The *Student-Staff Directory* is published annually and distributed in November. Department listings are coordinated by University Relations. For information about staff and student listings, please see below.

**Faculty and staff:** The staff section of this directory lists academic personnel, full-time civil service personnel, part-time civil service personnel, and retired academic personnel on all campuses of the University. You may have requested that your home address and/or phone number be excluded from the directory. If you are not listed or if the information listed is not accurate and you are on the University of Minnesota payroll, alert your departmental human resource/payroll contact to identify your concern and arrange for correction. If you are not a University of Minnesota employee, contact an NTS representative by e-mail at [accounts@tc.umn.edu](mailto:accounts@tc.umn.edu).

**Students:** Your listings are compiled from information you supply to Admissions during fall quarter registration. You may exclude your listing from the directory by filing a "request to suppress directory information" form. To obtain more information, request an exclusion, or to change a listing, go to Student Relations, 150 Williamson Hall, after registering. Questions regarding student listings may be directed to Student Relations, 625-5333.

# Phone Information & Instructions

## Campus and Local Calls

Phones allowing free on-campus calls are located throughout the Twin Cities campus. You cannot reach numbers outside the University system from these phones, but pay phones are available in most University buildings.

## Long-Distance Calls

For faculty and staff, the quickest and least expensive methods for placing University business calls are dialing direct or using a University Personal Authorization Code (UPAC), available from Networking & Telecommunications Services (NTS). Students living in residence halls can request a Personal Security Code (PSC) from NTS Student Services (625-3275). Both UPAC and PSC numbers allow you to make long-distance calls from campus phones.

Calling cards for placing University business-related calls from off-campus phones are available from Networking & Telecommunications Services. Order calling cards on an NTS service request form or visit our Web site: <http://www.nts.umn.edu>.

Personal long distance calls must be charged to a personal home telephone number or personal calling card. Charging personal calls to a University telephone is a violation of University policy and constitutes avoidance of state and federal taxes.

## Telephone Assistance

To report problems with telephone or network service at the University, call Networking & Telecommunications Repair at 625-0006, available 24 hours a day.

NTS Student Services provides telephone-related assistance to residence hall students Monday through Friday, 8:30 am to 5:30 pm, at 625-3275.

For further information or assistance, call NTS User Services at 626-7800, available Monday through Friday 9 am to noon and 1 pm to 4 pm. Our Web site address: <http://www.nts.umn.edu>.

## Emergencies

Outdoor telephone kiosks (with blue light on top) are for emergency use only. These connect you directly to the University police at the touch of a button.

Dialing 9-1-1 from any University telephone will connect you to the University police, who provide emergency assistance to the Twin Cities campus.

# Twin Cities Area Code Changes

University of Minnesota Twin Cities campus phones—including those in St Paul—will remain in area code 612.

Area code 651 serves St Paul (except for University of Minnesota Twin Cities campus phones) and the communities of Arden Hills, Eagan, Falcon Heights, Farmington, Forest Lake, Lindstrom, Lino Lakes, Mendota Heights, New Brighton, North Branch, Rosemount, Roseville, Shoreview, and other communities to the east including Red Wing and Wabasha. The 612 area code will be kept by Minneapolis and the communities of Apple Valley, Blaine, Bloomington, Burnsville, Columbia Heights, Fridley, Lakeville, Mounds View, Richfield, and other communities to the west now served by the 612 area code.

## Dialing Directions

From University of Minnesota Twin Cities campus phones, you will need to dial the area code 651 if you are calling outside the University and outside of area code 612. (See the chart below to determine the area codes for Twin Cities prefixes.) After dialing "8" to get to an outside line, do not dial a "1" or "0" before the ten digit local number. Dialing a "1" may incur long distance charges, while dialing a "0" will route your call to a telephone operator.

To complete a local call within the same area code, dial only the seven digit number after dialing the "8."

From July 12, 1998, through January 10, 1999, you may dial either seven or ten digit local phone numbers (after dialing "8") and either the new 651 area code or current 612 area code. On January 10, 1999, ten digit dialing becomes mandatory for local calls between the 612 and 651 area codes.

# Department Directory

The department directory contains listings for all colleges and administrative departments and the units, programs, and centers that report to them. The Twin Cities campus listings are first, followed by departmental listings for the Duluth, Morris, and Crookston campuses. This information is also on the Web at [www1.umn.edu/tc/directories/](http://www1.umn.edu/tc/directories/).

Due to space limitations, department listings are limited to functions and services directory users are most likely to need. Therefore, you will not find every staff person listed in this section. For individuals who are not listed, please see the alphabetical staff and faculty listing in the center section.

Abbreviations and addresses listed in this section are for campus mail use only. Refer to pages 14, 15, and 16 for an index of building abbreviations, full names of buildings, and US mail addresses. The building list is also keyed for building accessibility information.
