

UNIVERSITY OF MINNESOTA
BOARD OF REGENTS
SPECIAL COMMITTEE
MINUTES

June 12, 1940

A meeting of the Special Committee on Public Works Administration Projects of the Regents of the University of Minnesota was held on Wednesday, June 12, 1940 in the Regents' Room in the Administration Building at the University of Minnesota, Minneapolis, Minnesota at two o'clock.

Present: Regent Wood, presiding; Regents Lawson and Snyder, and Mr. Ford. (Mr. Bell absent from city)

After discussion and upon motion by Regent Fred B. Snyder, and duly seconded by Regent George W. Lawson, with the recommendation of W. F. Holman, Supervising Engineer, Professor Roy Childs Jones, University Advisory Architect, Johns H. Hopkins, Decorative Consultant, and W. T. Middlebrook, Comptroller, to approve the award of contracts for furnishings, equipment, and outside grounds work for the Dormitory for Women, Docket No. Minnesota 1415-F, the following resolution was submitted to the Special Committee on Public Works Administration Projects of the Regents of the University of Minnesota for its approval:

A resolution awarding contracts for furnishings, equipment, and outside grounds work for the Dormitory for Women, Docket No. Minnesota 1415-F.

WHEREAS, bids for the furnishings, equipment, and outside grounds work for the Dormitory for Women, Docket No. Minnesota 1415-F, were opened at two o'clock p.m. on June 4, 1940, the aggregate of the unqualified low bids on all items advertised for being in the amount of \$156,140.14, and

WHEREAS, the budget for the construction and furnishing of the project is in the amount of \$754,314, which is now obligated

in the amount of \$630,886.61, resulting in a balance of \$123,427.39 with which to complete the project, and

WHEREAS, the aggregate of all acceptable low bids for furnishings, equipment, and outside work exceeds the available balance by the amount of \$32,712.75, it is deemed advisable to take the following actions:

A. Reject Bids B, F, G, K, L, M, Q, and Q1, which bids include carpets and rugs, accessories, lamps, chinaware, glassware, and cooking china, silverware, cooking utensils, and piano, to bring the present contract awards within the available fund of \$123,427.39. It is possible to forego the purchase of the new equipment mentioned until such time as further funds become available without seriously impairing the operation of the building for the following reasons:

a. Finished floors are provided throughout the building and the temporary omission of carpets and rugs will not prevent use of the building.

b. The accessories proposed consisted of ash trays, sand jars, fireplace tools, and waste baskets. All items except waste baskets can be dispensed with and waste baskets can be advanced from warehouse stock.

c. Lamps proposed for purchase included students' study lamps and bed lamps to the value of \$9,238.50, as revealed by a breakdown of low lamp Bid G, which was in the amount of \$11,755. In all University of Minnesota dormitories study and bed lamps are provided by the students themselves. This policy can be followed in this instance. Suitable miscellaneous lamps for lounges and commons rooms can be advanced through the University warehouse.

d. The purchase of new chinaware, glassware, silverware, and cooking utensils can be dispensed with until other funds become available by equipping this building temporarily with used equipment of this nature from Shevlin Hall, which will not be used for food service following the opening of the Coffman Memorial Union Building

e. By transferring a used piano from the present Union Building to the Dormitory for Women following the opening of the Coffman Memorial Union Building the purchase of a new piano at this time can be dispensed with.

B. Award contracts covering bids A, A1, A2, E, H, O, P, R, S1, S2, S3 with deductive alternate S5 accepted, S6, S7, and T11 to the low bidders.

C. Reject the low bid in the amount of \$4,500 as submitted by the Advance Venetian Blind Corporation, Chicago, Illinois under Bid C, for glass curtains and draperies, and award a contract covering this bid to the Emporium of St. Paul, Incorporated, St. Paul, Minnesota on the basis of the second low bid as submitted by that firm in the amount of \$9,815.60 for the following reasons:

The bid submitted by the low bidder was not accompanied by the required bid security and waiver of this omission on

the part of the bidder was not deemed advisable for the reason that the low bid when compared with all other bids submitted on item C is obviously an error and represents an amount entirely inadequate for the execution of this contract in accordance with specifications.

D. Reject the low bid in the amount of \$184.50 as submitted by the Monroe Calculating Machine Company under Bid N for office equipment and award a contract covering this bid to Boutell Brothers, Incorporated, Minneapolis, Minnesota on the basis of the second low bid as submitted by that firm in the amount of \$577 for the following reason:

Bid submitted by the low bidder was qualified to exclude all items included in Bid N except the adding and subtracting machine.

E. Authorize and direct that payment of the fee to Mr. Johns H. Hopkins, Decorative Consultant, be made from the Department of Buildings and Grounds Engineering Authorization M5376, Budget 6838-4100, this fee being in the nature of an engineering expense for the preparation of furniture and furnishings drawings, specifications, and schedules.

WHEREAS, such actions are recommended by W. F. Holman, Supervising Engineer, Professor Roy Childs Jones, University Advisory Architect, Johns H. Hopkins, Decorative Consultant, and W. T. Middlebrook, Comptroller.

Now, therefore, be it resolved by the Special Committee on Public Works Administration Projects of the Regents of the University of Minnesota:
