A Message from the Editor

The Human M on the front of this year's directory was the result of a collaborative effort involving many people across the University. Thank you to

- **Tom Foley**, University Relations staff photographer
- **University Relations staff** for recruiting, event organization, and concept development
- **University of Minnesota Alumni Association**, for the original Human M concept

And finally, a very special thanks to the nearly **330 U of M students, staff, and faculty** who braved a warm summer day in Williams Arena to give the photograph a truly personal touch—you were

M arvelous!

Laurie Ward Gardner

The Student-Staff Directory is published annually and distributed in November. Department listings are coordinated by University Relations. For information about staff and student listings, please see below.

Faculty and staff: You are listed in the staff section of this directory if you have turned in a Staff Demographic Information form to Data Access, Administrative Information Services (AIS). On that form, you may request that your home address and phone number be excluded from the directory. If you are not listed, or if the information listed is not accurate, complete a revised form GS 92310 (rev 6/94), BA Form 549 and send it to AIS, 1300 S 2nd St, suite 660, Minneapolis, MN 55454. Additional forms are available from University Stores. Questions about the faculty/staff section should be directed to 624-0555.

Students: Your listings are compiled from information you supply to Admissions during fall quarter registration. You may exclude your listing from the directory by filing a "request to prevent disclosure of directory information" form. To obtain more information, request an exclusion, or to change a listing, go to Student Relations, 150 Williamson Hall after registering. Questions regarding student listings may be directed to Student Relations, 625-5333.

Phone Information & Instructions

Campus and Local Calls

Phones allowing free on-campus calls are located throughout the Twin Cities campus. You cannot reach numbers outside the University system from these phones, but pay phones are available in most University buildings.

Long-Distance Calls

The quickest and least expensive methods for placing University business calls are dialing direct or using a UPAC code, available from Telecommunications Services.

Calling cards for placing University business-related calls from off-campus phones are available from Telecommunications Services.

Personal long distance calls must be charged to a personal home telephone number or personal credit card. Charging personal calls to a University telephone is contrary to University policy and constitutes avoidance of state and federal taxes.

Telephone Assistance

To report problems with telephone or network service at the University, call Telecommunications Repair at 625-0006, available 24 hours a day.

Student Telecommunications Services provides any other telephone-related assistance to students Monday through Friday, 8:30 am to 5:30 pm, at 625-3275.

For further information, call Telecommunications User Services at 626-7800, available Monday through Friday 9 am to noon and 1 pm to 4 pm.

Emergencies

Outdoor telephone kiosks (with blue light on top) are for emergency use only. These connect you directly to the University Police at the touch of a button.

Dialing 9-1-1 from any University telephone will connect you to the University Police, who provide emergency assistance to the Twin Cities campus. Do not dial "8" first, because this may delay assistance.

Building Abbreviations

To ensure efficient delivery of US mail, each U department must include a street address number and street name as part of its address. This information should be included whenever a department address is given. Buildings on St Paul campus are followed by (StP); on West Bank by (W); most others are on East Bank. Duluth, Morris, and Crookston building abbreviations are with their departmental listings.

Get Carded!

**To get your U Card, come to the U Card Office,
40 Coffman Union, and bring a photo ID.**

Your U Card is your University ID and your key to all sorts of campus services and facilities. It also offers great checking account and calling card deals.

Students are required to have U Cards. Faculty and staff need U Cards to access campus buildings and facilities.

U Card Office hours are 8:30 a.m. to 4 p.m. weekdays.
For more information, call 626-9900.

UNIVERSITY OF MINNESOTA

To sign up for the checking account, you need a driver's license or passport. To report a lost or stolen card, call the U Card Office at 626-9900. If you have a U Card checking account, call TCF at 823-2265 during business hours or 661-6985 after hours. If you have the U Card calling feature, call AT&T at 1-800-445-6063.

Department Directory

The department directory contains listings for all colleges and administrative departments and the units, programs, and centers that report to them. The Twin Cities campus listings are first, followed by departmental listings for the Duluth, Morris, and Crookston campuses.

Due to space limitations, department listings reflect functions and services directory users would most likely need. Therefore, you may not find every staff person listed in this section. For those individuals not listed, please see the alphabetical staff and faculty listings in the center section.

Abbreviations and addresses listed in this section are for campus mail use only. Refer to pages 14, 15, & 16 for an index of building abbreviations, full names of buildings, & US mail addresses. The building list is also keyed for building accessibility information.
