Hort Center Open House

(0:35)

The University of Minnesota's Horticulture Center in Carver County will hold an open house Saturday (September 22). The center is located five miles west of Chanhassen on Highway Five.

Wagon tours of the facilities start at 9 a. m. Walking tours of the raspberry patch will be at 10 a. m. and 1 p. m. Discussions and demonstrations on grafting and pruning will be at 11 a. m. University specialists will advise home gardeners on insect and disease problems they have experienced with their fruit plants. Home gardeners are invited to bring samples of damaged fruit plants.

Planting Garden Lilies

(0:10)

University of Minnesota horticulturists say fall is planting time for hardy garden lilies. Bulbs are perishable though. So replant them as quickly as possible after they are dug.
