## STAFF DIRECTORY

### The Faculty, Administrative Officers, and Employees

The *Staff Directory* has been prepared from the 1957-58 Staff Address Cards filed by staff members with the Civil Service Personnel Department. The directory includes all academic personnel and all full-time civil service personnel on all campuses of the University who have turned in Staff Address Cards.

Minneapolis Campus staff members are listed without campus designation. Staff members on the St. Paul Campus are designated by "StP" and those at the Hospitals by "Hosp" preceding the office phone. For staff members on other campuses, the campus with which they are associated is listed.

Telephone extension numbers for staff members on the Minneapolis, St. Paul, and Rosemount campuses are in parentheses following the office address. Telephone extension numbers for staff members on other campuses are not listed.
