Papers and Presentations

Albrecht, L.D. (March, 1999). panelist, "Intersections of Racism and Homophobia/Heterosexism," Conference on College Composition and Communication, Atlanta, Ga. (juried).

---. (March, 1999).paper, "Anti-Racism as Visible Action: Teaching and Writing about Whiteness," Conference on College Composition and Communication, Atlanta, Ga. (juried)

---. (March, 1999). keynote address, "Taking Back Feminist Activism: Women's Studies and Social Transformation for the New Century," Women's History Month Keynote Address, College of St. Catherine, St. Paul, Mn.

(invited)

---. (February, 1999).workshop, "Popular Education and Alliance Building," with Rose Brewer, Commonfire Conference: Coming Together Across Issues and Borders for Economic, Environmental and Social Justice, North American Alliance for Popular and Adult Education, Tucson, Az. (invited)

---. (August, 1998). paper, "From Inequalities to Equalities: Strategies for Multicultural Classrooms, National Conference of Teachers of English, 3rd International Conference -- Global Conversations on Language and Literacy, Bordeaux, France. (juried)

---. (June, 1998). speech, GLBT Reception for President Mark Yudof. (invited) Amram, F.M.B. (1998). 1001 Wonderful Stories: Morphological Synthesis in the Classroom. National Inventive Thinking Association. Las Vegas. (juried)

---. (1998). Woman Inventors Change the World. National Inventive Thinking Association. Las Vegas. (juried)---

---. (1998). Way Cool: Stories of African American Inventors. National Inventive Thinking Association. Las Vegas. (juried)

---. (1998). From Indian Corn To Outer Space: American Woman Inventors. American Creativity Association. Houston. Paper illustrated with slides. Juried.

---. (1998). Creativity and Problem Solving Through Inventing. Second International Conference on Talent Development. Winnipeg. 1/2 day workshop.

---. Presented three 1/2 day workshops for the Academy for Creative Education (a national program for teachers and administrators at Hampshire College (Amherst, MA). 1998. Invited. Two of these workshops were presented three times.

--You Too Can Be An Inventor (Basic creative problem solving skills)

--1001 Wonderful Stories (Creativity applied to language skills)

--Critiquing With Hugs (Classroom critiquing skills)

---. (1999) A Woman's Place Is In The Patent Office. Patent and Trademark Office. Washington, D.C. Invited keynote speaker at opening of the exhibition "Celebrating the Diversity of America's Creativity: Women Inventors."

Bellcourt, M.A., Cowmeadow, M., Jehangir, R. & Carlson, H. (1999). Implementing a Comprehensive Retention Program: A Model for Change. NACADA National Pre-Conference Workshop. Denver, CO.

Bellcourt, M.A. & Carlson, H. (1999). The Virtual Advisor: Professional Development Opportunities. NACADA National Conference. Denver, CO.

---. (1999). The Virtual Advisor: Professional Development Opportunities. NACADA Region Six Conference. Des Moines, IA.

Bellcourt, M.A. & Cowmeadow, M. (1999). The College Student Inventory: A Model for Change. Noel-Levitz National Conference on Retention. San Francisco, CA.

Brothen, T., Wambach, C., & Hansen, G. (1998). A computer-assisted, personalized system of instruction psychology course for developmental students. Paper presented at the 1998 MNADE Conference, Duluth MN.

Brown-Salmon, A. , D'Urso, L., Trites, J., and Wilson, M.A. (1999). Motivating students to correct fossilized pronunciation errors. Thirty-fourth Annual Teachers of English to Speakers of Other Languages Conference. New York City, NY.

Buckley, Thomas C., "Tension On the Inland Sea and the Great Lakes Naval Militias, 1891 - 1916" Society for Military History, Wheaton, Illinois, April 25, 1998.

---. "Archival Sources for Great Lakes Maritime History," Association for Great Lakes maritime History, Two Harbors Minnesota, September 12, 1998.

Carlson, H.L. (May 1999). The Use of Undergraduate Advising Assistants in a Developmental Advising Model. National Academic Advising Association Conference. Des Moines, Iowa.

Collins, T.G. (1999). Basic Writing and the New Technologies. Conference on College Composition and Communication, Atlanta, GA.

Collins, T.G. and Williams, L.A. (1998). Grants and Grant Writing. MNADE Conference, Duluth, MN.

Garfield, J., delMas, R., & Chance, B. (1999). Using Technology to Improve Statistical Reasoning. Presented at the Joint Mathematics Meetings (San Antonio, January 14, 1999). This was a web-based presentation of software and educational materials available at a website we are developing under an NSF grant (v).

delMas, R. C. (1998). When No Relationship is a Good Relationship. Paper presented at the national Annual Forum of the Association for Institutional Research (AIR), Minneapolis, MN.

Eliason, P., Detzner, D. and Xiong, B. (March 1999). Bicultural Parenting for Southeast Asian Families. Facilitator's all day workshop. St. Paul, MN.

Eliason, P., Detzner, D. and Xiong, B. (April 1998). Bicultural Parenting for Southeast Asian Families. Refugee Studies Center Roundtable. University of MN, Minneapolis, MN.

Fox, J.A. (1999). "From the Stacks to the Web: Transforming Research Technologies in Basic Writing Classrooms." Panel Presenter at the Conference on College Composition and Communication. Atlanta, Ga.

Gardner, L. & Rashne Jehangir. (April, 1998). "Strategies for academic success and identity development in a Multicultural Learning Community." NACADA North Central Region (6) Conference. Minneapolis, MN.

---. (October, 1998). Workshop. The 22nd National Conference on Academic Advising NACADA 98. San Diego, CA.

Gardner, L. et. al. (October, 1998). "Multicultural strategies." The 22nd National Conference on Academic Advising NACADA 1998. San Diego, CA.

Ghere, David and Al Morrison (1998). "Venoms for Vengeance: History, Novels and Movies Surrounding Three Interrelated 'Massacres' in the Northeast, 1755-59." Thirtieth Algonquian Conference. Boston.

Ghere, David and five panel members (1998). "Developing multicultural concerns committees: An option for academic advisors to help highlight multicultural issues in advising and learning strategies." National conference of the National Academic Advising Association. San Diego.

Wilcox, K.J. (1999). Using 'Writing to Learn' activities in anatomy and physiology. Conference on College Composition and Communication. Atlanta.
---. (1998). Project GOLD is working! Girls with disabilities do science, math, and computers. Fulfilling Possibilities: Women and Girls with Disabilities. New Haven.

Wilcox, K.J., & Trites, J. (1998). Building a successful academic future for ESL students: Supplemental instruction for a science course. Fifth Annual Minnesota Association for Developmental Education Conference. Duluth.

Yahnke, R. (October 1998). "The faces of aging: a multimedia workshop." What's New About Getting Old? Fall Aging Conference, sponsored by the Minneapolis Area (and Greater St. Paul Area) Senior Workers' Associations, Brooklyn Center, MN.
---. (February 1999) "AGHE Distinguished Teacher lectures." The Association for Gerontology in Higher Education annual meeting, St. Louis. Two lectures: The Image, the Character, the Story: the Experience of Aging in Literary Works; and Visualizing Old Age: Using Films and Videos in Gerontological Education.

Study Guides

Jensen, M. (1999). Essential Study Partner for Hole's Essentials of Anatomy and Physiology [CD-ROM]. William C. Brown Publishers, Dubuque, IA.

Jensen, M. (1999). Essential Study Partner for Seeley's Anatomy and Physiology [CD-ROM]. William C. Brown Publishers, Dubuque, IA.

Jensen, M. (1999). Essential Study Partner for Hole's Anatomy and Physiology [CD-ROM]. William C. Brown Publishers, Dubuque, IA.

Uthe, R.E. (1998). Early Proterozoic assembly of ancestral North America - a field trip guidebook to east-central Ontario, Canada : Geological Society of Minnesota, 121 p. (plus appendices)

Exhibits

Amram, F. (1999). "Her Works Praise Her: Inventions by Women." Curator of a traveling exhibition funded and implemented by the Minnesota Historical Society.

Exhibition traveled to:

Skokie Heritage Museum; Skokie, IL
Chippewa County Historical Society; Montevideo, MN
Arkansas Museum of Science and History; Little Rock, AR
Faribault Heritage Preservation Commission; Faribault, MN
Skokie Public Library; Skokie, IL
Birmingham Public Library; Birmingham, AL

Albrecht, L.D. Feminist Writers' Series for Challenging Rhetorics: Cross-Disciplinary Sites of Feminist Discourse, Office for University Women, 1999 Special Grants, \$800.

---. Lesbian Writers' Series for Challenging Rhetorics: Cross-Disciplinary Sites of Feminist Discourse, GLBT Programs Office, Small Grants Program, \$300.00.

Brothen, T., P. Kinney & D. Robertson. Developmental Integrative Multimedia Mathematics, NSF, \$99,656.

Collins, T.G., Parshall, S., Wartchow, D., and Williams, L.A. The Role of the Traditional Baccalaureate in Welfare Reform. FIPSE (U.S. Department of Education, \$240,000.

delMas, R. (1998-1999). Co-principal investigator with Dr. Joan Garfield on a National Science Foundation, Division of Undergraduate Education grant (DUE-9752523) for \$100,000 to develop and distribute instructional modules that use simulation software to help students develop abstract statistical concepts.

Ghere, D. "Barriers to College Participation in Minnesota," Just In Time Research Grant sponsored by the Children, Youth and Family Consortium, the Hubert H. Humphrey Institute of Public Affairs and the University of Minnesota Extension Service, \$1500.

Gidmark, J.B. "Works in Progress" Grant, Minnesota Humanities Commission. Funds applied for in May, 1998, for travel, audio-visual, research assistance, and project materials.

---. Paul Cuffe Memorial Fellowship for the Study of Minorities in American Maritime History. Awarded by the Frank C. Munson Institute of American Maritime Studies, Mystic Seaport Museum, \$2000. Used for a research trip in

September to the Blunt White Library in Mystic, CT, the New Bedford Whaling Museum and New Bedford Free Public Library, MA, and the Kendall Whaling Museum, Sharon, CT.

---. (General College) and Lisa Norling (History). "CLA Scholarly Events" Grant. Funds applied for in November 1998 to bring folklorist/balladeer Dianne Dugaw (University of Oregon) to campus for in-class and public lecture-performance.

Jay T. Hatch and Charles Somdahl. Plant and Animal Life Cycles: Two Interactive, Multidimensional Learning and Assessment Modules. TEL, University of Minnesota. \$5,861 for one year.

Jay T. Hatch and Tom Reynolds. Grant Proposal Inquiry for Center for Interdisciplinary Studies in Writing.

Hoisve, R. "Using the Internet to Learn by Teaching", Rae Hoisve, 1998, SEAMS Grant No. 95LHC0007 (Service in Engineering, Architecture, Mathematics, and Science), \$2000 from the Minnesota Campus Compact. Funds for this grant were provided by the federal Corporation for National Service (CNS), as part of the Learn and Serve America: Higher Education Program.

*---. Evaluating the Effectiveness of TEL", Murray Jensen, Principal Investigator, Thomas Reynolds, Teaching Specialist, Rae Hoisve, Assistant Education Specialist, Tina Stavredes, Graduate Research Assistant, 1999. Technology Enhanced Learning Initiatives: \$9749 from the Office of the Executive Vice President and Provost; Small Grants Program for Technology Enhanced Learning.

Jensen, M. 1998 TEL GRANT – \$7,000

---. 1998 TEL GRANT \$9,749

Kinney, P. Developmental Mathematics Via the Internet. University of Minnesota Technology Enhanced Learning Grant. \$8,800 (equipment and salaries)

Robertson, D. Developmental Mathematics Via the Internet. University of Minnesota Technology Enhanced Learning Grant. \$8,800 (equipment and salaries).

Schelske, S. Principal author McNair Grant: Responsible for production of final document-including an evaluation of the past four years to be submitted with the proposal.

Sirc, G. Awarded a Single-Semester leave for Spring 1999, for my project on the use of popular culture materials in the basic writing classroom.

Storla, S. and Collins, T.G. TEL grant Interactive Mathematics Tutoring Online to start an interactive on-line math tutoring service.

Wartchow, D. Author of funded grant to the McKnight Foundation which provides additional funding of \$83,000 for the FIPSE project mentioned above.

Other Research- Related Activities

Albrecht, L.D. Manuscript Reviewer, Negotiating Discursive Authority: What Beginning Adult Women Students Can Teach Us About Learning to Write. N.H.: Heinemann-Boyton Cook.

Amram, F. During the year covered by this report I have lent more than 75 artifacts, dozens of slides, posters, and photos to the Patent and Trademark Museum, Washington, D.C.

---. Advisor to Woman Inventor exhibit, World Intellectual Property Organization, United Nations, Geneva, Switzerland; lent 2 artifacts.

---. "This Year A Woman Invented . . .," article in Glamour magazine, September, 1998, used my research based on an interview.

---. The Inventive Thinking Curriculum Project, Third Edition (a book which is part of an outreach program of the United States Patent and Trademark Office) draws much material from this traveling exhibition and cites the exhibition. The exhibition previously was on display for six months at the PTO.

Brothen, T. Worked closely with Piers Steel, a GRA psychology student to complete a data analysis and manuscript on a very large study of student procrastination that Wambach and I did last year. The manuscript is nearly ready for submission.

Buckley, T. April 9-12, to the University of Wisconsin library, Burlington and Quincy public libraries, Alton, Ill. and Missouri Historical Societies to research the Wisconsin, Illinois and Missouri Naval militias in the 1890-1916 period.

---. April 23-26, to Lisle, Illinois to present a paper on the naval militia and our strained relations with Canada at the annual conference of the Society for Military History.

---. May 6-10, to Marion, Indiana, Springfield Ohio, and Frankfort, Ky. to research truck and highway construction in the 1918-1925 period; to Lexington, Ky. to attend and chair a session at the annual military history conference of the Council On America's Military past; and back to Alton, Illinois to secure material on the Alton division of the Illinois Naval Militia.

---. June 20-July 5, to Washington, D.C. to the Library of Congress and National Archives, to state libraries and archives in Annapolis, Harrisburg, Trenton, Providence, Boston, Hartford, Albany, and to the National Archives of Canada in Ottawa to conduct research on the naval militia and highway construction in the 1890-1916 and 1918-1925 periods respectively.

---. July 26-August 17, to state libraries and archives in Bismark, Boise, Phoenix, Santa Fe, Denver and Pierre to conduct research on highway construction in the 1918-1925 period.

---. August 30-September 3, to conduct research in Thunder Bay and Sault Ste. Marie, Ontario and Marquette and Houghton, Michigan, and the Northern Regional History Center in Ashland, Wisconsin on the Great Northern Steamship Company and the Michigan and Wisconsin naval militias.

---. September 11-14, to give a talk on archival sources for researchers of Great Lakes maritime history at the annual conference of the Association for Great Lakes Maritime History at Split Rock, MN.; and to conduct research at Duluth and Lake Bronson, MN. on the agricultural and maritime enterprises of James J. Hill.

---. September 29-October 3, to Lincoln Nebraska to research highway construction in the 1918-1925 period and to Sioux Falls, S. D. to attend the Northern Great Plains History Conference.
---. October 27-November 19, to Bowling Green, Ohio, Kingston and Ottawa, Ontario, Montpelier, Augusta, Concord, Trenton, Dover, Washington, D. C., Richmond, Raleigh, Columbia, Atlanta, Tallahassee, Baton Rouge, Austin and Oklahoma City to conduct research on the naval militia and highway construction in the 1890-1916 and 1918-1925 periods, respectively.
---. December 22, in between visiting friends and relatives in California I secured some material on the Santa Cruz division of the California Naval Militia in the local history collection of the public library.

delMas, R. Under NSF grant DUE-9752523 I and my colleagues (Joan Garfield, University of Minnesota and Beth Chance, University of the Pacific) are developing a website titled "Tools for Teaching and Assessing Statistical Inference" (http://www.gen.umn.edu/faculty_staff/delmas/stat_tools/index.htm) for the dissemination of software that I have developed and learning activities we have co-developed. The grant runs through the end of 1999. We will work on analyzing data from measurement instruments and video tapes of student interviews, with dissemination of results planned for several conferences during the 1999-2000 academic year.

Eliason, P. Assisted with providing research subjects and disseminating information on research for Dana Lundell and Molly Collins

Gardner, L. Helped five undergraduate students with research materials on the following topics: the impact of the slavery on the Black women, the civil rights movement, minorities in sports, and minorities in Higher Education.

Ghere, D. E-mail exchanges concerning research on Abenaki Indians with two unrelated graduate students, one from the University of Michigan and the other from the University of New Hampshire.

Gidmark, J. As General Editor for An Encyclopedia of American Literature of the Sea and the Great Lakes, I oversee both the editing and the composing of entries written by my six-member editorial board and by some 150 additional contributors. I also supervise the necessary research of my graduate research assistant.

---. As a member of the Bibliographic Committee of the Society for the Study of Midwestern Literature, I develop annotated bibliographic citations for primary and secondary works of Midwestern authors appearing in several periodicals every year. These are submitted to the Society's librarian, compiled, and published each year in an annual bibliography.

Hartley, Debra. Attended the Conference on College Composition and Communication in Chicago in April 1998.

---. Attended the Minnesota Association for Developmental Education Regional Conference in St. Cloud on April 24, 1998.

---. Participated in a Roundtable discussion at the Midwest Writing Centers Association Conference, October 23-24, 1998. We've submitted our presentation for acceptance in *the MWCA Selected Proceedings*.

Dickel, Michael, Denise Dilworth, Julie Eckerle, and Debra Hartley. (1998). Theory and practice in face-to-face and online writing centers: A roundtable discussion. Midwest Writing Centers Association. Milwaukee, WI.

Hartley, Debra A. (1998). Face-to-face with technology: virtual reality checks. Conference on College Composition and Communication. Atlanta.

---. Participate in two online listservs: WCenter (Writing Center focus) and LRNASST (Open Forum for Learning Assistance Professionals).

Hatch, J. Kane Radel. "Historic changes of fish composition in the Little Fork drainage." *UROP* June 1998-December 1998. \$1075 (extended to June 1999)

---. Robert Maresh. "Reproductive schedule of the Topeka shiner." *UROP* January 1999-June 1999. \$1040. James, P. Paul Bagdade, GRA, continued to work with me spring quarter. He was funded by a grants-in-Aid. He interviewed students in GC1481 and helped code and interpret data.

Jensen, M. Summer 1998 McNair Scholars Program

Sirc, G. Asked to join some other top-notch national scholars for a composition workshop virtual conference.

Wambach, C. Presented ideas for a theory of developmental education to a group of colleagues at a GC research forum.

---. Gave the keynote address at the annual General College retreat.

Recognition Received, Research-Related

Albrecht, L.D. I have located five citations of my work in ISI Citation Database Search. It is important to note that since my work is "alternative," there's no way to count the times I've been cited in the alternative press, since there's no citation database yet for the alternative press.

Amram, F. Cited on exhibit panels for contributions to Woman Inventor exhibit, World Intellectual Property Organization, United Nations, Geneva, Switzerland. Also received gifts and "thank you" letter.

---. Cited and received thanks on the introductory panels to several Patent and Trademark Museum exhibitions including "Celebrating the Diversity of America's Creativity: Minority Inventors" and "Celebrating the Diversity of America's Creativity: Women Inventors." The introductory panel of the latter exhibition included the following recognition: *"The Patent and Trademark Museum gratefully acknowledges the major contributions of Professor Fred M. B. Amram and Sandra Amram Brick. Without their guidance, friendship, and generosity, this exhibition would not be possible."*

---. Invited to participate in a residency at Anderson Center for Interdisciplinary Studies (next September). Will report on the work of that residency next year.

---. National Women's History Project selected my book, [From Indian Corn To Outer Space: Women Invent In America](#), as one of 23 items included in their best of "women in science and mathematics."

---. [Women Invent!](#), a new book by Susan Casey footnotes and builds on my research.

---. Certificate from American Creativity Association reads "Special thanks for your dedication to promoting the development of personal and professional creativity for people of all disciplines." Listed also under service.

---. Contributed scholarship to and cited in [Women In Transportation: Changing America's History](#). U.S. Department of Transportation. 1998.

Bellcourt, M.A. National Academic Advising Association (NACADA) Certificate of Merit Award for Outstanding Publication for General College's "The New Student Workbook." (1998&1999)

delMas, R. (March 1999). Citation in Chance News (8.03) of the "Tools for Teaching and Assessing Statistical Inference" website.

delMas, R. (1998). University of Minnesota Technology Enhanced Learning (TEL) Innovation Award: Co-recipient with Dr. Joan Garfield of a \$3000 award for the development of the *Sampling Distributions* software and research on the effectiveness of activity-based instruction based on the software.

Ghere, D. The Organization of American Historians has highlighted "Causes of the American Revolution: Focus on Boston" in a national advertising campaign for their catalogue of Teaching Units and have indicated very positive reactions to the unit from teachers.

Gidmark, J. My co-authored (with Anthony Hunt) article, "Catherine Weldon: Derek Walcott's Visionary Telling of History" (*The CEA Critic* 59, 1:8-20) was cited in *American Literary Scholarship, 1996 Annual* (Durham: Duke University Press, 1998), summarized, and evaluated. The final sentence of the citation: "Gidmark and Hunt convincingly argue that the figure of Weldon represents both Walcott himself and his symbolic attack on imperialism." (397)

---. Received the Morse-Alumni Distinguished Professor Award this year. I mention this here and under Teaching since the award overlaps both categories: I teach what I research (literature), and one activity informs and inspires the other.

---. Received the Maxwell Anderson Award from the University of North Dakota on March 19, 1998. One award each year is conferred on an outstanding past graduate for "Outstanding Achievement in Arts and Letters." Awarded included a plaque and \$500.

Hatch, J. Invited by the U. S. Fish and Wildlife Service to serve on the National Recovery Team for the Endangered Topeka Shiner.

Yahnke, R. Awarded "AGHE Distinguished Teacher" certificate for 1999 by the Association for Gerontology in Higher Education.

---. In 1998, nominated to be an AGHE Fellow. (Was not able to submit a response to this invitation because AGHE requires that Fellows come from universities or colleges that are AGHE member institutions - University of Minnesota is no longer a member.)

Websites

Amram, Fred. Books and Resources For Young Inventors And Problem Solvers. New Horizons for Learning website (intro plus 21 entries), posted May 1998 (by invitation). This website has been expanded as I provide new materials.

Yahnke, R. E. (1998). A Virtual Tour of Architectural Treasures, University of Minnesota, East Bank, Twin Cities Campus. Web site: http://www.gen.umn.edu/faculty_staff/yahnke/tour/default.htm

Service to the University

Albrecht, L.D. Awarded the University of Minnesota Outstanding Community Service Award in its inaugural year. This honor is representative of commitment to public service and social justice action as a faculty member.

---. Co-Coordinator, Challenging Rhetorics: Cross-Disciplinary Sites of Feminist Discourse (Oct. 7-9, 1999), U. of M. (see Web site - <http://femrhnet.cla.umn.edu>)

Amram, Fred. Reviewed diverse Speech courses from Technical Colleges for transfer to U of M.

Worked on four different courses for U of M Admissions

---. Assembly Committee on Intercollegiate Athletics. Elected as Vice Chair. Represented Chair at many meetings and functions.

---. Member, Executive Committee

---. Chair, Awards and Schedules Committee

---. Chair, Academic Progress and Eligibility Committee

Member, Men's Basketball academic review subcommittee

Chair, Women's Basketball academic review subcommittee

---. Chair, Ad Hoc Policy Review Committee (reviewed ALL policies relating to athletic affairs).

---. Member, Men's and Women's Faculty Representative Review Committee

---. Member, Student Development and Academic Counseling Review Committee

---. Member, NCAA Certification Committee for Academic Integrity

---. Member, Search Committee for Associate Athletic Director and Director, Academic Counseling and Student Services.

Bellcourt, M.A. Minority Encouragement Program (MEP) Planning Committee – 1996-present.

---. Student Excellence in Academics and Multiculturalism (SEAM) Planning Committee – 1998-present.

Brothen, T. Chair, All-University Promotion and Tenure Review Committee.

---. Member, ASE Consultative Comm. (This committee won't die! We have met this Spring quarter and have proposed a new incarnation of it.)

Buckley, T. The ROTC Relations subcommittee of the University Senate. This year I serve as the only continuing faculty member on the Committee since two members retired from the University, and one decided to reduce his committee service. As such, I became the institutional memory for the new chairman, Prof. John Adams of Geography, on the standards and procedures for approving new faculty in the three ROTC departments.

Camacho, D. Co-authored and presented a one and a half day workshop at the U. of Minnesota-Morris Campus. This workshop was for the Mathematics Summer Institute For Secondary School Teachers, Education Encouragement & enrichment Project for which the attending high school teachers received graduate level credits.

---. During the 1998 fall quarter participated in the search committee of the El Puente Program at the Chicano/Latino Learning Resource Center.

Carlson, H.L. Member, Academic Advising Network Board

---. Member, Senate Disabilities Issues Committee

Collins, T.G. Chair, Policy Board of the Center for Interdisciplinary Studies of Writing.

---. Bush Faculty Development Program Dean's Liaison Committee.

---. Graduate School Summer Fellowship Award Committee.

delMas, R. (1998) University College Distinguished Teaching Award Review Committee

delMas, R. (1998). University of Minnesota Project 2000 - Advising Team: Served on a team that tested the implementation of a new student records system to ensure that it met the needs of professional advisers. Participated in conducting focus groups, functional testing of the system, and the design of training information.

Eliason, P. Advocacy for the Refugee Studies Center.

Fox, J.A. Member of the Advisory Board, Access to Work.

Gardner, L. Co-chair of the Multicultural Concerns Committee; planned and coordinated General Colleges participation's in African American Read In lead by Erza Hyland February, 1999.

---. As Co-chair of the Multicultural Concerns Committee planned, and coordinated General Colleges participation's in last Fall's "Conversations on Race." I personally presented at both sessions that were two hours in length. These events were held on October 29 and November 3, 1998.

---. Continued consulting with Dennis Clayton at least once every month on the issues of minority student recruitment for graduate school and the Committee on Institutional cooperation.

---. Consulted twice with Frank Snowden about the Minority Scholars Programs recruitment, program, faculty mentors, and student development.

---. Member, "Diversity Cluster" from the Multicultural and Academic Affairs Office.

Ghere, D. Member, University and Faculty Senates.

---. Member, University Advisory Committee on Study Abroad.

Gidmark, J. I was appointed to the University Senate Library Committee for a term running July 1, 1998-June 30, 2001, and have been participating in the monthly meetings.

---. University Senate International Programs Committee (formerly the Council of College International Education Officers) and have been participating in meetings.

Hartley, Debra. Participated in the University of Minnesota Orientation Information Fair August 17 through September 22, 1998. I provided brochures and bookmarks advertising the GC ARC and Writing Center for a table which we shared with other members of the Writing Support Network (Student Writing Center, Rhetoric's Online Writing Center, and The Center for Interdisciplinary Studies of Writing) and the University Libraries. On two days I took my turn working at our table in Coffman Union.

Hatch, J. CBS/Community College Liaison Committee--reviewing transfer equivalencies for CCs and other state colleges.

---. Program in Individualized Learning/Inter College Program Governing Board, University College--writing guidelines for the continued promulgation of these two programs and quarterly review of the programs

---. CBS General Biology Advisory Committee, quarterly review of the courses in the General Biology Program; active involvement in revising 1201 laboratories for semesters.

---. University Student Behavior Review Panel--participated in 2 of 3 hearings brought before the panel this year.

---. University College Search Committee for Academic Advisor in Program in Individualized Learning.

---. Faculty Consultative Committee meetings on collegiate compact process

---. Faculty Consultative Committee Arts, Science and Engineering consultative committee meeting to discuss future of committee

---. Reviewed applications of candidates for Academy of Distinguished Teachers--letter

Jensen, M. Alternate to the University Senate

---. Worked with Ann Hill Duin's office constructing the guideline for the 1999 TEL Proposals. Sue Engelman organized the committee, but we never officially had a name for our group.

---. Health Science Advisory Board (CLA's Premajor Advising Office)

Johnson, A. Represented the University in *Science Works* where the University faculty serve as science resources to elementary teachers in the Minneapolis School District.

Kinney, P. Serving as an area specialist for a student enrolled in the University College's "The program for Individualized Learning".

Latts, S. Member, Children, Youth and Family Consortium

Robertson, D. Presentation to the CLA advisers at their orientation meeting on the GC mathematics program. A letter describing the presentation is appended as Folder A08.

---. Assisted Ben Sharpe, IT admissions director, in equivalence evaluations of mathematics courses from other colleges. We are developing a database of equivalent developmental math and computing courses under semesters. I evaluate about 60 courses per year.

---. Assisted the program director of the Complete/Practical Scholar Program in planning the math portion of the program.

---. Member of the all University Community Charitable Partnership Committee run through the Office of the Vice President for Institutional Relations.

Schelske, B. Student Behavior Committee- University of Minnesota Committee

---. Statewide Family Education Program: University of Minnesota Committee

Shaw, M.E. Academic Staff Advisory Committee

- . Member, Semester Advising Task Group
- . Member, Advising Network

Sirc, G. Member, University Senate Committee on Faculty Affairs

- . Member, SCFA Tenure Subcommittee
- . Member, Center for Interdisciplinary Studies in Writing Policy Board
- . Faculty Senator
- . Member, Academy of Distinguished Teachers
- . Mentor a CLA student, Ela Rausch, as part of the President's Distinguished Faculty Mentor Program.
- . Helped some asst. prof. from ESL (named Bill Johnson) review his grant.

Stewart, B. Academic Advising Network

- . African American Read-In

Trites, J. Serve as a consultant to the Minnesota English Center regarding speech/pronunciation instruction and oral proficiency testing. Ongoing.

Wambach, C. At the request of Darwin Hendel, I attended a presentation on April 29, 1998 in Dayton Ohio by Sinclair Community College. The presentation was part of a APOC benchmarking in education initiative. The presentations described Sinclair's efforts to revise and evaluate their curriculum toward strategic outcomes. It was very interesting and a chance to connect with Doug Easterly, an institutional researcher at Sinclair who used to be at MnSCU.

- . Member, First-Year Experience Project Team, Freshman Seminar Task Group, Spring 1998. This committee met off and on for several years and concluded it's business spring 1998 by making recommendations to the Vice President for Student Development and Athletics.

Wartchow, D. University of Minnesota Student Affairs Committee, 1997-2000.

- . University of Minnesota Legislative Communications Group, General College Representative, 1998.
- . Review committee for the evaluation of Professor Terence Collins, Director of Academic Affairs and Curriculum, 1998-1999.

Wilcox, K.J. Member, University of Minnesota Women in Science and Engineering (WISE) Steering Committee; Faculty Advisor, WISE Student Group

- . Member, University of Minnesota University Senate Committee on Disabilities Issues
- . Member, Advisory Committee of the Bush Faculty Development Program on Excellence and Diversity in Teaching (U of MN)
- . Member, University of Minnesota Commission on Women (now University Office for Women)

Yahnke, R. Served on the Senate Judicial Committee (second year of a three-year term).

Service to Professional Organizations

Albrecht, L.D. Program reviewer - Conference on College Composition and Communication, section on "Writing and Difference."

- . Local Arrangements Chair of CCC 2000, Minneapolis.
- . Member of CCC Executive Committee .

Amram, Fred. Consultant to National Museum of American History's Lemelson Center for the Study of Invention and Innovation, Smithsonian Institution.

---. Wrote successful nomination for the 1998 NITA Leonard Molotsky Wonder of Life Award (an award given for service to creative education).

---. Wrote unsuccessful nomination for the 1998 Patent and Trademark Office Donald Quigg Excellence in Education Award (I received this award in 1995).

---. "NewsNotes" is a regular column of news for teachers which I write for each issue of the National Inventive Thinking Association Newsletter.

---. "NewsNotes," National Inventive Thinking Association Newsletter, Vol. 10, No. 1 (January 1999).

---. "NewsNotes," National Inventive Thinking Association Newsletter, Vol. 9, No. 3 (September 1998).

---. "NewsNotes," National Inventive Thinking Association Newsletter, Vol. 9, No. 2 (May 1998).

---. Active Member:

Board of Directors, National Inventive Thinking Association

Coordinator, NITA web site committee

Chair, Newsletter Committee (editorial Board)

Chair, Bylaws Committee

Attended national board meetings

---. Served on committee to develop new award for outstanding educator (wrote guidelines, etc.)

---. Liaison between American Creativity Association and National Association for Inventive Thinking

---. Member: (certified by written examination)

National Association of Parliamentarians

---. Inactive Member:

Coordinating Council on Women in History

MN State Association of Parliamentarians

Bellcourt, M.A. Academic Advising Network Web Pages.

---. Academic Advising Network Board.

Brothen, T. Regular manuscript reviewer, Teaching of Psychology.

Buckley, T. May 9 and 10, 1998, I attended the military history conference of the Council On America's Military Past in Lexington, Kentucky. I was requested to chair a session of papers dealing with Civil War military history in Kentucky and Tennessee. I combined journey with visits to the Marion, Indiana and Alton, Illinois historical societies to conduct research on the Indiana Truck Company and Illinois Naval Militia, respectively.

---. Since 1988, I have been a member of the Historical Markers Committee of the Minnesota Historical Society, and have been the chairman since 1990. The Committee determines the themes, text, and location of markers placed at historic sites across the State.

---. At the request of the Markers Committee, I wrote the State Historic Marker on "A Flour Milling Revolution" It was approved by the Committee, and erected last spring at the rest area on Interstate 35, west of Dundas, Minnesota. A photo of the weighty text is enclosed.

---. Photos of the front side of the text and map for the marker I wrote on "Climax of Steamboat traffic On the Red River," located in the rest area on Interstate 94, southeast of Fergus Falls, Minnesota is also enclosed. It was erected last year but I was only able to provide a photo of the back side of the marker.

---. Texts I wrote for a new marker for Historic Fort Snelling, and for the Alexander Ramsey House have been approved but not yet erected.

---. Member, Minnesota Historical Society's, Honorary Council from 1992 to present.

---. Serve on the Editorial Board of Ramsey County History magazine, Ramsey County Historical Society, Saint Paul, Minnesota. I have been a member since 1988.

---. Served on the Conference Planning Committee for the 34th Annual Military History Conference of the Council On America's Military Past in Burlington, Vermont, May 3-7, 2000.

Carlson, H.L. National Academic Advising Association Commission for Adult Learners

---. National Academic Advising Association Commission for Undecided/Exploratory Students

- . Member, National Career Development Association
- . Member, National Academic Advising Association
- . Member, American College Personnel Association
- . Member, American Counseling Association
- . Member, Minnesota College Personnel Association

Collins, T.G. Owner, CBW-L listserver, a discussion list of the Conference on Basic Writing of the Conference on College Composition and Communication.

- . Owner of WCS-L listserver, a discussion group of the Working Class Students special interest group of the Conference on College Composition and Communication.
- . Board member, Conference on Basic Writing.
- . Editorial Board of Computers and Composition.
- . Proposal reviewer, Fund for the Improvement of Postsecondary Education.
- . Tenure reviews: Indiana-Purdue University Indianapolis (Department of English) and Georgia State University (Division of Developmental Studies).

delMas, R. (1999) Paper referee for the *American Statistician*.

- . (1997-present). *Journal of Statistics Education* - I write a regular column titled *Teaching Bits* that reviews articles, books, and other sources that may be of interest to teachers of statistics.
- . (1997-1998). Session Organizer - Organizer for a session on learning factors involved in the development of statistical knowledge and concepts. Fifth annual meeting of the International Council on Teaching Statistics (ICOTS 5), Nanyang Technological University, Singapore.

Eliason, P. Current Past President for Minnesota Teachers of English to Speakers of Other Languages (MinneTESOL), '98-'99, and active board member. Presided over business meeting at fall conference, committee to re-write the by-laws '98

Gidmark, J. Co-chair of the Melville Society special conference on Melville and the Sea to take place next June; this past year I have been working to refine our Call for Papers and soliciting scholars to attend.

- . Chaired five sessions of literature of the sea at the College English Assn, meeting in April. The President of the New York CEA, who attended several sessions, wrote me an appreciative letter of thanks for the effort, which I include here.
- . Board of Directors for the College English Association, in an elected three-year appointment.
- . CEA Honors Committee to select the recipients of several awards: the Joe D. Thomas Award for distinguished service to CEA, the Professional Achievement Award, and the Honorary Life Membership Award. We selected these recipients prior to the CEA conference in April 1999.
- . Chaired the Committee on Committees to examine the committee structure of the College English Association and presented our report at the April 1998 meeting. I received accolades for the effort at the meeting and a congratulatory e-mail from the CEA Past President when I returned home (her e-mail and my report are enclosed).

Hatch, J. Nominated for State Chapter AFS President--wrote goals statement

- . Minnesota Department of Natural Resources Advisory Committee for the federally end Topeka shiner--as the Department discusses how to implement the new federal rule, I provide input on distribution, biology and environmental impact
- . Minnesota Pollution Control Agency
- . United States Fish and Wildlife Service Advisory Committee--participate in national conference calls helping to implement new federal rule for Topeka shiner on a national basis
- . Member of the Topeka Shiner National Recovery Team--we have a two-year charge to develop a complete recovery plan nation-wide. It has been a challenge so far because of the different levels of impact geographically. This is what spurred finishing the research paper on Topeka shiners.

Jensen, M. Review papers for The American Biology Teacher (ABT) and The Journal of College Science Teaching, though I am not officially on their review boards.

---. "Web Master" for NADE's Science Spin Group. I maintain a small web site that is located on our GC Server. The intent of the site is to provide links for science instructors to science curricular materials and search engines. http://www.gen.umn.edu/faculty_staff/jensen/nade_science.htm

---. Reviewed proposals for the 1999 National Association of Research in Science Teaching annual conference.

---. I wrote a two-part article for The Human Anatomy and Physiology Society Newsletter.

Jensen, M. (1998). Cooperative Education: Part 1. Three types of educational environments—competitive, individualistic, and cooperative. *The HAPS Educator*. August 1998, 5-6.

Jensen, M. (1998). Cooperative Education: Part 2. The cooperative quiz: An introduction to a cooperative learning lab activity. *The HAPS Educator*. August 1998, 7-8.

---. I wrote an evolution article for the Minnesota Science Teachers Association Newsletter. The article was NOT peer reviewed.

Jensen, M. (1998-99). A brief look into common non-Darwinian understandings of biological evolution. *The Minnesota Science Teachers Newsletter: Winter, 35(2): 10-13.*

Jepsen, A. MnAEOPP Executive Board, Secretary, 1998-99. Elected to TRIO state executive board as secretary.

---. Student Financial Assistance Seminar: Council for Opportunity in Education training November, 1998. Attended two-day national training on Financial Aid policies and changes for the 1999-2000 academic year. Incorporated the new information in February TRIO pre-registration meetings.

---. National TRIO Day: Minnesota TRIO Student Leadership Conference, Committee member, Workshop chair, February, 1999. Solicited and then coordinated logistics for 30 workshop presentations at the Minnesota expression of celebration for National TRIO Day.

Johnson, A. Coordinated the science fair judging by the Twin Cities Chapter of the American Meteorological Society.

Kinney, P. Serve as a reviewer for The AMATYC Review, the journal of the American Mathematical Association of Two Year Colleges.

---. Member, National Council of Teachers of Mathematics.

---. Member, American Mathematical Association of Two Year Colleges.

Latts, S. Board Member, MN Association of Marriage and Family Therapists

---. Annual Meeting Committee Chair, MN Association of Marriage and Family Therapists

---. Member, American Association of Marriage and Family Therapists

---. Attended conference on "Treating Difficult Adolescents in the Context of the Family:

---. Attended Workshop on "Adlerian Play Therapy", Alfred Adler Institute

---. Attended course, "Childhood Sexual Abuse ", St. Mary's University

Robertson, D. Reviewer for The AMATYC Review, the journal of the American Mathematical Association of Two Year Colleges.

---. Member, American Mathematical Association of Two Year Colleges.

---. Member, National Council of Teachers of Mathematics.

Schelske, B. National Council Governmental Relations Committee efforts 1998-99.

---. State TRIO Association Legislation and Education Committee: Co-Chair With Sharyn Schelske.

Shaw, M.E. National Academic Advising Association

- . American Studies Association
- . National Association for Developmental Education

Sirc, G. Serve on the Editorial Boards for the following journals:

College English

College Composition and Communication

Computers and Composition

Pedagogy

- . Recently named to the Conference on Basic Writing editorial board.
- . Officer, College Section of the National Council of Teachers of English

Stewart, B. Advisory Board Member for the Hispanic Pre-College Programs-University of St. Thomas

Trites, J. Member, National Communication Association.

- . Member, Speech/Pronunciation Interest Section of TESOL.
- . Member, Minnesota Association for Developmental Education.
- . Proposal Reader for ITA Interest Section, TESOL '99.

Uthe, R. Professional Registrations; Registered Professional Geologist (State of Wyoming), Licensed Professional Geologist (State of Minnesota)

- . Member, American Chemical Society
- . Member, American Institute of Chemists
- . Member, International Union of Pure and Applied Chemistry
- . Member, Geological Society of America
- . Member, Geological Society of Minnesota
- . Member, National Association of Geology Teachers
- . Member, National Earth Science Teachers' Association
- . Member, Sigma Xi
- . Geological Society of Minnesota : Chairman of Program Committee, Member of Field Trip Committee, Member of Web Committee

Wambach, C. Reviewed manuscripts for the NADE Monograph.

- . Served as co-chair of the NADE spin group *integrating developmental education into the core curriculum*.
- . With assistance from Judy Shuck, I coordinated a day-long meeting for Twin Cities developmental educators which took place on February 26, 1999. Judy, Mary Deitrich (MnSCU) and I planned the program and facilitated the meeting. The outcome of the meeting was a decision by the group that more collaboration on research should occur across systems.

Wilcox, K. J. Member, Education Subcommittee of the Great Lakes Regional Genetics Group (GLaRGG).

- . Member, Sigma Delta Epsilon/Graduate Women in Science. Co-Chair, Travel Awards Committee; National Meeting Planning Committee; Reviewer, Eloise Gerry Awards

Yahnke, R. Completing second year as Audiovisual Editor of *The Gerontologist*.

- . Member of the publications committee of the Association for Gerontology in Higher Education.

Service to the Community

Albrecht, L.D. Chair, Minneapolis Commission on Civil Rights. 2nd year. Note recognition received for community service

- . Board of Directors, Evergreen Chronicles
- . Program designer, Headwaters Fund, Assessment Tool for Organizational Development of Social Justice Grassroots Groups.

Amram, Fred. "Inventive Thinking Day," all day workshop for faculty of Lubbock (Nevada) Public Schools, Middle School and High School.

---. Member, Minnesota Board of Invention (appointed by Governor Carlson)
Chair, Education Committee

Brothen, T. (1999). Praise for fidgeters. Senior Spotlight, 28, 2, 2. (Opinion Column)

Buckley, T. Spoke on "Union and Confederate Navies In the Civil War" at the annual meeting of the Sons of the Union Veterans of the Civil War, at Litchfield, Minnesota, on May 16, 1998.

---. In October 1998, I gave a series of four illustrated lectures titled "Americans Build the American Century," They dealt with notable aspects of American diplomatic, technological, economic, and military history in the twentieth century. The lectures, were sponsored by Ecumenical Adult Ministries, funded by the Minnesota Council On the Humanities, and presented at Wood Lake Lutheran Church in Richfield. Outlines of my lectures are enclosed along with an evaluation which they mistakenly sent to the History Department instead of the General College as I requested.

Carlson, H.L. Muscular Dystrophy Association of Minnesota. Provide ongoing counseling, support and advocacy to adults with neuromuscular disease.

---. Metropolitan Center for Independent Living. Conduct workshops on career planning and disability. Provide personal counseling to adults considering career retraining through higher education.

Eliason, P. Classroom observations in the past year from several LEAP academy instructors and administrators. LEAP alternative high school in St. Paul serves second language students and has an NEH grant to implement a class similar to 1364, Immigration Literature.

---. Classroom observations 5-1-98 by teachers from Gateway, a high school to college transition program in Minneapolis.

Gardner, L. Presented workshop on the topic of "Diversity" to the Home of the Good Sheperd Staff, St. Paul, Minnesota on September 3, 1998.

---. Consulted with the President of the Minneapolis Urban league, Clarence Hightower on issues of dealing with a new advisory board.

---. Consulted with Yusef Megny President of the Urban Coalition on issues effecting the African American community.

Ghere, D. Oak Park Neighborhood Project – Working with Junior High students
Advisor for five-month exhibit at Old Stillwater Courthouse which received an award.
District 834 Graduation Standards Committee

Gidmark, Jill B. (1999). Cover statement for Nicholas Nicastro's The Eighteenth Captain. Ithaca, NY: McBooks Press. [Invited statement]

---. (1998). Cover statement for James Fenimore Cooper's The Wing-and-Wing. Heart of Oak Sea Classics Series. New York: Henry Holt and Company. [Invited statement]

Gilbert, C. Re-structuring Neighborhood Programs: group meeting in April 1998 to look at the long view.

---. Tutoring a Somali woman at Cecil Newman Center: she's improving greatly, and I'm learning about ESL and a little about the Somali experience.
