STAFF ADDRESS BOOK

The Faculty, Administrative Officers, and Employees

The Staff Address Book has been prepared from the 1954-55 Staff Address Cards filed by staff members with the Civil Service Personnel Department. The address book includes all academic personnel and all full-time civil service personnel on all campuses of the University who have turned in Staff Address Cards.

Minneapolis Campus staff members are listed without campus designation. Staff members on the St. Paul Campus are designated by "StP" and those at the Hospitals by "Hosp" following the office address. For staff members on other campuses, the campus with which they are associated is listed.

Telephone extension numbers for staff members on the Minneapolis and St. Paul campuses are in parentheses following the office address. Telephone extension numbers for staff members on other campuses are not listed.

STUDENT ADDRESS BOOK

The *Student Address Book* for 1954-55 has been prepared from the Student Address Book Cards filed by students with the Office of Admissions and Records through the second week of the fall quarter.

The address book includes name, college, classification, post-office box (St Paul Campus only), local address and phone, and home town where it differs from local address, in this order, for all students who turned in cards. Name, college, and classification only are listed for students who did not turn in cards.

The abbreviations used for college or enrollment are:

A, Science, Literature, and the Arts	L, Law
Ag, Agriculture (including Forestry and Home Economics)	Md, Medicine
AMS, Applied Mortuary Science	MdT, Medical Technology
B, School of Business Administration	N, School of Nursing
D, Dentistry	OT, Occupational Therapy
DH, Dental Hygiene	P, Pharmacy
Ed, Education	PH, Public Health
G, General College	PT, Physical Therapy
Gr, Graduate	UC, University College
IT, Institute of Technology	VMD, Veterinary Medicine

The numerals after the college abbreviation indicate classification or year of expected graduation. The number 55 indicates that the student expects to graduate in 1955, 56 in 1956, 57 in 1957, and 58 in 1958. Special students are designated by the letter "S" following the college abbreviation.

The number in parentheses following the college and classification indicates the post-office number on the St. Paul Campus.

Students registered at the Duluth Branch of the University of Minnesota are listed in an address book issued from that campus.
