RESOLUTION

WHEREAS, The Regents did at their meeting on October 26, 1957, authorize Mr. W. T. WHEREAS, Said Mr. W. T. Middlebrook is currently absent from his office and the United States, and will continue so to be for an indefinite period of time;

Now, Therefore, Be It Resolved That Mr. L. R. The President reported for the information of the Regents receipt of an invitation from Regent Richard L. Griggs to conduct the Regents' July meeting at Duluth. Regent Neumeier reminded the Board of his earlier invitation to hold its July meeting at Stillwater on board the University Centennial Showboat. Action on the dates and place for the July meeting was postponed, pending study of the Showboat schedule and further consideration of the invitations generously extended by both Regents Griggs and Neumeier.

Fenske having reported for the information of the Regents on the study by the agricultural staff relating to the establishment of college-level curricula at the Schools of Agriculture, voted to accept the study for later consideration and file it supplement to the minutes, page 10,652, and also that copies of the report be sent to the Legislative Interim Commission on Higher Education and the Legislative Interim Commission on Schools of Agriculture.

President Morrill having presented to and discussed with the Regents in detail the 1958-59 proposed Budget, voted to approve said Budget as presented, filed supplement to the minutes, page 10,654, Regent Olson voting in the negative.

The Comptroller having informed the Regents that notice of public hearing had been published concerning the adoption of Ordinances 1 through 4 governing the operation of vehicles on the St. Paul Campus and Ordinance 5 regarding the appointment of police officers, Regents did conduct said public hearing and there being no appearances in opposition, voted unanimously to approve the resolutions adopting said Ordinances, resolutions filed supplement to the minutes, page 10,655.

The Comptroller reported for the information of the Regents that the District Court, Fourth Judicial District, had rendered a judgment in favor of Regents' action, which now permits the Regents, upon later appropriate action, to dispose of the so-called Eustis West River Road tract with the proceeds being credited to the permanent endowment known as the Minnesota Hospital and Home for Crippled Children Fund, copy of judgment filed supplement to the minutes, page 10,656.

The Comptroller having reported for the information of the Regents the availability of the Silas McClure Medical Research Fund pursuant to the provisions of Article XI of the will of Silas McClure for medical research as shall be determined by the Regents, on recommendation of the Comptroller and the President, and concurred in by W. The Comptroller reported for the information of the Board that all bids on the St. Paul Campus Dining Center had been rejected because the low bids greatly exceeded the funds available and that at a final meeting held in connection with this matter it was President Morrill's judgment, concurred in by Deans Macy and Fenske and Messrs. Lund, Close, and Lunden, that all bids be rejected and that further consideration be given to (1) the possibility of further re-design so that construction would come within available funds or (2) the possibility of modifying the building request as it now stands to include a sum as a deficiency appropriation for this facility. Regent Malkerson requested that a report be made to the Regents at their next meeting, if possible, analyzing and identifying the discrepancies between the architects' estimates and the actual bidding on the proposed construction contract for the Dining Center.
