Food Conference

B-B-D-and-O Advertising Agency President James Jordan will speak the morning of October 26th at a conference at the University of Minnesota's St. Paul Campus.

Also speaking at the Food--Getting the Picture into Focus Conference will be prominent Washington lawyer James Turner. Turner is the author of the book, "Chemical Feast."

(News director: Speakers will meet the news media from 12:30 to 1:30 p.m. October 26 in the Student Center. Contact Miriam Shapero or Dallas Hoover at 376-3414 or phone 373-1071.)

Ed & Edith

(0:30)

Get acquainted with ED and EDITH during Fire Prevention Week (Oct. 9-15), says Extension Safety Specialist Robert Aherin. ED stands for early detection, meaning that every dwelling should have at least one early-warning smoke detector.

EDITH means exit drills in the home. Know what to do once the detector goes off. University FIRE CENTER's Frank Oberg says plan an escape route with at least two exits for each person in the family and practice the plan.
