Energy Workshop

(0:15)

An energy workshop for elementary and secondary teachers will be at 9 a. m. April 18th on the University of Minnesota's St. Paul Campus.

One of the topics will be the implications of achieving a 10-percent reduction in home electricity consumption.

Food Prices

(0:20)

University of Minnesota home management specialist Edna Jordahl says food prices continue their 1973 spiral.

The first quarter of this year probably showed greater price hikes than the current three-month period will. But the U. S. Department of Agriculture expects increases of about 12 percent during 1974.
