ICERS TIED FOR 1ST, AT UND FRI-SAT

1/5/87

Minneapolis, MN---A home split last weekend coupled with a North Dakota sweep placed the Minnesota hockey Gophers and the North Dakota Sioux into a first place tie in the Western Collegiate Hockey Association (WCHA) standings.

So. . .guess who plays where this weekend? Right! Minnesota at North Dakota Friday and Saturday.

Both 7:30 p.m. CST games will be aired in the Twin Cities by KMFY-980 AM, with WCCO-830 AM and KITN-TV Ch. 29 carrying the Friday contest only.

Minnesota started out last weekend right by defeating the U. of Maine 8-3. On Saturday, however, a superior performance by the U. of Lowell resulted in a 6-3 victory for the Chiefs. The last two Lowell goals came into an empty net just four seconds apart after coach Doug Woog pulled goalie John Blue with 1:39 left in the contest.

Although the Gophers outshot Lowell 43-20, it was a combination of tight checking and goalie Ken Stein's super play that made the difference. The chances were there for the Gophers, but Minnesota simply couldn't connect.

The loss, Minnesota's second at home this season, ended a 9-game winning streak that saw UM reach sole possession of first place in the league standings for one week.

So the Gophers and Sioux renew a rivalry that that saw the teams split an earlier series at Mariucci Arena. Each club won by a 4-1 margin with UND taking the first game.

Once again Minnesota will be without the services of its scoring leader, sophomore wing/center Dave Snuggerud. Snuggerud suffered a shoulder separation one week ago vs. Providence and is expected to be out the entire month of January. He still leads his teammates with 38 points (18-20).

Another injury was reported last Saturday when freshman center Peter Hankinson came up with a sprained ankle in the first period against Lowell. His status for the weekend is uncertain at this time.

However, Minnesota regains the services of two players this week as sophomore wing Marty Nanne and freshman goal tender Robb Stauber have returned from playing for the U.S. National Junior Team in the World Games. Each has missed the last six Gopher games.

Sophomore wing Tom Chorske led the Gophers in scoring last weekend and gained the nod as UM's nominee for WCHA Player of the Week. Chorske knocked in two goals against Maine, and came back with another vs. Lowell. He has moved up to the fifth spot in scoring with 13 goals and 14 assists for 27 points.

Chorske and another freshman, Scott Bloom, were the only Gophers with more than one goal last weekend. Bloom scored once in each game.

"To be tied for first place at this time of the season is excellent for us," coach Woog said Monday. "If we hope to contend at the end, we had to be within striking distance at this time.

"The North Dakota series is certainly important to both teams, probably moreso than normal as we are tied for first. But with 12 league games remaining, we can't put too much emphasis on this weekend. The teams that maintain consistency during the stretch drive are the teams who will be in the final running for championship honors. Which means we have a long, long way to go.

"We have been playing well the last few weeks, so I'm not going to fault our players because we lost last Saturday. We just have to put things back together and go on from here. Nobopy said it would be easy."

SURPRISING MINNESOTA TO HOST IOWA SATURDAY

Surprising Minnesota....9-3 on the season, 2-0 in the Big Ten Conference, tied for first place in the standings and sporting a six-game winning streak..... entertains arch-rival Iowa Saturday at 7 p.m. in Williams Arena.

The assignment, in spite of those stunning early-season achievements by the Golden Gophers, is an overwhelming one. The Hawkeyes are 14-0 on the year, also 2-0 and tied for the lead in the Big Ten and ranked second nationally.

"Iowa is not a good team," Coach Clem Haskins told his Minnesota squad this week, "it's a GREAT team." And it tuned up for its invasion of Williams Arena by shocking Wisconsin....the team the Golden Gophers battled to beat 69-67 last weekend....78-63 Monday night.

But Haskins is not selling his club short. "They've got heart," he said after this week's 60-53 victory over Northwestern. "I'm really proud of them."

The pride comes from more than one game, however. Start with that post-game practice session after being upset by Austin Peay in mid-December. Follow that up with a road win (76-68) at Detroit. Tack on home-floor verdicts over Wichita State (91-66), Tennessee Tech (92-69), and then Murray State (78-64).

That took care of the non-conference portion of things for the 1986-87 Golden Gophers. Enter Big Ten foes, and last weekend Minnesota tipped things off with that two point win over the Badgers before downing the Wildcats Monday.

"We were very pleased with our 7-3 non-conference record," Haskins admitted. "Not many people gave us much of a chance to be in that position when the season started. But we know the road ahead will not be an easy one. We still are a young team."

Against the Badgers, that youth took on a little bit of maturity as it rallied from a 10-point deficit to win a Big Ten game. "It was a great comeback for us," Haskins said. "Our people really worked hard, and the effort they put forth paid off."

Then came the Northwestern assignment, and it seemed like a carbon copy of the Wisconsin game. Minnesota fell behind early, trailed by six at the half, saw the visitors' lead build to 39-28 before igniting all the burners and pulling out the win.

Kim Zurcher was the last-second hero against Wisconsin with his winning bucket, and against Northwestern Tim Hanson's three-pointer with just a minute left seemed to be the biggie. But it was Kelvin Smith who led all scorers in the Wisconsin game while Terence Woods set the pace against Northwestern. Each had 22.

All of which sets the stage for invading Iowa. The nation's second-best team. Heavy favorites. But Haskins hasn't thrown in the towel. "I can't say enough about these kids," he proclaims. "They just play their hearts out."

SWIMMERS WIN DUAL ON HAWAII TRIP: HOST CO-ED GOLD COUNTRY INVITATIONAL SATURDAY AT COOKE HALL POOL

Minnesota evened its 1986-87 dual meet record at 2-2 with an impressive 99-81 victory December 29 over the University of Hawaii in Honolulu. "The win over Hawaii was just as important to our program as the win over Illinois last month," said second-year head coach Dennis Dale. "Plus we swam really well vs. Hawaii, where against Illinois we did not swim up to our potential and still beat a good Illinois team. The Hawaii win was a good one for us."

Sophomore breastroke star Dan Egeland (Minneapolis, MN) keyed the win with two individual first places vs. Hawaii (200 IM and the 200 breastroke). He is Minnesota's returning co-MVP and top point getter from last season.

This weekend at Cooke Hall Pool, the Gopher men's and women's teams host the annual Gold Country Invitational Saturday, January 10. Diving gets underway at 10:00 AM and the swim events begin at 1:00.

MERICKEL REACHES SEMI-FINALS AT ITCA NATIONAL SINGLES MEET IN FLORIDA

1986-87 tennis co-captain Casey Merickel (Jr. Wadena, MN) reached the semi-finals of the prestigious ITCA (Intercollegiate Tennis Coaches Association) Citrus Bowl Tournament last weekend in Orlando, Florida. Merickel reached the semi with upset wins over Southwest Conference champion Tommy Mercer of TOU, 6-2, 6-4 and over Mark Kaplan of Cal-Irvine 5-7, 6-1, 6-2 before losing in the semi's to #2 seed Brett Greenwood of UCLA 6-0, 6-4.

Merickel and fellow 1986-87 co-captain Chuck Merzbacher (Sr. Findlay, Ohio) were the only two Gophers invited to the 32 man singles draw of elite college players. Merzbacher lost in the second round after beating James Owens of Villanova in the opening round 6-0, 7-6.

Minnesota, of 1986 NCAA Coach of the Year Jerry Noyce, are the defending Big Ten champions and are ranked #13 nationally in the ITCA Pre-Season top-twenty five poll. The Gophers host the Minnesota Challenge Tournament January 16-17 at the 98th Street Racquet Club vs. Kentucky and Cal-Irvine in their next competition.

GYMNASTICS OPEN 1987 SEASON AT WINDY CITY INVITATIONAL SATURDAY IN CHICAGO

Coach Fred Roethlisberger's 1987 Gopher gymnastics team will open the season Saturday competing at the Windy City meet in Chicago, IL. The Gophers have been idle from competition since December 6 when it lost to the tough Japanese College All-Stars 282.5 to 274.15 at Williams Arena.

"I was pleased with our performance vs. the Japanese All-Stars," said Coach Roethlisberger. "We have not worked that much on scoring and hitting our routines and those scores will come heading into the next couple of months. I am more excited about this year's team that I have been in quite some time." Minnesota's home opener will be January 17, 2:00 PM at Williams Arena vs. Michigan State.

Minneapolis, MN---The U. of Minnesota hockey Gophers will try to pick up the pieces this weekend as they head east for games at Boston University Friday and the U. of New Hampshire Saturday.

Both games will be carried at 6:30 p.m. CST each night by KMFY-980 AM radio in the Twin Cities.

Minnesota's perch atop the Western Collegiate Hockey Association (WCHA) standings was, at best, brief. It lasted 24 hours on January 2-3.

Three straight losses followed, first to Lowell Jan. 3 which dropped the Gophers into a tie with North Dakota for first place. Then last weekend Minnesota dropped two hard-fought battles to the Sioux in Grand Forks.

Minnesota is now 20-7-0 for all games and 16-7-0 good for 32 WCHA points. North Dakota upped its records to 20-6-0 and 18-5-0, 36 points.

On Friday the Gophers appeared tight and were not at their best as UND roared to a 4-0 lead. Minnesota came back with goals from Steve MacSwain and Tom Chorske in the third period, but the Sioux got one back to win 5-2.

Playing shorthanded Saturday after two players were disqualified for fighting Friday night, and with two more players slowed by injuries, Minnesota gave a fine performance, but still fell short.

A scoreless first period was followed by a quick goal from each side in the second period. MacSwain tied the game 1-1 with his second goal of the weekend before UND got two more scores in the middle session, and another early in the third period to take a commanding 4-1 lead.

Tim Bergland got one back for the Gophers but it wasn't enough as North Dakota won 4-2.

According to Gopher coach Doug Woog, "Friday's loss by itself wasn't so bad, but the way we lost is what hurt. We simply did not execute at either end of the rink and our passing at center ice was also off.

"I will not fault the efforts of any of our players, though. Every man worked his hardest. It's just that we did not do enough good things.

"I was very pleased with the way our players came back strong Saturday. We had to skate off nine power play opportunities by North Dakota and only gave up one goal.

"We had plenty of scoring chances both nights, but just couldn't connect. Had we converted one or two of the better chances, who knows, we might have at least gained a series split.

"North Dakota played well. Very well. I'm not certain anyone could have defeated the Sioux last weekend. They will be very hard to catch."

Both Minnesota and North Dakota have 12 league games remaining. That means for Minnesota to win regular season honors, the Gophers would have to come out on top in all of their games and North Dakota has to lose three times.

Minnesota's next home action comes Jan. 23-24 when Northern Michigan, which jumped all the way from 6th to 3rd place in the WCHA the last two weekends, invades Mariucci Arena for 7:30 and 2 p.m. games.

MINNESOTA CAGERS GET FIRST BIG TEN ROAD ASSIGNMENTS

Minnesota's youthful basketball team could get a lesson in geography this week when making its first road trip of the 1986-87 Big Ten Conference season.

On Wednesday Coach Clem Haskins' contingent invades Purdue to face the Boilermakers in an 8 p.m. (EST) confrontation. Then on Saturday the Golden Gophers move over to Illinois to meet the Fighting Illini at 3 p.m. (CST).

Both of those contests are part of the Big Ten Television Game of the Week package and will be seen in the Twin Cities area over KITN-TV, Channel 29.

For Minnesota, those two shootouts with Purdue and Illinois will mean underdog roles, and the Golden Gophers got a lesson last weekend in being an underdog.

After jumping off a 2-0 start in the Big Ten with wins over Wisconsin and Northwestern, Minnesota entertained unbeaten Iowa...the nation's number two ranked team...last Saturday and dropped a 78-57 decision.

"We have nothing to be ashamed of," Coach Haskins stressed after that loss. "If we play as hard as we can, which we did, we have no complaints. Iowa is a great basketball team. It is a team that is big, strong, has quickness and experience."

Actually the Golden Gophers made a fight of it for a while and led 19-16 midway through the first half. But then the invading Hawkeyes reeled off 11-straight points, and they remained in command the rest of the way.

Iowa had a 45-33 advantage in rebounds, and it outshot the Golden Gophers .508 to .343 from the field. In addition, its full-court press tactics forced Minnesota into 14 turnovers.

"We made some mistakes against Iowa," Haskins admitted, "but we feel that those things can be corrected. For one thing, we have to learn how to take better care of the ball. But we can't look back. We have to look ahead. And that starts with Purdue."

What Minnesota sees when looking at the Boilermakers may be somewhat frightening. Purdue was picked ahead of Iowa in the pre-season Big Ten polls, and it is another big, quick, experienced team.

Purdue will come into Wednesday's game with an overall record of 12-1 and a perfect Big Ten mark....good for a first-place tie in the standings....of 4-0.

Minnesota, meanwhile, now stands at 9-4 on the year and is 2-1 in this week's conference rankings. The Golden Gophers currently are in fifth place.

Then it will be on to Illinois to meet a team that started this week's action with an overall record of 12-2. The Fighting Illini were 4-0 in league play and deadlocked with Iowa for first place. They tune up for Minnesota by hosting those Hawkeyes Thursday.

Minneapolis, MN---After two straight weeks on the road, the U. of Minnesota hockey Gophers return home this weekend to host Northern Michigan at Mariucci Arena Friday, 7:30 p.m., and Saturday, 2:00 p.m.

Both games will be aired locally by KMFY-980 AM radio, with WCCO-830 AM carrying Friday's contest.

Losing three of four road games the last two weekends hasn't helped the Gopher cause all that much. Minnesota, however, remains in second place in the WCHA standings, but is now six points behind the North Dakota Sioux.

North Dakota won twice last weekend to own a 20-5-0 league mark good for 40 points. The Gophers, after a weekend split also out east, are 17-8-0 in the WCHA for 34 points.

The challenge from Northern Michigan this weekend is twofold. First, the Gophers, to keep any championship hopes alive, simply cannot afford any more losses. The second point, however, is probably more important.

In the words of UM head coach Doug Woog, "We are now in a race, again." No, he is not talking about chasing North Dakota, but rather is more concerned about holding on to second place.

"I simply cannot see North Dakota, unless they suddenly come up with about a dozen injured players, dropping back to us," Woog said Sunday. "They are playing extremely well and anyone catching them would be the surprise of the year."

"More important to us at this point is holding on to second place and gaining home ice for the playoffs. Recently, we had a comfortable margin over the third and fourth place teams.

"Not only are they now closer to us at this point (just seven points separate Minnesota from Northern Michigan and Wisconsin, and eight over Denver), but we have a series remaining with each of them in regular season play.

"So if catching North Dakota appears slim, then we have to concentrate more than ever of not falling lower in the standings. It will not be easy."

Last Friday saw Minnesota's loss string reach four straight as the Gophers suffered through an off night and were whipped 6-1 at Boston University. The Terriers, as we were told, put together their best three periods of hockey this season against the Gophers. "We seem to inspire people to play their best whenever they meet us," Woog sighed.

On Saturday the Gophers bounced back with a much improved performance to defeat the U. of New Hampshire 5-1. Wing Paul Broten led the Gopher offense against UNH with goalie John Blue playing an outstanding game in the Gopher nets.

Broten scored a pair of goals Saturday, including the game winner, while Blue stopped 27 of 28 Wildcat shots, including five breakaways.

Senior center Corey Millen got UM's first goal Saturday tying him for the team scoring lead with sidelined wing Dave Snuggerud at 38 points. Snuggerud has missed the last six Gopher games with a shoulder separation and is not expected back in action for at least one or two more weeks.

Millen has 18 goals and 20 assists in 22 games while Snuggerud has played 23 games and has the same totals.

Senior wing Steve MacSwain has taken over the team lead in goals with 22 while sophomore defenseman Todd Richards has the most assists, 28.

MINNESOTA BASKETBALL TEAM RETURNS HOME

After playing host to the Ohio State University Wednesday at 7:08 p.m., the University of Minnesota basketball team will entertain Indiana University at 7:05 p.m. on Saturday.

Those two Williams Arena assignments follow on the heels of a tough two-game Big Ten Conference road trip that saw the Golden Gophers fall at Purdue 86-59 and at Illinois 80-58.

"We faced two very good basketball teams," Coach Clem Haskins said. "We have to give Purdue and Indiana credit. Both of those clubs proved their merit."

It was obvious that Minnesota's youthful club was "undermanned" against both of those nationally-ranked teams, and as a result saw its overall record drop to 9-6 and its Big Ten record to 2-3.

"At this point we must hope that we can learn from our mistakes," Haskins maintained. "We had some critical turnovers against Purdue, and against Illinois I was disappointed in the fact that we were not able to cash in on some early opportunities."

Haskins also knows that Minnesota's youth is a problem. "We are still a very young team," he says, "and young teams do not play with consistency. We are still learning."

Golden Gopher fans are hoping that Minnesota learned enough on the road to give this week's invaders some trouble....although both Ohio State and Indiana came into this week's action with better records.

Ohio State, which beat Wisconsin easily last weekend, was....like the Golden Gophers....2-3 in conference play but 11-6 overall. Indiana, which plays at Iowa Thursday before coming into Williams Arena on Saturday, stood at 5-0 in loop play (tied with Iowa for first place) and 14-1 on the season.

Both of this week's opponents have series edges on Minnesota. The Buckeyes and Golden Gophers met 95 times prior to Wednesday's confrontation and boasted a 57-38 edge. Indiana and Minnesota have squared off 114 times, and the Hoosiers will bring a 69-45 bulge in the series into Saturday's game.

A year ago Minnesota split with Ohio State, losing at Columbus 68-55 but winning at Williams Arena 70-65. Indiana swept its series with the Golden Gophers a year ago, prevailing 95-63 in Bloomington and 62-54 in Minneapolis.

Haskins is not expected to change his starting lineup for this week's contests, and if that holds true Richard Coffey again will open at center along with Willie Burton and Kelvin Smith at forward. Terence Woods and Kim Zurcher again are expected to start at guard.

Smith remains Minnesota's top scorer with a 15.6 per-game average. He also is tops in rebounds with a 7-2 mark. Woods has the best points-per-game average in five Big Ten outings....13.6. Zurcher leads Minnesota in assists with 47 and in steals with 23.

Statistics causing Coach Haskins concern are rebounds where Minnesota is on the short end of a 167-153 margin in the Big Ten....and in field goal percentage where Minnesota is hitting only .422 (opponents are .523) in the Conference.

INDOOR TRACK SEASON OPENS SATURDAY WITH NORTHWEST OPEN AT FIELDHOUSE 8:30 AM

Coach Roy Griak's 1987 Gopher indoor track team will open the season Saturday at the Fieldhouse. The Gophers have scheduled three non-varsity all-comer meets as preparation for the opener. In the Northwest Open Saturday, Minnesota will compete along with Mankato State, Iowa, and teams from the MIAC Conference. Minnesota is led by two-time All-Big Ten distance runner Paul Gisselquist(Sr. Richfield,MN) and Carson Hoeft (So. Middle Distance runner). Both were Big Ten place winners last season in track (indoors/outdoors).

GYMNASTS OPEN BIG TEN SEASON WITH DUAL WIN OVER MICHIGAN STATE: IDLE UNTIL JANUARY 31 AT OKLAHOMA INVITE

Senior captain Collin Godkin (Milwaukee,WI) won the all-around competition and won two other events to lead the Golden Gophers in their 268.10-261.80 season opening victory last Saturday against Michigan State. Freshman Mark McKiernan(Dorien,CT) was the highlight of the meet for Minnesota winning one event and placing third in the all-around. "McKiernan was the highlight for us," said veteran Minnesota coach Fred Roethlisberger. "We still are improving and missed too many routines, but it's early yet." The Gophers are idle this weekend and will prepare for the Oklahoma Invitational January 31 in Norman,OK.

BUELL ELECTED TO NATIONAL OFFICE

Ken Buell, University of Minnesota athletic ticket manager, has been elected to the position of third vice-president of the National College Athletic Business Managers Association (CABMA).

That election took place as part of the 1987 CABMA's annual convention in San Diego during the first week in January, and it will find Buell moving up the association's ladder of offices each year until becoming president in 1990.

Buell has been the Golden Gopher athletic ticket manager since 1972 and has been an integral part of the University of Minnesota staff since 1969.

A native of Holstein, IA, Buell began his U of M career as a personnel services representative in the University's personnel office in July of 1969. He then followed the late Bob Geary as ticket manager in 1972.

During his tenure as athletic ticket manager at Minnesota, Buell has been recognized on numerous occasions for his outstanding work in ticket promotions, marketing and sales.

He also has served various community organizations and projects including the American Legion, the Goldbricks of Northeast Minneapolis, the Citizen's Committee for Farm Crisis and the Jeep International 500 Snowmobile Race.

While serving in CABMA's rotation of offices, Buell will be responsible for a variety of duties involving the association's annual conventions.

These include site selection, soliciting increased membership, securing convention exhibitor participation, creating and presenting convention program material and maintaining communication ties among member schools. He will eventually preside over CABMA's 41st annual convention in 1991, an event also scheduled for San Diego.

"It is quite an honor to be elected by CABMA's membership," Buell said. "I am looking forward to making whatever contribution I can to an organization which has meant so much to me."

The national organization currently boasts 315 members representing 200 NCAA institutions from the Division I and II levels. Also included in the organization are 41 associated businesses and schools from Canada.

Buell gained his undergraduate degree in business administration from the University of South Dakota in 1968 and worked for the Proctor and Gamble Company of Cincinnati as a field advertising representative prior to joining the staff at the University of Minnesota.

He enjoyed an active athletic career in high school, competing in football, basketball and baseball. He won several honors in those first two sports as a prepster. His current hobby is motorcycle touring, and he remains active in racquetball and softball.

Minneapolis, MN---There was a return to normalcy by the Minnesota hockey Gophers last weekend.

After two weeks on the road losing three of four games, Minnesota returned to comfortable home ice at Mariucci Arena and won twice against the crippled Northern Michigan Wildcats, 9-0 and 5-3.

Now, even more normalcy prevails as the Gophers travel to Denver for games Friday and Saturday against the defending WCHA champion Pioneers. Both 8:30 p.m. CST games will be aired locally by KMFY-980 AM radio.

Denver, acting like an awakened giant, is all alone in third place in the WCHA standings just eight points behind the Gophers. DU is 14-11-2 for 30 league points after a road weep last weekend at Minnesota-Duluth.

Minnesota's home sweep allowed the Gophers to keep pace with league-leading North Dakota which whipped Michigan Tech twice at home by identical 11-2 scores. The Sioux are 22-5-0 for 44 points while Minnesota is 19-8-0 with 38 points. Overall the Gophers are 23-8-0 on the season.

Last Friday junior goal tender John Blue etched another mark in the Gopher record book. By authoring the 9-0 victory over Northern Michigan, Blue recorded his seventh career shutout tying him with Jim Mattson who set the Minnesota record for blankings in 1952-54.

Senior center Corey Millen led the Gopher scoring parade against Northern with five goals, three coming Friday, and two assists for seven points. He now leads Minnesota in scoring with 45 points on 23 goals and 22 assists. Millen is tied with senior wing Steve MacSwain for the most goals scored this season.

Freshman Peter Hankinson got the game winning score for the Gophers in the third period Saturday breaking a 3-3 tie with his second goal of the game. Hankinson had missed the previous five games with an ankle injury. It marked the first time he had scored more than one goal in a game for the Gophers.

Defensemen Gary Shopek, a senior, and sophomore Todd Richards each totaled five assists in the series, while MacSwain had a goal and three assists Saturday. He set up the last two Gopher goals with some excellent passes. The final goal Saturday by Millen was into an empty net. MacSwain had an easy chance to score himself, but instead dropped a pass to Millen deep in the Northern Michigan zone.

WOOG ON THE GOPHERS

Remembering Minnesota's double losses (3-0, 3-2) at Denver in last year's WCHA championship playoff series, Minnesota head coach Doug Woog said Monday, "The encouraging thing about those losses is that we may have actually played out best series of 1985-86 out there.

"The Denver Arena is a place that features tight checking because of the rink size and prevailing conditions. You do not play a glamorous, wide open style in their arena. So we had better be ready for a lot of bump and grind hockey this weekend.

"Denver is playing much better as of late and is all alone in third place, one spot behind us. A sweep by them this weekend would narrow our margin to just four points. You can be certain they will go all out to duplicate last year's results."

The Gophers got healthier last weekend with the return of Hankinson, but are still without high-scoring forward Dave Snuggerud. Out the last eight games with a shoulder separation, it is hoped he will return the following weekend when Minnesota plays host to Colorado College.

MINNESOTA FACES TWO BIG TEN ROAD ASSIGNMENTS THIS WEEK

Chances of the University of Minnesota snapping its five-game losing streak this week may not seem very promising with Coach Clem Haskins scheduled to send his charges on the road for two Big Ten Conference basketball games.

On Thursday the struggling Golden Gophers are scheduled to invade Ann Arbor, MI, to take on the University of Michigan Wolverines at 8 p.m. (EST). Then on Saturday Minnesota will move over to East Lansing, MI, to face the Michigan State Spartans at 4 p.m. (EST).

Haskins' contingent dropped two more Big Ten contests at home last week.... falling 93-78 to Ohio State on Wednesday and Indiana 77-53 Saturday....and will take an overall record of 9-8 and a Big Ten log of 2-5 on the road with them to Michigan.

"We still have a long way to go, an awful lot to learn," Haskins admitted this week. "Against Ohio State, we just were not productive enough offensively and we gave up too many easy baskets, had too many breakdowns on defense."

If Haskins was unhappy about that loss to the Buckeyes, he seemed almost subdued after the setback to the Hoosiers. "Nobody can be happy with a 24-point loss," Haskins maintained, "but can't find fault with our effort. Our people played hard. We just have to learn not to self-destruct."

And now the Golden Gophers face what Haskins has termed "two extremely tough conference road games against very good college basketball teams that are playing well."

Minnesota's lineup for either clash this week is anything but set. Tim Hanson, a 6-6 junior, returned as a starter against Indiana after watching Kelvin Smith, a 6-7 sophomore, and Willie Burton, 6-7 freshman, get the nod in recent weeks.

Richard Coffey, a 6-6 freshman, appears set at center, but picking the starters at guard remains difficult. Kim Zurcher, a 6-2 junior, and Terence Woods, a 6-5 senior, had held down those roles through the first part of the Big Ten campaign.

However, last week against Ohio State, Woods moved up to forward and Terence Williams, a 6-1 freshman, opened in the back court. Then Ray Gaffney, a 6-2 sophomore, played extensively against Indiana and drew Coach Haskins' praise for his efforts.

It would appear, therefore, that ANY combination of those seven cagers...and Jim Shikenjanski, a 6-9 freshman, might make the list eight....could get starting calls against the Wolves and Spartans.

Minnesota is 48-53 against Michigan over the years, but has won only once (1982) at Crisler Arena. The Golden Gophers are 41-28 against Michigan State but lost 76-66 at Jennison Field House a year ago.

MINNESOTA CAGERS BEGIN SECOND HALF OF BIG TEN SEASON

Minnesota tips off the second half of this year's Big Ten season with a conference basketball assignment at Iowa Wednesday night. That Big Ten TV game-of-the-week selection gets underway at 7:08 p.m. (CST).

After that contest, Coach Clem Haskins' charges get the weekend off and then will return to action by hosting Illinois a week from Thursday (Feb. 12) and Purdue the following Saturday (Feb. 14).

"We can really use the time off," Haskins said and also indicated that his players would be excused from practice at least "a couple of days" before beginning drills for Illinois.

But first Minnesota has to think about that game at Iowa, and those thoughts might not be pleasant when recalling that the Hawkeyes already have one win over the Golden Gophers this season.

Early in January, the Hawkeyes prevailed 78-57 in Williams Arena and since then have breezed to a 19-2 record as well as a 7-2 mark in the Big Ten.

Minnesota, meanwhile, has now dropped seven straight Conference games and will risk an overall record of 9-10 at Iowa. The Golden Gophers are 2-7 in league play after falling twice last week.

First Minnesota lost 92-65 at Michigan and then concluded the two-game trek with a 72-60 setback at Michigan State on Saturday. And despite those losses, Coach Haskins has hopes for better results in the second half of the conference campaign.

"We were undermanned at Michigan," Haskins said. "But we played hard. We have to remember that we are a young team, and we had some defensive breakdowns, gave up too many transition baskets. At Michigan State our shooting fell off. We got some good shots but just could not get them to drop."

So how can those two losses provide room for hope? "I can't fault our effort," Haskins said. "We are still learning, and I feel we are improving each game. We are making progress."

At Michigan, Minnesota was out-rebounded 40-26, but at Michigan State the difference was only 28-25. At Michigan, the Golden Gophers committed 15 turnovers, but against the Spartans that number was cut to six. That's the kind of improvement Coach Haskins is looking for.

Willie Burton and Ray Gaffney were the scoring leaders at Michigan with 11 points each while Jim Shikenjanski chipped in with 10. At Michigan State, Kelvin Smith was tops with 21 while Gaffney was next in line with 17.

Trying to predict a starting lineup for the Iowa clash Wednesday is all but impossible after Minnesota used two different alignments last week in Michigan. And to make it even more difficult, Smith was in Texas for his grandmother's funeral on Tuesday and may not be back in time for the game at Iowa.

At any rate, Burton, Hanson or even Terence Woods could get the forward assignments while Richard Coffey, Dave Holmgren who started at MSU or Shikenjanski could open at center. Guard possibilities include Gaffney, Kim Zurcher, Woods if he's not at forward and Terence Williams.

ICERS HOST C.C. FRI-SAT AT MARIUCCI

2/2/87

Minneapolis, MN---Playing one bad period out of six on the weekend cost the Minnesota hockey Gophers a chance to all but sew up second place in the final regular season WCHA standings.

So the challenge still stands. . .the challenge of gaining that important second spot to guarantee home ice at least for the first two playoff rounds.

The assignment begins this weekend when Colorado College visits Mariucci Arena for 7:30 p.m. games Friday and Saturday. KMFY-980 AM radio will air both games with WCCO-830 AM broadcasting Friday, and KITN-TV, Ch. 29 telecasting Saturday.

A win last Saturday in Denver could have gone a long, long way towards clinching second place behind streaking leader North Dakota. But after a playoff-style 2-2 tie game Friday, Denver jumped all over Minnesota mistakes in the first period Saturday grabbing a 5-0 lead. The pioneers finally won 8-5 to maintain sole possession of third place and creep within six points of UM.

The Gophers are now 19-9-1 for 39 WCHA points while Denver stands at 15-11-3 and 33 points. All league teams have six games, worth 12 points, remaining. So hopes of anyone catching league-leading North Dakota (24-5-0, 48) are, at best, slim to none.

Minnesota combined the first two-goal game in senior defenseman Gary Shopek's four-year college career along with rugged goal tending by junior John Blue to record Friday's 2-2 overtime tie. It marked the first tie result for head coach Doug Woog, now in his second season at Minnesota.

Shopek brought Minnesota twice from one-goal deficits, and in the process scored his 99th and 100th career points for the Gophers. Blue made 34 saves, many of them sensational, including eight stops in the overtime period. Both teams had numerous scoring opportunities, but couldn't pull the trigger.

Saturday was another story. Minnesota turned the puck over in its own end more times than any coach would want to see. Denver capitalized on almost every mistake to pound 16 first period shots at freshman goalie Robb Stauber. Stauber was victimized by breakaways plus second and third rebound shots for Denver's five first period goals.

The Gophers outscored the Pioneers 5-3 in the final two periods with reliever Blue again sensational in the nets, but the hill was too steep to climb.

Steve MacSwain got his team-leading 24th goal of the season on a breakaway to begin UM's comeback in the second period. Peter Hankinson, Randy Skarda and Paul Broten added goals in the same period with David Grannis getting UM's last goal in the final minute of the game.

"It's a shame that one peiord of below par play can make the difference between taking three instead of just one point out of an important series," Woog said on the flight home Sunday. "But that's exactly what happened.

"I had believed that after Friday's exceptionally played game by both teams, we would come out Saturday ready to go. But the misplays and errant passes in our own zone killed us in the first period.

"So starting this weekend we have to control our own fate. We have six games left, and all of us know that three wins would clinch second place. We'll have to do it ourselves."

After meeting Colorado College, the final two weeks of regular season play finds UM at Minnesota-Duluth for two, with another pair at home vs. Wisconsin.

MINNESOTA CAGERS RETURN TO ACTION THURSDAY

After taking last weekend off, the University of Minnesota returns to action this week with a pair of Big Ten Conference basketball assignments at Williams Arena.

Coach Clem Haskins' Golden Gophers are slated to entertain the University of Illinois in a 7:05 p.m. contest on Thursday before playing host to Purdue University at 3:05 p.m. on Saturday.

Both games will be re-matches for Minnesota which earlier this year fell at Illinois 80-58 and at Purdue 86-59. In it's most-recent outing, the Golden Gophers dropped a 47-78 decision at Iowa last Wednesday.

As a result of that loss, Haskins' charges will take an overall record of 9-11 and a Big Ten log of 2-8 into Thursday's contest with the Fighting Illini in hopes of snapping an eight-game losing streak.

"We still are a young ball club," Haskins said, "and the best thing for our people is playing time. We're trying to show improvement. We are building for the future. But now we have two at home, and maybe that will help us."

Minnesota, a youthful team that normally goes into a game with an "undermanned" label, was even more-so at Iowa where junior guard Kim Zurcher was suffering from the flu and sophomore forward Kelvin Smith was "travel-weary" after just returning from his grandmother's funeral in Texas.

Both should be back to normal for the Illinois assignment, and that's welcome news for Coach Haskins. Smith is Minnesota's leading scorer and Zurcher is the Golden Gophers' top three-point shooter as well as the team's best in assists and steals.

Haskins' starting lineup for this week's shootouts with Illinois and Purdue remain uncertain, however. Freshman Willie Burton and junior Tim Hanson opened the Iowa contest at forward, but Smith is expected to be back in one of those spots.

Freshman Richard Coffey opened at center, but junior Dave Holmgren was the starter one-game earlier at Michigan State, and freshman Jim Shikenjanski has played well in a reserve role. Any of the three could get the nod against Illinois.

Sophomore Ray Gaffney and senior Terence Woods were the guard openers against the Hawkeyes and might start again against Illinois. However, Zurcher remains another possibility as does freshman Terence Williams who also was in a starting role recently.

"These are two tough games for us," Coach Haskins admits while thinking that the return home after three-straight road assignments will be helpful. "We're still playing hard, and we are improving with each game. We hope that is going to get us back into the win column."

Following three consecutive road games, and with the benefit of an open date last Saturday, Coach Haskins gave his cagers a couple of days off from practice. Minnesota figures the rest will be a boost for the Golden Gophers now in the second-half of a challenging and tedious 1987 Big Ten Conference basketball season.

NOTES: *SEASON HIGH

Minneapolis, MN---For the University of Minnesota hockey Gophers, attainment of its first goal, the WCHA championship, is all over but the dream.

In this case, however, any dreams left point towards the next goal, the WCHA playoffs which begin in three weeks.

For the third consecutive year Minnesota has finished second in the regular season standings. Minnesota cannot move up or down in its final two weekends of play. In fact, Minnesota has finished first or second in the WCHA six of the last nine years, and nine of the last 14.

But before playoff time, the Gophers have four games remaining. Minnesota travels to Duluth for games Friday (8 p.m.) and Saturday (7:30 p.m.) against the sixth place Minnesota-Duluth Bulldogs. KMFY-980 AM will carry both games in the Twin Cities with WCCO-830 AM and KITN-TV Ch. 29 airing Friday's contest.

Minnesota, with aid from Michigan Tech, secured second place last weekend by sweeping a home series from Colorado College, 4-3 in overtime and 3-2, while Tech was upsetting second place challenger Denver, 6-1, and 7-6 in overtime.

At the same time, North Dakota was clinching its first WCHA championship since 1982 when the Sioux swept Minnesota-Duluth at home. The Sioux have 52 points to 43 for the Gophers with only eight league points remaining in the four games each league team has left to play.

Back in October, the second week of the season, Minnesota defeated its brothers to the north, the Bulldogs, in a pair of 8-6 games at Mariucci Arena. UM-D is now fighting to hold onto sixth place with a chance to move higher in the final standings.

Last year the Bulldogs finished in fourth place following two consecutive championship seasons, the first two in the school's WCHA history.

Last weekend's Gopher heroics were performed by sophomore wing Tom Chorske and junior goalie John Blue Friday, with junior center Jay Cates and freshman goalie Robb Stauber gaining Saturday honors.

Chorske deflected a centering pass from behind the net by linemate Steve MacSwain into the Colorado College goal at 7:14 of overtime giving UM its 4-3 victory. The Tigers, after pulling their goalie, tied the game 3-3 with 1:04 remaining in regulation.

That same night Blue turned away 29 Colorado College shots, including a crucial pair in overtime, in extending his UM record to 59 career victories. Blue is 16-4-1 this season.

The next night it appeared another overtime session was coming up. But with the score tied 2-2 and 15 seconds left, Cates intercepted an errant Tiger pass at midice, broke in all alone and scored with 10 seconds remaining (19:50) for the 3-2 decision. Stauber made 22 saves for his ninth win as a rookie.

The margins of victory could have been much wider had it not been for two outstanding performances by Colorado College goalie Derek Pizzey. Pizzey stopped 82 Gopher shots for the weekend, 40 Friday and 42 Saturday. His performance was, from start to finish, superb. He deserved a better fate.

Minnesota had just enough firepower to get the job done. Cates came up with a goal and an assist in each game while MacSwain set up three goals Friday and scored one himself Saturday. MacSwain now leads the Gophers in goals with 25. His overall performance in the two games earned him a WCHA player of the week nomination.

WOOG ON THE GOPHERS

"When the 'experts' picked us to finish first in the WCHA this season, they didn't know that center Tony Hrkac (HER-cus) or their vastly improved goal tending would have such an impact on North Dakota's performance this year," Gopher head coach Doug Woog said Monday. "North Dakota has had a spectacular season and are deserving champions.

"Naturally, our anticipation going into this season was to finish high, have a good year. Considering the number of injuries to many of our key people, first place would have been an enormous accomplishment. Second place, however, is pretty high, too, isn't it? We could have ended a lot lower.

"We plan to play as hard as we can in the last four games. It is our aim to tighten down our game to get ready for the playoffs."

Asked if he plans any experiments in the next four games, Woog answered, "Maybe something minor here or there, but nothing major."

Continuing on about recent games, Woog added, "Those were good games for us the last two weekends. Denver, Colorado College and our men really played hard. Those are the kind of games our players like and learn from. They are fun games, too, naturally more fun when you win tight ones like against Colorado College rather than the tie and loss at Denver."

Sophomore center Dave Snuggerud finally got back in action last weekend after sitting out 10 games with a third degree shoulder separation. Although some rustiness showed, Dave came alive with an assist and a breakaway goal, both in the second period, of Saturday's 3-2 win. He skated at left wing on a line with center Corey Millen and right wing Tim Bergland, the Gopher co-captains.

After this week's series at Duluth, Minnesota returns home to cap regular season play hosting Wisconsin Feb. 20-21. The latter game will feature the introduction of six seniors on the Gopher roster playing their final regular season home game at Mariucci Arena. Their parents will also be introduced.

LAST BLUELINE LUNCHEON FEB. 20

The final GOLDEN GOPHER BLUELINE CLUB luncheon of the season is scheduled at noon Friday, Feb. 20, at the Radisson University Hotel, the same weekend Minnesota is at home to play a two-game WCHA series against Wisconsin. The public is invited to attend these luncheons. You do not have to be a member. Advance reservations are requested by calling 379-8888.

Dave Peterson, former head hockey coach at Southwest High School in Minneapolis, now head coach for the 1988 U.S. Olympic Team, will be the guest speaker. Steve Moosbrugger, Decathlon Athletic Club chairman of this year's Hobey Baker Committee, will also be a part of the program.

Gopher head coach Doug Woog and Wisconsin head coach Jeff Sauer are also a part of the program.

Minneapolis, MN---The numbers that have any meaning for the University of Minnesota hockey Gophers this week are 2-2-6.

The first two represents Minnesota's second place finish in the final WCHA regular season standings; with the other two standing for only two games remaining before the league playoffs begin. Those contests come up Friday and Saturday evenings against the U. of Wisconsin at Mariucci Arena.

Both 7:30 p.m. CST games will be broadcast locally by KMPY-980 AM radio, with WCCO-830 AM and KITN-TV Ch. 29 carrying Friday's contest.

The six refers to the number of young men on the Gopher varsity who will be playing their final regularly scheduled home game in a Minnesota uniform. They are, of course, senior members on the squad who will, along with their parents, be singled out for special introductions prior to Saturday's game.

This year's seniors include left wing and co-captain Tim Bergland from Thief River Falls, defenseman Eric Dornfeld from Stillwater, defenseman Craig Mack from East Grand Forks, left wing Steve MacSwain from Anchorage, AK, center and co-captain Corey Millen from Cloquet, and defenseman Gary Shopak from Minneapolis Henry.

Combined, this group has appeared in 763 games and scored 594 points on 234 goals and 360 assists. . .remarkable totals for six seniors on any hockey team.

Last weekend Minnesota further cemented its hold on second place by winning a pair of road games at Minnesota-Duluth, 6-3 and 5-1. The wins give the Gophers a season record of 27-9-1 and a WCHA mark of 23-9-1. The Bulldogs fell to 11-23-1 and 11-21-1.

It marked the first time since 1977-78 that a Gopher team had swept all four season games from a Minnesota-Duluth squad.

A freshman and three junior forwards led the Gopher attack at UM-D. Fresh right wing Peter Hankinson, on the newly formed line with center Paul Broten and Tim Bergland, topped all scorers on the weekend with three goals and two assists.

Hankinson came up with a power play goal Friday, then added two goals including the game winner Saturday. He also set up both goals by Broten Friday, the second a shorthanded game winner.

Center Jay Cates banged home one goal each night, while the third junior, center Stee Orth who only played in Saturday's contest, made it pay off by scoring two goals in the 5-1 win.

Junior goalie John Blue won his 17th game of the season and 60th of his career Friday in stopping 31 Duluth shots. The Bulldogs came from a 3-1 first period deficit with a pair of goals off deflections in the second period, but Blue closed them out the rest of the way to win the 6-3 decision.

Freshman Robb Stauber enjoyed a homecoming of sorts in winning Saturday's contest. He all but grew up in the Duluth Arena as a pee wee, bantam and high school performer, the latter years for Denfeld High. Stauber lost out on his first collegiate shutout when the Bulldogs scored from a mad scramble at the Gopher crease at 5:07 of the final period. The Gophers had built a 4-0 lead prior to the latter score.

Wisconsin, which has enjoyed a late surge, last week took over sole possession of third place in the WCHA standings. The Badgers swept Michigan Tech earlier in the week 4-3 and 3-2 running their record to 20-15-1 overall and 17-15-1 in the WCHA.

Wisconsin holds a two-point margin over fourth place Denver, 35-33. The Pioneers, defending WCHA champions, play a home and home series vs. Colorado College this weekend.

At the other end of the standings, Minnesota Tech has slipped into a 6th and 7th place WCHA tie with Minnesota-Duluth as the Bulldogs swept Northern Michigan at home last weekend, 3-2 and 6-1. The Bulldogs now stand with 33 WCHA points. The Bulldogs close out their regular season with two home games at Michigan Tech this weekend.

Of the above, whoever finishes in 7th place will become Minnesota's first round WCHA playoff opponent. The two-game consolation series will be played at Mariucci Arena at 2 p.m. Saturday and Sunday, March 23-24th.

Should Minnesota win the first round series, the Gophers would again be home for 7:30 p.m. games Friday and Saturday, March 2-3, against an opponent to be determined by the first round results.

The WCHA championship playoff series is scheduled for the following weekend, March 14-15. The only way Minnesota could reach the final playoffs would be to win its first two series and see somebody else drop out. North Dakota. Don't hold your breath waiting for the latter to happen. Tech doesn't do not lose a single league game at home this season.

On the other hand, Minnesota is 13-2-0 in home league single contests to North Dakota and Lowell. The Gophers are undefeated at Mariucci Arena in their last four outings since dropping the 6-3 decision to Lowell on Jan. 3. UM has won its last four games, and seven of the last ten.

MINNESOTA CAGERS FACE TWO MORE ROAD TESTS

Minnesota gets nothing in the form of a breather this week as it packs its bags for two more challenging Big Ten Conference basketball road assignments.

On Thursday Coach Clem Haskins' charges invade Bloomington, IND, to take on the Hoosiers. Then on Saturday the Golden Gophers journey over to Columbus, OH, to face the Buckeyes. Both games show 8 p.m. (EST) tip-offs.

The task at hand seems overwhelming for Minnesota since it knows that it lost decisions earlier this year to both Indiana and Ohio State at home and now must face those same clubs on the road.

In addition, the Golden Gophers dropped two more decisions this past week and in the process saw their overall record fall to 9-13 and their Big Ten mark dip to 2-10. Making this week's outings even more ominous is the fact that Minnesota's record on the road is only 1-7, and it has not won a conference game away from home in 1986.

Despite all of that, the Golden Gophers are not discouraged. Neither is Coach Haskins. "In our loss to Illinois, we simply did not meet that team's intensity in the second half," he explained. "We simply have to execute for 40 minutes."

That didn't happen, and Minnesota, after trailing by only three at the half, saw the Fighting Illini pull away after the intermission to post a 79-67 verdict.

Then the Golden Gophers dropped a heartbreaking 81-73 decision to Purdue, and it was a case of the final score not telling the full story of the hard-fought contest.

"It wasn't a win," Haskins admitted, "but we have to look at it that way. We have nothing to be ashamed of in losing to Purdue. We played hard, and we executed for the full 40-minutes."

Despite that impressive effort by Minnesota, both decisions still show up as losses, and those results mean that the Golden Gophers now have lost 10-straight games.

"We must continue to work hard," Haskins told his squad. "We need a little more concentration, a little better execution. But we are getting better, and we are getting contributions from every player. There have been so many bright spots."

So now Haskins has to hope those bright spots continue this week at Indiana and Ohio State. Bright spots like those exhibited by freshman forward Willie Burton, by freshman Richard Coffey who has moved from center to forward in Haskins' new alignment, by freshman Jim Shikenjanski who has taken over the starting spot in the middle, by sophomore guard Ray Gaffney and by senior guard Terence Woods.

And there are others including junior forward and co-captain Tim Hanson who came off the bench to score 13 (five Golden Gophers finished in double figures against Purdue) last Saturday. Add to the list Kelvin Smith, sophomore forward and Kim Zurcher, junior guard, and Terence Williams, freshman guard.

All played important roles last weekend, and all will have to do so again if Minnesota is to have any chance of getting back into the win column on the road this week at Indiana or Ohio State.

TENNIS TEAM AT ITCA INDOOR NATIONALS IN LOUISVILLE, KY: GOPHERS THIRD AT SHOWCASE ICE VOLLEYS

Minnesota faces Utah in the opening round of the ITCA (Intercollegiate Tennis Coaches Association) Indoor Nationals February 19-22 in Louisville, Kentucky. The sixteen team field includes defending champion Pepperdine and will have the top tennis schools in action. The Gophers of 1986 NCAA Tennis Coach of the Year Jerry Noyce, were an at-large pick to the ITCA Nationals after finishing runnerup to Michigan at the Midwest Regionals last November. Utah is the Region 8 champion and the winner of the Minnesota vs. Utah first-round matchup will play Georgia in the quarterfinals.

The Gophers finished third in last weekend's Ice Volleys Showcase Tournament at the Burnsville RC. Four top 15 nationally ranked teams competed with Clemson defending its title with 33 points and dominating the field with seven individual championships. Texas was second with 18 points and the other three championships. Pepperdine, the defending ITCA champion finished behind the Gophers with 8 points compared to Minnesota's 10. Four Gophers lost in the singles finals: Casey Merickel (Jr. Wadena, MN at # 2), Duke Uthlein (So. at # 3), Mathias Olsson (So. at #4), and Anthony Cruz (Fr. at # 5 singles).

SWIMMERS WIN THIRD STRAIGHT DUAL: HOST INVITATIONAL FRIDAY AND SATURDAY AT COOKE HALL POOL

The Golden Gopher swim team continued to prepare for the upcoming Big Ten championships with an impressive 112-105 dual meet win last Saturday over Iowa State. The win upped Minnesota's dual record to 7-3 this season, the most dual wins since the 1978-79 campaign.

Minnesota was paced by first places vs. Iowa State by Bill Asmus (Fr. Lakeville, MN) in the 200 free, Preben Olsen in the 1000 free, Dan Egeland (So. St. Anthony, MN) in the 200 IM, Mike Zechmeister (So. Brooklyn Park, MN) in the 200 butterfly, Joel Bussard (Fr. Laguna Hills, CA) in the 200 backstroke and Andrew Lorys (Fr. Portland, OR) in the 500 free.

The Gophers host the 1987 Minnesota Invitational Friday (7:00 PM) and Saturday (1:00 PM) at the Cooke Hall Pool. The 1987 Big Ten swimming championships are set for March 5-7 in Indianapolis, IN and it has been Coach Dennis Dale's team goal to improve on the 1986 9th place finish.

GYMNASTS AT UW-LACROSSE WEDNESDAY: HOST MICHIGAN SATURDAY 2:00 PM AT WILLIAMS ARENA

Coach Fred Roethlisberger's men's gymnastics team will be back in action this week at UW-LaCrosse Wednesday night before hosting Big Ten foe Michigan on Saturday afternoon 2:00 PM at Williams Arena. The Gophers, currently the 10th ranked team in the latest NCAA rankings, were idle last weekend and last competed at the UCLA Invitational scoring a season high 275.10 while placing fifth.

Leading the Gophers is senior captain and All-American candidate Collin Godkin (Milwaukee, WI). Godkin scored a season's best 56.55 in the UCLA all-around competition to place second in the meet. Freshmen Mike Miller (Aloha, OR) and Mark McKiernan (Darien, CT) have been very impressive in the all-around too. McKiernan scored a 55.15 at UCLA and Miller has reached 53.50 this season. Two-time pommel horse All-American Steve Braun (Sr. Bloomington, MN) has improved his overall avg. scoring a 9.6 at the UCLA Invitational. The Gophers continue at home next Saturday, Feb. 28, hosting Iowa State (2:00 PM).

WRESTLERS DROP TO 7-12 OVERALL, 0-6 IN BIG TEN DUALS: HOST OHIO STATE SATURDAY 7:30 PM AT WILLIAMS ARENA

Losing another heart-breaker (21-15 to Purdue last Saturday), the Gopher wrestling team of first-year head coach J Robinson hosts the Buckeyes of Ohio State Saturday night at Williams Arena. The Gophers have lost six straight dual matches and are also 0-6 in Big Ten duals heading into this weeks action. Three Minnesota wrestlers are tied for the team lead with 27 victories this season: Tim Manning (Jr. Vermillion, SD) is 27-10-1 overall at 142 pounds; Gordy Morgan (Fr. Bloomington, MN) is 27-13 at 150 lbs and Dave Dean (Jr. Montrose, MI) is 27-9-2 at 190 pounds.

Minneapolis, MN---One season is finished. Another season begins Saturday.

The University of Minnesota hockey Gophers completed their regular season at home last weekend sweeping Wisconsin by identical 5-2 scores.

Minnesota, for the third consecutive year, finished second in the WCHA standings. The Gophers posted a 25-9-1 league record good for 51 points, seven behind WCHA champion North Dakota at 29-6-0, 58 points.

So the second season begins Saturday and Sunday with 2 p.m. games at Mariucci Arena against seventh place Michigan Tech in the first round WCHA playoffs. As in past years, each league playoff round is a two-game, total-goal series.

Both games this weekend will be aired by all three Twin Cities outlets who have followed the Gophers this season--KMFY-980 AM, WCCO-830 AM, and KITT-TV, Ch. 29.

Minnesota owns four wins in as many tries against Michigan Tech this season. The Gophers won 4-1 and 7-5 at Houghton back in November, and then clinched the season series winning 7-0 and 6-3 at Mariucci Arena in December.

The Huskies, however, showed a solid late season surge climbing from last place into seventh tied with Minnesota-Duluth. Michigan Tech defeated the Bulldogs twice at home last weekend to forge the tie, then won the seventh place playoff seed based on games vs. UM-D. In the four outings, Michigan Tech ended 2-1-1 against the Bulldogs.

"It has been my past experience that in hockey, you can pretty well forget what went on during the regular season," Gopher head coach Doug Woog offered Monday.

"Sure, we defeated Michigan Tech four times. So what. This is an all-new season. What happened before doesn't mean much now. They have gained new life and the pressure is all on us.

"I'm certain Tech will play its very best against us Saturday and Sunday. I would like to think we will be up to the challenge, but sometimes strange things happen during playoffs.

"I'm pleased at the way we finished the regular season with six straight wins. I hope that means we are peaking at the right time. One never knows, though, how any team will react on a given date. I do know that our fans are in for another great WCHA series."

Defenseman Gary Shopek made senior weekend a personal peak for himself by being nominated as Minnesota's WCHA Player of the Week candidate for his performance against Wisconsin. Besides scoring the game winning goal and an assist Friday and adding two more assists Saturday, he was all over the ice making top plays both nights.

Shopek and seven teammates were singled out for special honors prior to Saturday's game. It was the final regularly scheduled home game for the senior members of this year's Gopher varsity.

Another senior, center Corey Millen, broke out of a scoring slump with two breakaway goals in Saturday's contest. His first goal tied the game at 1-1 late in the second period. His second moved UM into a commanding 4-1 lead in the final period.

Senior wing Tim Bergland, co-captain along with Millen, got the final Gopher goal into an empty Wisconsin net in the final minute of play Saturday.

Sophomore defenseman Todd Richards was the only other Gopher, besides Millen, to come up with multiple goals. Richards hit one each night with Saturday's third period power play goal turning out to be the game winner.

Shopek's three assists on the weekend moved him within one of the school record 88 career assists recorded by All-American and U.S. Olympian Bill Baker in 1976-79.

Richards, in gaining his two points on the weekend, moved into a three-way tie for the fourth highest number of points in a season by a defenseman at Minnesota with 43. Former Gopher defensemen to hit that total include All-American Lou Nanne in 1962-63, and Reed Larson in 1975-76.

Junior goalie John Blue won his 61st career game Friday by allowing two goals in the second period while making 23 stops for the evening. Blue lowered his WCHA goals allowed average to 3.02, second only to North Dakota's Ed Belfour. Belfour went into last weekend with a 2.51 average. Blue had posted the lowest goals average in the WCHA the last two years.

Freshman Robb Stauber duplicated Blue's performance by stopping 26 Wisconsin attempts Saturday. Stauber allowed single goals in the first and third periods. Three of Wisconsin's four weekend goals were power play scores.

By scoring his three points on the weekend, Millen moved into a first place tie with fellow senior Steve MacSwain for the Gopher scoring lead. Each has accumulated 49 points this season, but MacSwain, who scored one goal Friday, owns the goal lead 27-26 over Millen.

Richards and sophomore wing Dave Snuggerud are next in the scoring derby with 43 points apiece. Snuggerud, even in missing 10 games with a shoulder injury, is third in goals scored for UM as he notched his 20th Friday.

MINNESOTA CLOSES HOME BASKETBALL SEASON THIS WEEK

A pair of Big Ten Conference basketball games are on tap at Williams Arena for the University of Minnesota this week, and those assignments will bring down the curtain on the Golden Gophers home schedule for 1986-87.

Coach Clem Haskins' youthful cagers then will wind up this year's slate the following week with games at the University of Wisconsin and Northwestern University.

But this week it is Michigan at Minnesota on Wednesday in a Big Ten TV game of the week affair and then Saturday it will be Michigan State. Both of those Williams Arena shootouts are set for 7 p.m.

Minnesota will take an overall record of 9-15 and a Big Ten log of 2-12 into the Michigan game on Wednesday after falling twice more in conference action last week.

First the Golden Gophers pushed Indiana at Indiana to the buzzer before falling 72-70. At Ohio State, the Buckeyes jumped off to an early lead and held the upper hand before winning 88-73.

The Indiana setback was especially hard to accept for Minnesota's youthful contingent which probably deserved to come out of Bloomington with a victory.

"When you work as hard as you can, play as well as you can play and still come up empty," Haskins said, "It's especially hard to take. But I am proud of our players. To push the nation's number two ranked team right up 'till the final buzzer, and on their floor, speaks well for Minnesota."

Haskins was not as pleased at Ohio State where the Golden Gophers seemed to take a step backwards. "It was a poor performance on our part," he said. "We've just got to put it behind us."

But there was no doubt that Minnesota has made progress. Coach Haskins will get no arguments from any corner about the improvement his undermanned cagers have made.

In early going, the Golden Gophers would be out-rebounded by a dozen or more every time out of the blocks. They would be guilty of at least 15 turnovers in every start.

At Indiana, Haskins' gutty squad held a 38-32 edge in rebounding over the Hoosiers. They reduced their turnovers and they outscored Indiana 29-24 in field goals. The game was lost at the free throw line where the host club hit 21-of-26 as compared to 11 in only 15 tries for Minnesota.

Then against Ohio State, the travel-weary Golden Gophers slipped a notch. They were out-boarded 38-29 and they were guilty of 22 turnovers. But again, they had only 13-of-14 free throws while the host Buckeyes notched 28-of-41.

But, as Haskins stressed in drills this week, that is in the past. Now it is Michigan and Michigan State. And it is expected that the Golden Gophers will continue to change personnel.

Starters probably will be Willie Burton and Richard Coffey at forward, Jim Shikenjanski at center along with Terence Woods and Ray Gaffney at guard.

But Tim Hanson and Kelvin Smith also are ticketed for extensive duty on the front line as are Kim Zurcher and Terence Williams in the backcourt.

CLEM HASKINS GIVES AWAY 1,000 BASKETBALL TICKETS

Clem Haskins, Head Basketball Coach for the University of Minnesota Golden Gophers, is giving away 1,000 basketball tickets to U of M students in an unprecedented move to show his appreciation for the support that the students have shown during this past season.

The remaining tickets will be given away at the Gopher Ticket Office (Bierman Building) from 9 a.m.-5 p.m. on both Thursday and Friday, February 26 and 27. Coach Haskins will help distribute these tickets by being present at the Ticket Office on both of these dates from 11 a.m.-1 p.m.

All basketball tickets being given away will be for the Gopher vs. Michigan State game on Saturday, February 28 at 7 p.m. at Williams Arena. Students must show their student I.D. and winter quarter fee statement when picking up their tickets.

TRACK TEAM AT BIG TEN CHAMPIONSHIPS THIS WEEKEND IN CHAMPAIGN, IL.

The Golden Gopher indoor track team will compete this weekend at the 1987 Big Ten Indoor Championships Friday and Saturday hosted by the University of Illinois.

Coach Roy Griak's team had 10 place winners at last weekend's Illinois Invitational as a warm-up to this weekend's meet. Minnesota placed tenth last year at the conference indoors with shot put champion Ron Backes leading the Gopher point standings earning 20 on two first place finishes in the shot and discus. Backes has graduated and is competing on the international track circuit and the top Minnesota hopefuls for point and places are senior co-captains Paul Gisselquist (Richfield, MN) in the distance races and Mike Vukovich (Park Ridge, IL) in the high jump. Outdoor Big Ten place winner last season - Carson Hoett (So. Plymouth, MN) will also be a key contributor in the 800 and 1000 meters.

Big Ten teams will be out to unseat conference champion Wisconsin Badgers. The Badgers scored 85 team points to edge runnerup Illinois' 81 point total in the 1986 indoor meet at Lafayette, IN.

GOPHER GYMNASTS HOST BIG EIGHT FOE IOWA STATE 2:00 PM SATURDAY AT WILLIAMS ARENA

Coach Fred Roethlisberger's unbeaten 3-0 and 10th ranked nationally men's gymnastics team goes out of Big Ten competition this Saturday hosting Iowa State of the Big Eight Conference. Minnesota edged Michigan last Saturday 274.4 to 262.75 running its Big Ten record to 2-0 in dual meets. "We improved in some areas and went down in others," said Roethlisberger. "I must be patient with our young gymnasts (Minnesota has four freshman in the regular lineup). The Upper classmen did an excellent job last weekend vs. Michigan. Mike McCabe did an outstanding job and Dale Langefels and Collin Godkin were again very steady."

Godkin (Sr. Captain from Milwaukee, WI) led the Gophers winning the all-around title scoring 56.35 in his second best meet of the season. Godkin won the rings, vault and high bar to pace the Gophers. Langefels was second in the floor ex and tied for first with Godkin on the vault.

SWIMMERS IDLE AFTER UPPING DUAL RECORD TO 8-3: PREP FOR BIG TEN CHAMPIONSHIPS MARCH 5-7 AT INDIANAPOLIS

The Gopher swim team used record-setting performances by freshman distance freestyler Andrew Lorys (Portland, OR) and sophomore Dan Egeland (St. Anthony, MN) to beat Bemidji State 350-92 last weekend at the 1987 Minnesota Invitational at Cooke Hall Pool.

Lorys set new Minnesota freshman, varsity and Cooke Hall Pool records with his 15:55.01 time in the 1650 freestyle. Egeland continued his record book assault setting a new record in both the 100 and 200 breaststroke events. Egeland broke his own Cooke Hall pool record in the 200 with a time of 2:05.37 and broke Chuck Beckman's 1980 100 breast record with a 57.45. Those times are not varsity records.

Coach Dennis Dale's Gophers will be idle until the Big Ten swimming championships March 5-7.

WRESTLERS AT OKLAHOMA SATURDAY IN FINAL DUAL MATCH OF 86-87 SEASON: NOW 7-13 OVERALL 0-7 BIG TEN

For the second consecutive week, the Gopher wrestling team dropped a heartbreaking decision losing the meets final match, this week 18-17 to Ohio State at Williams Arena. J Robinson's team has now dropped seven straight duals and are 7-13 and 0-7 in the league heading into Saturday's regular season finals at Oklahoma Sooners in Norman. Oklahoma is the defending Big Eight Champion and the 1986 NCAA runnerup to Iowa.

Bright spots for Minnesota continue to be the records of three Gophers who lead the team with 28 victories each. Tim Manning (Jr. Vermillion, SD) at 142 has a 28-10-1 record, Gordy Morgan (Fr. Bloomington, MN) has a 28-13 mark at 150 pounds and Dave Dean (Jr. Montross, MI) has a 28-9-2 190 lb. record.

TENNIS TEAM 1-2 AT ITCA NATIONALS: DROP TO 5-7 ON SEASON AND COMPETE THIS WEEKEND AT MIAMI (FL) QUAD MEET

Minnesota's 13th ranked tennis team was 1-2 at the ITCA indoor nationals last week in Louisville, KY and did not place in the competition. Coach Jerry Noyce's team edged Utah 5-1 in the opening round before losing to Georgia 5-1 and Pepperdine 5-1 to be eliminated in the double elimination national tourney.

Noyce's Gophers are now 5-7 overall in duals and the tough competition continues this weekend at the Miami (FL) Quad Meet hosted by the Hurricanes (ranked 21st nationally). Minnesota is the defending Big Ten team champion and will not get into league duals until early April.

The Gophers continue to play without injured sophomore Jonas Svensson (Vetlanda, Sweden). Svensson was playing #1 and #2 singles before a stress fracture in his right ankle put him out of action for six weeks in early February. Hopefully he will be back for the opening of the Big Ten schedule April 3 and 4 at Michigan and Michigan State.

Minnesota will have three weeks off following the Miami Quad. Next action will be the outdoor spring trip to Georgia and Alabama March 24-29 during the quarter break in school at the university.

Minneapolis, MN---The Minnesota hockey Gophers host a familiar opponent at Mariucci Arena this weekend when Wisconsin comes in for the second round WCHA playoffs.

The two-game, total-goal series is set for 7:30 p.m. CST Friday and Saturday with the series winner advancing to the WCHA playoff championships the following weekend.

Both games will be carried locally by KMPY-980 AM, WCCO-830 AM and KITN-TV Channel 29.

Minnesota won out over Michigan Tech in the first round of the total-goal series 17-9. The Gophers took the first game 9-4 Saturday coming back Sunday to win 8-5 at Mariucci. Minnesota now owns a 31-9-1 season record while Michigan Tech ended its campaign at 11-28-1.

Wisconsin, 22-17-1, also playing at home, defeated Northern Michigan 4-2 and 6-2 for a 10-4 goal total in its series. NMU ended up 18-21-1.

Other WCHA results saw league champion North Dakota take Minnesota-Duluth twice by scores of 5-3 and 8-1, while Colorado College pulled off the only first round upset. The Tigers, playing at third place Denver, defeated the defending league champs in both games, 4-2 and 3-2.

Colorado College, 17-23-1, which finished sixth in regular season standings, is at North Dakota, 33-7-0, Friday and Saturday for the other second round total-goal series.

If North Dakota wins against Colorado College, the Sioux will host the playoff championship series in Grand Forks March 13-14 against the Minnesota-Wisconsin winner. If the Sioux should lose, then the title round host is the UM-WIS survivor.

Although the scores were high, it took Minnesota more than half of each game to shake off the gritty Huskies.

On Saturday, the score was tied 2-2 after 35 minutes of play before Dave Snuggerud hit his second goal of the game at 15:01 and UM was ahead to stay.

Freshman wing Peter Hankinson added two goals just 18 seconds apart in the same period and the Gophers were home free.

Hankinson scored another goal in the final period for his first collegiate hat trick. Besides Snuggerud, both Corey Millen and Steve MacSwain also scored two goals for the Gophers.

Junior goalie John Blue won his 19th game of the season, and extended his school record to 62 career wins Saturday. He made 18 saves against MTU.

Millen added three assists for his third 5-point game of the season while both Paul Broten and Tim Bergland assisted on each of linemate Hankinson's three goals.

The next game saw the teams traded goals right up the ladder for tie scores at 1, 2, 3, 4, 5. This time it was senior co-captain Bergland who put the Gophers ahead to stay when he banged in a shorthand goal at 13:16 of the final period. MacSwain and Hankinson added late goals 34 second apart for the final margin of victory. Frosh Robb Stauber made 16 saves in goal for UM.

Bergland and Snuggerud each scored twice for Minnesota. Both Snuggerud (4-3) and Millen (3-4) enjoyed 7-point weekends while Bergland (2-4) and MacSwain (3-3) had six points. Broten totaled five assists, defenseman Todd Richards four, and Hankinson matched Snuggerud's four goals.

Power play goals were the in thing last weekend. In the two games, Minnesota converted six of nine attempts while Michigan Tech, with four of their five goals Sunday coming on advantage situations, ended five of 12.

UM vs. THE BADGERS

Minnesota took the season series from Wisconsin three wins to one. The schools split in Madison back in October. Broten gave Minnesota its lone win there with an overtime goal in a 3-2 decision. Wisconsin used a 4-goal third period to rally for a 5-2 win the next night.

(MORE)

The teams then played in Mariucci Arena just two weeks ago with the Gophers sweeping the Badgers by identical 5-2 scores.

Wisconsin actually ended its regular season tied with Denver for third place in the WCHA. But Denver received the higher playoff seeding as the Pioneers owned a 3-0-1 record against the Badgers in their four games.

Whatever, as any coach will tell you, throw out the regular season results when it comes to playoff time. Even more so when you line up traditional opponents like Wisconsin and Minnesota.

CAGE SEASON TO END FOR GOLDEN GOPHERS

Minnesota will bring down the curtain on its 1986-87 basketball season this week when squaring off with a pair of Big Ten Conference opponents on the road.

Thursday the Golden Gophers are slated to take on the University of Wisconsin at Wisconsin. Saturday Minnesota plays this year's finale against Northwestern at Northwestern. Both duels show 7 p.m. tip-offs.

Coach Clem Haskins hopes his charges can wind things up on a winning note and in the process snap a 14-game losing streak after dropping two more decisions last week.

First the Golden Gophers fell 95-70 to Michigan and then closed the home schedule with a 77-67 setback at the hands of the Michigan State Spartans.

"A team can only play on emotion so long," Coach Clem Haskins analyzed after the loss to the Wolverines. "Eventually those emotions wear out and a team goes flat. That's what happened to us."

Against Michigan State, Minnesota gave the Spartans its best shot, but it simply was not enough. "We ran into a Tiger," he explained, and he was referring to Dennis Johnson of Michigan State who scored 34 points on a 15-of-19 shooting night.

Overall the Spartans shot .738 from the field (.810 in the second half), and it was just too much for the Golden Gophers who tried valiantly to counter with .518 shooting....one of their best efforts of the year.

"We have nothing to be ashamed of," Haskins maintained after those two losses. "I'm proud of our players. We still make mistakes, and we still have a lot of improving to do, but nobody could fault our effort."

So now the end is in sight, and Minnesota hopes to snap that losing streak against the only two Big Ten Conference teams it has beaten this season.

In early January, Minnesota topped Wisconsin 69-67 at home and then added a 60-53 verdict over Northwestern on the Williams Arena floor. Since then, the Golden Gophers have not been able to break into the win column.

If Coach Haskins sticks with the lineup he has used of late, Willie Burton and Richard Coffey will open at forward and Jim Shikenjanski will start at center. All three are freshmen.

Haskins is expected to start senior co-captain Terence Woods at one guard spot and Ray Gaffney, a sophomore who missed the Michigan State game because of the death of his grandfather, at the other.

It also is expected that Tim Hanson, a junior, will play extensively at forward. He had one of the best nights of his career against the Spartans when scoring 20 points including six baskets from the three-point range.

Kim Zurcher opened at guard in Gaffney's absence, and he's another Golden Gopher who could play a lot against the Badgers and Wildcats. The same holds true of 7-0 junior center Dave Holmgren whose progress has been slowed after knee surgery.

BIDDLE NAMED DEFENSIVE COORDINATOR

Dick Biddle, inside linebacker coach at the University of Minnesota for the past two years, will take over as the Golden Gophers' defensive coordinator heading into the 1987 season.

Biddle, 38, is from Parkersburg, West Virginia. He attended Duke University and received his B.A. degree from that institution in 1971 after twice gaining All-Atlantic Coast Conference honors twice.

His coaching career began at Allegheny College in 1973 where he remained for four seasons, working with the defensive line and the linebackers.

From 1977 through 1982, Biddle was on the staff at Colgate University where he served as the defensive coordinator during his final two campaigns. Then Biddle joined the staff at Virginia Tech where he worked with the linebackers for two campaigns before coming to Minnesota in 1985.

GOPHER SPORTS UPDATES (March 2, 1987) WRESTLING AND SWIM TEAMS AT BIG TEN CHAMPIONSHIPS

SWIMMERS AT BIG TEN CHAMPIONSHIPS THIS WEEKEND IN INDIANAPOLIS, IN

The 1987 Big Ten Swimming Championships will be held this Thursday-Saturday in Indianapolis, IN and Minnesota Gopher head swimming coach Dennis Dale brings his squad into the meet with an 8-3 dual meet record and a four meet winning streak.

Minnesota finished ninth last season and Dale will look for improvement at this weekend's meet. "There's a real logjam among four or five teams from fifth through ninth and we're improved enough to belong in that group," Dale said. Michigan is the defending champion and will get a stiff test from long-time champ Indiana and Wisconsin for top team honors.

Gopher individuals to watch are breastroker Dan Egeland (So. St. Anthony, MN) who is seeded second in the 100 and 200 breaststroke races. Freshman freestyler Bill Asmus (Lakeville, MN) is seeded 10th in the 50 and 100 free events. Two other Gopher freshmen Andrew Lorys (Portland, Oregon) in the 1650 freestyle and Joel Bussard (El Toro, CA) in the 200 backstroke are also seeded among the top 16 in their events. "Hopefully we'll score over 200 points and we would like to move up into six, seventh or eighth position," coach Dale added. In 1986, Minnesota scored 106.

WRESTLING TEAM ENDS REGULAR SEASON WITH EIGHT MATCH LOSING STREAK: AT BIG TENS SAT-SUN

It's now the tournament season for first-year coach J Robinson and his Gopher wrestling squad. Minnesota ended the dual match season last Saturday losing another close match 25-14 to defending Big Eight Champion and NCAA runnerup Oklahoma Sooners. The loss put the Gophers record at 7-14 overall in dual matches.

This weekend the ten member Gopher team will participate in the 1987 Big Ten Championships in Madison, WI. The Gophers placed fourth last season and will be hard pressed to beat that standing. The top four individuals at each weight class qualify for the NCAA's later this month at the University of Maryland. Iowa has won 13 straight Big Ten titles and will be the favorite again in 1987.

Top Gopher hopefuls for individual places are 142 pounder Tim Manning (Jr. Vermillion, SD) with a team-leading 30-8-1 record, 150 pound Gordy Morgan (Fr. Bloomington, MN) who has a 28-14 record, Brett Rasmussen (Sr. Kasson, MN), 24-7-2 and a two-time Big Ten place winner and NCAA qualifier in 1986, Rod Sande (Jr. St. Paul, MN at 167), 25-7-2 and a 1986 NCAA qualifier and Dave Dean at 190 pounds. Dean a junior from Montrose, MI has a 29-9-2 overall record this season.

INDOOR TRACK TEAM FINISHES EIGHTH AT BIG TEN CHAMPIONSHIPS

Led by senior co-captain Mike Vukovich's third place finish in the high jump, the Golden Gopher indoor track team placed eighth at last weekend's Big Ten meet scoring 22 team points. Vukovich jumped 7-0 $\frac{1}{4}$ to finish behind Dave Glassburn of Purdue who jumped 7-1 $\frac{1}{4}$ to win the event. Illinois won the team title with 133 pts.

Other place winners for Coach Roy Griak's indoor track team were: Senior co-captain Paul Gisselquist (Richfield, MN) with a 5th in the three mile, Frank Bjorkli (So. Hommelvik, Norway) fourth in the mile run, Jim Scott (So. St. Paul, MN), 5th in the 880 yard run, John Briese (So. Cottage Grove, MN) 6th in the 600 and 8th in the 60 yard HH and Carson Hoeft (So. Plymouth, MN), 4th in the 1000 yard run.

10th RANKED GYMNASTS SCORE SEASON HIGH 278.4: AT UW-OSHKOSH SATURDAY

The 10th ranked Minnesota men's gymnastics team remained unbeaten (4-0) in dual meets with a season's best 278.4 - 260.25 win last Saturday over Iowa State at Williams Arena. "We're continuing to improve each meet and I expect us to score around 280.0 in every meet from here on out," said Gophers coach Fred Roethlisberger after Saturday's meet. "We will have to score that high to qualify for the NCAA's."

Senior captain Collin Godkin (Milwaukee, WI) scored a career's best 56.65 all-around score to pace the Gophers. Freshman Mark McKiernan (Dorien, CT) was second in the AA at 54.70 and combined with Godkin to win five of the six individual events vs. Iowa State.

Minneapolis, MN---Turf dedication, businessman's lunch hour, free admission and a baseball doubleheader. . .all the hoopla that goes with a season opener and more is scheduled noon Wednesday at the Metrodome when the U. of Minnesota baseball Gophers open their 1987 season.

Prior to the noon doubleheader scheduled against Nebraska, a special pre-game turf dedication will be held commemorating the all-new artificial playing surface that is installed and ready for duty this season.

Present for the ceremonies will be members of the Sports Facilities Commission plus representatives of the Metrodome's major tenants. . .Twins, Vikings, Gophers and the Minnesota State High School League. Veteran public address announcer Bob Casey will MC the 11:45 ceremonial event.

Then it's major college baseball as the Gophers and Cornhuskers play the first of two games beginning at noon. UM head coach John Anderson enters his sixth season at the Gopher helm boasting a record of 164-105-1, which includes two Big Ten championships and three West Division titles.

Last year Minnesota won the Big Ten divisional crown, but lost out to Michigan in the playoff tournament. Minnesota, however, established a school record for most wins in a season by posting a 40-19 record.

Following Nebraska, the Gophers play doubleheaders against Ball State University Thursday (5 p.m.) and Friday (12 noon), also in the Dome. Free admission is the going rate for all six games covering the three days.

Following a week's break for final exams, Minnesota then makes its annual trek to Texas during spring break. This year the Gophers meet the likes of Sam Houston State, Houston, Texas A&M and North Texas State before winding up the trip in Arizona.

On March 30, Minnesota will face defending NCAA champion Arizona U. in Tucson with the game carried nationally by ESPN-TV.

Then it's back to the Dome for the Third Annual WHEATIES tournament of Champions April 3-4-5. Opponents entered this season include defending champion Michigan, plus UCLA, Maine and the national team from Cuba.

The night after the tournament finds the Gophers, for the second straight year, playing an exhibition game against the Minnesota Twins. That contest is on the eve of the Twins season opener against the Oakland A's.

The biggest job facing coach Anderson and his staff this season is rebuilding the Gopher pitching staff. As of this time, a quartet of freshmen hurlers may be the answer to filling the holes.

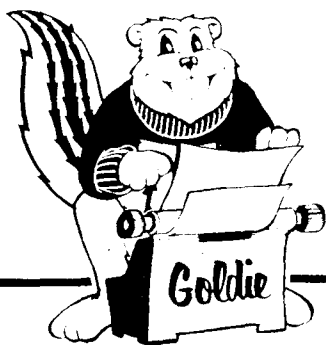

Anderson said this week that junior righthander Darren Knight (6-2, 3.97) will open against Nebraska Wednesday with freshman lefty Dennis Neagle (NEG-lee) starting the second game. How far they go, says Anderson, will depend on the number of pitches they throw.

Sophomores Steve Fregin (fra-GEEN) (4-3, 6.67) and Shane Kangas (4-0, 8.39), part-time starters last season, will probably start Thursday vs. Ball State.

Anderson added he is not certain who will get the call Friday, but it could be two of three freshmen--Jim Kuhr (R), Jim Tatur (R) or Lyle Wagner (R).

Platooning may be a regular feature of the remaining lineup. As of this time the Gophers will probably start the season using the following players (with last year's stats included):

- C - Sr. Mike Halloran (BR, .253)
- 1B - Jr. Paul Weinberg (BL, .339)
- 2B - Jr. David Contreras (BL, .222 vs. RHP) and Fr. Brian Raabe (ROB-ee) (BR, vs. LHP)
- SS - So. Jay Anderson (BR, .317)
- 3B - Jr. Jeff Goergen (GER-gen) (BR, .335)
- LF - Jr. Bruce Bates (BR, .345 vs. LHP) and So. Jay Kvasnicka (kwas-NICK-ah) (BL, .229 vs. RHP)
- CF - So. J.T. Bruett (BL, .297)
- RF - Sr. Tom Ward (BL, .355)
- DH - So. Vince Palyan (BR, .346 vs. LHP) and So. Eric Fuglister (FYOUG-lister) (BL, .111 vs. RHP)

ICERS IN PLAYOFF FINAL AT GRAND FORKS

Minneapolis, MN---The University of Minnesota hockey Gophers last weekend earned mixed blessings by winning its second round WCHA playoff series at home against Wisconsin. The Gophers took the total-goal series 9-6 by winning 8-4 Saturday following Wisconsin's 2-1 victory Friday.

What gives the Gophers mixed blessings are the points that 1) they advance to the WCHA championship playoff series this weekend, but 2) they have to play the series in Grand Forks against the #1 team in the nation, the WCHA champion North Dakota Fighting Sioux.

The series, another two-game, total-goal affair, is set for 7:30 p.m. Friday and Saturday. Both games will be carried in the Twin Cities via KMFY-980 AM, WCCO-830 AM, and KITN-TV, Ch. 29.

Minnesota and North Dakota met four times during regular season play. The Sioux own a 3-1 victory edge after sweeping its home series in January. North Dakota won those games 5-2 and 4-2. The schools split a November series at Mariucci Arena by trading identical 4-1 decisions. Minnesota won the second game of that series.

(OVER)

The split last weekend advanced the Gopher season record to 32-10-1 while North Dakota brings the winningest record in the nation into the series, 34-8-0.

By coming from behind to defeat Wisconsin, Minnesota had to beat one of the very top goalies in the nation, sophomore Mike Richter. Richter, for the weekend, stopped 64 of 73 Gopher shots on goal. His performance in Wisconsin's 2-1 decision Friday was outstanding as Minnesota outshot the Badgers 32-17.

But another goalie at the other end of the rink, Minnesota junior John Blue, played every bit as well. He totaled 36 saves in the two games and on Saturday recorded his 20th win of the season, and the 63rd of his career at Minnesota, the latter a school record.

Gopher senior center and co-captain Corey Millen sparked the home team attack showing bursts of speed and scoring that were his trademarks earlier in the season. Millen led everyone by scoring four goals, including his fourth hat trick of the season Saturday, and added a single assist. He notched a power play goal each night and added a shorthanded tally Saturday.

Millen leads the Gopher scoring derby with 33 goals and 28 assists for 61 points in 33 games. He has taken away the top goal total from senior wing Steve MacSwain who got his 31st of the year Saturday.

Record-busting defenseman Gary Shopek was the only other Gopher to hit for more than one goal on the weekend. He enjoyed his second career two-goal game Saturday, and added two assists the same night. His career assist total has reached 92, the most by any defenseman in Gopher ice history. Shopek has now played in 167 games for Minnesota, another school record.

Sophomore defenseman Todd Richards added two assists Saturday to tie former UM All-American Bill Baker for the most assists by a defender at UM in a single season, 42. Richards, with eight goals this season, is just four behind Baker's record 54 points scored in 1978-79.

WOOG ON THE GOPHERS

"It had to be disheartening for Wisconsin to work like mad for 60 minutes Friday to gain a one goal lead, and then lose that lead Saturday in less than three minutes," Gopher head coach Doug Woog said Monday.

"I believe both teams played awfully well Friday, but the game belonged to the goal tenders. Then Saturday when our Steve Orth scored at 2:43 of the first period, I believe it took something out of Wisconsin.

"Minnesota played about as good a game of hockey as I have seen in the first two periods Saturday, every bit as good as on Friday. But this time the shots went in.

"After scoring four unanswered goals in the second period Saturday to take a 6-1 lead, I believe our men relaxed a bit too much coming out for the third period. Give credit to Wisconsin. They jumped on us fast for two goals. But our players took charge again and won going away.

"It was, from my point of view on the bench, a great, great college hockey series. Wisconsin won a tight game Friday and we exploded for eight goals Saturday. I don't believe anyone asked for their money back last weekend.

"This team set two late season goals for themselves, to win the final six league games and then win the WCHA playoffs. We attained the first goal, now we have the opportunity to reach the second.

"Winning at North Dakota is not easy task as everyone in the WCHA found out this season. Last Saturday's 2-1 Colorado College victory in Grand Forks (the Sioux won 6-2 Friday) was only the second game North Dakota has lost at home this year. And it was the only time they lost to a WCHA opponent at home.

"All we can do is go up there and give it our best shot. We have no control over what happens Sunday evening when the NCAA selection committee makes its seedings for next week's NCAA quarter-final round. All we are concerned about at this time is meeting a fine, fine North Dakota team Friday and Saturday. I believe we will see another great college series."

GOLDEN GOPHER CAGERS FINISH SEASON AT 9-19

Hopes of snapping its current losing streak ended on a disappointing note for the University of Minnesota basketball team last week when it dropped its final two Big Ten Conference decisions of the 1986-87 season.

Clem Haskins saw his first year as coach of the Golden Gophers wind up with a 69-52 setback at Wisconsin last Thursday and then a campaign-ending 72-71 heart-breaking loss at Northwestern on Saturday.

In the process it extended Minnesota's losing skein to 16, a new record of successive losses for a Golden Gopher basketball team...all coming in Big Ten Conference play...and dropping the final mark to 9-19.

Those final two losses also mean that Minnesota wound up 2-16 in the Big Ten and tied for the conference cellar with the Northwestern Wildcats. It was the first time the Golden Gophers had finished in the Big Ten basement since 1968 when they deadlocked with Indiana for that dubious honor.

That one-point loss at Northwestern was especially tough for the youthful Golden Gophers to accept, especially after they looked at the final box score.

Minnesota took more shots from the field (62-39) and had more baskets (27-19). But they saw the host club get more free throw attempts (38-15) and finish with more points from the free throw line (30-8).

"It was a very intense game," Haskins said afterwards, "and it was another case where we thought we deserved to win. But we played hard, and I am extremely proud of our ball club."

That game literally reflected the entire 1986-87 season which saw Minnesota go 7-3 through the non-conference portion of the year, open the Big Ten with two successive wins at home and then go into that 16-game tailspin.

"It certainly was an up-and-down year for us," Haskins admitted. "We had some bright spots and some disappointments. Before the season started, there were people who said we wouldn't win a ballgame. For that reason, we can really cherish those nine wins."

Haskins and his Golden Gophers did not enjoy losing, but they knew and still know that there are brighter days ahead. They already are looking to next season.

"It was a rebuilding year for us," Haskins explained. "We knew that coming in. You don't become a great ballclub overnight. But we showed a lot of improvement through the year. We made a lot of progress. In my opinion, this team accomplished a great deal."

Only one senior will be lost from the 1986-87 squad...Co-captain and guard Terence Woods. In 28 games, Woods scored 336 points, best of any Golden Gophers, and finished with a 12.0 average.

Kim Zurcher, a junior guard, wound up leading Minnesota in assists with 72 and in steals with 34. Richard Coffey, a freshman forward, completed the year as the Golden Gophers' rebounder with 181.

Tim Hanson, junior forward, finished as Minnesota's best three-point threat with 22-of-55 for .455 from that range. Jim Shikenjanski, a freshman center, had the best field goal shooting percentage of any Golden Gopher this year (.491) while Zurcher was tops in free throws (.894).

SWIM TEAM FINISHES 5TH AT BIG TENS: EGELAND QUALIFIES FOR NCAA'S IN TWO EVENTS

"We had a great meet! We were the most improved team in the Big Ten upping our team score from 106 points to 249.5 and moving from 9th place to fifth this year," said second-year Minnesota men's swimming coach Dennis Dale in summing up last weekend's Big Ten Championships in Indianapolis, IN.

The fifth place upper division finish for Minnesota was the top showing for the Golden Gophers since 1978-79's 5th place, 308 point performance.

Sophomore sensation Dan Egeland paced his teammates with NCAA qualifying times and Minnesota school records in the 100 and 200 breaststroke. He finished 2nd in both those events and held the Big Ten Conference record in the 100 breast with a 55.39 time before it was broken in the finals. Egeland will compete in the 1987 NCAA Championships April 3-5 in Austin, TX.

Other record-setters for Minnesota were freshman freestyler Bill Asmus (Lakeville, MN) in the 100 and 200 free. Asmus placed in both those events and was also a member with Egeland, James Wise and Kristian Stenberg in two record-breaking relay races (400 and 800 free relays).

DEAN WINS 190 POUND BIG TEN WRESTLING TITLE: THREE GOPHERS QUALIFY FOR NCAA'S

Minnesota's Dave Dean (Jr. Montrose, MI) won the 190 pound weight class individual championship to lead the Gophers to a sixth place team finish at last weekend's Big Ten wrestling championships in Madison, WI. Dean ran his overall record to a team-leading 33-9-2 winning all four matches and a 4-2 title win vs. Wisconsin's Kyle Richards.

Dean, Brett Rasmussen (Sr. Kasson, MN) and Rod Sande (Jr. St. Paul, MN) all qualified for the 1987 NCAA Wrestling Championships March 19-21 in College Park, Maryland. Rasmussen was runnerup in the 158 pound class losing the title match to Mike McShane of Wisconsin 16-2. Sande placed third at 167 and qualified for the NCAA's. Both Sande and Rasmussen qualified in 1986 for NCAA competition and this will be Dean's first trip to nationals.

Iowa won its 14th straight Big Ten team title edging runnerup Wisconsin 153 to 121.5. Purdue was third at 78, followed by Illinois 65, Northwestern 62½, Minnesota 56.75, Michigan 56, Ohio State 47½, Indiana 40, and Michigan State 30.

J Robinson's first season as Minnesota wrestling coach saw the Gophers go 7-14 overall in duals and 0-7 in Big Ten matches.

SEVENTH RANKED GYMNASTS REMAIN UNBEATEN: HOST NEBRASKA/WISCONSIN 7:30 FRIDAY

Collin Godkin (Sr. Captain, Milwaukee, WI) continues to lead the unbeaten, 7th ranked Golden Gopher gymnasts. Godkin won the all-around title scoring 56.45 and won two other individual events last weekend as Minnesota beat UW-Oshkosh 278.65 - 232.05 in Oshkosh.

The Gophers of veteran coach Fred Roethlisberger are now 5-0 in duals this season and face their stiffest test of the 1987 season Friday night hosting Big Eight power Nebraska and Big Ten foe Wisconsin, 7:30 at Williams Arena. The Cornhuskers are currently ranked fourth in the NCAA poll and the battle will be a good one between Roethlisberger's squad.

Freshmen Mark McKiernan (Dorien, CT), Dan Zimpfer (Kent, Ohio) and Mike Miller (Aloha, Oregon) continue to improve and shine for the Gophers. Each won an event last Saturday vs. Oshkosh and they have complimented the steady Godkin through the 1987 season. McKiernan won the vault and placed second to Godkin in the all-around scoring a 55.55 (career best). Miller won the rings (9.65) and Zimpfer the floor exercise (9.35 tying Godkin).

BASEBALL TEAM OPENS WED AT DOME

3/9/87

Minneapolis, MN---Turf dedication, businessman's lunch hour, free admission and a baseball doubleheader. . .all the hoopla that goes with a season opener and more is scheduled noon Wednesday at the Metrodome when the U. of Minnesota baseball Gophers open their 1987 season.

Prior to the noon doubleheader scheduled against Nebraska, a special pre-game turf dedication will be held commemorating the all-new artificial playing surface that is installed and ready for duty this season.

Present for the ceremonies will be members of the Sports Facilities Commission plus representatives of the Metrodome's major tenants. . .Twins, Vikings, Gophers and the Minnesota State High School League. Veteran public address announcer Bob Casey will MC the 11:45 ceremonial event.

Then it's major college baseball as the Gophers and Cornhuskers play the first of two games beginning at noon. UM head coach John Anderson enters his sixth season at the Gopher helm boasting a record of 164-105-1, which includes two Big Ten championships and three West Division titles.

Last year Minnesota won the Big Ten divisional crown, but lost out to Michigan in the playoff tournament. Minnesota, however, established a school record for most wins in a season by posting a 40-19 record.

Following Nebraska, the Gophers play doubleheaders against Ball State University Thursday (5 p.m.) and Friday (12 noon), also in the Dome. Free admission is the going rate for all six games covering the three days.

Following a week's break for final exams, Minnesota then makes its annual trek to Texas during spring break. This year the Gophers meet the likes of Sam Houston State, Houston, Texas A&M and North Texas State before winding up the trip in Arizona.

On March 30, Minnesota will face defending NCAA champion Arizona U. in Tucson with the game carried nationally by ESPN-TV.

Then it's back to the Dome for the Third Annual WHEATIES tournament of Champions April 3-4-5. Opponents entered this season include defending champion Michigan, plus UCLA, Maine and the national team from Cuba.

The night after the tournament finds the Gophers, for the second straight year, playing an exhibition game against the Minnesota Twins. That contest is on the eve of the Twins season opener against the Oakland A's.

The biggest job facing coach Anderson and his staff this season is rebuilding the Gopher pitching staff. As of this time, a quartet of freshmen hurlers may be the answer to filling the holes.

Anderson said this week that junior righthander Darren Knight (6-2, 3.97) will open against Nebraska Wednesday with freshman lefty Dennis Neagle (NKG-lee) starting the second game. How far they go, says Anderson, will depend on the number of pitches they throw.

Sophomores Steve Fregin (fra-GEEN) (4-3, 6.67) and Shane Kangas (4-0, 8.39), part-time starters last season, will probably start Thursday vs. Ball State.

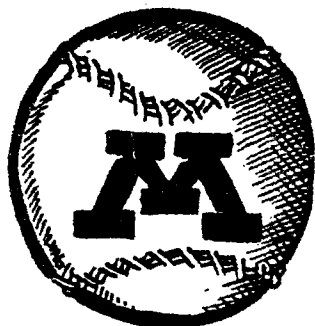

Anderson added he is not certain who will get the call Friday, but it could be two of three freshmen--Jim Kuhr (R), Jim Tatur (R) or Lyle Wagner (R).

Platooning may be a regular feature of the remaining lineup. As of this time the Gophers will probably start the season using the following players (with last year's stats included):

- C - Sr. Mike Halloran (BR, .253)
- 1B - Jr. Paul Weinberg (BL, .339)
- 2B - Jr. David Contreras (BL, .222 vs. RHP) and Fr. Brian Raabe (ROB-ee) (BR, vs. LHP)
- SS - So. Jay Anderson (BR, .317)
- 3B - Jr. Jeff Goergen (GER-gen) (BR, .335)
- LF - Jr. Bruce Bates (BR, .345 vs. LHP) and So. Jay Kvasnicka (kwas-NICK-ah) (BL, .229 vs. RHP)
- CF - So. J.T. Bruett (BL, .297)
- RF - Sr. Tom Ward (BL, .355)
- DH - So. Vince Palyan (BR, .346 vs. LHP) and So. Eric Fuglister (FYOUG-lister) (BL, .111 vs. RHP)

TWINS-GOPHERS TO HELP "STRIKE OUT HUNGER IN MINNESOTA" THROUGH "A SALUTE TO MINNESOTA BASEBALL"

Minneapolis, MN - The University of Minnesota Golden Gophers and the Minnesota Twins are teaming up with Minnesota corporate giants General Mills and Northwest Airlines and the Minnesota Food Bank Network to help "Strike Out Hunger in Minnesota" when the two baseball teams face each other in the Metrodome, Monday, April 6 at 7:05 p.m. Dubbed "A Salute to Minnesota Baseball," proceeds from the game will help stock the dwindling shelves of the Minnesota Food Bank Network and support the David Chelesnik Memorial Baseball Fund, a scholarship annually given to the native Minnesotan Gopher player who represents the qualities of the late Gopher pitcher.

To help promote baseball in the Upper Midwest and to help relieve the state's hunger problem, fans 14 and younger receive free admission with a food item donation. Families bringing 10 or more food items qualify for a trip for four to a future Twins road game and the family that brings the most food items wins a new video cassette recorder, courtesy of General Mills. Air travel is courtesy of Northwest Airlines.

Once the food has been collected, General Mills will match the donations of Minnesota fans with contributions to the Minnesota Food Bank Network and the David Chelesnik Memorial Baseball Scholarship Fund.

Tickets for "A Salute to Minnesota Baseball" have been priced especially low for CHILDREN to bring their PARENTS. Reserved seats cost only \$5.00 or \$4.00 when purchased with a Wheaties box top or Northwest WorldPerks

card. General admission seats are available at \$3.00, or \$2.00 with a Northwest WorldPerks card or Wheaties box top. Photocopies of the WorldPerks card are acceptable for mail orders.

Before the game, baseball fans will be treated to a home run hitting contest featuring the finest power hitters from the Twins and Gophers at 6:00 p.m. Each homer will be rewarded with a \$100 donation to the Chelesnik Fund by Lions Tap of Eden Prairie.

In addition, a host of media stars will fill out the ranks for each team as honorary coaches. Representing the Gophers will be: Charley Walters of the St. Paul Pioneer Press Dispatch; Roger Erickson of WCCO Radio; Mark Rosen of WCCO TV and Jeff Passolt of KARE-11. Twins honorary coaches will be Joe Schmit of KSTP-TV; Perry Williams of KMSP-TV and Tom Bernard and Dan Culhane of KQRS Radio. The coaches will take hitting and batting practice in addition to coaching first base.

David Chelesnik, for whom the Minnesota scholarship is named, died of cancer, September 3, 1984. Despite treatment for non-Hodgkin's lymphoma for four years, Chelesnik fulfilled a dream by pitching for the Gophers. His last outing was during the Gophers' annual trip to Texas in 1984, allowing no runs during one inning.

Minneapolis, MN---It's not often in team sports, particularly late in the season, that a team gains a second chance. The U. of Minnesota hockey Gophers, however, were given that second chance today.

After losing the WCHA playoff championship series to league titlist North Dakota 10-6 (5-3, 5-3) in Grand Forks last weekend, Minnesota received an invitation into the NCAA quarterfinal round this weekend.

The Gophers, seeded #4 in the West, travel to Boston where they play the top seeded team in the East, Boston College, in a two-game, total-goal series Friday and Saturday at Walter Brown Arena on the campus of Boston University. The B.C. arena was torn down for a new facility last spring, so the Eagles have played all "home" games on the road.

Both 6:30 p.m. CST games will be carried locally by KMFY-980 AM, WCCO-830 AM, and KITN-TV Ch. 29. However, Saturday's game will be telecast on a delayed basis beginning approximately 9:30 p.m. CST due to a scheduling conflict.

Minnesota carries a 32-12-1 record to Boston, but hopes to end its second place finishes this season. The Gophers were runner-up to North Dakota in the regular season WCHA standings as well as the playoffs.

Boston College, however, equalled the North Dakota finishes by winning both the regular season and playoff titles of the Hockey East Conference (HEA). The Eagles, 30-7-0, defeated Northeastern, 9-3, and Maine, 4-2, in its playoff games Sunday and Monday at the Boston garden.

This marks the third consecutive year Minnesota has reached the NCAA quarterfinal round. In 1984-85 the Gophers lost the total-goal series to Boston College in the Eagles arena, 10-9.

Last year's NCAA quarterfinal pairings were the same for Minnesota. The Gophers were seeded #4 in the West and played the #1 team from the East, Boston University, at Walter Brown Arena. That time, however, the Gophers defeated BU 11-7 in the two-game series and went on to finish third in the NCAA Final Four at Providence, RI.

This year's quarterfinal winners travel to Detroit where the Final Four will be staged in Joe Louis Arena March 26-27-28. The Gopher-B.C. winner plays the winner of #2-West Michigan State vs. #3-East Maine U. in a semifinal game Friday, March 27. The NCAA Final Four carries a single elimination format.

Other pairings find #4-East St. Lawrence at #1-West North Dakota, and #3-West Bowling Green at #2-East Harvard. All quarterfinal series are two-game, total-goal series played Friday and Saturday at campus arenas. Winners of the latter two series meet Thursday, March 26, in Detroit.

Minnesota and Boston College played one game this season with the Eagles overcoming three Gopher leads to win 8-7 in overtime in a game also played at Walter Brown Arena. Minnesota held leads of 4-1, 6-5 and 7-6 before falling to a late Eagle surge.

Last weekend saw North Dakota combine a blazing attack with solid goal tending to defeat the Gophers by identical 5-3 scores. The Gophers took a 2-1 lead in the second period Friday on goals by Dave Snuggerud and Paul Broten only to see the Sioux come back to tie, and then outscore UM 3-1 in the final period for its first victory. Jay Cates got the final Gopher goal.

On Saturday UND again jumped on toap leading 4-1 after two periods. Minnesota rallied briefly with two straight goals by Tom Chorske and Gary Shopek in the final period, but Lee Davidson put the final goal on the board on a North Dakota power play to seal the decision.

ALL-WCHA TEAM

For the first time in five years, Minnesota was blanked on the All-WCHA first team announced in Grand Forks Friday. However, two Gophers, senior center Corey Millen and sophomore defenseman Todd Richards, made the second team. Four more UM standouts received honorable mention honors, including junior goalie John Blue, a first team selection last year, sophomore wing Dave Snuggerud, senior defenseman Gary Shopek and senior wing Steve MacSwain.

BASEBALL TEAM OFF TO 4-2 START: 12 GAME TEXAS-ARIZONA TRIP SET MARCH 22-31

"We're one hit away from being 5-1 and I'm encouraged from our opening games," said Gopher baseball coach John Anderson following last week's 6 game homestand in the Metrodome vs. Nebraska and Ball State (IN). The games opened the 1987 season for the defending Big Ten Western Division champions. Last year Anderson's Gophers set a new Minnesota school win record with a 40-19 overall mark.

Nebraska swept the Gophers 18-1 and 7-3 in 10 innings to open the season. Then Minnesota swept four straight from Mid-American Conference foe Ball State of Indiana.

The biggest job facing coach Anderson and his staff is rebuilding the Gopher pitching staff and last week's performances were encouraging for U of M hurlers. Darren Knight (Jr. Anoka, MN) started the opener and threw no-hit ball for three innings vs. Nebraska before allowing nine runs in the fourth. Knight will be counted on to anchor the staff in the early going. Freshman lefty Dennis Neagle (Gambrills, MD) was impressive in his college debut against the Huskers. Neagle pitched seven innings striking out 10, allowing no earned runs in his decision outing vs. Nebraska.

Complete game performances by Steve Fregin (So. Righty, Randall, MN) and Shane Kangas (So. Righty, Anoka, MN) highlighted the Ball State sweep in games three and four of the season. Then junior lefty Mike Pavelka (Minnetonka, MN) pitched five strong innings to get a win vs. the Cardinals. Pavelka missed the entire 1986 season with an arm injury and his return would be welcomed.

Through six games, the top Gopher hitters are LF Bruce Bates (Owatonna, MN) with a .455 avg., 1 HR, 5 RBI and freshman 2B Brian Raabe (New Ulm, MN), .455 avg., 4 RBI. Six Minnesota hitters are over .400 and the team is hitting .292 through the early season games. (SEE 6 GAME STATS)

Following final exams this week, Minnesota takes its spring trip during break to Texas and Arizona for twelve games in nine days. This year the Gophers match up with Sam Houston State, Houston, Texas A&M and North Texas State before winding up the trip in Arizona.

On March 30, Minnesota will face the defending NCAA champion Arizona Wildcats in Tucson with the game carried nationally by ESPN-TV.

Then it's back home to the Metrodome for the Third Annual WHEATIES TOURNAMENT OF CHAMPIONS April 3-4-5. Michigan, Maine, UCLA and the Cuban national team join the Gophers in the outstanding field for this year's event.

April 6 finds the Gophers renewing their rivalry with the Minnesota Twins in an exhibition game at the Metrodome (7:05 PM). The Twins open their 1987 season the next night vs. Oakland.

GOLFERS OPEN THE 1987 SPRING SEASON AT AUGUSTA, GEORGIA INVITE MARCH 23-24

The Golden Gopher golf squad opens 1987 play competing in the Augusta College Invitational in Georgia March 23-24. Minnesota continues on its southern trip at the Southeastern Intercollegiate Championships March 26-29 in Montgomery, Alabama.

Coach Greg Harvey will be starting his 9th season as head man of the Gopher golf program. His 1987 team will be led by senior captain Phil Reichel (Minnetonka, MN) and two-year letter winner Kirk Vanstrum (Jr. Dellwood, MN).

The Gophers placed ninth at last year's Big Ten championships and will be aided in the lineup by the addition of high school star Steve Chesley (Fr. Mankato, MN) and returning squad member Mike Lehman (So. Alexandria, MN).

WOODS NAMED MINNESOTA'S BASKETBALL MVP

Terence Woods, senior guard and co-captain, was named the University of Minnesota's Most Valuable Player for the 1986-87 basketball season and presented with that coveted award at last week's awards banquet.

Woods, a product of Rose Sterling High School in Houston, TX who came to the U of M by way of McLennan Community College, was Minnesota's leading scorer this past season.

Playing in all 28 of Minnesota's games, Woods scored 336 points for an average of 12.0 per outing. He averaged 10.8 in 18 Big Ten Conference assignments.

Additional awards presented at last week's banquet were the Most Improved Player award to freshman center Jim Shikenjanski, the Free Throw Champion and Assist Leader awards to junior guard Kim Zurcher, the Rebound Champion Award to freshman forward Richard Coffey, the Academic Achievement award to sophomore guard Jon Retzlaff, the Hustle award to freshman forward Willie Burton, the Courage award to junior center Dave Holmgren and the Team Captain awards to junior forward Tim Hanson and Woods.

OKRUCH TO COACH GOLDEN GOPHER RUNNINGBACKS

Vince Okruch, who served as an administrative assistant in charge of football recruiting this past season, has been named the University of Minnesota's new runningback coach.

Okruch, 32, replaces Jim Strong in that new capacity after Strong opted to resign and join former head coach Lou Holtz at Notre Dame.

A part of the U of M scene since August of 1985, Okruch came to Minnesota as part of Holtz' staff. He then took over the recruiting coordinator's job under Coach John Gutekunst just prior to the 1985 Independence Bowl.

Okruch hails from Buffalo, NY and is a 1973 graduate of Cardinal O'Hara High School. He is a 1977 graduate of Culver-Stockton College and served on the coaching staffs at both his Alma Mater and Northeast Missouri State before coaching at Colorado until coming to Minnesota.

FOOTBALL SEASON TICKETS TO GO ON SALE

Football season tickets for the 1987 season go on sale at the University of Minnesota on Wednesday, April 1, a month earlier than has been typical for the Golden Gophers in recent years.

Ken Buell, U of M Athletic Ticket Manager, indicated that the April 1 kickoff is for renewal of current season tickets as well as for the sale of new season tickets.

"Individuals who purchased season tickets a year ago are receiving their applications in the mail now," Buell said, "and they will have until April 30 to renew those orders and receive their past seating priorities."

New season ticket orders will be accepted until the season ticket sale ends on June 30. Single game ticket sales then will begin on July 1st. The season and single game ticket sales will not overlap as they have in past years.

The season ticket sale beginning April 1st will include the public and U of M staff. University of Minnesota students may begin placing their season ticket orders on May 1.

Ticket prices have not changed from last season. Season tickets are priced at \$105 for the general public, good for all seven home games at the Hubert H. Humphrey Metrodome in 1987. University of Minnesota staff season tickets will be \$70 and University of Minnesota student season tickets are \$42.

In 1985, the U of M sold 49,930 season tickets, the highest total in Minnesota history. Last year 44,614 season tickets were sold, the second highest total ever.

"The interest in Minnesota football in 1985 and 1986 was excellent," Buell said, "and that interest was reflected in the outstanding season ticket sales the past two seasons. Interest appears to be high again in 1987, and we anticipate another strong sale."

Buell also explained that the early start and June 30 deadline for purchase of season tickets will enable the U of M to establish an earlier sale for hockey tickets in the fall.

"We will open our hockey season ticket sale on August 1." Buell explained, "in an attempt to allow our fans more time to purchase those season tickets prior to the early start of the hockey season." In past seasons, hockey season ticket holders had only two weeks from the start of the sale until the reorder deadline. Basketball season tickets will go on sale as usual on Sept. 1.

Buell credited the Men's Athletic Department's new computer system for making the sale changes possible. "The computer has really helped us. It makes us more efficient and allows for much more flexibility than was ever available to us before."

THREE WRESTLERS AT NCAA'S THURSDAY AT UNIVERSITY OF MARYLAND

First-year Minnesota wrestling coach J Robinson will send his three national qualifiers into Thursday's opening round at 10:00 AM in Cole Fieldhouse on the campus of the University of Maryland in College Park, MD.

Gophers Brett Rasmussen (158 pounder, Sr. Kasson, MN), Rod Sande (167, Jr. St. Paul, MN) and Dave Dean (190, Jr. Montrose, MI) all qualified for the NCAA meet as individuals based on their performances at the Big Ten meet two weeks ago.

Dean won the Big Ten championship at 190 and will take a 32-8-2 record to nationals. The Michigan native may be one of the top seeds at NCAA's in the 190 weight class. He was a pre-season #3 pick by Amateur Wrestling News and has won 14 of his last 16 matches.

Rasmussen will take a 27-9-2 record into the NCAA tournament. He placed second at Big Tens and will be making his second straight trip to the NCAA's. Sande, also making his second trip to NCAA's, has a 28-7-2 overall record and placed third at the Big Ten meet at 167 pounds. Minnesota placed sixth as a team at the Big Ten meet and were 7-14 overall in Robinson's first dual season.

The NCAA wrestling tournament continues through Saturday as the Iowa Hawkeyes shoot for their 10th straight NCAA title.

GYMNASTS SCORE SEASON HIGH 280.9 VS. WISCONSIN: AT IOWA SUNDAY

The featured matchup between national powers Nebraska and Minnesota never came off last Friday as the Cornhuskers did not make plane connections in time for the triple dual at Williams Arena.

Collin Godkin (Sr. Captain, Milwaukee, WI) scored a career best 57.10 in the all-around competition to lead the Gophers to their sixth straight dual meet win over Wisconsin last Friday. Freshman Mark McKiernan (Dorien, CT) also scored a career best of 56.15 in the all-around to compliment Godkin's performance.

The seventh-ranked Gopher gymnasts of 15th year head coach Fred Roethlisberger will be on the road this Sunday to take on defending Big Ten champion Iowa Hawkeyes in Iowa City, 3:00 PM. Minnesota will continue on the road next Tuesday night, March 24 at Northern Illinois in the final dual meet before the Big Ten meet April 3-4 in Ann Arbor, MI.

GOPHER TENNIS TEAM BACK IN ACTION AFTER TWO WEEKS OFF: AT GEORGIA AND BLUE-GRAY MEET

Jerry Noyce's Gopher tennis team will take its 5-11 dual match record into top ten foe Georgia, March 24 for a dual match in Athens. The Gophers have been idle since the University of Miami (FL) quad meet in early March.

Minnesota, still ranked #22 in the latest ITCA Coaches poll, has dropped six straight dual matches (all to nationally ranked teams) and the competition will not get easier this next road trip. Following the Georgia match, Minnesota will compete with some of the national powers at the annual Blue-Gray meet in Montgomery, Alabama (March 26-29). The Gophers, the defending Big Ten champion, open conference play April 3 and 4 at Michigan and Michigan State.

For Immediate Release: March 18, 1987

1987 GOPHER FOOTBALL SEASON TICKETS TO GO ON SALE APRIL 1!

MINNEAPOLIS, MN--Coming off their second-consecutive bowl appearance, the University of Minnesota Golden Gophers have announced season tickets for all seven games of the 1987 season will become available April 1, a month earlier than usual.

Ken Buell, University of Minnesota Athletic Ticket Manager, indicated that the April 1 kickoff is for renewal of current season tickets as well as for the sale of new season tickets. "Individuals who purchased season tickets a year ago are receiving their applications in the mail now," Buell said, "and they will have until April 30 to renew those orders and receive their past seating priorities."

New season ticket orders will be accepted until the season ticket sale ends on June 30. Single game ticket sales will then begin on July 1 for non-conference games against Northern Iowa, Central Michigan and California, plus Big Ten rivals Purdue, Indiana, Wisconsin and Michigan.

The season ticket sale beginning April 1 will include the public and U of M staff. University of Minnesota students may begin placing their season ticket orders on May 1.

Keeping with the policy that Gopher athletics be affordable as well as entertaining, ticket prices have not changed from last season. Season tickets are priced at \$105 for the general public. U of M staff season tickets will be \$70 and U of M student season tickets are \$42.

The university is hoping to top the 1985 total of 49,930 season tickets, the highest amount in Minnesota history. "The interest in Gopher football the last two years was excellent," Buell said, "and that interest was reflected in the outstanding season ticket sales. Interest appears to be high again in 1987 and we anticipate another strong sale."

HOCKEY TICKET SALES ALSO TO RECEIVE HEAD START

Buell also explained that the early start and June 30 deadline for purchase of football season tickets will enable the U of M to establish an earlier sale for hockey tickets in the Fall.

"We will open our hockey season ticket sale on August 1," Buell said, "in an attempt to allow our fans more time to purchase those season tickets prior to the early start of the hockey season." In past seasons, hockey ticket holders had only two weeks from the start of the sale until the reorder deadline. Basketball season tickets will go on sale as usual on September 1.

Buell credited the Men's Athletic Department's new computer system for making the sale changes possible. "The computer has really helped us. It makes us more efficient and allows for much more flexibility than was ever available to us before."

Minneapolis, MN---For the second straight year, the third time since 1983, the fourth time in the 1980s, and the 12th time overall, the U. of Minnesota hockey Gophers have made it to the NCAA Final Four.

Last weekend Minnesota disposed of the #1 seeded team in the East, Boston College, earning the dubious honor of facing defending NCAA champion Michigan State in a semifinal game Friday at Joe Louis Arena in Detroit, MI.

The 7:10 p.m. CST game Friday will be aired locally in the Twins Cities on KMPY-980 AM, WCCO-830 AM and KITN-TV Ch. 29.

The other semifinal game finds WCHA champion North Dakota facing ECAC champ Harvard Thursday evening. Winners of the two games meet for the 1987 NCAA hockey title Saturday evening with first round losers playing for third place at 2 p.m. CST Saturday.

Three of the Final Four teams---Minnesota, Michigan State, Harvard---are repeaters from last year's national tourney held in Providence, RI. Michigan State knocked out Minnesota in the semifinals and defeated Harvard for the 1986 title. North Dakota replaces last year's WCHA champion, Denver.

Minnesota, as usual, did things the hard way in the quarterfinal round against Boston College. The Gophers took a three-goal lead in the total-goal series by winning 4-1 Friday.

But on Saturday the speedy and talented Eagles scored the first three goals to tie the goal total at 4-4. The rest, however, belonged to Minnesota as freshman wing Peter Hankinson and sophomore wing Dave Snuggerud scored unanswered tallies giving Minnesota a 6-4 series margin and the trip to Detroit.

The real secret of the series, however, was Gopher junior goalie John Blue. He may have played his finest series in three years for Minnesota.

On Friday the Eagles came out flying and threw a ton of rubber at Blue. But he made save after save denying numerous point blank shots until the Gophers got untracked and finally showed some offense of its own.

Snuggerud, who totaled three goals on the weekend, got the Gophers on the board first with a hard shot at 14:00 of the the opening period. Boston College then got its lone goal of the night on a shot Blue tipped with his glove but couldn't keep out of the net.

In the second period sophomore wing Tom Chorske scored back to back goals giving the Gophers a 3-1 margin. Snuggerud his second goal of the final period and UM was on its way. Blue totaled 42 saves for the evening.

On Saturday the Eagles again came out buzzing and hit two goals to narrow the series margin to 4-3 in the first period. Another goal on a power play in the second period knotted the score and Walter Brown Arena was alive with sound.

But coach Doug Woog and his staff made some important decisions prior to the final period and turned the tide. The Gophers changed their forchecking patterns and began to bottle up Boston College in its own end. Then Hankinson and Snuggerud hit for their goals and the Minnesota defense, anchored by Blue, finished off in fine fashion.

This time Blue made 36 saves and again snuffed out several great Eagle chances. He was clearly the star of the series for Minnesota. Without his extraordinary play, Minnesota would not be traveling to Detroit this weekend.

Friday's win was his 64th career victory, a Minnesota record for goal tenders. He has also played in more games, 95, than any before him at UM.

Minnesota captured three national championships under former head coach Herb Brooks. His Gopher teams won the NCAA title in 1974, 1976 and 1979. Minnesota later finished runner-up in 1981, fourth in 1983 and was third last season.

The official Gopher travel party will headquarter at the Westin Hotel in Detroit arriving Wednesday a.m. and returning home early Sunday.

Minneapolis, MN---The recent U. of Minnesota Golden Gopher hockey season, just like the 1985-86 campaign, finished on an uneven plane. The Gophers won their final game, but the next to last contest was a killer.

In its NCAA championship tournament semifinal contest at Joe Louis Arena in Detroit last Friday, the Gophers had battled back to tie the game at 2-2 and 3-3. But a wierd bounce of the puck off the end boards and onto the stick of a Michigan State forward directly in front of the Gopher goal spelled doom.

State converted its chance and added an empty net goal in the final minute to ensure a 5-3 victory. It marked the second straight year MSU had eliminated any chance Minnesota had of gaining its fourth national crown.

Like last year, however, Minnesota bounced back this time defeating ECAC champion Harvard 6-3 the next day to take home another third place trophy.

To some an ending like that means another season down the drain. That's hardly the case for coach Doug Woog's second Gopher edition. Minnesota finished the 1986-87 campaign with a 34-14-1 record playing the most games in the school's history, 49.

That means Woog, who saw his first Gopher squad post a 35-13-0 record, now stands at 69-27-1 in two seasons for a healthy winning mark of .716 percent. It is believed that Minnesota has won more games the past two seasons than any other NCAA Division I collegiate hockey team.

The only sad part is that the Gophers have been twice denied that holy grail, the NCAA championship trophy. Like the man says, close only counts in horseshoes and hand grenades.

Minnesota quickly fell behind 2-0 Friday as State scored on the power play at 1:39, and four seconds after another power play at 4:16. But the Gophers roared back to tie on a pair of power play scores of their own by Corey Millen and Jay Cates early in the second period.

The teams traded two more goals with Tom Chorske scoring on a nifty dash for the 3-3 tie at 17:18 still in the second period. Then came the killer.

Center Paul Broten made a great backcheck to steal the puck in the UM end and slid it around the boards behind the Gopher net. But the puck hit a crease in the boards and bounced right out in front of goalie John Blue from where State's Dave Arkeiplane converted. Blue never saw the puck bounce out in front or Arkeiplane's shot.

Minnesota outshot the Spartans 33-29, but couldn't convert several point blank chances. The Gophers appeared to be coming hard in the final period when the fluke bounce of the puck settled the outcome.

On Saturday Millen again scored UM's first goal moving into sole possession of third place on the Gopher career scoring list. He later added another goal and an assist giving him 241 points on 119 goals and 122 assists. Millen was Minnesota's lone entry on the NCAA All-Tournament team.

The Gophers broke from a 1-1 second period tie outscoring the Crimson 5-1 to take a 6-2 lead into the final period. Marty Nanne, Millen, Jay Cates, Eric Dornfeld and Dave Snuggerud scored for Minnesota.

Freshman Robb Stauber was in the nets for Minnesota against Harvard and played an exceptional game. He allowed the final Harvard score with less than three minutes to play in the game to record his 13th season victory.

Several individual records were set by Gopher players this year. Senior defenseman Gary Shopek set two school records. He appeared in more games than any previous Minnesota player, 173, and recorded the most career assists by any UM defender, 93. His career point total, 117, ended one behind the record 118 set by All-American Bill Baker in 1976-79.

Junior goal tender John Blue set a slew of new school standards. He has appeared in the most games of any goalie (96), won the most games (64), played the most minutes (5,441), and is tied for the most career shutouts (7) with Jim Mattson who had the same number of blankings in 1952-54.

Only one single season record was broken, that by sophomore defenseman Todd Richards. He recorded his 43rd assist at the NCAA tournament, one better than the 42 totaled by Baker in 1978-79

The third place finish in no way dimmed the efforts put in by the Gopher players this year. Minnesota's season record ended just one win shy of the school record 35 wins posted last year, Woog's first at the UM helm.

Included was another second place WCHA finish, this time to eventual NCAA champion North Dakota. Minnesota ended 25-9-1 in league play. Last year the Gophers ended two points behind Denver in the WCHA race, but defeated the Pioneers to take third at the NCAA championship tournament.

"I believe the persistence, desire and willingness to play whatever role handed them stands out more than anything else when looking at the members of this year's Minnesota hockey team," Woog said after returning from Detroit.

"In no way are we, the coaches, down after not winning a national championship. Our players were forced to overcome several major obstacles throughout the the season. Injuries to key players kept us from jelling at times. But nothing ever halted the players from giving everything they had from start to finish. They became a very close unit, a group that would give up any individual glory for the betterment of the team.

"We only won one championship, that of the Alaska Tournament, but we are very proud of a second straight third place NCAA trophy. A bounce or two our way in Detroit could have spelled a big difference. It just wasn't our turn."

So 1986-87 is history as far as Minnesota hockey is concerned. The memories, for players, coaches and fans alike, will live on and on and on. It was a great year for Minnesota hock y, with another one just around the corner. Maybe the 1987-88 Gophers can, if they get there, finish one, or possibly two steps higher when it comes to the NCAA Final Four at Lake Placid, NY.

SPRING FOOTBALL UNDERWAY AT MINNESOTA

Preparations for the 1987 football season get underway at the University of Minnesota this week with the start of spring drills, and that concentrated practice period concludes with the Spring Game May 2.

John Gutekunst, now in his second year as head coach of the Golden Gophers, will be striving for continued improvement in the Minnesota practice during those drills. A year ago the Golden Gophers were 6-5 in regular-season play, wound up tied for third place in the Big Ten at 5-3 and made their second straight post-season bowl appearance.

It was a season in which Minnesota did, as hoped, take "The next step forward" and now looks for more progress with a team built around 41 returning lettermen.

There are key performers who must be replaced, however, and spring practice will find Gutekunst searching for help in several areas on both offense and defense where five and nine starters, respectively, are gone.

Biggest losses defensively would appear to be in the secondary where four lettermen have departed. The Golden Gophers also lost two inside linebackers, two outside linebackers and three interior linemen. On offense, both starting tackles and the center have graduated along with the starting split end and a pair of monogram winning fullbacks.

The cupboard is not bare, however. Defensively Gutekunst has Joel Brown, Steve Franklin, David Williams, Charles McGree, Carlos McGee and Marcus MacIntosh returning in the secondary. All are lettermen.

Also back are inside linebackers Dale Conant, Terry Hrycak, Jon Leverenz and Bryan Suess along with outside linebackers Jon Melander, Mac Stephens and Scott Streiff. Again, all are lettermen. And returning monogram winners up front are Brent Trip, Ross Okkelberg, Gary Hadd, Doug Mueller and Steve Rhodus.

Offensively lettermen returning at tight end are Craig Otto and John Williams. Veteran interior linemen include Dan Rechten, Paul Anderson, J.J. Lennon, Troy Volkow, Brian Williams and Scott Guldin (a long snapper). At split end the Golden Gophers have Dennis Carter in camp and return Jason Bruce and Gary Couch at flanker.

Minnesota's offensive backfield has a number of vets available including three-year starter Rickey Foggie at quarterback and record-setting Darrell Thompson at tailback. Roselle Richardson, Pat Cummings and Ed Penn return at fullback.

In the kicking department, Gutekunst will have both of his 1986 specialists available...Chip Lohmiller for KO, PAT and FG as well as Brent Herbel as the punter.

There are expected to be some position changes in spring drills as Gutekunst looks for replacements for his 19 departing seniors as well as added depth. Those elements could come from the more than one-dozen redshirts and another handful of transfers who will get a good look during the month of spring drills.

EIGHTH RANKED GOPHER GYMNASTS AT BIG TEN CHAMPIONSHIPS IN ANN ARBOR

The nationally ranked Gopher men's gymnasts are preparing for the Big Ten team championship this weekend in Ann Arbor, Michigan. Coach Fred Roethlisberger's teams have won seven of the last twelve conference team titles, but have not been in the championship seat since 1984. The two-year title drought could come to an end if the Gophers live up to their potential. "We have the talent to win it," said Coach Roethlisberger. "Our young freshman will have to hit their routines and veterans Collin Godkin and Steve Braun need carry us."

Senior captain Collin Godkin (Milwaukee, WI) is one of the all-around favorites and will be a key to the Gopher title hopes. He was second in the 1985 Big Ten AA competition but was injured and could not compete in the all-around last year. Godkin's ten AA score of 57.10 is among the nation's top five scores in 1987. Steve Braun (Sr. pommel horse specialist from Bloomington, MN) is a two-time Big Ten place winner and All-American in his specialty. He could win the pommel horse individual title this weekend. Gopher freshman Mark Nicholson (Darien, CT), Mike Miller (Aloha, OR), Mike Graham (Green Bay, WI) and Dan Zander (Kauai, HI) have all contributed throughout the season and will be key performers in the Big Ten meet.

Floor exercise specialist Mike Langefels (3rd place at 1986 Big Tens) will hope to duplicate or better his last year's showing. Mike McFabe and Brad Bries will also be veteran gymnasts who Coach Roethlisberger will look for scoring this weekend. Iowa is the defending team champion and will be tri-favorites for the title along with Minnesota and Ohio State. Auction gets underway Friday night, 7:30 EST.

GOPHER SWIMMER IRELAND AT NCAA'S QUALIFIER IN BOTH 100 AND 200 BREASTSTROKE EVENTS

Sophomore star Dan Ireland will represent the Gophers at the NCAA swimming championships in Austin, TX. Ireland, who guided the Gophers to their best Big Ten team finish (5th) since 1979, qualified in both the 100 and 200 breaststroke events. He placed second in both events at the Big Ten championships two weeks ago.

Ireland holds six University of Minnesota swimming records and could be an All-American swimmer with his times among the nation's best heading into the NCAA's. The three-day event gets started Thursday at 11:00 AM. Minnesota has not had a men's swimming All-American place winner since 1980 when Brent Erickson and Art Gledhill earned honors.

TRACK TEAM HAS SIX PLACE WINNERS AT STANFORD OUTDOOR MEET; AT TEXAS RELAYS FRIDAY

The outdoor track opener for the Golden Gophers included some strong performances last weekend at the Stanford Invitational in Palo Alto, CA. Four individuals and two relay teams placed high in the meet. Second place finishes by Joe Briese in the 400 intermediate hurdles (53.10) and Mike Vukovich in the high jump (6-11½) paced Coach Roy Oriak's squad.

Junior college transfer Bowen Noel (Jr. Wheeling, IL) placed fifth in both the long jump (23-7) and the triple jump (46-10). The 4000 relay team of Robert Miller, Frank Bjorkli, Jim Scott, and Carson Hoeft placed third with a 17:34.10 clocking. The Gophers four mile relay team of Paul Gisselquist, Robert Miller, Frank Bjorkli and Carson Hoeft finished seventh (31:40.62).

Outdoor action continues this weekend for the Golden Gophers at the University of Texas Longhorn Relays in Austin. Home track opener at Minnesota is scheduled for April 11 with the Minnesota Open at Bierman.

TENNIS TEAM OPENS BIG TEN PLAY AT MICHIGAN AND MICHIGAN STATE

Coach Jerry Novak's defending Big Ten tennis championship team will open 1987 league play Friday night at Michigan. The Gophers, seeking a third straight league streak and a 5-14 overall dual record, are co-favorites with Michigan to repeat as conference champions.

Michigan beat the Gophers last November in the ITA Midwest indoor regionals and Friday's showdown will be an early indication of the Big Ten final runner for 1987.

GOLFERS AT PURDUE INVITATIONAL FRIDAY-SATURDAY IN LAFAYETTE

Phil Reichel (Sr. Captain, Minnetonka, MN) and Phil Olsen (overall finish at last weekend's South-eastern Collegiate Championships in Montgomery, AL) pace the Gophers in a 17th place team finish. Minnesota opened the 1987 spring season competing in the Amateur College Invite (16th of 21 teams) before its showing in Alabama. Coach Greg Harvey will send a lineup of Reichel, Mike Lohran, Paul Remus, Kirk Vanstrum and Steve Chesley to Lafayette, TN this weekend for the 54 hole event.

WHEATIES TOURNAMENT OF CHAMPIONS FRI-SAT-SUN

3/30/87

Minneapolis, MN---The Third Annual WHEATIES Tournament of Champions takes place this weekend at the Hubert H. Humphrey Metrodome in Minneapolis.

With the U. of Minnesota serving as the host team, the Gophers this year entertain defending tournament champion the U. of Michigan, plus the U. of Maine, UCLA and the Cuban National Team.

UCLA comes into the tournament as the 6th ranked team in the nation sporting a 24-9-1 record. Michigan, ranked 11th nationally, is 12-3 through games last weekend while Maine, like the other two schools an NCAA playoff competitor last season, is 9-12 to date.

The Gophers, heading into games tonight (Monday) and Tuesday at the U. of Arizona coached by former Gopher All-American Jerry Kindall, had recorded six wins against 10 losses in games at the Dome, and in Texas on the spring trip.

Teams will play a round robin tournament with three games Friday, four Saturday and three more Sunday. Tickets may be purchased in advance at the Bierman Building Ticket Office, or at the Metrodome ticket offices on game days.

A 4-day tournament ticket goes for \$6 with the single day ticket costing \$3. A total of \$1 may be subtracted by presenting a WHEATIES box top or a Northwest Airlines WorldPerks card at time of purchase of either the \$6 or \$3 tickets.

The \$6 tournament ticket is also good for entry to the Gopher exhibition game at 7 p.m. Monday, April 6, against the American League's Minnesota Twins.

Several top door prize drawings will be made, as well as special entertainment Saturday evening when the Gophers play UCLA.

During that game THE FAMOUS SAN DIEGO CHICKEN will make his second tournament appearance. The show he put on last year went over great before the largest crowd, 8,500, ever to see a Gopher baseball game in Minnesota in the Dome.

The Annual Gopher Baseball Clinic will be conducted at the Metrodome from 3:00 to 4:15 p.m. Saturday afternoon. Coaches and players from each competing team will participate in instruction of fundamentals of baseball. Youth attending the clinic are asked to bring their own gloves and wear sneakers.

The Monday exhibition game is on the eve of the Twins regular season opener Tuesday evening against the Oakland A's at the Metrodome.

The weekend tournament schedule is as follows:

(MORE)

Minneapolis, MN---The U. of Minnesota baseball Gophers have already been through enough ups and downs to last a normal season. But there is more in store just around the corner.

After playing a Siebert Field doubleheader Wednesday against St. Cloud State, the Gophers return to the Metrodome Friday night for a single game against Iowa State U. at 7:30 p.m., with two more games starting at 1 p.m. Saturday at Siebert Field against the Cyclones.

The "ups" thus far include Minnesota taking four early March games in the Dome against Ball State, and then showing its best finish ever, 2-2, at the Third Annual WHEATIES Tournament of Champions last weekend, also in the Dome.

The "downs" have to include dropping eight of 10 spring trip games in Texas and Arizona, even though the Gophers at one point led in seven of those losses, and then the 11-0 one-hit drubbing in an exhibition game before nearly 8,000 fans Monday evening against the American League Minnesota Twins.

However, there is no way in the world the Gophers are supposed to defeat a pro team, so the latter "down" is not all that disastrous.

This year's WHEATIES tournament was, by all measurements, outstanding. Nearly 11,000 fans were in attendance the three days and saw Team Cuba take the championship by defeating UCLA 3-0 in the title game.

Host Minnesota, which finished 1-3 in the first two years of its own tournament, this year recorded wins against defending champion Michigan (8-5) and the U. of Maine (13-4) offsetting losses to Team Cuba (5-2) and UCLA (2-0).

UCLA and Maine finished tied with the Gophers at 2-2 behind Team Cuba's 3-1 record with Michigan finishing fifth at 1-3.

Gopher senior catcher Mike Halloran and freshman second baseman Brian Raabe were both named to the WHEATIES All-Tournament team. It was the second straight year Halloran made the honor squad.

Raabe was one of the leading hitters in the tournament batting .538 on seven hits in 13 trips to the plate. He also scored five runs and did not make an error in the field handling 14 chances.

Halloran batted .333 (4 of 12) and threw out five would be base stealers. He also knocked in four runs in the tourney.

Another bright spot for Minnesota last weekend was the complete game pitching of freshman lefty Denny Neagle (NEG-lee). He earned his first collegiate win against Maine in spacing 10 hits over seven innings. Neagle walked only two batters while striking out eight. He owns the best earned run average on the Gopher varsity, 2.96 covering 24.1 innings pitched.

A major injury hurt Minnesota's chances last weekend when sophomore center fielder J.T. Bruett, while legging out a double against Team Cuba, suffered a second hamstring tear of the spring. He is expected to be out of action until the Gophers open Big Ten play.

Bruett is hitting a solid .341 and leads the team in stolen bases with 10. He had totaled 15 hits in 12 games played before going out with the injury.

Among the Gopher regulars, sophomore outfielder Jay Kvasnicka (kwas-NICK-ah) leads Minnesota in hitting with a .407 average. Raabe is next in line with a .383 mark while senior right fielder Tom Ward is just behind Bruett at .333 with junior third baseman Jeff Goergen hitting .311.

Goergen has the most hits of any Gopher, 23, and has driven in the most runs, 13. Halloran and freshman catcher/designated hitter Joe Wallraf have each driven in 10 baserunners.

Following the Friday-Saturday Iowa State series, Minnesota returns to Siebert Field for double headers Monday vs. Mankato State and Tuesday against the U. of Wisconsin-Oshkosh. Then it's down to Omaha, NE, for a pair against Creighton U. Wednesday before the first Big Ten series Saturday and Sunday, April 18-19, at Siebert Field against the University of Wisconsin.

SCRIMMAGE SET FOR GRIDDEES AS PART OF CLINIC

A big weekend is on tap for the University of Minnesota football team which is about to reach the end of the second week of its month-long spring practice session.

First of all, the Golden Gopher Spring Football Clinic is scheduled Friday and Saturday, and several hundred high school and junior college coaches from throughout the area are expected to be on hand.

Throw in a full-scale intra-squad scrimmage Saturday afternoon....with those visitors watching....and Coach John Gutekunst appears to have a full agenda planned for his proteges.

The clinic gets underway with registration at 7:30 a.m. Friday. Lecture and demonstration sessions will take place in the morning and afternoon, and Friday afternoon's practice session will be open to those visiting coaches.

More lecture and demonstration periods are on tap Saturday morning, and then in mid-afternoon Gutekunst will push his charges through their third scrimmage of the spring session.

"Our first scrimmage last Saturday had some good things and some bad things," Gutekunst said. "We had some good efforts on defense, but our offensive execution wasn't what we want.

Then on Tuesday the Golden Gophers went at it again, and while some progress was noted, Gutekunst hopes for even more improvement by this weekend.

Thus far much of the attention has been paid to the new people....redshirts and transfers....as well as returnees who are being tried at new positions.

That would be especially true at the quarterback position where three-year starter Rickey Foggie did not see any action on Saturday. In direct contrast, John Bobinski and Les O'Hara got much of the work. Bobinski was three-of-six for 27 yards while O'Hara was four-of-eight for 23. But he threw two interceptions. Alan Holt, Foggie's back-up a year ago, also saw enough scrimmage time to complete five-of-ten for 57.

Among the "new" runningbacks getting a taste of things in the first scrimmage were Reggie James who carried eight times for 19 yards and Albert McGee who had 15 yards in nine tries.

On the defensive plus side were the two interceptions (with 37 yards in returns) for Warren Berry, and the efforts of veteran Tim Juneau at defensive tackle where he is being tried for the first time.

But it is early, and Saturday's scrimmage for the visiting coaches could tell a lot more as Gutekunst continues to look for progress, for replacements for his departed seniors and for depth both on his offensive and defensive units.

GODKIN WINS BIG TEN ALL-AROUND TITLE AND TWO OTHER EVENTS: GOPHERS THIRD IN TEAM RACE

The 1987 Big Ten Conference gymnastics championships were dominated by Minnesota's senior captain Collin Godkin (Milwaukee, WI) who won the all-around title and also copped first place finishes in the parallel and horizontal bars events.

Godkin won the all-around title with a score of 113.15 to outdistance second place Dave Romero of Illinois by almost five full points (Romero scored a 108.90). It was total domination for Godkin in the bar events scoring 9.9 on both those apparatuses. He was also second in the rings event and fifth on the pommel horse.

Ohio State won the team title unseating defending champion Iowa 279.80 to 279.25. The Gophers just missed at winning their eighth team title in the past twelve seasons scoring a 279.15 to finish a close third. OSU, Iowa and the Gophers will now await an NCAA tournament team bid for the April 24-25 NCAA Championships in Los Angeles, CA. The NCAA awards ten team selections based on yearly scoring averages. As of last week, the Gophers were ranked tenth in the nation at 278.06. The NCAA tournament bids will go out April 13. Iowa was sixth last week (280.17), Ohio State, ninth (278.29).

Godkin will compete as an individual at nationals along with two-time NCAA place winner Steve Braun (second in Big Ten pommel horse) and surprising freshman all-arounder Mark McKiernan (Dorien, CT) who placed fourth at the Big Ten meet with a 107.40. McKiernan also placed fourth in the vault and parallel bars events.

EGELAND EARNS SWIMMING ALL-AMERICAN HONORABLE MENTION AWARD

Sophomore sensation Dan Egeland (Minneapolis, MN) finished 10th in the 100 breast-stroke event at the NCAA Championships last weekend in Austin, TX to earn NCAA All-American honorable mention status. Egeland, the Big Ten runnerup in the 100 and 200 breaststroke, swam a 55.36 100 and a 2:01.61 200 breaststroke to finish 17th. His seven points put Minnesota among the top 30 schools nationally in the team race.

Egeland becomes Minnesota's first All-American swimmer since 1980 when Brent Bordson and Art Griffith earned recognition. The Gophers finished fifth at the 1987 Big Ten swimming championships, their highest team finish since 1979.

TENNIS TEAM SPLITS AT MICHIGAN/MICHIGAN STATE: AT WISCONSIN SATURDAY IN BIG TEN DUAL

The Golden Gopher tennis team broke its 10 match losing streak beating Michigan State 6-2 last Saturday. On Friday in a possible preview of the Big Ten championship match, the Gophers lost to Michigan 7-2 in Ann Arbor.

Coach Jerry Noyce's squad is now 6-15 overall in dual matches and are 1-1 in Big Ten duals. Minnesota continues on the road this Saturday traveling to Madison, WI to face the Wisconsin Badgers. Next home matches for Minnesota will be April 17 and 18 hosting Illinois and Purdue, 6:30 both nights at the 98th Street RC.

TWO-MILE RELAY TEAM PLACES FOURTH AT TEXAS RELAYS: MINNESOTA TRACK OPEN SATURDAY

Minnesota's two-mile relay team of Robert Miller, Frank Bjorkli, Carson Hoeft and Paul Gisselquist placed fourth at the Texas Relays event last weekend in Austin. The outdoor track season continues this weekend for the Golden Gophers as they host the Minnesota Open, 12:00 noon Saturday at Bierman Field Track. A split Gopher squad will also compete at the Dogwood Relays in Knoxville, TN April 10-11.

GOLFERS IDLE LAST WEEKEND: AT JERRY PATE INVITATIONAL FRIDAY IN FLORIDA

The Minnesota men's golf team will tee it up for its third competition of the spring season Friday-Sunday at the Jerry Pate Intercollegiate Championships in Pensacola, Florida. The Gophers will compete along with 25 other teams from across the nation in one of the premier college golf events.

Senior captain Phil Reichel (Minnetonka, MN) has paced the Gophers through the opening two meets this spring. Reichel has a 77.4 avg. in five rounds with a low round of 72 at the Southeastern Championships March 26-29 in Alabama. The Gophers have placed 17th of 19 teams at the SEC's and placed 17 of 24 teams at the Augusta, GA Invitational to open the season March 22-24.

Wisconsin began its conference play by taking three of four at Northwestern last weekend. The Badgers, who last year made their first trip to the Big Ten championship tournament, return more players this year than any other West Division team.

"Wisconsin's strength this year is in their pitching staff," Gopher head coach John Anderson said today. "Northwestern did not score more than three runs in any of the four games last weekend.

"No, I'm not surprised at Wisconsin getting off to such a good start. They have been steadily improving the last few years and would like nothing better than to knock us off this weekend.

"For us to at least break even in the four games we'll have to tighten up our defense and get more of the timely hitting we saw last weekend against Iowa State."

Minnesota swept all three games against the Cyclones. The Gophers won 5-4 with a solo run in the 9th inning at the Metrodome Friday, and then came from behind twice to win 6-5 and 8-5 Saturday at Siebert Field.

Third baseman Jeff Goergen singled in second baseman David Contreras who had opened the 9th inning with a double for Friday's win. Iowa State had tied the score at 4-all with solo runs in the seventh and eighth innings.

Sophomore Shane Kangas gained his fourth win of the season against no defeats with some sharp relief pitching. Freshman Denny Neagle (1-1) pitched the first six and one-third innings, but was not as sharp as in previous outings.

In the first game Saturday, the Gophers trailed 5-1 going into the sixth inning. Minnesota rallied for five runs with three coming on a bases loaded double by freshman second baseman Brian Raabe. Raabe then scored the go ahead run when senior Tom Ward grounded a single to right field.

Junior hurler Darren Knight (1-3) gained his first victory of the season in relief of starter Mike Pavelka. Knight gave up a home run off the first ball he pitched, and then shut out ISU for three innings.

In the nightcap, Minnesota trailed 4-1. The Gophers tied the score in the fourth inning when shortstop Jay Anderson cleared the bases with a double into the right field corner. He later belted a two-run homer in the fourth fifth inning which clinched Minnesota's third straight win.

Kangas was again the right man in the right place when he relieved freshman starter Jim Tatur in the third inning. Kangas allowed ISU five hits but only one run the rest of the way running his season record to 5-0. Last season Kangas was 4-0 for Minnesota.

Sophomore outfielder Jay Kvasnicka (kwas-NICK-ah) has been on a recent tear at the plate while filling in for the injured J.T. Bruett in center field. Kvasnicka leads all Gophers at the plate with a torrid .488 average. He has 21 hits in 43 appearances having played in 18 games.

Coach Anderson and his staff may face a problem this weekend as Bruett is expected to be fully recovered from a hamstring injury. Both Bruett and Kvasnicka are left-handed batters, so expect to see the latter move to a different spot on defense, or possibly become the designated hitter against RHPs. Bruett was batting .341 when he went out of the lineup in the first game of the WHEATIES Tournament of Champions.

Anderson said he is not at all certain of who will pitch when this weekend against Wisconsin, but added he will probably use Knight, Pavelka, Neagle and Steve Fregin in starting roles.

It is also hoped that Ward will be ready to go full time in right field against the Badgers. He has been limited to recent DH duty after also suffering a hamstring pull in the tournament.

RECORD (W-L): 12-14 (10-4 HOME; 2-10 AWAY; 0-0 BIG 10).

GOLDEN GOPHER GRIDDEERS PASS HALF-WAY POINT OF SPRING DRILLS

A short week of practice faces the University of Minnesota football team as Coach John Gutekunst gives his griddeers Easter weekend off while moving past the half-way point in this year's spring session.

The Golden Gophers are slated to take part in a controlled scrimmage on Friday and then get a couple days away from football before gearing up for the rapidly approaching Spring Game.

Gutekunst put his club through two scrimmages last week, and the results brought different reactions from Minnesota's second year head man.

On Wednesday, Gutekunst was less than satisfied with his team's effort. "You can't slide until fall," he told his players. "The Big Ten is too dominant a league not to be giving it your all every day."

Apparently the Golden Gophers took those words to heart, and on Saturday the hard-hitting scrimmage brought a brighter appraisal from Gutekunst.

He was especially pleased with the defensive unit which "Did a great job" on goal line work. He also admitted that injuries were taking their toll on the offensive line's effectiveness, but maintained "We must get better."

In last Saturday's scrimmage, conducted as part of the annual spring clinic for area high school and college coaches, 11 Golden Gophers took their turns at carrying the ball.

Marcus Evans would up as the leader with 39 yards in 11 attempts while Darryl Thompson, last year's Big Ten Conference rushing leaders, had 20 in five.

Four quarterbacks also saw playing time. They included John Bobinski, Les O'Hara, Alan Holt and Minnesota's starter the last three years, Rickey Foggie. It was Foggie's first real taste of work in scrimmage situations this spring, and he responded with four of nine passing attempts for 54 yards.

Foggie's top target was flanker Jason Bruce who caught two for 50 yards. Ray Armstrong also had two receptions for 22 yards while seven other U of M candidates would up as receivers Saturday.

On the defensive side of things, new faces continued to dominate the scene including junior college transfer Doug Evans who seems to be learning Minnesota's system in a hurry. Ron Goetz, a letterman at fullback last year who is being given a trial at outside linebacker this spring, also was a prominent figure on Saturday.

After the weekend off, Minnesota will return to drills next Monday and head into its final seven practices....plus the Spring Game which again will follow the Team Minneapolis vs. Team St. Paul format.

The 1987 spring practice finale is scheduled for 11 a.m. on Saturday, May 2, in the Hubert H. Humphrey Metrodome. A special picture and autograph session with players and coaches will begin at 9:15 a.m. Tickets are priced at \$2.00 for the Spring Game and may be purchased through the athletic department ticket office in the Bierman Building (612-624-8080).

SNUGGERUD NAMED HO MVP

4/13/87

Minneapolis, MN---Dave Snuggerud, sophomore left winger from Minnetonka, was named recipient of the John Mariucci Most Valuable Player Award at the Annual Gopher Blueline Club hockey awards banquet Sunday in Minneapolis.

The rugged forward earned the honor by overcoming a serious shoulder injury which sidelined him for 10 games in January and February. He finished third in scoring for the Gophers with 59 points on 30 goals and 29 assists in 39 games. He was also UM's best penalty killer and also played on the top power play unit.

His play was instrumental in Minnesota posting a 34-14-1 record, the third consecutive season UM has reached 30 victories, and a second consecutive third place finish at the NCAA Final Four.

Voting for the MVP award, as in other honors granted Sunday, was by team members on the 1986-87 Gopher varsity.

Senior defenseman Eric Dornfeld of Stillwater was voted winner of the Dr. V.G. Nagobads Unsung Hero award while for the second straight year, senior defenseman Craig Mack from East Grand Forks received the John Mayasich Outstanding Student/Athlete award. Mack has earned four varsity letters and owns a 3.76 grade point average in the classroom. He has been on the WCHA All-Academic team three straight years.

Another senior defenseman, Gary Shopek from Minneapolis Henry High School, was voted the Mike Crupi Most Determined Player award for his leadership and unselfish style of play on the ice.

Senior co-captain Tim Bergland from Thief River Falls was named winner of the Elwin "Doc" Romnes Trophy for outstanding Ability and Leadership.

The final award of the evening went to freshman wing Peter Hankinson of Edina when he was given the Frank Pond Trophy as the team's Rookie of the Year.

This year's co-captains, Bergland and high-scoring center Corey Millen from Cloquet, then had the honor of announcing the team's vote for next year's co-captains. The 1987-88 team leaders, both junior centers this past season, are Jay Cates from Stillwater and Paul Broten from Roseau.

Broten is the younger brother of Neal and Aaron who both played at the U. of Minnesota and are now standout centers in the NHL. Cates came to Minnesota after playing two years of Junior A hockey following his prep days in Stillwater.

Doug McLeod, radio voice of the Gophers the last 10 years, served as master of ceremonies for the banquet at the Holiday Inn Crowne Plaza attended by more than 300 friends of Gopher hockey.

TENNIS TEAM BACK ON WINNING TRACK: HOSTS ILLINOIS AND PURDUE THIS WEEKEND

The Golden Gopher tennis team won for the second straight time in Big Ten play last Saturday beating Wisconsin 6-3 in Madison. Coach Jerry Noyce's squad will take a 2-1 conference record and a 7-15 overall mark into Friday's 6:30 dual match vs. Illinois at the 98th Street Racquet Club in Bloomington. The Gophers host Purdue Saturday at 6:30 again at 98th Street.

Minnesota, ranked #25 in the latest ITCA National tennis poll, is the defending Big Ten team champion and will continue to prep for the May 8-10 1987 Big Ten Championships hosted by the Gophers at 98th Street RC. Michigan is the pre-tournament favorite with a 7-2 win over Minnesota two weeks ago in Ann Arbor.

Noyce's team plays at Iowa Tuesday, April 22 before coming back home to entertain Indiana and Ohio State April 24-25 at 98th Street.

Roy Griak's Gopher will be in Iowa City this Saturday for a Big Ten dual matchup with the Iowa Hawkeyes (12:30 CST). Minnesota edged Iowa 64-41 in an indoor meet February 7 at the UM Fieldhouse.

Greg Harvey's Gopher golf team will compete this weekend at the Kepler Invitational hosted by Ohio State University in Columbus, Ohio. Minnesota continues to struggle on the links having placed 17th last weekend in the 18 team field in Gulf Breeze, FL for the Jerry Pate Invitational.

Senior captain Phil Reichel (Minnetonka, MN) and Kirk Vanstrum (So. Stillwater, MN) led the Gophers last weekend carding a 236 score for 54 holes. Vanstrum had Minnesota's low round of the tournament shooting a 74 on Friday. The Gophers team score of 961 was almost 80 shots behind South Alabama's winning 885 total.

4/20/87

Minneapolis, MN---Minnesota's baseball Gophers, clinging to an early Big Ten West Division lead, hit the road for four games at Northwestern Saturday and Sunday.

The teams play doubleheaders at 1 p.m. CST each day.

Minnesota is coming off taking three of four games at home from Wisconsin in its opening weekend of conference action. As usual, Minnesota did it the hard way against a Wisconsin team that most experts say is the most improved squad in the Big Ten this season.

After the Badgers won the series opener 4-1 at Siebert Field behind the exceptional pitching of lefty Tom Fischer, Minnesota took the next two games in rather dramatic fashion, and the third on shutout pitching by its own Mike Pavelka.

Fischer limited the Gophers to just five hits with the lone UM run scoring on a sacrifice fly by Mike Halloran. Halloran later in the series won two straight games with late inning blows.

Gopher Shane Kangas suffered his first collegiate loss in the series opener. He was 4-0 at UM last year, and had won six decisions this spring until bested by Fischer. Kangas did come back to win Sunday's first game in relief and now stands at 7-1 for the season.

In the second game Saturday, the Badgers twice had one-run leads only to see Minnesota battle back to tie matters, and then win it in the 10th inning.

Outfielder Jay Kvasnicka (kwas-NICK-ah) doubled home a run in the 7th inning to make it 2-all, and after Wisconsin catcher Craig Brown homered in the 8th, Tom Ward's single created another tie when Jay Anderson scored from second base.

Nothing more happened until the 10th inning when Anderson led off with a double to left, and after a strike out and an intentional walk, Halloran grounded a single to left scoring Anderson from second base to gain the 4-3 win.

Darren Knight, in relief of freshman starter Denny Neagle (NAY-gul), gained the win with 4 1/3 innings of 3-hit pitching. Knight is now 2-3.

In Sunday's first game, the teams traded one-run leads until the 7th inning. Then Kvasnicka led off with a pinch hit single, and Halloran blasted a triple to the wall in right center to score the winning run in the 3-2 decision.

Kangas, who pitched to one batter in the 6th inning in relief of starter Steve Fregin, was credited with the win.

The final game of the series belonged to Pavelka. After being out practically all of the last two seasons due to surgery for nerve damage to his pitching shoulder (L), Pavelka sparkled in allowing the Badgers but three singles while striking out four and walking two. The Badgers only got one baserunner as far as second base, and the Gophers turned two double plays behind Pavelka.

The rangy left-hander is now 2-1 on the season and gives coach John Anderson and the Gophers high hopes he has returned to the form exhibited his freshman year when Pavelka was 6-2, with a 4-0 Big Ten record.

The Gophers, now 19-15 on the season after winning 10 of their last 11 games, play doubleheaders Tuesday at home against Wisconsin-Stout State, and another pair Wednesday at St. Cloud State before the Northwestern series.

At Northwestern Saturday, Anderson is expected to stay with his starting rotation of Kangas, Neagle, Fregin and Pavelka, but could not say Monday as to which order they would take the mound.

Halloran ended the opening weekend of Big Ten play with a sparkling .538 league batting average. He went 7 for 13 at the plate with three runs batted in. For his efforts, he was rewarded by being named Big Ten Player of the Week. Kvasnicka, who leads the Gophers in batting for all games this year with a .491 average (28 of 57), was 4 for 9 on the weekend, .444, while third baseman Jeff Goergan was 4 for 12 and is batting .333 in the Big Ten.

END OF SPRING FOOTBALL PRACTICE IN SIGHT

With the end of spring football practice just over a week away at the University of Minnesota, a quick evaluation will bring totally different responses from Golden Gopher coaches.

John Gutekunst, for example, figures that there is progress being made in some areas, but in others nothing good has happened. It is causing Minnesota's second-year head coach some concern.

Last weekend's controlled scrimmage was a classic example of the situation. "We did a pretty good job defensively," he analyzed before giving his squad the Easter weekend off, "but there were times when our offense was an embarrassment. Offensively we wasted the defense's time."

This week is expected to bring continued hard work to the Golden Gopher camp as attempts are made to resolve the problems which still plague the 1987 contingent. And that work will include a mid-week scrimmage as well as a more involved wrap-up on the weekend.

And all of that will set the stage for next week's final days of practice before the Spring Game takes place at the Hubert H. Humphrey Metrodome on Saturday, May 2, at 11 a.m.

An autograph and picture session with the Golden Gopher players and coaches is slated on the Metrodome turf beginning at 9:15 a.m., and an open house tour of the football facilities is scheduled following the game.

Gutekunst hopes for another big turnout for that spring football finale, but he also hopes that his club will perform in an improved fashion for the Minnesota faithful.

Biggest concern at the moment seems to be the lack of productivity by the offense, and that may be as a result of an inability to replace those three offensive line graduates from a year ago....center Ray Hitchcock and tackles Jim Hobbins and Norries Wilson.

Dan Rechtin and Dan Liimata looked like heir apparents coming in to spring drills, but injuries have continued to take their toll....and during the interim Gutekunst had hoped that some of the young candidates would come to the front.

On defense, some of the position changes and the progress of new people has been more encouraging. For example, in last weekend's scrimmage, Dale Conant, sophomore linebacker, scored the days' first touchdown when he picked off an errant lateral/pass and romped 25 yards to score. Moments later, Jason Brouwer, a redshirt freshman inside linebacker, got a safety for the defense by sacking quarterback Les O'Hara in the endzone.

And there were other "bit plays" by the defense. Trint Trip made a couple of them, and other young Golden Gophers who seemed to excell on that unit were Bob Coughlin and Mike Survold, both redshirt freshmen.

78th ANNUAL DRAKE RELAYS UP NEXT FOR TRACK TEAM

Coming off last weekend's six first place performances vs. Iowa/Northern Iowa, Coach Roy Griak's Gopher track squad will compete this weekend at the prestigious Drake Relays Track Meet. The 78th annual Drake Relays in Des Moines, Iowa gets underway Thursday and will have finals on Friday and Saturday at Drake Stadium

Junior sprinter Rod Hutton (Shakopee, MN) won the 200 and 400 meters last Saturday in Iowa City to lead the Gophers first place showings. Sophomore Frank Bjorkli (Pommelvik, Norway) won the 1,500 meters and his twin brother Roger, won the 5,000 event.

Other first place finishes for Minnesota were Carson Hoeft (So. Plymouth, MN) in the 800 meters, Mike Vukovich (Sr. Co-captain, Park Ridge, IL) in the high jump, Jon Briese (Fr. Cottage Grove, MN) in the 110 HH and Robert Miller (Sr. Sank Centre, MN) in the 3000 meter steeplechase event.

Those Gophers along with veteran distance runner Paul Gisselquist (Sr, Co-captain, Richfield, MN) will be the top hopefuls for places this weekend at the Drake Relays. Ron Backes won the Drake shot put title three consecutive years and was Minnesota's only champion last year. Middle Distance runner Jim Scott (So. Bloomington, MN) could also be a place winner in the 800 meters.

TENNIS TEAM RUNS BIG TEN WIN STREAK TO FOUR: BUSY WEEK AHEAD WITH FOUR MATCHES

Minnesota's tennis team swept Illinois and Purdue here last weekend to run its Big Ten record to 4-1 and overall mark to 9-15. The Gophers swept all six singles matches vs. the Fighting Illini and Boilermakers to seal up the decisions early. MN beat Ill 8-1 and Purdue 6-2.

Coach Jerry Noyce's team has a hectic week ahead playing four Big Ten league matches in five days. The five day trek begins Wednesday at Iowa before coming home to 98th Street RC and hosting Indiana Friday (6:30 PM) and Ohio State Saturday (6:30). The four match week concludes Sunday at Northwestern in Evanston, IL.

GYMNASTS AT NCAA CHAMPIONSHIPS THURSDAY-SATURDAY IN LOS ANGELES

The Golden Gopher men's gymnastics team will be making their 8th trip to the NCAA Championships under veteran head coach Fred Roethlisberger this weekend. UCLA and Pauley Pavilion are the hosts for the 1987 Division I men's championship and the ten team field is loaded.

Arizona State is the defending NCAA team champion and the Wildcats were not good enough to be named to the 1987 ten team field selected last week by the NCAA based on the top five team scores through the 1986-87 season.

TEN TEAM NCAA SELECTIONS

(1987 average score in parenthesis)

| 3. Nebraska (282.74) | 8. New Mexico (280.16) |
| 4. UCLA (281.86) | 9. Ohio State (279.32) |
| 5. Penn State (281.16) | 10. MINNESOTA (278.91) |

Minnesota was paced all season long by senior captain Collin Godkin (Milwaukee, WI). Godkin won the Big Ten all-around championship and also won two individual events at the conference meet. The Gophers senior leader is a top candidate for the Nissen Award (college gymnastics Heisman Trophy) and he will be one of the top five contenders for the NCAA all-around championship this weekend. Godkin will also be a national champion contender on four individual events. "Winning the Big Ten all-around definitely put Collin at the next level and to the heights he wants to go this year in gymnastics," said Gopher coach Fred Roethlisberger. "He was the top gymnast at Big Tens and he will look for that performance at nationals too."

Godkin has a high all-around score of 56.64 this season and his top competition will come from Penn State's Chris Lux (56.12), Houston Baptist's Alfonso Rodriguez (57.24), Nebraska's Neil Palmer (56.10), and Tom Sclesinger (Nebraska, 57.02). At least 15 other gymnasts are at 55.50 or better in a tough field of all-arounders.

The Gophers finished third at the Big Ten meet behind champion Ohio State and fellow NCAA team qualifier Iowa. Other top Gopher competitors are two-time NCAA pommel horse All-American Steve Braun (Sr. Bloomington, MN) and freshman all-around star Mark McKiernan (Darien, CT). Braun is a two-time Big Ten place winner in his speciality event and was tied for fourth last year at the NCAA's in the pommel horse. McKiernan was a surprise fourth at the Big Ten meet in all-around and is the most improved Gopher gymnast through the 1986-87 season.

The 1987 NCAA appearance will be the 20th for Minnesota gymnastics and the eighth under 11th year head Coach Fred Roethlisberger. The Gophers last NCAA tournament was in 1984 with a 10th place finish. Minnesota's top team finish under Roethlisberger is 5th place showings in 1976 and 1977. Under legendary head coach Ralph Piper (1930-61), the Gophers placed 2nd twice at NCAA's (1941&1949).

Minneapolis, MN---As usual, the Big Ten West Division baseball race is on another collision course. With eight games remaining in conference play, one game separates the three leaders.

Minnesota (6-2) holds the top spot, but is just a single decision ahead of Illinois and Iowa who are both 5-3. No problem guessing Minnesota's remaining opponents. You're right. . . Illinois and Iowa.

The Gophers host the Illini in 1 p.m. doubleheaders Saturday and Sunday at Siebert Field, and next weekend travel to Iowa City to play the Hawkeyes four times May 9-10. Minnesota is the defending Big Ten West Division champion.

The opening game Sunday against Illinois marks the first telecast ever from Siebert Field. KITT-TV, Ch. 29 in the Twin Cities, will carry the game live.

The Gophers held on to its slim lead by taking three of four at Northwestern last weekend while Illinois was sweeping Wisconsin and Iowa was idle.

It was a combination of stingy pitching and the lusty hitting of sophomore shortstop Jay Anderson (Bloomington Jefferson) that keyed Minnesota last weekend.

After splitting two games Saturday, sophomore pitcher Steve Fregin (Little Falls) and junior Mike Pavelka (Minnetonka) delivered complete games Sunday allowing the Wildcats only one unearned run as the Gophers won 11-0 and 3-1.

Fregin (4-1, 1-0) came within a decision at first base of throwing a no-hitter. The lone safe blow off came on a bunt single in the first inning. The call, of course, was controversial, but final. Fregin struck out five and walked three while turning in his third complete game of the season.

In the second game, Pavelka (3-1, 3-0), who is returning to form shown three years ago, recorded his second straight complete game and has yet to allow an earned run to be scored in 14 innings of Big Ten pitching. The lone NU run came on a single, a two-base error and a ground out in the first inning.

Pavelka walked two and struck out one while allowing the Wildcats just four singles. He now leads all Gopher pitchers with a 3.24 ERA in 33.1 innings.

Pavelka presents quite a comeback story. After posting a 6-2 record his freshman year, 4-0 in the Big Ten, he suffered through two operations and a total rehabilitation of his pitching shoulder recovering from nerve damage. But persistent labor the last two years has returned him to the form that saw him become a high draft choice following his senior year at Hopkins High School.

On Saturday, junior pitcher Darren Knight (Anoka) evened his season record at 3-3 by taking an 8-5 decision with a save by Shane Kangas (Anoka). Knight hurled 5 2/3 innings giving up six hits and three runs.

Freshman lefty Denny Neagle (2-2, 0-1) dropped the second game 6-2 as the Gophers were held to five hits by NU hurler Tom Scorgula, now 5-1.

At the plate, several Gophers contributed big with key base hits. But none rained havoc on the Northwestern pitching staff like Anderson. For the weekend, Anderson's totals ended as follows: 4 home runs, 3 doubles, 1 run-scoring single, 5 runs scored, 11 runs batted in, and the game-winning RBI in all three Gopher victories. In college baseball, that's literally a month done up in one weekend.

His 8 for 13 (.615) performance at the plate raised his Big Ten bat average to .400 and his all-games mark to .341. For his efforts, Anderson was named Big Ten Player of the Week, and also voted Co-National Player of the Week by COLLEGIATE BASEBALL.

Actually, Anderson batted for the cycle in home runs. He hit a solo blast, a two-runner, a three-runner and a grand slam. His three run homer came in the 4th inning of the 8-5 win bringing the Gophers from an 0-1 deficit.

In the 11-0 decision, he hit his solo homer early, and keyed a 7-run sixth inning with his grand slam. Then in the 3-1 victory, he again provided the winning margin with a 2-run homer in the first inning.

Minnesota forces simply hope Anderson and Co. did not use up so many base hits that they come up empty this weekend against the Illini.

GODKIN INJURY HAMPERS GOPHERS CHANCES AT NCAA CHAMPIONSHIPS LAST WEEKEND

"I've never seen quite so much go to the wayside as when Collin's ankle snapped," said Gopher gymnastics coach Fred Roethlisberger of Collin Godkin's broken ankle last Thursday in the all-around compulsories at the 1987 NCAA Championships in Los Angeles, CA.

Godkin, the senior from Milwaukee/West Allis, WI, won the Big Ten all-around title two weeks ago and was the third ranked NCAA gymnast heading into the nationals. Coach Roethlisberger describes the mishap and effect it had on the Gophers. "Collin broke his ankle on a floor exercise take off. It was a devastating blow to Collin and our team. Collin had a substantial lead when the injury happened and after seeing the final compulsory and all-around final scores, he would have finished in the lead or close to it. He was a shoe-in for All-American honors in the all-around and also in the parallel and high bar events."

Minnesota freshman stars Mark McKiernan (Darien, CT) and Mike Miller (Aloha, Oregon) were 22nd and 24th respectively in the all-around event earning them the second and third top ranking nationally among freshman. "They were outstanding and really performed well for us," said Roethlisberger.

Minneapolis, MN---For the seventh time in seven seasons, the U. of Minnesota baseball Gophers are headed for the Big Ten Championship Tournament.

By taking three of four games at Iowa over the weekend, the Gophers, for the second straight season and fifth time in seven years, won the Big Ten's West Division championship. Minnesota, 25-23 overall, ended 12-4 in the Big Ten.

Minnesota, after playing two games last Friday vs. Augsburg College, meets Big Ten East Division runner-up Indiana (22-17-1) at 3 p.m. EST in a first round game Friday at Ann Arbor, MI. East Division champion Michigan (46-9) plays West runner-up Iowa (28-26) in the title of the second game. The tournament features a double elimination format.

"At the beginning of the season, and particularly since returning from our spring trip to Texas and Arizona, I had a difficult time believing this Minnesota team had the talent necessary to get this far," says six-year Gopher head coach John Anderson.

"I guess I just didn't realize how far they would reach within themselves to become winners. They seem to have a lot of heart. This team has become awfully close with each other, like a family member.

"As for the tournament, well, we have only won it twice in six years, so our overall performance is not all that great, but to get there seven straight times is, I believe, a considerable accomplishment. I don't really know if we have enough tools to win this one. Let's see what happens. Ann Arbor in 1985 as the second place team from the West was a real disappointment. Michigan fields a way of repeating for us. It would be a great idea for members of this team."

Anderson added that until he found out about Kansas and Michigan, he had no idea about his pitching staff.

You can be certain, however, that the pitcher-pitcher Mike Pavelka (6-1, 3.05 ERA overall, 4-0, 1.08 B10) and sophomore Steve Fregin (4-3-1, 3.54 overall, 3-0, 1.30 B10) will each get a starting role sometime during the tournament.

Minnesota and Michigan did meet on a late season at the Metrodome in Minneapolis during the Tournament of Champions. The Gophers won, 8-5, but Michigan committed four errors during that game, "I am not sure Michigan to ever commit that many errors in a tournament game," Anderson commented.

It was the pitching of starless Fregin, however, and Darren Knight (4-4, 3-1) with a save by reliever Shane Kangas (who led Minnesota last weekend in Iowa City).

Knight won the series opener 1-2 game by out-pitching Kangas while striking out eight in six innings. Kangas gave up his only lead in the game by retiring the side in the seventh. That win dramatically put the Gophers in the tournament.

After suffering through a home run by sophomore John Koester (one off Knight with no outs in the 7th inning of the first game, and three more in three times at bat in the second game Friday) when the Hawks won 6-3, Fregin and Pavelka came through with wins Saturday.

Fregin pitched his second shutout of the Big Ten season in defeating Iowa 3-0. It was also his third consecutive complete game in the conference and the win gave Minnesota the West Division championship.

In the nightcap, Pavelka finally gave up five earned runs after going 2 2/3 and 2/3 innings of allowing just one unearned run in the Big Ten. He stayed on long enough to gain his 9th conference victory, including his first in the 15-8 Gopher win. Kangas pitched the final 1 1/3 innings and was not at all sharp. He allowed five runs on eight hits, three of them home runs.

Catcher Mike Halloran had six hits and three runs appeared while second baseman Brian Raabe was 5 for 11 and third baseman Jeff George was 5 for 12 with five runs batted in. Iowa scored six but one of its weekend runs on homers while the Gophers, for the second time in Big Ten play this season, did not get a single ball over the fence. UM had also scored on one run by Wisconsin.

TENNIS TEAM RUNNERUP AT BIG TEN CHAMPIONSHIPS; SVENSSON SELECTED FOR NCAA MEET

The defending champion Gopher tennis team came up short in defense of the league title losing to Michigan 5-2 in the championship match last Sunday at 98th Street Racquet Club in Bloomington, MN.

Michigan won the team title for the 17th time in the past 20 years and upped its season record to 27-2 overall and 12-0 in Big Ten matches with the win over the Golden Gophers. It was the Wolverines third victory over the Gophers this season and solidified their supremacy in 1987 Big Ten tennis.

Minnesota placed three members on the twelve man All-Big Ten team: Chuck Merzbacher (Sr. Findlay, Ohio), Jonas Svensson (So. Vetlanda, Sweden) and Casey Merickel (Jr. Wadena, MN) earned Big Ten honor mention. It was the third All-Big Ten selection for Merzbacher and second for Merickel.

Gopher sophomore Jonas Sveasson has been selected for the 64 man individual draw at the NCAA Championships in Athens, Georgia. Sveasson, who played #1 and #2 singles this season for Coach Jerry Noyce's Gophers will take a 30-16 overall record into the opening round May 19. Sveasson will be Minnesota's lone participant at this year's NCAA meet. Last season, Minnesota won the Big Ten title and was selected for the 16 team NCAA championship field.

GOPHERS WIN THREE INDIVIDUAL TITLES AT IOWA TRACK MEET; HOST LAST CHANCE MEET SATURDAY

Three Gopher first place finishes and three other top place finishes highlighted Coach Roy Griak's team performance at the five-team Iowa Hawkeye Invitational last Sunday in Iowa City, IA.

Co-captain Mike Vukovich (Sr. Park Ridge, IL) won the high jump with a leap of 6-11 and won the competition on fewer misses. It was Vukovich's fifth title this season and he will be a leading contender for a Big Ten placing in two weeks at the outdoor meet in Iowa City.

In the 800 meters Carson Hoeft (So. Plymouth, MN) edged teammate Jim Scott (So. Bloomington, MN) to win with a time of 1:51.39 to 1:51.41. Hoeft and Scott will battle for the Big Ten title in the 800 meters.

Jon Kortz (Jr. Hales Corners, WI) won his speciality, the 3000 meter steeplechase in a time of 9:16.53. He is among the top ten Big Ten steeplechase runners this season and has won three events.

The Golden Gophers will have one remaining home meet, the Last Chance Meet Saturday, May 16, 12 noon at Bierman Field before competing at the Big Ten championships May 22-24 in Iowa City, IA.

BSB INVITED TO NCAA REGIONAL

Minneapolis, MN---On Monday, everyone connected with the U. of Minnesota baseball program believed the season was over. Gear was turned in and the coaching staff was heading out for some serious scouting of high school games.

After all, the Gophers had just returned from the Big Ten tournament after a hasty exit following consecutive losses to Purdue (9-3) and Michigan (9-8).

Low and behold, a short phone call put everything in reverse. Minnesota received, and quickly accepted, a bid to the NCAA West I Regional in Palo Alto, CA, where UM opens its bid to go further by taking on host Stanford U. at 4 p.m. PST (6 p.m. local time) Friday, May 22. The Gophers are 36-23 for the season.

The Stanford Cardinals (44-16) are the power of the west coast ranked #2 in one national poll, and #4 in another. Other matchups in the six-team regional include Wichita State (58-16) vs. UC-Santa Barbara (30-23-2), and Washington State (42-17) vs. Oral Roberts (45-17).

5/19/87

The tournament runs through Monday, May 24, and features a double elimination format.

If Minnesota wins its opening game against Stanford, the Gophers play at 12:30 p.m. PST Saturday against the Wichita St.-UC-Santa Barbara loser. Should the Gophers lose to Stanford, their next game will be at 9 a.m. PST Saturday against the Washington St.-Oral Roberts loser. Two losses and you are out, while the regional winner advances to the College World Series (CWS) beginning Friday, May 29, in Omaha, NE.

This marks the 15th time Minnesota has appeared in an NCAA Regional. On its very first try in 1956 under the late head coach Richard "Chief" Siebert, Minnesota won its first national baseball championship. Siebert also directed Gopher teams to NCAA titles in 1960 and 1964, plus additional CWS appearances in 1973 and 1977. Dave Winfield (NY Yankees) was a star on the 1973 Gopher team while Paul Molitor (Mil. Brewers) led the '77 club.

Minnesota's overall post season record shows 39 wins against 26 losses, and is 17-7 in its five trips to the CWS. Teams have competed in 12 Midwest and Midwest regionals, and made single stops at the Rocky Mt. and Southern Regionals.

This NCAA venture is the third under Gopher head coach John Anderson. Now in his sixth year as boss of the UM diamond program, Anderson directed the Gophers to the 1982 and 1985 Midwest Regionals, both at Stillwater, OK, after winning Big Ten championships both seasons.

LAST WEEK AT THE BIG TEN

After winning its fifth conference West Division title in seven years, the U. of Minnesota baseball Gophers suffered a hasty exit from the Big Ten tournament held at Ann Arbor, MI, last weekend.

Minnesota dropped both its games, 2-3 to Purdue Friday and 9-8 to host Michigan the next day.

Considering that pre-season rankings predicted a fourth place Minnesota finish in its divisional play, it was really a surprise that this year's Gopher nine made its seventh consecutive appearance at the conference tourney. Only Minnesota and Michigan have made it that far every year.

Youth and inexperience, particularly among the pitching staff, was supposed to hold Minnesota back this year. So all this team did was win the fourth highest number of games in the school's baseball history, and project head coach John Anderson further into the national college baseball limelight.

Minnesota's last win this season, a 7-0 decision against Augsburg (MN) College on May 12, was the 200th win in Anderson's six years at the Gopher helm. Every research avenue was exhausted to reveal that at age 31, Anderson has become youngest NCAA Division I coach to win 200 games.

His career record at UM now reads 200 wins, 128 losses and one tie for a winning percentage of .609. His teams have won some form of championship (2 Big Ten, 4 West Division) every year during his six campaigns.

The Gophers could only stand and watch in amazement last Friday as Purdue totaled 17 base hits, nearly half of them bloopers or topped infield grounders, en route to its 9-3 victory.

But the real key for Purdue was undefeated freshman pitcher Pete Altenberger (8-0) who did allow Minnesota a base hit after the fourth inning. At that stage UM had eight runs, six hits and a 3-1 lead.

Purdue, however, got to Gopher starter Steve Pavelka (5-2) in the sixth inning scoring five runs to take the lead for good. Pavelka and Altenberger came into the game as the #1 and #2 pitchers during the Big Ten's regular season. But Pavelka just didn't have his usual good stuff this time out and exited after facing the first four batters in Purdue's 6th inning rally. Reliever Shane Kangas finished up for the Gophers.

5/19/87

Minnesota, after Purdue opened with a run in the first inning, scored twice in its first time at bat. Jay Kvasnicka doubled in the first run while Mike Halloran singled the other.

Jay Anderson scored the final Gopher run in the third inning by singling and coming around on an error and singles by Tom Ward and Bruce Bates.

On Saturday, Michigan jumped to a 5-2 lead after five innings off Gopher starter Steve Fregin (6-1). But Minnesota began to chip away and tied the game at 5-5 in the 8th inning. Michigan came back with two runs in the same inning taking a 7-5 lead into the final frame.

But the Gophers, with four of the first five batters hitting singles, went ahead 8-7 with three runs in the 9th. Paul Weinberg knocked in the first with a line single. Another scored on an error with J.T. Bruett plating the lead tally on an infield grounder.

The roof then caved in on Gopher reliever and loser Karl Johnson (3-4). A walk, a stolen base, a third strike passed ball and a fielders choice grounder scored the tying run for Michigan. A single loaded the bases with no outs before freshman Denny Neagle replaced Johnson and gave up a long single to Bill St. Peter to score the winning run.

ANDERSON ON THE GOPHERS

"To say the least, we were not expecting an NCAA bid today (Monday)," the coach offered. "At the same time, however, I believe the young men on this team deserve the chance to compete against the best from other sections of the country.

"I have to feel awfully proud of the way this Minnesota team played all year. After getting off to a slow start, they battled adversity all season but never once gave up. They simply believed they could win. That's why losing two in a row at the Big Ten tournament hurt so much.

"I honestly believe we went through more injuries to more individuals than in any other year I have been at Minnesota. We had seven players out at one time or another with pulled hamstrings. That's brutal.

"Many veterans and the newcomers, too, continued to pick us up game after game. And several of our rookie pitchers provided key performances to back up some spectacular pitching by veterans who were not predicted to do all that well.

"Pitchers Mike Pavelka, coming off two redshirt seasons because of shoulder surgeries, and sophomore Steve Fregin finished one and three in the Big Ten. Junior Darren Knight went from starter to reliever to starter. Sophomore Shane Kangas was our top winner with nine plus three saves while freshman Denny Neagle became our fourth starter and was consistent from the beginning.

"Between them, these men had 26 of our 36 wins. What more can a coach ask?

"Losing seniors Mike Halloran (C) and Tom Ward (OF) will hurt a lot next season. This pair, our co-captains, provided badly needed leadership, particularly for the younger members of this year's varsity squad. Replacing the latter, besides their outstanding baseball talents, will not be a simple task.

"But now both Halloran and Ward, plus their teammates, get another chance. We hope to make the best of it. But to go up against the likes of the other five teams in this regional, well, that's asking quite a lot.

"We originally looked at this year's Minnesota team as being a year away because we were so young. That shows you how much I know. I guess that's why I am so proud of this club. They have yet to quit in a single game. They have become real battlers.

"I believe the best illustration of that was last Saturday against Michigan. We were down 5-2 in the 6th inning, but scored two in the 7th and another in the 8th to tie 5-5. Michigan got two more in the 8th, but we scored three times in the 9th and I believed we had them. But give credit to Michigan, they came back with the winning runs in the same inning.

"Our kids battled like crazy, but it just wasn't our turn. Hopefully, we can do better this week.

Dave Skrien, a former Golden Gopher player and coach, has been named the new administrative assistant to Head Football Coach John Gutekunst at the University of Minnesota.

Skrien will be responsible for football recruiting at the U of M and replaces Vince Okruch who held that post for one year before being assigned duties as runningback coach by Gutekunst this past spring.

A native of Morris, MN, the 58-year old Skrien was captain of the Minnesota team in 1950 when he played fullback under the legendary Bernie Bierman.

After graduating from the University of Minnesota, Skrien played for the Winnipeg Blue Bombers in the Canadian Football League for two seasons and helped that club win the Western Division championship and gain a berth in the Grey Cup game.

His coaching career began at Albert Lea, MN, High School and was followed by stints as assistant coach at Ball State, at the University of Minnesota under Murray Warmath and at Boise State.

He also coached in the professional ranks, both as an assistant and as the head man, at British Columbia, Edmonton, and Saskatchewan...all in the Canadian League...as well as at Memphis in the World Football League.

In 1976, Skrien returned to Minnesota as the recreation coordinator for the city of Richfield while also serving as head coach at Golden Valley Lutheran College.

Skrien has both his B.S. and his M.S. degrees from the University of Minnesota.

MINNESOTA SIGNS ANOTHER FUTURE STAR

Marlon Maxey, a 6-8 inch forward/center from Collins (H.W. School) in Chicago, Illinois, has signed a national letter of intent to attend the University of Minnesota and play basketball for the Golden Gophers.

Maxey was an All-City selection for Junior this past season when averaging 23 points and 13 rebounds a game for a team that finished 22-8 on the season.

"I feel comfortable with my decision to attend Minnesota," Maxey said. "I've been impressed with the University both academically and athletically. I'm enthused about being a Golden Gopher."

Coach Clem Haskins figured Maxey is a player who can help the future of Minnesota basketball. "He can be a quality player down the road for us," Haskins said. "He's just a player that we will have to be patient with in regard to his progress."

Maxey is the fourth student athlete to sign national letters of intent with the Golden Gophers this year. Committing during last fall's early signing period were Kevin Lynch, a 6-5 guard-forward from Bloomington, MN, (Jefferson), and Erik Wilson, a 6-10 center from Detroit, MI, (Henry Ford). Also signing a few weeks ago was Walter Bond, a 6-6 forward from Collins (H.W. School) in Chicago, IL.

June 3-6 -- NCAA Championships, Baton Rouge, LA

BASEBALL ENDS AT 36-25

Minneapolis, MN---In the beginning, particularly after the first game, little on the positive side was expected from the 1987 U. of Minnesota baseball Gophers. Minnesota lost its season opener 18-1 to Nebraska at the Metrodome.

But when the season ended last Saturday IN Palo Alto, CA, another winning chapter had been added to Minnesota's rich baseball heritage.

Although the season ended on sour notes--losing all four games in Big Ten and NCAA Regional tournaments--the Gophers ended up with a 36-25 season record marking the 25th consecutive winning campaign in UM baseball history.

Included was a repeat as champions of the Big Ten's West Division with a 12-4 conference log, a seventh straight trip to the Big Ten playoffs, and the school's 15th appearance at an NCAA regional.

It also marked the sixth straight year in as many tries that a team headed by head coach John Anderson had won some form of Big Ten championship (two conference titles outright and four West Division crowns). It was also Anderson's third trip to an NCAA regional.

In fact, Minnesota's final win of the season, a 7-0 decision against Augsburg (MN) College May 12, was Anderson's 200th career coaching victory making him, at age 31, the youngest NCAA Division I head coach to reach that milestone. Anderson's six-year record now reads 200-130-1 (.606%).

Minnesota played in one of the strongest of the eight regional fields last weekend. Host Stanford drubbed the Gophers 12-1 the first day before Minnesota was eliminated in its next outing by Oral Roberts, 7-0.

The latter decision was ONLY the second team Minnesota was held scoreless all season. The other blanking was recorded by UCLA at the Gophers WHEATIES Tournament of Champions in the Metrodome. The Uclans won that outing 2-0.

BIG TEN CHANGES BSB FORMAT

5/16/87

Minneapolis, MN---After using a 16-game, division-play baseball format the past seven seasons, the Big Ten has decided to return to a single regular season champion, a 28-game league schedule plus conference playoffs beginning in 1988.

One reason for this move is to give Big Ten teams a better chance at gaining at-large bids to NCAA post season play. Since the league was separated into East and West divisions in 1981, only once, this spring, were more than two teams invited to NCAA regionals. In fact, on three occasions--1983-84-86--only the Big Ten playoff champion received a bid, which is automatic.

"Maybe under our new format teams finishing second, third or fourth in the conference playoffs will increase their chances of getting into the NCAA tournament," says Purdue baseball coach Dave Alexander.

Beginning in 1988, teams will continue to play four games against their former "division" opponents. That means Minnesota will again play four games against Illinois, Iowa, Northwestern and Wisconsin.

Then each conference team will "cross over" and play three of the five schools previously in the opposite division. Next spring Minnesota is scheduled to play four-game series against Michigan, Indiana and Purdue. After a two-year, home and home series, cross-over opponents will be totaled.

Set pairs of "interdivision" rivals will continue to play each year. That means Minnesota will always play a series against Michigan, with Purdue each year facing Illinois, Iowa playing Indiana, Ohio State playing Northwestern and Michigan State playing Wisconsin.

Another key point in this move is to increase the number of games Big Ten teams play against NCAA Division I schools. "For Iowa and Minnesota it has always been tough as there are not many Division I opponents close to these schools," Alexander continued.

One item will remain constant...the playoffs. Beginning next spring, it is now scheduled for the top four teams in the final regular season Big Ten standings to meet at the site of the school with the best record for a double elimination tournament. The playoff champion will receive the automatic bid to the NCAA tournament.

The Big Ten produced six NCAA baseball champions from 1953 to 1966, but none since Ohio State's 1966 national championship team.

INDIVIDUAL STANDOUTS

Although coaches stress the theme "team" rather than individual accomplishments, performances by the latter always stand out.

For starters, sophomore outfielder Jay Kvasnicka (kwas-NICK-ah) (Delano) captured the 1987 Gopher batting title with a .368 average for all games played. Kvasnicka was originally slated for spot duty as a reserve, but took over early in center field when soph starter J.T. Bruett (Oconomowoc, WI) was sidelined twice by a hamstring pull. After batting above the .400 mark through the middle of the season, Kvasnicka became the starting left fielder after Bruett returned.

One of two Gopher seniors, right fielder Tom Ward (Richfield) ended second in hitting with a .349 average while the other senior, catcher Mike Halloran (Edina), finished with a career best average of .341 at the plate.

Junior third baseman Jeff Goergen (Owatonna) established a pair of individual Minnesota records this spring. Goergen bettered his own mark of 197 official at bats set last year by going to the plate 202 times this spring. He also broke the record of games played in a season by appearing in all 61 Gopher contests this year. He averaged .337 by banging out a team high 68 hits.

The previous mark of 58 games played was set last year by Tim McIntosh. The 61 games is also a Minnesota team high.

Freshman pitcher Denny Neagle (NAY-gul) (Gambrills, MD) ended with the lowest earned run average, 3.45, among players who hurled more than 40 innings. Neagle's record ended at 2-2 with one save thrown in. Junior Mike Pavelka (Minnetonka) was next with a 3.79 mark and a 5-3 record after pitching for the first time in two years following a pair of shoulder surgeries.

Sophomore Shane Kangas (Anoka) was the most active Gopher pitcher. He appeared in 20 games, earned a team high nine wins against only two losses and had three saves as a reliever. Kangas, however, also set a UM record by giving up and all-time high 98 hits while pitching 73 and 1/3 innings.

Sophomore Steve Fregin (fra-GEEN) had the best Gopher record, six wins against one loss, to go with a 3.92 ERA. He recorded a pair of 1-hitters in Big Ten play.

Strangely enough, not a single UM player made the All-Big Ten first team as chosen by the coaches. Further, only Halloran made the second team, while Pavelka, who led the conference with a 4-0 record and the lowest ERA, 1.08, only made the third team along with Kvasnicka, junior first baseman Paul Weinberg (St. Paul Cretin) and freshman second baseman Brian Raabe (New Ulm). Fregin, who ended 3-0 with a 1.30 ERA in Big Ten play, was not mentioned.

Raabe also set a UM standard by participating in 35 double plays. The Gophers set a new team high in double plays with 67.

ANDERSON ON THE '87 SEASON

"We kind of found out the hard way that we were not ready to step up to the next level with our performance at the NCAA regional," the coach offered.

"At the same time, this team came much further than I had originally anticipated. Of the 25 players we took to Texas and Arizona on our spring trip, 19 were freshmen and sophomores. That was the main reason we ended 2-10 down there.

"In that sense we didn't really know what to expect this season. I can tell you now, however, that I am awfully proud of the way these players came along. There were a number of times we could have hung it up. But they never quit battling and were certainly a representative Minnesota team.

"Now the challenge is can we improve to that next level. All but two of our players return. What these men do to improve themselves this summer and next fall and winter will decide just how good we can be in 1988. I believe they will pay the price to make that improvement, too. If everybody stays healthy, we could really have something going next spring. I wish the 1988 season started tomorrow."

SVENSSON UPSETS MCENROE IN FIRST ROUND OF NCAA TENNIS: LOSES NEXT ROUND

Gopher sophomore Jonas Svensson (Vetlanda, Sweden) upset #10 seeded Patrick McEnroe of Stanford 6-4, 6-4 in the opening round of the NCAA singles championships last week in Athens, Georgia.

The unseeded Svensson, Minnesota's only singles competitor in the NCAA's, lost his second round match to Scott Warner of Nevada-Las Vegas 7-6, 6-4 and was eliminated from the tournament.

Svensson closes the season 31-16 overall. Coach Jerry Noyce's Gopher team was 15-17 in duals this year and finished runnerup to Michigan at the 1987 Big Ten Championships losing 5-2 May 10 at 98th Street Racquet Club.

MINNEAPOLIS, MN -- Coming off their second consecutive Bowl Game, enthusiasm for the Minnesota Golden Gopher Football Team has blossomed, and, according to Gopher ticket manager Ken Buell, the interest has manifested itself in another banner year of season ticket sales. "We are beginning to operate routinely at what used to be considered record levels," Buell said "The old record of 44,209 set in 1958 was topped in both 1985 (49,930) and 1986 (44,533) and we hope to go over it again this year."

At last count, season ticket sales were quickly approaching the 40,000 mark again. However, the sale of season tickets ends June 30 for the general public and University of Minnesota staff. University of Minnesota students have until the beginning of classes next Fall to order season tickets.

Buell believes that a more enthusiastic student body is one of the reasons sales have been brisk. "Nearly 5,000 student tickets were sold in the Spring Early Bird Sale, making it one of the best Spring sales ever," he said, "If we go over the 10,000 mark, it will represent the best student sale since 1969, when 10,302 were sold."

The rise in student ticket sales the last two years is consistent with the general trend of increased attendance. "From 1974 to 1984, student season ticket sales for football averaged 4576," Buell explained, "During 1985 and 1986 sales averaged 8,768 and early indications are that we will exceed that level this year. Student interest has not been this high in nearly 20 years."

The general public is encouraged to buy season tickets by the June 30 closing date in order to ensure seating for projected early sellouts Michigan(Nov. 7) and Wisconsin(Nov. 14). Individual game sales for both home and away begins July 1. In addition to the Michigan and Wisconsin games, the Minnesota/Iowa tilt Nov. 21 in Iowa City is also expected to sell out quickly. A limit of four tickets has been imposed for the Iowa game, and Minnesota residents will receive preferred status for all sales.

Price of a general public season ticket is \$105.00 and includes all seven dome games: Sept. 12 vs. Northern Iowa; Sept. 19 vs. California; Sept. 26 vs. Central Michigan; Oct. 3 vs. Purdue; Oct. 17 vs. Indiana(Homecoming); Nov. 7 vs. Michigan and Nov. 14 vs. Wisconsin. Student tickets are priced at \$42.00.

Buell said that attendance for 1987 is expected to exceed the 55,600 average per-game of the 1986 season. More ticket information is available by calling (612) 624-8080.

June 8, 1987 FOR IMMEDIATE RELEASE:

GODKIN NOMINATED FOR BIG TEN ATHLETE OF THE YEAR AWARD

Collin Godkin, one of the premier gymnasts in University of Minnesota history, has been nominated by the Golden Gophers for the 1986-87 Big Ten Conference Athlete of the Year Award.

A senior from West Allis, Wisconsin, who earlier had been named the U of M's Big Ten Conference Medal of Honor winner for 1986-87, was the captain and lead gymnast on this year's Gopher squad.

Godkin capped off his last year in Big Ten competition by dominating the field and winning the all-around title by close to five full points over runnerup David Romero of Illinois. He also won individual championships on the horizontal and parallel bars at the Big Ten meet and was the outstanding individual competitor in 1987.

He was a finalist for the Nissen Award given to the top senior student-athlete in Division I gymnastics this season. Godkin was one of the pre-meet favorites at the NCAA nationals in Los Angeles, but an ankle injury on the third event prevented him from earning all-american honors in the all-around and bar events. His performance was missed for the Golden Gophers in the team competition as well with Minnesota finishing 9th nationally in the team event. With a healthy Godkin, the Gophers may have placed in the top five at NCAA's.

A two-time USA National team member, Godkin was the seventh ranked US gymnast last year and competed in the Goodwill Games in Russia. He has been to competitions all over the world and following rehabilitation from his broken ankle will be back in time for next fall's national meets. He is a possible Olympic candidate for the 1988 Summer Games in Seoul, Korea.

Collin earned four varsity letters at Minnesota and was a member of Fred Roethlisberger's 1984 Big Ten championship team and the 1984,85 and 1987 NCAA qualifying Gopher squads. He has been an All-Big Ten academic selection and carries a 3.0 and above GPA in Food Engineering at the U of M.

GISSSELQUIST 18th at NCAA's 10,000 METER RUN

Minnesota's lone NCAA track qualifier, co-captain Paul Gisselquist (Sr. Richfield, MN) finished 18th in a highly competitive field last weekend in Baton Rouge, LA. Gisselquist ran a 30:55.95 in the heat at LSU to finish well behind winner Joe Falcon of Arkansas (29:10.66). Gisselquist was a fifth place Big Ten finisher in the 10,000 and qualified based on his 28:59.0 time at the Penn Relays in April. Next track competition for the Golden Gophers will be at the TAC Outdoor Championships in San Jose, CA (pending qualification).

BRAUN NAMED DISTRICT FIVE AT-LARGE ACADEMIC ALL-AMERICAN

Golden Gopher gymnast Steve Braun (Sr. pommel horse, Bloomington, MN) has been named to the District Five GTE Academic All-American five man honor squad. The two-time pommel horse all-american has a 3.79 GPA in Biology and was selected for the honor squad based on a vote college Sports Information Directors in the states of Illinois, Minnesota, Wisconsin, and the Dakotas.

Braun will be on the national GTE Academic All-American ballot that will be selected later this month. He was a member of the All-Big Ten academic team selected earlier this year by the conference Service Bureau.

TENNIS AWARD WINNERS ANNOUNCED: MERZBACHER ENDS CAREER WITH A 137-45 RECORD

Jonas Svensson (So. Vetlanda, Sweden) was named the Gophers tennis MVP for the 1986-87 season to highlight the awards won at the annual awards banquet last weekend. Svensson, Minnesota's lone NCAA singles qualifier had a 30-15 overall singles record and was named All-Big Ten.

Chuck Merzbacher (Sr. Findlay, Ohio) was named the Louis Ratner Memorial Award winner for outstanding contributions. He closed his four year tennis career at the U with an all-time high record for wins - 137 - . Merzbacher was a three-time All-Big Ten selection and closed with a 137-45 record in singles and had over 80 career doubles wins.

Other Gopher tennis award winners were sophomore Duke Uihlein (So. Lake Forest, IL) who earned the Jerry Noyce-Nike Award as the most improved player. Uihlein was 23-14 overall in singles and was an unbeaten 9-0 in conference play. Senior Gary Aasen (Fridley, MN) was named the winner of the teams Unsung Player Award.

Minneapolis, MN---Mike Halloran, senior catcher from Edina, was named recipient of the Dick Siebert Most Valuable Player Award at the annual U. of Minnesota GOPHER DUGOUT CLUB baseball awards banquet held Wednesday at Dahlgreen Golf Course in Chaska.

Halloran, a four-year regular, won the honor by a vote of his teammates. In the recently completed season, Halloran enjoyed his best college year hitting .341. He led Minnesota in Big Ten play with a .380 average and was named to the All-Big Ten second team.

Also at the banquet, three juniors were named tri-captains for the 1988 season. Voted to lead next year's Gopher team are third baseman Jeff Goergen, Owatonna, pitcher Mike Pavelka, Minnetonka, and first baseman Paul Weinberg, St. Paul. Pavelka is a graduate of Hopkins High School while Weinberg is from Cretin High.

Pavelka received two additional awards as he was voted the Dave Winfield Pitcher of the Year trophy by his teammates, and was also presented the David Chelesnik, Jr. Memorial Award for courage, dedication and perseverance.

Pavelka returned to the Minnesota lineup this season after being out most of the last two years following shoulder surgeries. He led the Big Ten in pitching with a 4-0 record and a conference low 1.08 earned run average.

The Paul Molitor Batting Champion Trophy went to sophomore outfielder Jay Kvasnicka, Delano. Kvasnicka led his teammates with a .368 batting average on 43 hits in 117 at bats in 43 games.

Sophomore pitcher Steve Fregin, Randall, was named winner of the Dugout Club Player of the Year award while junior outfielder Bruce Bates, Owatonna, received the Paul Fortin Scholarship/Athlete award. Fregin, a graduate of Little Falls High School, pitched two 1-hitters this season, while Bates has compiled a 3.46 grade point average majoring in Recreation.

The final honor presented was the Goerge Thomas Most Improved Player Award as voted by members of the coaching staff. It went to sophomore pitcher Shane Kangas, Anoka, who had the most wins with a 9-2 season record and also recorded three saves. Kangas is a graduate of Frazee-Vergus High School.

Pavelka, Weinberg, Kvasnicka and freshman second baseman Brian Raabe, New Ulm, joined Halloran on the All-Big Ten third team.

Raabe this week received an additional honor when he was named to the All-Mideast Region first team by the College Baseball Coaches Association.

Minnesota compiled a 36-25 season record in 1987 marking the 25th consecutive winning year for Gopher baseball. UM also won the Big Ten West Division championship, and competed in both the Big Ten playoffs and the NCAA West I Regional, the latter at Palo Alto, CA.

TO: Midwest and National Media Representatives

SUBJECT: 16th Annual Big Ten Kickoff Luncheon

You and members of your staff are cordially invited to join us for the 16th annual Big Ten Football Kickoff Luncheon and activities, Thursday and Friday, July 30-31 at the Hyatt Regency Chicago Hotel.

Those of you that attended previous luncheons will agree that this is a most entertaining and informative session. The primary goal of this official "kickoff" of the 1987 football season is to provide you, our good friends in the media, a mid-summer opportunity to meet, interview and socialize with coaches, administrators and players. The enthusiasm with which this event meets, and the cooperation of the coaches, has been extraordinary. Many writers and broadcasters comment on the excellent interviews recorded during the event.

Enclosed is a kickoff luncheon reservation form and questionnaire that is to be returned to the Big Ten office by Thursday, July 23. This will help assure your attendance at this year's affair.

Please read through this information carefully, and should you have any questions, please don't hesitate to call us with such. We have attempted to maximize the time allowed for newspaper, radio and television media members to conduct their players and coaches interviews. You will receive a more detailed itinerary when you arrive.

HOTEL REGISTRATION: Enclosed is a hotel reservation card for the Hyatt Regency Chicago. Room rates for singles and doubles are \$73.00. Please return this card to the Hyatt no later than July 10. The Big Ten cannot be responsible for making your hotel reservations. Those having to check out of the hotel before the luncheon can leave their luggage at the bellstand opposite the registration desk. There will be a media "workroom" in Skyway 277 (adjacent to the registration desk). Writers that have checked out but need to file stories on deadline can use this room to write in.

TICKETS/REGISTRATION: Media members will be able to register for the press conferences, and receive school media guides and a complimentary luncheon ticket, starting Thursday, July 30 at 11 a.m. in the Big Ten kickoff luncheon headquarters in Columbus Ballroom "G". This area is located on the lower level of the Hyatt Regency East Tower.

A limit of three complimentary luncheon tickets per media outlet will be issued. Additional luncheon tickets for family members and/or friends can be purchased for \$25.00 each. Please note on the registration form names of additional working media.

All media members in attendance at the luncheon will receive a set of Big Ten football media guides, including the 1987 Big Ten Football Yearbook and 1987-88 Big Ten Men's Records Book. These will be distributed in Columbus G.

INTERVIEW SESSIONS: A somewhat different method of coaches and players interviews will be followed in 1987. All media members are asked to gather in Columbus Ballrooms A-B-C-D Thursday, July 30 at 2 p.m. for an orientation session and welcoming remarks from Commissioner Wayne Duke. Interviews will get underway at 2:30 and conclude by 5:30 p.m.

On Thursday, each head coach will make separate 15-minute presentations to writers and radio broadcasters. When coaches are not making a presentation to either of these two groups, they will be available for television interviews.

Television sportscasters should note that all coaches and players will be available for interviews on Thursday only.

Friday's "one-on-one" interviews will be different than previous luncheon interview sessions. Coaches and players will be available for individual feature-type sessions from 8:30-11:00 a.m. Print media will gather in Columbus A-B-C-D-E-F for "one-on-one" interviews; radio broadcasters in Columbus I-J-K-L. Players and coaches will be seated at individual tables. Media members can visit with whomever, and for as long as, they want. Illinois, Indiana, Iowa, Michigan and Michigan State players and coaches will be with the print media from 8:30 to 9:45 a.m. Players and coaches from the other five schools will meet with radio broadcasters at the same time. From 9:45 to 11:00 a.m., players and coaches will switch rooms. No interviews have been scheduled or will be conducted after the luncheon.

87-88 CAGE, ICE SCHEDULES RELEASED

Minneapolis, MN---The 1987-88 University of Minnesota varsity basketball and hockey schedules were released this week by the Men's Athletic Department.

Basketball will play 29 games under second year head coach Clem Haskins. Minnesota opens the season with an exhibition game at Williams Arena Nov. 23 vs. Brandon (Can.) College.

The Gophers appear at Williams Arena 17 times this season, including nine games against Big Ten opponents. Home non-conference games in December are against Drake, Western Illinois, Toledo, Houston, Marquette, Bethune Cookman and Grambling State.

Road games the same month include trips to Colorado State, Ball State and Wichita State. The Big Ten portion of the schedule begins at home against Illinois Jan. 7.

Hockey head coach Doug Woog, who led his first two teams to the NCAA Final Four championships, faces a 39-game schedule beginning with the Hall of Fame Game in Eveleth against St. Cloud State Oct. 3.

The Gophers then open Western Collegiate Hockey Association (WCHA) competition Oct. 9-10 at Colorado College.

Minnesota plays a double round robin 28 games against WCHA opponents, and seven more games which count in the league standings against teams from the Hockey East Association (HEA).

The remaining non-conference games include a single Mariucci Arena outing vs. the U. of Alaska-Anchorage Nov. 20, and two games against the 1988 U.S. Olympic Team. The Gophers meet Team USA Nov. 10 at the Met Center, and Dec. 31 at Mariucci Arena. Minnesota has scheduled 19 home games.

A new hockey playoff format is being discussed by the WCHA. If approved, it would call for the first round to use a best two of three games series as opposed to the two-game, total-goal series format of the past.

The four survivors of the first round would then meet at in a single elimination series to determine the 1988 WCHA playoff champion. If the new format is approved, a site for the latter series will be selected in the near future.

FOOTBALL CAMP OPENS FOR NEWCOMERS AT U OF M

FROM THE UNIVERSITY OF MINNESOTA

More than 40 newcomers will open fall football camp at the University of Minnesota next Monday as second-year coach John Gutekunst signals the start of preparations for the 1987 season.

That initial group of prospects will include 24 freshmen scholarship players and 18 walk-on candidates. They will work without pads until the veterans join them at the end of the week.

Those returnees should number nearly 100, and they are scheduled to report on Friday, August 21, for "Press Day" activities before actually beginning drills on Saturday.

The initial four days of practice are designed to offer new players an opportunity for orientation and a chance to learn something about the University of Minnesota system before the veterans arrive.

Then the entire squad will go through several days of preliminary work before they all don pads the middle of the second week and begin preparations in earnest for the '87 season opener against Northern Iowa on September 12.

A total of 41 lettermen are expected to be among the second group of Golden Gophers reporting to camp, and those gridgers will form the nucleus for the 1987 U of M contingent.

Offensively things will hinge around the success of fourth-year starter Rickey Foggie at quarterback and record-setting Darrell Thompson at tailback. Foggie is a senior and Thompson a sophomore.

Gutekunst must replace three starters in his offensive line, and he'll start that process with Dan Rechtin returning to a top spot at left tackle (where he was number one in 1985 before being injured) and Troy Wolkow at a guard.

Also listed in the plus column is the return of Chip Lohmiller as Minnesota's kicking specialist. He's been the team's top scorer two of his three years as a Golden Gopher and last year, when setting a new school record with a 62-yard field goal, was a first-team All-Big Ten selection.

Defensively Minnesota will open camp knowing it has to replace nine starters, but there also are some plus signs on that side of things including such people as Gary Hadd at tackle and Jon Leverenz at linebacker.

More than 40,000 season tickets will be sold for the third consecutive year, and that's another first for the University of Minnesota's onrushing football program.

The Golden Gophers will play seven games at home in the Hubert H. Humphrey Metrodome in '87 while attempting to improve upon last year's overall 6-6 record, 5-3 Big Ten log (which brought with it a tie for third place) and gain an unprecedented third straight post-season bowl appearance. (MORE)

NOTE TO THE MEDIA

Minnesota will host its annual "Press Day" on Friday, August 21, at the Hubert H. Humphrey Metrodome in downtown Minneapolis.

Members of the press are invited to assemble in the Viking Lounge at the Metrodome beginning at 2:30 p.m. for a mid-afternoon snack and refreshments.

Coach John Gutekunst will join that delegation at approximately 3:00 p.m. at which time he will discuss the 1987 Golden Gophers and entertain questions from the media representatives in attendance.

The entire group will move to the Metrodome's playing field at 3:45 p.m. where members of this year's squad and members of the '87 coaching staff will be available for pictures and interviews.

FROM THE UNIVERSITY OF MINNESOTA

VETERANS REPORT FOR FOOTBALL THIS WEEK

After "Press Day" activities on Friday, the 1987 University of Minnesota football team....veterans and newcomers...will join forces for the start of practice on Saturday.

Actually more than 40 candidates for Coach John Gutekunst's second Golden Gopher contingent are in camp this week, but that delegation has included freshmen scholarship signees and walk-on players.

Two-a-days will be common in the early going, although no pads will be involved until the middle of next week. And one week from Friday, the Big Ten Skywriters will visit Minnesota's pre-season camp.

A total of 42 lettermen are among the veterans reporting this week, and they hope to lead the Golden Gophers to another winning season and an unprecedented third-straight post season bowl appearance.

Again this year, underclassmen form the largest segment of the more than 90 returning players who start workouts Saturday. The group includes 14 red-shirt freshmen, 39 sophomores, 31 juniors and only 15 seniors.

Last year Minnesota finished the regular season with a 6-5 record and were 5-3 in the Big Ten. That effort brought them a third place tie in the final conference standings with Iowa.

From there the Golden Gophers received an invitation to meet Tennessee in the Liberty Bowl, a decision Minnesota dropped 21-14 to finish the 1986 campaign at 6-6.

Among the veterans being counted on to lead Minnesota this time around are two returning first-team All-Big Ten selections....Darrell Thompson, a sophomore tailback who led the league in rushing a year ago, and Chip Lohmiller, a senior kicking specialist who owns nearly every U of M record and who has led the Golden Gophers in scoring two of the three years he has been at Minnesota.

But newcomers are getting a good look this week, and several of the first-year freshmen are being given a chance to break in early. Several of the red-shirt freshmen also are in that "could help" category. And all of that means Gutekunst and his chargers are approaching the '87 season with renewed hope.

ON THE ROAD WITH THE GOPHERS

An outstanding travel package, featuring the Northwestern and Iowa football games, is being offered to Gopher fans this year. The 1987 Traveling Squad is the first step toward re-establishing Golden Gopher fans' football travel traditions for both regular season and post season games.

The Traveling Squad kicks off with an exciting and nostalgic trip to Evanston, Illinois via Amtrak. The train will pass through the panoramic Mississippi River Valley with its brilliant fall foliage and will be accompanied by Athletic Director Paul Giel and members of the University Alumni Band. The Gopher Victory Train will depart from St. Paul Friday morning, October 9 and will return Sunday, October 11. This portion of the package includes your Northwestern game ticket, round trip AMTRAK transportation with complimentary Friday lunch, two nights lodging at the North Shore Hilton (the Gopher team's hotel), free ground transportation, pre-game breakfast, post-game buffet and celebration, and Sunday lunch aboard AMTRAK.

To close the regular season in style, the 1987 Traveling Squad will head for Iowa on luxury motor coaches for what just might be the biggest game in the Big Ten this year. Departure will be Friday, November 20 with return on Sunday, November 22. Also included is your game ticket, two nights lodging at the Cedar Rapids Holiday Inn or Stouffers Inn, Friday night dinner buffet, Friday night "Back to the Fifties" celebration, Saturday morning brunch, transportation to and from the game, and Sunday morning breakfast.

These trips have the endorsement of the Men's Athletic Department, and we feel that they offer the best in college football entertainment and travel value. The entire package is available for \$550 per person, or the Northwestern Road Trip can be purchased separately for \$350 per person. Due to the limited availability of Iowa game tickets, the Hawkeye Road Trip cannot be purchased separately. Prices are based on double occupancy rates, and significant discounts are available for children under 18 who stay in their parents' rooms.

For information and reservations, call Gopher Tour '87 at (612) 835-7908. Reservations close Wednesday, September 16, 1987, so make your plans now.

FOOTBALL TICKETS

Football season ticket sales remain strong and are projected to reach a total well over 40,000. This marks the third consecutive year that over 40,000 season tickets have been sold. According to Ticket Manager Ken Buell, this is the first time in Gopher history in which that has been accomplished. This year's football season ticket sale will probably be the fourth largest ever.

The public and staff season ticket sales have closed, but the student sale will continue until classes start. The spring sale went over the 5,000 mark for one of the best springs in many years, and if student sales reach the projected 9,000-10,000, it will stand as the best student sale since 1969, when 10,302 were sold.

Single game tickets are on sale now for all games home and away, and tickets remain available for all games except Iowa at Iowa City. Demand for home games is strong with Wisconsin, Michigan and Indiana being the most popular at this point. Tickets are priced at \$15.00, the same as last season, and can be ordered through the Athletic Ticket Office, 516 15th Avenue S.E., Minneapolis, MN 55455. For credit card orders or information, call (612) 624-8080.

GOPHER LUNCHEON

This year's Welcome Gopher Luncheon, sponsored by the Minneapolis and St. Paul Chambers, is on tap Thursday, September 10 in the Hall of Tribes room at the Thunderbird Motel and Convention Center in Bloomington.

Coach John Gutekunst, 1987 University of Minnesota football squad members and members of the Golden Gopher staff will be on hand for the event.

Ray Christensen of WCCO Radio and the veteran "Voice of the Golden Gophers" will serve as master of ceremonies.

A social gathering begins at 11:45 a.m., seating for the luncheon begins at noon and serving at 12:15p.m. For reservations, call 612-370-9153.

BASKETBALL TICKETS

The basketball season ticket sale will open September 1, the same as last year. Last year, nearly 10,000 season tickets were issued, and that level is projected again for 1987-88.

"Actually, we're hoping to top that with a resurgence of student interest," said Ken Buell. "Gerald O'Dell and his staff are making a special marketing appeal to students, and we hope to see their numbers rise as Coach Haskins continues his building program. Public backing has continued to be strong, and with good student support, we can get season ticket sales back to those 12,000 and 13,000 levels that we are more accustomed to. We're going to be a real contender before too long, and solid crowd support can help make it happen sooner."

The price for a public basketball ticket is \$10.00 per game, about average for the Big 10 but up a dollar from last year.

The single game ticket sale will open November 1. This home season will feature NCAA champion Indiana as well as all the other powers in the Big Ten. In addition, the traditional rivalry with Marquette will be revived when the Warriors travel to Williams Arena on December 22.

Tickets will be available for all games with demand heaviest for Iowa, Indiana, Purdue, Illinois, Michigan and Marquette. Special restrictions will apply for Iowa ticket sales and will be explained on the ticket order form.

GOLDEN GOPHER CROSS COUNTRY OUTLOOK

Two-time NCAA qualifier Paul Gisselquist and fellow 1986 cross country co-captain Robert Miller have both graduated, but all other contributors return from the seventh-place Big Ten squad.

Coach Roy Griak's charges will be led by juniors Roger and Frank Bjorkli, twin brothers from Hommelvik, Norway, junior Carson Hoeft from Plymouth, Minnesota, senior Jon Korta from Hales Corners, Wisconsin, and sophomores Chris Harder from Austin, Minnesota and Dan Hebl from Menomonie, Wisconsin.

Prospects are good for the 1987 Gopher cross country team to improve on last year's seventh-place conference finish. The Bjorkli brothers have competed for two seasons and will look for top performances in their junior seasons. Roger and Frank were 39th and 46th respectively at last year's Big Ten meet. Harder was among the top freshman finishers in the conference with a 40th place finish in the conference meet.

Coach Griak and his assistant, Phil Lundin, expect the added maturity to aid the Gophers in the 1987 cross country season, and are shooting for a first division finish in this year's meet. The season gets underway for the Gophers with a dual meet against Iowa at Iowa City on September 19. On October 3, the Gophers will be the hosts of the Minnesota Invitational, featuring some of the top collegiate teams in the country. The Big Ten championships will be held on October 31 at the campus of Indiana University.

M-CLUB LUNCHEONS TO HAVE NEW MEETING SITE

The M-Club will host this year's football luncheon at the Holiday Inn Metrodome. One exception will be the November 6th luncheon prior to the Michigan game which will be held at the Minneapolis Hilton near Highway 280 and Industrial Boulevard.

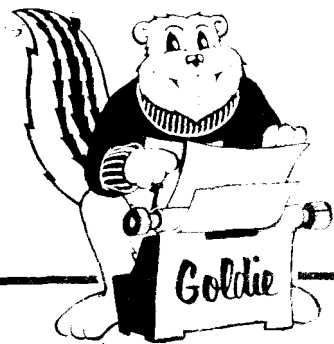

The luncheons will begin at 12:00 on the Fridays prior to home football games. The format will consist of a fabulous meal, highlights from the previous week's game, a question-answer session with Coach John Gutekunst and player guests. Different media personalities will emcee each luncheon. Ample parking will be available at each location.

For reservations call 612-333-4646 at the Holiday Inn Metrodome or 612-331-1900 for the November 6th luncheon at the Minneapolis Hilton.

GOLDEN GOPHERS END FIRST WEEK OF PRACTICE

Pads. They came out of moth balls on Wednesday, and the 1987 University of Minnesota football team got its first taste of real hitting thus far this fall.

Second-year Coach John Gutekunst now plans to send his charges through their initial scrimmage of the year on Saturday, and that will mark the end of the first week of fall drills.

The Golden Gophers got started last weekend with press day activities, and Coach Gutekunst told visiting members of the media that one area of concern was the defense where nine starters had to be replaced.

"We were pleased with the progress the defense made last spring," he said. "now we have to see if they can pick up where they left off and continue to show improvement."

Gutekunst thinks those things will take place, and the secondary in particular, a specific area of concern a year ago, will be improved. "This will mark the first time since I have been at Minnesota that we will go into a season with the same secondary coach (Billy Miller), and that continuity alone should make us better," he analyzed. "Our secondary people are showing much more confidence."

The linebacking corps also seems to be a critical area. "We have Jon Leverenz and Terry Hrycak returning," Gutekunst pointed out, "and that is a plus. Mac Stephens also is coming on strong. That will help our inside situation, but we lack depth and still need help there."

On the outside, two major position changes were made last spring....Ron Goetz and Brian Bonner were moved over from fullback....and the experiment now looks like a stroke of genius. "Neither player has ever played that position in a varsity game," Gutekunst points out, "but both have demonstrated the natural ability to make the adjustment well."

Up front Minnesota also must reconstruct things, and that process will start around returnees Gary Hadd and Doug Mueller. "Both of those veteran players are keys for us," Gutekunst admits, "but they came back in excellent condition. Mueller in particular is an active player who has a way of making other players better."

Gutekunst realizes that his defense will be young, but he's not ready to throw in the towel. "At this point we are not considering that youth a liability," he said. "We feel we have ability there, and we should be provided with an opportunity to show improvement. We'll work towards that end."

**BIG 10 FOOTBALL COACHES TO PARTICIPATE
IN WEEKLY TELECONFERENCES ONCE AGAIN.**

**Coaches Available for 10-minute Media
Interviews Every Tuesday Starting Sept. 8**

SCHAUMBURG, ILL -- Big Ten head football coaches will be available for interviews by newspaper, radio and television representatives on a telephone conference call every Tuesday starting September 8 and continuing through November 17.

Each teleconference will last one-hour, 40 minutes, starting at noon EDT (11 a.m. CDT) and concluding by 1:40 p.m. EDT (12:40 p.m. CDT). Every Big Ten coach will be available for the same 10-minute period each of the 11 Tuesday teleconferences. A time schedule of each coach's appearance is listed below. Please save this schedule!

A taped replay of the teleconference will be provided each Tuesday from 5 p.m. to 6:40 p.m. EDT (4 to 5:40 p.m. CDT) for media members who might not have been able to participate in the earlier session.

The Big Ten Tuesday teleconferences uses services provided by the Darome Company. Media representatives can call in at any time during the teleconference to hear and/or ask questions of a particular coach. By the same token, a media representative can hang up at any time during the teleconference.

A reporter can access this teleconference from any telephone in the world. In order to participate in the teleconference (including the taped replay), a media member must dial the following number: (312) 399-1700. One hundred lines have been reserved each week. For those wishing to participate at the start of the teleconference, it is recommended that you call three-to-five minutes prior to the start of the teleconference.

More than 2,000 calls were placed to the football coaches teleconference last year. Head football coaches and sports information directors established the following protocol to assure smooth running sessions: All participants will be in a "listen-only" mode for the first portion of each coach's presentation. Questions will first originate from Chicago-area reporters and broadcasters. The balance of the coach's 10-minute interview will be a question-and-answer period by the assembled reporters. The Darome system is a "voice-activated" system, which means that only one person at a time can talk and be heard. Reporters must identify themselves and their media outlet in order to be recognized. Darome operators will disconnect any reporter who does not identify himself. The nature and short length of each coach's interview cannot allow for "hometown" features. Big Ten service bureau director Mark Rudner will moderate the weekly teleconferences.

Schedule of the weekly Big Ten football coaches teleconference (including replay time; all times ET):

Noon (5:00)	Hayden Fry, IOWA	12:50 (5:50)	George Perles, MSU
12:10 (5:10)	Earle Bruce, OSU	1:00 (6:00)	Fred Akers, PUR

THIS TELECONFERENCE IS FOR MEDIA USE ONLY! PLEASE DO NOT RELEASE THE TELEPHONE NUMBER TO THE PUBLIC! SHOULD ENOUGH FANS GET AHOOLD OF THE NUMBER, THEN THEY COULD "SHUT-OUT" OR "BLACKOUT" LEGITIMATE MEDIA NEEDING THIS SERVICE.

SIX GOPHERS HOCKEY OLYMPIANS

8/24/87

Minneapolis, MN---Six members of last year's University of Minnesota varsity hockey team were named to the 1988 U.S. Olympic Team last weekend by head coach Dave Peterson, himself a former high school coach in the Twin Cities area.

Five members of the 28-man roster, which will be reduced to 22 players at time of the '88 Winter Olympics held next February in Calgary, Alberta, Canada, have collegiate eligibility remaining.

One former Gopher, center Corey Millen from Cloquet, was a member of the 1984 U.S. Olympic team. Millen, Minnesota's leading scorer the past two seasons, completed his varsity eligibility last spring ending as the third highest scorer in Gopher hockey history with 241 points on 119 goals and 122 assists.

The remaining five team selections could return to campus to complete their undergraduate careers next fall.

Included are seniors to be right wing Todd Okerlund, Burnsville, and goalie John Blue, El Toro, CA. The remaining threesome, who would have been juniors this season, include right wing Tom Chorske, Minneapolis (Southwest), defenseman Todd Richards, Crystal (Armstrong), and left wing/center Dave Snuggerud, Minnetonka.

Okerlund suffered a severe knee injury requiring surgery in the fourth game of the 1987-88 campaign and missed the rest of the season. He thus received an extra year of eligibility under the NCAA injury red-shirt rule.

To be perfectly frank, the loss of the latter four takes a giant chunk out of Gopher head coach Doug Woog's plans for the 1987-88 season. Snuggerud finished third in scoring for Minnesota last season with 59 points (30-29) in 39 games while Richards was fourth (8-43=51) and Chorske sixth (20-22=42). The 43 assists by Richards was a school record for a defenseman.

Woog is serving as an assistant coach with Team USA, made up of American born professional hockey stars, as it prepares for the Canada Cup Series.

Blue finished last year with a 21-9-1 record and a 3.14 goals allowed average and has won more games, 64, than any other goalie in UM hockey history. He was expected to again split the season in the Gopher nets with sophomore Robb Stauber from Duluth.

The 1987-88 Gopher varsity candidates report to camp September 8 to begin preparations for the season opener October 3 against St. Cloud State in the annual Hall of Fame Game at Eveleth.

GOPHERS MAKING PROGRESS IN FALL DRILLS

With the 1987 football season opener less than two weeks away, second-year head coach John Gutekunst is continuing to run his charges through two practices daily, and he hopes it will be enough.

"We're making progress," Coach Gutekunst says, "but what our first scrimmage of fall practice last Saturday told us was that we have a lot of work to do."

The Golden Gophers kick off their '87 season on September 12 when hosting Northern Iowa. Minnesota has, in fact, four straight at home including the Big Ten opener October 3 against Purdue before they hit the road.

And, while that home-field advantage could work in Minnesota's favor, Gutekunst is well aware of how much must be accomplished before the Golden Gophers will be ready.

In that first controlled affair of fall drills last weekend, the defense held the upper hand. And Gutekunst is well aware of the fact that it was a defense which is facing the task of replacing nine starters from a year ago. All of which means that a "re-constructed" defense was far ahead of the offense in the early going.

"There was an inconsistency on the part of our quarterbacks in that scrimmage," Gutekunst said. "We used five different players at that position and never really got things going."

Statistics showed that Rickey Foggie hit only two of six attempts for 27 yards and Alan Holt connected on only one of three for just one yard. Three "newcomers" didn't fare much better. Scott Schaffner was two-of-three for 16 yards while Keswic Joiner missed his lone attempt of the day as did John Bobinski.

In the rushing department, Darrell Thompson picked up where he left off last spring and had 46 yards in nine carries. Marcus Evans contributed 41 yards in eight carries while Gary Getchman notched 34 in 10 attempts and Roselle Richardson got 33 in nine.

That lack of productivity on the part of the offense may go back to what Gutekunst has maintained all fall....Minnesota must replace three starters in its offensive line and that may be a bigger task than the work ahead for the defense.

Gutekunst was not totally displeased, however. "The offense executed well for a first scrimmage," he maintained, "and our offensive backs ran well. And there was some good hitting on both sides of the ball."

It's all part of making progress.

GOPHER TALES.....

Chris Gaiters, Minnesota's promising wide receiver, missed last Saturday's scrimmage due to a bout of asthma. He was expected to be back in pads this week.

Depth remains a major concern for Coach Gutekunst, and he continues to maintain that help in that area is going to have to be provided by newcomers. Those "rookies" are expected to get additional scrutiny this week.

Although there were four fumbles recorded in the first scrimmage, only one went into the "fumbles lost" column. And on the credit side of the ledger, only two penalties were stepped off....both against the offense.

Northern Iowa, Minnesota's opening-game opponent September 12, kicks off its 1987 season this weekend. The Panthers are slated to meet McNeese State in Lake Charles, LA, on Saturday.

Cal Stoll, former Golden Gopher football coach, visited Minnesota's fall camp last Saturday and was invited by Coach Gutekunst to speak to the squad. Stoll, who recently underwent heart-transplant surgery, stressed "being a competitor" to the players. And he made note of the fact that "I'm 38-days old....a miracle from God."

Minnesota is expected to continue with two-a-day practices through the week. A mid-week scrimmage may be on the agenda, and then the final tune-up scheduled for Saturday. After that it will be a matter of making final preparations for the Northern Iowa confrontation.

SPECIAL NOTES TO THE MEDIA:

Coach Gutekunst will hold his first weekly press luncheon next Wednesday, September 9 at 12 noon in the Gold Room at Williams Arena. All members of the press that cover the Golden Gophers are invited. A special telephone interview will be conducted with Coach Darrell Mudra of the Panthers will be made during that luncheon.

The Big Ten Conference will begin its weekly Teleconference next Tuesday, September 8. Coach Gutekunst will be interviewed at 11:20 a.m. (Central time). The number for media representatives to call (BUT NOT RELEASE TO THE PUBLIC!) is 312/399-1700.

Schedule of football coaches teleconference (including replay time; all times ET):

Minneapolis, MN---New playoff formats which go into effect next March were announced last week by the NCAA and the Western Collegiate Hockey Association (WCHA).

The WCHA, of which the U. of Minnesota is a charter member, will consolidate its playoffs from three to two series, while the NCAA will expand its field from eight to 12 teams and be extended from two to three weekends.

The first round WCHA playoffs will again include all eight member schools and, based on the final regular season standings, see #8 play at #1, #7 at #2, etc. These series, however, have been changed from two-game, total-goals to a best of three format.

The four first round survivors then meet in a single elimination tournament Sunday and Monday, March 6-7, at the St. Paul Civic Center to decide the 1988 Association playoff champion. As the latter dates fall during the week of the Minnesota State High School Tournament, also at the Civic Center, officials there are calling it "the biggest week of hockey in the U.S."

The WCHA playoff champion, along with playoff winners from the other three major collegiate conferences (CCHA, HEA, ECAC), receives an NCAA first round bye and is automatically seeded into the NCAA quarter-final round.

Following the respective league playoffs, the NCAA selection committee will choose eight at-large teams, including at least one independent, to make up its first round field. These schools meet on the home ice of the four highest ranked teams. Of the three teams remaining after the WCHA playoff champion has been determined, any or all could be voted into the NCAA first round.

Winners of the latter series then play on the home ice of the four playoff champions in the quarter-finals. Pairings will again be made based on national rankings. Both the last two rounds will use a two-game, total-goal format.

The four survivors then meet at Lake Placid, NY, in the 1988 NCAA Championship Tournament March 31/April 2.

Minnesota, the last two seasons, has finished runner-up in both the WCHA regular season and playoff standings, and ended third at the NCAA tournaments.

Head coach Doug Woog's two-year record of 69-27-1 is believed to have produced the most wins by any NCAA Division I hockey school nationally.

This season, however, may not prove as fruitful as five key Minnesota players, each with eligibility remaining, have been named to the 1988 U.S. Olympic Hockey Team. Included are goalie John Blue, defenseman Todd Richards, and forwards Tom Chorske, Dave Snuggerud and Todd Okerlund. Another player selected, center Corey Millen, was Minnesota's leading scorer the last two years but completed his fourth year with the Gophers last March. Millen also played in the 1984 Winter Olympics for Team USA.

GOLDEN GOPHERS KICK OFF '87 SEASON SATURDAY

Minnesota kicks off its 1987 football season Saturday at 7 p.m. in the Hubert H. Humphrey Metrodome with a non-conference assignment against the University of Northern Iowa.

It will be the first football meeting in history between these two schools, but it will be the first of three-straight non-conference games at home and four straight HHH shootouts overall.

The invading Panthers opened their '87 slate last weekend with a come-from-behind 34-31 victory at McNeese State and thus have the advantage of working out those first-game jitters or mistakes.

While UNI was getting that one game under its belt, Coach John Gutekunst was sending his charges through their final scrimmage of pre-season practice at the Dome.

Overall, Gutekunst felt it was a good session. "Our offensive line blocked well," he said, "and there was some hard running." It had to rank as a pretty good final tune-up.

Gutekunst used several quarterbacks in the scrimmage....none of them were Rickey Foggie who is not expected to play against UNI...and all performed well.

"Our quarterbacks did a good job," Gutekunst said. "Alan Holt and Scott Schaffner ran the offense well. Holt did a good job of reading the option, and Schaffner threw pretty well."

Holt, who was four-of-four in the scrimmage for 41 yards and one touchdown, is expected to start against the Panthers. Schaffner, who was six-of-10 for 95 yards and two touchdowns, has been moved up to the number two spot for Saturday's opener.

Expected to join Holt in the starting backfield are Darrell Thompson who had four rushes for 27 yards in that final scrimmage and Roselle Richardson. Opening wide receivers will be Dennis Carter at split end and Jason Bruce at flanker. But Gary Couch, who had a big day last Saturday, and Chris Gaiters also are tabbed for extensive duty.

Defensively Jon Leverenz who was credited by Gutekunst for being "All over the field" last Saturday will team with Terry Hrycak at the inside linebacker spots, and that should be a plus for the Golden Gophers. Two newcomers...at least to those positions....will open at outside linebacker. They are Brian Bonner and Ron Goetz, pair of converted fullbacks.

The secondary also has some new faces with Charles McCree, Craig Welter, Eddie Miles and Warren Berry possible starters. Up front, Gary Hadd, Doug Mueller and Ross Ukkelberg look like the leaders.

Gutekunst has again tabbed Chip Lohmiller, a Minnesota record-holder, for the placement chores along with Brent Herbel the punting duties. Minnesota fans are expected to see Richardson returning punts again in '87 while Gaiters and Thompson are two probable kickoff return specialists.

Following Saturday's home opener, the Golden Gophers will entertain California and Central Michigan on successive Saturdays before opening the Big Ten season at home on October 3. Then Minnesota makes its first road trip of the year, on October 10, when invading Northwestern.

NOEL JOINS U OF M SPORTS INFORMATION STAFF

Dana Noel, Minnesota's starting cornerback during the 1979 and 1980 seasons, has returned to the University of Minnesota for the 1987 academic year as an assistant sports information director.

Noel, 29, will work closely with the Golden Gopher football program and will be most directly involved with non-revenue sports in his new assignment.

A native of Wheaton, Illinois, Noel had over 100 career tackles and four interceptions during his career at Minnesota. Following his senior campaign, he was named second-team All-Big Ten, and he also earned a Chevrolet Most Valuable Player award for his efforts in the Ohio State TV game during the 1980 season.

Noel spent three years in professional football....including brief stints with Baltimore and Minnesota in the NFL and a season with the New Jersey Generals where he was the starting cornerback.

After one year in the insurance industry, Noel came back to his alma mater as a graduate assistant in football, and most recently has been on the sports staff of KMOJ Radio in the Twin Cities.

Noel has his b.a. degree from the University of Minnesota and also has done graduate level work at the U of M.

HOCKEY OPENS CAMP TUESDAY

9/7/87

Minneapolis, MN---More than 40 candidates for the 1987-88 University of Minnesota varsity hockey team will be on hand this week when the Gophers open fall camp at Mariucci Arena. Squad members report Tuesday for meetings and testing, and begin twice a day practice sessions Wednesday.

Team members will be divided into squads for a pair of intrasquad games during camp leading up to the season opener Saturday, Oct. 3, in the Hall of Fame Game at Eveleth against St. Cloud State. St. Cloud is entering its first season of NCAA Division I hockey competition.

Gopher head coach Doug Woog brings a record of 69-24-1 into his third year as boss of the Minnesota hockey program. His first two teams have provided him with the most wins by any NCAA Division I team the last two years.

Woog has been absent from campus for almost a month while serving as assistant coach to Team USA in the Canada Cup Series.

Included in his campaigns to date are two second places WCHA finishes in both regular season and the playoffs, and two third place finishes at NCAA championship tournaments.

Missing from practice, however, will be five key players who have varsity eligibility remaining. All five--goalie John Blue, defenseman Todd Richards, and forwards Tom Chorske, Dave Snuggerud and Todd Okerlund--have been selected to play for the U.S. Team at the 1988 Olympic Games next February in Calgary, Alberta, Canada.

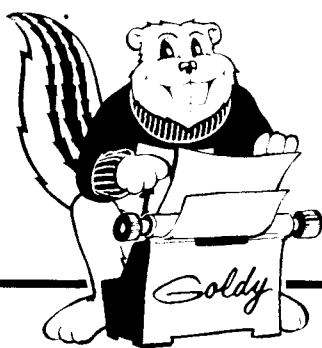

Also missing are six players who, as seniors, completed their college competition last season. Included are last year's No. 1 & 2 scorers, center Corey Millen and wing Steve MacSwain, plus wing Tim Bergland and defensemen Eric Dornfeld, Craig Mack and Gary Shopek.

Leading this year's Gopher varsity are senior co-captains Paul Broten, Roseau, a center and the third Broten to play for Minnesota, and center Jay Cates from Stillwater. Older brothers Neal and Aaron Broten, both NHL centers, played at Minnesota from 1979 through 1981. Neal was also a member of the 1980 U.S. Olympic Team which won the gold medal at Lake Placid, NY.

Lake Placid is the site of this seasons's NCAA championships. The 1988-89 NCAA final will be held at the Civic Center in St. Paul.

Opening WCHA series of the year for the Gophers is Oct. 9-10 at Colorado College.

GOLDEN GOPHERS SEEK SECOND WIN OF '87

Minnesota's Golden Gophers go after their second straight win in the still young 1987 football season Saturday when playing host to California of the Pacific Coast Conference.

Kickoff for that intersectional clash in the Hubert H. Humphrey Metrodome has been moved to 6:20 p.m. and will be part of the Big Ten Conference Television Game of the Week programming.

Coach John Gutekunst's Minnesota contingent will be seeking its second straight triumph in Saturday night's clash after opening the 1987 campaign last weekend with a 24-7 triumph over the University of Northern Iowa.

"We did a pretty good job," Gutekunst said after that win. "Our defense was excellent in the early going, and our offense really got off to a great start."

Those efforts enabled Minnesota to jump off to a 14-0 lead in the first quarter, go ahead 24-0 in the third and coast to the decisive first-game victory....the 12th straight successful opener for the U of M.

"We got into some of those first-game problems later on," Gutekunst admitted, "and then we had some penalties, committed some turnovers and missed some assignments. But overall it was a pretty good opener for us."

Invading California will put a 1-0 season record on the line against the Golden Gophers. The Golden Bears also won their opener 42-0 over the University of the Pacific (the same team that tipped Minnesota a year ago) two weeks ago but then fell 27-25 to San Jose State this past weekend on a last-second field goal.

Minnesota knows it could have its hands full this week, and it knows that the calibre of its opponent will be one grade higher than was the case last Saturday.

The Golden Gophers also know they must go into the game without Rickey Foggie who will be sitting out the second game of his two-game suspension from the NCAA.

And that means that Alan Holt again will be at the controls for Minnesota. For Holt it will be the third start of his career at the U of M (he started the Michigan State game two years ago when Foggie was injured).

Last week against UNI, Holt held up well. He rushed 12 times for 44 yards but lost 22 on sacks to finish with 22. He also hit five-of-12 passes for 63 yards. And he did not throw an interception.

Perhaps more critical would be the health of fullback Roselle Richardson who turned an ankle early in the opener. His availability remains a question for invading Claifornia. If not ready, Richardson would be replaced by Ed Penn.

One Golden Gopher that IS healthy is Darrell Thompson, Minnesota's premier tailback who rushed 22 times for 156 yards and three touchdowns in the opener. It was the seventh 100-yard game of his career at the U of M.

Defensively Jon Leverenz, who had five solo tackles and five assists (with three tackles for losses of 12 yards) again is expected to lead the way while Chip Lohmiller, who was perfect with three placements and a field goal against UNI, also hopes to keep his string going.

FOR THE LATEST IN GOPHER SPORTS DIAL 612-625-7887.

GOPHER TALES. . .

Coach Gutekunst praised his offensive coordinator, Larry Beckish, for a job well done last week. "Beckish did an excellent job getting Holt and our offense ready for Northern Iowa." Beckish responded by saying, "We just asked our people to play hard, and they did that. I was especially happy that we were able to play as many people as we did, and that we were able to win the first one."

Gutekunst thought UNI was a good opponent. "That was a very scrappy ballclub, and we know they were a much better offensive team than they showed Saturday. Hopefully that was a credit to our defense."

In the turnover department, Gutekunst had a tip-of-the-hat for Frank Jackson who recorded an interception and Doug Mueller who notched a fumble recovery. Jackson is a freshman cornerback who made his first collegiate start against UNI and Mueller is a senior noseguard.

Gutekunst hopes for continued improvement this week, especially from the people who were playing extensively for the first time. "We replaced nine defensive starters and three offensive starters from a year ago," he pointed out. "We were not as consistent as I would like, but I was pleased with the play of our young defensive secondary."

When asked in the post-game press conference what kind of grade he would give his youthful Golden Gophers in their opening game win, Gutekunst replied...."I'd give them a W!"

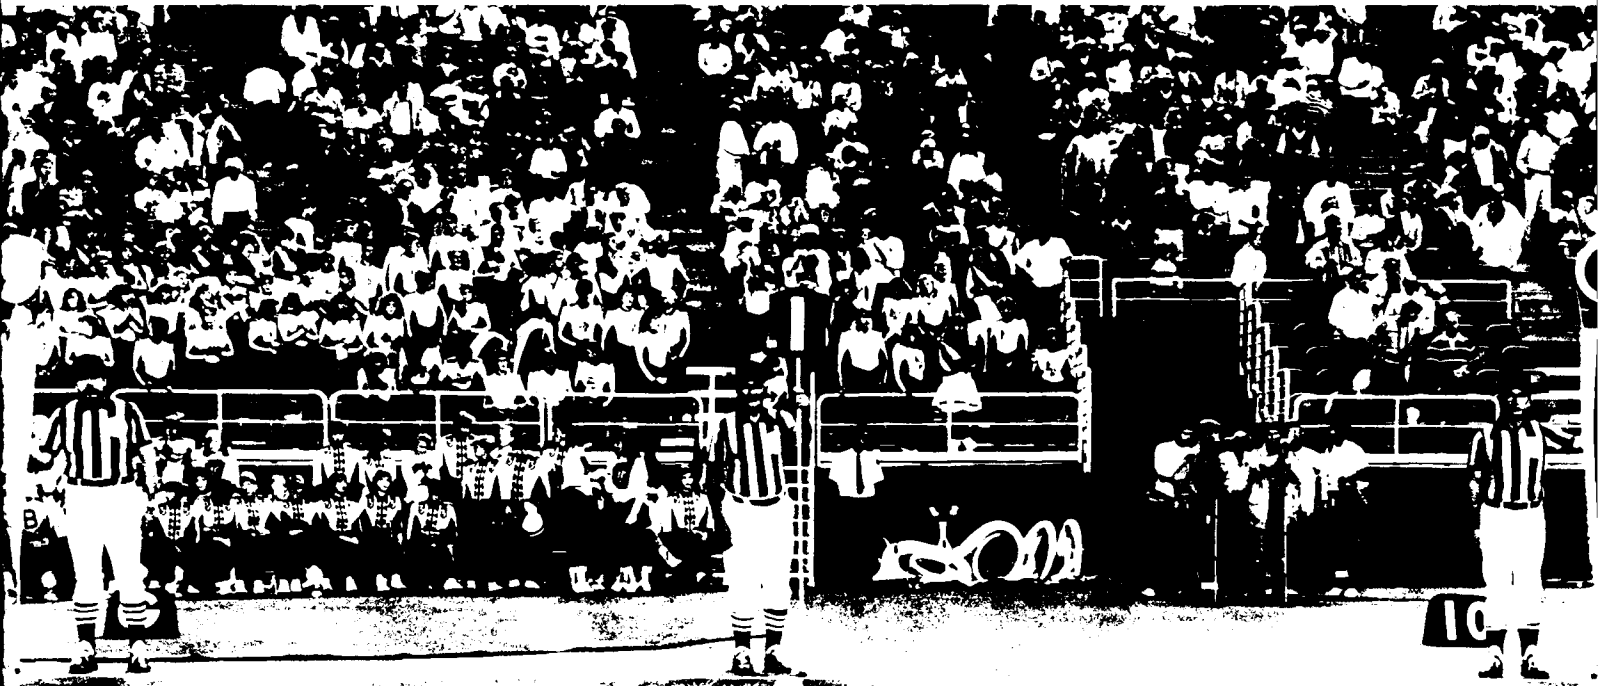

If Roselle Richardson's ankle does not permit him to play Saturday, and Ed Penn moves into the starting spot, Terry Stewart would go onto the two-deep depth chart as the backup at fullback.

Ross Ukkelberg, junior defensive tackle, was expected to be a starter for Minnesota but was held out of the UNI game because of an ankle injury. He's apparently going to be ready for California and will be listed as a backup for the Golden Gophers.

Even with Foggie sidelined, Minnesota's quarterback situation appears sound. Not only did Alan Holt perform well in the opener, his backup....freshman Scott Schaffner....did a superb job. Taking over in the fourth quarter, Schaffner hit three of seven attempts for 60 yards.

MINNESOTA AIMS FOR THIRD STRAIGHT HOME VICTORY

For the third consecutive week, the University of Minnesota will entertain a non-conference opponent at the Hubert H. Humphrey Metrodome, and this time the Golden Gophers will be looking for their third straight victory.

Saturday at 7 p.m. Coach John Gutekunst will send his U of M contingent up against Central Michigan University of the Mid America Conference in a confrontation that will mark the conclusion of the non conference portion of this year's schedule.

The invading Chippewas, idle last weekend, will bring a 1-1 season record into Saturday's game after losing its opener 15-6 to Miami of Ohio and then stopping Idaho 30-18 two weeks ago.

Minnesota, meanwhile, brings a 2-0 mark into the contest following a thrill-packed 32-23 victory over California last Saturday. The Golden Gophers trailed 14-3 at the half, pulled to within three (14-11) at the end of the third and scored 21 points in the final stanza for the victory.

"It was a tremendous win for us and a tremendous effort," Coach Gutekunst said after the game. "We kept coming back, and it is a real tribute to our young team. They really showed some courage."

Defensively, Minnesota's youth showed up early as visiting California held the upper hand. Gutekunst refused to find fault with that unit, however, and instead praised his club for "Staying in the game and continuing to battle back."

If the Golden Gophers had a problem, it appeared to be with its kick coverage unit as California returned six kickoffs for 228 yards....an average of 38 yards per attempt.

"That put a lot of pressure on our defense," Gutekunst pointed out. "It's tough for any defense that has to start every time at the middle of the field."

And he pointed to several defenders who had solid games, who had big plays. Jon Leverenz, sophomore inside linebacker, again was in "double figures" in tackles with 10. He had eight solo hits and two assists, with three of his tackles good for losses totaling five yards. Brian Bonner, senior outside linebacker, also had 10 (9 solo and 1 assist), and he had one quarterback sack for a loss of 16 yards.

Gutekunst had a special tip-of-the-hat for Frank Jackson, freshman cornerback, who had seven tackles. "How about the big play Frank made when he held his position and stopped California's reverse play for a loss of nine yards?"

Offensively there were a lot of Minnesota bright spots. "California took away some of our stuff early," Gutekunst admitted, "but we made some adjustments and tried to stay with our inside game. It all worked out."

Junior Alan Holt again held Minnesota's quarterback reins and rushed for 43 yards in 10 carries while hitting 11-of-21 passing attempts for 129 yards and one touchdown.

Ed Penn, a junior who started at fullback, carried 10 times for 54 yards while Gary Couch, senior flanker, had four carries for 11 yards and caught two passes for 34 including the 14-yard TD strike from Holt. But the BIG man offensively for the Golden Gophers was All-America candidate Darrell Thompson who had 156 yards in 18 carries. The sophomore tailback also scored twice.

GOPHER TALES.....

For Darrell Thompson, last Saturday marked the eighth 100-yard game of his career and the second straight this season. He now has 312 yards on the season in 40 carries for an average of 7.8 per attempt. In his two-year career, Thompson has 257 carries for 1,552 yards (6.0 per try) and 24 touchdowns (13 rushing and 11 more as a pass receiver).

Chip Lohmiller remained perfect on the season as Minnesota's premier kicking specialist. He was three-of-three in the PAT department for the second straight week and hit his only field goal attempt of the game from 19 yards out. He's scored 12 points (six-of-six PAT's and two-of-two FG) this far in 1987 and has 190 in his four-year career at the U of M.

Jon Leverenz, primary candidate for post-season honors among Minnesota's defenders, leads the Golden Gophers statistically after two games. He has 20 tackles (13 solo and seven assists) with six for losses totaling 17 yards. Brian Bonner is next in line with 16 tackles.

While Minnesota's pass rush has been criticized in the past and it has registered only two sacks in two games, Coach Gutekunst feels that his Golden Gophers are showing improvement. "We put a great deal of pressure on the California quarterback," he maintained, "and we chased him out of the pocket numerous times. We just weren't able to finish him off."

For the second straight week, Minnesota used a lot of players, and that has been pleasing to Gutekunst. "We are developing some pretty good depth at a number of positions," he pointed out.

Two key names added to the depth chart this week were Roselle Richardson at fullback and Rickey Foggie at quarterback. Both were listed at the number two spots early in the week. Richardson injured an ankle early in the opener and did not play against California. Foggie completed his two-game suspension from the NCAA against Cal and now has had his eligibility restored. Both will be welcome returnees for Minnesota.

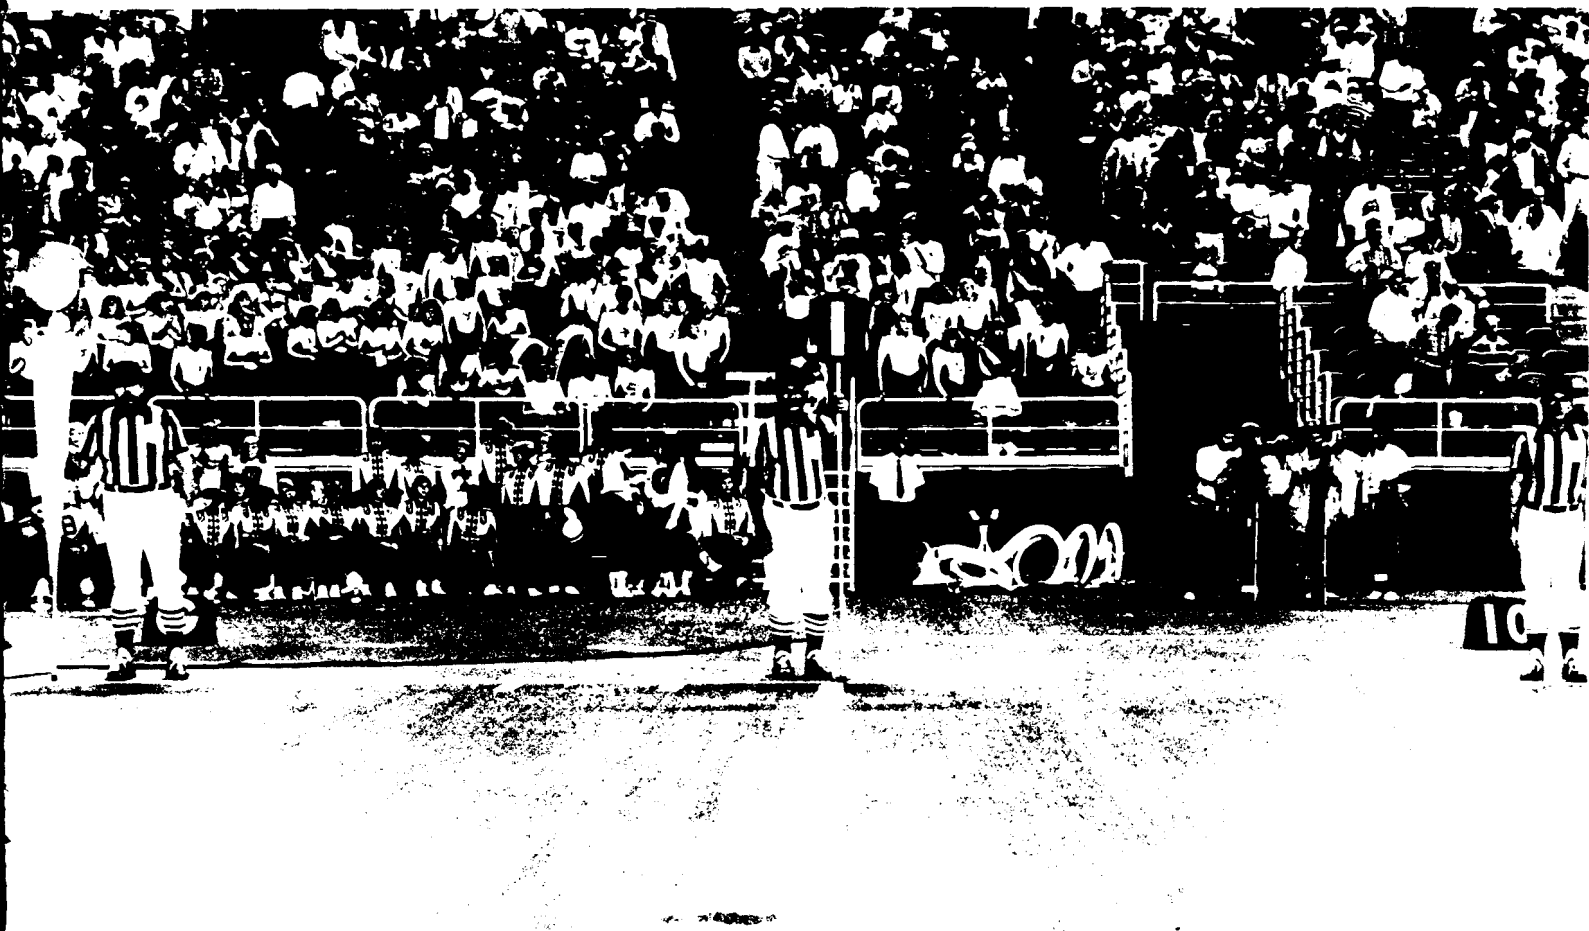

The contest Saturday against Central Michigan will be another "first meeting" for these two clubs. Then Minnesota opens its Big Ten Conference slate the following week by entertaining Purdue. First road game for the Golden Gophers is October 10 at Northwestern.

HOCKEY GAMES SAT/SUN

9/21/87

Minneapolis, MN---After greeting more than 50 varsity candidates at the first on-ice practice session today (Monday), U. of Minnesota head hockey coach Doug Woog will place his charges on public display twice this weekend.

Saturday the Gopher team will assemble for a picture/autograph session at 1 p.m. in Mariucci Arena followed by an intrasquad game at 2 p.m. No admission will be charged.

Then on Sunday, the squad will repeat the same format beginning at 6:15 p.m. at the Bloomington Ice Garden. The intrasquad game is set for 7:45 p.m. Admission is set at \$3 adults and \$2 children.

Woog and Co. have just two weeks preparation prior to the official season opener Saturday, Oct. 3, when the Gophers travel North to Eveleth to meet the St. Cloud State Huskies in the annual Hall of Fame game.

This season marks St. Cloud's first entry into NCAA Division I competition.

The following weekend, Oct. 9-10, finds Minnesota at Colorado College for its first Western Collegiate Hockey Association (WCHA) series.

Woog brings a record of 69-24-1 into his third year as boss of the Gopher ice program. The 69 wins are believed to be the most by any NCAA Division I hockey school in the nation the last two years.

Included are two second place regular season WCHA finishes, two runner-up spots in the WCHA playoffs, and a pair of third place finishes at NCAA championship tournaments.

Missing from this season's roster are four players with undergraduate eligibility remaining. Included are goalie John Blue (El Toro, CA), and forwards Tom Chorske (Minneapolis Southwest), Dave Snuggerud (Minnetonka), and Todd Okerlund (Burnsville). Each is playing this season with the 1988 U.S. Olympic Team.

Okerlund only played in Minnesota's first four games last year before undergoing knee surgery and sitting out the rest of the season. Under NCAA injury red-shirt rules, he could return to play next season.

Minnesota will play exhibition games against the Olympians Nov. 10 at the Met Center and Dec. 31 at Mariucci Arena.

Leading the Gophers in 1987-88 are senior co-captains Paul Broten (Roseau) and Jay Cates (Stillwater). Both are centers.

RICHARDS RETURNS

The U. of Minnesota hockey program recently received a giant bonus when junior defenseman Todd Richards rejoined his teammates.

Richards had been with the U.S. Olympic Team throughout training camp, but was dropped on the last cut along with two other candidates. Richards has enrolled in school this fall and will play his third varsity season in 1987-88.

Last year Richards enjoyed a super campaign by setting an all-time high in assists at UM by a defenseman. He totaled 43 to surpass the previous school record of 42 set by All-American Bill Baker (Grand Rapids) in 1979-80.

Richards added eight goals giving him 51 points on the year, three less than Baker's record total of 54 points in '79-'80.

A junior this season, Richards will return to anchor the Gopher power play from the left point and has more experience than any other other UM blueliner.

GOPHER HARRIERS GET WEEKEND OFF

Minnesota's 1987 cross country team will get this week off before returning to action on Saturday, October 3, when hosting the 13-team Minnesota Invitational.

Expected to compete in that event against Coach Roy Griak's Golden Gophers are South Dakota State, Wisconsin, Penn State, North Dakota State, Iowa State, Nebraska, North Dakota, St. Cloud State, UW LaCrosse, Purdue, Drake, Marquette, Missouri and Augustana.

Griak's contingent opened the season last weekend by tipping Iowa 22-36 in a dual meet at Iowa City behind Frank Bjorkli who finished with a time of 25:42.

Other Golden Gopher placers were Jon Korta in second, Roger Bjorkli fourth, Kelly Griffiths seventh, Carson Hoeft eighth and Chris Harder ninth.

"We were very pleased with our first effort of the year," Coach Griak admitted. "It was Iowa's first loss of the season, and our people deserve a lot of credit. We hope to have a number of fans attending the Invitational in two weeks."

Four teams, including the Golden Gophers, will compete in that annual event. Invading teams will be Wisconsin, Oklahoma State and Louisiana State University.

GOLDEN GOPHERS OPEN BIG TEN SLATE AT HOME AGAINST PURDUE

With three straight non-conference victories comfortably tucked away, the University of Minnesota now kicks off its 1987 Big Ten schedule by entertaining Purdue University on Saturday at the Hubert H. Humphrey Metrodome.

Kickoff for that Big Ten TV Game of the Week is 6:20 p.m., and it will find Coach John Gutekunst's Golden Gophers attempting to improve their perfect 3-0 mark after stopping Central Michigan 30-10 last weekend.

Minnesota hasn't been 3-0 since 1982. In fact it has been 3-0 only twice before in the past 27 years...in 1960 when they won seven straight enroute to a national championship and in 1976.

"The win over Central Michigan may not have been pretty," Coach Gutekunst admitted, "but we'll take it. We're 3-0, and that's exactly where we wanted to be."

Rickey Foggie, Minnesota's senior quarterback who was in the lineup for the first time this season after sitting out the first two games, made his presence known in a big way. Foggie rushed 12 times for 105 yards and a touchdown (33 yards). He also completed eight of 16 passes for 73 more yards.

Chip Lohmiller, senior kicking specialist for the Golden Gophers, also had a big night. He was perfect in the PAT department with three of three and hit three field goal tries without a miss....from 19, 36 and 38 yards.

Defensively, Minnesota also had its moments. Charles McCree, junior cornerback, was credited with eight tackles (three solo tackles and eight assists), and he broke up three passes.

Even more impressive was Jon Leverenz, sophomore inside linebacker, who had nine solo tackles and three assists for a total of 12 hits including one for a loss of one yard. In addition, Leverenz had a pass interception with a return of 34 yards.

"We're pleased with our progress," Coach Gutekunst said. "We hit hard and we were aggressive, but we still have some questions about ourselves. We know we will have to play better to win in the Big Ten."

And that starts with Purdue on Saturday. The Invading Boilermakers will bring a 0-2-1 record into the game after falling to Notre Dame 44-20 last weekend.

"Purdue is a very impressive football team," Coach Gutekunst said. "They were especially solid in the first half of their game with Notre Dame last weekend. It will be a challenging conference opener for us."

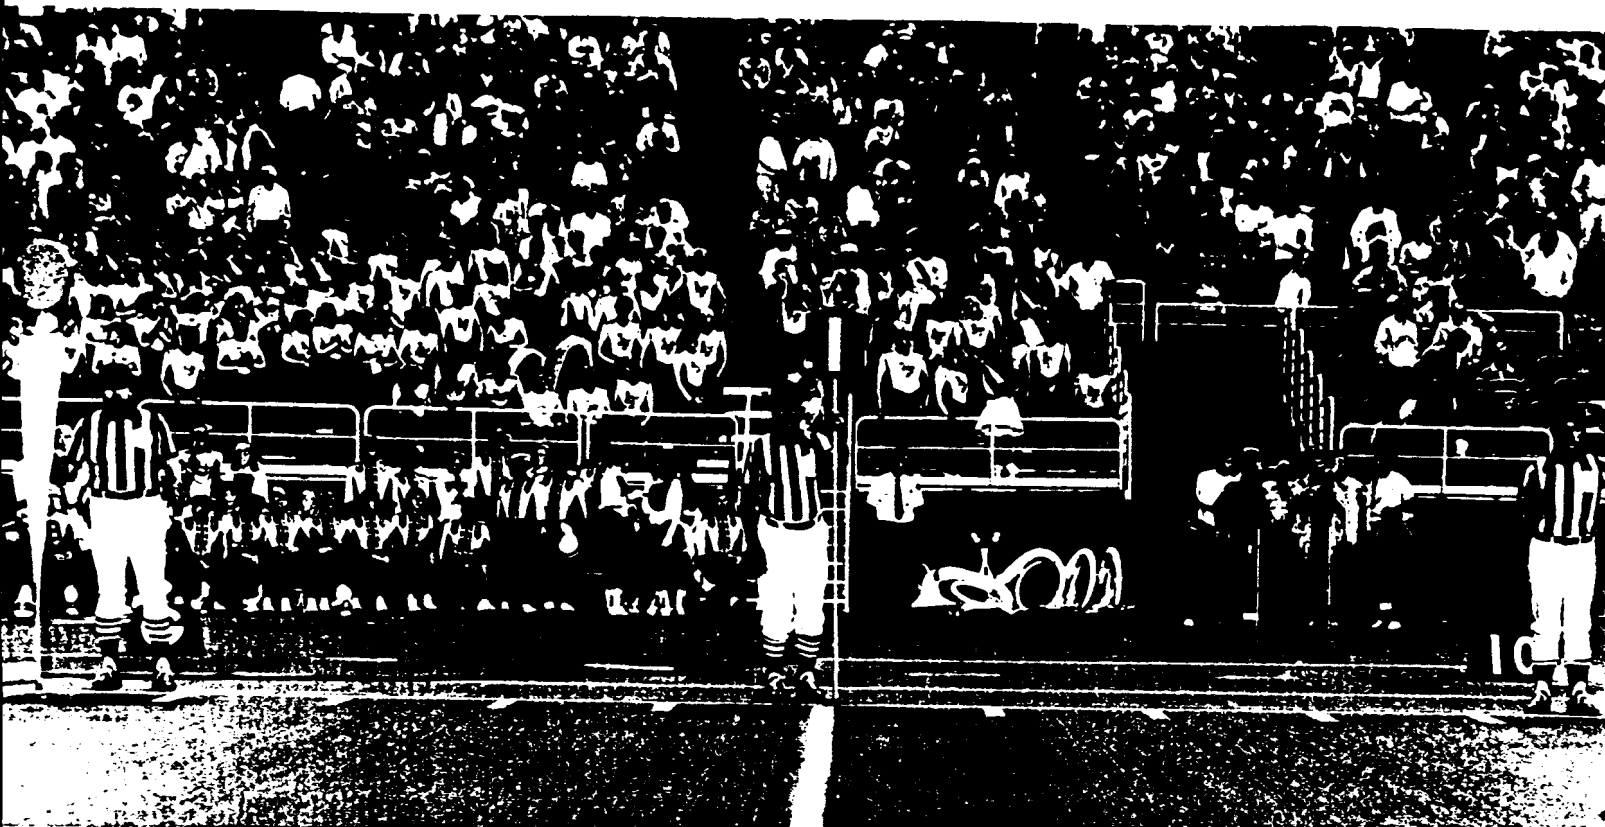

For Minnesota to show the needed improvement this week will take a more consistent effort. "We were too hot and cold against Central Michigan," Gutekunst said. "We didn't sustain our blocks as well as we will need to against Purdue, and we had too many broken plays. We've just got to get better."

One player who has gotten better....perhaps regaining the form of his sophomore season....is senior flanker Gary Couch who had two receptions for 22 yards and rushed for 64 yards in two tries. One of those efforts was a 45-yard touchdown run.

GOPHER SPORTACULAR SLATED OCTOBER 6

On Tuesday, October 6, the University of Minnesota will hold its newly-formatted Gopher Sportacular, a golf and tennis event which has replaced the Wayzata Sportacular on this year's calendar.

The day's events will include golf and tennis at more than 25 clubs around the Twin Cities area beginning at 12:30 p.m. The Radisson South Hotel will be the site of the Sports Forum at 4:30, a social hour beginning at 5:45, a silent auction during that same time period and a dinner at 7:30.

Brent Musburger of CBS Sports will be the guest speaker for the Tuesday evening dinner. "For 15 years the Wayzata Sportacular was our major fundraiser for the Williams Fund," Athletic Director Paul Giel said. "We are hopeful that the new Gopher Sportacular will be equally as productive, and we feel that in Brent Musburger we have not only one of the nation's premier television and radio personalities, but an outstanding speaker as well."

The Sports Forum is an addition to the Sportacular format which will feature several area personalities and provide an opportunity for an exchange of ideas on "Athletics and Academics--A Commitment to Excellence."

Participants will include Dave Mona as moderator, U of M President Ken Keller, Paul Giel, Basketball Coach Clem Haskins and Tennis Coach Jerry Noyce as respondents along with Carl Eller, Jim Kelly, Jaye Dyer and Chip Glaser as panelists.

The Silent Auction will be conducted in the swimming pool area at the Radisson South beginning at 5:45 p.m. About 30 items will be available to bidding participants including trips for two to Phoenix, Los Angeles, Denver, Lake Tahoe and Hawaii via Northwest Airlines.

There also will be limited edition prints from such noted artists as Les Kouba and Ray Whitson, and there will be sets of tickets for such sporting events as the World Series, the Super Bowl, NCAA Basketball playoffs and for the Golden Gophers.

Clubs serving as sites for golf and tennis include Dellwood Hills, Edina, Golden Valley, Hazeltine, Hillcrest, Interlachen, Island View, Lafayette, Mendakota, Midland, Minikahda, Minneapolis, Minnesota Valley, Minnetonka, North Oaks, Oak Glen, Oak Ridge, Olympic Hills, Rolling Green, Somerset, Southview, Tartan Park, Town & Country, Wayzata, White Bear Yacht and Woodhill.

Minneapolis, MN---Head coach Doug Woog opens his third season behind the U. of Minnesota bench Saturday when his Golden Gophers meet the St. Cloud State Huskies in the Annual Hall of Fame Game at Eveleth.

The game will be broadcast in the Twin Cities by WAYL-980 AM radio with the voice of the Gophers, Doug McLeod, beginning his 10th year doing the play by play.

Woog carries a two-year record of 69-27-1 into the contest. The 69 wins are believed to be the most by any NCAA Division I college hockey team in the nation during the last two campaigns.

For St. Cloud State, Saturday's game, a regular season outing for both schools, marks the Huskie entry into NCAA Division I play. Through last season, when St. Cloud reached the national finals under head coach Herb Brooks, Huskie teams had been competing at Division II & III levels.

The biggest problem facing Woog and his staff is paring down his squad to 20 players for the season opener. The Gophers opened camp Sept. 21 with more than 50 varsity candidates on hand.

Missing, however, are four key players with eligibility remaining who are members of the 1988 U.S. Olympic Hockey Team. Included are senior goalie John Blue, senior wing Todd Okerlund, plus junior forwards Tom Chorske and David Snuggerud.

"We got a good look in two intrasquad games over the weekend," Woog said Monday. "I believe the players showed good improvement from game #1 to game #2. We were also encouraged by the overall play of our newcomers."

Asked who will be in goal for the Gophers Saturday, Woog said, "Naturally, we will open up with sophomore Rob Stauber. How he plays and how the game goes will determine how long he stays in. We could give freshman Al Fritzier some time in goal, too.

"But that's about as far as I can go on our lineup at this time. We suddenly came up with a rash of injuries, so I'm not certain who is going to play where."

Definitely out of Saturday's game are senior co-captain and center Jay Cates and junior defenseman Todd Richards. Both suffered ankle injuries last week. Richards recently returned to camp after a tryout with the U.S. Olympic Team.

Two more forwards, sophomore Scott Bloom (shoulder) and freshman Grant Bischoff (achilles tendon), are questionable. Their availability will not be known until later in the week.

Next weekend, Oct. 9-10, Minnesota begins league play with a Western Collegiate Hockey Association (WCHA) series at Colorado Springs. Both those games will be aired in the Twin Cities by WAYL-980 AM and KITN-TV, Ch. 29.

4TH BSB ALUMNI DAY SAT.

Saturday marks the Fourth Annual U. of Minnesota Baseball Alumni Day at Siebert Field on the main campus.

Several events are planned, including an "Old Timer" alumni game (inactive players) at 11:30 a.m., a mini-clinic at 1 p.m., dedication and unveiling ceremonies for the new 36' scoreboard atop the right field wall, and a final alumni game (active players) at 2 p.m. No admission fee will be charged the public who wish to attend.

Head coach John Anderson says a large group of Gopher alumni have indicated they will compete in the games. "It may not provide the purest baseball execution, but hey, these guys come out to have a good time and renew old acquaintances," Anderson said.

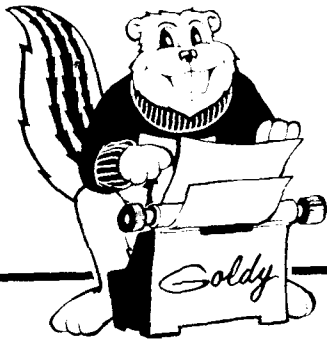

The mini-clinic will be staged for youngsters 14 years and under. Members of the Gopher varsity and coaching staff will go out to all nine defensive positions on the field and offer individual instruction to youngsters in attendance. Each youth is asked to bring his or her own glove.

Following the clinic, an ice cream social sponsored by Kemps Ice Cream will be held with floats for one and all.

Several dignitaries will be on hand for the scoreboard unveiling. Attending will be representatives from the sponsors, including Kemps Ice Cream and COKE. Also there will be individuals from DAKTRONICS of Brookings, SD, manufacturers of the scoreboard.

The day will end with a cookout at the field for all alumni and staff members in attendance.

Minnesota 6-6-0 (5-3-0 Big Ten)

Northwestern 4-7-0 (2-6-0 Big Ten)

ABOUT THE SERIES

Minnesota leads this long series 41-23 in victories. There have been 4 ties. Gopher teams have won the last three meetings following a like number of NU wins in 1981-82-83. Probably the biggest game in this series came in 1936 when NU's 6-0 victory ended Minnesota's longest undefeated streak ever at 28 games. That year, however, UM went on to capture its 3rd straight national championship even though NU won the Big Ten title with a 6-0 record and UM was 4-1. Both teams ended the season 7-1 overall.

ABOUT THE COACHES

UM - John Gutekunst (2nd at UM*)

NU - Francis Peay (2nd year at NU)

Career: 11-6-0, 2nd season

Career: 4-10-1, 2nd year

at UM: 11-6-0

GOLDEN GOPHERS FACE FIRST ROAD TEST THIS WEEKEND

Unbeaten Minnesota takes to the road for the first time this season on Saturday to invade Evanston, IL for a Big Ten Conference assignment against the Northwestern University Wildcats.

Kickoff has been set for 11:30 a.m. in that Big Ten TV game of the week confrontation which will find Coach John Gutekunst's Golden Gophers attempting to improve their 4-0 record.

Minnesota nudged Purdue 21-19 this past weekend in the 1987 season opener and in the process kept its string of victories alive. And it made this year's start the best since 1960 when the Golden Gophers won their first seven enroute to a national championship.

But the two-point win over Purdue last weekend was a toughie. "Maybe it wasn't very pretty," Coach Gutekunst admitted, "but we held on. Give our defense credit for getting the job done in the second half. We just proved once again that if you hang in there, you'll get a chance to win. That's what we did, and we'll take it."

Northwestern, meanwhile, fell 35-18 at Indiana in a game that obviously was much closer than the final score tends to indicate. The 0-3-1 Wildcats had more first downs, led in time of possession and had 397 yards in total offense. Five turnovers, however, proved fatal.

"We know what Northwestern accomplished at the end of last year," Gutekunst pointed out. "They've been struggling a little bit in the early going this season, but had it not been for those turnovers, they could have beaten Indiana. We have all the respect in the world for their quarterback, Mike Greenfield, and we know Coach Francis Peay always has his teams ready to play."

All of which means Gutekunst knows the Big Ten Conference race is on and his youthful Golden Gophers will be making their first road trip of the 1987 campaign.

If it is true that the first time away from home is always the toughest, especially for a young team, then Gutekunst knows it will take a better effort than his U of M contingent used to beat Purdue.

Inconsistency still plagues the Golden Gophers. "We had some of the best football I've seen and some of the worst," Gutekunst said. "We missed some tackles in the first half but then played tremendous defense in the fourth quarter. We moved the ball well but then turned it over...and that's something we haven't been doing."

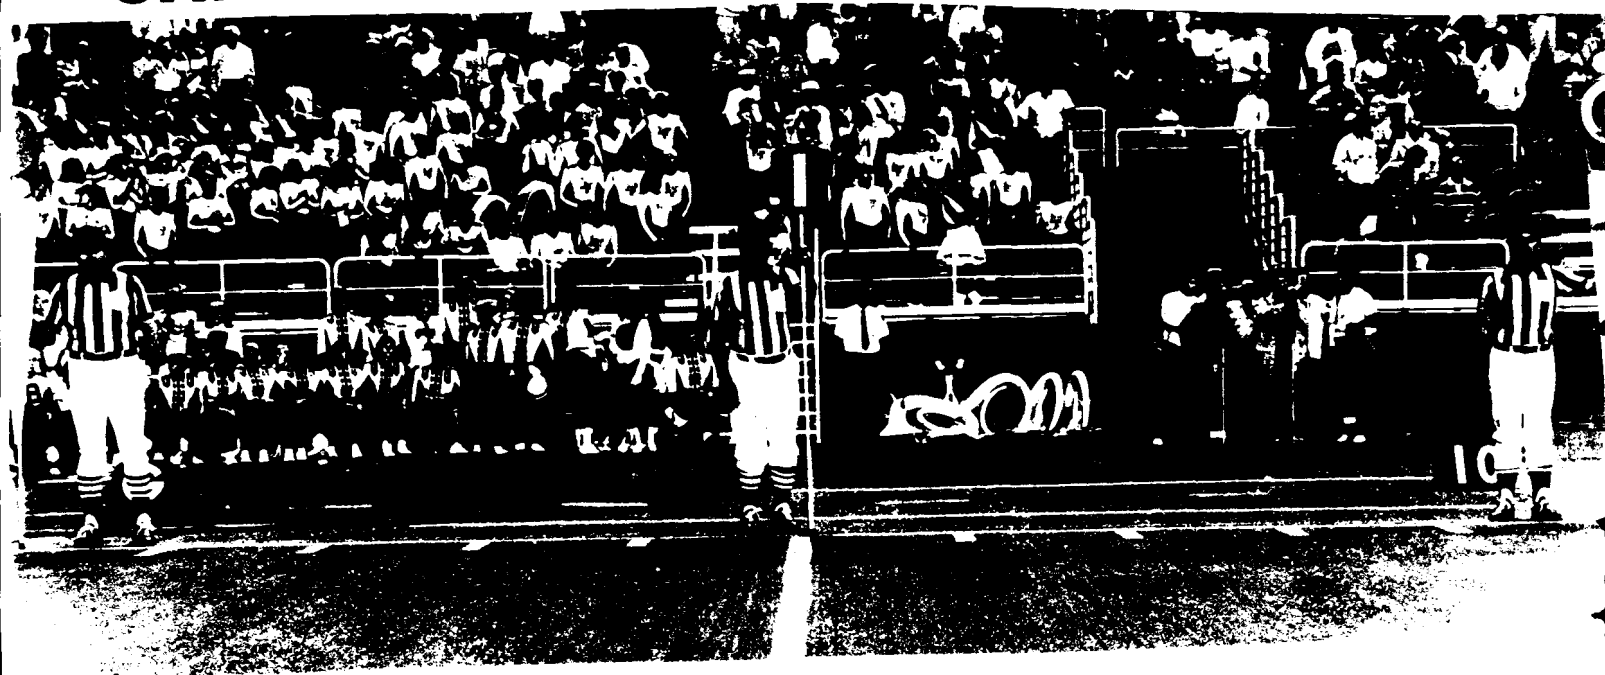

Defensively sophomore linebacker Jon Leverenz stole the show. He had 12 solo tackles and six assists for a total of 18 hits. He had one quarterback sack for a loss of nine yards, broke up one pass and intercepted another.

Offensively senior quarterback Rickey Foggie and sophomore tailback Darrell Thompson were the pace-setters. Foggie rushed 16 times for 56 yards and scored twice. He also hit 12 of 18 passes for 138 yards. Thompson rushed 29 times for 101 yards and a TD.

Minneapolis, MN---The U. of Minnesota hockey Gophers paid a steep price for their pre-season camp, and to win the opening game of the season last Saturday.

While UM was defeating St. Cloud State, 6-0, in the Hall of Fame game at Eveleth, MN, the Gophers also lost another player to injury.

"We are fast becoming known as a team of walking, er., skating wounded," head coach Doug Woog offered Sunday.

The latest player to fall is junior wing Marty Nanne. Nanne suffered a dislocated shoulder Saturday when he misfired on a check and slammed into the boards. He is expected to be out three to four weeks.

Nanne thus joins a Red Cross unit that includes srnior co-captain Jay Cates, a center, and sophomore defenseman Lance Pitlick. Earlier last week, Cates strained some ankle tendons while Pitlick suffered broken toes in stopping a teammate's shot. When Pitlick is expected back is unknown at this time.

Possible good news, however, is that when the Gophers open WCHA play Friday and Saturday at Colorado Codllege, Cates "could" be ready to play. No decision on his availability will be reached until midweek.

Both WCHA openers this weekend will be aired live in the Twisn Cities via WAYL-980 AM radio, and KITN-TV, Ch. 29.

Junior defenseman Todd Richards led the Gopher offense against St. Cloud with a pair of first period goals as UM jumped out to a 4-0 lead. Getting single scores for Minnesota were senior wing David Grannis and senior center and co-captain Paul Broten, sophomore wing Peter Hankinson and freshman center Ken Gernander.

On the whole, Woog, who gained his 70th win starting his third season behind the Gopher bench, was not totally pleased with Saturday's game.

"It was a very uneven game, the type that didn't sustain a good flow of action," the coach offered. "We were unable to get a true indication of how our players can be expected to perform in the WCHA. We'll have to get a lot better to compete at that level.

"Coupling all those injuries with us being so young and inexperienced at this point, it becomes easy to see what a huge job lies ahead. As I said, we have an awful lot of work to do."

Woog did say, however, he was pleased that a lot of players, particularly newcomers, got the opportunity for plenty of ice time Saturday. He added that he was generally pleased with the overall performance of his first year players.

Included on Saturday's Minnesota roster for the St. Cloud State game were six rookie players, and five more men in their second year with the Gopher ice program.

"I truly hope we do not have to go into any WCHA series with more than half our men dressed being first or second year players," Woog added.

Sophomore goalie Robb Stauber played the entire game against the Huskies coming up with his first collegiate shutout. Although he was not called on to make a high number of saves, he did turn away several quality shots from point blank range.

Stauber has inherited a solo starting role for the Gophers with senior John Blue now a member of the 1988 U.S. Olympic Team. Stauber's back-up goalie at this point is freshman Al Fritzingler from Coon Rapids.

Besides UM's series in Colorado Springs this weekend, all remaining WCHA teams also open the 1987-88 campaign at the same time. Other series Friday and Saturday find defending champion North Dakota at Michigan Tech, Minnesota-Duluth at pre-season favorite Denver, and Northern Michigan at Wisconsin.

Next weekend the Gophers travel to North Dakota for two games prior to their season home opening series Oct. 23-24 against Northern Michigan.

GOPHER HARRIERS PREPARE FOR CARLETON INVITATIONAL

Minnesota's cross country team resumes action on Friday (October 9) when taking part in the 8,000-meter Carleton Invitational at Northfield, Minnesota. Competition is scheduled to begin at 3:30.

Coach Roy Griak's Harriers hosted the Minnesota Invitational this past weekend and wound up finishing in a tie for seventh place with Purdue when scoring 198 points.

Top U of M finishers were Frank Bjorkli who was 25th with an effort of 25:27; Jon Korta 35th in 25:44; and Roger Bjorkli 37 in 25:48. Kelly Griffiths covered the 8,000 meter course in 26:01 and Chris Harder in 26:27.

In all, 125 entries competed in the 13-team event which was won by Wisconsin with 49 points. Barnaba Korin of Iowa State copped individual honors with a 24:04 clocking.

U OF M TENNIS TEAM HEADS FOR CLEMSON

Jerry Noyce's University of Minnesota tennis team heads for Clemson, SC, this weekend to compete in the Clemson Fall Tennis Tournament. That three-day event is on tap Friday, Saturday and Sunday.

Expected to lead the Golden Gophers in that prestigious and competitive meet are Casey Merickel and Jonas Svenson, a pair of returning All-Big Ten Conference performers.

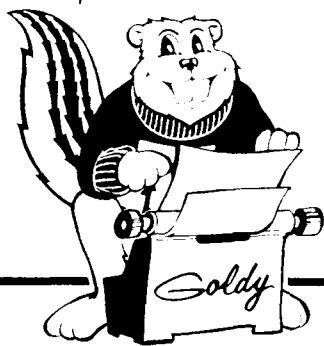

This weekend's tourney marks the start of four consecutive road trips for Minnesota. Other stops on succeeding weekends will include Louisiana, Florida, and California.

Then the Golden Gophers will return home to prepare for the third annual Ice Volleys tennis tournament at the Crosstown Racquet Club on November 7-8.

GOLDEN GOPHERS HOST INDIANA IN HOMECOMING GAME FRIDAY

The University of Minnesota football team will make a rare Friday night appearance this week when hosting Indiana at 7:30 p.m. in the Hubert H. Humphrey Metrodome.

It will be Homecoming 1987 for the Golden Gophers who have changed the game date from October 17 to Friday night because the Minnesota Twins won the American League West and conflicting dates with playoff or World Series games developed.

WHENEVER the Golden Gophers and Hoosiers play, it promises to be a Big Ten Conference shootout to end all shootouts. Last weekend, while Minnesota was running its record to 5-0 with an offensive-minded 45-33 win at Northwestern, Indiana was stunning Ohio State 31-10 at Columbus.

Consequently Indiana will bring a 4-1 mark into Friday night's outing. The Hoosiers currently are tied with Minnesota and Michigan State for first place in the Big Ten standings at 2-0.

Coach John Gutekunst knows it will be Minnesota's toughest assignment of the 1987 season, and he also knows that his youthful charges must play with more consistency than they did in winning at Northwestern last weekend.

"Sometimes you have to do whatever you have to do," Gutekunst said after the game. "It wasn't a defensive game by any means, but Northwestern is an explosive offensive football team. Fortunately we were able to hang on and to take advantage of some big plays."

In that category senior quarterback Rickey Foggie was at the top of the list. He rushed 17 times for 136 yards and connected on 13 of 24 passes for 272 yards. That gave him a total offense day of 408 yards, the best of his four-year career at Minnesota. He ran for one touchdown (a BIG play of 71 yards) and passed for three others (including an 80-yarder to Jason Bruce).

Foggie was not alone. Sophomore tailback Darrell Thompson added 144 yards on 23 carries, and those efforts included a 60-yard touchdown run. It was another of Minnesota's Big plays.

Chip Lohmiller, who missed his first field goal try of the season, added one field goal of 43 yards and six extra points. Defensively Jon Leverenz again led the way with seven solo tackles and seven assisted tackles for a total of 14 hits. He had three passes broken up and caused a fumble.

But that was last week, and now....in a week when the Golden Gophers have one less day of preparation....Minnesota must face the red-hot Hoosiers.

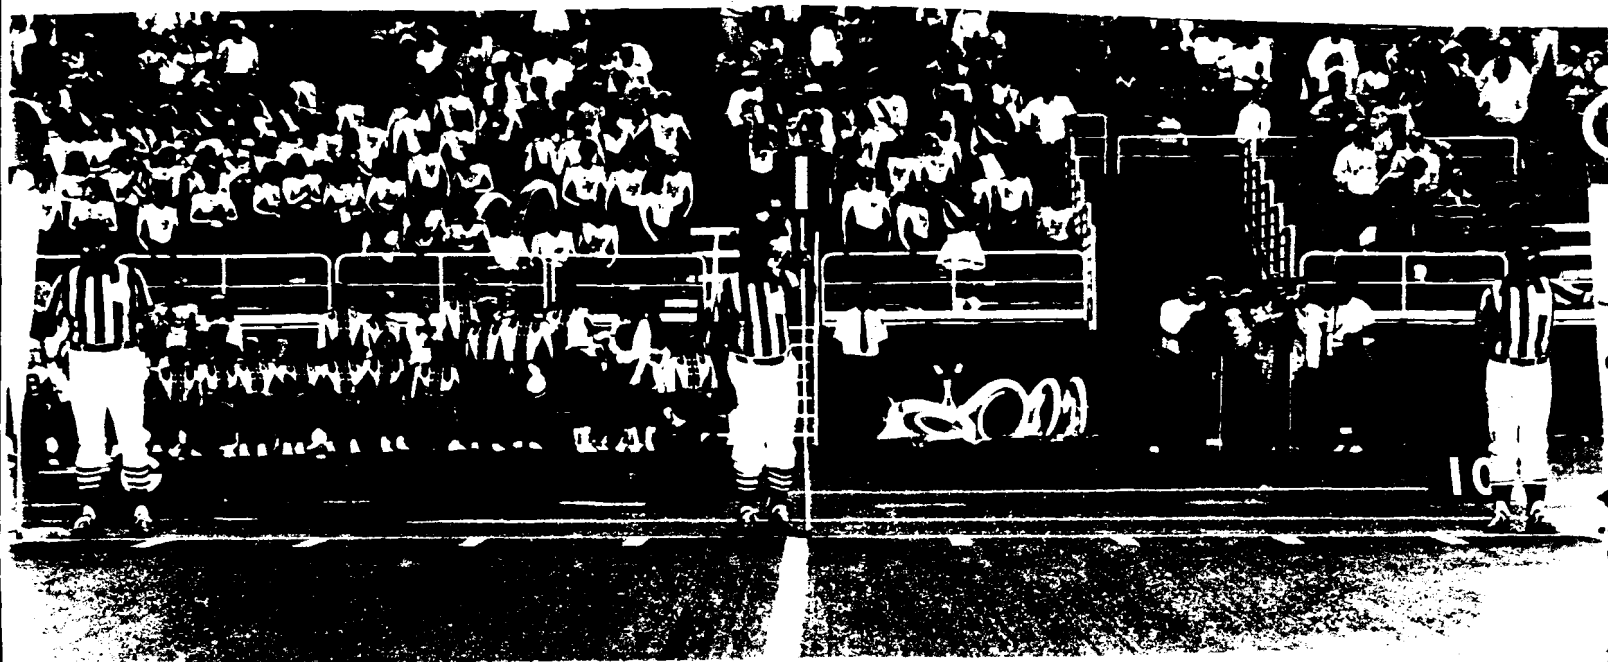

Perhaps the Golden Gophers will need a full game of explosives such as they displayed in the fourth quarter at Northwestern. And they certainly will need an improved defense.

"Obviously Indiana knows how to win on the road," Gutekunst said. "They proved that again last week at Ohio State. We are going to have our work cut out for us. Maybe our best chance will be if Indiana still thinks the game is on Saturday."

GOPHER TENNIS TEAM TRAVELS TO LOUISIANA

This week the Gopher's Men's Tennis team will travel to Lafayette, Louisiana to participate in the U.S.L. Tennis Tournament. Coach Noyce says, "We will face tougher competition in the Louisiana Tournament."

This past weekend the Gophers invaded South Carolina where it participated in the Clemson Fall Tournament. Coach Noyce said, "It was a good tournament for our young squad, and I believe it was a good start."

Freshman Jean Louis Guillou and Mathias Olsson had good efforts in that event and qualified to play in the open singles championship unfortunately, Guillou sprained an ankle in the semi's and Olsson developed a bad wrist, so Coach Noyce will bring back the injured Gophers when they are healthy, and they will play each other for the title, he says.

In doubles division, Kevin Werwie and the injured Guillou, had to default because of Guillou's sprained ankle.

Best performance came from Duke Uihlein. He beat the #1 player from Georgia in the A flight which was considered to be the best flight of the meet. Last year Georgia's Tennis team won the National Championship.

ICE VOLLEY'S COMING TO THE TWIN CITIES

Minneapolis, MN---After enjoying initial road success last weekend, the U. of Minnesota hockey Gophers now face the unenviable task of going back on the road to play two games against the defending WCHA and national champion North Dakota Sioux.

Both 7:35 p.m. CDT games Friday and Saturday will be aired live in the Twin Cities on WAYL-980 AM with KITN-TV Ch. 29 carrying Friday's contest.

Both the Gophers and Sioux carry undefeated Association records into the weekend series. Minnesota won twice at Colorado College last weekend, 4-3 and 4-2, while North Dakota was taking a road pair at Michigan Tech, 4-3 in overtime and 5-2.

Last year North Dakota, which won the most single season games in college hockey history, 40, won five of six meetings against Minnesota. This year, however, both the Gophers and Sioux were hard hit by graduation, pro signings and players lost to U.S. and Canadian Olympic teams.

Once again Minnesota head coach Doug Woog will have to prove a master juggler. No less than five Gopher players could miss the series this weekend due to a rash of early season injuries.

Definitely out are sophomore defenseman Lance Pitlick (New Hope) with a broken foot, and junior wing Marty Nanne (Edina) with a dislocated shoulder. Given an outside chance of playing for Minnesota this weekend are senior center and co-captain Jay Cates (Stillwater), out all three games thus far with an ankle injury, and sophomore wing Peter Hankinson (Edina) who suffered rib cartilage damage last Friday and did not play Saturday at Colorado College.

Another who has missed all three Gopher games to date is sophomore defenseman Jeff Pauletti (Hastings) who has been slowed by a knee injury.

The patched-up Gopher lineup was, however, good enough to gain four points last weekend. Minnesota started fast against the Tigers with four first period goals Friday, but had to hold on for its 4-3 victory. Chris May, Todd Richards, David Grannis and Scott Bloom hit for the early goals.

From that point on the game was in the hands of sophomore goalie Robb Stauber. He responded by making 27 saves, many of them crucial stops in the final period as Colorado College staged a torrid rally that fell just short.

On Saturday, using the juggled lineup with Peter Hankinson out (his younger brother, freshman Ben Hankinson was flown in to play), Minnesota had to come from behind to win. Colorado College gained period leads of 1-0 and 2-1 before the Gophers rallied.

Sophomore defenseman Randy Skarda got the equalizer by rebounding his own shot. Then senior co-captain Paul Broten scored the game winner at 13:45 with a wrist shot from atop the right circle. Sophomore wing Bloom then counted his second goal of the series hitting an empty net with 11 seconds remaining after Tiger goalie Derek Pizzey had been pulled for a sixth attacker.

Stauber was again solid in the Gopher nets coming up with 22 saves to record his third consecutive victory. He carries a 1.67 goals allowed average (2.50 in the WCHA) into this weekend's series.

"Gaining four road points the first weekend of league play has to be most important for us last weekend," coach Woog offered Sunday. "Also important was so many of our new players gaining a weekend of road experience in the WCHA.

"It's always good for a team to open on the road. . .providing we win. I believe personally it was very important for us to win considering our present situation with so many veterans out of action.

"What it proved is that our newer players found out what they can do on their own. Down the road, those factors could prove to be awfully big for us.

"Again considering the situation, I believe the performances of (Randy) Skarda and (David) Espe as a defensive pair was as good as anyone could ask. They were simply outstanding both nights and complimented each other throughout."

Saturday's game was coach Woog's 100th at Minnesota in his third year behind the UM bench. His record now stands at 72-27-1.

RECORDS LAST YEAR

Minnesota 6-6-0 (5-3-0 Big Ten)

Ohio State 10-3-0 (7-1-0 Big Ten)

ABOUT THE SERIES -- Ohio State owns a comfortable 24-6 win margin over past Gopher elevens. These two schools have yet to play to a tie game. Minnesota's last win against the Buckeyes came in 1981 when the Joe Salem-coached Gophers took a dramatic 35-31 decision in the "Old Brickyard", Memorial Stadium. That broke a string of 12 consecutive OSU wins dating back to 1966 when Murray Warmath's charges won 17-7, also at home. The last UM victory in Ohio Stadium came in 1949 when Minnesota enjoyed a 27-0 victory. However, OSU went on to post a 4-1-1 Big Ten record that season, tied Michigan for the league title, and defeated California 17-14 in the 1950 Rose Bowl.

GOLDEN GOPHERS SET FOR FIRST BIG TEN ROAD CONTEST

Minnesota's Golden Gophers, still smarting from their initial setback of the 1987 football season, head for Ohio State this weekend for their first Big Ten road assignment of the current campaign.

Coach John Gutekunst's contingent, 5-1 after suffering that heartbreaking 18-17 loss to Indiana in the Hubert H. Humphrey Metrodome last Friday night, now hope to bounce back against the Buckeyes in a 3:30 p.m (EDT) contest Saturday.

That home-field loss was a tough one for Minnesota to accept, and the Golden Gophers had been favored to be heading for Columbus and a showdown with the Buckeyes at 6-0.

Ironically, Minnesota had a chance to pull out the decision with a minute and a half to play, but Chip Lohmiller's field goal attempt from 44 yards missed by inches. And it was just a year ago that Lohmiller had kicked four field goals, including the game winner with seconds remaining, in a 19-17 verdict over those same Hoosiers.

"Indiana made the big plays when they had to," Coach Gutekunst acknowledged. "We played well in several areas of the game. I'm proud of the way our defense came back, and we have to give credit to our offense for moving the ball. We just didn't protect the ball well enough, and turnovers made the difference."

And there were some bright spots. Lohmiller, for example, booted two extra points and one field goal to become Minnesota's all-time scoring leader with 220 points. Paul Rogind held the old mark of 217.

Darrell Thompson had 103 yards in 15 carries to go over the 100 mark for the fifth time this year. He now has 718 yards this season and a total of 1,959 as a Golden Gopher.

Jon Leverenz had an outstanding effort defensively for Minnesota. He registered nine solo tackles and 12 assists for a total of 21 hits. One was for a loss of one yard, and he had a quarterback sack for a loss of 12. The sophomore linebacker also had one pass broken up.

Now, however, Minnesota must go on the road and face a team that holds a commanding 24-6-0 edge in a series that dates back to 1921. And last year the Buckeyes prevailed 33-0 in the Ohio Stadium.

"We're now in a position of where we have to catch the other guy," Coach Gutekunst admitted, "while the Golden Gophers remain hopeful that they still are in the Big Ten Conference race."

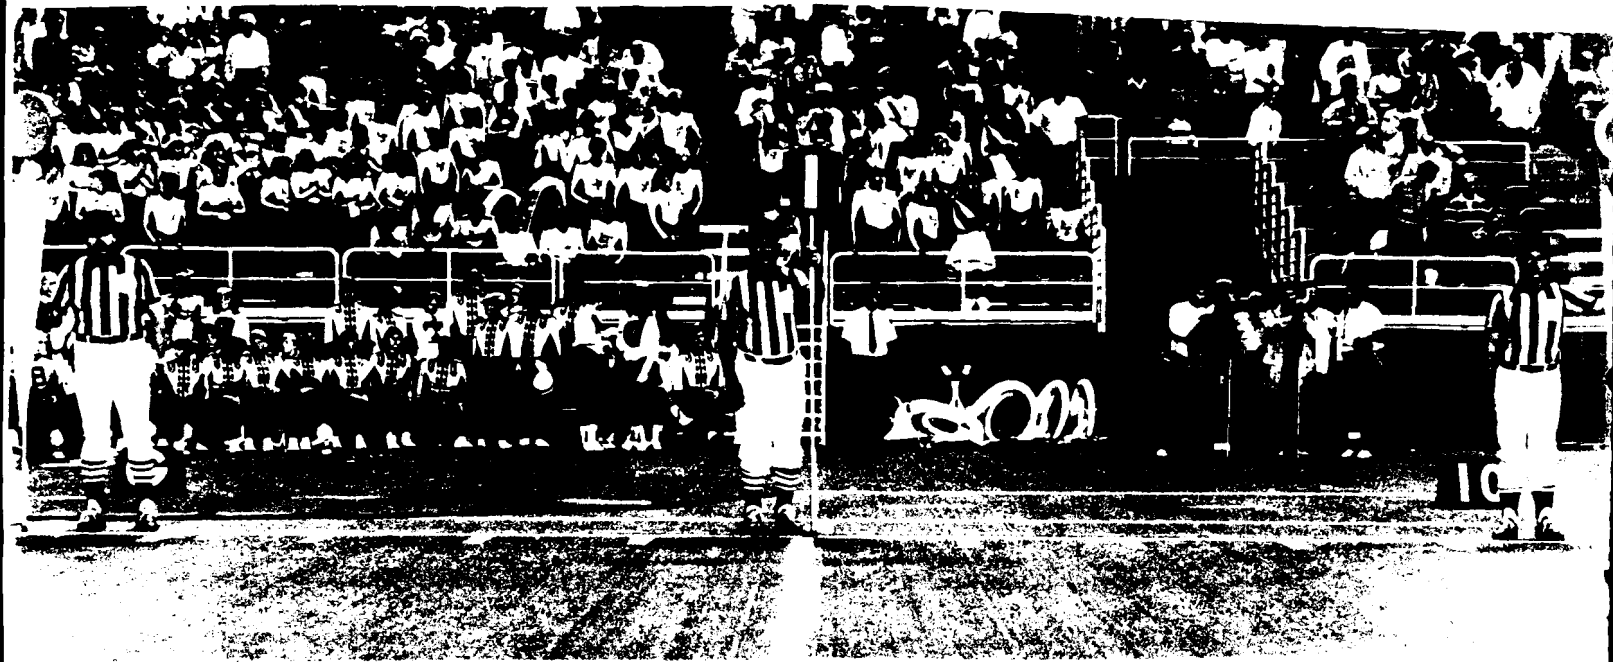

"It's going to be a real challenge for us," Gutekunst stressed. "Ohio State was the pre-season favorite to win the Big Ten, and its' defense certainly has lived up to its advanced billing. Offensively it had a few problems early, but unfortunately they seemed to get those things straightened out in its win over Purdue last weekend."

On top of that, Minnesota's last win over the Buckeyes was by a 35-31 margin in 1981 at Memorial Stadium. "We know that it will be difficult down there," Gutekunst said. "Minnesota hasn't won in Columbus in a long time."

Gutekunst might have been understating that just slightly. The last time Minnesota won at Ohio State was by a 27-0 margin....in 1949....under Coach Bernie Bierman.

In the Independence Bowl, Foggie rushed for 60 NET yards on 18 carries, and completed 9 of 21 pass attempts for 123 yards and 1 TD.

Then in the Liberty Bowl, Foggie rushed for 52 yards on 12 carries and scored 1 TD, and he completed 10 of 25 passes for 136 yards.

Minneapolis, MN---While baseball's Minnesota Twins were getting off to a torrid start in the World Series last weekend, another local team was shocking a different segment of the sports world. . .the U. of Minnesota hockey Gophers.

The Gophers journeyed into the lair of defending NCAA and WCHA champion North Dakota Sioux Friday and Saturday, and came away with 4-2 and 5-2 victories.

That means that only Minnesota and pre-season favorite Denver have yet to taste a WCHA defeat. Both schools are 4-0-0 after two weeks of action.

Denver knocked off previously undefeated Wisconsin 8-4 and 6-5 at home last weekend.

Finally, after five road games, Minnesota gets to play at home when Northern Michigan (2-2-0) visits Mariucci Arena Friday and Saturday. Both 7:35 p.m. CDT games will be aired locally by WAYL-980 AM with WCCO-830 AM carrying Friday's contest.

Northern, after dropping a road pair at Wisconsin, rebounded last weekend with home wins against Minnesota-Duluth. The Wildcats won 8-4 and 3-2.

Although North Dakota was hit every bit as hard as Minnesota by loss of key players to graduation, the pros and Olympic teams, the Sioux, at home, own one of the best records in collegiate hockey. Thus, the shock when the young Gophers picked up four points there.

In fact, last weekend marked the first time since 1983-84 that UM had won twice in Grand Forks when goalie Frank Pietrangelo authored the sweep.

"I don't really know if our younger players are for real as yet, but I do know all of our men played six periods of awfully good hockey last weekend," Minnesota head coach Doug Woog said Sunday.

"That's three well played games in a row for us, extremely good games, counting back to our second game against Colorado College two weeks ago," the coach continued. "Those games have to be confidence builders, maybe even expectation builders, for all our players. None of us knew what to expect to open the season. I couldn't even begin guess what four opening road games would bring."

Asked if he had seen Gopher sophomore goalie Robb Stauber play any better than last weekend, Woog replied, "Yes, I believe he did turn in some better games last year. The biggest thing so far this season, however, is his steady play. Not spectacular, but very, very steady. We have a long season ahead of us, however, so we can't begin to rely on (Robb) Stauber to do it all."

Stauber lowered his goals allowed average to 1.80 for all games (5), and to 2.25 in four WCHA outings.

The twin wins could, however, prove costly. Junior defenseman David Espe was scheduled to be examined today (Monday) for possible cartilage damage to a knee. Until results are obtained, it will not be known if Espe will play this weekend. Good news could be the possible return of sophomore defender Lance Pitlick. Pitlick has been out all five games with a broken foot.

Sophomore wing Peter Hankinson led the Gopher scoring parade at North Dakota. He hit for a goal each game, including a power play score Friday and the game winner Saturday, and added two assists for four points.

Defender Randy Skarda continued his hot scoring touch with two goals and an assist. His goal Friday was the game winner. No other Gopher had more than one goal, but defenders Todd Richards and Espe each recorded two assists.

Richards, senior center Paul Broten and Skarda are tied for the team scoring lead with six points apiece. Richards, Skarda and Peter Hankinson have the most goals, three each.

RECORDS LAST YEAR

Minnesota 6-6-0 (5-3-0 Big Ten)

Illinois 4-7-0 (3-5-0 Big Ten)

ABOUT THE SERIES

Minnesota and Illinois have not met since 1984 when the Illi triumphed 48-3 in Champaign. The overall series shows Minnsota with a slim 24-20 lead in wins dating back to the first meeting in 1898. Illinois won that first match 11-10, but UM came back two years later to taste a 23-0 win. Possibly the most memorable game of this series was in 1924 when UM dedicated its own Memorial Stadium against Illinois and their "Gallopig Ghost", the immortal Red Grange. Minnesota upset the seers by winning 20-7. Illinois has won the last four meetings between the schools dating back to 1980 when the Gophers prevailed 21-18. Oh, there have been two series ties, too.

MINNESOTA TO INVADE ILLINOIS ON SATURDAY

Minnesota heads for Illinois Saturday in hopes of breaking a two-game losing streak when taking on the Fighting Illini in a 1 p.m. Big Ten Conference football game.

The Golden Gophers, after falling to Indiana 18-17 at home two weeks ago, dropped a decisive 42-9 decision at Ohio State this past weekend to see their overall record drop to 5-2 and their conference log evened at 2-2.

"The Ohio State game turned out to be an old fashioned kicking," Coach John Gutekunst admitted. "It didn't seem to start out that way, but then we stopped executing."

Most disappointing to Gutekunst may have been the five turnovers....two fumbles lost and three interceptions....committed by the error-prone Minnesota contingent.

"We had the momentum on our side coming out for the second half," Gutekunst said, "but then when we had the wind at our back and were moving the ball we had a couple of critical penalties that put us in the hole."

There weren't many bright spots for the Golden Gophers. Darrell Thompson managed 83 yards rushing to lead Minnesota's offense, and Jon Leverenz was credited with 22 total tackles to lead the defense. Additional accolades, however, were difficult to find.

Now, Minnesota finds itself in a difficult position....trying to get well on the road. And against a team which last week deadlocked red-hot Michigan State 14-14.

"We'll just have to pull things together," Gutekunst stressed this week. "We know we are going to be in for another tough and physical Big Ten game. Coach Mike White of Illinois said coming into the season that he was excited about his defense, and the way they played Saturday against Michigan State shows that his feelings were justified.

But Gutekunst also knows that the Fighting Illini can put points on the board. "We know from past history that White's teams always throw the ball well. His team's always have explosive offenses."

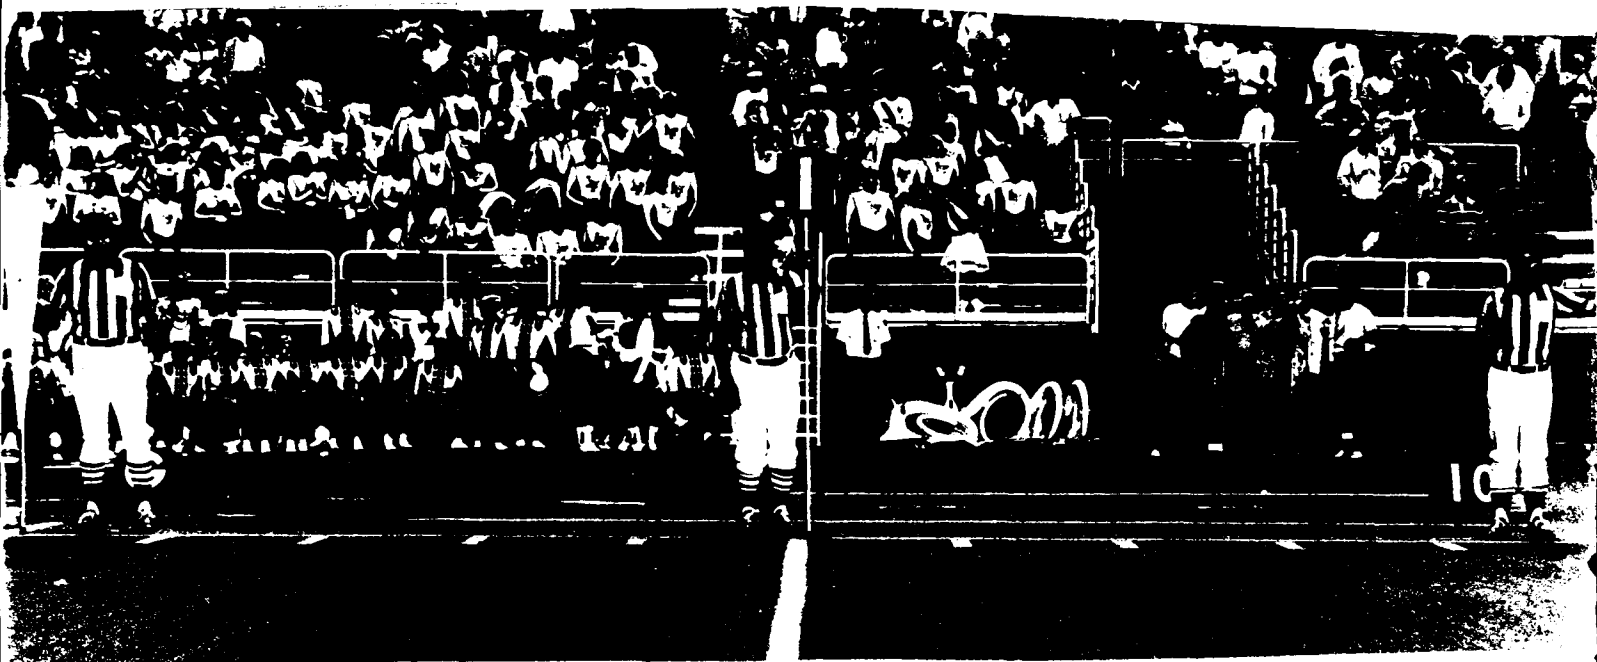

Minnesota and Illinois have not met the past two seasons, but in 1984 the Fighting Illini whipped the Golden Gophers 48-3. In fact Illinois has won three straight from Minnesota, and the most-recent win for the Golden Gophers was 21-18 in 1980. Despite those three-straight setbacks, the U of M leads in the series 24-20-2.

Can the Golden Gophers come back from two straight losses? Can they turn things around on the road? "We still feel we can be a factor in the Big Ten race," Gutekunst maintains. "We need to come back this week at Illinois and get ourselves back into the conference race."

To do that Minnesota will have to iron out some wrinkles, reverse some trends that concerned Gutekunst at Ohio State....like better execution, improved tackling, picking up blitzes, eliminating turnovers. That's a big assignment for Minnesota's youthful Golden Gophers.

Minneapolis, MN---And undefeated record, 7-0-0 overall and 6-0-0 in the WCHA, is one thing. All could, however, come tumbling down for the U. of Minnesota hockey Gophers this weekend when the U. of Wisconsin Badgers come to Mariucci Arena.

Both 7:35 p.m. CST games will be aired locally by WAYL-980 AM and KITN-TV Ch. 29, with WCCO-830 AM handling Friday's contest.

Last weekend Minnesota kept its unblemished string intact by sweeping Northern Michigan 10-2 and 3-2 in its first home series of the season.

The Wildcats simply did not play their brand of hockey Friday, but came back with a strong performance Saturday. It took a third period goal at 6:00 by senior center Paul Broten to ice the second win.

On Friday, sophomore defenseman Randy Skarda continued his torrid scoring pace by collecting his first collegiate hat trick against the Wildcats. Skarda, who leads UM in scoring with 11 points (7-4), hit for a goal in each period with his hat score coming on a power play with just eight seconds left in the game.

Senior center Steve Orth added his first two goals of the year to Friday's win, but it was Skarda and Broten who took scoring honors for the weekend. Skarda totaled four goals and one assist for his biggest weekend ever for UM, while Broten added three series assists to Saturday's game winning goal.

Wisconsin, after barely losing twice at pre-season favorite Denver two weeks ago, bounced back with a home sweep against Michigan Tech last weekend. The Badgers, behind goalie Dean Anderson, shut out the Huskies Friday, 4-0, before winning easily the next night, 9-2.

Saturday marked the 300th career win for Badger head coach Jeff Sauer. Wisconsin is 4-2-0 good for eight points and sole possession of third place in the WCHA. Both Minnesota and Denver are 6-0-0 for 12 points.

Gopher goalie Robb Stauber has been in the nets for every Minnesota win this season. On Friday, however, he finally relinquished his duties so that freshman Al Fritsinger could gain some work. Fritsinger allowed no goals and made three saves playing the final eight minutes in the 10-2 victory.

There is good news and possible bad news on the Gopher front, however. The bad news was when junior defenseman Todd Richards had to sit out Saturday's contest with a pulled groin muscle, but could be back this weekend.

The good news is an expected to return to duty by sophomore defender Lance Pitlick. Pitlick has missed all seven games this season after suffering broken bones in his left foot. He incurred the injury in practice the day before the season opener against St. Cloud State in the Hall of Fame game.

RECORDS LAST YEAR

Minnesota 6-6-0 (5-3-0 Big Ten)

Michigan 11-2-0 (7-1-0 Big Ten)

ABOUT THE SERIES

This famed Little Brown Jug series actually began in 1909. It was in 1903 that Michigan left its water jug in Minneapolis, and later called asking it to be sent to Ann Arbor. The response from Minnesota was, come and win it back. Thus, the "Jug" series was born. The next time the schools met was '09 and Michigan took that game 15-6. The total series between the schools stands at 50-23-3 with Michigan in the lead. The "Jug" series reads 46-21-2 again in Michigan's favor. UM's second victory against coach Schembechler came last fall when the Gophers upset the Wolves 20-17 in Ann Arbor. The only previous Gopher decision vs. Bo came in 1977 when Minnesota won 16-0 back in old Memorial Stadium. Michigan, prior to last fall, had won 8 straight meetings.

GOLDEN GOPHERS HOST MICHIGAN IN JUG BATTLE

One of the nation's most cherished college football trophies, the Little Brown Jug, will be at stake Saturday when the University of Minnesota entertains the University of Michigan at the Hubert H. Humphrey Metrodome.

That Big Ten Conference shootout and nationally televised ABC-TV game of the week has been set for 2:30 p.m. (CST).

Perennial power Michigan will bring an overall record of 5-3-0 and a Big Ten mark of 3-2-0 into the contest while host Minnesota stands at 5-3-0 overall and 2-3 in conference play.

After winning their first five games of the 1987 campaign, the Golden Gophers now have lost three straight assignments including a 27-17 decision at Illinois last weekend.

"We thought we were ready to play," a dejected Coach John Gutekunst said, "but we did not get a total team effort and performance, and that was the difference."

Gutekunst went on to explain that in the first half against the Illini, "turnovers and an inability to catch the ball hurt us badly," and then in the second half "broken assignments on defense" enabled Illini to convert third down plays and eventually score.

Even more disappointing to Gutekunst may have been the fact that Minnesota could not take advantage of Illinois mistakes and turnovers....but he still maintained that he was proud of the fact that the Golden Gophers continued to hit hard.

Two players drawing praise from Gutekunst were Brian Bonner, senior outside linebacker, and Jon Leverenz, sophomore inside linebacker, for their efforts at Illinois. "They both really played hard," Gutekunst explained.

Now its one of those out of the frying pan into the fire situations for the Golden Gophers....trying to snap a three-game losing streak against the Michigan Wolverines.

"Michigan always is an excellent football team," Gutekunst said. "They have great talent, and they are always well coached. This season is no exception. And we would expect that they would remember last year."

Gutekunst was eluding to the fact that a year ago Michigan was ranked number two in the nation when Minnesota invaded Ann Arbor and came away with a stunning 20-17 upset victory.

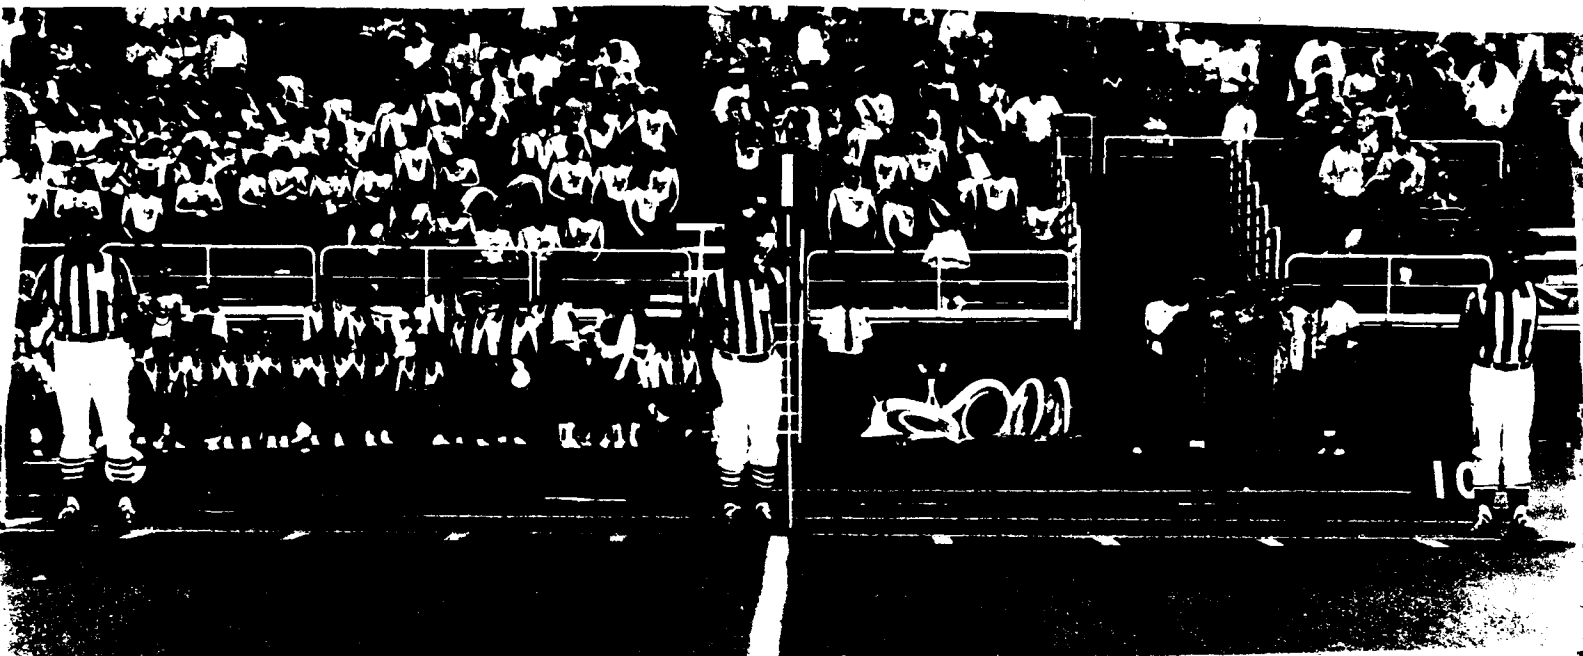

And those Minnesota wins have not come easily or often. In the series, Michigan holds a commanding 51-23-3 edge. In Little Brown Jug games, which date back to 1909, Michigan leads 46-21. There have been two ties.

Minnesota's chances of bouncing back this week also may hinge, to a great extent, on the Golden Gopher training room after the injury list was expanded last weekend at Illinois.

Most critical of the concern centered around Rickey Foggie, senior quarterback, who suffered a pulled groin muscle and left the game early in the third period. If he is not ready Saturday, Alan Holt will get his third start of the '87 campaign.

That may put more pressure on All-America candidate Darrell Thompson Saturday. A sophomore tailback, Thompson was held to 79 yards rushing at Illinois, but he will go into the Michigan game as Minnesota's rushing leader with 880 yards and 11 touchdowns.

BURTON TO UNDERGO SURGERY

Willie Burton, sophomore forward, will undergo arthroscopic surgery on his right knee Wednesday after suffering an injury in practice last week, according to Coach Clem Haskins.

Burton's injury was to the medial collateral ligament in his right knee, and is expected to be out of practice for at least three or four weeks.

"We'll move Melvin Newbern and Kevin Lynch to the small forward position to try to take up some of the slack now that Burton is sidelined," Haskins explained.

On the credit side of the ledger, Haskins indicated that Ray Gaffney, junior guard, could return this week after missing all but two days of practice thus far because of a groin muscle strain. "Ray might be ready to go to Rochester for our scrimmage on Thursday," Haskins said.

GERALD K. O'DELL NAMED ATHLETIC DIRECTOR AT NORTHERN ILLINOIS UNIVERSITY

Minneapolis, MN--Gerald K. O'Dell, Promotions and Marketing Director for Men's Intercollegiate Athletics at the University of Minnesota was named Director of Athletics at Northern Illinois University, a division I, NCAA institution. The announcement was made October 29, 1987 by NIU President, John E. LaTourette at a 1:30 p.m. news conference in DeKalb, Illinois.

"I'm extremely impressed with Gerald," said LaTourette. "In addition to the extensive interviewing process here on campus, I spent a full day interviewing people at the University of Minnesota and all I heard were glowing reports about Gerald O'Dell."

O'Dell came to the University of Minnesota as an assistant football coach in January of 1983. He served as recruiting coordinator later that year and moved into the Director of Promotions and Marketing position in 1984.

"I was impressed the minute he stepped on campus as an assistant coach under Coach Joe Salem," said University of Minnesota Athletic Director, Paul Giel. "If there ever was a young man who was ready to be an athletic director, it is Gerald O'Dell."

"I have a great deal of respect for the University of Minnesota and my decision to leave Minnesota was very difficult," said O'Dell. "NIU's Men's and Women's Athletic Departments are undergoing structural changes with the merger of both departments and the challenges and opportunities that have resulted because of this merger are particularly attractive to me. Quite frankly, I have been preparing for an opportunity like this all of my life."

O'Dell will begin his new duties at Northern Illinois University on January 4, 1988.

Minneapolis, MN---The U. of Minnesota hockey Gophers may soon begin believing there are targets painted on their game jerseys.

The reason. . .the Gophers have set a modern-day school record by winning their first nine games of the 1987-88 season, and in the process have gained sole possession of first place in the WCHA.

To continue the streak it will have to be done on the road this week as Minnesota travels to Northern Michigan for a Friday-Saturday series. Both 6:35 CST games will be aired locally by WAYL-980 AM and KITN-TV, Ch. 29.

Minnesota (9-0-0, 8-0-0 WCHA), just two weeks ago defeated Northern Michigan (4-4-0, 4-4-0) 10-2 and 3-2 at Mariucci Arena. Thus, the supposed jersey targets may feel considerably larger when the Gophers skate onto foreign ice at Lakeview Arena in Marquette.

The present Gopher record betters the mark of the 1983-84 Gopher team. The latter club, after losing an exhibition game to the 1984 U.S. Olympic squad, won its next seven games before recording a tie in the eighth and losing in its ninth outing. Modern-day dates back to 1948, the first year the NCAA held a national championship tournament.

The new streak was kept intact last weekend when Minnesota, after defeating Wisconsin 5-3 Friday, had to overcome a 1-4 deficit Saturday to edge the Badgers 5-4 in overtime.

On Friday, the Gophers were in control jumping to a 5-0 lead midway through the second period. Saturday, however, was a different story. Wisconsin was firmly in control bursting out to 2-1 and 4-1 period leads. But the rest of the story belonged to Minnesota.

Ken Gernander and Jay Cates scored early third period goals to get Minnesota back in the game, and the rest was left up to the leading Gopher scorer, sophomore defenseman Randy Skarda.

Not only did Skarda tie the game at 4-all by converting a perfect corner feed from Cates, he also drilled home the game winner at 4:07 of overtime by one-timing a bouncing puck off the rear boards to keep the Gopher record intact. He now has 14 points (9-5) in nine games.

The true Gopher standout Saturday, however, was sophomore goalie Robb Stauber. Stauber has authored all nine Gopher victories, but had not previously been tested like he was Saturday.

Stauber stopped 38 shots that night, including four consecutive breakaways in the second period. He finally succumbed to a fifth Badger try and allowed one more goal late in the same period. Stauber was called upon to make an extremely high number of difficult saves through the entire game as the Gophers were outshot for the first time this year, 42-36.

For his efforts, Stauber was Minnesota's nomination for WCHA player of the week honors.

Skarda was the only Gopher to score more than one goal against Wisconsin. He also added an assist Saturday. Centers Gernander and Cates had a goal and two assists on the weekend while defender Todd Richards added two assists Friday.

RECORDS LAST YEAR

Minnesota 6-6-0 (5-3-0 Big Ten)

Wisconsin 3-9-0 (2-6-0 Big Ten)

LAST MEETING

November 8, 1986 at Madison, WI -- Minnesota 27, Wisconsin 20

ABOUT THE SERIES

This is the longest, uninterrupted series in all college football. Gopher and Badger teams have met every year, except one, since 1890. The year off was 1906 when U.S. President Teddy Roosevelt called a halt to all major rivalries in hopes of eliminating some of the physical violence that had come into the game (including in the stands, too.) Gopher teams lead the series in wins 52-36, and eight games have ended in a tie. Prior to the 1984 season, Wisconsin had won six straight games. Now UM owns a three-game win streak. The Gophers won 17-14 at Madison in '84, 27-18 here the next year, and 27-20 last season back at Camp Randall stadium.

MINNESOTA CLOSES HOME SEASON SATURDAY

Minnesota will conclude the home portion of its 1987 football season on Saturday when playing host to the University of Wisconsin in the Hubert H. Humphrey Metrodome at 7:05 p.m.

Coach John Gutekunst's Golden Gophers will attempt to snap a four-game losing streak in that home finale after falling 30-20 to Michigan last weekend.

It was a difficult loss for Minnesota to accept after they had held the upper hand in the first half and led 17-7 at the intermission. The Wolverines outscored the Golden Gophers 16-0 in the third period, however, and re-gained possession of the Little Brown Jug.

"I was proud of the way our people played," Gutekunst said. "I was proud of their effort. It was just not quite enough. Simply credit Michigan for making the big plays."

There were some big plays for Minnesota, however, including the record-setting 98-yard touchdown run by All-America candidate Darrell Thompson. That was the longest in both U of M and Big Ten history.

Thompson finished the game with 201 yards in 21 carries (he also had two TD's) and gives him 1,081 on the season. And that makes him the first player in U of M history to have two 1,000-plus yard campaigns.

Those are outstanding individual achievements, but Thompson would rather have seen Minnesota win a team victory over Michigan, and Saturday he'll be shooting for a win over the Badgers.

The Golden Gophers will bring an overall record of 5-4 into that Big Ten assignment as well as a conference log of 2-4. Invading Wisconsin, meanwhile, is 3-6 on the year and 1-5 in the Big Ten after stunning Ohio State 26-24 last Saturday.

"They certainly will have a little momentum on their side," Coach Gutekunst said after learning of the UW-OSU score. "They have to feel awfully good about their win over the Buckeyes."

Gutekunst also understands the rivalry involved in Saturday's contest. "It's another one of those traditional games for us," he pointed out, "and you can simply throw away the record books and the records."

In all, Minnesota and Wisconsin have met 96 times....in what ranks as the nation's longest, continuous series....and the Golden Gophers will take a 52-36-8 bulge into Saturday's battle for Paul Bunyan's Axe.

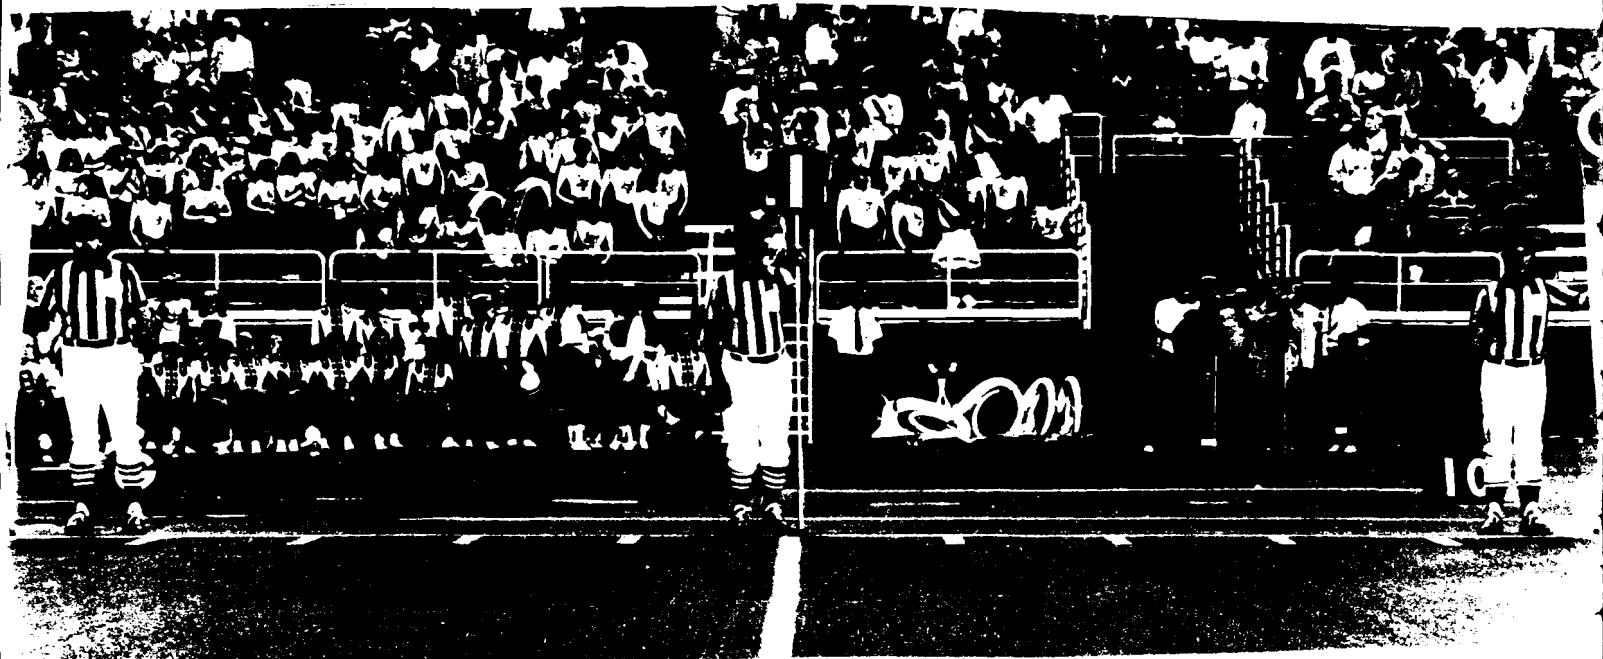

The Golden Gophers have won three straight over the Badgers, including 27-20 at Madison a year ago. In 1984 it was Minnesota 17, Wisconsin 14, and in 1985 it was 27-18 in the Metrodome for the Golden Gophers.

Thirteen Golden Gophers will be making their final home appearances on Saturday. They are Paul Anderson, Brian Bonner, Gary Couch, Rickey Foggie, Scott Guldin, Gary Hadd, Chip Lohmiller, Doug Mueller, Dan Rechtin, Steve Rhodus, Marty Werden, David Williams and Troy Wolkow.

Minnesota will conclude the 1987 season one week from Saturday when taking on the Iowa Hawkeyes in Iowa City. That means Minnesota will be involved in three straight "trophy" games....last week it was the Jug against Michigan, this week the axe against Wisconsin and next week Floyd of Rosedale at Iowa.

GOLDEN GOPHER CAGERS PLAN SECOND SCRIMMAGE

Coach Clem Haskins will send his squad through his second intra-squad scrimmage of the season on Friday as the University of Minnesota continues preparations for the 1987-88 basketball campaign.

Friday's event is on tap at the Brainerd Community College. Coach Haskins and selected squad members will appear at a press conference at 5:30 p.m. A picture-autograph session is set for 6:00 p.m. and the actual scrimmage will get underway at 7:00 p.m.

Last week Minnesota held a similar affair in Rochester, and the Golden Gophers treated the crowd of more than 2,000 to an 84-78 win for the white squad over the maroon team.

Richard Coffey led the way with 19 points, 11 rebounds and eight assists for the winning team. Marlon Maxey scored 17, Kim Zurcher 17 and Ray Gaffney 10.

Jim Shikenjanski also scored 19 points and had eight rebounds for the losing maroon contingent. Melvin Newbern had 15, Kevin Lynch 11 and Terrence Williams 13.

"We hope to continue to improve our execution and our rebounding," Coach Haskins has stressed, "and the reason we are traveling around the State is to see our players perform in different surroundings." ---UM---

THREE FORMER GOPHERS IN STATE'S HALL OF FAME

Three former Golden Gophers were among five Minnesota sports legends recently inducted into the Star and Tribune's Minnesota Hall of Fame.

Bud Grant, a three-sport letterman at Minnesota in the 1940's, gained even more prominence as coach of the Minnesota Vikings. Mayasich became an All-American in hockey for the Golden Gophers and was a member of the 1956 and 1960 U.S. Olympic hockey team. Siebert coached the U of M baseball team for 31 seasons and during that time led the Golden Gophers to three national championships and 11 Big Ten titles.

Other selected to the Hall of fame, which was established in 1958, were Max Winter and Fran Tarkenton.

The nominees will be honored at a luncheon open to the public on Friday, November 20, at the Minneapolis Athletic Club. Induction ceremonies are set for halftime of the Vikings-Atlanta football game on Sunday, November 22.

Minneapolis, MN---As it goes in life, all good things eventually come to an end. That's what happened to the U. of Minnesota hockey Gophers in their series last weekend at Northern Michigan.

Minnesota went to Marquette, MI, undefeated in the WCHA with eight straight wins. (It had been ruled last week that Minnesota's 6-0 win against St. Cloud State in the Hall of Fame game was an exhibition and does not count on the Gopher record).

On Friday, however, Northern Michigan broke through with an impressive 5-4 victory. The winning goal, his third of the game, came off the stick of forward Phil Berger with just 12 seconds remaining in the game. Berger's shot beat Gopher goalie Robb Stauber on the far side.

Strangely enough, Berger and Stauber shared WCHA Player of the Week honors for their performances a week earlier when both NMU and Minnesota scored series sweeps.

The Gophers broke back to take Saturday's contest 3-2 with sophomore wing Jon Anderson, playing his first series of the year, scoring the game winner in the third period breaking a 2-2 tie.

Minnesota benefited further as the Denver Pioneers lost twice at Wisconsin and fell four points behind the first place Gophers. Minnesota is now 9-1-0 for 18 league-leading points and Denver stands 7-3-0 in second. Wisconsin moved into sole possession of third place at 6-4-0 and 12 points, two ahead of Northern Michigan, 5-5-0.

Minnesota goes out of the WCHA this week playing three games. Only two of them count for WCHA points. On Tuesday, the Gophers will face five former teammates when they play Team USA at the Met Center in Bloomington.

Among those who are hopeful of making the 1988 U.S. Olympic team are center Corey Millen, leading UM scorer the last two years who has completed his varsity eligibility, and four underclassmen in goalie John Blue and forwards Tom Chorske, Todd Okerlund and Dave Snuggerud.

The weekend finds Minnesota making its first trip out east when the Gophers play at Northeastern U. in Boston Friday, and at Providence College Saturday. All three of this week's games will be aired locally by WAYL-980 AM radio, with KITN-TV, Ch. 29 carrying Friday's game in Boston.

The series at Northern proved costly for the Gophers as definitely out of games this week is junior defenseman Todd Richards. Richards suffered a first degree shoulder separation Saturday. It is hoped he will return to action Nov. 20 when Minnesota returns home to face Alaska-Anchorage.

Senior co-captain Jay Cates will miss Tuesday's game at the Met with numerous minor injuries, but hopes to be with his teammates this weekend.

Junior defenseman David Espe had his biggest scoring weekend of his college career as he collected a goal and three assists on the weekend to lead the Gophers in scoring. He got the first goal of the game Saturday on a power play and assisted on Anderson's game winner.

Another defender, Randy Skarda, got his team-high 10th goal of the year Friday and still leads UM in scoring with 15 points.

LAST MEETING

November 22, 1986 at Minneapolis, MN -- Iowa 30, Minnesota 27

ABOUT THE SERIES

Minnesota leads this long series in wins with 52, to 26 by Iowa. There have been just two series ties. The schools first met back in 1891 when the Gophers won 42-4. In fact, UM teams captured the first 11 meetings between the schools before the 1918 Hawkeye eleven broke the string with a 6-0 victory. But to many, the "real" series began in 1935, the first year Minnesota and Iowa played for possession of the famed bronze statue, Floyd Of Rosedale. UM won the first battle for Floyd, 13-6. Since inception of the trophy, Minnesota has displayed Floyd 32 times and Iowa 18. Both series ties have come in this portion of the games, in 1951 and 1970. Since 1978, Minnesota has won five decisions and Iowa four, including last year's thrilling 30-27 last-second decision at the Metrodome.

GOLDEN GOPHERS CLOSE SEASON AT IOWA SATURDAY

Another one of those "traditional rivalries" is on tap Saturday when the University of Minnesota invades Iowa City to take on the University of Iowa in the 1987 Big Ten Conference football finale.

Coach John Gutekunst's Golden Gophers will have several objectives in mind when challenging the red-hot Hawkeyes. First, they want to improve upon their current mark of 6-4 and finish with seven wins....the first time a Minnesota team has done that since going 7-4 in 1977.

Second they would like to regain possession of Floyd of Rosedale, that "bronze hog" the Golden Gophers and Hawks play for each year....and the same one Iowa stole from Minnesota a year ago when kicking a last-second and second-chance field goal after the Golden Gophers had been penalized for having 12 men on the field.

And finally, with Minnesota still nursing those very slim bowl hopes, the Golden Gophers would like to finish regular-season play with two straight wins and gain their third straight post-season invitation.

Gutekunst saw his charges snap a four-game losing streak last weekend and come alive after suffering through one heartbreak after another by coming from behind to nip Wisconsin 22-19.

"It was a great effort by our people," Gutekunst exclaimed. "They left a lot on the field against Michigan the week before, and for them to come back as courageously as they did was tremendous. They did what they had to do to win."

Wisconsin, striving to retain possession of Paul Bunyan's Axe, had led 19-15 after converting a field goal mid-way through the fourth quarter. But then Minnesota "did what it had to do."

The Golden Gophers drove 66 yards in 13 plays (twice converting critical third-down situations) consumed 7:30 of time and scored on a three yard pass from Rickey Foggie to Craig Otto with just 36 seconds remaining to gain the decision.

"It was a tremendous scoring drive," Gutekunst acknowledged. "It was something our seniors deserved. I'm really happy for those people who wanted so badly to play well and win in their last home appearance."

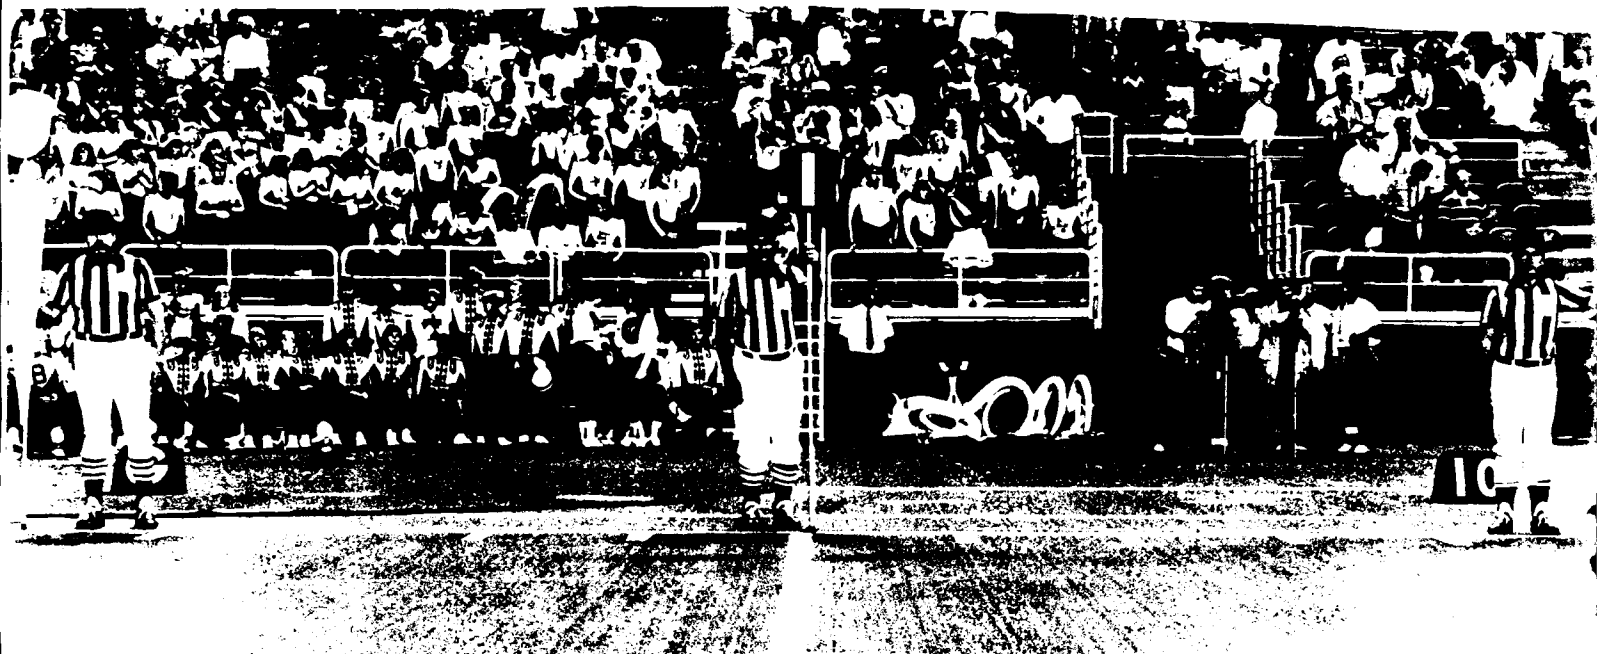

But now it's off to Iowa, a site at which Minnesota has not won since 1981 when Jim Gallery's four field goals nipped the Hawkeyes 12-10. In all, there have been 80 games in the series, and going into Saturday's shootout against the Hawks, Minnesota leads 52-26-2....despite losing 30-27 in the Metrodome last fall.

Iowa is on a roll. Last weekend the Hawkeyes stunned Ohio State 29-27 to up their overall record to 8-3 and 5-2 in the Big Ten. "Iowa is playing as well as any team in the conference," Gutekunst said. "They are an explosive offensive football team that boasts a passing game that will be a big test for our defense."

Saturday's contest at Iowa is the final outing for 13 Minnesota seniors. They are: Paul Anderson, Brian Bonner, Gary Couch, Rickey Foggie, Scott Guldin, Gary Hadd, Chip Lohmiller, Doug Mueller, Dan Rehtin, Steve Rhodus, Marty Werden, David Williams and Troy Wolkow.

MINNESOTA TO OPEN 1987-88 BASKETBALL SEASON MONDAY

Coach Clem Haskins will unveil his second University of Minnesota basketball team at 7:05 p.m. in Williams Arena next Monday (November 23) when sending his Golden Gophers up against Brandon University of Canada.

That game, classified as an "exhibition" contest, is not included in the 1987-88 University of Minnesota season ticket package, and all seats will be general admission and priced at \$5.00.

In addition, the game will not count on the University of Minnesota's 1987-88 season record since the NCAA does not recognize games or statistics recorded in games against foreign teams.

That doesn't mean the Golden Gophers aren't anxious to get into action and won't be expending anything short of total effort.

The Golden Gophers have gone through a couple of intra-squad scrimmages in pre-season practice....the most recent last week in Brainerd...and they have made progress. But they are anxious to play against somebody else.

"I'm very excited about this year's team," Coach Haskins told the Big Ten Conference basketball writers in Chicago last weekend. We still are very young. We must show patience with the players and just wait for them to develop. But I'm excited."

Haskins still is not able to pick a starting lineup for the opener next Monday against Brandon, and he admits that when things get going he would "Like to play eight or nine players in every game."

But compounding the uncertainty about which Golden Gophers will get the nod early is that fact that injuries have slowed the progress of several players including Willie Burton, a 6-7 sophomore forward who was expected to be a starter but has a knee injury which will keep him shelved for several more weeks.

It would appear that co-captains Richard Coffey, a 6-6 sophomore, and Tim Hanson, a 6-6 senior, would open at the forwards against Brandon. Jim Shikenjanski, a 6-9 sophomore, probably will get the call at center and Kim Zurcher, a 6-2 senior and Ray Gaffney, a 6-2 junior, might open at the guards.

However, Haskins also is expected to use Dave Holmgren, a 7-0 senior at center and such people as Melvin Newbern, a 6-4 sophomore, Terence Williams, a 6-1 sophomore, and Kevin Lynch, a 6-5 freshman, in the backcourt against Brandon.

Injuries and providing "more time to learn the system" may limit appearances by such people as Connell Lewis, Walter Bond, Mario Green, Marlon Maxey and Erik Wilson, but somewhere down the road Haskins expects those people to make a contribution as well.

"I feel good about the nucleus of our returning players," Haskins said, "and we have several people who just need a little playing time and experience to be able to help us. Sometimes with new people you just don't know what to expect. We will have to be patient."

Following Monday's "exhibition" opener, the Golden Gophers will take a few days off for Thanksgiving and then get ready to entertain Drake University on Saturday, November 28, in a non-conference 7:05 p.m. assignment at Williams Arena.

Minneapolis, MN---As far as the U. of Minnesota hockey Gophers are concerned, words of the famed publisher--"Go West young man"--never rang more true than following last weekend.

After building a 9-1-0 record, the Gophers traveled out east only to come home with a 9-3-0 record following a 1-3 loss at Northeastern, and a 0-3 decision at Providence. The shutout was the first suffered by UM since March 14, 1986, when Denver won 3-0 in the playoffs. That covers a span of 55 games.

Minnesota hopes to get back on track this weekend when the Gophers return to Mariucci Arena. The U. of Alaska-Anchorage provides non-conference opposition Friday, with New Hampshire of the Hockey East Association (HEA) coming in Saturday. Games vs. HEA opponents count in the standings of both conferences.

Both 7:35 p.m. games will be aired live in the Twin Cities by WAYL-980 AM, with WCCO-830 AM carrying the New Hampshire contest Saturday.

It was not a lack of scoring opportunities that did the Gophers in last weekend. Minnesota outshot its two opponents 68-49, but the lone conversion came off the stick of senior center Jay Cates who bagged his fifth goal of the season vs. Northeastern.

Defensive play was not lacking as each opponent only scored twice off sophomore goalie Robb Stauber. Both Northeastern and Providence cashed in on empty net goals after Stauber was pulled late in the action.

Stauber still leads all WCHA netminders with a goals allowed average of 2.60. He has started all 12 UM games.

"The reality has finally hit us on something we expected before the season opened," head coach Doug Woog offered today. "We believed from the start that this was not going to be a high scoring team.

"We did, however, believe there would be better production than in our last few games. We also believed we would be a solid defensive team from (Robb) Stauber on out. The latter has held up well.

"We continue to play well without the puck as our main emphasis has been to keep the other teams from scoring a lot. Maybe now we have to start thinking more about the other end of the ice.

"At least half our shots last weekend were of good quality. At the same time our power play has left a lot to be desired. I'm certain that missing (Todd) Richards (out with shoulder injury) and having (Randy) Skarda playing with a bad case of the flu had a lot to do with this area of the game, too.

"However you cut it, we remained in first place and that has to be a giant plus. We've just got to start working on ways to get the puck into their nets more often than we have lately."

It is hoped Richards will be back in action this weekend.

PAVELKA AWARDED MEMORIAL SCHOLARSHIP

University of Minnesota head baseball coach John Anderson announced that 1988 tri-captain Mike Pavelka has been named recipient of the David Chelesnik, Jr. Memorial Scholarship.

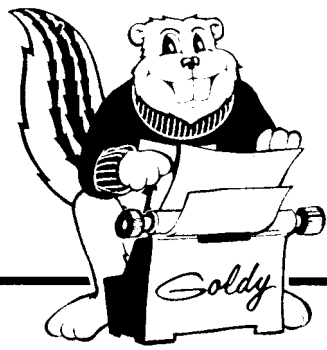

The scholarship is given in memory of the late Chelesnik who was on the Minnesota varsity baseball team for one season before dying of cancer on Labor Day, 1984.

The annual award goes to a varsity baseball student/athlete who best demonstrates those special qualities of courage, determination and perseverance in his life as exhibited by David. The memory of David's courage while facing insurmountable odds in his long battle against cancer remains an inspiration to everyone connected with the Minnesota baseball program.

Pavelka, a senior left-handed pitcher from Minnetonka, has himself had to overcome difficult times during his undergraduate career. Following a sparkling freshman year when he posted an undefeated Big Ten record, he was almost totally ineffective the next two seasons because of nerve damage suffered to his pitching shoulder.

Total dedication to a rehabilitation program, however, brought Pavelka back last year near his earlier form. He helped lead Minnesota to the Big Ten's West Division championship and posted the lowest earned run average in the conference, 1.08, while again going undefeated at 4-0. His all-games record ended at 5-3 with a 3.79 ERA.

Funds for this special scholarship award are raised through Minnesota's spring baseball tournament at the Metrodome, now known as the PILLSBURY BASEBALL CLASSIC, and the annual exhibition game against the 1987 world champion Minnesota Twins.

GOLDEN GOPHERS LOSE FOOTBALL FINALE AT IOWA

The University of Minnesota saw its 1987 football season end in a disappointing fashion last weekend when it dropped a 34-20 decision at the University of Iowa.

That setback means that Coach John Gutekunst's Golden Gophers finished at 6-5 overall and 3-5 in the Big Ten Conference. And, although the Golden Gophers had been mentioned for several post season bowl games, no invitations developed after the loss to the Hawkeyes.

"The second quarter of that game was terrible for us," Coach Gutekunst analyzed. "It was a total disaster. We did not capitalize on our own opportunities, and we gave them too many big plays. Third downs killed us again."

Substantiating that belief was the fact that Minnesota scored only three points in the first quarter when it had the wind at its back. Then in the second period, when the Hawks got the wind, they scored 21. And Iowa was 9-of-18 in third down conversions while Minnesota was only 3-of-16....and the Gophers didn't convert any in the first half.

"We played hard in the second half," Gutekunst maintained. "We had some good individual efforts. We were down 24-6, but we hung in there. And we came back well. We had some opportunities, and we needed to make something happen. The fact that we didn't is something we should credit Iowa for. That is a very good football team."

On the day, Darrell Thompson rushed for only 56 yards in 14 carries. It was, by far, his lowest total of the season and smallest since getting only 39 yards as a freshman at Oklahoma.

Nevertheless, Thompson finished the season with 1,229 yards, an average of 5.5 yards per carry, and 13 touchdowns. In two seasons at Minnesota, Thompson has 2,469 yards rushing, and he is the first player in U of M history to have two 1,000+ yards rushing.

Rickey Foggie was Minnesota's most productive Gopher in the finale. He passed for 216 yards without an interception and threw for two touchdowns. And he added 12 yards rushing. He finished the season with 1,232 yards passing and 591 yards rushing....and he's the U of M's all-time total offense record holder with 6,941 yards.

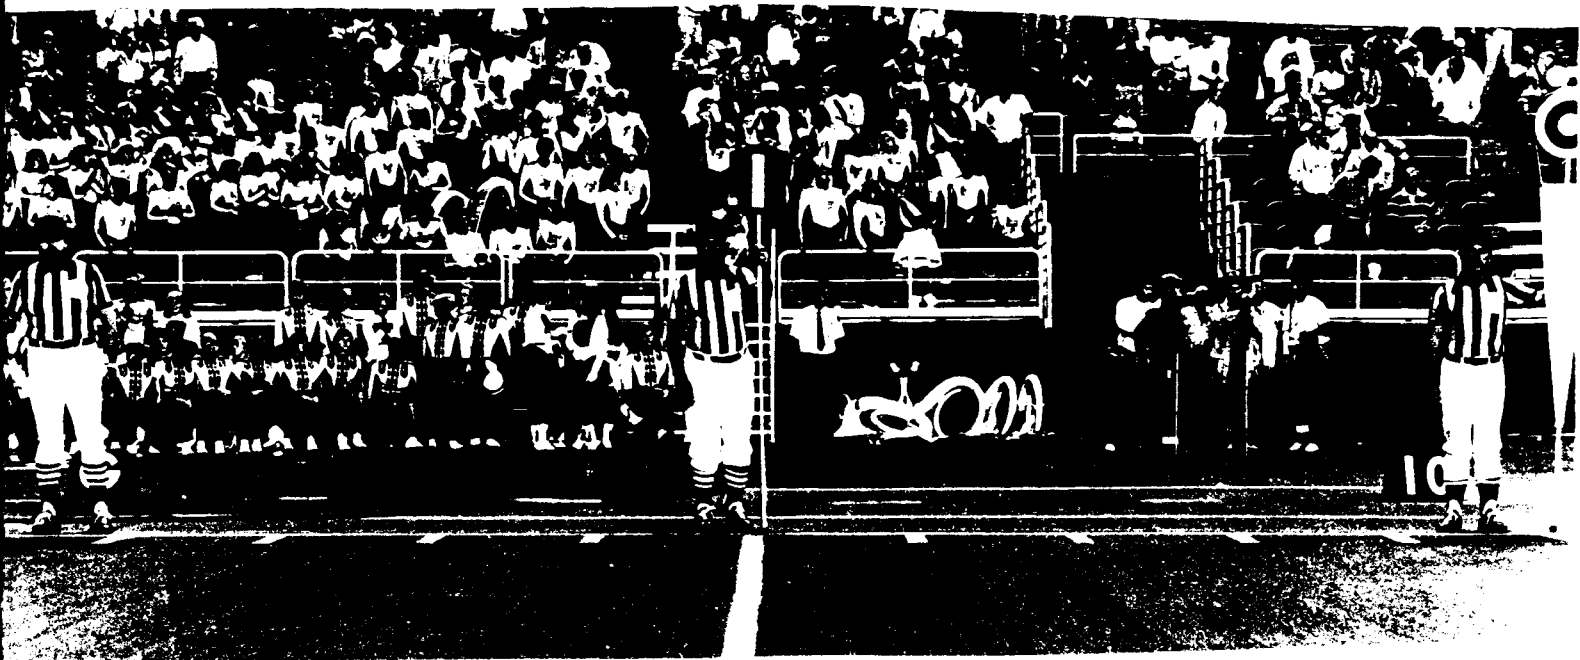

Chip Lohmiller booted two field goals and two extra points to finish with 75 point on the season. In his career, Lohmiller had 254, and he ranks as the U of M record holder for most points, most field goals, most PAT's and longest field goal.

Defensively Minnesota's linebacking corps had a busy day at Iowa. On the outside Ron Goetz had nine tackles and Brian Bonner 13. On the inside Mac Stephens had 17 and Jon Leverenz 13. It was the 11th straight game in which Leverenz had 10 or more tackles, and he finished the season as Minnesota's leader with 162.

Thirteen seniors ended their careers for Minnesota at Iowa. They were: Paul Anderson, Brian Bonner, Gary Couch, Rickey Foggie, Scott Guldin, Gary Hadd, Chip Lohmiller, Doug Mueller, Dan Rehtin, Steve Rhodus, Marty Werden, David Williams and Troy Wolkow.

Minneapolis, MN---Three University of Minnesota football standouts etched their names deeper into the school recordbook upon the completion of the 1987 season last Saturday at Iowa City.

Senior quarterback Rickey Foggie (Waterloo, SC) made the biggest impact on the Gopher records as he established five new offensive career marks and tied another.

In his four seasons at Minnesota, Foggie set the following career records:

** Most Yards Gained Total Offense: 6,941 (2,038 Rush, 4,903 Pass, broke own mark of 5,118 set through last year)

** Most Plays Total Offense: 1,143 (Old record was 999 by Tony Dungy 1972-76).

** Best Avg. Yards Per Play Total Offense: 6.07 (Old Record was 5.71 by Mike Hohensee 1981-82)

** Most Yards Gained Passing: 4,903 (Old Record was 4,792 by Mike Hohensee 1981-82)

** Best Average Gain Per Pass: 16.8 (Old Record was 16.2 by Sandy Stephens 1959-61).

His lone tie was for most career touchdown passes, 33, the same number Mike Hohensee completed in 1980-81.

Senior placekicker Chip Lohmiller (Woodbury) closed out a great career in gaining his final mark by connecting on two extra points Saturday against Iowa. That gave him 95 career conversions, one more than booted by Jim Gallery in 1980-83. Lohmiller now owns every place kicking record at Minnesota.

His other career bests include:

** Most Points Scored: 254 (old record was 217 by Paul Rogind 1976-79)

** Most Field Goals: 53 (old record was 44 by Paul Rogind 1976-79)

** Longest Field Goal: 62 yards vs. Iowa 1986 (Old record was 57 by Paul Rogind vs. Iowa in 1979, and Jim Gallery vs. Indiana in 1981).

Although it's a bit soon for sophomore tailback Darrell Thompson (Rochester, MN) to be thinking about career records, the speedster did, however, tie two single season standards and set a single game record.

Thompson's 13 touchdowns for 78 points in 1987 tied Minnesota records set by fullback Jim Perkins (Red Wing) in 1976. Back in the latter season, Perkins was known as Minnesota's "designated scorer" as he usually entered games in short yardage situations.

Thompson also established school and conference records when he dashed 98 yards from scrimmage to score against Michigan in the Metrodome this fall. The former UM high was an 86-yard rush by Rick Upchurch against Iowa in 1974, while the Big Ten standard had been a 96-yard gain by Iowa's Eddie Vincent vs. Purdue in 1954.

This year's Gopher football squad also set three new standards on offense, all of them coming in rushing statistics.

The team broke the former standard of 2,607 yards rushing set in 1972 by gaining 2,651 net yards this fall. The old average gain per rush of 4.6 yards set in 1954 and equaled a year ago also fell. The average Gopher gain on the ground this fall was an even 5.0 yards per try.

Thus, the average gain rushing per game was also bettered. The 1987 Gophers averaged 241 ground yards per game while the former best was an average of 237 yards per in 1972.

The only promising thing about all of the above is that while Foggie and Lohmiller have completed their collegiate careers, Thompson has two more seasons remaining at Minnesota. He, too, is expected to own just about every rushing and scoring record at UM by the time the 1989 season comes to an end.

This fall, by rushing for 1,229 yards, 11 yards shy of the school record he set in 1986, Thompson became the first and ONLY Big Ten player to better 1,000-yards rushing in his freshman and sophomore seasons.

Minneapolis, MN--The U. of Minnesota hockey Gophers got back on the winning side by taking two games at home last weekend. In the process, the Gophers maintained their 4-point margin over second place Denver and Wisconsin in the WCHA standings.

Minnesota, after losing twice the previous weekend out East, won a non-conference meeting against Alaska-Anchorage Friday, 4-2, and came back to take HEA opponent New Hampshire 6-3 Saturday. The latter game counted in both league standings. The Gophers are now 11-3-0 overall with a 10-3-0 WCHA record.

Minnesota received a break last weekend when both Denver and Wisconsin suffered series splits on home ice keeping the Pioneers and Badgers at bay for another week. Denver split with North Dakota (4-5, 4-2) while Wisconsin did likewise with Colorado College (10-4, 1-2).

But the next two weekends prior to fall term final exam break could make the Gophers believe the easier way out will be hitting the books. This weekend the fast improving Minnesota-Duluth Bulldogs visit Mariucci Arena for games Friday at 7:30, and Saturday at 2. Both games will be aired locally by WAYL-980 AM and KITN-TV Ch. 29, while WCCO-830 AM will broadcast Saturday afternoon's contest.

Then next week, Dec. 4-5, finds Minnesota skating on the mile-high ice of Denver University. So, much more will be known in the next two weeks about Minnesota's hopes of hanging on to its top spot in the WCHA standings.

Newcomers helped spark the Gopher attack last weekend. Freshmen forwards Grant Bischoff (Grand Rapids) and Jason Miller (Bloomington Kennedy) scored goals in each game. Bischoff got two Friday. Ken Gernander (Coleraine) capped the weekend by assisting on three goals Saturday against New Hampshire.

"That by itself has to be encouraging," coach Doug Woog said today. "Our new people had been struggling to find enemy nets and maybe this is a good sign."

"We were also impressed with the improved passing shown on our power play chances. True, we didn't score a lot, but we moved the puck better and both our veterans and rookies appear to be more comfortable with our scheme of attack.

"The same goes for our penalty killing. That, too, appeared more consistent than in recent series. I do believe, however, both areas will be further improved when (Todd) Richards returns. We hope he will be ready this weekend."

Richards, a junior defenseman, has missed the last four UM games with shoulder and groin injuries. He is considered the key to Minnesota's power play from the left point. Last year he set a school record for a defenseman by recording 43 assists, most of them in man advantage situations.

About this week's opponent, Minnesota-Duluth, Woog added, "They recruited a lot of good, skilled young people who are beginning to come through offensively. Add to that improved scoring by last year's returnees and suddenly UM-D is back in the race. In simple terms, they appear to have regained their scoring punch.

"There is no other team in all college hockey they would rather defeat than us. So you can expect a wide open series this weekend. It's always a great series when we meet each other regardless of the standings."

Sophomore defenseman Randy Skarda (West St. Paul) added two goals and an assist on the weekend to maintain his team scoring lead. Skarda now has 12 goals and five assists for 17 points in 14 games. Paul Broten (Roseau) is next with 14 points (3-11) while Peter Hankinson has 13 (6-7) and Jay Cates 12 (5-7).

GOLDEN GOPHERS TO HOST DRAKE ON SATURDAY

After polishing off Canada's Brandon University 85-58 in an "exhibition" contest earlier this week, the University of Minnesota will open its 1987-88 basketball season "for real" on Saturday by entertaining Drake University in a non-conference assignment at 7:05 p.m. in Williams Arena.

Coach Clem Haskins, who seemed genuinely pleased with his team's overall performance in the Brandon shootout, is expected to continue a similar pattern of "starters and substitutions" against invading Drake Saturday.

Haskins gave the opening nod to Willie Burton and Richard Coffey at the forwards, Jim Shikenjanski at center and Terence Williams and Kim Zurcher at the guards.

BUT...Minnesota's second-year coach used 15 players in that opener, and while he admits he probably won't have the opportunity to do that against Drake, he would like to use "nine or 10" throughout the season.

"We obviously looked at a lot of players against Brandon," Haskins confirmed. "We found that we do have some promising young people, but they need to be more consistent, and that comes with playing time."

However, Drake, Haskins stressed, will present a much tougher challenge Saturday. "We will have to play a lot better," he said. "It takes great effort to win. We had some good things happen in the second half against Brandon, but we will need a total effort for two halves to beat Drake."

All of which means the Golden Gophers probably won't clear their bench on Saturday....but Haskins probably still will send at least 10 of his charges into the official lid-lifter.

Tim Hanson is a cinch to play extensively. He came off the bench against Brandon and scored 16....and he hit four-of-five from the three point range.

Melvin Newbern also fits into that "will play extensively" category. Newbern played less than half the game against Brandon yet wound up as Minnesota's second-leading scorer with 15.

David Holmgren, the physically troubled Golden Gopher, showed his aching knees finally might let him perform up to his potential as he also finished in double figures with 10.

Kevin Lynch fits into the same will play bracket....and the others are probable....cagers like Ray Gaffney and Connell Lewis who are returnees from a year ago as well as newcomers like Marlon Maxey, Walter Bond, Erik Wilson and Mario Green (a redshirt). Any of them could play Saturday.

"We still have a lot to get done," Coach Haskins stressed. "We simply have to let our young people make some progress." He hopes that progress will start....or continue....Saturday against Drake.

The Golden Gophers and invading Bulldogs have met 17 times in basketball over the years, and coming into Saturday night's assignment Minnesota holds a 12-5 edge in the series. In the most recent meeting, Minnesota won 70-65 in 1982.

Following Saturday's contest, Minnesota returns to Williams Arena on November 23, to entertain Western Illinois in another non-conference assignment. Tip-off is set for 7:00 p.m.

GOPHER SWIMMING TEAM HAS SIGHTS SET ON WEST INVITATIONAL

On December 4th and 5th the University of Minnesota Men's Swimming Team will travel to Northwestern University in Evanston, Illinois, to participate in the Big Ten West Invitational meet. It will be the first major contest of the year for the young Gopher squad.

This past weekend the Golden Gopher swimming team traveled to St. Olaf College in Northfield, Minnesota, to compete in a dual meet with the Oles. The Gophers won the meet by a score of 157 to 112. Top Gopher placers were Jason Morgan, John Schmeling, Erik Egeland and Bill Asmus in the 200 medley relay, winning the event in 1:36.47.

The Gophers won 12 of 15 events during the meet. First place finishers were Engnell in the 400 IM, Kristian Stenberg in the 200 freestyle, Dan Tripps in the 100 backstroke, Darin Lindig in the 100 breaststroke, Schemling in the 200 fly and Dan Tripps a double winner in the 50 freestyle, Brett Outcalt in the 100 freestyle, Scott Smith in the 200 breaststroke, Asmus in the 500 freestyle and Dan Egeland in the 200 IM.

In the diving competition, Todd Wing won the one meter event and the three meter event to round out the competition for the Gophers.

GOPHER GYMNASTIC TEAM SET FOR WISCONSIN OPEN

On December 4th and 5th, the University of Minnesota Men's Gymnastic team will travel to Madison, WI, to participate in the Wisconsin Open.

This past weekend the University of Minnesota held it's annual alumni meet on Saturday afternoon at Williams Arena. In that competition former Gopher standouts Collin Godkin and Joey Ray participated.

Gopher varsity squad members Mike Graham, Mike Miller, Dan Zimpfer and Dale Langefels turned in outstanding performances. In addition, Jay Caputo, a freshman from Florida, turned in some "impressive numbers" on the day. In the All-Around competition Gopher teammate Mike Miller edged out Mike Graham by a combined score of 52.8 to 52.3.

Coach Fred Roethlisberger said, "We participate in that event annually to give our fans a chance to take a look at the squad before we get into our regular season schedule."

GOPHER GRAPPLERS PREPARE FOR NORTHERN OPEN

This weekend the University of Minnesota Wrestling team will travel to Madison, Wisconsin, to participate in the Northern Open Meet. The action begins on Saturday at 9:00 a.m.

Gopher placers were Keith Nix, second in the 118 pound class; Jim Hamel, fourth in the 126 pound class; Chuck Heise fourth in the 132 pound class; John Short fifth in the 142 pound class; and teammate Jim Caughey sixth at 142. Also in the 150 pound class Tim Manning finished third, Gordy Morgan finished third in the 158 pound class, Rod Sande finished first in the 167 pound class and Gopher Captain Dave Dean topped off the competition for the Gophers by winning the 190 pound class. No team scores were kept.

Named to the second defensive team was Jon Leverenz, sophomore inside linebacker from Ankeny, IA.

GOPHER CAGERS SET FOR FIRST ROAD TEST

Minnesota's fuzzy-cheeked Golden Gopher basketball team takes to the road for the first time this season on Saturday when invading Fort Collins, Colorado, for a 7:35 (MST) non-conference assignment against the Colorado State University Rams.

That challenging contest marks the initial time during the still-young 1987-88 campaign that the youthful Minnesota basketball team has been away from Williams Arena. And that fact alone has second-year Coach Clem Haskins concerned.

"It's always difficult to win on the road," Haskins acknowledges, but he also agrees with a universal belief among coaches that the FIRST road game of any season is always the toughest.

Haskins need only to look back one season to substantiate those beliefs. Minnesota did not win a Big Ten Conference road game all year, and the Golden Gophers managed only one victory (76-68 at Detroit) in non-conference action. That's 1-11 away from home in 1986-87, and Haskins would like nothing better than upping that mark his second time around.

Haskins saw some improvement in his young club in the opening week of the current campaign, and he figures his Golden Gophers must continue to make progress if they are to be winners this season.

Minnesota dropped a disappointing 70-67 decision to Drake in the season opener, but then bounced back to smother Western Illinois 84-52 earlier this week before entertaining Toledo on Wednesday.

"Our shot selection against Drake was extremely poor," Haskins pointed out, and there was obvious improvement in that department against Western Illinois when the Golden Gophers shot .625 for the contest.

The loss was especially disheartening when figuring that Minnesota had an 11-point lead that it let slip away. Against Western Illinois, the Golden Gophers jumped ahead early and instead of letting up, hammered away until they were in total command.

"It will take more work, more concentration and more effort to win," Haskins told his charges after the opening loss. The Golden Gophers had, and did, all of that against Western.

But now it is travel time, and Haskins, who has used a lot of players in the early going (he sent all 15 of his cagers into action against WIU), will continue to try to find the right combination against Colorado State.

Minnesota probably will again start with Jim Shikenjanski at center along with Richard Coffey and Willie Burton at the forward spots. Terence Williams could again open at one of the guard positions, and it appears that Melvin Newbern has played his way into the starting spot at the other.

Newbern came off the bench to score 15 for Minnesota against Drake, and in his first starting call, got 15 more against Western Illinois. Just as important, the 6-4 sophomore had four assists in the opener and three more against Western Illinois.

Coffey also has jumped off to a good start. He scored 13 in each of Minnesota's first two games, and he contributed eight rebounds against Drake and 11 against Western.

A year ago Minnesota nudged Colorado State 62-59 at Williams Arena in the first game ever played between these two schools. And now the rematch is on tap. And its AT Fort Collins.

NOTES: ½ SEASON HIGH, * Exhibition

Minneapolis, MN---Earlier this season, Denver and Minnesota were ranked 1-2 in the national college hockey polls. Everyone eagerly awaited their first series.

Well, the rankings are no longer the same, but interest in games Friday and Saturday at DU Arena in the Mile High city has not diminished. The SRO sign is already out each night when the Pioneers host the Golden Gophers for 7:35 p.m. CST games. Both games will be aired in the Twin Cities by WAYL-980 AM with KITN-TV Ch. 29 carrying Friday's contest.

Minnesota, after sweeping northern neighbor Minnesota-Duluth 6-1 and 4-2 at Mariucci Arena last weekend, returned to the #1 spot in this week's college polls. The Pioneers had been dropped from the lead earlier, and last weekend were further surprised in a giant 8-3 upset at New Hampshire Saturday. Denver did, however, gain win and a tie in its other two games on the eastern swing by defeating Boston College 6-4 Friday, and skating to a 3-3 tie with Boston University Monday.

Minnesota carries a 12-3-0 WCHA record (13-3-0 overall) good for a league-leading 24 points to Denver this weekend. The Pioneers dropped from a second place tie with Wisconsin five points behind the Gophers. DU is 9-5-1 on the season good for 19 points while Wisconsin is second at 10-6-0 with 20 points.

For Minnesota last weekend, sophomore Robb Stauber continued his outstanding play in the Gopher nets allowing UM-Duluth just three goals on 60 shots on net. Stauber has started every Gopher game this season and presently leads all WCHA netminders with a miserly 2.42 goals allowed average.

For his efforts, Stauber was Minnesota's nominee for WCHA Player of the Week honors.

Freshman center Ken Gernander gave Stauber all the lead he needed Friday by scoring two goals in the first period. Steve Orth, Marty Nanne and Peter Hankinson combined for goals 1:13 apart late in the second period to put the game out of reach. Paul Broten scored UM's lone third period goal.

On Saturday, Broten got the Gophers off and running with a shorthanded goal before junior defenseman Frank Gersich followed with his first goal of the season, both in the first period. Hankinson scored what proved to be the game winner at 0:39 of the second period and freshman Grant Bischoff later connected for a power play goal to complete Minnesota's scoring.

WOOG ON THE GOPHERS

"Some people are acting like this is an end of the world series, but it's not," Gopher head coach Doug Woog said Monday. "In this league every single series takes on the same importance.

"It's the same old deal. . .you've got to keep winning if you expect to stay in the chase. The important factor for Denver and ourselves this weekend is that neither of us want to lose any ground. We are both obviously in the hunt and do not want to fall behind other challengers.

"The fact that all three of our losses this year have come on the road must be of prime importance to both our players and Denver. So the task ahead of us is that we simply have to get all the various parts of our game working in unison. Playing at Denver is never easy. They play their rink as well as any home team in the nation. It should, if the four games there the last two years mean anything, be another great series."

Denver won the WCHA in 1985-86 and defeated Minnesota 3-0 and 3-2 for the WCHA playoff championship on DU ice. Many called that series one of the finest in college hockey history.

Last season the teams tied 2-2 before Denver won 8-5 in Denver. So Woog is 0-3-1 on Pioneer ice. He has, however, seen his teams split four games against Denver at Mariucci Arena, and also win the NCAA third place game in Providence, RI, in 1986 bringing his record vs. Denver to 3-5-1.

Overall, Minnesota leads the series with Denver 45-39-6.

GOLDEN GOPHERS BREAK FOR EXAMS

Maybe a week away from competition will help. Coach Clem Haskins knows it can't hurt. And he certainly hopes his Golden Gophers will have more success with their fall quarter exams than they have had in their first-term basketball assignments.

No games are scheduled this week for the University of Minnesota as the fall quarter comes to a close. The Golden Gophers won't be in action again until Thursday, December 17 when they play host to the University of Houston.

That 11-day break in.....or from....hardwood action will give Minnesota a chance to lick its wounds following that 80-61 setback at Colorado State University in its most-recent outing last weekend.

The loss was the second straight for the youthful Golden Gophers and the third in four starts thus far this season. It also was the most lop-sided setback of the current campaign for Haskins' reeling cagers.

To add even more concern, if not realism, to the picture, the 1-2 non-conference record that Minnesota will take into next week's game against Houston is the slowest start for a Golden Gopher five since the 1977-78 season when Minnesota won only one of its first five games. BUT....that Golden Gopher contingent came back to finish the year with a 17-10 mark, and Coach Haskins isn't ready to predict that kind of reversal for his current squad.

"We just aren't getting the job done," Haskins says. "We have some promising young players on this squad, but right now they just are not ready to contribute. We simply have to be patient with them."

Patience may be difficult to maintain, however, if the Golden Gophers don't begin to show some progress. And, while Haskins is certain that hoped-for progress will come, it was not evident at Colorado State last weekend.

"We just could not get into our offense," he explained, "but we have to give Colorado State credit for that. They really hurt us with great pressure defense."

The game itself....while similar in ways to the recent loss at the hands of Toledo....was both strange and frustrating. Against Toledo, Minnesota blew a 15-point lead, starting with a five-point play. At CSU, the Golden Gophers jumped off to a 5-0 lead, saw that bulge disappear with a seven-point run by the host club and less than five minutes later seemed out of contention.

"We made too many mistakes early in the game," Haskins analyzed, "and dug ourselves too big a hole. We tried several different defenses, but just couldn't stop them. None of them worked. It was very frustrating."

It also was frustrating to see Colorado State shoot over 60% from the field while watching the Golden Gophers struggle to notch a .41 mark. Oddly enough, the Golden Gophers took 11 more shots at the basket than CSU, but they netted five less baskets.

Tim Hanson, senior forward, was Minnesota's lone entry in double figures, and he had 11. Hanson also had five rebounds, second only to freshman forward Marlon Maxey's 12, and he hit three-of-five from the three-point range.

Haskins again used all 15 players at Colorado State in an attempt to find the right chemistry, the right combination....or someone who would contribute on a consistent basis.

And that means Minnesota's lineup for next week is totally unpredictable. Haskins could open with the same five who started against Toledo and Colorado State (Richard Coffey, Willie Burton, Jim Shikenjanski, Terence Williams and Melvin Newbern) or he could make a change or two.

Nobody will be surprised either way. The Golden Gophers are young....And learning. And remember....patience.

NOTES: * SEASON HIGH

Minneapolis, MN---For the first time since February 27-28, 1981, the Minnesota hockey Gophers enjoyed the experience of winning two games in Denver.

Last weekend saw Minnesota post back-to-back 5-3 wins with an empty net goal near the end of each contest. The series sweep runs Minnesota's season record to 15-3-0, and its WCHA-leading mark to 14-3-0 good for 28 points.

Second place Wisconsin (12-6-0, 24 points) kept pace by taking two from Michigan Tech, also on the road, while Denver fell nine points behind the Gophers at 9-7-1, 19. Minnesota-Duluth also scored a road sweep at Colorado College while Northern Michigan and North Dakota split a pair in Grand Forks.

Following Denver is a four-way jam for fourth place. Michigan Tech, Northern Michigan, North Dakota and Minnesota-Duluth are all tied at 15 points.

Now the Gophers receive a break from the ice wars while spending much of the next two weeks pounding the books during the fall quarter exam break. The team does not return to action until Dec. 18-19 against Michigan Tech at home.

Against Denver, Minnesota, as usual, received another pair of rock-solid performances in goal from sophomore Robb Stauber. Stauber stopped 61 of Denver's 67 shots on goal, with five of the Pioneer goals coming via the power play.

Stauber's league-leading goals allowed average now reads 2.49 for WCHA games, and 2.46 for all games. He also boasts a .910% save mark and has been the goalie of record in every Minnesota contest.

Although the Gopher scoring was pretty well spread around, sophomore wing Peter Hankinson and freshman center Jason Miller topped their teammates with four points apiece.

Hankinson scored three goals, two on Friday, and added an assist Saturday while Miller helped set up four goals, three of them Friday. Senior center Jay Cates chipped in with a goal and two assists while junior defenseman Todd Richards added three assists. Sophomore wing Scott Bloom hit two goals Friday.

On Friday, senior Paul Broten, after taking a mid-ice feed from Miller, scored into an empty net for the clincher with 47 seconds remaining. It was also a shorthanded goal as Denver was already skating with a man advantage before pulling freshman goalie Lucier Carignan.

The next night sophomore defenseman Randy Skarda grabbed the puck in his own end and fired it more than 100 feet into the net with nine seconds left to play. That goal, Skarda's 13th of the season, leaves him just two shy of the school record for goals by a defenseman in a single season. Tops is the 15 by Mike Knoke in 1980-81.

Both Broten, who had two points on the weekend, and Hankinson pulled into a first place tie with Skarda in the Gopher scoring derby. All three have scored 20 points on the season. Broken down in goals and assists, Skarda is 13-7, Broten 6-14 and Hankinson 11-9.

WOOG ON THE GOPHERS

"I believe the big difference for us at Denver last weekend was that our veteran players sensed the importance of that series and played just that way," head coach Doug Woog said Monday.

"Men like (Steve) Orth, (Paul) Broten, (David) Grannis, (Todd) Richards, (Brett) Nelson, (Jay) Cates and others were tops both on the ice and in setting the stage in the lockerroom for our younger players. These players stressed just how important each point was this weekend and it filtered all the way down.

"As a matter of fact, we did not have a single player who graded out below par last weekend. We also commended our men for their defensive concentration in the second game after we lost junior defenseman Dave Espe to injury. We had to kill off eight power plays and only allowed two goals. That, by itself, showed a tremendous work ethic by everyone."

Espe suffered a foot injury in Friday's game and was to be checked out by the Gopher medical team today. The extent of his injury is unknown at this time.

GOLDEN GOPHER CAGERS RETURN TO ACTION

After a short break for fall-quarter examinations, the University of Minnesota basketball team returns to action this week with one game at home and one on the road.

First on the agenda for Coach Clem Haskins and his Golden Gophers is the University of Houston which is scheduled to invade Williams Arena on Thursday for a non-conference game at 7:05 p.m.

Then Minnesota is slated to journey to Muncie, Indiana, to take on Ball State University in another non-conference confrontation Saturday. Tip-off for that shootout is set for 3:30 p.m. (EST).

Haskins charges have been idle since December 5 when they lost at Colorado State University. Since then, the Golden Gophers have been hitting the books instead of the hardwood and will return to action against the Houston Cougars Thursday with a 1-3 record.

That slow start is causing some concern, but the fact that Minnesota is so young and has been starting five sophomores might explain part of the problem.

Last week Coach Haskins said, "We have some promising young players on this squad, but right now they just are not ready to contribute. We have to be patient with them."

And that ailment....while it should be getting better....isn't expected to disappear this week. However, after playing all 15 Golden Gophers in their last few starts, Haskins is expected to begin decreasing that number to about 10 as the Big Ten Conference opener approaches.

Haskins also has used a variety of starting lineups through the first four games, and while the openers remain somewhat uncertain for both of the assignments this week, there are several familiar names which will appear in Minnesota's box score.

Jim Shikenjanski, a 6-9 sophomore, is expected to be the starting center, and Richard Coffey, a 6-6 sophomore, is the likely opener at one of the forward positions.

The other forward spot could again be manned by Willie Burton, a 6-7 sophomore. However, if Burton does not get the nod, it likely will go to Tim Hanson, a 6-6 senior.

Haskins has done most of his alternating at guard as he continues to search for the leader who can run Minnesota's offense. Expected to get the call in the backcourt against Houston are Kim Zurcher, a 6-2 senior, and Melvin Newbern, a 6-4 sophomore.

Other guards who either have started or seen extensive action in the early games are Terence Williams, a 6-1 sophomore; Ray Gaffney, a 6-2 junior; and Kevin Lynch, a 6-5 freshman.

Following this week's two games, Minnesota returns to Williams Arena to entertain Marquette University next Tuesday at 7:05 p.m. And that will be the final pre-Christmas assignment for the Golden Gophers.

Minneapolis, MN---Mike McDonald and Bob O'Grady of the U. of Minnesota men's athletic department staff, have received the 1987 National Groundskeepers of the Year award originated by Diamond-Dry and Collegiate Baseball Newspaper.

This award, presented annually, is given in recognition of outstanding service to a college baseball program by individuals who are responsible for grooming the baseball playing field as well maintaining the entire stadium.

Both men will be honored in January at the annual convention of the American Baseball Coaches Association of America in Atlanta.

There have been many who have said that Minnesota's Siebert Field, named after the late Golden Gopher head coach Richard "Chief" Siebert, is one of the finest college facilities in the nation. Now you know why.

McDonald, 32, is a native of the Twin Cities. He graduated from Totino Grace High School in 1972 and received a degree in architectural engineering from Dunwoody Institute in 1975.

He joined the U. of M. staff the same year while taking night school courses in turf management. His first work was at the University Golf Course staff and Mariucci Arena, the school's hockey stadium. He is presently athletic department grounds crew foreman. Mike is married to the former Maureen Cullen and they are parents of daughter Kelly, age 2.

O'Grady, 34, a native of Park Ridge, IL, spent several years working to gain residence and funds to attend the University. He enrolled at UM in 1976, but on several occasions had to drop out of school to work with the campus maintenance staff.

Besides his work at Siebert Field, O'Grady doubles in the winter working in Williams Arena, the campus basketball facility. Bob is single and is just 42 credit hours short of gaining his undergraduate degree. He, too, is taking course work in turf management.

"My initial reaction to this award was the recognition it gives to college baseball in the North, to the Big Ten and Siebert Field itself," Gopher head coach John Anderson says. "The award given to these men proves what can result from dedicated work when we are supposed to be in an area of harsh spring climates. It further underscores the quality of our facility.

"Once our stadium was named in honor of Coach Siebert, it was up to us to maintain the traditions he established of having the best facility possible. Sometimes reaching his levels of excellence are overwhelming.

"Mike (McDonald) and Bob (O'Grady) have worked extremely hard to uphold these same traditions and are certainly deserving of this prestigious award. All of us connected with our baseball program are justly proud of their reward."

FOR THE LATEST IN GOPHER SPORTS DIAL 612-625-7887

Minneapolis, MN---After taking a week off, the number one ranked U. of Minnesota hockey Gophers return to the WCHA wars this weekend hosting Michigan Tech Friday and Saturday at Mariucci Arena.

Both 7:35 CST games will be aired locally by WAYL-980 AM with WCCO-830 AM carrying Friday's contest.

The Gophers, following a week preparing for fall quarter exams, also remained #1 in the WCHA with their 14-3-0 record good for 28 points. Its margin over second place Wisconsin (12-6-0, 24) remained constant as the Badgers were also idle last weekend.

Michigan Tech comes to Mariucci Arena as the most improved team in the WCHA. The Huskies, fresh off a road sweep at North Dakota last weekend, have won seven of their last nine games and moved into sole possession of fourth place in the Association standings. Tech is 9-9-1 for 19 points on the season.

It was originally believed that the Gophers, after returning from its road sweep in Denver Dec. 4-5, may have lost the services of two defensemen for an undetermined period. Examinations, however, proved that senior Brett Nelson and junior David Espe only suffered minor injuries and both are expected to be in the lineup against Michigan Tech.

Minnesota head coach Doug Woog was able to schedule practice sessions every day last week, and his Gophers take but one day, Wednesday, off this week working around the exam schedule.

Several Gophers have placed themselves in a position where they could set school records before this season is over. Sophomore defenseman Randy Skarda, who has led the Gophers in scoring from the first series of the year, is just three goals away from a new UH standard.

In the first 18 games this season, Skarda has recorded 13 goals, tops on the varsity, and only needs three more goals the rest of the season to set a new high for Gopher defenseman. The school record is 15 goals scored by defender Mike Knoke in 1980-81.

Another defenseman, junior Todd Richards, is closing in on the career record for most points and most assists by a defenseman at Minnesota. To date, Richards, in 100 career games, has scored 80 assists and 95 points.

The school record for career assists by a defenseman, 93, was set last season by Gary Shopek (1984-87). The record for most points in a career is 118 set by All-America defender Bill Baker in 1976-79.

There are other marks that could, later in the season, be surpassed by several varsity members. It will take, however, a much higher number of goals, saves, assists, games played, etc. to bypass any additional school records.

JOHNSON KEYNOTES BLUE LINE CLUB LUNCHEON FRIDAY

Bob Johnson, former head coach at Colorado College and Wisconsin of the WCHA, and the NHL Calgary Flames, and today executive director of AHAUS in Colorado Springs, will be guest speaker noon Friday for the GOLDEN GOPHER BLUE LINE CLUB luncheon at the Radisson University Hotel.

The public is invited to break bread and talk hockey with not only Mr. Johnson, but also head coaches Doug Woog of Minnesota and Herb Boxer of Michigan Tech. The Gophers and Huskies play 7:30 p.m. WCHA games Friday and Saturday at Mariucci Arena.

The Blue Line Club provides a drawing for several excellent prizes at each luncheon, and also offers for sale a brand new line of Gopher hockey sweaters, jackets, caps, pins, etc., all containing the club logo. Each of the latter items makes an excellent Christmas gift.

Advance reservations are requested by calling 379-8888.

GOPHERS TO HOST BETHUNE-COOKMAN & GRAMBLING

After entertaining Marquette University on Tuesday, the University of Minnesota will take the week end off for a brief Christmas break before hosting Bethune-Cookman next Monday and Grambling next Wednesday.

Those two shootouts at Williams Arena will close the home portion of this year's non-conference schedule for Coach Clem Haskins and his cagers. Minnesota then journeys to Wichita State for its final non-conference game of the year on January 2. The Golden Gophers open their Big Ten slate on January 7 when hosting Illinois.

Minnesota came into this week's action with an overall record of 3-3 after posting two-straight victories against non-conference foes last week.

First the Golden Gophers upset Houston University of the Southwest Conference 65-60 at home. Then Minnesota invaded Muncie, IN, and topped Ball State University of the Mid-America Conference 75-67.

Both were considered very big wins for the struggling Golden Gophers. Houston had been impressive in its early games and was considered a first-division entry in the Southwest Conference. And the win at Ball State was the first road conquest of the campaign....and in almost a year....for Haskins' squad.

"We played smart down the stretch against Houston," Haskins said after that win over the Cougars. "For the first time this year we really showed some concentration."

And, after having lost two in a row prior to the Houston confrontation, Minnesota NEEDED a win. "I was really pleased for our young players," he said. "The win has to help get their confidence level back where it belongs."

Haskins wasn't predicting any championships after that lone conquest, however. "We still have plenty of rough spots," he admitted, "but we are making progress. And we are very pleased with our new-found level of intensity."

At Ball State, Haskins made it plain that while it may not have been a masterpiece, "It's a win on the road!" And, at the same time, it enabled Minnesota to even its record at 3-3.

"We made some mistakes again," Haskins admitted, "but we hope that we can learn from our mistakes. I don't like to keep telling people how young we are, but we have to strive for improvement through consistency."

Apparently those "young people" Haskins has eluded to in the past couple of weeks are beginning to mature. Melvin Newbern, sophomore guard, drew special praise from Haskins for his play last week.

"I'm really pleased and proud of Melvin's play the last two games," Haskins said after the 6-4 cager netted 24 against Houston and 20 at Ball State. Even more impressive, were his seven steals in that latter game.

Haskins also tipped his hat to Willie Burton, sophomore forward, who came off the bench at Ball State to net 10 points and four rebounds. "We talk about getting more consistent play from our people," Haskins pointed out, "and Willie showed us the kind of consistency we are looking for at Ball State."

Minnesota has gone with the same starting lineup the last two outings.... Tim Hanson and Richard Coffey at forwards, Jim Shikenjanski at center and Newbern and Kim Zurcher at guard. No change in that pattern is expected.

NOTES: * SEASON HIGH

Minneapolis, MN---As in all good things, they eventually come to an end.

For the Minnesota hockey Gophers, the "end" was a resounding crash last Saturday when Michigan Tech exploded for six third period power play goals, seven goals total in the period, to take an 11-3 victory and end a Gopher 7-game winning streak.

The night before saw Minnesota beat the Huskies 8-2 and stretch its WCHA lead to six points over idle second place Wisconsin. Minnesota now has a 15-4-0 WCHA record for 30 points while Wisconsin remained 12-6-0, 24. Michigan Tech is tied for fourth place at 10-10-1, 21. The Gophers are 16-4-0 overall.

Freshman forwards Ken Gernander and Grant Bischoff led the Gopher attack Friday with two goals apiece as the Gophers jumped to a 5-1 first period lead and were never threatened.

Last year Gernander (Greenway of Coleraine and Bischoff (Grand Rapids) battled it out for scoring honors in the Iron Range Conference as high school seniors. Gernander edged his present teammate in the final tally.

While the Gophers were scoring eight times, UM goalie Robb Stauber (Duluth) allowed but one score in 53 minutes lowering his goals allowed average to 2.42 in 18 WCHA games.

So much for the winning streak. Saturday saw Michigan Tech get a quick jump on the Gophers and never let up. The Huskies held periods leads of 3-2 and 4-2 before the explosion.

The latter began at the 8:25 mark of the final stanza when Gopher center Paul Broten was given a 5-minute major penalty and a game disqualification. That meant Minnesota had to skate shorthanded for the next five minutes.

Michigan Tech wasted little time hitting its first power play goal at 8:52. In the next four minutes the Huskies pounded in four more goals and the game was all but over.

The game disqualification penalty is Broten's second of the year meaning he must sit out Minnesota's next two games.

Head coach Doug Woog mercifully pulled Stauber after the ninth goal and inserted reserve Al Fritsinger (Coon Rapids) who allowed the final two MTU scores. Stauber's league-leading goals allowed average rose to 2.79.

"At times it seemed that every line Michigan Tech put on the ice was faster than the last unit," coach Woog said after Saturday's contest. "They got a quick jump on us and never let up.

"I have never experienced anything like what happened in the third period. I believe, however, that our players know what happened and why. They will bounce back after the holidays. No winning streak lasts forever, but we are still in first place and will have to put all the pieces back together."

In the meantime, the Gophers ended the weekend with a new scoring leader. Sophomore wing Peter Hankinson (Edina) recorded two assists in each MTU game and now has 24 points (11-13) for all games this season. He is two points ahead of former leader Randy Skarda (West St. Paul) and Broten. Skarda has a team-high 13 goals with nine assists while Broten's totals read 7-15.

The Gophers, after practicing Monday and Tuesday, take five days off before coming back to Mariucci Arena Sunday for the annual Skate With The Gophers day from noon to 2 p.m. That same evening features an Old Timers game at 5 p.m. followed by the Gopher-Alumni game at 6:30 p.m.

Next games for UM are New Years Eve against Team USA and January 2-4 against Boston University and Boston College. All three are home games.
