# Phone Information & Instructions

## Campus and Local Calls

Phones allowing free on-campus calls are located throughout the Twin Cities campus. You cannot reach numbers outside the University system from these phones, but pay phones are available in most University buildings.

## Long-Distance Calls

For faculty and staff, the quickest and least expensive methods for placing University business calls are dialing direct or using a University Personal Authorization Code (UPAC), available from Networking and Telecommunications Services (NTS). Students living in residence halls can request a Personal Security Code (PSC) from NTS Student Services (625-3275). Both UPAC and PSC numbers allow you to make long-distance calls from campus phones.

Calling cards for placing University business-related calls from off-campus phones are available from Networking and Telecommunications Services. Order calling cards on an NTS service request form or visit our Web site: [www.nts.umn.edu](http://www.nts.umn.edu).

Personal long-distance calls must be charged to a personal home telephone number or personal calling card. Charging personal calls to a University telephone is a violation of University policy and constitutes avoidance of state and federal taxes.

## Telephone Assistance

To ask general questions or report problems with telephone (or network) services at the University, call the Networking and Telecommunications Services Technical Assistance Center (TAC) at 625-0006, available 24 hours a day.

NTS Student Services provides telephone (and network) related assistance to residence hall students Monday through Friday, 8:30 am to 5:30 pm, at 625-3275.

For further information or assistance, please visit our Web site at [www.nts.umn.edu](http://www.nts.umn.edu).

## Emergencies

Outdoor telephone kiosks (with blue light on top) are for emergency use only. These connect you directly to the University police at the touch of a button.

Dialing 9-1-1 from any University telephone will connect you to the University police, who provide emergency assistance to the Twin Cities campus.

# Department Directory

The department directory contains listings for all colleges and administrative departments and the units, programs, and centers that report to them. The Twin Cities campus listings are first, followed by departmental listings for the Duluth, Morris, and Crookston campuses. This information is also on the Web at [www.umn.edu/twincities/directory](http://www.umn.edu/twincities/directory).

Due to space limitations, department listings are limited to functions and services directory users are most likely to need. Therefore, you will not find every staff person listed in this section. For individuals who are not listed, please see the alphabetical staff and faculty listing in the center section.

Abbreviations and addresses listed in this section are for campus mail use only. Refer to pages 14, 15, and 16 for an index of building abbreviations, full names of buildings, and US mail addresses. The building list is also keyed for building accessibility information.
