Voted to approve the following resolution:

RESOLUTION

WHEREAS, The University of Minnesota has for many years diligently carried forward pioneering studies of the dread disease, brucellosis; and

WHEREAS, The outcomes of this fundamental research, involving the significant collaboration of the Medical School and the School of Veterinary Medicine, have attracted world-wide attention; and

WHEREAS, The World Health Organization and the Food and Agriculture Organization are now cooperating in the establishment of a number of Brucellosis Centers for research and training in various countries of the world; and

WHEREAS, The University of Minnesota, by virtue of its contributions to science and human well-being through its brucellosis studies, has been invited by the World Health Organization and the Food and Agriculture Organization to be the Brucellosis Center for the United States;

Therefore, Be It Resolved, That the Regents of the University of Minnesota, upon recommendation of the Dean of Medical Sciences, the Dean of the Department of Agriculture, and the President, fully mindful of the honor and trust that are implicit in this invitation, do accept it; and in so doing they express in this formal manner their pride and their satisfaction in the fact that the outstanding scholarship and scientific achievement of members of the staff have resulted for the University of Minnesota in this signal recognition.

Voted to approve and authorize execution of agreement with the United States Government for the use of the services of Dean A. F. Spilhaus, Institute of Technology, filed supplement to the minutes, page 5880.

The Board having under consideration the generous gift for the purpose of establishing in the Worthington area an Agricultural Experiment Station, voted to request the President to indicate grateful appreciation of the offer, but decided to postpone definite consideration until further information was available to them with regard to the possibility of privately maintained stations together with the experience of other States in this matter.

Voted as an exception to the general policy to authorize the use of Grand Rapids facilities for professional football purposes during the summer of 1951, beginning July 26, 1951, under proper contractual arrangements.

The President discussed with the Board briefly the possibility of state legislation separating the Agricultural Extension Service from certain cooperating agencies.

Voted to refer to the President and the Business Vice President with power acceptance of bids due February 21, 1951, for the completion of the Mayo Memorial Building, provided bids received are within the funds available, with the understanding that bids will be reported to the Board at the March meeting.

Voted to designate Helmick and Lutz, Minneapolis, Minnesota, successors to Helmick, Edeskuty, and Lutz, as consulting heating plant engineers for the University.

Voted to approve the following statement:

Some questions have been raised regarding the expansion of University-owned housing facilities for students. This may be interpreted as a step in eliminating fraternities and sororities as housing units. The Regents wish to make it clear that such is not the intent of the University.

Fraternities and sororities are an integral part of the University both as student organizations and housing units.

In the expansion and uses of University student housing facilities, every consideration will be given to the equities and interests of fraternities and sororities.

The President discussed briefly with the Board the recommendations of the Public Administration Service and of the Commission on Efficiency in Government, the "Little Hoover Commission," and agreed to discuss them more fully at a later meeting after sending copies to the Regents.

Voted to authorize upon request of the Dayton Company transfer of the gift of \$10,000 from the Naval ROTC Building Fund to the G. Nelson Dayton Fund for Cancer Research. (Letter of Donald C. Dayton filed supplement to the minutes, page 5881)
