The *Student-Staff Directory* is published annually and distributed in October or November. Department listings are coordinated by the Office of University Relations, Communication Services. For information about staff and student listings, please see below.

Faculty or staff member: The staff section of this directory lists academic personnel, full-time civil service personnel, part-time civil service personnel, and retired academic personnel on all campuses of the University. To request that your home address or phone number be excluded from the directory, go to onestop.umn.edu. If you are not listed or information listed is not accurate, and you are on the University payroll or are a retired academic, alert your departmental human resource/payroll contact. If you are not a University employee, contact an Office of Information Technology representative by e-mail at accounts@umn.edu.

Student: Your listing is compiled from information you supply to Admissions during fall registration. You may exclude your listing from the directory by going to onestop.umn.edu or by filing a "Request to Suppress Directory Information" form. To request an exclusion or change a listing, visit a One Stop Student Services Center (200 Fraser Hall, 130 Coffey Hall, 130 West Bank Skyway). If you have questions about a listing, call 624-1111.

Campus Mail

To ensure accurate and timely delivery through Campus Mail on the Twin Cities campus, it is recommended that the addressee's four-digit delivery code be included on the envelope. Many listings in the department section of this directory have a delivery code below the listing title (e.g., del code 3061). If a department listing lacks a delivery code, the code for an individual staff or faculty member can be found under the individual's listing in the staff section of this directory.

Phone Information & Instructions

Campus and Local Calls

Phones allowing free on-campus calls are located throughout the Twin Cities campus. You cannot reach numbers outside the University system from these phones, but pay phones are available in many University buildings.

Long-Distance Calls

For faculty and staff, the quickest and least expensive methods for placing University business calls from on-campus phones are dialing direct or using a University Personal Authorization Code (UPAC), available from Networking and Telecommunications at 626-2000 or billing-nts@umn.edu.

Calling cards for placing University business-related calls from off-campus phones are available from Networking and Telecommunications. To order calling cards, contact 626-2000 or billing-nts@umn.edu.

Personal long-distance calls must be charged to a home telephone or personal calling card. Charging personal calls to a University telephone is a violation of University policy and constitutes avoidance of state and federal taxes.

For students, long-distance calling is available using a U Card account. For more information, call the U Card office at 626-9900 or visit www.umn.edu/ucard.

Telephone Assistance

To ask general questions or report problems with telephone (or network) services, call the University of Minnesota Technical Assistance Center at 301-4357 (301-HELP), available 24 hours a day.

For more information or assistance, visit www.umn.edu/nts.

Emergencies

Outdoor telephone kiosks (with blue light on top) are for emergency use only. These phones will connect you directly to the University police, who provide emergency assistance to the Twin Cities campus.

Dialing 9-1-1 from any University telephone will connect you to the University police.

Department Directory

The department directory contains listings for all colleges and administrative departments and the units, programs, and centers that report to them. The Twin Cities campus listings are first, followed by departmental listings for the Duluth, Morris, and Crookston campuses. This information is also on the Web at www.umn.edu/twincities/directory.html.

Due to space limitations, department listings are limited to functions and services directory users are most likely to need. Therefore, you will not find every staff person listed in this section. For individuals who are not listed, please see the alphabetical staff and faculty listing in the center section.

Many listings in this section have a delivery code for use in addressing campus mail. The code appears below the listing title (e.g., del code 3061). If a department listing lacks a delivery code, the code for an individual staff or faculty member can be found under the individual's listing in the staff section.

Abbreviations and addresses listed in this section are for **campus mail use only**. Refer to pages 14, 15, and 16 for an index of building abbreviations, full names of buildings, and US mail addresses. The building list is also keyed for building accessibility information.
