Whereas the Regents of the University of Minnesota, a Minnesota public corporation, proposes to create an issue of bonds to be issued pursuant to an indenture to be entered into between this corporation and

2. This corporation create an issue of bonds to be known as the University of Minnesota Morris Dormitory Revenue Bonds of 1966 to be issued under and pursuant to the indenture authorized by paragraph numbered 1 of this resolution in the aggregate principal amount of \$575,000, which issue of bonds shall contain the provisions, terms and conditions as are set forth in said indenture.

3. The Vice President, Business Administration, is hereby authorized and empowered to cause a notice of sale of the Bonds in the form presented to this meeting, with the omissions therein completed by him, to be published in The Bond Buyer, and to prepare and distribute an official Statement of Essential Facts for the Bonds.

4. The President and each Vice President are hereby authorized and empowered to open and review the bids received and to accept or reject bids in the name and on behalf of this corporation.

5. After acceptance of a bid or bids, the President or any Vice President are hereby authorized and directed to execute from time to time in the name and on behalf of this corporation and under its corporate seal attested by the Secretary or an Assistant Secretary, University of Minnesota Morris Dormitory Revenue Bonds of 1966, in an aggregate principal amount not in excess of \$575,000, with such Bonds in coupon form, if any, having annexed thereto appropriate interest coupons bearing the facsimile signature of the Treasurer, and to deliver such Bonds to Northwestern National Bank of Minneapolis, as Trustee under said indenture, for authentication and delivery pursuant to the provisions of Article Two of said indenture upon the written order of this corporation signed by the President, a Vice President, the Secretary or the Treasurer.

7. The following parietal rules, rental rates and charges for the occupancy and use of the Project facilities are hereby established and shall be maintained so long as any of the Bonds are outstanding:

- a. In the event more space or facilities should become available for housing purposes then are required by students applying for such space or facilities, the officers of the University are hereby directed to give preference and priority to the use of the Project, resulting to the extent practicable in the occupancy and use of all the space and services of the Project, even if such preference results in the non-use of all or a part of any other similar space or facilities available at the Morris campus of the University which may be suitable or usable for housing purposes.
- b. To the extent any surplus space or facilities shall ever become available in the Project while any of the Bonds remain outstanding and unpaid, it shall be the duty of the officers of the University to enforce a rule requiring occupancy and use, to the extent practicable, of the Project by students attending the schools of the University situated at the Morris campus and this provision shall be considered as a rule of guidance of said officers.
- c. The officers of the University are hereby directed to utilize and to cause the utilization of the Project in such manner that it will yield the maximum revenues of which it is reasonably capable, to the end that the Bonds may be adequately serviced.
- d. The initial rates to be charged for the Project on the Morris campus shall be not less than \$285.00 per quarter for room and board.
- e. The parietal rules, rental rates and charges set forth in paragraphs (a) through (d) of this section 7 of this Resolution shall be amended from time to time to meet changing conditions in order to better assure the fulfillment of this pledge.
- f. The parietal rules set forth in this section 7 of this Resolution shall be subordinate to the parietal rules heretofore adopted in connection with the issuance of the University of Minnesota Morris Dormitory Revenue Bonds of 1964.

8. The officers of this corporation are hereby authorized and directed to execute such certificates, documents and other papers, to do such things and to take such action as they, or any of them, shall deem necessary or proper to enable this corporation to perform and comply with the terms, provisions and obligations of this corporation under said Loan Agreement, said indenture and the Bonds.
