Voted to accept the offer of the Northern States Power Company for the purchase of gas mains installed in portions of Hoyt Avenue, Burton Street, and Folwell Street in the east end of University Grove and to authorize the proper officers to execute Bill of Sale to effectuate this transfer of title, in accordance with agreement filed supplement to the minutes, page 8648.

The President reported to the Board the interest of certain local industries and the University in possible cooperation in the field of nuclear engineering, which group has under consideration the provision of a nuclear facility to cost approximately \$50,000.

The President reported for the information of the Board and the record that he was in receipt of a letter from Mr. Walworth Barbour, Deputy Assistant Secretary for European Affairs, Department of State, the visit of Soviet agriculturalists.

The President presented for the information of the Board and the record the letter received from Mr. W. S. Moscrip, President, Minnesota Dairy Industry Committee, expressing appreciation for the support by the President and the Board of Regents in making possible the securing of the appropriations for funds for the Soils, Dairy and Veterinary Science Buildings on the St. Paul Campus.

The Academic Vice President, on behalf of the President, reported that Mrs. Edward Touhy of Duluth, through her brother Mr. Howard Lyon of Miami, had indicated a desire to make a gift to the University that would permit inclusion of an art gallery in the planning of the new humanities building on the Duluth Campus, and possibly the inclusion of a music practice hall. It was voted to authorize the architects, in the initial planning of the building, to study the possibilities of such additions, working within a maximum possible gift of \$150,000.

Dean Harold Macy of the Institute of Agriculture and Dr. H. J. Sloan, Director, Agricultural Experiment Station, outlined for the Board the program for research at the Agricultural Experiment Station with particular attention to projects that bear on the agricultural interests of Minnesota. Outlines of the research program were distributed and filed supplement to the minutes, page 8649.

Voted to grant authority to Edwin Benjamin Weston, Instructor, Department of Astronomy, College of Science, Literature, and the Arts, to offer a course in astronomy at Macalester College, St. Paul, during the academic year 1955-56.

Voted, upon recommendation of a special committee by the Vice President, Academic Administration, and with the approval of the President, to authorize a change in the curriculum of the Course in Mortuary Science, General Extension Division, from the present two-year basis to a three-year basis, effective 1955-56, thus bringing the program into conformity with legislation enacted by the 1955 Minnesota Legislature.

Voted to approve the recommendation of the University Committee on Honors involving the granting of Outstanding Achievement Awards, filed supplement to the minutes, page 8650.

Voted to approve the granting of an Honorary Master of Arts degree to be conferred on Mr. Carl F. Hellstrom, Swedish Consul General in Minneapolis, filed supplement to the minutes, page 8651.

Voted to approve the following special arrangements involving tenure status :

Extension of the appointment of Allan A. Blatherwick, instructor in Mechanics and Materials, Institute of Technology, as an instructor on a non-regular basis for the academic year 1955-56, to permit him to continue his graduate work toward the Ph.D. degree.

Continuation of the appointment of Norman W. Moen as instructor in the General College, on a non-regular basis for the academic year 1955-56, in order to permit him to complete his work for the Ph.D. degree.

Continuation of the appointment of Morgan Blum as instructor in General Studies, College of Science, Literature, and the Arts, on a non-regular BX basis for the academic year 1955-56.

Continuation on BX, non-regular basis of R. Norine Odland, instructor in the University Elementary School, during the academic year 1955-56. Miss Odland was initially employed in the academic year 1951-52 on an item that carried tenure rights. Subsequently she was transferred to an item involving temporary funds. The action here proposed establishes the fact that Miss Odland is conscious that she has been shifted from a tenure item to a non-tenure status.

Continuation of the appointment of Esther J. Olson, instructor in the General College, on a non-regular basis for the academic year 1955-56, to permit her to continue her studies leading to the Ph.D. degree.

Voted to approve the request that Mattine F. Decker be permitted to remain in University service beyond her compulsory retirement date up to and including September 6, 1955.

The Academic Vice President reported that the President had received a letter from Dr. P. H. Costello, Secretary of the American Council on Pharmaceutical Education,

transmitting the approved report of the examiners which was adopted by the Council June 23-24, 1955 accrediting the College of Pharmacy as a Class A College.

Voted to approve one-year appointment for 1955-56 of Dr. Herbert Heneman of the Industrial Relations Center staff of the School of Business Administration as a member on the Civil Service Committee. Dr. Heneman will replace Professor John Turnbull of the School of Business Administration who will be on leave of absence during 1955-56.

Voted to approve, upon recommendation of the Supervising Engineer, the Business Vice President and the President, the awarding of contracts to the low bidders for additional work in connection with the heating plant and tunnels on the St. Paul Campus. The low bids received are as follows:

I. Heating Plant and Tunnel Piping

Base Bid VI	9,451
<hr/>	
Total of the above low bids	\$212,572

Funds are derived from the 1953 legislative appropriation of \$1,500,000.

Voted to approve the recommendations of the Civil Service Committee to change salary ranges under three general headings:

Recommendations of Public Administration Service following their study of some 50 to 60 Civil Service classes—mostly single positions in the middle to top management group; and recommendations made as a result of study by the University Civil Service Department of classes related to those studied by P.A.S.

To equalize salary ranges with State Civil Service. These are changes which the State has already made.

To correct salary range inequities within the University Civil Service.

Voted to accept the provisions of the bequest in the will of Dr. Robert Best bequeathing \$26,983.70 for use of the Medical Department and to establish a special budget for the funds, in accordance with correspondence filed supplement to the minutes, page 8651-A.

Voted to establish the Frederich Klaeber Memorial Scholarship Fund with the money received through the gift of former Professor Frederich Klaeber in accordance with the terms and conditions filed supplement to the minutes, page 8652.
