

The University of Minnesota

FORTY-SECOND
ANNUAL COMMENCEMENT
1914

THE UNIVERSITY ARMORY

THURSDAY, JUNE ELEVENTH, AT TEN O'CLOCK

ORDER OF EXERCISES

SONG—"Hail, Minnesota"

Minnesota, hail to thee,
Hail to thee, our College dear,
Thy light shall ever be
A beacon bright and clear;
Thy sons and daughters true
Will proclaim thee near and far;
They will guard thy fame;
And adore thy name;
Thou shalt be their Northern Star.

Like the stream that bends to sea,
Like the pine that seeks the blue,
Minnesota, still for thee
Thy sons are strong and true.
From thy woods and waters fair,
From thy prairies waving far,
At thy call they throng,
With their shout and song,
Hailing thee their Northern Star.

INVOCATION

President Emeritus CYRUS NORTHROP, LL.D.

ADDRESS—"Thinking Ahead, Some of the Results and Problems that Come of It"

HARRY BURNS HUTCHINS, LL.D., President of the University
of Michigan.

SONG—"Our Commencement Pledge"

To be sung by the Senior Class

Campus halls, and campus friends, fare-
well,
On we pass with the great dim throng.
We have to ask a last God-speed
From the ones we have loved so long.
For the happy fleeting days 'round the
campus knoll,

All must vanish as we forward aim,
Square of shoulder, clear of eye,
Keeping safe the vision high.
For we'll not forget thee, Minnesota,
Loyalty we pledge thee, Minnesota,
Fair the trust thou givest, Alma Mater,
High our trust—the dear old college
name.

CONFERRING OF DEGREES

President GEORGE EDGAR VINCENT, Ph.D., LL.D.

ANNOUNCEMENT OF HONORS AND PRIZES

HYMN—"America"

My Country! 'tis of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died!
Land of the Pilgrims' pride
From every mountain side
Let freedom ring!

My native Country, thee—
Land of the noble, free—
Thy name I love;
I love thy rocks and rills,
Thy woods and templed hills;
My heart with rapture thrills
Like that above.

Our fathers' God! to Thee,
Author of liberty,
To Thee we sing;
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King!
