

## **Appendix 2**

# **Photographs**

**Appendix 2  
Photographs  
Former Gopher Ordnance Works  
Sampling and Analysis Plan**

**Source:** Selected photographs of each AOC are from Bay West Site visits conducted on October 10, 2006<sup>(1)</sup> and February 21, 2007<sup>(2)</sup>, from the USACE PA Report<sup>(3)</sup>, and the 2007 Focused SI field investigations<sup>(4)</sup>.

**Photo 1. AOC 1.** Looking generally south. Walking down drainage ditch towards primary settling basin. <sup>(1)</sup>

**Photo 2. AOC 1.** Looking Southeast. Entering Primary Settling Basin from drainage ditch. <sup>(1)</sup>

**Photo 3. AOC 1.** Looking north at remnants of the dam/weir at toe of primary settling basin. <sup>(2)</sup>

**Photo 4. AOC 1.** Looking South along the drainage ditch/low area where the drainage enters into the secondary settling basin (darker color vegetation). <sup>(1)</sup>

**Appendix 2  
Photographs  
Former Gopher Ordnance Works  
Sampling and Analysis Plan**

**Photo 5. AOC 1.** Remnants of gated weir/dam structure at the Southeastern end of the Secondary Settling Basin. <sup>(1)</sup>

**Photo 6. AOC 2.** Looking East. Crops: Soybeans, wheat, corn fields and rows of trees. <sup>(1)</sup>

**Photo 7. AOC 2.** Soybean fields. Foreground possible former building location. <sup>(1)</sup>

**Photo 8. AOC 3,** Drainage Area DA1. South and adjacent to AOC 5. <sup>(3)</sup>

**Photo 9. AOC 4.** Looking south from 170<sup>th</sup> Street. <sup>(1)</sup>

**Photo 10. AOC 5.** Looking east. DNT storage bunker with trash inside. <sup>(1)</sup>

**Appendix 2  
Photographs  
Former Gopher Ordnance Works  
Sampling and Analysis Plan**

**Photo 11. AOC 5.** Looking north at a drainage area south of the DNT storage bunkers and north of AOC 3 Drainage Area DA1. <sup>(1)</sup>

**Photo 12. AOC 5.** Looking East. DNT storage bunker. <sup>(1)</sup>

**Photo 13. AOC 6.** Looking northeast, standing at Bottom of 154<sup>th</sup> Street Disturbed Area <sup>(3)</sup>

**Photo 14. AOC 7A.** Possible Transformer storage pad on the south side of Pump House. <sup>(2)</sup>

**Photo 15. AOC 7A.** Looking east. Water Chemical Inlet house attached to the North side of Building 402-A. <sup>(2)</sup>

**Photo 16. AOC 7B.** Looking northeast. <sup>(2)</sup>

**Appendix 2  
Photographs  
Former Gopher Ordnance Works  
Sampling and Analysis Plan**

**Photo 17. AOC 7C.** Looking south at the location of the former Coal Storage Area. <sup>(2)</sup>

**Photo 18. AOC 7C.** Looking northeast at a culvert located in the northeast corner of AOC 7C. <sup>(2)</sup>

**Photo 19. AOC 7D.** Looking southeast at stockpiled soil. The toe end of the stockpile on the left side of the photograph is in AOC 7C. <sup>(2)</sup>

**Photo 20. AOC 7D.** Looking northeast at the former location of Building 401-A. <sup>(2)</sup>

**Photo 21. AOC 7D.** Looking northeast at the former Fuel Oil Tank location east of Building 401-A. <sup>(2)</sup>

**Photo 22. AOC 7D.** Looking east at the former Ash Disposal Pit, south and adjacent to the Fuel Oil Tanks located east of Building 401-A. <sup>(2)</sup>

**Appendix 2  
Photographs  
Former Gopher Ordnance Works  
Sampling and Analysis Plan**

**Photo 23. AOC 7D.** Two of four of the possible transformer storage pads on the southwest side of Building 401-A. <sup>(2)</sup>

**Photo 24. AOC 1S.** Upgradient surface water and sediment sampling location. <sup>(4)</sup>

**Photo 25. AOC 1S.** Sediment sampling <sup>(4)</sup>

**Photo 26. AOC 1S.** Downgradient surface water and sediment sampling location. <sup>(4)</sup>

**Photo 27. AOC 6.** Test Pit TP1 <sup>(4)</sup>

**Photo 28. AOC 6.** Test Pit TP1 <sup>(4)</sup>
