Voted unanimously by standing vote to approve the following resolution:

WHEREAS, For thirty-eight years our venerable friend and esteemed colleague, Fred B. Snyder, has diligently and valiantly served as a member of the governing Board of this University, of which he is one of the oldest, and one of the most distinguished graduates; and

WHEREAS, For the past thirty-six years he has sat with enviable distinction at the head of the Board table as its presiding officer, and from that vantage point of trust and honor has guided the deliberations of his colleagues with rare wisdom and acumen that have won the unstinted admiration and respect of all those who have worked with him; and

WHEREAS, Through all the vicissitudes that inevitably beset the fortunes of any human institution, including those of higher education, he has served as a powerful and stabilizing influence in the course of this University's development to its present place of eminence and prestige; and has set the living example of integrity upon which public confidence in the institution must depend; and

WHEREAS, His judgments of men and of their times have invariably proved sound and productive, to the great good of the University to which he has so selflessly devoted himself; and

WHEREAS, Above all else, he is to us a man of appealing charm and utter graciousness, beloved by all who know him; therefore,

*Be It Resolved*, That we, his colleagues on the Board of Regents, respecting as always his judgment and his wishes, do with profound regret accept his decision to lay down the responsibilities of the Board chairmanship; but we do rejoice that his vast experience and accumulated wisdom will still be available for guidance in our deliberations as he continues to sit with us. His epic service we recognize and honor with this resolution; his continuing friendship and partnership we cherish regardless of the position

of his chair at the table. As evidence of all of this, and of the feelings that words cannot encompass, we place this action in our minutes, to become a part of the enduring record of the University of Minnesota, with which the whole life of the Honorable Fred B. Snyder has become so indelibly associated.
