The President presented and discussed briefly the report of the land needs of the Medical School as prepared by a Medical School Committee, which report is filed supplement to the minutes, page 5925.

Voted to authorize the Business Vice President to execute an assignment of any claim against the Minneapolis Gas Company for repair of the broken water main to the Mechanical Aeronautical Engineering Building, to Egan and Sons Company.

Voted to authorize revision of the Legislative requests requested by Representative Claude H. Allen, Chairman of the House Appropriations Committee, in accordance with letter filed supplement to the minutes, page 5926.

The President having presented the Minnesota Council of Religion request for displaced persons scholarships, voted to instruct the President to advise the Council that the University, in view of its present financial condition and the need for scholarships in other areas, is not now in a position to establish the requested scholarships for displaced persons.

The President reported to the Board on the House and Senate University Committees relative to the case of Dr. Joseph F. Weinberg.

The President reported for the information of the Board and to complete the record, that the following resolution was adopted by the joint convention of the two houses of the Minnesota State Legislature on January 31, 1951:

#### RESOLUTION

WHEREAS, On the 21st of this coming month of February, the Honorable Fred B. Snyder of Minneapolis will achieve the venerable age of ninety-two, and

WHEREAS, His long and vigorous life stands as a memorable symbol of devoted and broad-visioned public service; and

WHEREAS, Over a half century ago—in 1896—he was elected a member of this House, and two years later was elected a member of this Senate, in both of which he served with eminence and distinction, and

WHEREAS, In 1912, he was named a Regent of the University of Minnesota (and chairman of its Board in 1914) and has through the years that followed devoted himself unceasingly to furthering the growth of the University in educational influence and service, and

WHEREAS, Failing health, though no weariness of spirit, now prompts him to submit his resignation and step aside so that the burdens of University responsibility may be carried on younger shoulders than his,

*Therefore, Be It Resolved*, That the House and Senate of Minnesota in joint convention do record their admiration, their sense of gratitude, and their respect for the manifold contributions made to the welfare and the progress of the State of Minnesota and to its University by the Honorable Fred B. Snyder, and

*Be It Further Resolved*, That there be extended to the Honorable Fred B. Snyder the warmest of greetings and the kindest of wishes as he approaches another milestone in the notable career that has in truth made him, for the state and for the University, "a builder of the name," and

*Be It Further Resolved*, That the Secretary of the joint convention be and he is hereby directed to forward to the Honorable Fred B. Snyder an enrolled copy of this resolution.

The President reported for the information of the Board the following commendations of services of the staff:

From C. A. Pederson, Superintendent of Schools, Montevideo, Minnesota, relative to the Committee on Extension Courses, College of Education, expressing appreciation for the five-town circuit of courses carried on by the College of Education.

From Dean C. H. Bailey, Department of Agriculture, reporting the selection of Professor R. S. Dunham as an Honorary Premier Seed Grower for 1951, by the Minnesota Crop Improvement Association and the Northwest Crop Improvement Association.

Voted to approve the following outside service of the staff:

Professor George M. Schwartz, Geology and Mineralogy, and Director of the Minnesota Geological Survey, to serve as a consultant to the United States Geological Survey and the United States Bureau of Mines, in connection with the work of the Defense Minerals.

Professor John H. Williams, Physics, to serve as a consultant to the Armed Forces Special Weapons Project.
