“HAVE YOU JOINED THE CO-OP?”

¶ This is one of the questions now asked many times a day.

¶ Minnesota has long tried to secure a Co-operative Book Store, and now that it is in existence it is the duty of every student and alumnus to become a member, boost for it and make it a success.

¶ Memberships may be secured either by the purchase of a \$2.50 fountain pen or by a membership fee of \$1.00, and entitle the holder to a share of the profits of the business proportionate to the amount of his purchases. Shares of stock may also be secured by alumni and students. Write for particulars.

What Good Clothes Mean

Men's Department

When a man looks well you may invariably blame it on his *tailor*.

Just as an architect designs a house according to the ground it is to be built on; so must a *tailor design clothes* for each *individual*.

It is the only way to get *character* and *distinction*. Call early and see our new line of *Fall Woolens*; they are of such variety as will make a selection easy.

Ladies' Department

Our *Ladies' Tailoring Department* is proving a big success. With a line of Goods such as we are now showing, we are confident to meet the requirements of *Fashion* and fastidious women.

Our designs lend *individuality* to the women.

Fur Department

Our stock of *Mink* this season is larger than ever, beautiful shawl collars and throws, large Pillow muffs in Eastern Mink, also a big line of Fox, Lynx, Raccoon, Pointed Fox and Black Martin.

We also carry a complete line of *Gents Furnishings* at our East Side Store in connection with the *Tailoring Department*.

10 per cent Discount to All Students.

“Paragon” Mountings

for Eye Glasses hold the lenses in true alignment, which is very necessary for comfort and relief of eyestrain.

The best oculists endorse them. Have your lenses mounted in one of them. You'll like its velvety touch.

**NON-LEAKABLE
FOUNTAIN PEN**

READ WHAT THIS MAN SAYS ABOUT MOORE'S

Philadelphia, Pa.
"I have been using fountain pens of various makes for the last dozen years, the last two years of which time I have used Moore's Non-Leakable. I am certain there is no other pen so satisfactory as Moore's.

☞ Moore's Non-Leakable Fountain Pen never fails to give satisfactory service. It is as tight as a bottle. Put it in any pocket upside down or on its side. ☞ IT WON'T LEAK. ☞ When the Cap is on the pen point rests in ink. ☞ It is always ready to write, no shaking. ☞ Remove the cap and the pen is ready to fill, no joints to unscrew, no inky fingers. ☞ Every part of Moore's pen is made in the most careful manner from the very best materials. ☞ Its construction is simple. Nothing to get out of order.

Perfect Team Work
of Perfect Units—
That is What Wins
the Typewriter
Game.

The

L. C. Smith & Bros. Typewriter

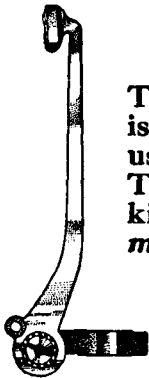

(BALL-BEARING, LONG-WEARING)

is a rare and unusual combination of mechanical features of superior excellence, each of which is designed,

First—To do its individual work better than it could be done in any other way.

And,

Second—To work so smoothly and accurately, in conjunction with all the others, that the completed result is just as perfect as the work of any individual part.

That is what makes a good-working typewriter—it is what justifies the overwhelming verdict of 150,000 users in approval of the L. C. Smith and Bros. Typewriter—it is why this typewriter does all kinds of work superlatively well *without attachments* and gives no disappointing results.

MOORE'S
NON-LEAKABLE

Moore's Non-Leakable has many advantages over the ordinary fountain pen. You can carry it anywhere and in any position with the absolute assurance that it will not leak. When the pen point is pulled down into the barrel and the cap properly adjusted, the ink becomes incased in an air-tight and ink-tight chamber, thus making leakage utterly impossible. By this simple operation the pen point rests in ink, and is all ready for instant use without requiring the preliminary shaking so common with fountain pens.

Moore's is the easiest of pens to fill. Simply unscrew the cap and it is ready to fill, no joints to unscrew or parts to take off. Styles and sizes to suit all tastes and purses. \$2.50, \$3.50 and up. **INSIST ON MOORE'S.**
MOORE'S NON-LEAKABLE MIDGET—2½" long. Just the pen for Doctors. Can be carried conveniently in your lower vest pocket. Price \$2.50.
