STUDENT DIRECTORY

The *Student Directory* for 1957-58 has been prepared from the student address book cards filed by students with the Office of Admissions and Records through the second week of the fall quarter.

The address book includes name, college, classification, post-office box (St Paul Campus only), local address and phone, and home town where it differs from local address, in this order, for all students who turned in cards. Name, college, and classification only are listed for students who did not turn in cards.

The abbreviations used for college of enrollment are:

A, Science, Literature, and the Arts	L, Law
Ag, Agriculture (including Forestry and Home Economics)	Md, Medicine
AMS, Applied Mortuary Science	MdT, Medical Technology
B, School of Business Administration	N, School of Nursing
D, Dentistry	OT, Occupational Therapy
DH, Dental Hygiene	P, Pharmacy
Ed, Education	PH, Public Health
G, General College	PT, Physical Therapy
Gr, Graduate	UC, University College
IT, Institute of Technology	VMD, Veterinary Medicine

The numerals after the college abbreviation indicate classification or year of expected graduation. The number 58 indicates that the student expects to graduate in 1958, 59 in 1959, 60 in 1960, and 61 in 1961. Special students are designated by the letter "S" following the college abbreviation.

The number in parentheses following the college and classification indicates the post-office number on the St. Paul Campus.

Students registered at the Duluth Branch of the University of Minnesota are listed in an address book issued from that campus.
