EXTRA CITIES at

with SAS*

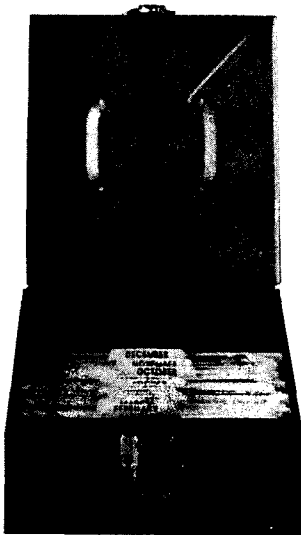

You enjoy two "extras" when you fly to Europe with SAS. First, there's the distinctive touch of service and warm hospitality for which the Scandinavians are famous. Second, extra cities at no extra fare. For example, your SAS round-trip ticket to gay Copenhagen lets you visit Amsterdam, Brussels, Paris and London as well—without a penny more in fare to pay. Other SAS trips allow you to choose from as many as 19 extra cities! Call or write your SAS office for a folder giving full details. Or, better still, see your SAS travel agent.

Lowest operating costs assure more Blue Cross benefits

Here are the reasons for unsurpassed value! . . . Blue Cross is a *non-profit* hospital-sponsored community service. It has no stockholders . . . pays no dividends. That's why *less* of every income dollar goes for operating expenses. The rest is available to provide health care benefits for subscribers.

Lowest operating costs mean the highest return to subscribers—more benefits returned than any other type of coverage!

More Minnesotans are protected by Blue Cross than any other plan. They know . . . dollar for dollar, benefit for benefit, you can't buy better coverage than Blue Cross.

**ALWAYS THERE . . .
WHEN YOU NEED CARE!**

ONE RELIGION

We belong to different faiths because the ancestors of each accepted the faith of the community where they happened to live, and we in turn accepted without question the faith of our family. If you prefer intelligent choice of religion rather than blind acceptance of family tradition which keeps religious people divided, consider **BROTHERHOOD RELIGION** which offers **ONE RELIGION** for all.

(Between Harvard and Walnut)

TWIN LOCATIONS FOR BETTER SERVICE TO THE UNIVERSITY COMMUNITY

Now you can open your own COLLEGE CHECKING ACCOUNT with no minimum balance required!

All it takes is a small deposit, or your paycheck if you're working part time. The only charge you ever pay is a modest 10¢ for each check you actually use. (If you ruin a check in writing it, tear it up. It costs you nothing.) Check blanks are imprinted with your name and address. We supply all you can use.

Advantages of a checking account include: *Convenience*—checks permit you to pay bills by mail. *Safety*—each cancelled check is a legal receipt. *Records*—a glance at

your checkbook tells where your money went. *Prestige*—paying by check is *always* in.

May we suggest that you open your College Checking Account before the end of this week? Stop in at any Northwestern Bank and say, "I want a College Checking Account." (Here are three that are handy to the campus: Second N. W. National Bank, 3430 University Ave. S. E.; Third N. W. National Bank, 416 E. Hennepin; and Fourth N. W. National Bank, 401 Cedar Avenue.) You'll get the red carpet bit.
