SOME COLLEGE COURSES ARE MORE EXCITING THAN OTHERS.

How many college courses teach you how to shoot the rapids? Or rappel a cliff? Or find your way out of a forest with nothing but a map and compass to guide you?

At least one does - Army ROTC.

And you could find yourself doing any one of a number of exciting adventure training activities like these in the Army ROTC program.

Activities that develop your stamina. And your self-confidence.

But adventure training isn't the only way you develop. You'll also learn the basics of leadership and management by attending ROTC classes, along with the subjects in your major.

And you'll be excited about two other benefits Army ROTC offers. Financial assistance.

Up to \$1,000 a year for your last two years of Army ROTC. And the opportunity to graduate with both a degree and a commission in today's Army - including the Army Reserve and Army National Guard.

ARMY ROTC.
LEARN WHAT
IT TAKES TO LEAD.

When you're discussing something as important as your future, it's urgent that you get the straight facts . . . and that you understand them. Air Force ROTC can be an important part of your future. We would like to outline some of the facts and invite you to look into gathering more.

It's a fact: the Air Force needs highly qualified, dedicated officers . . . men and women. It's a fact: we need people in all kinds of educational disciplines. It's a fact: we're prepared to offer financial help to those who can qualify for an Air Force ROTC scholarship.

Get together with an AFROTC representative and discuss the program. We'll give you all the facts. It could be one of the most important talks you've ever had with anyone about your educational plans.

Gateway to a great way of life.

Spend a weekend around a hot set of wheels.

The really hot wheels come with wings. Like our Air Guard C-130 Hercules transports. Airplanes able to carry nearly a hundred people each ... or fifteen tons of cargo. You can help move our wheels one weekend a month. Learn a skill. Get extra pay. Do something different. Help the country. See how you can move our hot wheels in the Air Guard. Call us at 725-5622.

At First Bank Minneapolis' St. Anthony Falls Office, East Hennepin and 4th Street, you can be there in a matter of minutes.

We bake 7 cheeses into every Shakey's pizza.

(including our special Campus Deep Dish)

Romano: Robust with a real bite. Ideal as a topping.

Asiago: Not too mild. Not too pungent. The perfect accent cheese.

Reggiano: Exotic cousin of the Italian Parmesans. Made for grating.

Mozzarella: Soft and delicate with a hint of sweetness.

Provolone: An aged, milky cheese with an appealing piquancy.

Cheddar: Extra sharp. Specially aged for Shakey's at least a year.

Parmesan: A natural mixer with a delicate snap.
