**, who had 73 service aces and 264 digs. The Hoyas' coach is Nila Toribio-Straka, who is 46-22 in two years at Georgetown.

Northern Arizona was 12-13 last year, missing the Big Sky Conference playoffs by one match. The Lady Jacks return three starters including 5-10 senior outside hitter **Debbie Orr**, 5-6 junior setter **Ruth Parsons**, and 5-10 senior middle blocker **Abby Bayona**. Orr led the team in kills (3.53 per game), while Parsons led the team in assists (8.62 per game) and digs (2.53 per game). Bayona was second on the team in blocks (1.03 per game). Steve Hellman is 22-31 in two years as coach of the Lady Jacks.

Florida State was the 1988 Metro Conference champion with an 8-1 league mark. The Seminoles finished 28-8 overall and made the NCAA tournament, losing to Colorado State in the first round. Florida State returns five starters including 5-11 junior outside hitter **Maggie Philgence**, who led the team with 546 kills and a 4.16 per game average. Five-seven senior setter **Nancy Gaspadarek** averaged 10.29 assists per game, while 6-3 junior middle hitter **Gabrielle Reece** led the team with 171 total blocks (1.27 per game). Cecile Reynaud has a 378-158-1 in 13 years as head coach.

GYMNASTICS

GOPHERS SIGN HUNGARIAN NATIONAL TEAM MEMBER -- Minnesota women's gymnastics coach Katalin Deli has announced the signing of **MONIKA JUHASZ-NAGY** of Budapest, Hungary to a national letter of intent. Deli said Juhasz-Nagy would arrive on campus in time to begin fall practice Sept. 5 with the rest of the team.

"We're very excited to have Monika coming to Minnesota," said Deli. "She has been on the Hungarian national team for several years and has competed in the World Championships. She's very promising and will be an excellent addition to an outstanding, veteran team."

SOFTBALL

RITTMAN ON BOARD TO ASSIST WILSON -- John Rittman joins the Minnesota softball staff as an assistant coach after coaching for three years under Teresa Wilson at the University of Oregon. Rittman rejoins Wilson, who became Minnesota's head softball coach on July 1. He will aid Wilson in all aspects of the softball program, with emphasis on outfield play and hitting.

Rittman, 26, graduated from New Mexico State with a Bachelor's degree in journalism and is a four-year baseball letterwinner after competing for two years as an outfielder at Yavapai Junior College (Prescott, AZ) and for two years at New Mexico State. Following his career at MNSU, Rittman played two years of semi-pro baseball in Juarez, Mexico and has also competed in the Men's Major Fastpitch Division in Las Cruces, N.M.

WILSON SIGNS THREE -- First-year head softball coach Teresa Wilson has signed three players to national letters of intent. Two players come to Minnesota from Oregon, namely **MISCHEL DOERR** (Eugene, OR) and **SANDRA SCOTT** (Eugene, OR). Scott, an outfielder, will be a sophomore this season after playing under Wilson for a year at Oregon. Doerr, a freshman, played second base and outfield at Sheldon High School in Eugene, OR where she batted .296 and carried a .938 fielding percentage. **TABBETHA WOODY** (Dewey, OK), an outfielder out of Crowder Community College has also signed with the Gophers. At Crowder CC, Woody batted .339 and led the squad in runs scored.

FUND RAISING

PLEDGES FOR POINTS FOR MINNESOTA -- The Rotary Clubs of Minnesota are helping to make the points scored by University of Minnesota's football team and women's volleyball team work double duty. Not only will the Golden Gophers be earning points for victories on the field, they also will help the Rotarians earn funds to contribute to the University's athletic scholarship funds and special community projects.

WAYZATA ROTARY TAKES THE LEAD -- Members of the Wayzata Rotary have taken the lead to establish the state-wide Buck-a-Point campaign that involves individuals pledging to contribute a specific amount of money for every point scored by the Gopher football team during the regular 1989 season or pledge to make a contribution for every ace scored by the women's volleyball team during the 1989 Big Ten season. Seventy-five percent of the money raised will be given to both the women's and men's athletic programs at the University of Minnesota. The remaining 25% will be used by the participating Rotary Clubs for community projects in their area.

FUND RAISING CONTINUED --

DEPARTMENTS WORKING TOGETHER -- Because the Department of Men's Intercollegiate Athletics and the Department of Women's Intercollegiate Athletics are separate departments at the University of Minnesota, their sharing the proceeds from a fund raising campaign is unique. Typically the two departments have to work separately to raise the much needed dollars to fund the increasingly expensive athletic programs. The Buck-a-Point campaign allows individuals to make contributions by pledging dollars based on either program and have that donation shared between the two athletic departments.

GOAL OF \$5 MILLION -- The exceptional history of the Rotary makes the outlook for this campaign very promising and a campaign goal of \$5 million has been set. The football team has scored an average of 170 points a season over the past 10 years and the women's volleyball team recorded 163 aces in 1988. The Rotary and the athletic departments are hoping that many Minnesotans will participate in this fun and unique fund raiser and pledge 10¢ or more a point. Donors may make a pledge either against the points scored this year or they may make a pledge against the points scored by the Gophers over the past ten years and, because they will know what the average points are, make their donation when they pledge. Either way, it's a great way to support the Golden Gophers and Minnesota community projects.

FOR INFORMATION -- More information and pledge forms can be obtained from the University of Minnesota at (612) 625-4879 or by writing the Buck-a-Point Campaign at 226 Bierman Athletic Building, University of Minnesota, 516 15th Ave SE, Minneapolis, MN 55455.

OPPONENT BRIEFS — Four of the teams in the tournament were ranked in the AVCA Tachikara preseason top twenty. Included are: Brigham Young (No. 10), San Diego State (No. 14), Southern Cal (No. 16), and Arizona State (No. 18). Several of the other tournament entrants received votes, including: Cal-Berkeley, Cal-Santa Barbara, and MINNESOTA.

The Gophers' only previous meeting against Cal-Berkeley was in 1981 at the AIAW National Championships, when Minnesota defeated the Golden Bears in five games. The Gophers are 0-4 against San Diego State, having last met in 1983. Minnesota defeated Southwest Texas State in three games last season in the teams' only previous meeting. Other tournament participants are: Cal.-Santa Clara, Cal. State-Fullerton, Eastern Illinois, Fresno State, Montana State, Ohio State, Utah and Washington State.

GOPHERS DOMINATE GEORGE WASHINGTON UNIVERSITY INVITATIONAL — Minnesota capped off a strong showing at the George Washington University Labor Day Festival by defeating Florida State 15-8, 15-13, 15-11 Sunday in the championship game for the Gophers' fifth straight win.

Minnesota won 15 of 16 games in the eight-team tournament, beginning with a 15-8, 15-5, 15-7 win over Georgetown on Friday. Saturday morning, the Gophers swept their second straight match, beating Northern Arizona 15-4, 15-9, 15-9. Minnesota beat Florida State 15-8, 15-17, 15-7, 15-7 Saturday night to give the Gophers the tournament's top record (3-0) at the conclusion of pool play.

In the semifinals Sunday morning, the Gophers defeated Bowling Green 15-6, 15-8, 15-12.

SERVICE ACES, BALANCED ATTACK KEY GOPHER VICTORIES — Minnesota was at the top of its serving game from the tournament's outset, setting a school record with 24 service aces in the opener against Georgetown. The Gophers added 20 aces in the first Florida State match and 19 more against Bowling Green.

In all, the Gophers tallied 88 service aces for an average of 5.50 per game. Last season the Gophers totaled 326 aces on the season, averaging 2.69 per game.

"I think our team is just a tough serving team," said Gopher head coach Stephanie Schleuder. "We stress the jump serve and there is no easier way to score points. It helps us because not many teams are used to facing it."

Schleuder said before the season that Minnesota would be spreading out its offensive attack in order to prevent opponents from keying on any specific player. This past weekend four Gophers averaged more than two kills per game.

MILLER, OESTERLING, SCHAEFER LEAD GOPHERS — With two freshmen in the starting lineup, Minnesota will be looking to the leadership from its three senior starters throughout the year. **LORI MILLER** (WORTH, IL), **SHARON OESTERLING** (FRANKFORT, IN) and **CHRIS SCHAEFER** (FLORENCE, KY) all had outstanding performances on the weekend, said Schleuder.

Miller had 16 kills against Florida State in the finals and 61 overall for a 3.81 per game average while hitting .316. Schaefer had 59 kills, with 18 coming in the first Florida State match, and led the Gophers with 23 service aces and 56 digs. Schaefer also moved past former Gopher AIAW All-American Jill Halsted into third place on the all-time Gopher career kill list. Halsted had 1,350 and Schaefer now has 1,395. She needs 124 to tie Pam Miller for second place.

Oesterling continued the steady play that has been her trademark during her Gopher career. She jump-served her way to 20 service aces and racked up 203 assists, averaging 12.69 assists per game. Oesterling hit .560 (17 kills, 3 errors, 25 attempts) in the tournament.

MORE INDIVIDUAL NOTES — Junior **DAWN THOMPSON** (PORTAGE, MI), who was slowed by an ankle injury last season, showed the form that made her the Big Ten Freshman of the Year in 1987. Thompson hit .354 (39-10-82) and had 10 service aces while leading the Gophers with 19 total blocks.

Freshman **BECKY LINDBERG** (FOREST LAKE, MN) started and played in all 16 games for the Gophers. She averaged 2.13 kills and 2.69 digs per game and also chipped in nine service aces and 11 total blocks.

Other newcomers who made their Gopher debuts were freshman **EMILY AHLQUIST** (PLYMOUTH, MN) and redshirt frosh **HEATHER BENNING** (WINONA, MN). Benning had 10 total blocks from her middle blocker spot while Ahlquist, who plays back row for Benning in the Gopher rotation, averaged 1.67 digs per game and had nine service aces.

CROSS COUNTRY

OPEN SEASON WITH ALUMNAE-INTRASQUAD MEET -- The Minnesota cross country team returns to action this Saturday after a week of training in Pigeon Lake, Wis. The team will be the first Minnesota squad in action at home this season. Saturday's race will begin at 11:00 a.m. at the Bolstad University Golf Course. It will be the first year that the alumnae squad will be a full team.

EIGHT LETTERWINNERS RETURN -- The Gophers return eight letterwinners from the 1988 team that finished fifth at the Big Ten championship. Leading the way is junior tri-captain **LAURA DUFFY** (KENNEBUNK, ME), who along with departed senior Eileen Donaghy, earned co-MVP honors last fall. Duffy was a definite pace-setter as a sophomore, placing in the top ten in six out of eight meets during the season. She ran a career-best 17:25 at the Cal-Reebok Invite where she placed seventh. Her previous Gopher best was 18:06 at the Region 4 meet last season. Duffy was the top Minnesota runner at the Big Ten meet, finishing 16th in 18 minutes flat.

Freshmen **KARA PARKER** (OLIVIA, MN) and **SARAH RENK** (WINONA, MN) both gained considerable experience while running with the Gopher top seven last season. Renk was named "Frosh of the Year" and ran a season-best 17:32 at the Cal-Reebok meet to finish 11th. Parker also ran her season-best at California, finishing in 12th place in 17:36, just behind Renk. Also returning is junior **CHRIS ABBOTT** (WINONA, MN), who was named the winner of the 1988 Most Improved Award and senior **TIFFANY CHURCH** (APPLETON, WI).

GOLF

TRAVEL TO IOWA TO OPEN SEASON -- The defending Big Ten champion Minnesota golf team opens the 1989-90 season with a trip to Iowa City, Iowa to compete in the nine-team Hawkeye Invitational this weekend. The 54-hole tournament will be played at Iowa's Finkbine Field Golf Course with 36 holes played on Saturday and 18 on Sunday. Competition will be provided by Illinois, Indiana, Iowa, Iowa State, Michigan State, Nebraska, Northern Illinois, and Wisconsin.

YOUNG GOPHERS -- With the departure of four seniors from last season's Big Ten champion team, the Gophers will definitely have a new look in 1989-90. Making the trip to Iowa will be junior **KELLI ROSS** (BURNSVILLE, MN), who competed in seven tournaments last season, including the Big Ten championship and the NCAA championship and sophomore **KRISTA REUTERFELDT** (COON RAPIDS, MN), last year's Rookie of the Year, who won the Minnesota Public Links championship this summer. The rest of the roster consists of freshmen **SARA EVENS** (GRAFTON, ND), **KRIS LEIGHTON** (AUSTIN, MN) and **SARA HUGLEN** (ROSEAU, MN). The sixth member of the traveling squad will be either senior **KRIS FURLONG** (WHITE BEAR LAKE, MN) or junior **TRACI JOHNSON** (MARSHALL, MN).

After that the Gophers won their remaining matches over Southwest Texas 3-1, Utah 3-0, Ohio State 3-1 and Fresno State 3-0.

GOLF

LADY TAR HEEL NEXT STOP FOR GOLF TEAM -- The Minnesota women's golf team returns to action this week at Chapel Hill, N.C., for the Lady Tar Heel golf tournament. In their last appearance at the Finley Golf Course, the Gophers were sixth in a field of 18 teams. The 16 teams competing this year include Alabama, Duke, Florida International, Furman, Iowa, James Madison, Kentucky, Longwood, Memphis State, Miami, Penn State, South Carolina, Wake Forest, William and Mary, North Carolina and the Gophers.

The only Gopher assured of making the trip is junior **KELLI ROSS** (BURNSVILLE, MN), who qualified for the Lady Tar Heel traveling team at last weekend's Iowa Invitational. "If a player wins or shoots 240 or less in a tournament, they automatically qualify for the next one," says head coach Nancy Harris. "Kelli shot a 239 at Iowa, so she goes to North Carolina."

GOPHERS SEVENTH AT IOWA INVITATIONAL — In their first challenge of the year, the golf team finished seventh with a score of 335-326-326—987 at the Iowa Invitational. Indiana led the field of nine teams with a 308-306-309—923.

Junior **KELLI ROSS** (BURNSVILLE, MN) led the way for the Gophers with a ninth place tie after carding an 82-75-82—239. Freshmen **KRIS LEIGHTON** (AUSTIN, MN) shot an 88-95-81—264 for 48th place and **SARA HUGLEN** (ROSEAU, MN) was 50th with a score of 88-87-92—267.

WOMEN'S ATHLETIC DEPARTMENT ANNOUNCES "HOMETOWN DAY" CAMPAIGN --

The University of Minnesota women's athletic department, in conjunction with WCCO Radio, will recognize 16 women athletes in all nine sports during the 1989-90 season as part of a "Hometown Day" campaign. The campaign is designed to salute the state's finest women student-athletes on a selected home date in each sport, and the entire town is invited to attend the event and participate in a ceremony.

"We are proud of the quality student-athletes competing in our program from the state of Minnesota" said women's athletic director **Chris Voelz**. "We would like to extend a warm welcome to their hometowns to attend an event and cheer for their native athletes and the University of Minnesota."

Joan C. Garr, Director of Promotions and Marketing, will be visiting each athlete's hometown to spread recognition of the campaign. For more information on "Hometown Days" call (612) 624-0800. A listing of athletes and dates is on the reverse side.

VOLLEYBALL TO APPEAR ON ESPN IN HISTORIC TELECAST --

The Gopher women's volleyball team will be featured on ESPN this season as part of the Big Ten television contract with the sports cable channel. The Minnesota match at Illinois this Saturday, Sept. 23, will be broadcast on a tape delay basis with the air-date scheduled for Thursday, Sept. 28 at 12-noon CST. Fans of women's volleyball are encouraged to join the athletic department in viewing the ESPN Telecast at Ray Scott's restaurant in downtown Minneapolis. **Chris Marlowe** will be on play-by-play with **Paul Sunderland** on color commentary. ESPN will cablecast six Big Ten women's events this year, and four of the six will be basketball games. The other broadcast will be women's volleyball, Illinois at Purdue on Nov. 3, tape delayed until Nov. 28.

VOLLEYBALL/BASKETBALL AIRED ON WWTC-AM RADIO THIS SEASON --

Minnesota Big Ten volleyball and basketball contests will be aired on a limited basis this season, marking the first time the Gophers have appeared on a local radio station for play-by-play broadcasts. Minnesota games will be heard on WWTC, 1280 AM in the Twin Cities area. The broadcasts have been packaged by the women's athletic department and a 15-minute pre-game show will highlight athletes and coaches from all nine women's sports teams, while a post-game show will wrapup the event broadcast.

Paul Johnson will call the play-by-play for both volleyball and basketball with **Lynne McDonald** on color commentary for volleyball and **Laura Coenen** on color commentary for basketball. Johnson is the sports producer and co-host of the Ray Scott show on WWTC-AM and was a play-by-play announcer on radio and television for the Minnesota Strikers pro soccer team.

McDonald is originally from Brooklyn Park and was an All-American volleyball player at Southern Cal where she played on national championship teams in 1976 and 1977. McDonald was also a two-time USVBA All-American and member of the national volleyball team from 1977-80. She has provided color commentary for Gopher televised volleyball matches the past several years.

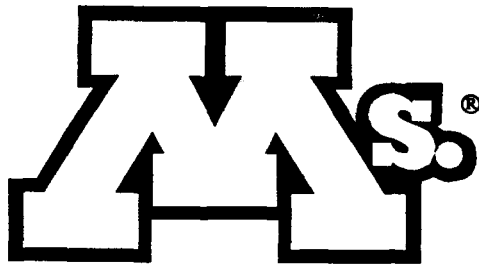

Coenen played basketball at the University of Minnesota from 1981-85 and had her jersey number 44 retired after becoming the all-time leading scorer for men and women with 2,044 points, 52 ahead of men's record holder **Mychal Thompson**. The Lady Northern is held each year at the site of the Big Ten Conference Championship, which will be played at the U of M course May 4-6.

SIXTEEN TEAMS TO COMPETE -- Nine Big Ten teams, with Northwestern being the exception, compete in golf and all will be on hand for the Lady Northern along with seven additional teams. GOLFERS IMPROVING -- The final place standings don't show it, but the women's golf team drastically improved its play from just a week ago. The Gophers were 14th of 16 in the Lady Tar Heel Invitational at Chapel Hill, N.C. this past weekend with a score of 334-318-316--968. This is more than a six-stroke per round improvement in the team score from just a week ago when Minnesota averaged 329 strokes per round. The Gophers were led by sophomore KRISTA REUTERFELDT (COON RAPIDS, MN) who recorded rounds of 83-76-78--237 for a 35th place tie. Close behind her in a tie for 46th place was freshman SARA EVENS (GRAFTON, ND) who shot 83-79-79--241. VOLLEYBALL

VOLLEYBALL TEAM FACES TOUGH TEST IN BIG TEN OPENER -- After a non-conference match at Iowa State Tuesday, Minnesota will open the Big Ten season at Purdue Friday and then travel to Champaign, Ill. to take on three-time defending Big Ten champion Illinois. The Gophers (12-3) were ranked 20th in the most recent NCAA poll and fifth in the Mideast Region poll.

Purdue (5-4) was ranked seventh in the Mideast Region poll and Illinois (5-1) was first. The Fighting Illini were ranked fifth in the national poll.

GOPHER NOTES— Sophomore ~~KAREN~~ KAREN LUSHINE (ROSEVILLE, MN) will make the trip in place of sophomore ~~KRISTA~~ KRISTA NEVELLE. Lushine missed the Gophers' first 13 matches with a slight left shoulder dislocation but played in the last two matches.

THIS WEEK'S OPPONENTS:

BOILER BRIEFS— Purdue, 19-15 overall and 9-9 in the Big Ten (fifth) last year, is a traditionally strong conference team, having won Big Ten titles in 1979, 1980, 1982, and 1985. The Boilermakers went 2-1 in the Oklahoma Invitational last weekend, beating New Mexico in five games and Sam Houston State in three games while losing to Oklahoma in four.

WATCHFOR— Purdue is led by two-time All-American Debbie McDonald, a 6-1 senior who had 28 kills against New Mexico and is averaging 4.74 a game. McDonald is hitting .320 and leads the team in digs. Other starters are junior setter Kelly Niedha lski, a backup last year, 5-10 junior Monica Ball, 5-10 junior Amber Douglas, 5-11 junior Jill Whiteman, and 6-0 freshman Darcy Jones. Douglas is second on the team in kills (2.74 per game) and leads the team in blocks. Whiteman leads the team with 17 service aces.

SERIES— Purdue leads 20-7. Minnesota won both matches last year and has won five out of six.

ILLINI NOTES— Illinois was undefeated in the Big Ten last year (18-0) and finished 30-4 overall. The Illini made it to the NCAA semifinals for the second straight year before losing to Hawaii, 3-0. This year Illinois won its first five matches, including a 3-0 win over defending national champion Texas. Friday the Illini lost to UCLA in five games for their only loss. Illinois will play a non-conference match at Illinois State Tuesday and will open the conference season at home Friday against Iowa.

Outside hitter Petra Laverman, a 5-10 senior, leads the team in kills with a 3.63 per game average and 5-10 junior Laura Bush is second with a 3.30 average. The Illini's setter is 5-10 junior Barb Winsett, who is averaging 12.60 assists per game. Outside hitter Bridget Boyle, a 5-10 senior, is hitting .350 and 5-9 junior outside hitter Lisa Dillman is hitting .321.

SERIES— Illinois leads 15-6-1 and has won the last eight meetings. The Gophers last victory was a 3-2 win Oct. 6, 1984 at Minnesota.

GOPHERS WIN TWO OF THREE IN FIRST HOME WEEKEND -- The 20th-ranked Gophers had a four-match winning streak snapped by No. 9 Nebraska Friday in the first match of the second annual Reebok Classic. The Huskers won 15-9, 15-6, 8-15, 15-7. Minnesota then rebounded to win two straight over Hofstra University (Hempstead, NY). The Gophers won 15-6, 15-5, 12-15, 15-0 on Saturday and 15-10, 15-10, 15-17, 15-11 on Sunday. Nebraska defeated Hofstra 12-15, 15-6, 15-7, 15-3 on Saturday afternoon.

A total of 1,519 fans attended the four matches; the 919 who attended the Minnesota-Nebraska match comprised the sixth-largest crowd ever to watch the Gophers at Williams Arena.

OESTERLING, SCHAEFER NAMED ALL-TOURNAMENT -- Senior co-captains SHARON OESTERLING (FRANKFORT, IN) and CHRIS SCHAEFER (FLORENCE, KY) represented Minnesota on the six-member ~~Dunk Classic~~ All-Tournament team. Nebraska placed three players on the team including setter Val Novak, the tournament's most valuable player, outside hitter Eileen Shannon, and middle blocker Cris Hall. Hofstra was represented by middle blocker Terry Puccio.

Schaefer led the Gophers in kills in all three weekend matches and had 55 total for an average of 4.58 per game. She also had 30 digs, eight aces and six blocks. Her 20 kills against Hofstra Saturday was her second highest output of the season. Schaefer's 84 kills in the last four matches (4.42 per game) has raised her season average from 3.36 to 3.73 per game.

Oesterling had 120 assists on the weekend, a 10.0 per game average, and 10 service aces. She now has 49 aces on the year and at her current pace would finish with 147 for the season. Her previous season high was 106 in 1987. Oesterling continues to lead the Gophers in digs with 180 (3.21 per game).

LINDBERG IMPROVING FAST— Freshman hitter BECKY LINDBERG (FOREST LAKE, MN) hit .309 (36 kills, 11 errors, 61 attempts) for the weekend and with 16 kills against Hofstra Sunday equaled her previous season high. She also had five service aces and five block assists in that match.

Lindberg has now hit .314 (76-22-172) in her last seven matches, raising her overall season hitting percentage from .176 to .243 in that span. She is third on the team in both kills (2.57) and digs (2.41) per game. Lindberg and Oesterling are the only Gophers to have played in all 56 games this season.

MORE INDIVIDUAL NOTES— Redshirt freshman HEATHER BENNING (WINONA, MN) has quietly improved her numbers also. In her last six matches, Benning is hitting .350 (28-7-60) and has raised her season hitting average from .156 to .241. She had 10 total blocks on the weekend and ranks third on the team with an 0.67 block per game average.

Freshman ANGIE HANNA (FORT WAYNE, IN) gave the Gophers strong back row play in the tournament and had a career-high ten digs in the Sunday Hofstra match. Sophomore KAREN LUSHINE (ROSEVILLE, MN) played in both Hofstra matches; she had not played in any earlier matches because of a shoulder injury.

MILESTONES -- Schaefer has moved into second place on the Gopher all-time kill and total attack lists, ahead of Pam Miller in both instances. Schaefer now has 1,541 kills and 3,946 total attacks. Miller had 1,519 and 3,661.

Pam's sister, LORI MILLER (WORTH, IL), had six total blocks on the weekend and moved into third place on the all-time total block list. Lori Miller now has 366 career blocks, behind Martie Larsen (448) and Pam Miller (536).

Oesterling needs 15 service aces to tie Andrea Gonzalez's career school record (265).

CROSS COUNTRY

TRAVEL TO IOWA STATE—The Gopher women's cross country team will hit the highway for the first time this season when they travel to Ames, Iowa to compete in the Iowa State Invitational Friday. Besides Iowa State and Minnesota, Drake, Missouri, Central Missouri State, Northeast Missouri State, Northern Iowa, Augustana (S.D.) and South Dakota will field teams. Kansas State is a potential entrant.

GOPHERS TIE STANFORD—Saturday's action at the Minnesota Quad saw Minnesota and Stanford tie for top honors with 30 points apiece. A rare occurrence for teams to tie in a cross country meet, Marquette's Erica Larson snuck in ahead of Stanford's fifth runner to prevent the Cardinal from winning the meet by a single point.

Stanford took the top three places and was paced by Melanie Bloch, who covered the 5,000-meter course in a time of 18:08. Freshman ANN WESTBY (BROOKINGS, SD) was the first Gopher to cross the line in third place at 18:41. She led a pack of nine Minnesota runners, six of which finished 15 seconds apart.

Clemson, Iowa and U.S. International comprise the four-team field. Matches will be played at the Klotz Tennis Center in Iowa City, Iowa. In case of rain, play will be moved to the Iowa Recreational Building. Four flights of singles with eight individuals in each flight will be played, as well as two flights of doubles with eight teams in each flight.

SIX LETTER WINNERS RETURN -- 1989 Big Ten Coach of the Year David Creighton begins his third season with six players from his fourth-place Big Ten squad from a year ago. Seniors TONYA BREITAG (SIOUX FALLS, S.D.) and THE MARIE OVNIK (LaGRANGE, IL) along with junior LIBBY NELSON (WAYZATA, MN) and sophomores MINDY LEACH (LAGUNA BEACH, CA), JENNIE MOE (EDINA, MN) and SOFIE OLSSON (ASMUNDTORP, SWEDEN) all return.

Last year's squad finished the season at 19-10, 8-4 in the Big Ten. Those 19 wins were the most by a Minnesota team in six years. The team's .655 winning percentage was the best by any Gopher team since 1979-80. Breitag, along with graduated partner Anne Gorde, was named to the All-Big Ten first team after defeating their Michigan and Northwestern opponents at the Big Ten Championship. Olsson earned All-Big Ten second team honors for her play at No. 2 singles while Moe attained a national ranking of 60th during the season, the highest of anyone on the team. Ovnik returns with 63 lifetime doubles wins, the most among returning players. Leach returns with a team-leading eight straight singles wins at No. 5 while Nelson won seven straight at No. 6.

VOLLEYBALL TO OPEN HOME BIG TEN SEASON AFTER UPSETTING NO. 6 ILLINOIS --

After two historic road wins last weekend, the Gopher women's volleyball team returns to Williams Arena this weekend to open the home Big Ten season. Minnesota (15-3, 2-0) has won five straight matches and nine of its last ten enroute to its best start since the 1982 team opened at 16-3. The Gophers will meet Michigan State Friday at 7:30 p.m. and Michigan Sunday at 2 p.m. Last weekend Minnesota won road matches at both Purdue and Illinois for the first time since the Big Ten began round-robin play in 1982.

The Gophers swept Purdue 15-10, 15-10, 15-7 on Friday night and then upset No. 6-ranked Illinois 4-15, 15-6, 7-15, 15-12, 15-8 in Champaign Saturday night. The Illinois win was the Gophers' first over the Fighting Illini in eight meetings, with the last Minnesota victory a 3-2 win on Oct. 6, 1984 in Minneapolis. The Gophers' last win in Champaign was a 3-1 decision on Sept. 17, 1983. Illinois holds a 15-7-1 edge in the all-time series. The win at Purdue marked the first time Minnesota had swept the Boilermakers since 1986.

GOPHERS SNAP ILLINI WIN STREAKS — The Gopher win at Champaign snapped the Illini's 37-straight Big Ten match winning streak at Kenney Gym dating back to Nov. 19, 1984. It was the first time the Illini, three-time defending Big Ten Champions, had lost a conference match since Nov. 25, 1987, also snapping a 19-game streak. The Gophers are only the second team to beat Illinois in the last three years in Big Ten play, the Illini edge is now 54-2. The only other team to defeat Illinois was Purdue on Nov. 25, 1987 in West Lafayette.

COACH SCHLEUDER TERMS BIGGEST WIN— Minnesota, which had been ranked No. 20 in the Sept. 12 NCAA poll, had dropped out of the top 20 in the Sept. 19 poll. "It's (defeating Illinois) the biggest win since I've been at Minnesota," said Minnesota head coach Stephanie Schleuder, in her eighth year with the Gophers. "I'm really proud of the team. We played with tremendous intensity." Illinois' No. 6 ranking makes them the highest ranked team the Gophers have defeated in NCAA school history.

(CROSS COUNTRY CONTINUED)

NATIONAL CALIBER COMPETITION -- Besides No. 1-ranked Villanova, Missouri will also compete in the meet and is tied for 22nd in the national rankings. However, all eyes are likely to be on Villanova's **Vicki Huber**, who finished 6th in the 3,000 meters at the 1988 Seoul Summer Olympics with a time of 8:37.25, an American Collegiate record. Huber, along with teammates **Kathy Franey**, **Sonia O'Sullivan** and **Michelle DiMuro** sat out the 1988 cross country season.

According to Villanova head coach **Marty Stern**, "Vicki was in the Olympics and needed the rest last fall; Kathy had a busy outdoor season, and I thought it was best to rest her, and give her a chance to run with Vicki again this year. Sonia had just run in the World Junior Games in August, so I felt it best to give her time off, and Michelle had a season of eligibility left in cross country, so we gave her the fall off. The NCAA calls it redshirting, but I just call it resting."

Stern's explanation translates into a 1989 Villanova squad that should be nothing short of awesome. The team has won both meets it has competed in this fall including a race at Van Cortlandt Park, NY in which they took the top seven places. At the U.S. Naval Academy Invitational in Annapolis, MD, site of this year's NCAA Championship, the Wildcats again finished first with Huber leading the way with a time of 16:24 over the 5,000-meter course. O'Sullivan finished second in 16:41 while Franey was fifth in 17:14.

Missouri will be led by twins **Susan and Sarah Bliss**. Susan has finished first in both races Missouri has competed in this fall. She ran a 18:19 at the Missouri Invitational and a 17:52 at Iowa State. Sister Sarah finished sixth at Iowa State in 18:29 while teammate **Tara Flynn**, another top competitor was tenth in 19:01.

VOLLEYBALL

VOLLEYBALL TEAM TO TAKE WINNING STREAK ON ROAD — The Gopher women's volleyball team will play two weeknight matches in Iowa this week before facing a nine-day stretch in which it has no matches scheduled. Minnesota (17-3, 4-0) will play Northern Iowa in Cedar Rapids, Iowa Tuesday and then resume Big Ten Conference play Wednesday against Iowa in Iowa City.

The Gophers, who defeated Michigan State and Michigan this past weekend, have won seven straight and 11 of its last 12 matches. They are off to the best start of any Gopher team since 1974, when Minnesota began the season 18-1-1. Following the two matches in Iowa, the Gophers will not play again until Oct. 13, when they meet Indiana in Bloomington, Ind.

Coming into this season, the Gophers had a 9-0 record against Northern Iowa. It will be the third straight year the teams have met, Minnesota having defeated the Panthers in three straight last year at Williams Arena after being taken to five games in 1987.

Minnesota came into 1989 with an overall record of 27-7 against Iowa. The Gophers have won the last five meetings between the teams with the last Hawkeye win coming Sept. 24, 1986 at Williams Arena.

WINNING STREAKS CONTINUE — Minnesota extended its winning streak over Michigan to 19 matches with the Gophers' 15-5, 12-15, 15-1, 15-9 win over the visiting Wolverines Sunday. Michigan has never beaten Minnesota in the series, which dates back to 1975. The women's athletic department honored redshirt freshman **HEATHER BENNING** (WINONA, MN) and her hometown of Winona before the match as part of the department's "Hometown Days" promotion.

Against Michigan State, another winning streak was extended as the host Gophers defeated the Spartans 15-4, 15-12, 15-4 Friday for Minnesota's ninth straight win over Michigan State. A Gopher volleyball-record 1,691 fans turned out for the Friday match.

OESTERLING BREAKS ACE RECORD, MOVES CLOSER TO TWO MORE — With 10 service aces against Michigan, senior setter **SHARON OESTERLING** (FRANKFORT, IN) tied a Williams Arena record that she had set herself Oct. 31, 1987 against Northern Illinois. Oesterling also became the school's all-time ace leader over the weekend as her 12 aces pushed her career total to 273, eight more than Andrea Gonzalez totaled from 1985-88. Minnesota head coach Stephanie Schleuder presented Oesterling with a volleyball prior to the match's fourth game in recognition of the record-breaking efforts.

It seems that Oesterling's jump serve works best on the first of each month. In the Gopher opener Sept. 1 against Georgetown, the senior co-captain notched eight aces, while this weekend's record-tying performance of 10 came on Oct. 1. Looking ahead, Minnesota has a match at home against Iowa on Nov. 1.

Next on the Oesterling list is Jill Halsted's season service ace record. Halsted had 110 in 1981 and Oesterling, with 72 so far, is easily within striking distance with 16 regular season matches remaining. While chasing Halsted, Oesterling will also be working on catching up to Gonzalez's school career dig record. Gonzalez had 1,188 digs and Oesterling now has 1,089.

MORE INDIVIDUAL NOTES — Senior **CHRIS SCHAEFER** (FLORENCE, KY) hit .484 against Michigan State and led all players with 19 kills and 11 digs. Schaefer had 15 kills and 14 more digs Sunday against Michigan. At her current pace, Schaefer would obliterate the school season dig record (383), which she holds. She already has 253 and is on pace to finish with over 450. Senior **LORI MILLER** (WORTH, IL) recorded 14 kills and hit .400 on Sunday. Freshman **BECKY LINDBERG** (FOREST LAKE, MN) had 15 kills against Michigan to tie Schaefer for match honors. Ten of those kills came in the fourth game.

VOLLEYBALL TEAM SET FOR FIRST PLACE BATTLE — The Gopher women's volleyball team (19-3, 5-0) returns to action this weekend after an eight-day layoff, traveling to Ohio State Friday and Indiana Saturday. Against the second-place Buckeyes (13-4, 5-1), Minnesota will be looking to extend a nine-match winning streak and solidify their hold on first place in the Big Ten.

The ninth-ranked Gophers defeated Northern Iowa 9-15, 15-11, 15-9, 16-14 in a non-conference match Oct. 3 and beat Iowa 15-5, 15-10, 15-4 on Oct. 4.

Minnesota has won 13 of 14 matches and the volleyball team's number nine NCAA rating is believed to be the second highest of any Gopher women's team since the women's athletic department became affiliated with the NCAA in 1982. The gymnastics team was rated as highly as seventh in spring 1983, while the cross country team finished tenth at the NCAA national meet in the fall of 1983.

THIS WEEK'S OPPONENTS:

BUCKEYE BRIEFS — Ohio State (13-4, 5-1) had an eight-match winning streak snapped Friday in a 3-2 loss at Michigan State but came back to defeat Michigan in three straight on Saturday. The Buckeyes are undefeated (7-0) at home this season with one of the wins coming over seventh-ranked Illinois. Ohio State is outperforming its opponents .254 to .169 and is third in the conference in team blocks per game (2.67).

WATCH FOR — Five of six starters return including second-team All-Big Ten outside hitter **Holly O'Leary**, a 5-10 junior who ranks second in the conference in kills per game (4.88). Also back is last year's Big Ten Freshman of the Year, 6-0 outside hitter **Leissa Wissler**, who is among the conference's top ten in hitting (.301), blocks (.92 per game), and digs (4.38). Senior outside hitter **Lisa Vitali** is tied for eighth in aces per game (.444) and is fifth in digs per game (4.17). Junior setter **Audrey DiPronio** is second in assists per game (12.78).

SERIES — The series is tied 11-11. Minnesota beat Ohio State 16-14, 15-12, 11-15, 15-8 earlier this season at the Cal-State Fullerton preview in a match that doesn't count in the conference standings. The Gophers have gone 1-1 in conference matches against the Buckeyes in each of the last three seasons but have not won at St. John Arena since Nov. 22, 1986.

HOOSIER HINTS — Indiana (10-6, 3-3) came into this season without having finished higher than fourth in the Big Ten since the conference initiated the double round-robin format in 1985. Last year, the Hoosiers were 17-13 overall and tied for fifth in the Big Ten with a 9-9 mark. Among the wins was a 3-0 upset over Minnesota in Minneapolis. This year, Indiana ranks second among Big Ten teams in blocks per game (3.00) and is fourth in hitting (.212).

WATCHFOR — Indiana's lineup has been riddled with injuries. Both right side hitters have been lost for the year as Lisa Smith broke an ankle in pre-season and Lisa Jackowiak is out for the year with a back injury as of last week. The Hoosiers are led by 6-2 junior outside hitter **Diane Hoerath**, a transfer from the University of Texas who didn't play last season. Hoerath is averaging 4.3 kills per game and hitting .329 overall on the season. Returning starters are 6-0 senior middle blocker **Julie Goedde** (1.3 blocks/game, hitting .318 overall, 3.5 kills/game) and 5-9 sophomore outside hitter **Nancy Mason** (3.2 kills/game). Freshman **Sheri Stout**, a high school All-American, has won the starting setter spot and is averaging 11.5 assists per game.

SERIES — Minnesota leads 11-6. The teams split last season for the third straight year, with the Gophers winning in five games at Indiana and losing in three at Minnesota.

GOPHERS KEEP ON ROLLING — Minnesota is halfway through a stretch of four consecutive road matches and with an eight-day layoff, head coach Stephanie Schleuder gave the team four days off to rest. "This break will give us the chance to regroup a little bit," said Schleuder. "I couldn't be more pleased with where we are at this point in the season."

The Gophers received a bit of a scare from Northern Iowa as the Panthers won the first game of the match 15-9 in front of 1,858 boisterous fans. Minnesota came back to win the next three games. Northern Iowa outhit the Gophers .276 to .255 and outblocked Minnesota 10-7, but the Gophers outdug the Panthers 61-47 and had 13 aces to the Panthers' nine.

Minnesota went into Iowa expecting a tough match but came out with a convincing 15-5, 15-10, 15-4 win. The Hawkeyes' middle attack was thwarted by the Gopher blockers, who consistently shut Iowa down on the way to 18 block assists while holding the Hawkeyes to an .027 hitting percentage. On the other hand, Iowa was no match for Minnesota's hitters, as the Gophers hit .313 for the match and .400 in the third game.

INDIVIDUAL NOTES — Senior **CHRIS SCHAEFER** (FLORENCE, KY) hit .270 against Northern Iowa (16 kills, 6 errors, 37 attempts) and .400 against Iowa (15-3-30). Senior **LORI MILLER** (WORTH, IL) led all players with 17 kills against Northern Iowa. Miller ranked third in the Big Ten in hitting (.389) last week. With three block assists in the two matches, Miller moved past Martie Larsen (1980-83) into second place on the Gopher career block assist list. Miller has 278 while Larsen had 277. Pam Miller (1983-86) leads with 398.

Senior **SHARON OESTERLING** (FRANKFORT, IN) hit .455 (5-0-11) against Northern Iowa and had 37 assists in three games against Iowa. Oesterling leads the Big Ten in service aces per game (1.00). Senior **KAREN STAAB** (PALATINE, IL) had the second-best hitting night of her career with a .462 hitting percentage (8-2-13) against the Panthers. Junior **DAWN THOMPSON** (PORTAGE, MI) notched a career-best eight assists in the Iowa match. Freshman **EMILY AHLQUIST** (PLYMOUTH, MN) had a career-best nine kills against Northern Iowa and added nine digs.

SWIMMING & DIVING

OPEN WITH ALUMNAE MEET -- The Minnesota swimming and diving team will have its first action of the season Friday at Cooke Hall when they open with their annual alumnae meet. The Gophers return 15 letterwinners from a squad that finished second at the Big Ten Championships last season and 20th at the NCAA meet.

Leading the way are senior tri-captains **TAMI GREWENOW** (BURNSVILLE, MN), **SHANNON HERINGER** (BEAVERTON, OR) and **JULIE SULLIVAN** (WEST ST. PAUL, MN). Grewenow earned All-American honors at the NCAA meet with her seventh-place finish in the 100 breaststroke. Heringer also gained national meet experience swimming the butterfly leg of the 200 medley relay that finished tenth. Sullivan just missed All-American honors at the NCAA meet, finishing 18th on the 1-meter board.

Also returning are juniors **PATTY BANKS** (LAKE ELMO, MN) and **KIM VOGEL** (MOUND, MN). Banks swam the third leg of the 800 free relay that finished third at the Big Ten meet while Vogel was the lead-off leg of the 200 free relay that finished second.

Junior divers **LISA DAVIS** (AUSTIN, MN), **DARCY SPIELMANN** (MINNETONKA, MN) and **SARA TOUVE** (PLYMOUTH, MN) also return. Davis finished eighth at the Big Ten meet on the 3-meter board, marking the first time since 1982 that a Minnesota diver had placed in the championship round in that event.

LOUIS PARK, MN). **LYNN NEWTON** (INVER GROVE HEIGHTS, MN) also returns after rewriting the Cooke Hall Pool records in the distance freestyle events last season. **CASS MOE** (BURNSVILLE, MN), another sophomore sensation, will lead the Gophers in the backstroke while **LINDA OEGEMA** (HOLLAND) also gained national experience in the individual medley events.

Both matches will be aired live on WWTC-AM, 1280 radio in the Twin Cities area with the Gopher Women's Athletic Closeup show beginning at 7:15 p.m. both nights. The Gophers, who lost to Ohio State and defeated Indiana over the weekend, have won ten of their last 11 matches and 14 of 16. The Saturday win over Indiana marked the earliest date (Oct. 14) that Minnesota has won its 20th match since 1981. The Gophers that year also won their 20th match on Oct. 14, enroute to a 37-19 overall record.

OPPONENT NOTES —

WILDCAT WHISPERS — Northwestern (8-11, 4-3) has recently started to come on after having to adjust early to the loss of four four-year letterwinners, including two-time second team All-Big Ten hitter Janine Makar. The Wildcats have won three straight, defeating Illinois-Chicago 15-7, 15-8, 11-15, 14-16, 15-1, Michigan State 15-8, 15-8, 15-10, and Michigan 15-6, 15-7, 18-16. Northwestern ranks second in the Big Ten (through 10/10) to Minnesota in team service aces per game (2.11). The Wildcats served up 22 aces Saturday against Michigan.

WATCH FOR — Senior outside hitter **Shelley Brzozowski** leads the 'Cats in hitting with 256 kills for a 3.46/game average. She also has 23 service aces in the Big Ten (0.92/game), second as of last week. Against Michigan, she hit .500 and led all players with 16 kills. Freshman **Stacey Kammes** is averaging 3.71 kills/game in the Big Ten while her sister, senior **Stephanie Kammes** leads the team in blocking with 20 solo blocks and 38 assists. Freshman setter **Carey Nostrant** is averaging 11.32 assists/game in the Big Ten.

SERIES — Northwestern leads 10-9. Last year the Wildcats won both matches between the teams, 3-2 in Minnesota and 3-1 at Northwestern.

BADGER BANTER — Wisconsin (17-4, 5-2) has quietly gone about posting one of the top records in the Big Ten. The Badgers, winners of three in a row, play at Iowa Friday before meeting the Gophers Saturday. Over the weekend, Wisconsin downed Michigan 15-4, 15-7, 15-2 and Michigan State 15-3, 15-9, 15-3. The Badgers lead the Big Ten in team block average per game (3.43 through Oct. 10).

WATCH FOR — The Badgers are led by 6-0 junior middle blocker **Lisa Boyd**, who leads the Big Ten with a 1.88 block per game average. Boyd is tied for fifth in the conference in digs (3.70/game thru 10/10) and is hitting .353 overall on the year. Sophomore **Marianne Kelm** is averaging 0.81 blocks/game in the Big Ten has 182 kills for a 3.03/game average. Other Wisconsin stalwarts are 5-7 sophomore sparkplug **Susan Wohlford**, who is averaging 2.58 kills/game and 4.12 digs in the Big Ten. Senior setter **Susan Temple**, who averages .450 aces per game and 6.38 assists in the Badgers' two-setter offense. Sophomore **Liz Tortorello** is the other setter, also averaging 0.42 aces and 5.65 assists in the Big Ten.

SERIES — Minnesota leads 18-6 but lost 3-2 last year in Madison, Wis., thus snapping a 10-match winning streak over the Badgers. The Gophers are 7-0 against the Badgers at Williams Arena.

NEVELLE LEAVES SCHOOL — Sophomore outside hitter **KRISTA NEVELLE** (RICHLAND, MI) announced Monday that she will be leaving the University of Minnesota for personal reasons and therefore, will also be leaving the volleyball team. Nevelle said her immediate plans are to return to her family in Michigan. The 6-0 hitter played in 12 of the Gophers 24 matches this year and 98 career matches in her two seasons. As a freshman, Nevelle was the Gophers' Freshman of the Year as a part-time starter on the right side. This year, she again saw action as an important reserve behind senior Lori Miller. Her career bests included nine kills against San Diego State this fall, and nine kills against Michigan State (10/14/88); six block assists vs. Iowa (10/19/88) and 15 digs against Wisconsin (10/28/88).

GOPHERS LOSE AT OHIO STATE, WIN THRILLER AT INDIANA — Following a 9-15, 15-9, 5-15, 9-15 loss Friday at Ohio State, Minnesota traveled to Bloomington, Ind. to face Indiana on Saturday. It looked as if it would be a short match, as the Gophers quickly won the first two games 15-4 and 15-12. But Indiana came back to win the next two games 15-9 and 15-6. With the Gophers down 14-11 in game five and the Hoosiers serving for match point, Minnesota freshman **BECKY LINDBERG** (FOREST LAKE, MN) fired a cross-court kill to earn the sideout and then stepped back to serve. After senior **CHRIS SCHAEFER** (FLORENCE, KY) unleashed her match-high 24th kill, the Hoosiers hit the ball into the net and it was 13-14. Lindberg then served three straight aces just beyond Indiana's ten-foot line to give Minnesota a 16-14 win in the game and a victory in the match.

INDIVIDUAL HIGHLIGHTS — **Schaefer** had 77 attacks against Indiana, tying the second-highest match total of her career and the fourth-most ever by a Gopher. She led the Gophers with 16 kills against Ohio State and all players with 24 in the Indiana match and now has 1,698 kills in her career.

Lindberg's match-winning heroics against Indiana were just part of what was an outstanding match for the freshman outside hitter. She set a new career best with 19 kills and equalled career highs with 20 digs and 46 attacks. Freshman **ANGIE HANNA** (FORT WAYNE, IN) had an enjoyable homecoming with a career-best six service aces against the Hoosiers. Redshirt freshman **HEATHER BENNING** (WINONA, MN), playing with a heavily-wrapped finger on her right hand, still managed to tie a career best with five block assists against Ohio State.

Senior **LORI MILLER** (WORTH, IL) became the eighth Gopher to ever top 1,000 kills for her career with a total of 24 in the two matches. She now has 1,011 and could move as high as fifth on the all-time Gopher list by season's end. Junior **DAWN THOMPSON** (PORTAGE, MI) had 16 kills in the two matches, giving her 500 in her career.

FIRST CONFERENCE CHAMPIONSHIP TO BE DECIDED -- The first Big Ten Conference title of the 1989-90 athletic season will be decided this weekend in Madison, Wis. The University of Wisconsin will serve as host of the 9th annual Big Ten cross country meet beginning at 10:45 a.m. at the Yahara Hills Golf Course in Madison.

SWIMMING and DIVING

SWIMMERS TO FACE IOWA IN HOME OPENER -- The swimming and diving team opens its season at home this weekend against Big Ten Conference foe Iowa. The meet will be at the Cooke Hall Pool Saturday, beginning at 1 p.m. "It could be a very close meet," says Jean Freeman, head Minnesota coach. "Iowa recruited very well last year. Our diving team will be an important factor in the scoring."

INTRASQUAD MEET RESULTS PLEASING — The Maroon and Gold Intrasquad meet this past weekend provided some nice surprises for the coaching staff.

Sophomore LYNN NEWTON (INVER GROVE HEIGHTS, MN) set three records in the 200- (1:55.31), 500- (5:01.60) and 1000- (10:15.50) yard freestyle events. CROSS COUNTRY

BIG TEN CHAMPIONSHIP UP NEXT -- The Minnesota women's cross country team will travel to Madison, Wis. for the ninth-annual Big Ten Championship Saturday, Oct. 28 at 10:45 a.m. The 5,000-meter race will be run on the Yahara Hills Golf Course in Madison.

NATIONALLY-RANKED TEAMS ABOUND -- Four of the nine Big Ten cross country teams are ranked in the nation's top 25 according to the latest Track & Field Coaches Association Poll. Indiana leads the way with a No. 4 ranking, followed by Iowa (12th), Michigan (18th) and Minnesota (22nd). The Gophers have been ranked as high as 18th this season and finished fifth at the conference meet a year ago.

INDIANA IS THE FAVORITE -- Defending national champion **Michelle Dekkers** will return and attempt defend her Big Ten title. Dekkers won last year's race at Iowa in a time of 16:31.2, outdistancing **Suzy Favor** of Wisconsin, who finished in 17:10. Favor is red-shirting this season. Other key returners from last year's meet are Michigan's **Mindy Rowand**, 4th in 17:25; and Wisconsin's **Maureen Hartzheim** (5th, 17:34).

GOPHER TRAVELING SQUAD -- The Gophers will be led by freshman **ANN WESTBY** (BROOKINGS, SD), who has been the leader for Minnesota this season. The rest of the Gopher contingent includes freshman **BECKY RUNION** (EDINBURG, VA), sophomore **SARAH RENK** (WINONA, MN), juniors **HEATHER DOYLE** (MOORHEAD, MN) and **LAURA DUFFY** (KENNEBUNK, ME), sophomore **CHRIS ROWE** (SIOUX FALLS, SD), and senior **BECKY CANNER** (BALTIMORE, MD), who will run in the event that sophomore **JENNY ALBY** (APPLETON, WI), sidelined with a shin injury, can't make the trip. Duffy led Minnesota at last year's championship with a 16th-place time of 18 minutes flat. Renk finished 21st in 18:06.

WILSON SAYS -- Minnesota head cross country coach Gary Wilson on the upcoming meet: "Indiana is the definite favorite and Iowa and Michigan are ranked ahead of us, but things don't always come out the way they are listed on paper. Wisconsin, obviously, has the experience on the course (Iowa and Illinois are the only other Big Ten schools to have run on the course this season) and Purdue could push to be in the top six."

WESTBY WINS MINNESOTA OPEN -- Westby won last week's 4,000-meter Minnesota Open in a time of 14:24. Renk finished second in 14:30 while five other Gophers took places four through eight. Doyle finished 4th in 14:43, Rowe was 5th in 14:51, Runion, 6th in 14:53; Canner, 7th in 15:03 and Duffy, 8th in 15:04.

FIRST PLACE GOPHERS TO PLAY THREE WEEKEND ROAD MATCHES — The Gopher volleyball team begins a stretch this weekend in which it will play four matches in six days. Minnesota (22-4, 8-1), winner of three straight and 12 of 13, plays Big Ten matches at Michigan Friday and at Michigan State Saturday and a non-conference match at Notre Dame Sunday.

The Gophers, ranked 11th in the Oct. 17 NCAA Division I poll, will then return home to meet Iowa on Wednesday, Nov. 1. Minnesota regained a share of first place in the Big Ten this past weekend with home wins over Northwestern and Wisconsin.

OPPONENT NOTES —

WOLVERINE WARNINGS — Michigan (0-9, 5-12) will be looking for its first Big Ten win of the season Friday when Minnesota visits the newly-remodeled Varsity Arena for the first time. The arena, previously known as the Matt Mann Pool, was transformed in just over a year at an estimated cost of \$750,000.

The Wolverines lost 11-15, 5-15, 3-15 to Illinois Friday and 3-15, 15-12, 13-15, 10-15 to Purdue on Saturday.

WATCH FOR — Senior middle blocker **Kim Clover** is fifth in Big Ten hitting (.307 as of Oct. 17). Michigan's other middle blocker, senior **Carla Hunter**, is averaging 1.04 blocks/game (seventh-best in the Big Ten). In the first meeting between the teams, senior outside hitter **Karen Marshall** had 12 kills. The Wolverine setter, sophomore **Autumn Collins**, is averaging 9.27 assists/game.

SERIES — Minnesota leads 19-0. The Gophers won 15-5, 12-15, 15-1, 15-9 on Oct. 1 in Minneapolis.

SPARTAN SECRETS — Michigan State (11-9, 2-7) will be looking for their first win over the Gophers since 1984. The Spartans lost 15-12, 13-15, 3-15, 7-15 to Purdue on Friday and 3-15, 3-15, 7-15 to Illinois on Saturday.

WATCH FOR — Two Spartans were among the Big Ten's top twenty hitters as of last week, junior middle hitter **Becky Belanger** (.245) and senior outside hitter **Jill Krumm** (.230). Belanger is averaging 3.83 kills per game, eighth-best in the conference, while Krumm has a 3.43 digs/game average. Junior **Dawn Andrews** (.956 blocks/game) anchors the Michigan State middle with senior **Susan Coscarelly** handling the setting duties.

SERIES — Minnesota has won nine straight and leads 15-3. The Gophers won 15-4, 15-12, 15-4 in their Big Ten home opener on Sept. 29.

IRISH INCIDENTALS — Notre Dame (7-10) will play at Butler on Wednesday, then participate in a four-team tournament at Northwestern on Friday and Saturday before meeting the Gophers Sunday. The Fighting Irish got off to a 1-7 start this year but rebounded to win six of their next eight matches. This past weekend, the Irish were slated to compete in a tournament at Stanford, but did not make the trip due to the earthquake that rocked the San Francisco Bay area. Notre Dame's most recent competition was back on Oct. 16 when they defeated Pennsylvania 3-0.

WATCH FOR — Freshmen **Alicia Turner** and **Jessica Fiebelkorn** provide the one-two punch for the Irish. Turner lead the team in kills (3.41/game), while Fiebelkorn, an Osseo, Minn. native, is second in kills (2.91/game) and leads in blocks (1.02). Senior **Taryn Collins** (12.06 assists per game) is the setter. Senior **Kathy Cunningham** leads Notre Dame in hitting (.249).

SERIES — The series is tied 1-1. The teams are meeting for the third straight year. Notre Dame won 3-1 in 1987 and the Gophers won 3-0 last year.

RECORD-SETTING CROWDS WATCH GOPHERS DEFEAT WILDCATS, BADGERS — A volleyball weekend-record 3,009 fans saw Minnesota knock off Big Ten foes Northwestern and Wisconsin this past weekend at Williams Arena. There were 1,490 on hand Friday to see the Gophers up-end the Wildcats 11-15, 15-11, 15-2, 15-10.

That was the third-largest Gopher volleyball crowd ever until 1,519 fans turned out on Saturday to witness a 15-6, 15-12, 14-16, 15-10 Minnesota victory over Wisconsin.

MORE RECORDS BROKEN — Attendance records were not the only records to fall this past weekend. Against Northwestern, Minnesota set a school and Williams Arena record with 14 block solos. The previous school mark was 13 block solos against Kentucky on Sept. 21, 1982, whereas the old arena record was 11 by the Gophers against Northwestern on Nov. 1, 1986.

The biggest contributor to Minnesota's record-setting total was redshirt freshman **HEATHER BENNING** (WINONA, MN), whose six block solos against the Wildcats was also a Williams Arena record. Benning, who had never before had more than one block solo in a single match, doubled her season output with the effort.

Northwestern's .050 hitting percentage was the second-lowest ever at Williams Arena, with the low being a negative .014 by Drake on Sept. 25, 1985. The next night against Wisconsin, the Gophers took aim at another arena record but fell just short. Minnesota's 94 digs, highest-ever by the Gophers in their own building, was second to the 101 digs by Illinois on Oct. 6, 1984.

INDIVIDUAL HIGHLIGHTS — Benning had the best night of her young career on Friday. Along with her record-setting blocking, she set new career highs for kills (nine), attacks (21), and total blocks (seven), while hitting .333.

Freshman **ANGIE HANNA** (FORT WAYNE, IN) had a career-best 18 digs against the Badgers. Senior **LORI MILLER** (WORTH, IL) slammed down 14 kills in the Northwestern match and 15 against Wisconsin.

Senior co-captain **SHARON OESTERLING** (FRANKFORT, IN) is moving closer to the season service ace record. She had nine on the weekend and with 88 so far this season, and needs just 22 more to tie Jill Halsted's mark of 110, set in 1981.

Senior co-captain **CHRIS SCHAEFER** (FLORENCE, KY) had 17 kills against Northwestern and 23 against Wisconsin to lead all players in both matches. She has led or tied for team kill honors in 18 of 26 matches this season. Junior **DAWN THOMPSON** (PORTAGE, MI) hit .350 (9-2-20) against Northwestern and .333 (5-1-12) against Wisconsin.

The **1974 team** was also inducted after compiling a record of 31-6-1 under the direction of head coach **Linda Wells**. ITCA ALL-AMERICAN QUALIFYING ACTION — Sophomores **SOFIE OLSSON** (ASMUNDTORP, SWEDEN) and **JENNIE MOE** (EDINA, MN) will travel to Los Angeles, California to compete in ITCA All-American qualifying matches on Tuesday. She also defeated teammates **VICKY CORDOVA** (VALLEJO, CA) and **MINDY LEACH** (LAGUNA BEACH, CA) in straight sets before being defeated by teammate **Jennie Moe** 6-2, 7-6 (14-12). Olsson's singles record now stands at 4-5.

Moe won the singles championship with the win over Olsson and improved her record to 6-1. She had defeated **Dawn Parmley** of Gustavus in straight sets and then defeated teammates **TONYA BREITAG** (SIOUX FALLS, SD) and **LIBBY NELSON** (WAYZATA, MN), also in straight sets.

Breitag and Nelson teamed up to win the doubles championship over **Moe and Olsson** in a long three-setter, 6-7, (5-7), 6-4, 6-3.

VOLLEYBALL CONTINUED -- OPPONENT NOTES —

HAWKEYE HAZARDS — Iowa (16-6, 8-3) has won five in a row and eight out of nine to move into a third-place tie in the Big Ten with Illinois. The Hawkeyes won at both Michigan State and Michigan last weekend following home wins over Wisconsin and Northwestern Oct. 20 and 21.

WATCH FOR — The Hawkeyes are led by 6-0 junior middle blocker **Barb Willis**, who leads the team in kills (4.25/game) and total blocks (1.06/game). When Iowa junior setter **Janet Moylan** doesn't set Willis, she usually sets senior outside hitter **Kari Hamel**, who is second on the team in kills (4.14/game) and blocks (0.99/game). Hamel hit .314 against Michigan and .422 against Michigan State last weekend. Moylan leads the team in digs (3.25/game) and is averaging 10.19 assists per game. Junior **Jenny Rees**, who also plays on the outside for the Hawkeyes, leads the team in service aces (0.43/game) and is second in digs (3.02/game).

Iowa has three Minnesota natives on its roster including 5-9 junior outside hitter **Jennifer Thompson**, sister of Gopher running back Darrell Thompson, of Rochester, 5-8 junior outside hitter **Ginger Lorentson** of Lakeville, and 6-0 sophomore **Trista Schoenbeck** of Roseville.

SERIES — Minnesota leads 28-7 and has won six in a row over the Hawkeyes. The Gophers have swept the last two matches between the teams, including a 15-5, 15-10, 15-4 win earlier this season at Iowa City. Iowa's last win over Minnesota was a 3-1 victory on Sept. 24, 1986.

GOPHERS LOSE FIRST-EVER TO MICHIGAN, DEFEAT MICHIGAN ST., NOTRE DAME —

Minnesota, playing without senior co-captain **CHRIS SCHAEFER** (FLORENCE, KY), who was out after undergoing hernia surgery Thursday, lost to Michigan 15-10, 8-15, 17-15, 14-16, 7-15 Friday in Ann Arbor, Mich. It was the Gophers' first loss ever to the Wolverines, after 19 straight wins dating back to 1975.

The Gophers rebounded to defeat Michigan State 9-15, 16-14, 15-13, 10-15, 15-8 Saturday in a two-hour and 40-minute match at East Lansing, Mich. On Sunday, Minnesota traveled to South Bend, Ind., where the Gophers swept Notre Dame 15-7, 15-5, 15-10.

Minnesota set team season highs in kills (97), assists (78) and total attacks against Michigan State (233). The 97 kills were one short of the school match record of 98 set against the Spartans on Nov. 7, 1987. Minnesota broke a dubious team record with 50 attack errors against Michigan. The previous high was 40 against Northwestern on Oct. 29, 1988.

MILLER SETS CAREER MATCH HIGHS IN KILLS, DIGS — Gopher senior **LORI MILLER** (WORTH, IL) had 25 kills against both Michigan and Michigan State to surpass her previous high of 22, set earlier this year against Iowa State. The 25-kill performances are also a team high. Miller also set a new personal standard with 61 attack attempts against Michigan and followed up with the second-best mark of her career when she took 57 swings against Michigan State.

Miller has 359 kills on the season, just two short of her previous career high. She had 10 total blocks on the weekend and became just the third Gopher ever to top 400 total career blocks. Pam Miller, Lori's sister, is the all-time leader with 536 and Martie Larsen is second with 448.

OESTERLING MOVES CLOSER TO MILESTONES — Senior co-captain **SHARON OESTERLING** (FRANKFORT, IN) didn't play the first four games of the Michigan match because of tendinitis in her right foot but played the fifth game and then the entire matches against Michigan State and Notre Dame. She had a season-high 68 assists against the Spartans.

Oesterling needs 21 digs to tie the school's all-time career dig record (1,188) held by Andrea Gonzalez. With 91 service aces thus far in 1989, Oesterling is 19 short of tying Jill Halsted's school season record of 110, which was set in 1981.

VOLLEYBALL CONTINUED --

HANNA, LINDBERG PROVIDE SPARKS IN FRONT, BACK ROWS— Freshman **ANGIE HANNA** (FORT WAYNE, IN), who usually plays exclusively in the back row, made an appearance in the front row against Michigan State and played like she wanted to stay there. **Hanna** had a career-best 16 kills while hitting .333 and also set a personal and team season high with 26 digs. The 26 digs is second since 1985 only to the 27 Oesterling had against Purdue on Sept. 23, 1988 (Schaefer has had 26 digs on two occasions).

Freshman **BECKY LINDBERG** (FOREST LAKE, MN) just keeps getting better. She had a career-high 24 kills against Michigan State on a career-high 56 attacks and set two more personal bests with 23 digs against Michigan and by hitting .611 (11 kills, 0 errors, 18 attacks) against Notre Dame. **Lindberg** is already on moved onto the Gopher career charts. She ranks 19th with 747 attack attempts, and with 283 digs, needs just 29 more to move into the career top 10. **Lindberg** has 290 kills and at her current pace, would finish with 360. She needs just 58 in her last seven regular season matches to move into 16th place on the all-time kill list.

MORE INDIVIDUAL NOTES — Sophomore setter **ANGIE CONKLIN** (ST. PAUL, MN) made her second career Big Ten start in the Michigan match and set career bests with 55 assists and 10 digs. Redshirt frosh **HEATHER BENNING** (WINONA, MN) hit a career-high .667 (8-0-12) against Notre Dame, a figure that equalled the eighth-best single match hitting performance in school history and which has been reached twice previously.

Freshman **EMILY AHLQUIST** (PLYMOUTH, MN) set several career bests against Michigan including highs in kills (12), attack attempts (45), and digs (15). Senior **KAREN STAAB** had 11 service aces on the weekend and moved into 10th place on the all-time school list with 124.

She was also a member of the winning 200-yard medley relay team (1:49.37) of **CASS MOE** (BURNSVILLE, MN), **SHANNON HERINGER** (BEAVERTON, OR), and **STACEY NIEDENFUER** (ALEXANDRIA, MN). The Swimmer of the Meet award is new this year and honors the individual athlete who contributed the most to the competition.

"We expected Tami to do well in the 100-yard breaststroke," says Head Coach Jean Freeman, "and she cut well over a second off time from just a week ago. The 200-yard breaststroke is not her most confident event and her come from behind victory in it establishes Tami as a true Big Ten competitor."

OEGEMA WINS TWO EVENTS — Sophomore **LINDA OEGEMA** (DEDEMSVAART, HOLLAND) won two events even though she wasn't feeling well during the meet. She out-stretched her Hawkeye opponent to win by finger tip and .01 of a second with a time of 2:11.06. Oegema was also first in the 200-yard individual medley (4:36.54) winning by nearly three seconds.

HERINGER AND HERRMANN SCORE FIRST BIG TEN VICTORIES IN SAME EVENT — Seniors **SHANNON HERINGER** and **UTA HERRMANN** (HERNEL, WEST GERMANY) had their first victories in an individual event in a conference dual meet in the same event, the 100-yard butterfly. Heringer and Herrmann both clocked identical times of :59.24 to share in the win.

DIVER SULLIVAN WINS ON 1-METER BOARD — Senior **JULIE SULLIVAN** (WEST ST. PAUL, MN) earned first place in 1-meter diving with 242.7 points, defeating Iowa's Katy Ketoff .9 of a point. Sullivan was second in 3-meter diving with 254.85 points, just three points behind Ketoff.

1989-90 Gopher Outlook

The 1989-90 edition of the Gopher basketball squad can go nowhere but up after finishing in 10th place in the Big Ten Conference a year ago. Minnesota returns eleven letterwinners and three starters from last year's team and will be drawing from the experience that returns at small forward and off guard while attempting to upgrade the point guard and center positions.

Fans will likely see a faster brand of basketball being played in Williams Arena this season as the Gophers, 7-21 overall, 4-14 in the Big Ten last year, plan to take advantage of the speed and quickness in their lineup.

"We'll run more this year and our intensity will be higher with more experience in the lineup," says Minnesota head coach LaRue Fields. "On defense, we'll be using more pressure and more man-to-man. We will definitely be more aggressive."

Experience needed to fill the gaps

Fields will be challenged to replace the fire power of point guard Lea Blackwell, who elected to concentrate on academics after two injury-ridden, but productive seasons of directing the Gopher offense. Also gone from last year's team is Blackwell's partner in the backcourt, Cindy Bradley. Minnesota does have the experience of six seniors, a junior, and three sophomores to blend with four newcomers to the roster, however.

Returning to lead the way is senior forward and tri-captain **Jennifer Hall**, last season's MVP and the only player to start all 28 games on last year's schedule. Big Ten players found out that Hall can put the ball in the hoop as she finished the season sinking 74.1 percent (60-81) of her free throws in Big Ten games, ranking her ninth in the conference. She also finished 17th on the league scoring charts with a 13.0 ppg average. Hall improved in nearly every statistical category and will be called upon to take a more active leadership role this season.

Also returning to the front court is junior **Ellen Kramer**, who sparked the Gopher offense and defense on numerous occasions last season. "Ellen is a consistent player with a lot of power, but she also plays with finesse," says Fields. "She is definitely a leader with a work ethic that is outstanding."

Kramer showed that she is a complete player in the Big Ten, smoking the nets for double figures in 15 out of 16 games after the season opener last year. An ankle injury slowed Kramer midway through the conference season and she lost her status as the Big Ten's leading rebounder, but she made a comeback in the latter part of the conference season and was named to the All-Big Ten honorable mention team.

Reserves will be essential

The back-up list for Hall and Kramer includes senior tri-captain **Jackie Goulet**, who is on the verge of busting loose after suffering through a frustrating season of recovering from stomach surgery. Sophomore **Dana Joubert** has a year of experience under her belt and will be a key reserve this season.

Newcomer **Stacy Carver**, a Converse All-American, could contribute immediately. "Stacy is in great shape and could be a surprise this season," says Fields. "She is an impact player and is very smooth on the court." Freshman **Crytal Flint**, a guard-forward from South Boston High School in Roxbury, Mass., should add speed to the lineup. "Crystal's quickness and speed make her a good player," says Fields. "She is a very good athlete."

Seniors key inside attack

Three seniors, all of whom saw significant playing time last season, return to the center position. A leader must emerge from the group this season, however, in order to shore up the Gopher inside scoring attack. Seniors **Sue Renner** and **Juanita Boehland** put in the most time last season, but **Lea Bergin**, a 1989-90 tri-captain, came on strong at the close of the season, scoring and rebounding well above her season averages in the last nine games. Red-shirt freshman **Jenny Dillon** is coming off a knee injury and will add depth at center.

At the point

Without the services of Blackwell, the Gophers' scoring leader for the past two years, the point guard position will likely meet with some experimentation at the onset of the season.

Senior **Jodi Olson**, Minnesota's three-point ace, put together some fine games last season and has become a more consistent player. Olson has the most experience at the off-guard slot, but will also be looked at to play the point. **Holly Thompson** and **Jenny Zeller**, a pair of sophomores seeing limited action last season, return to the guard slot and will see more court time this season.

"Jodi provides us with the most overall experience," says Fields. "Holly and Jenny have both returned in excellent shape and should challenge for significant court time."

Freshman **Nikki Coates**, a point guard out of Leavenworth, Kan., will work on making the transition from high school to collegiate ball. "Nikki is a nice looking player and will be just fine once she gets some collegiate playing time on the court," says Fields.

The schedule

The Gophers will open the 1989-90 season at the Sooner Thanksgiving Classic in Norman, Okla. and then open their home schedule against Northern Illinois, Nov. 28 in a double-header with the Gopher men's team, which takes on Chicago State. Minnesota will be trying to win its third straight title when they play host to the eighth annual Dial Classic on Dec. 1-2.

After a home contest against Iowa State, Minnesota will take a winter break and head south to Texas to face Sam Houston State and Texas A & M. The Gophers return home to host Bradley on Dec. 21 and will travel to Kansas State Dec. 30 to close out the non-conference season.

"Our whole pre-conference schedule is competitive," says Fields. "If we play well and hard, we will win some tournaments and games. We need to be mentally prepared."

The Gophers open the Big Ten double round-robin season the same way they ended it last year with a trip to Michigan and Michigan State. This time around, however, the Gophers hope to bring home a couple of wins.

"We have a much more mature team going into this season," says Fields. "We want to win the games we should win and upset some people along the way. We would like to finish sixth in the conference."

Head Coach LaRue Fields

The transition time is over for LaRue Fields. After completing her second full season as head coach of the Minnesota women's basketball team, including a year as interim head coach, Fields is ready for the challenge of turning the Gophers into a contender.

Fields originally joined the Gopher staff as an assistant coach three years ago and took over the reigns as Minnesota's interim head coach in 1987-88. Now that she has a year under her belt as the "official" head coach, she will continue to take the steps needed to build the Gophers into a team that can compete with the upper crust of the conference. Fields will challenge a senior class of six to provide the experience to reach that goal.

Fields brings a wealth of expertise to guide the Gophers in their quest of a Big Ten title. For seven years before joining the Gophers staff, Fields served as the Coordina-

tor of Women's Sports and Head Basketball Coach at Morgan State University in Baltimore, Md. At Morgan State, Fields compiled an impressive overall mark of 123-61 (.668) and she was named AIAW Division II coach of the year in 1980-81 after guiding her team to a 24-4 record.

Fields has gained a reputation as a players' coach, and she has been successful in coaxing maximum effort from her players at all times. At Morgan State, Fields parlayed that effort into three straight 20-win seasons and two trips to the national tournament.

Although Fields did not play high school basketball until her senior year, she went on to become the first women's basketball All-American at Francis Marion College in Florence, S.C. She still holds the FMC record for most rebounds in a game, with 32 against the University of South Carolina in 1976.

VOLLEYBALL

VOLLEYBALL HOSTS INDIANA/OHIO STATE IN CRITICAL BIG TEN MATCHES —After dropping two of their last four conference matches, the Gopher women's volleyball team will come off a nine-day layoff to play host to Indiana on Friday at 7:30 p.m. and league-leader Ohio State on Saturday at 7:30 p.m. Both matches are at Williams Arena. The public is encouraged to come early for both matches as the Gopher hockey team is in action at 7 p.m. both nights.

The 12th-ranked (as of 10/31) Gophers (24-6, 9-3) need to sweep both matches to remain in contention for the Big Ten title. Ohio State (20-5, 11-2) remains in first place followed by Illinois (20-4, 10-3), while both Minnesota and Iowa (19-6, 9-3) are tied for third.

TEAM HEALTHY AGAIN — Minnesota's losses have been at Ohio State Oct. 13, at Michigan Oct. 27 and to Iowa at home last Wednesday, Nov. 1. Prior to the loss at Ohio State, the Gophers had won nine straight matches.

Against Michigan and Iowa, the Gophers' leading hitter **CHRIS SCHAEFER** (FLORENCE, KY) was out due to an emergency hernia operation on Oct. 26. Schaefer will begin practicing Monday and is probable for the weekend. The other key player, senior **SHARON OESTERLING** (FRANKFORT, IN), is back in action after sitting out practices for several weeks and not playing until the fifth game of the Michigan match due to tendinitis in her foot.

COACH SCHLEUDER COMMENTS - "I'm optimistic about this weekend. We need to have a good week of practice and get back into the form we were in before the last match with Ohio State. Indiana has a strong middle attack and Ohio State plays great defense, has improved blocking and a stronger offense than in past years."

Of the disappointing 3-2 loss to Iowa, where the Gophers won the first two games, Schleuder commented, "Give credit to Iowa, they had a great comeback and played well. I was disappointed we didn't put them away when we had chances. Obviously we missed Chris (Schaefer), but we still had opportunities to win the match."

THE REST OF THE SCHEDULE — After hosting Indiana and Ohio State this weekend, Minnesota will travel to Wisconsin and Northwestern Nov. 17 and 18 and then end the year by hosting Illinois, Wed. Nov. 22 and Purdue, Friday Nov. 24. Ohio State will host Indiana Nov. 15, and end the year by hosting Wisconsin and Northwestern. Illinois travels to Purdue this Wednesday, and hosts Michigan State and Michigan before ending the year at Iowa and Minnesota. Iowa's schedule mirrors the Gophers.

THIS WEEK'S OPPONENTS

HOOSIER HINTS — Indiana (14-10, 6-7) is currently in sixth place in the league and came into this season without having finished higher than fourth in the Big Ten since the conference initiated the double round-robin format in 1985. Last year the Hoosiers were 17-13 overall and tied for fifth in the Big Ten with a 9-9 mark. Among the wins was a 3-0 upset over Minnesota in Minneapolis. The Gophers barely escaped the Hoosiers in Bloomington earlier this year in a 3-2 battle. Coach **Tom Shoji** is in his third season at IU with a current 51-36 mark and has a eight year career mark of 167-128 prior to the weekend.

VOLLEYBALL CONTINUED --

WATCH FOR — Indiana's lineup has been riddled with injuries. Both right-side hitters have been lost for the year as Lisa Smith broke an ankle in pre-season and Lisa Jackowiak is out for the year with a back injury. The Hoosiers are led by 6-2 junior outside hitter **Diane Hoerath**, a transfer from the University of Texas, who didn't play last season. Hoerath is averaging 4.1 kills per game and hitting .303 overall on the season. Returning starters are 6-0 senior middle blocker **Julie Goedde** (1.3 blocks/game, averaging 3.2 kills/game) and 5-9 sophomore outside hitter **Nancy Mason** (3.4 kills/game). Freshman **Sheri Stout**, a high school All-American, has won the starting setter spot and is averaging 11.1 assists per game. The other two probable starters are senior outside hitter **Lisa John** and sophomore middle blocker **Mary Jo Herrett**.

SERIES — Minnesota leads 12-6, winning the first meeting 15-4, 15-12, 9-15, 6-15, 16-14 in a come-from-behind fifth game in Bloomington, Ind. Oct. 14. The teams split last season for the third straight year, with the Gophers winning in five games at Indiana and losing in three at Minnesota.

BUCKEYE BRIEFS — Ohio State (20-5, 11-2) vaulted into the NCAA poll for the first time last week at No. 15 after defeating Illinois in Champaign, marking a sweep over Illinois in both meetings this season. Ohio State then turned around the next night and lost to Purdue 3-0 in West Lafayette. Ohio State has won eight of their nine matches, are 12-0 at home, and gained their 20th season victory last weekend - the first 20-win record since 1986. Ohio State has never won a Big Ten title in volleyball, and with a conference hitting percentage of .250, have not hit below .202 in any of their last 11 matches. Coach **Jim Stone** is in his eighth year with a current mark (prior to Friday) of 157-98 and 10-year career mark of 207-140.

WATCH FOR — Five of six starters return including second team All-Big Ten outside hitter **Holly O'Leary**, a 5-10 junior, who leads the team with 4.8 kills/game. Also back is last year's Big Ten Freshman of the Year, 6-0 outside hitter **Leisa Wissler**, who is among the conference's top ten in hitting (.306), and blocking (.81 per game). Senior outside hitter **Lisa Vitali** is averaging 2.2 Big Ten kills/game, and sophomore middle blocker **Dawn McDougall** is averaging 1.25 blocks/game. Junior setter **Audrey DiPronio** averages 11.7 assists/game in the conference, and the Buckeyes sixth starter is 5-11 sophomore outside hitter **Erika Schlitz**.

SERIES — Ohio State took a 12-11 edge by winning the first meeting in Columbus this year 15-9, 9-15, 15-5, 15-9. Minnesota beat Ohio State 16-14, 15-12, 11-15, 15-8 earlier this season at the Cal-State Fullerton preview in a match that doesn't count in the conference standings. The Gophers have gone 1-1 in conference matches against the Buckeyes in each of the last three seasons.

CROSS COUNTRY

REGION IV MEET IS NEXT -- The Gophers, who finished fourth at the Big Ten championship, will travel to Ypsilanti, Mich. to compete in the NCAA Region 4 meet, where they hope to qualify as a team for the NCAA championship Nov. 20 in Annapolis, Md. The 5,000-meter race will be run at the Huron Golf Course at 10:45 a.m. The top two teams, out of approximately 30 that will race at the Region IV meet, advance to the national meet. In addition to the top two teams from each of the eight regions that qualify automatically, six at-large teams will advance. The six at-large teams will be selected by the Division I women's track and field subcommittee on Nov. 14.

"We're right on the bubble," says Wilson, who expects Indiana, Iowa, Michigan, Minnesota, Ohio University and Central Michigan to be the top teams in Region IV. "I think we're one of eight teams from across the nation that has the best shot at getting an at-large bid."

Minnesota finished fourth at the Region IV meet last season and just missed an at-large bid into the national meet.

THE TRAVEL SQUAD -- Minnesota, ranked 23rd in the latest Track & Field Coaches Association Poll, will be led by freshman **ANN WESTBY** (BROOKINGS, SD), who finished 10th in a season-best time of 17:42 at the Big Ten meet, freshman **BECKY RUNION** (EDINBURG, VA), who was right behind in 11th at 17:46, also a season best; junior **HEATHER DOYLE** (MOORHEAD, MN), who finished 19th in 18:05, sophomore **CHRIS ROWE** (SIOUX FALLS, SD), who was 24th in 18:19 and junior **LAURA DUFFY** (KENNEBUNK, ME), who finished 26th in 18:23. Sophomore **SARAH RENK** (WINONA, MN), the Gophers number two runner for most of the season will also compete at the regional meet after finishing 34th in 18:35 at the Big Ten meet, due to dehydration. In the seventh spot will be either **BECKY CANNER** (BALTIMORE, MD), who was 43rd at the conference meet in 19:00 or **JENNY ALBY** (APPLETON, WI).

SWIMMING and DIVING

FACE NEBRASKA, COLORADO STATE -- On the road for the first time this season, the women's swimming and diving team will face Nebraska and Colorado State in a double-dual meet at Lincoln, NE, this Saturday at the Devaney Sports Center. Minnesota is 0-1 in overall and conference dual meets after losing its opener to Iowa two weeks ago.

MEET NOTES -- The Huskers had their first meet this past weekend at Iowa in a quadrangular against Iowa, Michigan and Brigham Young University. Nebraska finished second behind Michigan, with Iowa third and BYU last. "Nebraska will be tougher than Iowa," says Minnesota head coach Jean Freeman. "On paper, we're favored in two events - the 100- and 200- yard breaststrokes. We will be the underdogs going into the meet, but we'll make a meet out of it." The Rams of Colorado State also had their first meet of the year last weekend, losing a non-conference dual to Kansas, 118-81.

SWIMMER OF THE WEEK -- ANNE ELDEGARD (OSLO, NORWAY) has been named the Oct. 29-Nov. 4 Swimmer of the Week by the women's swimming and diving coaching staff. "Anne has been consistent all year and had an outstanding week in practice, doing exceptionally well in timed distance testing," said Freeman.

S&D TEAM RECEIVES ACADEMIC AWARD -- The Minnesota women's swimming and diving team was recently named a recipient of the College Swimming Coaches Association of America (CSCAA) 1989 All-Academic Team award for spring quarter. The Gophers were one of only 12 NCAA Division I teams to receive the award, which honors teams that have maintained a grade-point average of 2.80 or better; Minnesota had a 2.88 team GPA for that quarter.

FIRST TIME SINCE 1983 -- The University of Minnesota women's cross country team ran its way to a second place finish at the NCAA Region IV meet in Ypsilanti, Mich. on Saturday.

The finish gives the Gophers an automatic bid into the NCAA championship meet to be held Nov. 20 in Annapolis, Md. at the Naval Academy Course. The race begins at 11:00 a.m. EST.

It is the first time since 1983 that the Gophers will compete as a team at nationals. In 1983, Minnesota finished 10th. GOPHERS BEAT IOWA & MICHIGAN -- Indiana won the 26-team race, which was run at the Huron Golf Course in Ypsilanti. The Hoosiers scored 56 points while the Gophers were second with 102. Big Ten foe Iowa was third with 123 and Michigan was fourth with 142. Minnesota had finished behind both Iowa and Michigan at the Big Ten championship two weeks ago.

Big Ten champion Michelle Dekkers won the 5,000-meter race in a time of 16:47. Dekkers is the defending national champion. Michigan's Mindy Rowand was second in 17:16 followed by Iowa's Jeanne Kruckeberg in 17:29.

DEVELOPMENT DIRECTOR JEANETTE LINK ANNOUNCES RETIREMENT — University of Minnesota women's athletic department Director of Development Jeanette Link has announced her retirement from the University, effective April 1, 1990. Link plans to continue working as a fund raising consultant for non-profit organizations. A national search to find her successor will be conducted, according to Chris Voelz, women's athletic director.

"Jeanette Link's commitment and service to the development and fund raising area of women's athletics has been a model for the nation," said Voelz. "The foundation she has built in major gifts and endowments will be a significant part of our future. She will be sorely missed and we wish her well."

In October, 1980, Link joined the women's athletic department as Director of Development and Executive Director of the Patty Berg Fund. She worked closely with volunteers to build a base of support for the department's scholarship fund through giving programs such as the annual fund's 100 Women and 100 Men Campaigns. Those campaigns encourage donors to give at a minimum level of \$100. Under her direction the annual fund has grown from \$25,000 to over \$150,000 annually.

Link excelled in collecting future gifts for the women's athletic program. The department's endowment fund now stands at \$2.7 million. She also directed special events such as the Ten-Year Gala fundraising dinner in 1985 and the annual Ms. golf and tennis outing. In the major gifts department, she has directed the creation of the Presidents Club chapter for women's athletics.

"Working with volunteers and staff who share common goals for providing equal opportunity for women has been a very satisfying professional opportunity," said Link. "It has been a rewarding experience to build a development program for a cause in which I truly believe."

A graduate of the University of Minnesota, Link received her B.S. in elementary education in 1952 and her M.A. in curriculum instruction and educational psychology in 1962. She passed requirements to be a Certified Fund Raising Executive (CFRE) in 1987 and has served as a member of the Minnesota National Society of Fund Raising Executives (NSFRE) Board, and the Advisory Council for the National Athletic Fundraising Association.

Link began her professional career as an elementary education teacher in Rochester, North St. Paul and Minneapolis, and also worked as a reading consultant in Minneapolis before taking a break as a homemaker to raise her daughter Barbra and son John. Prior to joining the women's athletic department, Link was a state officer for development for the American Association of University Women (AAUW) and was on the organization's national committee. Her responsibilities included securing gifts for the Educational Foundation which provided fellowships funding for women. She was also active in monitoring Title IX compliance in the Twin Cities area.

Link resides with her husband, Otto, in Brooklyn Center, Minn.

Swimming Hometown Review #1

SWIMMING AND DIVING BETTER THAN WIN/LOSS RECORD SHOWS

The Minnesota women's swimming and diving team is performing much better than its 1-2 record indicates. The Gophers lost their opening meet of the year against the Iowa Hawkeyes, Oct. 28 at home, by only six points. On Nov. 11, Minnesota defeated Colorado State and lost to Nebraska at Nebraska in a double-dual competition.

"The final score against Nebraska overshadows the good things that happened. We had 35 season best times last weekend and set numerous meet records," says head coach Jean Freeman. "We swam well against Colorado State, setting seven meet records, which means we're swimming better this year at this time than the last time we faced the Rams."

IOWA -- In the Iowa meet, the final outcome was decided on the last race of the meet. Minnesota had a slim three-point lead going into the last event, the 400 free relay, and had to take first place to win the meet. The Hawkeyes grabbed first and third places in the relay edging the Gophers in the final tally by six points, winning 153-147.

COLORADO STATE -- The Gophers set seven meet records in their battle with the Rams of Colorado State at the Bob Devaney Sports Center in Lincoln, Neb. Minnesota won the meet 76-46 and set records in the 200, 500 and 1000 freestyles, the 100 breaststroke, 200 individual medley, and 1- and 3-meter diving.

NEBRASKA -- The Gophers won only three of the 16 events against the Huskers, which started working out one month earlier than Minnesota. Nebraska won 95-45, with one third of the Gopher's points coming from its victories in the 100 breaststroke and the 1- and 3-meter diving events.

more--

SULLIVAN ON WINNING STREAK -- Senior JULIE SULLIVAN (WEST ST. PAUL, MN) was the only Gopher to win four events at the Nebraska double-dual, taking the honors in both the 1- and 3-meter diving events against Nebraska and Colorado State. She scored 257.90 points on the 1-meter board and 251.1 points in the 3-meter competition, setting meet records in both events against Colorado State and Nebraska. Sullivan qualified for the NCAA Zone diving event in March on the 1-meter board after surpassing the qualifying mark of 245 points.

Sullivan was named the Minnesota *Athlete of the Meet* after her winning performance in four events at Nebraska. "Julie did a good job against Nebraska and Colorado State - she's a heck of a competitor," says head coach Jean Freeman.

Against Iowa, Sullivan was first in 1-meter diving, scoring 242.70 points and second in the 3-meter event with 254.85 points, her best performance of the season.

GREWENOW TALLIES SIX WINS IN THREE MEETS -- Senior TAMI GREWENOW (BURNSVILLE, MN) has earned five individual first place victories and one relay team win since the season began. Against Colorado State and Nebraska, Grewenow won the 100 breaststroke (1:05.99) and was first versus the Rams in the 200 breaststroke (2:25.91). In the Big Ten opener against Iowa, Grewenow won both the 100 (1:06.15) and 200 (2:25.98) breaststroke events and was on the winning 200 medley relay team (1:49.37). Grewenow was named Minnesota's *Swimmer of the Meet* against Iowa and shared the title for the Nebraska-Colorado double-dual meet with teammate Krina Kabanuk. Grewenow was also named *Swimmer of the Week* by the coaching staff for the week of October 22 for her outstanding work in the classroom and pool.

KABANUK SETS TWO MEET RECORDS AGAINST CSU -- Freshman KRINA KABANUK (FARGO, ND) set two meet records against Colorado State in the 200 (1:55.92) and 500 (5:07.85) freestyles. She was named co-*Swimmer of the Meet* for her winning performances, along with teammate Tami Grewenow. Against Iowa, Kabanuk earned points for the Gophers with third place finishes in the 100 (:54.74), 200 (1:56.60) and 500 (5:10.92) freestyle events, was a member of second place 400 free relay (3:36.53) team.

BANKS' 'SWIMMER OF THE WEEK' -- Junior PATTY BANKS (LAKE ELMO, MN) was named the *Swimmer of the Week* for the week of November 5 by the Minnesota coaching staff for being the most improved of the team members in workouts, in the classroom and in meets. Against Colorado State, Banks was first in the 1000 free (10:39.45) which is over a two-second drop in her time from the Iowa meet, where she was third in the event (10:41.82). She was second in the 1000 free against Nebraska and the 500 free (5:12.15) in the Rams duel.

GOPHER NOTES — Minnesota (2-0) had a successful season-opening outing at the Oklahoma Sooner Thanksgiving Classic and will attempt to win its third straight Dial Soap Classic championship this weekend. In winning both games on the road this weekend, the Gophers broke out of a 0-13 road losing streak that dated back to Nov. 26, 1988.

FIELDS SAYS — Minnesota head coach LaRue Fields (Francis Marion '76) was pleased with her team's weekend performance. "It was good that we were able to break out of our away losing streak," said Fields. "We reached the goals that we had set for this weekend and I'm very pleased with the way our players played. I think it was good that we were able to work out the kinks on the road and take some of the pressure off the players. Our rebounding was very good and our bench play showed the potential of the rest of our team."

"Our goal is to win our third straight Dial (Soap Classic) championship," says Fields. "We will take it one game at a time and try to defeat Northeastern and get to the championship where we can really show our stuff."

FIELDS RECORD -- Coach Fields is in her third season at Minnesota with a 18-39 (.316) record at Minnesota and a 141-100 (.585) mark in her tenth season as a collegiate coach.

OLSON, RENNER NAMED ALL-TOURNAMENT — Senior guard **JODI OLSON** (BELLEVUE, WA) and senior center **SUE RENNER** (GRAND RAPIDS, MN) were both named to the Sooner Thanksgiving Classic All-Tournament team, marking the first such honor in the careers of both players.

OLSON - COINCIDENTAL CONSISTENCY — Senior **Jodi Olson** marked her weekend with career highs and had nearly identical performances Friday and Saturday. Olson tied her career-high of 21 points in both games and ripped down five rebounds in both contests. She was 6-of-13 from the field, including 5-of-8 from the three-point line against Arkansas State and 7-of-14 from the floor, including 3-of-4 on three-pointers against Sam Houston State. In both games, Olson shot a perfect 4-of-4 from the free-throw line. She also tallied four assists and two steals on the weekend.

RENNER STARS IN OPENER — Senior Sue Renner opened the weekend by nailing a game-high 25 points, a career high, against Sam Houston State. She scored on a career-high 11-of-19 field goal attempts and added 3-of-4 from the line. Renner also led Minnesota on the boards with 13 rebounds. Renner ran into early foul trouble against Sam Houston State and only played for eight minutes. In that time, however, she scored nine points and had five rebounds.

THOMPSON GETS FIRST START — Sophomore guard HOLLY THOMPSON (EAST CLEVELAND, OH) had played a career-high of eight minutes up until Friday night when she started at point guard and tallied 37 minutes of court time. In that time, Thompson racked up a career-high 10 points and eight assists. She came back on Saturday and tallied seven assists and two points in 26 minutes.

KRAMER, HALL STAY STEADY — Senior forwards JENNIFER HALL (BURNSVILLE, MN) and ELLEN KRAMER (ROSEVILLE, MN) picked up where they left off from last season. Kramer scored 15 points and had seven rebounds against Arkansas State and added 18 points and six rebounds against Sam Houston State. Kramer is third on the team in scoring with a 16.5 ppg average. Hall took a little longer to get warmed up, scoring just four points against Arkansas State, but she came back to tally 17 points against Sam Houston State to go along with seven rebounds.

BERGIN MAKES GOOD USE OF TIME — After being held scoreless Friday night, senior center LEA BERGIN (MINNEAPOLIS, MN) exploded for 17 points and a game-high 17 rebounds against Sam Houston State. Both marks were career highs and upped Bergin's scoring average to 8.5 ppg and her rebounding average to a team-leading 10.5 rpg. Perhaps what is most noteworthy is the fact that Bergin tallied her 17 points and 17 rebounds in just 20 minutes of playing time. In only six minutes of court time against Arkansas State, Bergin snared four rebounds.

SWIMMING & DIVING

NO MEETS FOR SWIMMERS 'TIL HAWAII, JUST HARD WORK — The swimming team has no meets scheduled until its Hawaii winter training trip in mid-December, but that doesn't mean anyone is loafing. "We are working the swimmers very hard," says head coach Jean Freeman. "They have to be in shape when we get to Hawaii so they can handle the four hours a day of training."

DIVERS WILL TRAIN IN ORLANDO — The women's diving team also has a break from competition, with their next meet coming during its training trip at the Justus Aquatic Center at Orlando, Flor. The divers will work out nearly five hours a day, spending three hours diving and the rest in dry-land training, according to diving coach Doug Shaffer.

SWIMMER OF THE WEEK — Sophomore LINDA OEGEMA (DEDEMSVARRT, HOLLAND) has been named the Swimmer of the Week by the swimming and diving coach staff for the week of Nov. 19. "Linda is performing very well in practice," says Freeman. "She is working much harder this year with a goal of representing Holland at the 1992 Olympics."

NEBRASKA NO. 1 MIDEAST SEED, RANKED FOURTH NATIONALLY — The Gophers will face a Nebraska team Friday that is seeded first in the region and tied for fourth nationally in the final NCAA volleyball poll. The Gophers are seeded fifth in the Mideast region and ranked No. 16 in the final NCAA poll. Nebraska (26-3) defeated the Gateway Conference automatic qualifer Illinois State 15-7, 15-11, 15-12 on Saturday in the NCAA first round. The Big Eight Champion Cornhuskers are making their eighth NCAA tournament appearance. This is Minnesota's first NCAA appearance.

NOTING NEBRASKA (26-3)-- The Cornhuskers have dominated the Big Eight conference, winning their 13th conference title in 14 tries this season with a perfect 12-0 record. Nebraska has a 13-7 NCAA volleyball tournament record and was the NCAA runnerup in 1986 after winning the Mideast Region Championship. Last year, the Cornhuskers lost to Oklahoma 2-3 in the Mideast Regional semifinal while posting a 28-5 overall record. In 1987, Nebraska lost to Illinois in the Mideast Regional Championship.

STAHR STARS FOR HUSKERS — Returning first team Russell All-American **Virginia Stahr** is the Huskers big gun. Stahr was the Big Eight Player-of-the-Year, a first team All-Big Eight selection and one of six national recipients of an NCAA Top Six student-athlete award this year. A 6-0 middle blocker from Waco, Neb., Stahr has been ranked second in the nation in hitting percentage (.474) and led the Big Eight with a .556 hitting percentage. Stahr needs just eight kills to break the Nebraska school career kill mark of 1,372 set by outside hitter Kathi DeBoer-Weiskamp. She averages 2.54 kills/game and leads the team with 1.37 blocks/game. Stahr missed the match at Minnesota this season while recovering from shoulder surgery this summer, but has played in 27-of-29 matches overall.

OTHER PLAYERS TO WATCH — Freshman 6-0 outside hitter **Eileen Shannon** was selected first team All-Big Eight and to the conference all-tournament team and leads the Huskers with a 4.26 kills/game average. Shannon is also third on the team in digs averaging 2.46. **Janet Kruse**, a 6-1 sophomore outside hitter, is second on the team in kill average at 3.92 kills/game and is second on the team in digs with a 2.48 per game average, while earning All-Big Eight honors. Freshman 6-2 outside hitter **Cris Hall** is averaging 3.36 kills/game and leads the team in digs with 2.82 per game.

Junior 5-10 setter **Val Novak** averages 13.66 assists/game and was a first team All-Big Eight pick and Big Eight tournament MVP. She has been ranked second in the nation in assist average this year. The final starter for Nebraska is senior 6-1 middle blocker **Carla Baker** who averages 1.20 blocks/game and has a kill percentage of .330.

SERIES RECORD — Nebraska leads 21-4. The two teams met Sept. 15 in Minneapolis with Nebraska winning 3-1 (15-9, 15-6, 8-15, 15-7). Nebraska has won the last six meetings with Minnesota's last win in 1980, 2-0 in the Southwest Missouri State Tourney. Coach Stephanie Schleuder is 0-1 vs. the Cornhuskers.

VOLLEYBALL CONTINUED --

1989 COMMON OPPONENTS — Nebraska has faced both Iowa and Illinois of the Big Ten. Minnesota split matches with Iowa this year winning 3-0 and losing 2-3 while Nebraska defeated Iowa 3-0. Against Illinois, Minnesota won 3-2 and 3-1 while Nebraska lost 2-3 in a match at Lincoln. Minnesota has faced Iowa State and Colorado of the Big Eight. Minnesota defeated Iowa State 3-2 and Nebraska defeated the Cyclones 3-2, 3-0 and 3-1. Against Colorado, Minnesota won 3-0 and Nebraska defeated the Buffaloes 3-0 and 3-1.

THE COACHES — Terry Pettit is in his 13th season at Nebraska with a 407-102 (.800) current record and 16-year 454-119 (.792) career mark heading into Friday's match. Pettit was named the 1989 AVCA/Tachikara Mideast Region Coach of the Year and Big Eight Coach of the Year. Stephanie Schleuder is in her eighth year at Minnesota with a 171-93 (.648) mark and in her 17th year has a career record of 469-205 (.696) heading into Friday's match. Schleuder's 29 wins are her most ever since coming to Minnesota.

A LOOK AT ILLINOIS AND OHIO STATE — This is the first time ever that four Big Ten teams have received bids into the NCAA women's volleyball championship and three Big Ten teams will be appearing in the Mideast Regional. Big Ten Champion Ohio State (27-6) will face Illinois (26-7) in the other regional semifinal. The Buckeyes are seeded second in the region and ranked No. 10 in the final NCAA season poll and defeated Iowa 15-9, 15-6, 15-13 in the NCAA first round last Friday. Illinois is seeded third in the Mideast and ranked No. 12 in the final NCAA poll and defeated Penn State 15-5, 15-9, 15-2 in the first round last Friday.

This is Ohio State's first NCAA tournament appearance while Illinois has advanced to the NCAA national semifinal matches the past two years after winning the Mideast Regional Championship. The Illini are making their fifth NCAA appearance. The Gophers are 8-15-1 against Illinois and won both matches this season, while Ohio State leads the series with Minnesota 13-11 winning two of three meetings this season.

OESTERLING, GOPHERS HOLD OFF BUFFALOES — In the Gopher sweep (15-11, 16-14, 15-11) over Colorado, Minnesota had to come from behind in all three games to win. The Buffs led 10-9 in game one, 13-11 in game two, and 11-10 in game three. There were 54 sideouts in the first game, 41 in the second, and 28 in the third. Both the first and second games had stretches of 12 straight sideouts.

Senior co-captain SHARON OESTERLING (FRANKFORT, IN) showed why she is a deserving candidate for All-American honors. Oesterling had 52 assists, four service aces, three block assists, and 13 digs while hitting .545 (6 kills, 0 errors, 11 attempts).

The Gopher setter now has 110 service aces this season, tying the school season record set by Jill Halsted in 1981. Oesterling's 311 career aces rank fourth on the all-time NCAA list. With 5,970 career assists, third on the all-time NCAA list, Oesterling should become just the third player to surpass the 6,000 mark. The all-time Gopher dig leader, Oesterling needs just 12 more to reach 1,300 for her career.

Her timely hitting this season has added to Oesterling's already talented offensive capabilities. She's hitting a career-high .343 for the season with a personal best 106 kills.

BALANCED ATTACK THE OFFENSIVE KEY — Colorado could not key on any one player as four Gophers had at least 10 kills and 25 attack attempts. Senior co-captain CHRIS SCHAEFER (FLORENCE, KY) led all players with 18 kills on 48 attempts; redshirt sophomore KAREN LUSHINE (ROSEVILLE, MN) had 14 kills on 26 attempts (hitting .385); freshman BECKY LINDBERG (FOREST LAKE, MN) had 12 kills on 30 attempts; and senior LORI MILLER (WORTH, IL) had 10 kills on 33 attempts. Lushine also had a match-high seven total blocks while Lindberg led all players with 17 digs. The Gophers outhit Colorado .255 to .145.

MORE TEAM SEASON RECORDS FALL— Minnesota had already set team season records earlier this year for most digs and block assists, and this past weekend the team kill and total attack records also fell.

The Gophers have fired 2,204 kills this season, bettering the old mark of 2,176 set in 1981. Minnesota has 5,744 total attacks, breaking the previous record of 5,621, also set in 1981.

INDIVIDUAL NOTES— Schaefer now has 1,876 career kills and is 11th on the all-time NCAA list. She also had two aces, giving her 201 lifetime. Only four other players who have played at Minnesota have reached the 200 mark. Schaefer needs 50 attack attempts to tie Andrea Gonzalez's school mark of 4,918. Miller has 500 kills this season, becoming just the fourth Gopher ever to reach 500 in a season. Gonzalez, Schaefer, and Lori's sister, Pam, are the others who have reached 500. Miller has 100 total blocks, the third straight year she has reached the century mark. Lindberg needs 14 digs to join Schaefer and Oesterling in reaching 400 for the season. No Gopher had reached 400 digs prior to this season.

BASKETBALL

NEXT GAME SUNDAY AGAINST IOWA STATE — The Minnesota women's basketball team (3-2) will play host to Iowa State (3-1) Sunday at Williams Arena in a game slated to begin at 2:00 p.m. The Gophers are at the midway point of their non-conference season with five more games before they open the Big Ten Conference season at Michigan Jan. 5. At this time last year, Minnesota's record was 2-3.

Minnesota played host to the eighth annual Dial Soap Classic over the weekend and finished in the runner-up spot to Central Michigan after losing 72-60 in the championship game. Nebraska won the consolation game by defeating Northeastern 70-56.

CYCLONE SAYINGS — Iowa State (3-1) won the consolation title at last weekend's Lady Ute Classic in Salt Lake City, Utah. The Cyclones lost in the first round to host Utah 77-46, but came back to defeat Texas A & M 75-70 in the consolation game. Iowa State won its first two games at home, 78-70 over Illinois State and 69-64 over South Dakota. Last year, the Cyclones finished at 13-15, 6-8 in the Big Eight Conference for a fifth-place finish. The Cyclones will play host to Northern Iowa on Tuesday and will travel to Des Moines, Iowa, to take on Drake before making the trip to Minnesota.

WATCHFOR — Senior forward **SHELLY COYLE** led the Cyclones over the weekend with 15 points and 14 rebounds against Utah and 16 points and 10 rebounds against Texas A & M. Coyle leads Iowa State in rebounding with a 10.5 rebounds/game average and is second in scoring, averaging 14.5 points/game.

BASKETBALL CONTINUED --

Senior guard **VANESSA WARD** also had a successful weekend, scoring 25 points and snaring 18 rebounds over the two games. Ward averages 15.0 points/game and 7.8 rebounds/game. **SERIES** — Minnesota leads 7-3. Iowa State won the last meeting 77-54 in Ames, Iowa.

THE COACH — Pam Wettig (Bowling Green '72) is coaching in her sixth season at Iowa State and is 134-103 (.565) and 205-171 (.545) in fifteen years as a head coach.

GOPHER NOTES — Minnesota (3-2) ran into a tough Northern Illinois squad last week and dropped their first game of the year, 98-75. The weekend brought Dial Soap Classic basketball action back to Williams Arena for the eighth straight year, but the Gophers bid to win their third straight title was thwarted by Central Michigan, which upended Minnesota 72-60 on the way to its second straight tournament championship this season. Minnesota had defeated Northeastern 96-59 to get to the final game.

OLSON NAMED ALL-TOURNAMENT FOR SECOND STRAIGHT WEEKEND — Senior guard **JODI OLSON** (BELLEVUE, WA) was named to the Dial Soap Classic All-tournament team for her weekend performance. Olson finished third among tournament scoring leaders with 31 points in the two games, including .471 shooting from the three-point line (5-12). Olson had also been named to the Oklahoma Sooner Thanksgiving Classic All-Tournament team last weekend. Senior forward **JENNIFER HALL** (BURNSVILLE, MN) was also named to the Dial Soap Classic All-Tournament team after leading the Gophers with 18 points and five rebounds against Northeastern.

FIELDS SAYS — "We played with a lot of intensity Friday night (96-59 win over Northeastern) and didn't play down to the other team. We didn't play as well Saturday night. We didn't take the ball to the hole, but you have to give credit to Central Michigan. They put a zone defense on us that gave us trouble. We've had a busy schedule lately, but we've been playing very hard and have had two good tournaments. We'll be ready to play after a week off. We should come out hungry against Iowa State."

FIELDS' RECORD -- Coach Fields' three-year record at Minnesota is now 19-41 (.317) while her ten-year career mark is 142-102 (.582).

GOPHERS LEAD IN TOURNEY STATS — Although they finished second in their own tournament, Minnesota led the way in nearly every statistical category, including points scored (156), team field goal percentage (.474, 55-116), free throw percentage (.745, 41-55) and three-point percentage (.417, 5-12).

BERGIN CONTINUES TO SHOW UP THE CLOCK — Senior center **LEA BERGIN** (MINNEAPOLIS, MN) continues to make good use of her playing time. Bergin averages just 18 minutes per game, but leads the Gophers in rebounding with 9.8 rebounds/game. She finished third among tournament leaders this weekend among tournament leaders in rebounding with 15 boards in the two games. She has been the top Gopher on the boards in three out of five games with a career high of 17 against Sam Houston State Nov. 25. Last week against Northern Illinois, Bergin tallied 15 points and 13 rebounds. Against Central Michigan, she scored 10 points and grabbed 11 rebounds.

OLSON CONTINUES TO LEAD — Senior guard Jodi Olson is the top scoring Gopher, averaging 16.6 points/game with 83 total points on the season. Senior forward **ELLEN KRAMER** (ROSEVILLE, MN) is second in line at 13.4 points/game. Kramer also ranks second in rebounding to Bergin with a 6.6 rebounds/game average. Against Northeastern, Kramer racked up a career-high nine steals.

THOMPSON STEADY AT THE POINT — Sophomore point guard **HOLLY THOMPSON** (EAST CLEVELAND, OH) continues to run the Gopher offense with consistency. Thompson closed out the weekend ranking second on the assists leaders chart with eight assists in two games. She also scored 10 points against Northeastern and six against Central Michigan and is now sixth in scoring for Minnesota with a 7.4 points/game average.

GOPHER NOTES

PRESS KEYS MINNESOTA WIN — The Gophers 86-81 victory over Iowa State Sunday was keyed by a first-half press that gave the Cyclones fits. Minnesota forced 18 turnovers in the first half to move out to a 43-29 halftime lead before Iowa State came back to within three in the second half. The Gophers held off the rally, however, and went on to post their fourth win of the season. Minnesota, now 4-2, was 3-3 at this point of the season last year.

FIELDS SAYS — "We played much better team ball this weekend. After redefining the press and explaining what I wanted from each position in detail, we did a much better job. We were a bit tired and let down emotionally in the second half, but we held on and hit the free throws in the end to get the win. We knew Iowa State would come back because they are a good team. I'm glad we executed so well in the first half to get that nice lead. We'll work hard in practice this week on the things we did wrong so that we can get a couple wins on the road."

COACH FIELDS' RECORD -- Minnesota head coach LaRue Fields (Francis Marion '76) carries a three-year Minnesota record of 20-41 (.344) and a 143-102 (.584) ten-year career mark.

ON THE ROAD -- Minnesota will play on the road for the first time since its season-opening tournament at Norman, Okla. Nov. 24-25. The Gophers were 0-14 on the road last season, but won both of their games at the Oklahoma Sooner Thanksgiving Classic to end that streak. Since then Minnesota has gone 2-2 at home.

BERGIN BANGS THE BOARDS — Senior center **LEA BERGIN** (MINNEAPOLIS, MN) has led the Gophers in rebounding in their last two games and in four out of six this season. Bergin snared nine boards against Iowa State while her career high was 17 against Sam Houston State on Nov. 5. Bergin leads the Big Ten in rebounding with a 9.7 rebounds/game average.

OLSON TOPS CHARTS — Senior guard **JODI OLSON** (BELLEVUE, WA) continues to lead Minnesota in scoring with a 16.8 points/game average. Olson racked up 18 points against the Cyclones and has scored in double figures in every game this season, including the first two games of the season when she scored 21 points against Arkansas State and Sam Houston State.

HALL GETS INSIDE ON THE CYCLONES — Senior **JENNIFER HALL** (BURNSVILLE, MN) made her way into the lane at will against Iowa State and racked up a season-high 23 points. Hall has led the Gophers in scoring twice this season and ranks third on the team with a 12.2 points/game average.

KRAMER IS KEY — With the opposition camping out on her more this season, junior forward **ELLEN KRAMER** (ROSEVILLE, MN) has not had as many scoring opportunities available to her, but she continues to score at a 13.7 points/game rate while rebounding 6.7 boards/game. Kramer scored 15 points and recorded seven rebounds against the Cyclones.

THOMPSON DISHES IT OUT — Sophomore point-guard **HOLLY THOMPSON** (EAST CLEVELAND, OH) continues to direct the Gopher offense at the point. Thompson dished out six assists against Iowa State and averages 5.0 assists/game. She is also scoring 7.2 points/game.

SWIMMING AND DIVING

SWIMMING AND DIVING HEAD DIFFERENT DIRECTIONS FOR WINTER TRAINING TRIPS

The swimming and diving team departed Monday morning for their respective winter training trips with the swimmers jetting to Hawaii and the divers flying to Florida.

The Honolulu-bound swimmers have two meets on their schedule, swimming against Hawaii on Dec. 16, and Harvard on Dec. 22. It will be the second time this season the Gophers have faced Hawaii. Minnesota defeated the Rainbow Wahines last month in a dual meet at Gillette, Wyo. 255-100. The swimmers will return on Dec. 24.

Diving coach Doug Shaffer is training the men's and women's diving teams in Orlando, Fla. at the Justis Aquatic Center and will also have two meets. The Gophers will face the Kenyon Diving Team of Orlando Dec. 20 and will face the Pittsburgh in a co-ed meet in Boca Raton Dec. 21. The Gophers will begin platform diving practice in Orlando and will continue that training in Rochester, Minn. on a weekly basis when they return home Dec. 22.

(for immediate release)

December 13, 1989

THREE GOPHERS NAMED ALL-REGION IN VOLLEYBALL -- Senior co-captains CHRIS SCHAEFER (FLORENCE, KY) and SHARON OESTERLING (FRANKFORT, IN) were both named first team all-Mideast Region by the American Volleyball Coaches Association and senior LORI MILLER (WORTH, IL) was named to the third team.

VOLLEYBALL TEAM'S SEASON ENDS AT MIDEAST REGIONAL -- The Minnesota volleyball team lost to No. 1 Mideast seed Nebraska 10-15, 15-11, 13-15, 12-15 in the semifinals of the NCAA Mideast Regional Friday at Lincoln, Neb., ending the team's hope of advancing to the national semifinals in Honolulu.

After losing game one, the Gophers battled back to tie the match at one game apiece with a comeback win in game two. Trailing 11-1, Minnesota scored 14 straight points to win 15-11. After losing game three 13-15, the Gophers held leads of 4-1, 7-2, and 10-6 in game four before the 'Huskers evened the score at 11. Nebraska scored the next point to take its first lead and held on to win the game and match.

Minnesota was led by Schaefer and Oesterling. Schaefer hit .365 and led the Gophers with 20 kills and also had 11 digs. Her strong play earned Schaefer most valuable player honors for the regional round of the tournament. Oesterling had 54 assists, hit .500 (5-1-10), and had three service aces. Sophomore KAREN LUSHINE (ROSEVILLE, MN) had 15 kills and hit .400 for the Gophers. Nebraska outhit the Gophers .321 to .244.

There were 2,361 fans on hand at the Nebraska Coliseum to watch as the 'Huskers raised their season record to 27-3. Nebraska defeated Illinois in three straight Saturday to advance to Honolulu.

A LOOK AT THE GOPHERS SEASON -- The 1989 Gophers (29-9, 13-5) won more matches than any other Minnesota team during Stephanie Schleuder's eight years as head coach. The Gophers tied for second in the Big Ten with Illinois, finishing behind Ohio State, and were ranked 16th in the final NCAA poll.

Minnesota opened the season by going 5-0 and winning the George Washington Invitational. Later, a nine-match winning streak was highlighted by a 3-2 upset win on Sept. 23 over sixth-ranked Illinois in Champaign, Ill. The Gopher victory snapped the Illini's 37-match conference winning streak and the match was broadcast tape-delayed on ESPN. It was the first college women's regular season volleyball match ever to be nationally televised.

After defeating Iowa 3-0 on the road for its ninth straight win, Minnesota traveled to Columbus, Ohio, where the streak was snapped in a 3-1 loss to Ohio State. The Gophers rebounded to win three in a row but were then victimized by injuries to several key players, including Chris Schaefer, who missed four matches after undergoing emergency hernia surgery. Despite the injuries, the Gophers managed to go 2-2 without Schaefer and were still in the thick of the conference race.

A 3-2 win over Indiana on Nov. 10 upped Minnesota's conference record to 9-3 and set the stage for a Nov. 11 showdown with Big Ten leader Ohio State. The Buckeyes won 3-1, but a milestone was set when 5,011 fans showed up. The attendance was a school record and the nation's second-largest crowd of the 1989 regular season.

Minnesota then lost a road game at Wisconsin before finishing the regular season on a positive note by defeating Northwestern on the road and Illinois and Purdue at home. The Gophers' 28-8 record, along with a strong conference and national showing, earned the team its first-ever NCAA postseason berth. In the first round, a hometown crowd of 4,969 watched as Minnesota (29-8 overall, 13-5 Big Ten) defeated Colorado 15-11, 16-14, 15-11.

TEAM SEASON RECORDS FALL -- The Gophers broke team records this season for most kills, total attacks, block assists and digs. Minnesota had 2,270 kills, bettering the old mark of 2,176 set in 1981 and 5,916 total attacks, breaking the previous record of 5,621, also set in 1981.

Defensively, the Gophers had 500 block assists, breaking the old mark of 448 set in 1985. Minnesota also topped its previous high in digs, finishing with 2,592, shattering the former record of 1,872 set in 1987.

1989 INDIVIDUAL NOTES, HIGHLIGHTS -- Schaefer's 52 attack attempts against Nebraska gave her 4,920 for her career, two more than Andrea Gonzalez's previous school record of 4,918. Schaefer, who led or tied for the team kill lead in 25 of 38 matches, finished her career with 1,896 kills, second to Gonzalez's 2,140 on the all-time school list. She had more than 500 kills (560) for the third straight year.

An All-Big Ten pick for the second straight year, Schaefer broke her own school season dig record by racking up 495. The previous record was 384. She led the Big Ten with a 4.23 dig/game average and was fourth in kills (4.66/game). To go along with the all-conference and all-region honors, she was also named to the Big Ten's All-Academic team. Joining her as an All-Big Ten, Big Ten All-Academic, and All-Mideast Region selection was Oesterling.

Oesterling set school season and career records for most service aces, finishing with 113 this season and 314 in her career. She also set personal career bests in assists (1,725) and digs (431) while hitting a career-high .346. Oesterling ranks third on the all-time NCAA assist list with 6,024.

Besides being third team All-Mideast Region, outside hitter Lori Miller was also honorable mention All-Big Ten. She had a career-high 511 kills, becoming just the fourth Gopher to reach 500 in a season. Miller hit .262, best on the team among players who played in at least 60 percent of the team's matches, and had 101 total blocks, the third straight year she has reached the century mark. She averaged 3.57 kills per game (second on the team) and 4.08 per game in the Big Ten (eighth in the conference).

Karen Lushine missed most of the season's first half with assorted injuries but came on to be one of the team's hottest players down the stretch. She hit .429 in her last seven matches, with 93 kills (3.58/game) and 37 blocks (1.42) during that span. For the season, she hit .318 and averaged 1.11 blocks per game.

Senior KAREN STAAB (PALATINE, IL) was a top reserve and part-time starter in both the front and back rows. She recorded career highs in digs (280) and service aces (44). Staab finished her career fourth on the school's all-time career dig list (773) and fifth on the all-time service ace list (134).

Freshman BECKY LINDBERG (FOREST LAKE, MN) earned a reputation as one of the team's most intense players and finished the season with 341 kills, most by a Gopher freshman since 1985, and 389 digs, the most-ever by a Gopher frosh. Three other rookies made names for themselves also, middle blocker HEATHER BENNING (WINONA, MN) and outside hitters EMILY AHLQUIST (PLYMOUTH, MN) and ANGIE HANNA (FORT WAYNE, IN).

Benning, a middle blocker, was third on the team with 91 total blocks (0.67/game average). **Ahlquist** proved to be an excellent passer and totaled 172 digs while playing primarily in the back row. **Hanna**, too, played mostly in the back row. She had 219 digs and averaged .343 service aces/game in the Big Ten.

Junior middle blocker **DAWN THOMPSON** (PORTAGE, MI), the team's leading blocker (0.96/game), was also a Big Ten All-Academic selection. **Thompson** had a career-best 125 total blocks, which was the eighth-highest single season total ever at Minnesota.

SUNDAY IS JENNY ZELLER'S HOMETOWN DAY -- Several citizens of the town of Faribault, Minn. will arrive at Williams Arena Sunday afternoon for Jenny Zeller's "Hometown Day." Zeller, a sophomore guard on the Gopher basketball team, will be honored as part of the women's athletic department's "Hometown Day" campaign when Minnesota takes on Illinois at 2:00 p.m. The award-winning Faribault Senior High School danceline will perform at halftime.

The department, in conjunction with WCCO Radio, is recognizing 16 women athletes in all nine sports during the 1989-90 season as part of the "Hometown Day" campaign. The campaign is designed to salute the state's finest women student-athletes on a selected home date in each sport, and the entire town is invited to attend the event and participate in the ceremony.

BASKETBALL

GOPHERS OPEN BIG TEN HOME SCHEDULE — The Minnesota women's basketball team will open the home portion of its Big Ten schedule Friday against 11th-ranked Purdue at 7:00 p.m. The Gophers will face Illinois on Sunday at 2:00 p.m.

The Gophers returned from Michigan with a Big Ten record of 0-2 after losing 70-53 to Michigan and 77-52 to Michigan State. Minnesota stayed with the Spartans until halftime in Sunday's game as their defensive attack held MSU to 32.5 percent shooting from the field in the first half. The halftime score read 32-30 in favor of MSU, but the Spartans went on a 14-2 run to open the second half and soon ran up a 24-point lead.

ROAD WOES CONTINUE — Playing on the road has not been very pleasant for the Gophers since last season. Minnesota was 0-14 away from Williams Arena last season and has failed to pick up a road win this season, although the team did pick up two neutral site victories at the Oklahoma Tournament when they defeated Arkansas State and Sam Houston State.

BOILERMAKER BRIEFS -- Purdue (9-2, 1-0 Big Ten) will no doubt give the Gophers their toughest competition to date. The Boilermakers are ranked 11th in the latest Associated Press poll and have scored wins this season over ranked teams such as Penn State and Auburn. Their two losses came at the hands of No. 1-ranked Louisiana Tech (66-50 at LA Tech) and No. 4-ranked Texas (89-61 at Texas). Purdue won its first Big Ten encounter over the weekend against Illinois 89-64.

LAST YEAR -- Purdue finished third in the Big Ten for the second straight season with a school-best 14-4 record and a ranking of 15th in the AP poll. The Boilermakers achieved their second straight 20-win season and participated in their first-ever NCAA Tournament.

WATCH FOR -- Sophomore guard **MaChelle Joseph** ripped the nets for 31 points against Illinois on Sunday. Joseph was 14-of-25 (.560) from the field and 3-of-5 (.600) from the free throw line. She was also given credit for nine assists and three steals in 33 minutes of play. Joseph leads Purdue in scoring (21.7 points/game) and in assists (4.7 assists/game). Through the non-conference season, Joseph, last year's Big Ten Freshman-of-the-Year and a second-team All-Big Ten selection, ranked second in scoring. Junior forward **Joy Holmes**, an All-Big Ten first team selection a year ago, scored 19 points against the Illini while snaring 12 rebounds, two assists, two blocked shots and three steals in 28 minutes of play. Holmes was tied for sixth in scoring in the conference last week (16.1 points/game) and ranked fifth in free throw percentage (.814); seventh in field goal percentage (.505); third in blocked shots (1.2 blocks/game); and was tied for eighth in rebounding (7.3 rebounds/game).

SERIES -- Minnesota leads 8-7, but Purdue has won the last six in a row and seven of the last eight. Last season's scores, both in favor of the Boilermakers, were 88-67 in West Lafayette, Ind. and 82-79 in Minneapolis.

THE COACH -- Lin Dunn (Tennessee-Martin '69) is in her third year at Purdue with a 54-18 (.750) record with the Boilermakers. She is in her 20th year of coaching with an all-time record of 295-207 (.588).

GOPHER NOTES --

SHOOTING OFF — It wasn't the world's greatest weekend in shooting percentages as Minnesota shot just 35.8 percent (19-53) against Michigan while the Wolverines shot a sizzling 62.2 percent (28-45). Against Michigan State, Minnesota hit 35.9 percent (23-64) of its shots while the Spartans shot 41.2 percent (28-68).

BERGIN UPS PLAYING TIME — Senior center **LEA BERGIN** (MINNEAPOLIS, MN) played 30 minutes against Michigan and led the Gophers with 11 rebounds. She is now averaging 8.2 rebounds per game, ranking third in the Big Ten. She also scored 10 points against the Wolverines.

KRAMER LEADS AGAINST MICHIGAN STATE -- Despite fouling out during the Michigan State contest, junior forward **ELLEN KRAMER** (ROSEVILLE, MN) led the Gophers in scoring with 14 points. She also tallied five rebounds and three assists in the contest.

JOUBERT CONTRIBUTING OFF THE BENCH -- Sophomore forward **DANA JOUBERT** (DETROIT, MI) returned to her home state this weekend and came off the bench to score three points and grab five rebounds against Michigan in 13 minutes of playing time. OLSON DOESN'T MAKE IT TO THE LINE -- Senior guard **JODI OLSON** (BELLEVUE, WA) did not have the opportunity to step to the free throw line this weekend and therefore, no chance to extend her free throws-made streak. Olson has made 28 straight free throws since Nov. 28. Olson scored 11 points against Michigan State on Sunday, including nine from three-point range.

FIELDS SAYS — "We were very prepared for both games this past weekend, we just didn't execute the way we know we can. We have to go back and work harder on fundamentals and our mental toughness. We won't be making any major changes in personnel, but we may incorporate a few new offensive things this week."

COACH FIELDS' RECORD -- Minnesota head coach LaRue Fields (Francis Marion '76) carries a three-year Minnesota record of 21-46 (.313) and a 144-107 (.574) ten-year career mark.

GYMNASTICS

GYMNASTICS TEAM TO FACE NATIONAL POWER UCLA — The Gopher women's gymnastics team will travel west this week for a meet at UCLA on Friday.

Last season UCLA finished second at the NCAA national championship meet. With only three seniors from that team having completed their eligibility, the Bruins should be a contender for the national title once again.

Cal-State Fullerton has cancelled a meet that Minnesota was tentatively scheduled to compete in on Sunday.

WATCH FOR — Among the UCLA newcomers this season is Coon Rapids native **Rhonda Faehn**, a freshman who trained under Bela Karolyi and was an alternate on the 1988 United States Olympic team. The list of standouts goes on. Senior **Kim Hamilton** was the national champion on the vault last season and tied for the floor exercise title. Senior **Jill Andrews** tied for first on the balance beam and finished second on the vault while tying for fourth all-around.

SERIES — UCLA leads 5-1. The Bruins have won three straight with Minnesota's last win coming in 1985.

GOPHERS BEAT WINONA STATE WITH BEST OPENING SCORE IN SIX YEARS — Minnesota defeated Winona State for the 10th straight time without a loss and for the second straight year in the Gophers' season opener. Minnesota outscored the Warriors 179.10-171.50. The Gophers' previous high score in a season opener was the 178.40 it scored last year against Winona State.

Minnesota outscored Winona State on every event with the Gophers' best events being the vault (45.70) and floor exercise (45.30).

ROETHLISBERGER ALL-AROUND WIN HIGHLIGHTS INDIVIDUAL ACHIEVEMENTS — Senior co-captain **MARIE ROETHLISBERGER** (AFTON, MN) scored a 37.35 to win the all-around for the 15th time in 35 career meets as a Gopher. She placed first on the uneven bars with a 9.75 and first on the balance beam with a 9.45.

Junior **CATHY ZOLKOWSKI** (NEENAH, WI) finished second all-around with a score of 36.65 which tied the career high she set last season against Winona State. **Zolkowski** won the vault competition with a career-high 9.65 and also placed first on the floor exercise with a 9.35. Junior **KATHY NESS** (COON RAPIDS, MN) finished second on the bars (9.15) and beam (9.15).

Four freshmen, **KRISTIN ALLSTADT** (APPLE VALLEY, MN); **MONIKA JUHASZ-NAGY** (BUDAPEST, HUNGARY); **DAWN KETCHER** (BROOKLYN PARK, MN); and **CHRISTY SPECK** (MINNETONKA, MN), made their Gopher debuts.

Allstadt had a top score of 8.95, **Juhasz-Nagy** had a top score of 8.85, and **Speck** had a high mark of 8.95, all three of which came on the vault. **Ketcher** scored a 9.15 on the vault and floor exercise, finishing second on both events.

Senior co-captain **JULIE NEWMAN** (LAKEVILLE, MN) performed exhibitions on the vault, bars, and beam.

SWIMMING & DIVING

SWIMMERS AND DIVERS ON THE ROAD – The Gopher swimming and diving team (3-3, 0-1 Big Ten) travels to Michigan State and Eastern Michigan this weekend for three meets. On Saturday, Minnesota faces Michigan State and Purdue at East Lansing, Mich. in a double-dual meet, and then travels to Ypsilanti, Mich. for a dual meet with Eastern Michigan on Sunday.

"Purdue is probably the strongest team we'll face," says head coach Jean Freeman. "Their best event, the 200 butterfly, is one of our weakest. The Gophers will have to swim well to beat them. I expect to come home with three wins."

"Michigan State will challenge Minnesota in one-meter diving," says head diving coach Doug Shaffer. "The Spartans Julie Farrell is the U.S. National one-meter diving champ, so we have our work cut out for us."

GOPHERS CRUISE TO EASY WIN AT GOLD COUNTRY INVITATIONAL– More first, second and third places went to Minnesota swimmers and divers than any other team as the Gophers easily won the six-team Gold Country Invitational this past weekend at Minnesota's Cooke Hall pool. Minnesota won 15 of the 17 events to score 842 points. Iowa State was second with 320; St. Olaf third with 164; Mankato State, fourth with 151; St. Cloud State, fifth with 147 and Hamline was sixth with 85.

Three Gophers were double-event winners with five others earning first places. Sophomore **LINDA OEGEMA** (DEDEMSVAART, HOLLAND) won the 200 free (1:55.79) and 500 free (5:05.15). Senior **UTA HERRMANN** (HERNEL, WEST GERMANY) touched the wall first in the 200 butterfly (2:11.24) and 200 individual medley (2:12.75). Sophomore **LYNN NEWTOWN** (INVER GROVE HEIGHTS, MN) won the 400 individual medley (4:33.38) and the 1650 free (16:46.01). Newton's 1650 free time was a new Cooke Hall pool record, breaking her own 1989 record of 16:56.46 by over 10 seconds.

Individual events winners included sophomore **CASS MOE** (BURNSVILLE, MN) in the 100 backstroke (1:00.85) senior **TAMIGREWENOW** (BURNSVILLE, MN) in the 100 breaststroke (1:06.04), freshman **LAURA HERMAN** (HALES CORNER, WI) in the 100 butterfly (1:00.72), sophomore **KRISTIN GUNARD** (ROSEVILLE, MN) in the 200 backstroke (2:13.55) and junior **ANNE ELDEGARD** (OSLO, NORWAY) in the 200 breaststroke (2:25.63). Minnesota's 200 medley relay team (1:49.79) of Moe, Grewenow, Herrmann and junior **KIM VOGEL** (MOUND, MN) was victorious as was the 200 free relay (1:39.47) team of sophomore **STACEY NIEDENFUER** (ALEXANDRIA, MN) Herman, Oegema and Herrmann.

DIVERS SWEEP BOTH BOARDS– The Gopher divers swept both the one- and three-meter boards at the Gold Country Invitational with senior **JULIE SULLIVAN** (WEST ST. PAUL, MN) winning the one-meter board with 272.30 points. Junior **LISA DAVIS** (AUSTIN, MN) out-scored all comers in three-meter diving with 275.70 points.

"The entire diving team had an excellent competition," says Shaffer. "We are on track for the goals we have set for the season."

FREEMAN COMMENTS – "I'm really happy with the results of the meet," says Freeman. "This was our last chance of the year to swim people in their non-specialty events and I was pleased with the results. We set nine meet records, one pool record and the swimmers had 58 season-best times."

FIELDS ANNOUNCES RESIGNATION AS HEAD WOMEN'S BASKETBALL COACH

Minneapolis, Minn. — University of Minnesota head women's basketball coach LaRue Fields announced her resignation at a news conference Monday (Jan. 15) effective June 30, 1990. Fields, 36, said she is resigning to pursue new career opportunities outside of coaching.

"I would like to look at other new challenges where I can contribute to society with the skills I've learned in twelve years of coaching," said Fields. "I've had a great experience at the University of Minnesota and I am grateful for the opportunity to have served as head women's basketball coach."

Fields first joined the department in 1985-86 as an assistant coach to Ellen Mosher Hanson. When Hanson resigned the following summer, she was named interim head coach in 1987-88 and was named the head coach and signed to a three-year contract in March of 1988. Her current contract would have expired at the end of the 1990-91 season.

Director of Women's Athletics Chris Voelz said a national search for Field's successor will be conducted with a goal of naming a new coach before the April 11 national letter of intent signing date.

"While LaRue has chosen to end her coaching career, her tenure brought increased discipline, pride, and competitiveness to the Gopher women's basketball team. Off the court, she was a spokesperson and ambassador, not only for women of color, but for all women and for athletics in higher education," said Voelz. "I know she will be successful in another chosen career and we wish her well."

This year's Minnesota team has 13 players out of a possible 15 on scholarship, and five tendered athletes will be completing their eligibility - Juanita Boehland, Jackie Goulet, Jennifer Hall, Jodi Olson and Sue Renner. In addition, Lea Bergin, although not on scholarship, will have used up her eligibility. Seven scholarships are still available for next year. The Gophers signed 6-0 forward Carol Ann Shudlick of Apple Valley, Minn. during November fall signing.

FIELDS AT MINNESOTA — The Gophers are 6-8 overall and 1-3 in the Big Ten this season and will host No. 10-ranked Iowa Friday, Jan. 14 at 7 p.m. Fields three year record at the U is 22-47 (.319) and her Big Ten record is 10-30 (.250). Overall, she is in her tenth year as a head coach with a 140-108 (.565) mark.

Fields inherited a program that had dropped from a third place finish in the Big Ten in 1984-85 (18-10 overall, 13-5 in league play) to ninth place in Hanson's last year, 1985-86 (8-20 overall, 4-14 in the Big Ten). In her first season as interim coach (1987-88), Fields took the Gophers to one more Big Ten win (9-18, 5-13) despite being short the teams' leading scorer and rebounder from the previous year, Molly Tadich (19.5 ppg/9.6 reb.).

Her team won the Dial Soap Classic Championship in 1987-88 for the first time since 1982, and repeated the honor in 1988-89 when they went 7-21 and 4-14 in the conference. This year, the Gophers won the season opening Sooner Thanksgiving Classic at Oklahoma. Fields players won five Academic All-Big Ten awards and three were named honorable mention all-Big Ten the past two years.

In addition to her coaching responsibilities, Fields served on the Board of the Bridge, a center for runaway youth in Minneapolis, and on the Minneapolis Park and Recreation Board. She coached at the University basketball sport camp last summer, and has been an active public speaker in the community.

BACKGROUNDING COACH FIELDS — Prior to coming to Minnesota, Fields served for seven years as Coordinator of Women's Sports and head women's basketball coach at Morgan State University in Baltimore, Md. In addition to her administrative and coaching duties, she was a full-time faculty member in the Health and Physical Education Department.

In her seven seasons at Morgan State, Fields compiled a 110-53 mark, for a .675 winning percentage. Her teams appeared at five regional and two national tournaments in Division II of the former Association for Intercollegiate Athletics for Women (AIAW). She coached Morgan State teams to three 20-plus win seasons and in 1980-81 her squad was 24-4, ranked in the nation's top-twenty, and Fields was named "Coach of the Year".

Fields earned her B.A. degree in sociology from Francis Marion College in Florence, S.C. just outside of her hometown - Effingham, S.C. She then served as a graduate assistant at Salisbury State College in Maryland while earning her master's degree in education. Fields has coached at various camps and clinics, was a member of the AIAW Division II All-American basketball committee, and has been both a faculty advisor and counselor.

In Newark, N.J. Fields began playing basketball in the playgrounds because her high school did not have a team until her senior year. The late start did not hurt her playing career, however, as Fields went on to become the first women's basketball All-American at Francis Marion College. She still holds the FMC record for most rebounds in a game, with 32 against the University of South Carolina in 1976.

Fields is the fourth of five children of Norman and Gertrude Fields, and her sister Rosita is the head women's basketball and volleyball coach at the University of Maryland - Eastern Shore.

BASKETBALL CONTINUED --

HAWKEYE HAPPENINGS -- Iowa (10-4, 2-2 Big Ten) fell three spots to No. 13 in the AP Top 25 poll this week after losing 66-63 to Purdue, now ranked seventh. Holes left by graduates Shanda Berry and Robin Christian, as well as increased parity in the Big Ten, are two of the reasons for the Hawks' place of fifth in the Big Ten at the present. Three of the four Hawkeye losses have come at the hands of ranked teams such as No. 1 Louisiana Tech (85-82), No. 17 South Carolina (82-76) and No. 7 Purdue (66-63). Michigan State, tied for third in the Big Ten, handed the Hawkeyes a 62-61 defeat in the league's first weekend of action.

LAST SEASON -- Iowa and Ohio State tied for the Big Ten title with 16-2 conference marks while Iowa finished 27-5 overall, advancing to NCAA post-season tournament action for the fourth straight season. There they defeated Tennessee Tech in the second round, but lost to Stanford in the Midwest Regional.

WATCH FOR -- An all-around threat comes into Williams Arena in the form of senior All-American forward **Franthea Price**. Price can run the floor as well as any guard in the Big Ten and currently ranks second in scoring in the conference with a 24.5 points/game average. Price is also second in rebounding with a 10.3 rebounds/game average and ranks fifth in free throw percentage (.750), sixth in three-point shooting (.412) and is tied for third in steals (3.0/game). Directing the Iowa offense is 5-4 senior guard **Jolette Law**, a 1989 All-Big Ten first-team selection. Law ranks 17th in league scoring with a 13.3 points/game average.

THE SERIES -- It's a long and storied one with the Hawkeyes holding a 14-11 edge, having won the last 11 games in a row since the 1983-84 season. Prior to that, Minnesota had won eight in a row dating back to the 1979-80 season.

THE COACH -- 1988 Converse Coach-of-the-Year Vivian Stringer enters Friday's game with a 151-41 (.786) record at Iowa and a remarkable career record of 402-92 (.814).

GOPHER NOTES --

HALL HAS CAREER-WEEKEND -- Senior forward **JENNIFER HALL** (BURNSVILLE, MN) played the game of her career Sunday against Illinois, scoring a career-high 30 points on a 9-of-9 shooting performance from the field, 12-of-13 from the line. Hall also recorded a game-high eight rebounds to go along with two assists. Friday night, she hit for 14 points and recorded six rebounds, two assists, two steals and a blocked shot. For the weekend, Hall shot 82.4 percent (14-17) from the field and 94.1 percent (16-17) from the line.

MILESTONES -- With her 44 points over the weekend, Hall moved into 13th-place on the all-time Gopher scoring list with 768 points behind Mary Dressen (1980-84), who is in 12th-place with 797 points. Hall's 12 free throws made against Illinois tied the Williams Arena record.

KRAMER LEADS AGAINST PURDUE -- Junior forward **ELLEN KRAMER** (ROSEVILLE, MN) scored a season-high 20 points against Purdue Friday night and snared a game-high eight rebounds. Against Illinois, Kramer scored 13 points and recorded seven rebounds. She currently ranks 14th on the career rebounding charts with 432 rebounds and needs 13 boards to move up a notch.

GOULET GETS HOT -- Senior forward **JACKIE GOULET** (MIDLAND, MI) fired up against Illinois and made all five of her field goal attempts to account for 10 points, marking the first time she has scored in double figures since Dec. 16 against Sam Houston State.

DILLON SEES FIRST ACTION OF HER CAREER -- Red-shirt freshman **JENNY DILLON** (GREENFIELD, IN) played in her first collegiate game Friday against Purdue. Dillon, hampered by a knee injury the past season, got her name into the statistics with a defensive rebound and a foul in one minute of playing time.

OLSON'S FREE THROW STREAK ENDS -- With a miss late in the second half, senior guard **JODI OLSON**'s (BELLEVUE, WA) free throws-made streak of 32 straight since Nov. 28 came to an end. Olson is shooting 94.2 percent (49-52) from the line for the season and 88.9 percent (8-9) in Big Ten games.

COACH FIELDS' RECORD -- Minnesota head coach LaRue Fields (Francis Marion '76) carries a three-year Minnesota record of 22-47 (.319) and a 145-108 (.573) ten-year career mark.

The department, in conjunction with WCCO Radio, is recognizing 16 women athletes in all nine sports during the 1989-90 season as part of the "Hometown Day" campaign. The campaign is designed to salute the state's finest women student-athletes on a selected home date in each sport, and the entire town is invited to attend the event and participate in the ceremony.

TRACK & FIELD

GOPHERS SET TO DEFEND REEBOK TITLE -- The Minnesota women's track and field team will attempt to defend its 1989 Reebok Invitational title Saturday at the U of M Field House. The meet begins at 5:00 p.m. Competition will come from Brigham Young, Drake, Iowa, Iowa State, Northern Iowa, Manitoba, Rice and Texas-San Antonio.

BRIGHAM YOUNG -- Senior Chris Wilson, an All-American high jumper, finished sixth at the NCAA outdoor meet last season. Wilson holds the BYU varsity record of 6-2 and is the only BYU female athlete to have qualified for NCAA competition in two sports (the other was diving). Senior Alisa Wise is another top performer and owns the school triple jump record of 36-5, set in Logan, Utah last week.

DRAKE -- Two-time Gateway Conference cross country champion Karla Burds headlines the Bulldogs lineup. Burds was named most valuable at the 1989 Gateway Conference indoor meet when she won the 1000 meters, the mile and anchored the winning two-mile relay team. Three-time All-Gateway Conference runner Karla Zylstra will also be competing. Zylstra holds three varsity indoor records, including the 1000m (2:45.31), the 1500m (4:25.7) and the mile (4:50.17).

Senior **Rachelle Roberts** reached All-American status last season as a member of the 4 x 800-meter relay team. She finished second in the mile at Purdue last weekend.

IOWA STATE -- Junior **Edith Nakiyingi**, a three-time All-American and defending NCAA indoor 800m champion, will lead the Cyclones. Nakiyingi owns the NCAA indoor 800m record of 2:05.68. SWIMMING & DIVING

GOPHERS TO HOST ST. OLAF, NORTHWESTERN IN CO-ED MEETS — The Minnesota men's and women's swimming and diving teams will play host to St. Olaf Friday night at 6:00 p.m. and the Northwestern Wildcats Saturday at 12:00 p.m.

The Gopher women (6-3, 2-1 Big Ten) lead the series with the Oles 2-0, with their last meeting coming during the 1976-77 school year. Minnesota has a 7-3 record against Northwestern. The Gophers have dropped their last three meets to Northwestern (7-1, 3-1 Big Ten) and according to Minnesota head coach Jean Freeman, "On paper, Northwestern is faster in every event but the 400 I.M., but we're not swimming it this weekend. We'll be using our strongest line-up and we'll be out for a victory."

GOPHERS SWAMP THE SIOUX INVITE — The swimmers literally swamped all their opponents at the North Dakota Sioux Invitational this past weekend by 351 points as they won the meet with 1,039 points. North Dakota was second with 688 points. Minnesota set three individual and four North Dakota pool records during the two-day event. Individual pool records went to **UTA HERRMANN** (HERNEL, WEST GERMANY) in the 200 backstroke (2:08.23), **LINDA OEGEMA** (DEDEMSVAART, HOLLAND) in the 200 breaststroke (2:22.40) and **LYNN NEWTON** (INVER GROVE HEIGHTS, MN) in the 400 I.M. (4:32.20). Relay team records went to the 800 free relay (7:43.85) of Oegema, **KRINA KABANUK** (FARGO, ND), **SABINE WESTHOFF** (STUKENBROCK, WEST GERMANY) and Newton; the 400 medley relay (4:00.09) of Herrmann, **TAMI GREWENOW** (BURNSVILLE, MN), **SHANNON HERINGER** (BEAVERTON, OR) and Westhoff; the 200 medley relay (1:49.18) of **CASS MOE** (BURNSVILLE, MN), Grewenow, Heringer and **LAURA HERMAN** (HALES CORNERS, WI); and the 400 free relay (3:33.80) of Oegema, Herman, **STACEY NIEDENFUER** (ALEXANDRIA, MN) and Westhoff.

TENNIS

GOPHERS HOST MINNESOTA QUAD—The Gopher women's tennis team will be hosting the Minnesota Quad at the Burnsville Racquet Club Jan. 26-28. The quad will feature Northern Illinois on Friday, Western Michigan on Saturday and Iowa State Sunday.

HIGHLIGHTING MINNESOTA—Minnesota enters the quad with a 43-33 overall singles record and 68-39 overall doubles record. Sophomore **JENNIE MOE** (EDINA, MN) leads the Gophers in singles with a 9-3 record while junior **LIBBY NELSON** (WAYZATA, MN) has compiled a 13-3 doubles record thus far. Freshman **JANICE IGESUND** (ALBERTON, SOUTH AFRICA), Minnesota's new player, has not yet competed in singles with the Gophers but is ranked in the top five singles players in South Africa.

NETTERS DOMINATE DOUBLES COMPETITION—The Gopher women's tennis team took control early in the Gopher Doubles Tournament at the Burnsville Racquet Club by winning six of seven matches the opening day. Minnesota never looked back as they finished the tournament with a 20-5 overall record.

FOUR POST BIG WINS FOR GOPHERS—Sophomores **JENNIE MOE** (EDINA, MN) and **SOFIE OLSSON** (ASMUNDTORP, SWEDEN) teamed up to go 6-1 during the tournament which gives each of them a 12-5 overall doubles record. Junior **LIBBY NELSON** (WAYZATA, MN) and freshman **VICKY KOLARIC** (WILLOUGHBY HILLS, OH) won four straight matches, three of which were on the same day. Their record improved to 4-2.

GYMNASTICS

GYMNASTICS TO COMPETE IN MIXED PAIRS MEET — The Minnesota women's gymnastics team will compete in an intrasquad mixed pairs competition with the Gopher men's team Saturday at 1 p.m. at Williams Arena. The format of the meet will have one male and one female gymnast compete as a pair with several pairs competing for the title. The Gopher women will continue the regular season with a home dual meet Feb. 4 against Utah State at 7 p.m. at Williams Arena.

RECORDS FALL IN TRIANGULAR MEET AGAINST ALABAMA, WISCONSIN — Minnesota knew it needed a strong performance Saturday if it was to beat Alabama and Wisconsin, and although the Gophers scored a season-high 184.40, it wasn't enough to knock off the Crimson Tide or Badgers. Alabama won the meet with a Williams Arena record team score of 188.40 and Wisconsin finished second with a score of 185.30. The Tide also set team arena records in the vault (47.65) and uneven bars (47.85) while Wisconsin set a new arena mark in balance beam competition (47.25).

Despite the loss, there is reason for optimism as the Gophers' team score was the highest ever by Minnesota in the season's third meet. Minnesota set team season standards on the vault (46.90), bars (45.20), and beam (46.20).

ZOLKOWSKI HAS CAREER BEST MEET — Gopher junior **CATHY ZOLKOWSKI** (NEENAH, WI) finished second all-around with a career-high score of 37.95. Among Zolkowski's event scores were a 9.55 on the vault, a 9.10 on the bars, a career-best 9.55 on the beam, and a career-best 9.75 on the floor exercise. The latter mark was an arena record and also tied the school record set by **Marie Roethlisberger** in 1987. **ROETHLISBERGER** (AFTON, MN) tied for second on the uneven bars with a 9.65 while Zolkowski and junior **KATHY NESS** (COON RAPIDS, MN) each scored 9.55 on the beam, tying for second on that event. The Gopher freshmen who competed showed continued improvement on each event. **CHRISTY SPECK** (MINNETONKA, MN) scored a personal-best 9.40 on the vault, while **DAWN KETCHER** (BROOKLYN PARK, MN) and **MONIKA JUHASZ-NAGY** (BUDAPEST, HUNGARY) also set new personal highs on the vault, with a 9.35 and 9.25, respectively. **KRISTIN ALLSTADT** (APPLE VALLEY, MN) scored a 9.35 on the floor exercise and a personal-best 9.15 on the vault.

Sunday at 2:00 p.m. The Gophers will be trying to get a Big Ten win on the road for the first time since March 9, 1988 when they defeated Wisconsin 73-71 in Madison, Wisc. BUCKEYE BRIEFS -- Ohio State (10-6, 4-2 Big Ten) received votes in Monday's AP poll after defeating then 9th-ranked Purdue 82-68 in West Lafayette, Ind. The Buckeyes may have been able to make a case for cracking the top 25 had they not turned around and lost to Illinois (6th in Big Ten) on Sunday 69-66 in overtime. Ohio State has four newcomers in its starting lineup this season and return eight letterwinners from last year's co-Big Ten championship team.

LAST SEASON -- Ohio State and Iowa tied for the Big Ten title with 16-2 conference marks while Ohio State finished 24-6 overall, advancing to NCAA post-season tournament action where they defeated James Madison, but lost to Long Beach State in the NCAA East Regional.

WATCH FOR -- An outstanding recruit in freshman guard **Averrill Roberts** has shored up the Buckeye back court this season. Roberts leads the team in Big Ten scoring with a 15.2 points/game average. Roberts is shooting .500 (34-68) from the field and .710 (22-31) from the line in Big Ten play. Big Ten honorable mention selection **Nicole Sanchez** leads the team in rebounding with an 8.2 rebounds/game average and is second in scoring with a 13.8 points/game average. Sanchez is hitting 90.6 percent (29-32) of her free throws and 46.6 percent (27-58) from the floor. Two other Ohio State players are scoring in double digits. Senior center **Mindy Smith** is hitting 14.0 points/game while shooting 59.3 percent (35-59) from the field. Meanwhile, junior forward **Vicki Pullie** is averaging 12.0 points/game and 6.7 rebounds/game.

THE SERIES -- Ohio State has won the last 13 in a row and leads the all-time series 17-3. Minnesota's last win over the Buckeyes came in 1982-83 when they defeated Ohio State 68-56 at Williams Arena. Last year, Ohio State went over the century mark both times they played Minnesota, defeating the Gophers 106-82 in Minneapolis and 103-71 in Columbus, Ohio.

THE COACH -- Nancy Darsch (Springfield '73) is in her fifth season at Ohio State and holds a 108-29 (.788) record with the Buckeyes.

BASKETBALL CONTINUED --

HOOSIER HAPPENINGS -- Indiana (8-8, 2-4 Big Ten) dropped both of its games over the weekend, losing to Illinois 78-63 and Purdue 73-45. The Hoosiers are currently tied with Michigan for seventh place in the Big Ten and hold conference victories over Michigan and Wisconsin. The Hoosiers turned a 1987-88 record of 12-16 around to 16-12 last year and have brought in some of the top recruits in the country to try to become a Big Ten contender. The Hoosiers return eight letterwinners and three starters from last year's squad.

LAST SEASON -- Indiana finished fourth in the Big Ten with a 9-9 conference record, 16-12 overall, ending up just behind the "big three" of Iowa, Ohio State and Purdue.

WATCH FOR -- Senior forward Zandrea Jefferies leads the team in scoring, averaging 17.3 points/game and is shooting 42.4 percent (36-85) from the floor and 71.1 percent (32-45) from the line. Jefferies led all scorers against Purdue with 21 points and also snared 11 rebounds. Against Illinois, Jefferies scored 21 points and accounted for seven rebounds and five steals. She also leads the team in rebounding with an average of 8.5 rebounds/game. Junior center Pam Owens is scoring 9.5 points/game and recording 7.7 rebounds/game while the Hoosier backcourt duo of sophomore Tisha Hill and freshman Courtney Cox are averaging 8.4 and 7.8 points/game.

THE SERIES -- Minnesota leads the series 12-7 and split with the Hoosiers last season, losing 94-84 in Bloomington, Ind. and winning in overtime at home 86-85.

THE COACH -- Jim Izard (Mississippi '70) is in his second year at Indiana with a record of 24-20 (.545) and a nine-year collegiate coaching record of 187-69 (.730).

GOPHER NOTES --

HALL'S CONSISTENCY IS BRIGHT SPOT — Despite the Gophers' woes in opening the Big Ten season at 1-4, senior forward JENNIFER HALL (BURNSVILLE, MN) has emerged as a consistent leader. Hall is shooting 64.3 percent (27-42) from the field during conference play and has shot 75.9 percent (22-29) in the last three games. Hall led the Gophers against Iowa with 19 points on an 8-of-12 shooting performance, 3-of-4 from the line. She added six rebounds, two assists and a steal.

JOUBERT SEES MORE P.T. — Sophomore forward DANA JOUBERT (DETROIT, MI) has seen increased playing time in the conference season, averaging 15 minutes per contest. Joubert played a career-high 22 minutes against the Hawkeyes, scoring three points and grabbing two rebounds.

KRAMER LEADS ON THE BOARDS — Senior forward ELLEN KRAMER (ROSEVILLE, MN) has made her presence felt by opponents under the boards. Kramer snared 10 rebounds against Iowa and is averaging 7.4 rebounds/game to lead all Gophers in Big Ten play. Meanwhile senior center LEA BERGIN (MINNEAPOLIS, MN) is averaging 5.0 rebounds/game in conference play.

TURNOVERS LINGER — The Gophers have not solved their battle against those dreaded turnovers. Minnesota committed 32 miscues against Iowa and the team is now averaging 26.4 turnovers versus 19.0 for their opponents.

COACH FIELDS' RECORD -- Minnesota head coach LaRue Fields (Francis Marion '76) carries a three-year Minnesota record of 22-48 (.314) and a 145-109 (.571) ten-year career mark.

BUCKEYE BRIEFS -- Ohio State (10-6, 4-2 Big Ten) received votes in Monday's AP poll after defeating then 9th-ranked Purdue 82-68 in West Lafayette, Ind. The Buckeyes may have been able to make a case for cracking the top 25 had they not turned around and lost to Illinois (6th in Big Ten) on Sunday 69-66 in overtime. Ohio State has four newcomers in its starting lineup this season and return eight letterwinners from last year's co-Big Ten championship team.

LAST SEASON -- Ohio State and Iowa tied for the Big Ten title with 16-2 conference marks while Ohio State finished 24-6 overall, advancing to NCAA post-season tournament action where they defeated James Madison, but lost to Long Beach State in the NCAA East Regional.

WATCH FOR -- An outstanding recruit in freshman guard **Averill Roberts** has shored up the Buckeye back court this season. Roberts leads the team in Big Ten scoring with a 15.2 points/game average. Roberts is shooting .500 (34-68) from the field and .710 (22-31) from the line in Big Ten play. Big Ten honorable mention selection **Nicole Sanchez** leads the team in rebounding with an 8.2 rebounds/game average and is second in scoring with a 13.8 points/game average. Sanchez is hitting 90.6 percent (29-32) of her free throws and 46.6 percent (27-58) from the floor. Two other Ohio State players are scoring in double digits. Senior center **Mindy Smith** is hitting 14.0 points/game while shooting 59.3 percent (35-59) from the field. Meanwhile, junior forward **Vicki Pullie** is averaging 12.0 points/game and 6.7 rebounds/game.

THE SERIES -- Ohio State has won the last 13 in a row and leads the all-time series 17-3. Minnesota's last win over the Buckeyes came in 1982-83 when they defeated Ohio State 68-56 at Williams Arena. Last year, Ohio State went over the century mark both times they played Minnesota, defeating the Gophers 106-82 in Minneapolis and 103-71 in Columbus, Ohio.

THE COACH -- Nancy Darsch (Springfield '73) is in her fifth season at Ohio State and holds a 108-29 (.788) record with the Buckeyes.

HOOSIER HAPPENINGS -- Indiana (8-8, 2-4 Big Ten) dropped both of its games over the weekend, losing to Illinois 78-63 and Purdue 73-45. The Hoosiers are currently tied with Michigan for seventh place in the Big Ten and hold conference victories over Michigan and Wisconsin. The Hoosiers turned a 1987-88 record of 12-16 around to 16-12 last year and have brought in some of the top recruits in the country to try to become a Big Ten contender. The Hoosiers return eight letterwinners and three starters from last year's squad.

LAST SEASON -- Indiana finished fourth in the Big Ten with a 9-9 conference record, 16-12 overall, ending up just behind the "big three" of Iowa, Ohio State and Purdue.

WATCH FOR -- Senior forward **Zandrea Jefferies** leads the team in scoring, averaging 17.3 points/game and is shooting 42.4 percent (36-85) from the floor and 71.1 percent (32-45) from the line. Jefferies led all scorers against Purdue with 21 points and also snared 11 rebounds. Against Illinois, Jefferies scored 21 points and accounted for seven rebounds and five steals. She also leads the team in rebounding with an average of 8.5 rebounds/game. Junior center **Pam Owens** is scoring 9.5 points/game and recording 7.7 rebounds/game while the Hoosier backcourt duo of sophomore **Tisha Hill** and freshman **Courtney Cox** are averaging 8.4 and 7.8 points/game.

THE SERIES -- Minnesota leads the series 12-7 and split with the Hoosiers last season, losing 94-84 in Bloomington, Ind. and winning in overtime at home 86-85.

THE COACH -- Jim IZARD (Mississippi '70) is in his second year at Indiana with a record of 24-20 (.545) and a nine-year collegiate coaching record of 187-69 (.730).

GOPHER NOTES --

HALL'S CONSISTENCY IS BRIGHT SPOT — Despite the Gophers' woes in opening the Big Ten season at 1-4, senior forward **JENNIFER HALL** (BURNSVILLE, MN) has emerged as a consistent leader. Hall is shooting 64.3 percent (27-42) from the field during conference play and has shot 75.9 percent (22-29) in the last three games. Hall led the Gophers against Iowa with 19 points on an 8-of-12 shooting performance, 3-of-4 from the line. She added six rebounds, two assists and a steal.

JOUBERT SEES MORE P.T. — Sophomore forward **DANA JOUBERT** (DETROIT, MI) has seen increased playing time in the conference season, averaging 15 minutes per contest. Joubert played a career-high 22 minutes against the Hawkeyes, scoring three points and grabbing two rebounds.

KRAMER LEADS ON THE BOARDS — Senior forward **ELLEN KRAMER** (ROSEVILLE, MN) has made her presence felt by opponents under the boards. Kramer snared 10 rebounds against Iowa and is averaging 7.4 rebounds/game to lead all Gophers in Big Ten play. Meanwhile senior center **LEA BERGIN** (MINNEAPOLIS, MN) is averaging 5.0 rebounds/game in conference play.

TURNOVERS LINGER — The Gophers have not solved their battle against those dreaded turnovers. Minnesota committed 32 miscues against Iowa and the team is now averaging 26.4 turnovers versus 19.0 for their opponents.

COACH FIELDS' RECORD -- Minnesota head coach **LaRue Fields** (Francis Marion '76) carries a three-year Minnesota record of 22-48 (.314) and a 145-109 (.571) ten-year career mark.

WILDCAT WHISPERS -- Northwestern (14-2, 6-1, tied 1st Big Ten) is living up to its Associated Press poll ranking of 19th by consistently winning the games that it should be winning. The Wildcats soundly defeated Illinois on Sunday 71-48 in Evanston, Ill. Northwestern played 10th-ranked Purdue tough at home on Friday, before succumbing 79-70 to the Boilermakers. The loss leaves the Wildcats and the Boilers tied for the top spot in the conference with Iowa and Ohio State taking the next two spots.

LAST SEASON -- Northwestern finished a disappointing season with an 11-17 record and tied for sixth in the Big Ten with a 6-12 mark. A series of injuries caused head coach Don Perelli to experience his first losing season in 13 years as a head coach. This year, however, several players have returned to their rightful spots in the lineup and are helping the Wildcats hold on to first place in the Big Ten.

WATCH FOR -- Sophomore forward Michele Savage, academically ineligible a year ago, leads the Wildcats in scoring and rebounding. She hit a team-high 23 points and had seven rebounds against Purdue and had game-highs of 18 points and eight rebounds against Illinois. Sophomore guard Nancy Kennelly has also been a leader for Northwestern. She scored 10 points, dished out 10 assists and had four rebounds against Illinois and also tallied 14 points, six assists and four boards against Purdue.

MINNESOTA CONNECTION -- Junior center Mya Whitmore, a native of Mahtomedi, Minn and a former prep star at Hill-Murray High School, will invade Williams Arena this weekend. Whitmore, who was the starting center for the gold-medal winning North squad at last summer's U.S. Olympic Festival, is second on the scoring charts for Northwestern and tallied 24 points and 12 rebounds over the weekend.

THE SERIES -- Northwestern leads 14-6 and has won the last three meetings, including a close 89-86 victory at Williams Arena last year and a 69-60 win in Evanston, Ill.

THE COACH -- Don Perelli (Southern Connecticut State '61) is in his sixth year at Northwestern and holds a 91-66 (.580) record with the Wildcats. In his 14th season of collegiate coaching, Perelli is 266-137 (.660).

BADGER BRIEFS -- Wisconsin (6-11, 1-6) is in the same boat with the Gophers at the bottom of the Big Ten. The Badgers only Big Ten win of the year was over Illinois on Friday, 86-77 in Madison, Wis. The Gophers only Big Ten win was also over Illinois 84-71 on Jan. 14 at Williams Arena. Wisconsin will play at Iowa on Friday before meeting the Gophers Sunday.

LAST SEASON -- Wisconsin finished the season with their best record in six years at 13-14. The Badgers were 5-13 in the Big Ten, tied for eighth with Michigan. The team set or tied 31 team and individual records, including a six-year old record for most consecutive wins (seven) during the nonconference season.

WATCH FOR -- Freshman walk-on **Michele Kozelka** is making herself worthy of her spot in the Wisconsin lineup. Kozelka's rebounding talents have come in handy. She has led the Badgers on the boards in 10 games this season and snared 10 boards in Wisconsin's win over Illinois. She had a career-high 16 rebounds against UW-Green Bay earlier in the year. By the way, Kozelka also leads the Badgers in scoring with a 14.1 points/game average. Sophomore guard **Robin Threatt** is averaging 12.1 points/game after leading Wisconsin with 21 points in the Illinois game.

THE SERIES -- Minnesota leads 15-6, but has split with the Badgers in the last three seasons. Last year, Minnesota got their biggest win since the 1986-87 season over Wisconsin with a 25-point victory, 83-58 in Minneapolis. At Madison, however, it was the Badgers by 17, 78-61.

THE COACH -- Mary Murphy (Northwestern '80) is in her fourth season at Wisconsin and carries a 32-67 (.323) record.

GOPHER NOTES -- Minnesota fell on the short end of two games that they had opportunities to win over the weekend. The Gophers got as close as 60-58 against Ohio State Friday, but the hot hand of Buckeye Nicole Sanchez, who scored 13 of her 15 points in the second half, allowed the Buckeyes to pull out a 64-58 win. On Sunday, Jennifer Hall tied the game at 59-59 on a driving layup at 1:54, but the Hoosiers had the last chance with the ball and guard Tisha Hill gave them the victory with a layup at the five-second mark.

BRIGHT SPOTS -- Team notables from the weekend include the fact that the Gophers held both Ohio State and Indiana to less points than they have against any of their opponents all season. Indiana was held to just 26 points in the second half as Minnesota outscored the Hoosiers, 31-26...Minnesota recorded a season-high free throw percentage of .929 (13-14) against Indiana...the Gophers outrebounded the Hoosiers 58-37, recording their highest rebounding total of the Big Ten season...Minnesota also recorded 16 assists against Indiana, the highest of the Big Ten season.

HALL IS RIGHT ON -- Senior forward **JENNIFER HALL** (BURNSVILLE, MN) shot 6-of-7 from the field and 5-of-5 from the line against Indiana. She is shooting 63.8 percent (37-58) from the field in Big Ten games this season and 84.6 percent (33-39) from the line. Senior guard **JODI OLSON** (BELLEVUE, WA) leads the team in free throw shooting with a 85.7 percent (12-14) accuracy mark.

KRAMER BACK IN THE FOLD -- Junior forward **ELLEN KRAMER** (ROSEVILLE, MN) is tallying points more consistently as of late. Kramer led the Gophers with 17 points and eight rebounds against Ohio State and scored 10 points and had eight rebounds against Indiana.

COACH FIELDS' RECORD -- Minnesota head coach LaRue Fields (Francis Marion '76) carries a three-year Minnesota record of 22-50 (.306) and a 145-111 (.566) ten-year career mark.

BURNSVILLE STUDENT-ATHLETES HONORED ON HOMETOWN DAY FRIDAY -- The Minnesota swimming and diving team will play host to Big Ten foe Wisconsin, Fri., Feb. 2 at the Cooke Hall Pool. Gopher senior Tami Grewenow and sophomore Cass Moe, both graduates of Burnsville High School, will be honored on their "Hometown Day."

The department, in conjunction with WCCO Radio, is recognizing 16 women athletes in all nine sports during the 1989-90 season as part of the "Hometown Day" campaign. The campaign is designed to salute the state's finest women student-athletes on a selected home date in each sport, and the entire town is invited to attend the event and participate in the ceremony.

SWIMMING & DIVING

LAST DUAL MEETS OF YEAR THIS WEEKEND— In their last pair of dual meets before the Big Ten championship in mid-February, Minnesota (8-3, 3-1 Big Ten) plays host to Wisconsin and Michigan this weekend at the Cooke Hall Pool.

THE WOLVERINES— Saturday's meeting with Michigan marks the first ever dual meet between the Gophers and the sixth-ranked Wolverines. Michigan improved its record over the weekend to 7-1 overall and 4-0 in the Big Ten after defeating Michigan State 88-50.

Minnesota coach Jean Freeman is leaning towards Minnesota sophomore **LYNN NEWTON** (INVER GROVE HEIGHTS, MN) to win the 1000 free against Wolverines Katherine Creighton and Stefanie Liebner. Freeman says Michigan is favored in all other events, although **LINDA OEGEMA** (DEDEMSVAART, HOLLAND) should give Mindy Gehrs a strong challenge in the 400 individual medley as the two are only one and one-half seconds apart. The Wolverines' Jennifer Eck and Ann Colloton have made NCAA qualifying times in both the 100 and 200 breaststroke events.

THE BADGERS — Wisconsin dropped to 6-4 overall and 2-4 in the conference after losing a pair of Big Ten meets over the weekend to Indiana and Purdue. Freeman expects a Gopher victory over the Badgers, but strong competition will be provided by Wisconsin's Suzanne Wilkinson in the 50 through 500 freestyles. Diver Ann Freed should give the Gopher divers a strong challenge on both the one and three boards.

SWIMMING & DIVING CONTINUED --

ONE-POINT SQUEAKER OVER NORTHWESTERN — In one of their most exciting meets of the year, the Gophers defeated Northwestern 56-55 Saturday afternoon at home. Northwestern won the opening 400 medley relay by over three seconds, with sophomore **LYNN NEWTON** (INVER GROVE HEIGHTS, MN) winning the second event, the 1000 free by 25 seconds with a season-best time of 9:58.94. The third event, the 200 free, featured Newton and teammate **SABINE WESTHOFF** (STUKENBROCK, WEST GERMANY) facing Northwestern's Heidi Hannenian. Hannenian took the lead and held it until the final 25 yards of the race when both Westhoff and Newton powered by her to tie for first with a time of 1:53.32. Hannenian finished .02 of second behind the Gophers for third place. Freshman **LAURA HERMAN** (HALES CORNERS, WI) then won both the 50 free (:24.34) and the 100 free (:53.41), while Newton won her third event of the day, the 500 free (4:56.64) by seven seconds. Junior **LISA DAVIS** (AUSTIN, MN) swept the one- and three-meter boards in diving with scores of 265.20 and 284.10.

GOPHERS DEFEAT ST. OLAF IN LOP-SIDED EVENT — Minnesota defeated St. Olaf Friday night at Cooke Hall 171-68. The Gophers won 12 of the 13 events, extending their win-loss record with the Oles to 3-0. Sophomore **WENDY SATTERLEE** (SHOREVIEW, MN), competing in her first-ever collegiate meet, was the Gophers' only double-event winner, winning the three-meter diving with a team season-high score of 320.18 points and the low board with 269.90 points. Both scores qualify her for the NCAA Zone diving competition later this winter. Satterlee redshirted her freshman year due to a pre-season knee injury in the Fall of the 1988.

GYMNASTICS

GYMNASTICS PLAYS HOST TO UTAH STATE — After competing in an intrasquad mixed pairs meet with the Gopher men's team Saturday, the Gopher women's squad will resume regular season action Sunday with a 7 p.m. dual against Utah State at Williams Arena. The Gophers are coming off their highest-scoring meet of the season (184.40 on Jan. 20) and will be looking to improve on that this weekend.

ABOUT THE OPPONENT — Utah State will be facing its second Big Ten foe in three nights as the Aggies will compete at Wisconsin on Friday night. The Aggies opened the season Jan. 15 by defeating host Southern Utah State 181.95 to 174.40 in a dual. Utah State then traveled to Utah for a Jan. 19 dual and opened its home season Jan. 22 against the same Southern Utah State team it defeated in its opening meet. The Aggies played host to Boise State on Monday.

WATCH FOR — Two native Minnesotans are among Utah State's top three all-arounders. Senior **Tana Davis** of Webster, Minn. competed at the NCAA championships last season and scored 37.15 all-around to claim top honors in the Aggie opener this season. Sophomore **Barb Zahl** of Apple Valley, who missed last season with a dislocated elbow, finished third all-around with a 36.00 in Utah State's opener. Junior **Stephanie Green** scored 37.05 in that meet to place second all-around.

SERIES — The Aggies lead 7-4, having won the last four meetings between the schools. The last time the schools met was in 1988 at a Brigham Young Invitational. Utah State finished second in that meet with a 181.85 while the Gophers were fourth with a 174.00.

BASKETBALL

MINNESOTA BACK HOME -- The Gophers (6-11, 1-6) will be back in action at Williams Arena Friday and Sunday when they play host to Northwestern (Feb. 2, 7:00 p.m.) and Wisconsin (Feb. 4, 2:00 p.m.). Minnesota lost a couple of close ones on the road over the weekend, 64-58 at Ohio State and 61-59 at Indiana, giving them 14 straight Big Ten road losses since the 1987-88 season.

WILDCAT WHISPERS -- Northwestern (14-2, 6-1, tied 1st Big Ten) is living up to its Associated Press poll ranking of 19th by consistently winning the games that it should be winning. The Wildcats soundly defeated Illinois on Sunday 71-48 in Evanston, Ill. Northwestern played 10th-ranked Purdue tough at home on Friday, before succumbing 79-70 to the Boilermakers. The loss leaves the Wildcats and the Boilers tied for the top spot in the conference with Iowa and Ohio State taking the next two spots.

LAST SEASON -- Northwestern finished a disappointing season with an 11-17 record and tied for sixth in the Big Ten with a 6-12 mark. A series of injuries caused head coach Don Perelli to experience his first losing season in 13 years as a head coach. This year, however, several players have returned to their rightful spots in the lineup and are helping the Wildcats hold on to first place in the Big Ten.

WATCH FOR -- Sophomore forward Michele Savage, academically ineligible a year ago, leads the Wildcats in scoring and rebounding. She hit a team-high 23 points and had seven rebounds against Purdue and had game-highs of 18 points and eight rebounds against Illinois. Sophomore guard Nancy Kennelly has also been a leader for Northwestern. She scored 10 points, dished out 10 assists and had four rebounds against Illinois and also tallied 14 points, six assists and four boards against Purdue.

MINNESOTA CONNECTION -- Junior center Mya Whitmore, a native of Mahtomedi, Minn and a former prep star at Hill-Murray High School, will invade Williams Arena this weekend. Whitmore, who was the starting center for the gold-medal winning North squad at last summer's U.S. Olympic Festival, is second on the scoring charts for Northwestern and tallied 24 points and 12 rebounds over the weekend.

THE SERIES -- Northwestern leads 14-6 and has won the last three meetings, including a close 89-86 victory at Williams Arena last year and a 69-60 win in Evanston, Ill.

THE COACH -- Don Perelli (Southern Connecticut State '61) is in his sixth year at Northwestern and holds a 91-66 (.580) record with the Wildcats. In his 14th season of collegiate coaching, Perelli is 266-137 (.660).

BASKETBALL CONTINUED --

BADGER BRIEFS -- Wisconsin (6-11, 1-6) is in the same boat with the Gophers at the bottom of the Big Ten. The Badgers only Big Ten win of the year was over Illinois on Friday, 86-77 in Madison, Wis. The Gophers only Big Ten win was also over Illinois 84-71 on Jan. 14 at Williams Arena. Wisconsin will play at Iowa on Friday before meeting the Gophers Sunday.

LAST SEASON -- Wisconsin finished the season with their best record in six years at 13-14. The Badgers were 5-13 in the Big Ten, tied for eighth with Michigan. The team set or tied 31 team and individual records, including a six-year old record for most consecutive wins (seven) during the nonconference season.

WATCH FOR -- Freshman walk-on **Michele Kozelka** is making herself worthy of her spot in the Wisconsin lineup. Kozelka's rebounding talents have come in handy. She has led the Badgers on the boards in 10 games this season and snared 10 boards in Wisconsin's win over Illinois. She had a career-high 16 rebounds against UW-Green Bay earlier in the year. By the way, Kozelka also leads the Badgers in scoring with a 14.1 points/game average. Sophomore guard **Robin Threatt** is averaging 12.1 points/game after leading Wisconsin with 21 points in the Illinois game.

THE SERIES -- Minnesota leads 15-6, but has split with the Badgers in the last three seasons. Last year, Minnesota got their biggest win since the 1986-87 season over Wisconsin with a 25-point victory, 83-58 in Minneapolis. At Madison, however, it was the Badgers by 17, 78-61.

THE COACH -- Mary Murphy (Northwestern '80) is in her fourth season at Wisconsin and carries a 32-67 (.323) record.

GOPHER NOTES -- Minnesota fell on the short end of two games that they had opportunities to win over the weekend. The Gophers got as close as 60-58 against Ohio State Friday, but the hot hand of Buckeye Nicole Sanchez, who scored 13 of her 15 points in the second half, allowed the Buckeyes to pull out a 64-58 win. On Sunday, Jennifer Hall tied the game at 59-59 on a driving layup at 1:54, but the Hoosiers had the last chance with the ball and guard Tisha Hill gave them the victory with a layup at the five-second mark.

BRIGHT SPOTS -- Team notables from the weekend include the fact that the Gophers held both Ohio State and Indiana to less points than they have against any of their opponents all season. Indiana was held to just 26 points in the second half as Minnesota outscored the Hoosiers, 31-26...Minnesota recorded a season-high free throw percentage of .929 (13-14) against Indiana...the Gophers outrebounded the Hoosiers 58-37, recording their highest rebounding total of the Big Ten season...Minnesota also recorded 16 assists against Indiana, the highest of the Big Ten season.

HALL IS RIGHT ON -- Senior forward **JENNIFER HALL** (BURNSVILLE, MN) shot 6-of-7 from the field and 5-of-5 from the line against Indiana. She is shooting 63.8 percent (37-58) from the field in Big Ten games this season and 84.6 percent (33-39) from the line. Senior guard **JODI OLSON** (BELLEVUE, WA) leads the team in free throw shooting with a 85.7 percent (12-14) accuracy mark.

KRAMER BACK IN THE FOLD -- Junior forward **ELLEN KRAMER** (ROSEVILLE, MN) is tallying points more consistently as of late. Kramer led the Gophers with 17 points and eight rebounds against Ohio State and scored 10 points and had eight rebounds against Indiana.

COACH FIELDS' RECORD -- Minnesota head coach LaRue Fields (Francis Marion '76) carries a three-year Minnesota record of 22-50 (.306) and a 145-111 (.566) ten-year career mark.

TRACK & FIELD

GOPHERS WIN SECOND STRAIGHT REEBOK TITLE -- The Gophers won their second straight Reebok Invitational title Saturday at the UM Fieldhouse. Minnesota scored 103 points to second-place Rice's 94 while Iowa was third among the ten teams with 93 points. Nine meet records and five fieldhouse records were broken at the meet, featuring top Division I competition from Rice and Brigham Young. In addition, a freshman record and two Minnesota varsity records were broken.

WESTBY, LEWIS WIN EVENTS -- Freshman **ANN WESTBY** (BROOKINGS, SD) won the 5000-meter run over former St. Thomas All-American Teresa Mayer, now competing for the Winnipeg Raiders. Westby had the kick at the finish to win in a time of 16:59.15, which now ranks fourth on the all-time list. Mayer finished second in 17:04.43. Junior **RACHEL LEWIS** (SIOUX CITY, IA) won the shot put with a throw of 49-8 1/4 while teammate **JEAN SCHLEUSENER** (TOMAH, WI) was second with a throw of 47-8 1/4.

CAFFEY, 4 x 800 RELAY SET VARSITY RECORDS -- Senior **SAM CAFFEY** (LaGRANGE, IL) set a new Minnesota varsity record in the 55-meter dash, finishing fifth in 7.20 seconds. That erases the old mark of 7.21 set last year by graduate Michelle Brown. Meanwhile, the 4 x 800-meter relay team of **SARAH RENK** (WINONA, MN), **JENNY ALBY** (APPLETON, WI), **SHELLY WALL** (WILSON, WI) and **MONIKA BALINT** (BUDAPEST, HUNGARY) set a new varsity mark with their time of 9:08.10. That replaces last year's record of 9:11.92 set by Renk, Alby, Gretchen Otto and Kathy Gebeke.

OWEN SETS FRESHMAN RECORD -- Freshman **VAL OWEN** (McCOOK, NE) finished sixth in the long jump with a leap of 18-0 1/2, a new freshman record and a mark that ranks fifth on the all-time indoor list. The old record of 17-9 1/2 was set ten years ago by Jane Chapman Mattke, now a Gopher assistant coach.

GOPHERS TAKE WEEKEND OFF -- Minnesota will not travel to St. Cloud State this weekend as originally planned. The Gophers' next action will be at the Nebraska-hosted Husker Invitational in Lincoln, Neb. Feb. 9-10.

GOPHER NETTERS CONTINUE TO DOMINATE—Minnesota continued their hot streak over the weekend at the Minnesota Quad as they ran over Western Michigan on Saturday by winning seven of eight singles matches and three of three in doubles. On Sunday, the Gophers routed Iowa State 9-0. Minnesota's match with Northern Illinois was cancelled last Friday due to snow at the Chicago airport. The match will not be rescheduled.

MINNESOTA HIGHLIGHTS—Junior **LIBBY NELSON** (WAYZATA, MN) has won her last eight doubles matches, the most recent coming over Iowa State's Jennifer Lansing and Connie Mc Gough at the Minnesota Quad. In a nail-biting comeback Nelson and freshman **VICKY KOLARIC** (WILLOUGHBY HILLS, OH) battled back from a 4-6, 0-3 deficit to win 4-6, 6-3, 7-5. Nelson leads the team in doubles with a 14-3 record and also improved her singles record to 9-4 over the weekend. Freshman **JANICE IGESUND** (ALBERTON, SOUTH AFRICA) and senior **TONYA BREITAG** (SIOUX FALLS, SD) teamed up for two wins as Breitag improved to 11-3 while Igesund's record improved to 6-1. Sophomores **JENNIE MOE** (EDINA, MN) and **SOFIE OLSSON** (ASMUNDTORP, SWEDEN) improved their doubles record to 14-5 with a pair of wins over the weekend and Moe and Olsson easily won their singles matches. Moe leads the Gophers in singles with an 11-3 record.

ROLEX NATIONAL INDOOR INTERCOLLEGIATE TENNIS CHAMPIONSHIPS COMES TO MINNEAPOLIS FOR THIRD YEAR -- For the third consecutive year, the nation's finest men's and women's collegiate tennis players will be coming to the Twin Cities to compete in the Rolex National Indoor Intercollegiate Tennis Championships. The event, which is the third leg of the Collegiate Grand Slam, will feature the top men and women players in the Volvo Tennis/Collegiate Rankings.

SMALL COLLEGE COMPETITION BEGINS FEB. 6, MAJOR COLLEGE FEB. 8 -- The Rolex National Small College Championships will be played at the 98th Street Racquet, Swim & Health Club in Bloomington on February 6-7. The major college portion of the tournament will be held at the same site on February 8-9, before switching to the 494/Crosstown Racquet, Swim & Health Club in Eden Prairie for the semifinals and finals on February 10-11.

SMALL COLLEGE TOURNEY IS UNIQUE -- The Rolex National Small College Championship will consist of eight-player singles draws and eight-team doubles fields for men and women. It is the only national championship in any sport that pits players from all small college divisions (NCAA II, III, NAIA and Junior College) against one another. The singles and doubles winners will advance to the major college championship, beginning Thursday, making it possible for a player from a small college to claim a Division I championship title.

TOP-RANKED PLAYERS IN MEN'S DRAW -- Included in the men's 32-player singles field are 12 of the top 13 players in the first Volvo Tennis/Collegiate Rankings of 1990, including top-ranked **Al Parker** from Georgia. Overall, 25 of the 31 Division I players are ranked in the Top 50, while four of the unranked players were in the top seven of the preseason rankings back in October. The 16-team doubles field includes seven of the top nine teams from the first Volvo Tennis/Collegiate Rankings of 1990, headlined by California's top-ranked twosome of **Doug Eisenman** and **Matt Lucena**.

LEACH, WERWIE, UHLEIN COMPETE FOR GOPHERS -- For the Gophers, who receive singles and doubles wildcard berths into the tournament, senior **RAFER LEACH** (LEXINGTON, KY) will play singles and junior **KEVIN WERWIE** (SHEBOYGAN, WI) and sophomore **BRIAN UHLEIN** (LAKE FOREST, IL) will compete in the doubles portion of the tournament. A year ago, **Brian and Duke Uihlein** thrilled local fans by advancing all the way to the semifinals of the tournament before falling to the eventual champions in a three-set match. "It's a great opportunity not only for our players to go up against the nation's best, but also to showcase Minnesota tennis," said **David Geatz**, head coach of the defending Big Ten champion Golden Gophers. "With the tremendous community support and the beautiful tennis facilities we have here, the rest of the country gets to see that tennis is indeed alive and thriving in Minnesota."

WOMEN'S DRAW SHOWCASES NATION'S FINEST -- Included in the women's 32-player singles field are 17 of the top 20 players in the first Volvo Tennis/Collegiate Rankings of 1990, with top-ranked and defending NCAA champion **Sandra Birch** from Stanford headlining the field. Overall, 28 of the 31 Division I players are ranked in the Top 50. The 16-team doubles field includes 10 of the top 12 teams from the first Volvo Tennis/Collegiate Rankings of 1990.

MOE, OLSSON WILL REPRESENT MINNESOTA -- Sophomores **JENNIE MOE** (EDINA, MN) and **SOFIE OLSSON** (ASMUNDTORP, SWEDEN) will compete in the tournament for the Golden Gophers. Moe is a former Minnesota State High School Class "AA" singles and doubles champion for nearby Edina High School. "This is a great opportunity for our program and our players to play in this tournament against some of the top competition in the country," said head Golden Gophers women's coach **David Creighton**. "It's really exciting to see it in our hometown, especially since these are the best collegiate, and maybe the best amateur players around."

GYMNASTICS

GOPHERS PLAY HOST TO IOWA STATE — The Gopher women's gymnastics team will have its fourth home meet in as many weekends Sunday when Big Eight foe Iowa State visits Williams Arena for a 7:30 p.m. dual. After the meet there will be free cookies and milk for fans as part of a celebration in honor of National Girls and Women in Sport Day, which is officially on Thursday.

This will be the first of two Minnesota meets against Iowa State this season. The Gophers will take on the Cyclones in Ames, Iowa on March 29. The last time the two teams met was in 1988, when Minnesota edged Iowa State 178.50 to 178.30 in a home dual meet. The Gophers lead the series 15-4.

Iowa State is led by senior **Daniela Muszkat**, a native of Sao Paulo, Brazil. Muszkat scored 36.00 all-around in a Jan. 26 meet at Oklahoma and 35.05 in a Jan. 28 triangular at Wisconsin. The Cyclones' **Kristin Moore** scored 36.20 all-around in the Wisconsin meet.

DESPITE BEST TEAM SCORE OF SEASON, GYMNASTICS FALLS TO UTAH STATE — The Gopher women's gymnastics team scored a season-high 186.00 but lost to Utah State 186.50-186.00 in a dual meet at Williams Arena Sunday. Minnesota scored team season highs on the uneven bars (46.35) and floor exercise (46.90) and tied its previous high on the balance beam (46.20).

Senior **MARIE ROETHLISBERGER** (AFTON, MN) scored a personal season-best 37.90 to finish second all-around behind Utah State's Tana Davis, a Webster, Minn. native who scored 38.00 all-around. **Roethlisberger** finished first on the uneven bars with a 9.70 and second on the balance beam with a 9.65.

Gopher freshman **DAWN KETCHER** (BROOKLYN PARK, MN) performed as an all-rounder for the first time in her collegiate career and scored 36.95. **Ketcher** had career bests of 9.50 on the vault, 9.00 on the bars and 9.35 on the floor exercise. Junior **CATHY ZOLKOWSKI** (NEENAH, WI) scored 36.50 all-around despite falls on the floor exercise and balance beam. **Zolkowski** placed first on the vault with a 9.55.

TRACK & FIELD

HUSKER INVITATIONAL UP NEXT -- After a week off, the Gophers are back in action at the 15th Annual Frank Sevigne Husker Invitational in Lincoln, Neb. Feb. 9-10. The meet opens at the Bob Devaney Sports Center Friday at 5:00 p.m. and continues through Saturday night.

"Other than the indoor national meet, this will be one of the finest meets in the country," said Gopher head coach Gary Wilson. "This will definitely be our toughest meet of the year."

This year's meet brings together the sprint talents of Missouri, UNLV, Alabama and Illinois along with top middle distance competition from Iowa and Missouri. Kentucky's top distance runners will compete at this year's meet as will top jumpers from Southern California and Texas. Other top-notch competitors come from Arizona State, Arkansas State, Brigham Young, Colorado, Colorado State, Iowa State, Kansas, Kansas State, Ohio State, Texas A&M, and Washington State.

LAST YEAR -- The prestige of the Frank Sevigne Husker Invitational is shown in the fact that last season there were 45 NCAA qualifying performances at the meet; the 400-meter collegiate record of 52.39 was set by Missouri's Natasha Kaiser; five women qualified for the NCAA championship in the 400m with seven women going under 55 seconds; Nebraska's Yvonne van der Kolk set a new Husker Invite record and Sports Center record in the mile run of 4:38.91.

HIGHLIGHTING MINNESOTA -- The Gophers will be led by junior **RACHEL LEWIS** (SIOUX CITY, IA), a 1989 discus All-American, and senior **JEAN SCHLEUSENER** (TOMAH, WI) in the shot; freshman **MONIKA BALINT** (BUDAPEST, WEST GERMANY) will lead in the 800m; senior **LESLIE REVIER** (RAYMONDVILLE, NY) in the triple jump and freshman **VAL OWEN** (WILSON, WI) in the long jump. The Gopher 4 x 800-meter relay team will also be competitive, but will face a tough field.

BASKETBALL CONTINUED --

ILLINI INKLINGS -- Illinois (9-10, 3-6) is currently tied for seventh in the Big Ten with Indiana. The Illini are 3-3 in the conference since losing at Minnesota Jan. 14. During that time, Illinois gained wins over Indiana (78-63), Ohio State (69-66 OT) and Michigan State (70-65), all at home. Like the Gophers, the Illini are winless on the conference road this season. After defeating MSU 70-65 last Friday, Illinois turned around and lost to Michigan 71-62 on Sunday.

LAST SEASON -- Illinois ended its season in a sixth-place tie with Northwestern last season. The Illini were 11-18 overall and 6-12 in the conference.

WATCH FOR -- Junior forward **Sarah Sharp** continues to lead Illinois in scoring with a 13.8 points/game average, ranking her eighth in the conference. GOPHER NOTES -- Minnesota once again fell on hard times over the weekend, losing a 99-81 contest to Northwestern and falling 76-75 to Wisconsin on a last-second basket by Badger Michele Kozelka, which broke a 21-game conference road losing streak for Wisconsin. She also leads the Boilers in assists with a 5.3 assists/game average, which ranks second in the league. Joseph, last year's Big Ten Freshman-of-the-Year and a second-team All-Big Ten selection, also makes the cuts on the league shooting charts, coming in at third in three-point shooting with a 40.4 percent success rate and she is fifth in field goal shooting overall with a 50.6 percent accuracy mark. Junior forward Joy Holmes, an All-Big Ten first team selection a year ago, is Purdue's second-leading scorer with an average of 18.1 points/game, ranking fourth in the conference. Holmes ranks in the top ten in five other league statistical categories including steals (2nd, 3.4/game), field goal percentage (4th, .596), free throw percentage (4th, .811), blocked shots (4th, 1.1/game) and rebounds (tie 9th, 7.1).

Ellen Kramer led the Gophers with 20 points and eight rebounds in that game while Jodi Olson added 15. The Gophers are 3-4 at Mackey Arena with their last victory there in the 1984-85 season, 69-64.

THE COACH -- Lin Dunn (Tennessee-Martin '69) is in her third year at Purdue with a 61-19 (.763) record with the Boilermakers. She is in her 20th year of coaching with an all-time record of 302-208 (.592).

ILLINI INKLINGS -- Illinois (9-10, 3-6) is currently tied for seventh in the Big Ten with Indiana. The Illini are 3-3 in the conference since losing at Minnesota Jan. 14. During that time, Illinois gained wins over Indiana (78-63), Ohio State (69-66 OT) and Michigan State (70-65), all at home. Like the Gophers, the Illini are winless on the conference road this season. After defeating MSU 70-65 last Friday, Illinois turned around and lost to Michigan 71-62 on Sunday.

THE SERIES -- Minnesota leads 10-8, but Illinois has won six out of nine meetings in the past four years. At Williams Arena last month, Minnesota scored its lone conference win over the Illini 84-71. Jennifer Hall scored a career-high 30 points on a perfect 9-of-9 shooting performance from the field. She was also successful on 12-of-13 free throws. Sharp led Illinois with 20 points. Last season the teams split with Illinois winning 71-60 in Champaign, Ill. and the Gophers picking up an 88-78 victory at home.

GOPHER NOTES -- Minnesota once again fell on hard times over the weekend, losing a 99-81 contest to Northwestern and falling 76-75 to Wisconsin on a last-second basket by Badger Michele Kozelka, which broke a 21-game conference road losing streak for Wisconsin. The Badgers had last won a Big Ten game on the road on January 10, 1988 when they defeated Minnesota 75-67.

SHOOTING THE LIGHTS OUT AGAINST NORTHWESTERN -- Both Northwestern and Minnesota had successful shooting performances on Friday, which accounted for only 26 rebounds for the Gophers and 19 for the Wildcats. MINNESOTA SOFTBALL OUTLOOK 1990

The biggest change in the 1990 Minnesota softball roster is on the very first line. Gone is Linda Wells, a 15-year veteran of the program and owner of 362 career victories. The new face is Teresa Wilson, who comes in from the University of Oregon with impressive credentials. Wilson led Oregon to a 54-18 record and a fifth-place finish in the NCAA Women's College World Series in 1989, and was named Division I Coach of the Year by the National Softball Coaches Association for her efforts. She takes over a Gopher ball club that won the Big Ten title two years ago, and has aspirations on returning to the top spot in 1990.

EXPERIENCED PITCHING STAFF — Minnesota returns all three starting pitchers from a year ago. Senior **JENNY LINDSTROM** (BOULDER, CO) led the Gophers with 14 victories in 1989 and lowered her ERA over a full point from the previous season, from 2.44 to 1.35. Lindstrom went 6-4 in Big Ten play, and led Minnesota in virtually every pitching category. Junior **BRENDA BIXBY** (ESTHERVILLE, IA) will look to revert to her 1988 form after struggling to a 5-11 record in 1989. Four of Bixby's five victories came in conference play, which may be a better indication of her talents. Sophomore **ROBIN BUMPUS** (MUNNSVILLE, NY) may be the hardest thrower on the staff, which might explain her success as a freshman. Bumpus' 8-7 record included five shutouts, tying her with Lindstrom for the club lead. Freshman **SARAH MASCHKA** (MANKATO, MN) is the only southpaw on the staff and is expected to see some time in the circle this season.

CATCHING — The catching position is made up of veteran experience, as all three catchers return to the Gopher squad. Senior tri-captain **SARAH WINSLOW** (MANKATO, MN) hit .241 and led Minnesota with 23 runs scored and five stolen bases in 1989. Another senior tri-captain, **LINDA NOWAK** (SHOREVIEW, MN), threw out 46 percent of the opponents' base-stealers and committed only one error in 22 starts behind the plate. Junior **DIANE FIELD** (MORTON GROVE, IL) can play first base as well as catch, and could see time at both positions if she overcomes her injuries. Both freshman **KERBY NORMAN** (CRYSTAL, MN) and **LISA SOJKA** (FRANKFORT, IL) will challenge for time behind the plate, with Norman showing good defensive skills and Sojka possessing a strong bat.

INFIELD — Versatility is the number one strength in the infield as many Gophers are capable of playing more than one position. Two players who should see plenty of playing time are second team All-Big Ten selections, junior **KARI BLANK** (OAKDALE, MN) and sophomore **DOTTIE CONROY** (ANOKA, MN). Blank, primarily a second baseman, hit .288 in her sophomore year and led the Gophers with 51 hits, four triples, and 16 runs batted in. Conroy hit .240 in her first season at Minnesota and is expected to see time at third base. Either Blank or Conroy could be used at shortstop, along with freshman **LEZLIE WEISS** (FOREST LAKE, MN), who is one of four Gophers who can hit from the left side. Freshman **MISCHEL DOERR** (EUGENE, OR) can also play second base and with her speed could be moved to the outfield. First base could be covered by junior **ANNE WEISBECKER** (LACROSSE, WI), who has a quick glove and can also play third base. Other possibilities at first are Bixby, when she is not pitching, or Field, when she is not behind the plate.

OUTFIELD — Newcomers in the outfield include junior transfer **TABBETHA WOODY** (DEWEY, OK), sophomore transfer **SANDY SCOTT** (EUGENE, OR), and freshman **KELLY NORMAN** (CRYSTAL, MN). Woody, from Crowder Community College in Missouri, is one of the fastest players on the team and is an offensive threat with the bat as well. Scott played under Wilson at Oregon last fall as the starting right-fielder and brings a strong arm defensively along with her experience. Sophomore **SHANNON JONES** (SPRING LAKE PARK, MN) returns to add depth to the outfield and could possibly play as designated player. In addition, Winslow, Blank, and Conroy all played outfield last season for Minnesota, and may see more time there in 1990.

INJURIES — **Kari Blank** has been nursing back problems since fall practice began in October. Her status is questionable for Arizona next weekend.

MILESTONES — **Sarah Winslow** already has one Gopher career record and could set two more before this season ends. Winslow has been hit by 16 pitched balls in her career, a Minnesota record. If and when the senior from Mankato, Minn., plays in her 32nd game and records her 146th at bat of the season, she will top the Minnesota career lists in both categories. **Jenny Lindstrom** needs to pitch in six games and 110 innings to set Gopher career records for games pitched and innings pitched.

SWIMMING & DIVING

SWIMMERS AND DIVERS PREPARE FOR NINTH BIG TEN CHAMPIONSHIP -- For the third time in four years, the Indiana Natatorium on the IUPUI campus in Indianapolis will be the site of the Big Ten Women's Swimming and Diving Championship. The ninth annual finals will be Feb. 15-17, with preliminary events in the morning and the finals at night. Last year, Minnesota was second at the championship with Michigan winning its third straight title.

"We're going to be in the top three," says Minnesota head coach Jean Freeman. "And second (in the conference) is our goal." Freeman acknowledges "the Wolverines and Northwestern will pose the toughest competition" for her team of 29 student-athletes. "And Ohio State and Iowa should be among the top five," says Freeman. "Iowa is much better this year than the past three years."

Minnesota is currently in third place in the Big Ten with Michigan and Indiana tied for first. Northwestern is in fourth place, followed by Purdue, Iowa, Wisconsin, Ohio State, Michigan State and Illinois.

GOPHERS TO WATCH--

LYNN NEWTON, a sophomore from INVER GROVE HEIGHTS, MN, is Minnesota's premiere entry in the 500 and 1650 freestyle events, and is number two in the 400 individual medley. Newton set a Cooke Hall pool record in the 1650 free in January, this year with a time of 16:46.01, a Minnesota season-best time and the second best in the Big Ten this year. She also holds the fastest Gopher time in the 500 free (4:56.26) and is the second fastest on the team in the 400 individual medley (4:32.20). At the 1989 conference championship, Newton was third in the 1650 free and competed at the NCAA championship in the 500 and 1650 freestyles. Freeman says Newton should make the NCAA cut-off times in all three events.

TAMI GREWENOW, a senior from BURNSVILLE, MN, is the top Gopher entry in the 100 breaststroke and among the top three in the 200 breaststroke. Grewenow, a 1989 All-American and the 1988 Big Ten champion in the 100 breaststroke, holds the 11 fastest times of the season for Minnesota in the sprint breaststroke and is sixth-ranked in the conference with a time of 1:05.74. Grewenow's top time this year in the 200 breaststroke is 2:24.68, which is the third fastest for a Minnesota swimmer this season. "Tami should be in the finals in both breaststroke events," says Freeman, "and should score in the 100 butterfly." Her season-best sprint butterfly time is a 1:01.18. Grewenow will also swim on the 200 and 400 medley relay teams.

LINDA OEGEMA, a sophomore from DEDEMSVAART, HOLLAND, is an experienced Big Ten competitor with a second and fourth place finish last year in the 200 and 400 individual medleys, respectively. Oegema holds the top Minnesota times in both events and is ranked third in the conference in the 400 IM (4:26.63) and sixth in the 200 IM (2:07.10). She will also compete in the 200 breaststroke and has the top Gopher time in the event with a 2:22.40. Freeman expects Oegema to be in the finals of all three events and make the NCAA cuts in at least two events.

UTA HERRMANN, a senior from HERNEL, WEST GERMANY, is among the top Gopher entries in the 100 and 200 backstroke events and the 100 butterfly and will be an integral part of the medley relay teams and the 400 free relay. Herrmann clocked the fastest 100 free time for Minnesota this year (:52.00) from a flying start during a relay. Her best 100 backstroke time of :58.90 ranks fourth in the conference and her top 200 backstroke time of 2:06.55 is fifth in the Big Ten. Freeman expects Herrmann will be at the NCAA championship in more than one event.

LISA DAVIS, a junior from AUSTIN, MN, was the highest scoring Gopher diver at the Big Ten championship since 1982 when she placed eighth on the three-meter board last year. Davis ranks second in the conference in one-meter diving this season with 280.65 points. **WENDY SATTERLEE**, a sophomore from SHOREVIEW, MN, leads the conference with the highest mark on the three-meter board with 320.18 points and is expected to be a finalist on the one-meter board as well as the high board.

BASKETBALL

DOWN THE ROAD -- The Gophers (6-15, 1-10) will take another crack at breaking their conference road losing streak this weekend when they travel to Iowa City, Iowa to take on 14th-ranked Iowa Friday at 7:30 p.m at Carver-Hawkeye Arena.

HAWKEYE HAPPENINGS -- Iowa (16-5, 8-3 Big Ten) gained a major Big Ten victory Sunday at Purdue in front of an NCAA record crowd of 13,498. The 14th-ranked Hawkeyes defeated Purdue 70-67 in overtime, knocking the Boilers out of first place in the Big Ten and leaving Northwestern alone at the top. Iowa is now third in the conference.

LAST SEASON -- Iowa and Ohio State tied for the Big Ten title with 16-2 conference marks while Iowa finished 27-5 overall, advancing to NCAA post-season tournament action for the fourth straight season. There they defeated Tennessee Tech in the second round, but lost to Stanford in the Midwest Regional.

Senior All-American forward **Franthea Price** leads Iowa in scoring with a 20.8 points/game average. Price can run the floor as well as any guard in the Big Ten and also leads the Hawks in rebounding with an 8.0 rebounds/game average. Directing the Iowa offense is 5-4 senior guard **Jollette Law**, a 1989 All-Big Ten first-team selection. Law is scoring 11.5 points/game.

THE SERIES -- Iowa leads the series 15-11 after defeating the Gophers 79-43 at Williams Arena on Jan. 19. The Hawkeyes have won the last 12 games in a row since the 1983-84 season. Prior to that, Minnesota had won eight in a row dating back to the 1979-80 season.

BASKETBALL CONTINUED --

GOPHERS DROP TWO MORE ON ROAD — The Gopher women's basketball team's road woes continued last weekend as Minnesota lost to then tenth-ranked Purdue 86-65 on Friday night and to Illinois 86-62 on Sunday. Minnesota has now lost 23 straight road games (conference and non-conference) dating back to a win at Wisconsin March 9, 1988. The Gophers fell behind in the first half of both games, during a 21-5 Boilermaker run and 20-7 Illini point scoring run.

FORWARDS SPARK ATTACK — Junior **ELLEN KRAMER** (ST. PAUL, MN) scored over 20 points for the second straight game at Purdue on Friday night. Kramer led Minnesota with 22 points, hitting eight of eleven field goals in 32 minutes of playing time. On Sunday, Kramer scored 12 points against Illinois, and she continues to lead Minnesota in the Big Ten games with a 14.7 scoring average.

Senior forward **JENNIFER HALL** (BURNSVILLE, MN) burned the Illini for the second time this season with 24 points. In the two teams' first meeting in Minneapolis, Hall had a career-high 30 points. On Sunday, she had a career high 10 field goals on 13 attempts, and was perfect at the line (4-4). Hall also grabbed nine rebounds and added five assists. She leads Minnesota in scoring overall (14.3 points per game) and in field goal percentage (.554). She is hitting 14.5 points/game in Big Ten contests and is shooting .622 from the field (56-90).

OTHER GOPHER NOTABLES — Senior **LEA BERGIN** (MINNEAPOLIS, MN) had eight rebounds in both games and she leads the team with a 7.3 rebounds/game average. Bergin played the second-most minutes of her career (30) against Purdue and also scored eight points. Sophomore guard **HOLLY THOMPSON** (EAST CLEVELAND, OH) dished out five assists against Illinois and against Purdue she scored five points and grabbed two steals in 31 minutes. On the season, Thompson is averaging 4.5 assists/game. Sophomore **JENNY ZELLER** (FARIBAULT, MN) played a career-high 18 minutes against Purdue and scored eight points. Senior guard **JODI OLSON** (BELLEVUE, WA) has hit 12 straight free throws since a miss in the Iowa game Jan. 19.

Senior **ANNE MARIE OVNIK** (LAGRANGE, IL) will play No. 6. Freshman **VICKY CORDOVA** (MISSION VIEJO, CA) also has a chance at cracking the singles lineup while senior **TONYA BREITAG** (SIOUX FALLS, SD) will play doubles only.

TENNIS CONTINUED --

MOE WINS FIRST ROUND AT ROLEX -- Sophomore **JENNIE MOE** (EDINA, MN) defeated Nathalie Rodriguez of South Carolina 6-3, 6-2 in the first round of the Rolex National Indoor Intercollegiate Tennis Championships Thursday at the 98th Street Racquet Club. It was the first time that a Minnesota women's player has ever won a first round match at the tournament. Each year, the Gophers are given a wild card singles entrant and a wild card doubles entrant into the event. Rodriguez was ranked 47th in the Volvo Tennis/Collegiate Rankings prior to the tournament. In the round of 16, Moe lost to 7th-ranked Stacey Schefflin of Georgia, but played a tough first set that went to a tie-breaker, which Schefflin won 7-4 followed by a 6-2 win in the second.

In doubles action, Moe and her partner **SOFIE OLSSON** (ASMUNDTORP, SWEDEN) lost in the first round to UCLA's Jessica Emmons and Kim Po 6-1, 7-5.

EDINA'S HELGESON IS SINGLES CHAMPION -- Ginger Helgeson, a native of Edina, Minn. and a senior at Pepperdine University, won the Rolex women's singles crown with a 6-2, 3-6, 7-5 win over fourth-seeded Andrea Farley of Florida. Helgeson entered the tournament as a wild card and advanced to the final with wins over third-seeded Nicole Arendt of Florida, top-eight seeded Patti O'Reilly of Duke and a default win over No. 1-seeded Sandra Birch of Stanford, who was ill and couldn't play in the semifinal. The Texas team of **Joanna Plautz** and **Susan Gilchrist** upset UCLA's team of Mamie Ceniza and Stella Sampras 7-5, 7-6 (7-3) in the doubles final. Ceniza and Sampras were seeded second.

GAROS WINS SMALL COLLEGE TITLE -- Midland Junior College's Janneke Garos won the Rolex National Indoor Small College Championship with a 6-3, 7-6 (7-5) win over No. 1-seeded Edna Olivarez of Cal. State-Los Angeles. Garos was given an automatic berth into the major college tournament where she took Florida's Holly Danforth to three sets before losing 3-6, 6-1, 6-2.

GYMNASTICS

GOPHER GYMNASTICS TEAM ON ESPN FEB. 20 — The Gophers will travel to Corvallis, Ore. this weekend for the second straight year to participate in Oregon State's tenth annual Shanico Invitational. Meet time is 7:30 p.m. PST Saturday. The meet will be taped by ESPN and broadcast at 11 p.m. CST on Tuesday, Feb. 20. Other teams competing will be Nebraska and Washington.

GYMNASTICS TO FACE NATIONAL POWERS NEBRASKA, OREGON STATE THIS WEEK-END — The Gophers will be going up against some of the nation's best this weekend in Saturday's meet against Oregon State, Nebraska and Washington.

Oregon State has competed at the NCAA national meet in nine of the last 11 years. The Beavers are hoping to make a tenth appearance in front of a home crowd as Oregon State is playing host to this year's NCAA national championship.

The Beavers scored 188.00 Saturday in a meet at Stanford, with sophomores **Jennifer McMullin** and **Donna Linder** and freshman **Amy Durham** each scoring 37.55 all-around. Junior all-American **Joy Selig** has been bothered by nagging back and hand injuries but is expected to compete. Earlier this season, Selig recorded 9.90 scores on both the balance beam and floor exercise.

Nebraska scored 190.05 in a home meet against Washington and UCLA on Feb. 4 and scored 190.50 at Missouri on Jan. 28. The 'Huskers are led by senior **Angie Burdette**, who averages 37.73 all-around with a season high of 38.50. Junior **Lisa McCrady**, a native of Eagan, Minn., is averaging 37.40 all-around with highs of 9.70 on the floor exercise and 9.65 on the vault.

Washington is led by **Sandra Botnen**, a 1989 NCAA championship qualifier who averages 37.30 all-around. The Huskies high team score this season is 184.90.

GYMNASTICS CONTINUED --

SERIES — This is the first time Minnesota has faced Washington in team competition. Oregon State leads the Gophers 3-0, having defeated Minnesota 187.45-185.15 in last season's Shanico Invitational. The Beavers will be at Minnesota for a dual meet on Feb. 24. Nebraska leads Minnesota 9-5-1 and has won five straight over the Gophers. The last meeting between the schools was in 1987, when Nebraska scored 181.90 to Minnesota's 177.45 in an invitational in Lincoln, Neb.

NESS LEADS GOPHERS TO WIN OVER IOWA STATE — The Gophers outscored Iowa State 184.10-181.30 Sunday at Williams Arena for Minnesota's first win since finishing ahead of Cal-Santa Barbara in a triangular at UCLA on Jan. 12.

The Gophers scored a season-best 47.05 on the vault and a 46.35 on the floor exercise, the squad's second best floor score, enroute to the win.

Junior **KATHY NESS** (COON RAPIDS, MN) tied a school record on the balance beam with a 9.75 to finish first on that event. Ness scored a 9.45 to finish second on the uneven bars and scored a personal-season best 9.35 on the floor exercise. Former Gopher Shelley Brown is the only other Minnesota gymnast who has scored 9.75 on the beam. She reached the mark in the 1986 NCAA regionals. Senior **MARIE ROETHLISBERGER** (AFTON, MN) won the all-around with a 38.05, the top all-around score in the Big Ten this season, and also placed first on the uneven bars with a 9.70 and the floor exercise with a 9.60.

Freshman **KRISTIN ALLSTADT** (APPLE VALLEY, MN) scored a career-best 9.35 on the vault and freshman **MONIKA JUHASZ-NAGY** (BUDAPEST, HUNGARY) had personal bests on the vault (9.30) and beam (9.00). Freshman **DAWN KETCHER** (BROOKLYN PARK, MN) tied a personal best with a 9.50 on the vault to tie for first on that event with junior **CATHY ZOLKOWSKI** (NEENAH, WI).

SOFTBALL

MINNESOTA SOFTBALL BEGINS NEW SEASON, ERA — The University of Minnesota women's softball team, under the leadership of first-year head coach Teresa Wilson, will open the 1990 season next week at the 16 team Arizona Softball Classic Feb. 15-18. Before the tournament, the Gophers will play nationally ranked Toledo in a non-conference doubleheader Feb. 14 at Tucson, Ariz.

CLASSIC MATCHUPS - The tournament features round-robin pool play and cross-pool games the first three days. A single-elimination bracket will determine the champion. Four of the top five teams ranked in the NCAA preseason poll will take part in this tournament. Minnesota's schedule includes games with Oregon, Wilson's former school, and Arizona State, the new home of former Gopher head coach Linda Wells:

Thursday, February 15 -

2 p.m. MST - Minnesota vs. No. 5 Oregon

6 p.m. MST - Minnesota vs. U.S. International

Friday, February 16 -

11 a.m. MST - Minnesota vs. Pacific

5 p.m. MST - Minnesota vs. No. 7 Cal State-Long Beach

7 p.m. MST - Minnesota vs. No. 15 Arizona State

Saturday, February 17 -

11 a.m. MST - Minnesota vs. No. 10 California

4 p.m. MST - Elimination round begins

MINNESOTA SOFTBALL OUTLOOK 1990 -- The biggest change in the 1990 Minnesota softball roster is on the very first line. Gone is Linda Wells, a 15-year veteran of the program and owner of 362 career victories. The new face is Teresa Wilson, who comes in from the University of Oregon with impressive credentials. Wilson led Oregon to a 54-18 record and a fifth-place finish in the NCAA Women's College World Series in 1989, and was named Division I Coach of the Year by the National Softball Coaches Association for her efforts. She takes over a Gopher ball club that won the Big Ten title two years ago, and has aspirations on returning to the top spot in 1990.

SOFTBALL CONTINUED --

EXPERIENCED PITCHING STAFF — Minnesota returns all three starting pitchers from a year ago. Senior **JENNY LINDSTROM** (BOULDER, CO) led the Gophers with 14 victories in 1989 and lowered her ERA over a full point from the previous season, from 2.44 to 1.35. Lindstrom went 6-4 in Big Ten play, and led Minnesota in virtually every pitching category. Junior **BRENDA BIXBY** (ESTHERVILLE, IA) will look to revert to her 1988 form after struggling to a 5-11 record in 1989. Four of Bixby's five victories came in conference play, which may be a better indication of her talents. Sophomore **ROBIN BUMPUS** (MUNNSVILLE, NY) may be the hardest thrower on the staff, which might explain her success as a freshman. Bumpus' 8-7 record included five shutouts, tying her with Lindstrom for the club lead. Freshman **SARAH MASCHKA** (MANKATO, MN) is the only southpaw on the staff and is expected to see some time in the circle this season.

CATCHING — The catching position is made up of veteran experience, as all three catchers return to the Gopher squad. Senior tri-captain **SARAH WINSLOW** (MANKATO, MN) hit .241 and led Minnesota with 23 runs scored and five stolen bases in 1989. Another senior tri-captain, **LINDA NOWAK** (SHOREVIEW, MN), threw out 46 percent of the opponents' base-stealers and committed only one error in 22 starts behind the plate. Junior **DIANE FIELD** (MORTON GROVE, IL) can play first base as well as catch, and could see time at both positions if she overcomes her injuries. Both freshman **KERBY NORMAN** (CRYSTAL, MN) and **LISA SOJKA** (FRANKFORT, IL) will challenge for time behind the plate, with Norman showing good defensive skills and Sojka possessing a strong bat.

INFIELD — Two players who should see plenty of playing time are second team All-Big Ten selections, junior **KARI BLANK** (OAKDALE, MN) and sophomore **DOTTIE CONROY** (ANOKA, MN). Blank, primarily a second baseman, hit .288 in her sophomore year and led the Gophers with 51 hits, four triples, and 16 runs batted in. Conroy hit .240 in her first season at Minnesota and is expected to see time at third base. Either Blank or Conroy could be used at shortstop, along with freshman **LEZZIE WEISS** (FOREST LAKE, MN), who is one of four Gophers who can hit from the left side. Freshman **MISCHEL DOERR** (EUGENE, OR) can also play second base and with her speed could be moved to the outfield. First base could be covered by junior **ANNE WEISBECKER** (LACROSSE, WI), who has a quick glove and can also play third base. Other possibilities at first are Bixby, when she is not pitching, or Field, when she is not behind the plate.

OUTFIELD — Newcomers in the outfield include junior transfer **TABBETHA WOODY** (DEWEY, OK), sophomore transfer **SANDY SCOTT** (EUGENE, OR), and freshman **KELLY NORMAN** (CRYSTAL, MN). Woody, from Crowder Community College in Missouri, is one of the fastest players on the team and is an offensive threat with the bat as well. Scott played under Wilson at Oregon last fall as the starting right-fielder and brings a strong arm defensively along with her experience. Sophomore **SHANNON JONES** (SPRING LAKE PARK, MN) returns to add depth to the outfield and could possibly play as designated player. In addition, Winslow, Blank, and Conroy all played outfield last season for Minnesota, and may see more time there in 1990.

INJURIES — **Kari Blank** has been nursing back problems since fall practice began in October. Her status is questionable for Arizona next weekend.

HAWKEYE HAPPENINGS -- Iowa (16-5, 8-3 Big Ten) gained a major Big Ten victory Sunday at Purdue in front of an NCAA record crowd of 13,498. The 14th-ranked Hawkeyes defeated Purdue 70-67 in overtime, knocking the Boilers out of first place in the Big Ten and leaving Northwestern alone at the top. Iowa is now third in the conference.

LAST SEASON -- Iowa and Ohio State tied for the Big Ten title with 16-2 conference marks while Iowa finished 27-5 overall, advancing to NCAA post-season tournament action for the fourth straight season. There they defeated Tennessee Tech in the second round, but lost to Stanford in the Midwest Regional.

WATCH FOR -- Junior guard **Stephanie Schueler** racked up a season-high 29 points against Purdue and is second in scoring for the Hawkeyes with a 12.7 points/game average. Senior All-American forward **Franthea Price** leads Iowa in scoring with a 20.8 points/game average. Price can run the floor as well as any guard in the Big Ten and also leads the Hawks in rebounding with an 8.0 rebounds/game average. Directing the Iowa offense is 5-4 senior guard **Jolette Law**, a 1989 All-Big Ten first-team selection. Law is scoring 11.5 points/game.

THE SERIES -- Iowa leads the series 15-11 after defeating the Gophers 79-43 at Williams Arena on Jan. 19. The Hawkeyes have won the last 12 games in a row since the 1983-84 season. Prior to that, Minnesota had won eight in a row dating back to the 1979-80 season.

THE COACH -- 1988 Converse Coach-of-the-Year Vivian Stringer enters Friday's game with a 157-42 (.789) record at Iowa and a remarkable career record of 408-93 (.814).

GOPHERS DROP TWO MORE ON ROAD — The Gopher women's basketball team's road woes continued last weekend as Minnesota lost to then tenth-ranked Purdue 86-65 on Friday night and to Illinois 86-62 on Sunday. Minnesota has now lost 23 straight road games (conference and non-conference) dating back to a win at Wisconsin March 9, 1988. The Gophers fell behind in the first half of both games, during a 21-5 Boilermaker run and 20-7 Illini point scoring run.

FORWARDS SPARK ATTACK — Junior **ELLEN KRAMER** (ST. PAUL, MN) scored over 20 points for the second straight game at Purdue on Friday night. Kramer led Minnesota with 22 points, hitting eight of eleven field goals in 32 minutes of playing time. On Sunday, Kramer scored 12 points against Illinois, and she continues to lead Minnesota in the Big Ten games with a 14.7 scoring average.

Senior forward **JENNIFER HALL** (BURNSVILLE, MN) burned the Illini for the second time this season with 24 points. In the two teams' first meeting in Minneapolis, Hall had a career-high 30 points. On Sunday, she had a career high 10 field goals on 13 attempts, and was perfect at the line (4-4). Hall also grabbed nine rebounds and added five assists. She leads Minnesota in scoring overall (14.3 points per game) and in field goal percentage (.554). She is hitting 14.5 points/game in Big Ten contests and is shooting .622 from the field (56-90).

OTHER GOPHER NOTEABLES — Senior **LEA BERGIN** (MINNEAPOLIS, MN) had eight rebounds in both games and she leads the team with a 7.3 rebounds/game average. Bergin played the second-most minutes of her career (30) against Purdue and also scored eight points. Sophomore guard **HOLLY THOMPSON** (EAST CLEVELAND, OH) dished out five assists against Illinois and against Purdue she scored five points and grabbed two steals in 31 minutes. On the season, Thompson is averaging 4.5 assists/game. Sophomore **JENNY ZELLER** (FARIBAULT, MN) played a career-high 18 minutes against Purdue and scored eight points.

OLSON HITTING AT THE LINE -- Senior guard **JODI OLSON** (BELLEVUE, WA) has hit 12 straight free throws since a miss in the Iowa game Jan. 19.

COACH FIELDS' RECORD -- Minnesota head coach LaRue Fields (Francis Marion '76) carries a three-year Minnesota record of 22-54 (.289) and a 145-115 (.558) ten-year career mark.

HOMETOWN DAY FOR STACY CARVER IS SUNDAY --

University of Minnesota freshman forward **Stacy Carver** and her hometown of Montrose, Minn. will be honored Sunday, Feb. 25 when the Gophers play host to Big Ten foe Ohio State at 2:00 p.m. The towns of Montrose, Buffalo and Hanover will all be a part of the celebration at Williams Arena. Three mayors and over 700 people from these towns will be on hand for the salute.

The University's women's athletic department, in conjunction with WCCO Radio, is recognizing 16 women athletes in all nine sports during the 1989-90 season as part of the "Hometown Day" campaign.

The campaign is designed to salute the state's finest women student-athletes on a selected home date in each sport, and the entire town is invited to attend the event and participate in the ceremony.

In just her first season as a member of the Golden Gopher basketball team, Stacy has already begun to contribute to the success of the team. In a recent game against Northwestern, Carver scored seven points in just seven minutes of playing time on a three-of-four shooting performance from the floor. She scored a season-high nine points against Kansas State in a road game earlier this season. Taking a look at the conference statistics, Carver is shooting 46.2 percent from the field and 75.0 percent from the line while contributing 1.7 points per game and 2.4 rebounds per game. She has seen action in all 19 of the Gophers' games this season.

"Stacy is an outstanding all-around athlete with a quiet demeanor that enables her to get the job done without a lot of flash," said Minnesota head coach LaRue Fields. "Calmness and hard work are two of Stacy's trademarks on the court that led to a successful high school career and have undoubtedly worked to her advantage in the college game."

Stacy ended her five-year basketball career at Buffalo High School with a total of 1,857 points after starting in 104 consecutive varsity games, averaging 26.6 points and 14.0 rebounds per game. She tallied 69 steals, 49 assists and 36 blocked shots during her senior season while shooting 45 percent from the field and 82 percent from the free throw line.

For her efforts on the hard wood, Stacy was named the 1989 Minneapolis *Star Tribune* Metro Player of the Year and the Wright County Female Athlete of the Year. She was named to several all-state teams including the WCCO Prep Parade Team of the Year, the Associated Press all-state team, the Metro All-Star team, and the Minnesota Girl's Basketball Sports Association all-state team. She was named All-American by both Converse and *Parade Magazine*. Stacy was also a member of the AAU state championship team and was named Minnesota's player of the year by *USA Today*, Gatorade and the Atlanta Tip-off Club. To top it off, Carver was also invited to the U.S. Olympic Trials.

The University of Minnesota Women's Athletic Department is proud to honor Stacy and the towns of Buffalo, Hanover and Montrose on Feb. 25 and invites the entire community to be a part of the celebration.

LAST REGULAR SEASON HOME MEET FOR ROETHLISBERGER — The Gopher women's gymnastics team will play host to tenth-ranked Oregon State Saturday in a 7:30 p.m. dual meet at Williams Arena.

This weekend's meet will mark the last time senior co-captain **MARIE ROETHLISBERGER** (AFTON, MN) performs in a regular season meet at Williams Arena. She will have one final chance of competing before the home crowd on April 7 when the Gophers play host to the NCAA Central regional meet.

Roethlisberger, who has won all-American honors both athletically and academically at the University, holds virtually all of Minnesota's school records and is the all-time Big Ten leader with six conference titles. Last year, she won an unprecedented four of five possible titles at the Big Ten Championship and went on to capture three more at the NCAA Central regional meet.

FRIDAY IS COMMUNITY NIGHT -- All former University of Minnesota Summer Sports Campers along with Twin Cities' community groups and organizations are invited to attend the Gopher women's basketball game against Indiana Friday night at 7 p.m. The rap group "FMO" will perform at halftime. For information on the group discount special, call the Gopher Ticket Office at (612) 624-8080.

TWO HOMETOWN DAYS SET FOR THIS WEEKEND -- Two Minnesota student-athletes and their hometowns will be honored this weekend as part of the University of Minnesota Women's Athletic Department "Hometown Day" campaign. The department, in conjunction with WCCO Radio is recognizing 16 women student-athletes in all nine sports during the 1989-90 season. Gopher gymnast **LISA WITTWER** (EAGAN, MN) will be honored Sat. Feb. 24 when the Minnesota gymnastics team takes on Oregon State at 7:30 p.m. at Williams Arena while Gopher basketball player **STACY CARVER** (MONTROSE/BUFFALO/HANOVER, MN) will be honored on Sun. Feb. 25 when the Gophers take on Ohio State at Williams Arena at 2:00 p.m.

GIRL SCOUT NIGHT -- Saturday's gymnastics meet has also been designated "Girl Scout Night." All scouts and troop leaders will be admitted free if they are wearing some type of Girl Scout attire (eg. sash, badge, hat). Over 22,000 scouts from the St. Croix Valley and Minneapolis Councils have been invited. Dinkytown Pizza Hut is sponsoring a banner contest for all scout troops. For more information, call the Minnesota Promotions Office at (612) 624-0800.

GYMNASTICS

THE MATCHUP — It will be a rematch between the Beavers and Gophers with the teams coming off a Saturday confrontation at Oregon State's Shanico Invitational, where the Gophers scored a season-high 186.65 to finish third in the four-team meet. It was the second straight year Minnesota competed in the tenth annual meet. Oregon State finished second with a 189.65 score.

BEAVER BITS — Oregon State, the host of this year's NCAA Championship (April 20-21 in Corvallis, Ore.), has established itself as a national gymnastics power. The Beavers have competed at either the AIAW or NCAA Championships in nine of the last 11 years (not qualifying in 1984 or 1986). This season Oregon State has an average score of 187.09 (as of Feb. 13) with a high of 190.35 coming in a Jan. 27 home dual meet win over Arizona State. **Jim Turpin** is in his fifth year as head coach.

WATCH FOR — Oregon State on the floor exercise—they average 47.20 on that event and scored 48.20 in Saturday's meet. Junior all-American **Joy Selig** ranks 15th in the nation with an all-around average of 37.92. She tied for first in Saturday's meet with a 38.55. Freshman **Amy Durham** scored 38.10 all-around Saturday to tie for third, while sophomore **Jennifer McMullin** added a 37.45 and sophomore **Donna Linder** scored 36.70. Freshman **Wendy Smith**, a New Brighton, Minn. native and 1989 Irondale High School graduate, suffered a season-ending knee injury in December.

SERIES — The Beavers lead 4-0 after Saturday's win in Corvallis. In addition to their meeting last season, the teams met twice in 1981.

GOPHERS SCORE SEASON-HIGH 186.65 IN FIRST NATIONAL TELEVISION APPEARANCE Minnesota picked a good time to post its season-high score as Saturday's meet was taped by ESPN with the broadcast to be shown Tuesday at 11 p.m. CST.

The Gophers tied a team-season best with a 46.35 score on the uneven bars and also recorded team event standards on the balance beam (46.60) and floor exercise (47.05). The team's balance beam score was its third-highest ever.

In addition, Minnesota was awarded the meet's team sportsmanship award. The meet drew 3,455 fans.

ROETHLISBERGER TIES SCHOOL RECORD ON BALANCE BEAM — Senior **MARIE ROETHLISBERGER** (AFTON, MN) scored a career-best 9.75 on the beam to tie the school record originally set by Shelley Brown and equalled by junior **KATHY NESS** (COON RAPIDS, MN) against Iowa State earlier this season. **Roethlisberger's** beam score tied her for second in that event as did her 9.65 score on the uneven bars. She led Minnesota with a 37.90 all-around score.

MORE INDIVIDUAL BESTS — The newcomers on the team are beginning to come of age, as evidenced by their continuing improvement in each meet. Freshman **MONIKA JUHASZ-NAGY** (BUDAPEST, HUNGARY) scored a personal best 9.40 on the vault, while fellow rookies **CHRISTY SPECK** (MINNETONKA, MN) and **KRISTIN ALLSTADT** (APPLE VALLEY, MN) set new personal highs with scores of 9.45 on the floor exercise and 9.35 on the balance beam, respectively.

Ness tied a career best with a 9.40 on the floor exercise. She has been one of the Gophers most consistent performers over the last month. In four meets during that span, **Ness** averaged 9.43 on the bars, 9.59 on the beam and 9.28 on the floor. Junior **IKA LINDHOLM** (WINNETKA, IL), who has specialized on the bars this season, has improved her score in each of the last three meets. She scored a season-high 9.15 Saturday.

BASKETBALL

SIX GAMES REMAIN -- The Gophers (6-16, 1-11) need to pick up three victories in their last six games of the season if they are to equal last year's Big Ten record of 4-14. Minnesota needs at least one win to tie last year's overall record of 7-21. The Gophers lost 87-58 at Iowa on Friday and have now lost a school record eight straight games. The Gophers' last victory was Jan. 14 when they defeated Illinois at home 84-71.

SOFTBALL

CALIFORNIA, HERE WE COME — The Gophers take to the road again Feb. 23-25 to play in the Fresno State Pepsi Softball Challenge. Four teams will compete in the tournament in a round-robin format. Friday's contest is a rematch with U.S. International from the Arizona Tournament, where the Gophers lost to U.S.I.U. 8-6. Last year, the Sunday final between Fresno State and UCLA drew a record crowd (3,357) for a NCAA Division I women's softball game. Minnesota's tournament schedule reads as follows:

Friday, February 23 — Minnesota vs. U.S. International 1:00 p.m. PST
Saturday, February 24 — Minnesota vs. New Mexico State 11:00 a.m. PST
Sunday, February 25 — Minnesota at No. 2 Fresno State 1:00 p.m. PST

CLASSIC RESULTS — After an opening day loss to Toledo, Minnesota ended with a 3-5 record in the Arizona Softball Classic. All three wins (Oregon, Arizona State and Toledo) came against teams ranked in the NCAA top 15, as did three of the five losses (Long Beach State, California, and Oregon). In the first round of the championship bracket, the Gophers avenged an earlier loss to Toledo, defeating the Rockets 7-1. Oregon turned the same trick in the quarterfinals, gaining revenge on Minnesota, 1-0. The Gophers finished in a tie for fifth place in the tournament with Cal State-Fullerton, New Mexico State, and Utah.

SUCCESSFUL DEBUTS — New faces on the Gopher squad had very successful weekends in Tucson. Freshman infielder **LEZLIE WEISS** (FOREST LAKE, MN) led the Gopher regulars with a .357 batting average and six runs batted in. Sophomore transfer **SANDY SCOTT** (EUGENE, OR) hit .280 and scored four runs, tying junior **DIANE FIELD** (MORTON GROVE, IL) for the club lead. Field stroked a .344 average and led the Gophers with 11 hits.

PITCHING PERFORMANCES — Although the win-loss record might not show it, junior **BRENDA BIXBY** (ESTHERVILLE, IA) might be reverting back to her 1988 Big Ten Freshman of the Year form. In her 28 innings, Bixby only allowed five earned runs and showed good control, walking only five while striking out 13 batters. Sophomore **ROBIN BUMPUS** (MUNNSVILLE, NY) won both of her starts against Arizona State and Toledo. The right-hander has not given up an earned run in 17 innings, including a five-hit, complete game performance against Arizona State. **STAT NOTES** — As a team, Minnesota is hitting .267, 35 points higher than last year's .232 clip. The Gophers have not given up an earned run in the last five games (34.0 innings).

VOLLEYBALL

VOLLEYBALL TEAM SIGNS THREE TO LETTERS OF INTENT — University of Minnesota volleyball coach Stephanie Schleuder has announced the signing of three high school seniors to national letters of intent. All three players will be freshmen at Minnesota next season.

GRETCHEN DAHL, a 5'10 1/2" middle hitter from Prior Lake, Minn., was the captain and team most valuable player this past fall in her senior high school season for the Academy of Holy Angels (Richfield, Minn.). Dahl was a two-time all-conference and all-metro pick and was all-region and all-state as a senior. Holy Angels was 21-4 and finished seventh in the 1989 state high school tournament. Dahl also played volleyball for Gopher assistant coach Jeff Nelson on the Golden Spike Junior Club and was an all-conference basketball player in 1987 and 1988. "Gretchen will probably be one of the best athletes on the team," said Schleuder. "She's a great jumper and could end up playing any one of the front row hitting positions. Her potential has hardly been tapped yet." The daughter of Robert and Genevieve Dahl, Gretchen has a 3.4 grade point average and is interested in math education.

SUE JACKSON, a 5'8" setter from Kalamazoo, Mich., has been an all-prep star, greater Kalamazoo all-star, all-region and all-state for her Comstock High School team, which has a current record of 52-4 after going 70-3 and winning the state high school title last season. She also plays for the USA Kalamazoo Red Junior Club, coached by Jaye Flood. "Sue is a blue-chip athlete," Schleuder said. "I look for her to challenge for a starting position immediately. I think she is the best setter in the Midwest as far as talent." Jackson is a member of the National Honor Society, was the 1989 homecoming queen at her high school and is a B'nai B'rith Award Candidate. The daughter of Albert and Wilma Jackson, Sue has a 3.5 grade point average and is interested in pre-medicine.

BARB WALFOORT, a 5'11" outside/middle hitter from St. Paul, Minn., led her Harding High School team to a 22-9 record and an eighth place finish in the state tournament this past season. A team co-captain, Walfoort was a two-time all-conference pick and this past season was an all-metro and all-state pick. "Barb is a very versatile hitter and I could see her playing either the right or left side," said Schleuder. "She hits the ball very hard. I think she has been overlooked and expect that she'll make a name for herself with us very quickly." Walfoort also plays on the Golden Spike Junior Club coached by Jeff Nelson. The daughter of Terry and Suzanne Walfoort, Barb has a 3.6 grade point average and is interested in business.

Last season the Gophers made their first-ever appearance in the NCAA tournament, beating Colorado 3-0 in first round action before losing 3-1 to eventual national runner-up Nebraska in the region semifinals. Minnesota finished in a second place tie in the Big Ten with a 13-5 record and was 29-9 overall. The team loses five seniors including All-Big Ten setter Sharon Oesterling, All-Big Ten outside hitter Chris Schaefer, and outside hitters Lori Miller, Cathy Childs and Karen Staab. Six returning players saw action last season as starters or key reserves.

GOLF

RIO VERDE, ARIZ. SITE OF MINNESOTA CO-AMATEUR — The women's golf team has scheduled six days for their winter training trip in Rio Verde, Ariz. Feb. 27-March 4. The Gophers will practice at the Rio Verde Country Club, finding out for the first time in months what it is like to hit a ball that is not inside a practice dome. Minnesota will compete in a co-amateur tournament with members of the Club March 3.

"We've moved our training trip from Gulf Shores, Ala., to Rio Verde because Alabama's weather wasn't quite good enough for us and it interfered with our training," says head golf coach Nancy Harris. "We had rain delays the last couple of years and even snow. Arizona promises warmer and dryer weather."

Team members making the trip are freshman **SARA EVENS** (GRAFTON, ND), senior **TRACI JOHNSON** (MARSHALL, MN), freshman **KRIS LEIGHTON** (AUSTIN, MN), sophomore **KRISTA REUTERFELDT** (COON RAPIDS, MN), junior **KELLI ROSS** (BURNSVILLE, MN), and sophomore **LIZA TYLER** (APPLETON, WI).

GYMNASTICS

GYMNASTICS TEAM TO FACE BIG TEN FOES IN TWO MEETS THIS WEEKEND — The Gopher women's gymnastics team will travel to Michigan and Ohio State this weekend for the first of six consecutive road meets. Minnesota will battle the Wolverines and Kent State in Ann Arbor, Mich. Friday in a 7:30 p.m. meet and will then square off with the Buckeyes in a 2 p.m. meet on Sunday in Columbus, Ohio.

The Gophers hope to continue raising their regional qualifying score. Minnesota's regional score is now at 184.07, up from 183.73; after Saturday's meet against Oregon State.

ABOUT THE OPPONENTS —

WOLVERINE WHISPERS — Michigan's season-high score was 182.40 going into a Sunday meet at Illinois State. The top all-rounder for Michigan thus far has been freshman **Tina Blair**, who recorded a personal-best 36.60 in a meet against Illinois-Chicago. Freshman **Debbie Geiger** is tied for seventh in the Big Ten (as of Feb. 18) with her high score of 9.55 on the balance beam and senior **Jeni Hescott** is tied for tenth in the conference on the beam with a high of 9.50. Junior **Laura Lundbeck**, a Burnsville, Minn. native, has competed on the vault and floor exercise for Michigan this season.

SERIES — The Gophers lead 11-2 and have won nine in a row dating back to 1982. This will be only the second time Minnesota has competed against Kent State. The Gophers defeated the Golden Flashes 133.15-128.40 in the Midwest Open in 1979.

BUCKEYE BRIEFS — Ohio State went into a Friday meet at Kent State with a 6-5 dual meet record. The team's season-high score of 184.80 came in a home dual against Penn State on Feb. 17. Several Buckeyes rank among the conference top ten (as of Feb. 18) in each event, with the uneven bars being the team strength thus far. Senior **Kara Yagnesak** has a high of 9.65 on the bars while sophomore **Debbie Black** has a high of 9.60 and freshman **Emily Arnold** and sophomore **Claire Wilson** each have highs of 9.55.

Senior **Caryn Close** is tied for seventh in the Big Ten with a high vault score of 9.45 while Black and Wilson are each tied for tenth on the balance beam with highs of 9.50. Wilson and Black have highs of 9.75 and 9.65 on the floor exercise, respectively.

SERIES — Ohio State leads 11-5 and there has been one tie. The Gophers have won the last three meetings between the schools. The teams will meet twice more this season, in the Florida Invitational on March 9 and in the Big Ten Championship on March 23-24.

RECORD CROWD OF 2,311 WATCHES MINNESOTA/OREGON STATE MEET — Four arena records were set Saturday at Williams Arena before a record crowd but it was fifth-ranked Oregon State which set them. The Beavers' team score of 188.75 was a record as were junior all-American Joy Selig's scores on the balance beam (9.80), floor exercise (9.80) and all-around (38.90).

Minnesota had a solid meet, however, recording a 185.85 and enabling the team to drop a 184.15 in its regional qualifying average (the average of the best five team scores of the season, which must include two home and two away scores). The Gophers' score could have been higher but Minnesota lost 2.5 points with five falls on the bars, beam and floor exercise.

JUHASZ-NAGY SHOWING CONTINUED IMPROVEMENT — Freshman **MONIKA JUHASZ-NAGY** (BUDAPEST, HUNGARY) made her all-around debut Saturday and scored a 36.00, which included personal highs on the vault (9.50), uneven bars (9.00) and balance beam (9.40).

Senior co-captain **MARIE ROETHLISBERGER** (AFTON, MN), performing in her last regular season home meet, finished first on the uneven bars with a 9.75 and second all-around with a 37.90. Junior **CATHY ZOLKOWSKI** (NEENAH, WI) tied a career best with a 9.25 on the bars.

SOFTBALL

ROAD TRIP #3 — The University of Minnesota softball team will attack the road for the third consecutive weekend. The team will be competing in the Troy Cox Roadrunner Invitational at Las Cruces, N.M. The 10-team tournament hosted by New Mexico State features pool play Thursday and Friday, with championship and consolation play Saturday. Minnesota's pool play features two games with teams ranked nationally in the top three and one return matchup with Fresno State. The Gophers will be looking to avenge last weekend's 8-0 loss to the Bulldogs. Minnesota's pool play schedule is as follows:

Thursday, March 1 —	Minnesota vs. Colorado State	10:00 a.m. MST
	Minnesota vs. New Mexico	4:00 p.m. MST
Friday, March 2 —	Minnesota vs. No. 2 Fresno State	12:00 p.m. MST
	Minnesota vs. No. 3 Arizona	6:00 p.m. MST

CHALLENGE RESULTS — Minnesota finished second in the Fresno State Pepsi Softball Challenge, defeating U.S. International and New Mexico State while losing to host Fresno State. The 4-0 win over U.S. International and the 3-0 defeat of New Mexico State were Minnesota's first back-to-back wins of 1990, as well as its first two shutouts of the season. The Gophers were outmatched by the second-ranked Bulldogs in the final. Eight of nine Fresno State starters got hits, and Minnesota left 11 runners on the basepaths. The Gophers placed two players on the all-tournament team, designated player **LEZLIE WEISS** (FOREST LAKE, MN) and infielder **DOTTIE CONROY** (ANOKA, MN).

PITCHING STARS — Both **BRENDA BIXBY** (ESTHERVILLE, IA) and **ROBIN BUMPUS** (MUNNSVILLE, NY) threw their first shutouts of the year in Fresno. **Bixby** limited U.S. International to three hits Friday, earning her 13th shutout of her Minnesota career. That mark ties her for fourth place on the all-time Minnesota list. **Bumpus** retired the first 15 New Mexico State hitters in order before yielding a bad-hop single to the leadoff hitter in the sixth inning. She hit one batter in the seventh inning, but retired the rest to earn her 6th career shutout. **Bumpus** has yet to yield an earned run in 24 innings, while **Bixby** has not given up an earned run in her last 19.7 innings.

HITTING HIGHLIGHTS — **Lezlie Weiss** was the only Gopher to hit in all three games at the Fresno tourney. The freshman from Forest Lake hit .444 (4-for-9) in the tournament to raise her team-leading average to .378. **Weiss** also leads the team with 14 hits and six runs batted in. Senior shortstop **SARAH WINSLOW** hit .375 (3-for-8), including two doubles. She has five extra-base hits (four doubles, one triple) to lead the squad and also has scored a team-leading five runs.

STAT NOTES — Gopher baserunners were perfect on the weekend, going 5-for-5 in stolen bases, including two steals of home. After committing 25 errors and losing six passed balls in Arizona, Minnesota's defense settled down in Fresno, committing only one error and surrendering no passed balls. The Gophers have scored 56% of their runs (25 of 45) in two innings, the second and the sixth. In seven of the eight games in which both teams have scored, the team that has scored first has only won once.

BLANK OUT FOR THE SEASON -- Minnesota junior **KARI BLANK** (OAKDALE, MN) is out for the season due to an injured left knee suffered during the Gophers' first road trip. Blank tore the anterior cruciate of her left knee when she landed on first base in a game against U.S. International. She will have reconstructive knee surgery next month. Blank led the Gophers in hitting last year with a .288 batting average and was hitting .500 (4-of-8) at the time of the injury.

BADGER BRIEFS -- Wisconsin (7-17, 2-12) is back at the bottom of the Big Ten along with the Gophers, setting the scene for another cellar dweller battle. When the Badgers visited Minnesota on Feb. 4, both teams were 6-11 and 1-6. Wisconsin came out on top 76-75 on a basket at the buzzer, ending its 15-game Big Ten road losing streak and leaving the Gophers alone at the bottom of the conference. Could revenge play a factor in this contest? Stay tuned to **WWTC-1280 AM** for all the details, with **Paul Johnson** on the play-by-play and **Laura Coenen** handling the color commentary.

LAST SEASON -- Wisconsin finished the season with its best record in six years at 13-14. The Badgers were 5-13 in the Big Ten, tied for eighth with Michigan. The team set or tied 31 team and individual records, including a six-year old record for most consecutive wins (seven) during the non-conference season.

WATCH FOR -- Sophomore forward **Michele Kozelka**, who hit a basket at the buzzer at Williams Arena, giving the Badgers the 76-75 win. Kozelka leads the Badgers in scoring with a 13.4 points/game average and in rebounding at 9.0 rebounds/game. Sophomore guard **Robin Threatt** averages 13.1 points/game for the Badgers and did the most damage against Minnesota in the last meeting, scoring 22 points and making five steals. Sophomore guard **Amy Bauer**, who is scoring 9.4 points/game, tallied 14 points and six assists against the Gophers in Minneapolis this year.

THE SERIES -- Minnesota leads 15-7, but has split with the Badgers in the last three seasons. Last year, Minnesota got its biggest win over Wisconsin since the 1986-87 season with a 25-point victory, 83-58 in Minneapolis. At Madison, however, it was the Badgers by 17, 78-61.

THE COACH -- Mary Murphy (Northwestern '80) is in her fourth season at Wisconsin and carries a 33-73 (.311) record.

BASKETBALL CONTINUED --

WILDCAT WHISPERS -- Northwestern (20-3, 11-2, prior to meeting Illinois Feb. 26 and Iowa March 2) is looking for its first-ever Big Ten basketball title. The Wildcats leaped three spots in the Associated Press Top 25 poll this week after defeating Purdue 66-62 in West Lafayette, Ind. Northwestern is now ranked 13th, an all-time high. Meanwhile, Iowa moved into 11th place in the poll after trouncing Ohio State 94-51 on Friday, the Buckeyes' worst loss in school history. Purdue fell to 16th in this week's poll.

LAST SEASON -- Northwestern finished a disappointing season with an 11-17 record and tied for sixth in the Big Ten with a 6-12 mark. A series of injuries caused head coach Don Perrelli to experience his first losing season in 13 years as a head coach. This year, however, several players have returned to their rightful spots in the lineup and are helping the Wildcats hold on to first place in the Big Ten.

WATCH FOR -- Sophomore forward **Michele Savage**, academically ineligible a year ago, leads the Wildcats in scoring and rebounding. She is hitting 17.8 points/game in conference contests and snaring 9.0 rebounds/game. THE SERIES -- Northwestern leads 15-6 and has won the last four meetings, including a 99-81 victory at Williams Arena this season. Minnesota lost a tough 89-86 decision at home last year and dropped a 69-60 contest in Evanston, Ill.

THE COACH -- Don Perrelli (Southern Connecticut State '61) is in his sixth year at Northwestern and holds a 97-67 (.591) record with the Wildcats. In his 14th season of collegiate coaching, Perrelli is 272-138 (.663).
