SOCCER

GOPHERS HOST A PAIR OF NON-CONFERENCE GAMES OVER THE WEEKEND — The Minnesota Golden Gopher women's soccer team will be looking for its first victory of the year this weekend, when the team hosts a pair of non-conference games Friday and Sunday. Minnesota, 0-0-1, will play Wisconsin-Milwaukee Friday, Sept. 9, at 4 p.m., and Division II St. Cloud State on Sunday, Sept. 11 at 2 p.m. Both games will be played at the St. Paul Campus Soccer Field.

A LOOK AT THE OPPONENTS--

WISCONSIN-MILWAUKEE — Like Minnesota, 1994 will be the first year the Panthers will compete in a conference. The Midwestern Collegiate Conference (MCC,) will include women's soccer among its list of championships.

UWM returns five of its top six point producers from last season, including senior Betsy Ribares, who scored 14 goals and had five assists for 33 points. Overall, the team returned seven starters from a team that finished 8-9-2 in 1993.

The Panthers opened the 1994 campaign last weekend, defeating Northwestern, 3-2, in overtime and losing, 4-0, to Wisconsin. Ribares contributed two goals in the win.

THE SERIES — The Panthers lead the series 1-0. UWM defeated Minnesota, 5-2, in Milwaukee, Wis., in the last game of 1993 for both teams.

ST. CLOUD STATE — The Division II Huskies are competing in their first season of varsity soccer. St. Cloud State is coached by Colleen Edwards and will compete as an independent.

GOPHERS, MICHIGAN STATE BATTLE TO TIE IN SEASON OPENER — The Big Ten Conference's first women's soccer match ever, did not produce the first Big Ten Conference victory.

After 120 minutes of play on the rain-soaked St. Paul Campus Soccer Field, the Gophers and the Spartans of Michigan State finished the historic event tied 1-1.

Michigan State scored early on Becky Ketola's unassisted goal at the 3:31 mark of the first half, taking the 1-0 lead into the second half. But Gopher **JENNIFER WALEK (LAKE ELMO, MN/NORTH ST. PAUL)** tied the game for good with a goal at the 56:12 mark, assisted by sophomore **ERIN HUSSEY (PLYMOUTH, MN/ARMSTRONG)**. The goal was Walek's 23rd of her career after scoring 22 last season.

Also contributing in the game was sophomore goalkeeper **TERESA O'HEARN (CHAMPLIN, MN/ANOKA)**. O'Hearn finished the game with 13 saves, tying her career-best.

GOLF

MINNESOTA TIES FOR SECOND AT HOME —The Minnesota women's golf team tied for second place at the Minnesota Golf Invitational this past weekend, in their only home tournament of the 1994-95 season. The Gophers and Penn State each had 54-hole totals of 963, with Minnesota having rounds of 325, 325 and 317. Iowa State played consistent golf to win the two-day tournament with rounds of 316, 317 and 316-950. The invitational, at the Les Bolstad University of Minnesota Golf Course in Falcon Heights, Minn., played at 5,955 yards and had a par of 74.

SCHMIESING COMES FROM BEHIND TO WIN BY THREE — Senior AMY SCHMIESING (SPICER, MN/SPICER-NEW LONDON) came from a six-way tie for fourth place and seven strokes back after 36-holes to win the Minnesota Golf Invitational by three strokes. Schmiesing carded a one-under par final round for her second collegiate victory. She had rounds of 81, 78 and 73 for 232.

Sophomore MAUREEN REGAN (OMAHA, NE/MARIAN) finished third with two collegiate personal best scores after rounds of 82, 80 and 74 for 236 strokes. Her final round 74 and 54-hole total of 236 were her collegiate low scores.

Rounding out the Gophers in the top 10 was senior ANGIE AUSE (RED WING, MN/CENTRAL) after she finished in a two-way tie for eighth place with a three-round mark of 240 after rounds of 80, 77 and 83.

All results can be found at the end of the release.

CROSS COUNTRY

GOPHERS HOST INTRASQUAD/ALUMNAE MEET— Minnesota will host its annual intrasquad/alumnae meet Saturday, Sept. 10, at the Les Bolstad University of Minnesota Golf Course at 11 a.m. The Gophers first regular season meet is Saturday, Sept. 17, when they host Drake at 11 a.m., at the Les Bolstad University of Minnesota Golf Course. Admission is free.

WILSON LOOKS FOR CONSISTENCY IN 1994— Consistency...Consistency... Consistency...When looking at head coach Gary Wilson and the Minnesota cross country program, consistency is the first word that comes to mind and 1995 should do nothing to disrupt the trend. The Wilson-led Gophers have finished in the upper half of the Big Ten in each of the last seven seasons and have finished in the top five of their region during that time. They also have made their mark nationally, appearing in the Top 25 of the country six of the last seven years, including a No. 24 national-ranking last season.

Although always a model of consistency, Wilson will have some questions to answer for his team to be successful in 1994. The Gophers lost top runner Jessica Langford to graduation and Julia McGough has decided not to return to the team. Langford, the Gophers Most Valuable Runner in 1993, finished fourth at the Big Ten championships and advanced to the NCAA championship meet at Lehigh University in Allentown, Pa. McGough earned Most

Improved honors last year for the Gophers and finished 22nd at the Big Ten race. She also won the Minnesota Open with a meet record time of 14 minutes and 17 seconds.

But things aren't all bad, as the Gophers do return six of eight runners who competed in the Big Ten championships last season, including junior LORI TOWNSEND (CLARKSBORO, NJ/KINGSBURY). Townsend set a Minnesota varsity record in the 5,000 meters during indoor track season and later finished 10th at the NCAA championships, earning all-America honors. She finished 14th at the Big Ten cross country championships and 11th at the Region IV meet. Townsend was also named an academic all-American by the NCAA Women's Cross Country Coaches Association.

Returning with Townsend from last season's Big Ten squad are seniors ANGIE ABBOTT (WINONA, MN), ANDREA GROVE (WINNEPEG, MB, CANADA/TUXEDO SHAFTSBURY), RICKI VAN AMBER (ALEXANDRIA, MN) and KRISTEN GOELZER (JANESVILLE, WI/JOSEPH CRAIG). Abbott won the Coaches Award last season for the Gophers and finished 36th at the Big Ten meet. Grove consistently placed in the upper half of her races and will be counted on for the same results this year. Van Amber, a captain with Abbott, ran a strong race at the Nike Invitational last year and will provide much needed leadership this season. Goelzer finished 26th at the Maine Invitational and was an Academic all-Big Ten selection in 1993.

A strong group of sophomores return with JENNY ELLIOTT (REGINA, SK, CANADA/SHELDON-WILLIAMS COLLEGIATE), KAREN MARIE KLEINDL (GRACEVILLE, MN/CLINTON-GRACEVILLE), KERI ZWEIG (EXCELSIOR, MN/MINNETONKA) and BRIDGET NEUTGENS (OLIVA, MN) leading the way. Elliott was named Frosh of the Year last season after competing in both the Big Ten and Region IV meet, the only newcomer to do so. Kleindl finished ninth at the St. Olaf Invitational and showed much promise last season. Zweig and Neutgens competed in all three track seasons for the Gophers and should make an impact this season.

The biggest impact in 1994 could be made by the newcomers of LISA ARO (LORETTO, MN), ANDREA SWANSBY (PEWAUKEE, WI), ANDREA LENTZ (WILLMAR, MN) and KARI THOMPSON (ALEXANDRIA, MN). Aro was a swimmer until her junior year of high school when she decided to run cross country. She won the Minnesota state cross country meet two months later and the attention of many college coaches. Swansby, Lentz and Thompson also have a great deal of potential and will be fighting for roster spots immediately.

THE COACH: GARY WILSON: Wilson enters his ninth season as the leader of the Gophers cross country team.

A LOOK BACK —

GOPHERS FINISH 2-1 IN NORTH CAROLINA- The Gophers tallied a pair of victories at the Triangle Invitational in Chapel Hill, N.C. last Friday, defeating Tennessee, 3-1, and North Carolina, 3-0. Minnesota then suffered its only loss of the week, falling to 20th-ranked Duke 3-1 on Saturday.

Senior cocaptain JEAN SCHINTZ (WHITE BEAR LAKE, MN) led the way against Tennessee, recording 16 kills, while junior HEIDI OLHAUSEN (APPLE VALLEY, MN/LAKEVILLE) had 12 kills. The Gophers outhit the Volunteers .293-.200. Minnesota won the match 15-7, 14-16, 15-12, 15-9.

Olhausen led the team with 13 kills and hit .434 against North Carolina. After winning game one, 15-7, the Gophers led 8-3 in game two before the Tar Heels rebounded and tied the game 10-10. North Carolina tied the game 14-14 and Minnesota faced game point three times and the Tar Heels had game point twice. In the end, the Gophers led 19-18 when a Tar Heel hitting error sealed game two for Minnesota, 20-18. The Gophers won game three, 15-7, to sweep the match.

--more--

Sophomore KATRIEN DEDECKER (BREDENE, BELGIUM) had 23 kills against Duke and four other Gopher players recorded double digit kills against Duke, but the Blue Devils prevailed 16-14, 10-15, 15-9, 15-7. Frosh BECKY BAUER (BLOOMINGTON, MN/JEFFERSON) had 58 assists in the match.

INJURY REPORT — The eight matches in nine days took their toll on the Gopher lineup, as junior setter KATE CALLAHAN (LAKEVILLE, MN) sprained her ankle in the Tennessee match and was sidelined for the remainder of the weekend. Her status for next weekend is questionable.

SCHLEUDER ADDS TO LIST OF ACCOMPLISHMENTS — Head coach Stephanie Schleuder became Minnesota's all-time winningest volleyball coach with the win over North Carolina on Saturday. Schleuder's record at Minnesota is now 247-161. Schleuder passed former Gopher coach Linda Wells, who had 246 victories at Minnesota.

Schleuder, currently eighth among active Division I coaches, is 545-273 in her career.

THE LEADERS— DeDecker leads the Gophers in kills through the first eight matches with a total of 113, an average of 4.04 per game. DeDecker is hitting .274. Schintz is the team leader in hitting percentage at .316. She has recorded 75 kills on 158 attempts with 25 errors. Olhausen is second on the team in kills with 80 and leads in digs with 73. SOCCER

GOPHERS TRAVEL TO MADISON, WIS., TO FACE TOUGH NON-CONFERENCE OPPONENTS — For the first time this season, the Minnesota women's soccer team (2-0-1) will play a game away from the St. Paul Campus Soccer Field. Minnesota will travel to Madison, Wis., to face Colorado College and nationally-ranked William & Mary. The Gophers will face Colorado College Saturday at noon, and William & Mary Sunday at noon.

A LOOK AT THE OPPONENTS

COLORADO COLLEGE — The Tigers enter the weekend 0-3-1. Colorado College opened the year with a 5-2 loss to #15 Hartford, followed by a 1-0 loss to Oregon State. This past weekend, the Tigers lost 3-1 in overtime to Cal-State Sacramento on Saturday, before tying #14 California 0-0.

Colorado College has been outscored 9-3 this season, with two of the Tigers goals coming from junior Katie Shenk. Sophomore Meagan McGuire scored the Tigers only other goal this season.

MINNESOTA CONNECTION — Three Minnesotans appear on the Colorado College roster. Frosh Emily Sherer is from Minneapolis, while junior Amy Snyder and frosh Jaime Haire are residents of Burnsville.

THE SERIES — This will be the first meeting between the Tigers and Minnesota. Colorado College is coached by first-year head coach Nicole Crepeau.

WILLIAM & MARY — The Tribe entered the season ranked 10th in the preseason ISAA Collegiate Soccer Rankings, and have done little to lose its position. William & Mary began the season with a 10-0

victory over American and a 8-0 win over Old Dominion. The Tribe suffered its first loss of the year at home on Sunday when #3 Notre Dame defeated W & M 4-3 in overtime.

The Tribe finished last season 12-5-1 and lost in the first round of the NCAA tournament to Wisconsin, 1-0 — marking the ninth time in 10 years William & Mary reached post-season play.

This season, the bulk of the scoring has been handled by two-time All-American Natalie Neaton. Neaton, a junior, has scored six goals and recorded an assist for 13 points. Neaton is the only Tribe player to have recorded more than 10 points this season, but is one of eight W & M players to have scored at least one goal.

THE SERIES — This will be the first meeting between William & Mary and Minnesota. W & M is coached by John Daly. Daly is in his eighth season and has an overall record of 89-39-9 at W & M.

COACH MONTAGNE — Gopher head coach Sue Montagne is in her second season at Minnesota. Montagne's overall record is 15-6-1.

WEEKEND AT HOME PRODUCES A PAIR OF WINS FOR GOPHER SOCCER TEAM — Minnesota earned its first and second victories of the season, as the Gophers defeated Wisconsin-Milwaukee, 5-1, and St. Cloud State, 9-0. Both matches were played at the St. Paul Campus Soccer Field.

Against Wisconsin-Milwaukee, frosh JENNIFER MCELMURY (WHITE BEAR LAKE, MN/WHITE BEAR LAKE) scored her first and second goals of the season, as the Gophers built a 3-1 halftime lead before coasting to the 5-1 victory. Also scoring their first goal of the season in the win were junior GRETCHEN BRANDT (SHOREVIEW, MN/STILWATER), senior ELLEN PETERFESO (LAKE ELMO, MN/HILL MURRAY) and frosh NELLIE BARNES (SNELLVILLE, GA/BROOKWOOD).

Against St. Cloud State, nine different Gophers earned at least one point in the 9-0 victory. Seven Gophers scored a goal, including sophomore JENNIFER WALEK (LAKE ELMO, MN/NORTH ST. HUSSEY TIES SCHOOL RECORD IN WIN OVER ST. CLOUD — Sophomore ERIN HUSSEY (PLYMOUTH, MN/WAYZATA) scored one goal and had one assist in the win over St. Cloud State. With the assist, Hussey tied the school record for most consecutive games with at least one assist at five games. Hussey, who is tied with Brandt, began her streak last season against Marquette and now has eight career assists — second most in the program's short history.

GOLF

HAWKEYE INVITATIONAL NEXT FOR GOPHERS — The women's golf team travels to Iowa City, Iowa this weekend for the Hawkeye Invitational, Sept. 17-18. The 54 hole tournament will be at the University of Iowa's Finkbine Golf Course, with 36 holes on Saturday and the final 18 holes Sunday. The course has a par of 72 and will play between 5,800 and 6,500 yards.

Ten teams, including Minnesota, will be in the field. The others are Iowa, Iowa State, Kansas State, Northern Illinois, Indiana, Southern California, Northwestern, Purdue and Washington.

Kathy Williams, Minnesota head women's golf coach, says four Gophers are exempt from qualifying for the tournament. The remaining two slots will be decided after qualifying rounds this week.

Playing No. 1 for Minnesota will be senior AMY SCHMIESING (SPICER, MN/SPICER-NEW LONDON), with sophomore MAUREEN REGAN (OMAHA, NE/MARIAN) playing at No. 2. Senior ANGIE AUSE (RED WING, MN/CENTRAL) is at No. 3 and senior JENNY KAISER (RICHFIELD, MN) will be at No. 4.

Minnesota did not compete at the Hawkeye Invitational last year, which was rain-shortened to 18 holes. Illinois won the team title with an 18-hole total of 300 strokes and Becky Biehl of Illinois was the medalist with a 72.

TENNIS

GOPHER TENNIS TEAM OPENS SEASON AT WILLIAM & MARY INVITATIONAL—The Minnesota Golden Gopher women's tennis team opens its season Friday at the William & Mary Invitational in Williamsburg, Va. In addition to the Gophers, seven other teams will compete in the tournament. They include: William & Mary, South Florida, Virginia Commonwealth, Marquette, Richmond and Wisconsin and Illinois.

SEVEN LETTERWINNERS RETURN TO GOPHER LINE-UP—Since Gopher head coach Martin Novak arrived on the University of Minnesota campus in 1991, Minnesota has finished 10th once and seventh twice at the annual Big Ten championships. This season, the pattern of previous years should change, as Novak returns eight letterwinners and welcomes a pair of frosh who are ranked in the top 75 nationally.

Leading the list of returnees are sophomore TIFFANY GATES (GRANDVILLE, MI/GRANDVILLE) and senior co-captain SUSAN CULIK (CHAPIN, SC/CHAPIN). Gates finished last season with a 17-11 overall record and was the first Gopher to be named to the all-Big Ten team since assistant coach Jennie Coughlin, formerly Jennie Moe, accomplished the feat in 1992. Gates accomplished many things in 1993-94, including being the first Gopher since Coughlin in 1991 to win three matches at the 64-player Rolex Regional Qualifier. Gates also won her first nine singles matches to place her fourth on the all-time consecutive win list in school history.

Culik finished last season 12-19 overall in singles and, like Gates, competed at the Rolex. Culik lost her first match, but battled back to the quarterfinals of the consolation bracket before losing again.

Also planning to contribute to the Gophers' success this year will be four other returnees and two newcomers. Senior BRIDGET FERGUSON (BURNSVILLE, MN/EDEN PRAIRIE) and junior DANA PETERSON (APPLE VALLEY, MN), should find themselves in the line-up throughout the year. Ferguson played mostly No. 5 and No. 6, finishing the year 13-8 overall. Peterson competed at the No. 4 and No. 5 spots and was 8-18.

Senior AMY ERSKINE (EDINA, MN) played in six matches last season, finishing 1-5, while junior KATHY WAYNE (TEMPE, AZ/CORONA DEL SOL) played 11 times and finished 6-5. The only other returning Gopher is sophomore APRIL STREET (BATON ROUGE, LA/BROADMOOR), who started last season 4-0, but finished 4-3 before missing the rest of the year with a shoulder injury.

Joining the Gophers this season is the duo of JENNIFER HAYES (FOND DU LAC, WI/GOODRICH) and JENNY SVEHLA (NAPERVILLE, IL/CENTRAL). Hayes graduated from Goodrich High School in Fond du Lac, Wis., and was ranked 50th in the nation in 1992 for 16-and-under. Svehla comes to Minnesota from Central High School in Naperville, Ill., and had a combined record of 95-9 in three years of high school in both singles and doubles, in addition to being ranked 73rd in the nation in singles in 1992.

GOPHERS HOME FOR WEEKEND TO PLAY WITH GRIZZLIES AND WILDCATS — The Minnesota Golden Gopher women's soccer team (5-3-3 overall, 1-2-2 Big Ten Conference), will remain at home for a second consecutive weekend, facing the University of Montana, Friday, at 4 p.m. and Northwestern, Sunday, at 2 p.m. Both games will be played at the St. Paul Campus Soccer Field.

Montana and Northwestern will play on Saturday at the St. Paul Campus Soccer Field, beginning at 2 p.m.

A LOOK AT THE OPPONENTS—

MONTANA LADY GRIZ — Montana comes to Minneapolis with a 4-3 record. The Lady Griz are in their first season of varsity soccer and play as a Division I independent.

Montana has won three of its last four games, defeating Gonzaga, 1-0, Oct. 8, Whitworth College, 4-0, Sept. 18 and Albertson College, 5-0, Sept. 16. Montana's only loss in the last four games was a 1-0 decision at Colorado College, Sept. 24. Colorado College happens to be the only common opponent between Minnesota and Montana. Minnesota and Colorado College played to a 1-1 tie, Sept. 17 in Madison, Wis.

Offensively, the Lady Griz have relied on the services of frosh Courtney Mathieson. The Redmond, Wash., native has scored five goals for a total of 10 points. Mathieson scored with less than three minutes left in regulation to help the Lady Griz to their most recent win over Gonzaga.

Mathieson is the only Montana player with 10 or more points. Frosh Lisa Oyen and Stacey Forslund are tied for second on the team in scoring with eight points apiece.

As a team, Montana has scored 15 goals and recorded eight assists for 38 points. The Gophers, on the other hand, have 31 goals and 24 assists for 86 points.

ON THE ROAD AGAIN — Friday's game will be the third consecutive game for the Lady Griz away from Missoula, Mont. However, it is not the last, as the Griz conclude their season with 10 games on the road. Montana's final home game was Sept. 18.

A HOMECOMING OF SORTS — A native of Minnesota, Lady Griz head coach Betsy Duerksen was a two-time all-American soccer player at Edina High School in the Twin Cities. She also competed in softball and basketball at Edina.

Following high school graduation in the spring of 1984, Duerksen, formerly Betsy Ready, became the only four-time all-American athlete ever at Boston College. Duerksen was named Boston College's Female Athlete of the Decade for the 1980s.

Duerksen began coaching in 1988 as an assistant at Brown University. She coached at Brown for one year, Boston College in 1989 and 1990 and Seattle University from 1991-93. Her 1993 team qualified for six-team NAIA national tournament and Duerksen was named NAIA National Coach of the Year.

THE SERIES — Minnesota and Montana have never played in women's soccer.

NORTHWESTERN WILDCATS — The Wildcats are in the midst of four game winless streak. Northwestern tied Wisconsin-Green Bay, 1-1, Friday, but lost its three previous games to Northern Illinois (3-0), Michigan State (4-0) and Michigan (4-0).

Northwestern is currently 2-7-2 overall and 0-3 in the Big Ten Conference. Northwestern's two wins this season have been against Aurora, 8-0, on Sept. 25 and Valparaiso, 3-0, on Sept. 13.

As a team, Northwestern has scored 15 goals this season and recorded eight assists for 37 points.

MINNESOTANS LEAD WILDCATS — Wayzata High School graduate Stephanie Erickson leads the Wildcats in scoring this season. The Plymouth, Minn., native has scored five goals and recorded an assist for 11 points. Erickson is the only Wildcat with 10 or more points.

Minneapolis native Beth Reite is tied for second on the team in scoring with three goals and an assist for seven points. Reite is tied with Catherine Kidani (2 goals, 3 assists).

Northfield, Minn., native Wendy Scholz has played 1,062 minutes of a possible 1,110 minutes in goal this season for Northwestern. Scholz has allowed 23 goals, recorded 117 saves and earned 1.95 goals against average.

--more--

FOUR OF A KIND? — Northwestern's three Big Ten Conference losses this season have come against Indiana, Michigan and Michigan State — all by identical 4-0 scores.

HEAD COACH MARCIA MCDERMOTT — First-year Wildcat head coach Marcia McDermott is in the midst of her fifth season as a head coach. McDermott went to Northwestern after three seasons at the University of Arkansas in which she guided her team to three winning seasons. McDermott's other season of head coaching was at the University of Maryland.

McDermott overall record as a head coach is 32-42-3.

THE SERIES — Minnesota and Northwestern have never played in women's soccer.

GOPHER NOTES —

HEAD COACH SUE MONTAGNE — Gopher head coach Sue Montagne is currently in her second season with Minnesota and her second season as a head coach. Montagne's record at Minnesota and overall career coaching record is 18-9-3 (.650)

HOME SWEET HOME — The Gophers have played 12 games at home in almost two seasons of varsity soccer. Minnesota is 10-2-1 at home, having outscored its opponents 57-10.

THREE IS NOT A CROWD — Minnesota is 14-0 lifetime when the team scores three or more goals.

NO MORE OVERTIME — Minnesota played its fourth overtime game of the 1994 season and the program's fifth overtime game, Sunday, against Penn State. The Gophers are 0-2-3 in overtime games. Minnesota has never scored a goal in overtime.

ATTENDANCE RECORD BROKEN — Sunday's game between the Lady Lions and the Gophers drew 517 fans to the St. Paul Campus Soccer Field, breaking the previous single-game attendance record of 455 set Sept. 4, 1993, against Creighton and tied Sept. 4, 1994, against Michigan State.

GOPHERS EARN SPLIT AT HOME DURING WEEKEND — Minnesota began the weekend with a 4-0 victory, Friday, against Valparaiso at the St. Paul Campus Soccer Field. Sophomore **JENNIFER WALEK** (LAKE ELMO, MN/NORTH ST. PAUL) scored two goals in the win, while junior **GRETCHEN BRANDT** (SHOREVIEW, MN/MOUNDS VIEW) and senior **ELLEN PETERFESO** (LAKE ELMO, MN/HILL MURRAY) recorded two assists apiece.

Minnesota dominated the match, outshooting Valparaiso 49-5. Senior **MOLLY HELLMUTH** (MADISON, WI/MADISON WEST) and frosh **JENNIFER MCEL MURY** (WHITE BEAR LAKE, MN/WHITE BEAR LAKE) scored Minnesota's other two goals in the win.

On Sunday, the Gophers built a 2-0 first-half lead against the Lady Lions of Penn State. Walek scored Minnesota's first goal only 2:48 into the game on a goal assisted by McElmury. McElmury gave the Gophers' their 2-0 lead at the 34:38 mark, on a goal assisted by senior **CHELON DANIELSON** (STILLWATER, MN/STILLWATER).

Penn State battled back with two goals by Rachel Hoffman and the game-winner by Lauren Olmsted with 27 seconds remaining in the second overtime.

VOLLEYBALL

GOPHERS TAKE TO THE ROAD — The Gophers (11-7, 3-3) hope to extend their two match winning streak next weekend when they travel to Michigan Friday at 7 p.m. and Michigan State Saturday at 7:30 p.m.

WHAT A DIFFERENCE A WEEK MAKES — The Big Ten race is heating up, as Penn State, Ohio State and Illinois all went 2-0 over the weekend to move into a three-way tie for first in the conference. Wisconsin, previously unbeaten in the Big Ten, dropped both its matches and moves to fourth place in the standings. Minnesota began its climb to the top, moving from seventh place to fifth place in the standings.

At the Mountain West Classic, Townsend and the Gophers took seventh and at the Nike Invitational, the Gophers and Townsend took fifth. Townsend did not compete at the Minnesota Invitational.

WHAT'S NEXT— The Gophers return home after the Penn State Invitational to host the Minnesota Open Saturday, Oct. 21, at the Les Bolstad/University of Minnesota Golf Course. The gun sounds at 11 a.m. Other schools participating in the meet include St. Olaf, Bethel and Hamline.

SWIMMING AND DIVING

HALL OF FAME, ALUMNI AND INTRASQUAD MEET COMBINED AS PART OF HOMECOMING ACTIVITIES – The University of Minnesota men's and women's swimming and diving teams host their annual alumni meet at the University Aquatic Center on Friday, Oct. 14 at 6 p.m. The competition is just one of the many Homecoming festivities for the weekend. The women have combined their annual intrasquad meet with the alumni meet this year. The men's intrasquad meet will be Oct. 22.

ROELL, GRIFFITH NAMED TO AQUATICS HALL OF FAME – Former Golden Gopher swimming stars Sue Roell and Art Griffith will be inducted into the University of Minnesota Aquatics Hall of Fame Friday evening in ceremonies during the alumni/intrasquad meet.

Roell earned All-America recognition six times in her career. The Burnsville, Minn., native placed fourth in her specialty, the 100-yard breaststroke, at the 1987 NCAA Championships. She was a 10-time Big Ten champion, and at one time held eight University of Minnesota records. In 1987, she received the Big Ten Medal of Honor and was voted women's athletics Senior Athlete of the Year.

Griffith was a two-time All-American, earning that honor in the 50-yard freestyle and the 100-yard freestyle in 1981. His time of 20.05 in the 50-yard freestyle at the national meet was the fourth-fastest time in the country at that point in the season. He was also a 1981 Big Ten champion (100-yard freestyle) and a three-time champion at the 1979 National Sports Festival.

SAN DIEGO STATE — SDSU enters the week 7-7 overall. SDSU competes as a Division I independent. Minnesota and SDSU have no common opponents, but, like the Toreros, the team has not defeated a ranked opponent this season. SDSU lost to eighth-ranked Santa Clara, 5-1, Sept. 3; third-ranked Stanford, 2-1, Sept. 5; 13th-ranked St. Mary's, 5-1, Oct. 2; 17th-ranked Oregon State, 4-1, Sept. 9, and 12th-ranked Washington, 1-0, Oct. 16. GOPHERS BEAT 13TH-RANKED WISCONSIN, TIE MARQUETTE IN FINAL HOME GAMES — For the first time in school history, Minnesota defeated a nationally-ranked opponent, defeating 13th-ranked Wisconsin, 2-0, Saturday, in front of a school-record 644 fans at the St. Paul Campus Soccer Field. Sunday, Minnesota tied Marquette, 0-0, in the team's final home game of the 1994 season.

Against the Badgers, junior GRETCHEN BRANDT (SHOREVIEW, MN/MOUNDS VIEW) haunted her former teammates early and sophomore ERIN HUSSEY (PLYMOUTH, MN/WAYZATA) sealed the victory late.

Brandt put Minnesota ahead, 1-0, at the 4:54 mark when she took a pass from senior ELLEN PETERFESO (LAKE ELMO, MN/HILL MURRAY) and beat Badger goaltender Ursula McKnight. Minnesota maintained the 1-0 lead for over 80 minutes until Hussey sealed the victory with her fourth goal of the season. Hussey's goal was assisted by frosh JENNIFER MCELMURY (WHITE BEAR LAKE, MN).

Against the Golden Eagles, Sunday, Minnesota out-shot Marquette 24-13, but could not find the back of the net. Sophomore goaltender TERESA O'HEARN (CHAMPLIN, MN/ANOKA) earned her second consecutive shutout for the first time in her career. O'Hearn improved her goals against average from 1.13 to .97 with the two weekend shutouts.

—GOPHER NOTES —

HEAD COACH SUE MONTAGNE — Gopher head coach Sue Montagne is currently in her second season with Minnesota and her second season as a head coach. Montagne's record at Minnesota and overall career coaching record is 21-9-4 (.676)

HOME SWEET HOME — The Gophers have played 15 games at home in two seasons of varsity soccer. Minnesota is 13-2-2 at home, having outscored its opponents 68-12.

BACK-TO-BACK — GOPHERS LIKE DAY ONE — In addition to consecutive games against Wisconsin and Marquette, Minnesota has played two games in consecutive days only one other time this season. The Gophers tied Colorado College, 1-1, Sept. 17 and lost to seventh-ranked William & Mary, 2-0, Sept. 18. Lifetime, the Gophers are 5-1-1 the first day of consecutive games and 2-4-1 on day two.

GOPHERS HAVE NEVER LOST CONSECUTIVE GAMES — Minnesota's 4-1 victory, Oct. 14, against the Lady Griz of Montana eliminated the most recent possibility of Minnesota losing two consecutive games. The Gophers lost to Penn State, 3-2, in overtime in its previous game, Oct. 9.

Minnesota has never lost consecutive games. The Gophers did lose to Indiana, 3-2, earlier in the season before tying Ohio State 1-1 in their next game.

GOPHERS 1-2 AGAINST NATIONALLY RANKED OPPONENTS — Minnesota's 2-0 victory over 13th-ranked Wisconsin gave the Gophers their first victory over a nationally-ranked opponent. Minnesota lost to 17th-ranked Wisconsin last season, 5-0, and seventh-ranked William & Mary, 2-0, earlier this season.

MCELMURY BREAKS SCHOOL RECORD —

McElmury's assist late in the Wisconsin game gave the 5'5" midfielder a sixth consecutive game where she recorded at least one point. The previous record was five, set by Brandt, Hussey and sophomore JENNIFER WALEK (LAKE ELMO, MN/N. ST. PAUL).

HOME ATTENDANCE RECORD BROKEN — Saturday's school record crowd of 644 helped the Gophers break last season's average attendance of 317. The 1994 season produced 3,361 fans for nine home games, an average of 373.

For the Gophers, it marked the first time in eight years that Minnesota did not finish in the top half of the Big Ten standings and marks the team's lowest finish since 1986, when the Gophers finished eighth.

TOWNSEND ALL-BIG TEN —In the individual race, Minnesota junior LORI TOWNSEND (CLARKSBORO, NJ//KINGSWAY) placed fifth to earn all-Big Ten honors. Townsend completed the 5,000-meter Finkbine cross country course at the University of Iowa in a time of 17 minutes and 38.30 seconds. Townsend's time is the seventh-best time ever posted by a Gopher runner at the Big Ten Championships. Michigan claimed three of the first four places as Deanna Arnill finished first in a time of 17:04, Karen Harvey was third at 17:23.10 and Pauline Arnill was fourth at 17:23.80. Wisconsin's Kathy Butler finished second in a time of 17:19. Five of the top seven runners and the first four finishers were all from Canada.

Townsend's all-Big Ten selection marked the third consecutive year a Minnesota runner has received all-Big Ten honors. Susan Bliss won the honor in 1992 and assistant coach Jessica Langford was a 1993 honoree.

GOPHER RESULTS — Other Gopher finishers in the top 60 included Canadian ANDREA GROVE (WINNEPEG, MB, CANADA/TUXEDO SHAFTESBURY) who placed 21st, while senior ANGIE ABBOTT (WINONA, MN) was 44th, frosh LISA ARO (LORETTO, MN/BUFFALO) was 54th and sophomore KERI ZWEIG (EXCELSIOR, MN/MINNETONKA) was 55th.

QUOTE FROM COACH GARY WILSON— "Townsend and Grove had good races for us, but in a race with this caliber of athletes, everybody has to have a good race and we were a little off today."

ABOUT THE GOPHERS—

THE HEAD COACH: LINDA HILL-MACDONALD— Linda Hill-MacDonald enters her fifth season at Minnesota. She has a 47-65 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance. In the NCAA tournament, Minnesota upset Notre Dame at South Bend, Ind., then lost to 12th-ranked Vanderbilt in Nashville, Tenn.

STAFFORD BACK AND HAS GOOD TOURNAMENT— Sophomore **CHERI STAFFORD (HAM LAKE, MN/BLAINE)**, who missed the Lithuania game with a sprained left knee, returned to the floor in grand style this weekend for Minnesota. Stafford had a good tournament, averaging 8.5 points and 5.5 rebounds a game in only 18.5 minutes of action. Stafford missed most of the last two seasons with foot injuries and was a medical redshirt last year.

CECKA ENTERS STARTING LINEUP— Junior college transfer **SARAH CECKA (JORDAN, MN/ANOKA RAMSEY CC)** made her first two starts for the Gophers over the weekend. Cecka had four points and three rebounds against South Carolina. Cecka was the Most Valuable Player for the National Small College Championship last spring.

FOR OPENERS— Minnesota is 8-5 in season openers since 1982. The Gophers have won five of their last six season openers, with the only loss coming last year at Marquette. This year, Minnesota beat Monmouth 71-54.

LOEBLEIN FOR THREE— Loeblein is making her way up the Minnesota career three-point list. Loeblein, currently third on the list, needs only four more treys to pass Stacy Carver and move into second place on the all-time list. Loeblein is only 27 threes away from becoming the all-time leader.

GYMNASTICS

GOPHERS LOSE ONE OF TEAM'S TOP GYMNASTS TO INJURY

— The Minnesota Golden Gopher women's gymnastics team suffered a major setback, Tuesday, Nov. 22, when sophomore **LACEY PURKAT (ANNADALE, VA/W.T. WOODSON)** was lost for the 1995 season with a torn anterior cruciate ligament (ACL) in her left knee.

Purkat's injury occurred while performing a tumbling pass during practice on the floor exercise and, according to Gopher head coach Jim Stephenson, was the result of a strange occurrence.

"It was a strange thing," Stephenson said. "I spotted Lacey on a tumbling element of her routine, assisted and helped her land. She landed in an appropriate posture, but the knee buckled just a bit."

Purkat competed in all 12 of the Gophers' competitions in 1994, primarily on the bars and beam. She competed in the all-around competition in two of Minnesota's matches, scoring a Gopher season-high score of 37.900 at Iowa State, Feb. 5.

Purkat's highest event scores of the 1994 season came on the beam, where she scored a 9.75 against both Utah and Iowa State. Purkat's two scores of 9.75 tied her for the third highest score in Gopher history on that event.

As a team, the Gophers finished the 1994 season third at the Big Ten Conference Championships and fifth at the Central Region Championships.

"Lacey had been working with more commitment and energy that any member of our team," Stephenson said. "The absence of Lacey on the beam and bars leaves a void that can only be filled by each member of our team training to be their best. "There is not one member of the team that can replace Lacey, but as a group, the loss of Lacey's score can be overcome by each individual training to improve their personal score."

Minnesota begins its season, Jan. 7, when the team holds its annual intrasquad meet at the Sports Pavilion. The Gophers first regular season competition will be Jan. 14, when the team hosts the Minnesota Challenge at the Sports Pavilion. Hamline, Gustavus Adolphus and Winona State will compete in the Challenge with Minnesota.

NOVEMBER ATHLETE OF THE MONTH—Sophomore soccer player JENNIFER WALEK (LAKE ELMO, MN/NORTH ST. PAUL) has been named the Sports Information's Athlete of the Month for November. Walek scored three goals in the month, all coming at the Big Ten Championships in Madison, Wis., where the Gophers finished second behind then 13th-ranked Wisconsin. Walek scored a pair of goals in the Gophers' 3-1 victory over Ohio State in the opening round and scored Minnesota's lone goal in a 1-0 win against top-seeded Michigan State in the semifinals. Walek finished the year with 14 goals and six assists for 36 points, placing her in second place in the Big Ten Conference in scoring. Walek was also a first-team all-Big Ten selection prior to the start of the conference championship.

BASKETBALL

GOPHERS TAKE FINALS THEN PLAY NORTHERN IOWA—The Gopher women (1-2 overall) will take the week off due to finals and will return to action Saturday, Dec. 10, when they take on Northern Iowa at the Sports Pavilion. Game time is 7 p.m.

ABOUT NORTHERN IOWA—Northern Iowa is 0-2 this season after losing to Washington State, 112-73, and Utah, 89-48 at the Dial Soap Basketball Classic in Pullman, Wash. The Panthers take on Kansas Tuesday, Dec. 6, before playing the Gophers Saturday.

Head coach Terri Lasswell has a 31-107 overall record at Northern Iowa. The Panthers finished ninth in the Missouri Valley Conference last season.

THE SERIES—Minnesota leads the series 1-0 after defeating the Panthers last season, 90-59, in Cedar Falls, Iowa. Carol Ann Shudlick led all scorers with 27 points, while SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) and Crystal Flint had 13 points a piece for the Gophers. The Gophers shot 54 percent as a team from the field and outrebounded UNI by a 44-33 margin.

THE LAWLER FAMILY REUNION—Gopher senior LORI LAWLER (ROCHESTER, MN/LOURDES) will play against her sister this weekend. Kate Lawler is a sophomore forward/guard for Northern Iowa. Kate averaged 1.9 points and one rebound a game for the Panthers last season, while the elder Lawler is averaging 10.7 points and 4.0 rebounds for the Gophers this season.

GOPHER REWIND—The Gophers lost another close game Friday evening against Kansas State, 75-73, in Manhattan, Kan. Minnesota trailed by only one at the half, but came out cold to start the second half as the Wildcats jumped out to a 15-point lead. Minnesota chipped away at the lead and pulled to within two points after a Loeblein three-pointer with 1:30 left in the game. Kansas State increased the lead to five, before another three pointer by Loeblein cut the deficit to two points with 5.6 seconds remaining. Minnesota forced a turnover and had the final possession, but failed to get a shot off to lose 75-73.

Senior CARA PEARSON (ST. PAUL, MN/HARDING) and frosh ANGIE IVERSON (OWATONNA, MN/OWATONNA) led all Gopher scorers with 13 points a piece. For Iverson, the 13 points were a career-high. She also recorded 11 rebounds, a career-high, and the first double-double of her career.

Loeblein continued to struggle from the field as she was 0-for-10 from the field before connecting on her final four shots of the game, including two crucial three pointers with less than two minutes to play.

ABOUT THE GOPHERS—

THE HEAD COACH: LINDA HILL-MACDONALD—Linda Hill-MacDonald enters her fifth season at Minnesota. She has a 47-66 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance. In the NCAA tournament, Minnesota upset Notre Dame at South Bend, Ind., then lost to 12th-ranked Vanderbilt in Nashville, Tenn.

STAFFORD MAKES FIRST START OF HER CAREER—Sophomore CHERI STAFFORD (BLAINE, MN/HAM LAKE) made her first career start against Kansas State. Stafford, who has missed most of the last two seasons with a foot injury, got into early foul trouble and scored only two points and had two rebounds in ten minutes of action.

LOEBLEIN FOR THREE—Loeblein is making her way up the Minnesota career three-point list. Loeblein, currently third on the list, needs only two more treys to pass Stacy Carver and move into second place on the all-time list. Loeblein is only 25 threes away from becoming the all-time leader.

Minnesota all-time three point list:

- | | |
|---------------------|-----|
| 1. Jodi Olson | 101 |

GOPHERS TRAVEL TO WESTERN ILLINOIS, HOST MARQUETTE— The University of Minnesota women's basketball team (3-3) travels to Macomb, Ill., Tuesday, Dec. 20, to play the Westerwinds of Western Illinois (1-4). Game time is 7:30 p.m. The Gophers then return home to play Marquette (4-2) Thursday, Dec. 22. Game time is 7 p.m. at the Sports Pavilion.

ABOUT WESTERN ILLINOIS— Western Illinois is 1-4 this season after losing to Drake, 82-71, Sunday afternoon in Des Moines, Iowa. The Westerwinds have lost to Wisconsin, Louisville, Western Kentucky and Drake. The only victory for Western Illinois came against Hartford, 72-45.

Western Illinois is led by senior forward Oberon Pitterson and sophomore guard Deirdre LaFrance. Pitterson leads the Westerwinds in scoring and rebounding, averaging 15.8 points and 12.8 rebounds a game, while La France is the only other Western Illinois player averaging in double figure scoring with 10.4 points a game.

THE SERIES— This is the first meeting between the two teams.

ABOUT MARQUETTE— Marquette is 4-2 overall and has won its last four contests. Marquette opened the season with losses to SW Missouri and Southern California before reeling off wins over James Madison, Loyola (Ill.), SW Missouri and Bradley.

Marquette is led by senior forward Christine Kennedy with 16.7 points and 12.0 rebounds a game, followed by sophomore guard Clare Barnard with 14.0 points per game.

THE SERIES— The series is tied at two games a piece. Marquette won the previous contest last year 87-68 on November 27, 1994, which was the opening game of the 1993-94 season.

GOPHER REWIND— The Gophers upset #20 Texas A&M, 77-54, Friday evening at the Sports Pavilion. Junior SARAH CECKA (JORDAN, MN/ANOKA RAMSEY CC) had the first double-double of her career with a career-high 14 points and 12 rebounds. Seniors LORI LAWLER (ROCHESTER, MN/LOURDES) and CARA PEARSON (ST. PAUL, MN/HARDING) had 17 points each and SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) almost recorded a triple-double with 15 points, nine rebounds and nine assists.

As a team, Minnesota outrebounded the taller Aggies, 64-38, and outshot them 40 percent to 30 percent. For the game, A&M was 5-of-27 from behind the three point arc.

Before the A&M game, Minnesota was defeated by Wisconsin-Green Bay, 65-42, last Monday evening. The Gophers were outrebounded 54-27 and shot only 29 percent from the field. The post position for the Gophers struggled as well going only 2-for-14 from the field and missing a number of layups. They were also outrebounded on the offensive glass, 24-10.

MORE CAREER HIGHS— The Gophers set a number of career highs against Texas A&M Friday evening, including Lawler who had a career-best 17 points, Cecka with bests in scoring (14 points) and rebounds (12) and Loeblein with nine assists.

ABOUT THE GOPHERS—

THE HEAD COACH: LINDA HILL-MACDONALD— Linda Hill-MacDonald enters her fifth season at Minnesota. She has a 49-66 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance. In the NCAA tournament, Minnesota upset Notre Dame at South Bend, Ind., then lost to 12th-ranked Vanderbilt in Nashville, Tenn.

PEARSON CONTINUES TO SHINE— Pearson continues her streak of double-figure scoring games for the Gophers. Pearson has scored 10 points or more in all six of the Gophers games this season, including a career-high 23 against South Carolina in the Dial Soap Basketball Classic. Pearson has been the leading scorer for Minnesota in five of the team's six games this year. She leads the team in scoring and rebounds.

LAWLER IS A DIFFERENT PLAYER— Lawler has done a complete turn-a-round for the Gophers this season. After only averaging 3.8 points and 2.08 rebounds during her first three seasons with the Gophers, Lawler is averaging 11.2 points and 4.3 boards a game. She is also shooting an incredible 56 percent from the field, including 63 percent from behind the three point-arc. Lawler already has five three's this season after only having two the entire 1993-94 season.

TAYLOR ENTERS THE ROTATION— Frosh point guard SWANTRECA TAYLOR (DONALDSONVILLE, LA/COMO PARK (MN)) has become the back-up to sophomore starter TONIA NELSON (NEW LONDON, MN/NEW LONDON-SPICER). Taylor saw her first significant playing time Friday against Texas A&M when she entered the game midway through the first half. Taylor increased the tempo of the game and disrupted the Texas A&M offense and defensive schemes. Taylor played a career-high 12 minutes and had four points. She also dished out three assists.

LOEBLEIN FOR THREE— Loeblein has moved into second place on the Minnesota career three-pointers list with her two treys against Northern Iowa. Loeblein passed up Stacey Carver to move into second on the all-time list. Loeblein is only 22 threes away from passing Jodi Olson and becoming the all-time leader.

Loeblein is also getting ready to move into second place on the three point attempts list. Loeblein has 246 career three point attempts and is only 15 away from passing up Carver for second place and 19 away from first place. Carver had 260 attempts during her career at Minnesota. Olson is the all-time leader with 264 attempts.

PEARSON NAMED ATHLETE OF THE MONTH— Minnesota senior basketball forward **CARA PEARSON** (ST. PAUL, MN/HARDING) has been named Minnesota Women's Athletics Athlete of the Month for December. **Pearson** averaged almost 16 points and nine rebounds for the month of December and was named to the all-tournament teams at both the Dial Soap Basketball Classic in Minneapolis and the Bertha Teague Memorial Classic in Stillwater, Okla.

Pearson, a cocaptain, has scored in double figures in all 11 games the Gophers have played this season and has three double-doubles this year. She scored a career-high 25 points against Western Illinois and grabbed another career-high 13 rebounds against Marquette. **Pearson** ranks in the top ten in both scoring and rebounding in the Big Ten Conference.

BASKETBALL

GOPHERS HOST PENN STATE & PURDUE- Minnesota (6-5 overall, 1-0 Big Ten Conference) continues Big Ten play by hosting nationally-ranked Penn State and Purdue, Friday and Sunday, respectively, at the Sports Pavilion. Game time against Penn State is 7 p.m., while the Purdue contest starts at 2 p.m.

Minnesota has fallen to 6-5 after losing two close contests to Oklahoma State and Oklahoma at the Bertha Teague Memorial Classic in Stillwater, Okla., Dec. 30-31. Both Penn State and Purdue were upset last week by Ohio State to start Big Ten play.

ABOUT PENN STATE— Penn State is 9-2 overall and 1-1 in Big Ten Play. The Lady Lions have one of the most powerful offenses in the country, averaging 85.5 points a game, while holding the opponent to only 64 points.

Penn State is led by sophomore **Angie Potthoff** and junior point guard **Tina Nicholson**, a first-team all-Big Ten selection. Potthoff is averaging 18.7 points and 10.9 rebounds a game, while Nicholson is averaging 9.5 points and 8.7 assists a game for the Lady Lions. Penn State also has three other players in double figure scoring, including **Missy Masley** (16.8 ppg/10.3 rpg), **Carla Coleman** (10.3 ppg) and **Tiffany Longworth** (10.3 ppg)

THE SERIES— The Lady Lions lead the series 5-0. Last year, the Gophers took the Lady Lions to overtime at the Sports Pavilion before losing 92-85. Five Minnesota players finished in double figures including **SHANNON LOEBLEIN** (ST. PAUL, MN/HARDING), who had 24 points and five rebounds. In game one, despite 30 points from former Gopher Carol Ann Shudlick, Minnesota lost 87-77.

ABOUT PURDUE— Purdue is the defending Big Ten Champion and advanced to the NCAA Women's Final Four last season losing to eventual national champion North Carolina.

This season, Purdue is 7-4 overall and 0-1 in the Big Ten. Purdue will play Rice tonight, and Illinois Friday, before coming to Minneapolis.

Purdue is led by pre-season all-American candidate and first-team all-Big Ten selection, sophomore **Leslie Johnson**. Johnson is averaging 27 points a game in the Big Ten and 9.7 points for the season, after playing sparingly the first three weeks of the season due to injury. Purdue also boasts **Jannon Roland** and **Stacey Lovelace**, both all-Big Ten honorable mention winner last year, who are averaging 16.5 and 13.3 points, respectively. Lovelace is also pulling down eight rebounds a game.

THE SERIES— Purdue leads the series 16-9 and has won 14 of the last 15 match-ups. The only Gophers victory occurred in 1993, as Minnesota defeated Purdue 67-51 in Williams Arena. Last season, Purdue won both games, defeating the Gophers 68-58 in West Lafayette, Ind., and 76-68 in Minneapolis.

GOPHER REWIND— Minnesota went 1-2 last week, defeating Northwestern and losing to Oklahoma State and Oklahoma. The Gophers soundly defeated Northwestern, 74-54, at the Sports Pavilion. Senior **LORI LAWLER** (ROCHESTER, MN/LOURDES) led all scorers with a career-high 21 points, while Loeblein had a career-high 10 rebounds.

The Gophers lost both games at the Bertha Teague Memorial Classic in Stillwater, Okla. Minnesota lost to nationally-ranked Oklahoma State, 70-61, on Friday evening and then lost 74-64 against Oklahoma Saturday afternoon.

Against the Cowgirls, Minnesota took a 32-28 lead in to the

locker room at the half, and increased the lead to eight. But Oklahoma State came back behind tournament MVP Stacy Coffey, who had 20 points and seven rebounds.

Loeblein led all Minnesota scorers with 18 points, including four three-pointers, and seven rebounds. Pearson had another double-double with 14 points and 11 rebounds.

Minnesota tried to rebound against Oklahoma on Saturday, but fell short. The Gophers trailed, 43-35, at the half, but behind the play of sophomore CHERI STAFFORD (HAM LAKE, MN/BLAINE), the Gophers took the lead at 64-60 with five minutes to go. But the Sooners rallied, scoring 14 unanswered points and creating five Minnesota turnovers to win 74-64. Minnesota had a season-high 30 turnovers in the contest.

For the Gophers, Stafford led all scorers with a career-high 17 points and seven rebounds in only 23 minutes of action coming off the bench. Pearson had 11 points and six rebounds, but was in foul trouble early and only played five minutes in the first half.

PEARSON NAMED ALL-TOURNAMENT— Pearson received all-tournament honors at the Bertha Teague Classic, her second such honor this season. At the Bertha Teague, she averaged 12.5 points and 8.5 rebounds a contest. She also received all-tourney honors at the Dial Soap Basketball Classic in Minneapolis.

ABOUT THE GOPHERS—

THE HEAD COACH: LINDA HILL-MACDONALD— Linda Hill-MacDonald enters her fifth season at Minnesota. She has a 52-69 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first NCAA tournament appearance. In the NCAA tournament, Minnesota upset Notre Dame at South Bend, Ind., then lost to 12th-ranked Vanderbilt in Nashville, Tenn.

TENTATIVE STARTING LINE-UP—

PEARSON CONTINUES TO SHINE— Pearson continues her streak of double-figure scoring games for the Gophers. Pearson has scored 10 points or more in all eleven of the Gophers games this season, including a career-high 25 against Western Illinois. Pearson has been the leading scorer for Minnesota in six of the team's 11 games this year. She leads the team in scoring and rebounds, averaging 15.7 points and 8.9 rebounds a game. Pearson was also named Minnesota Women's Athletics Athlete of the Month for December.

LAWLER IS A DIFFERENT PLAYER— Lawler has done a complete turn-a-round for the Gophers this season. After only averaging 3.8 points and 2.08 rebounds during her first three seasons with the Gophers, Lawler is averaging 11.8 points and 4.9 boards a game and leads the team in minutes played with 32 a contest. She is also shooting 41 percent from behind the three-point arc. Lawler already has seven three's this season after only having two the entire 1993-94 season. Lawler had a career-high 21 points against Northwestern last week.

GYMNASTICS

GOPHER GYMNASTICS TEAM OPENS SEASON WITH INTRASQUAD — The University of Minnesota Golden Gopher women's gymnastics team will open its 1995 season, Saturday, Jan. 7, with its annual intrasquad meet. The meet is scheduled to begin at 7 p.m. in the Sports Pavilion.

SEVEN GYMNASTS RETURN FROM LAST SEASON'S NCAA REGIONAL TEAM — Seven returnees and a host of extremely talented newcomers comprise the 1995 Golden Gopher team. Senior captain **MICHELLE RIEGER** (MARIETTA, GA/WESTFIELD) and senior **SHANNON FISHER** (SHOREVIEW, MN/MOUNDS VIEW) will contribute primarily on the uneven bars and balance beam, while junior **SUSAN CASTNER** (WORTHINGTON, OHIO/THOMAS WORTHINGTON) should perform three events and junior **JENNIFER MABLEY** (SHOREVIEW, MN/MOUNDS VIEW) will be a vault specialist.

Three sophomores return, with **JONDA HAMMONS** (LODI, CA) and **STEPH POLLY** (LINCOLN, NE/SOUTHEAST) working vault, balance beam and floor exercise and **KRISTEN VANDERSALL** (PLYMOUTH, MN/ARMSTRONG) performing on the vault, uneven bars and floor exercise.

FIVE NEWCOMERS JOIN GOLDEN GOPHERS — Saturday's intrasquad will be the debut of five newcomers to the Golden Gopher program. **STACEY BATZA** (OXFORD, CT/SEYMOUR) competed three times and the Level 10 Junior Olympic Nationals, while **KIM SVEUM** (MINOT, ND/MINOT) was a member of a four-time North Dakota high school state championship team.

Minnesota natives **MINDY MYHRE** (MAHTOMEDI, MN/MAHTOMEDI), **MINDY KNAEBLE** (NEW HOPE, MN/TOTINO-GRACE) and **MOLLY UMLAND** (BROOKLYN PARK, MN/PARK CENTER) will also be making their debut Saturday. **Myhre** was a four-time high school state champion in the all-around, while

Knaeble was a 1993 junior national participant as an all-arounder. **Umland** was an all-state selection, team captain and state championship performer at Park Center High School.

INJURY UPDATE — Minnesota will be without the services of sophomore **LACEY PURKAT** (ANNADALE, VA/W.T. WOODSON) for the 1995 season. **Purkat** suffered a torn anterior cruciate ligament in her left knee during fall training.

Purkat competed in all 12 of the Gophers' competitions in 1994, primarily on the uneven bars and balance beam. She competed in the all-around competition in two of Minnesota's meets, scoring a Gopher season-high score of 37.900 at Iowa State, Feb. 5.

GOPHERS LOOK TO IMPROVE FROM LAST SEASON'S RECORD-SETTING PERFORMANCES — Minnesota finished the 1994 season at the NCAA Central Region Championships for the first time since 1991. The Gophers' trip to the regional meet was the seventh time since 1983 that Minnesota qualified for regionals. No Gopher team has ever qualified for the NCAA national meet.

The 1994 campaign provided three new school records and one individual record. The Gophers set a new team high when the squad scored a 191.625 against eventual national champion Utah. The 191.625 broke the old record of 190.35 set at the Oregon State Invitational in 1993.

Other Gopher records in 1994 included the balance beam, where Minnesota scored a 48.45 against Utah — breaking the previous record of 48.125 set earlier in 1994 at the Oregon State Invitational. Minnesota set a new standard on the floor exercise, where a score of 48.775 broke the previous record of 48.15 set against Alabama in 1993.

Individually, former gymnast **Lori Kindler** broke the Minnesota record on the floor exercise when she posted a 9.90 against Iowa State. **Kindler's** score broke **Marie Roethisberger's** effort of 9.850 set in 1990 at the NCAA Women's Gymnastics Championships.

GOPHER SCHEDULE HIGHLIGHTED BY FOUR HOME MEETS — Following Saturday's intrasquad meet, Minnesota will host four home meets during the 1995 season. Gustavus Adolphus, Winona State and Hamline will visit for the Minnesota Challenge, Saturday, Jan. 14, followed by the University of Missouri for a dual meet, Saturday, Feb. 11.

Big Ten Conference members Penn State and Illinois will make the trip to Minneapolis for the Minnesota Invitational, Saturday, Feb. 18. The Gophers final home meet will be Saturday, March 11 when Minnesota hosts Iowa State University.

All Gopher matches will be at the Sports Pavilion, beginning at 7 p.m.

GOLDEN GOPHER HEAD COACH JIM STEPHENSON — Golden Gopher head coach **Jim Stephenson** enters his third season at Minnesota. Stephenson guided the 1994 Gophers to their first regional appearance since 1991 and a third place finish at the Big Ten Championship.

Prior to coming to Minnesota, Stephenson was the top assistant coach at the University of Utah for four years, where he helped coach the program to national championships in 1990 and 1992, along with coaching nine all-Americans on the uneven bars.

TENNIS

GOPHER TENNIS TEAM BEGINS WINTER SEASON WITH TRIP TO MILWAUKEE — After not competing for one month, the University of Minnesota Golden Gopher women's tennis team will return to the courts when the team travels to Milwaukee, Wis., to compete in the Milwaukee Classic, Jan. 4-8.

FIVE GOPHERS SCHEDULED TO MAKE TRIP TO MILWAUKEE — Minnesota's line-up for the Milwaukee Classic will feature singles participants **TIFFANY GATES** (GRANDVILLE, MI/GRANDVILLE), **SUSAN CULIK** (CHAPIN, SC/CHAPIN), **DANA PETERSON** (APPLE VALLEY, MN/APPLE VALLEY), **JENNY SVEHLA** (NAPERVILLE, IL/CENTRAL) and **BRIDGET FERGUSON** (BURNSVILLE, MN/EDEN PRAIRIE).

Doubles teams for the Gophers will consist of **Gates** and **Peterson**, along with **Culik** and **Ferguson**.

WHAT'S NEXT — The Gophers will return home for their next competition, the Federated Insurance Court Classic, Jan. 20-21 at the 98th St. Racquet Club in Bloomington, Minn. Vanderbilt, Kansas and Baylor will compete in the Federated along with Minnesota.

GYMNASTICS

GOPHER WOMEN'S GYMNASTICS TEAM BEGINS REGULAR SEASON WITH MINNESOTA CHALLENGE — The Minnesota Golden Gopher women's gymnastics team begins its regular season, Saturday, Jan. 14, in the Sports Pavilion, as the team will host the second annual Minnesota Challenge. Winona State, Gustavus Adolphus and Hamline will compete with the Gophers. The meet is scheduled to begin at 7 p.m.

A LOOK AT THE MINNESOTA CHALLENGE OPPONENTS—WINONA STATE WARRIORS — The Warriors return seven gymnasts to a team that finished 6-14 last season. Winona State did not qualify as a team to the NCAA Division III national meet or the USGF NCAA Division II national meet, but the Warriors do return one Division II all-American in Shannon Pohl. GOPHER NOTES—GOPHERS LOOK TO IMPROVE FROM LAST SEASON'S RECORD-SETTING PERFORMANCES — Minnesota finished the 1994 season at the NCAA Central Region Championships for the first time since 1991. The Gophers' trip to the regional meet was the seventh time since 1983 the Gophers qualified for regionals. No Gopher team has ever qualified for the NCAA national meet.

The 1994 campaign provided three new school records and one individual record. The Gophers set a new team high when the squad scored a 191.625 against eventual national-champion Utah. The 191.625 broke the old record of 190.35 set at the Oregon State Invitational in 1993.

Other Gopher records in 1994 included the balance beam, where Minnesota scored a 48.45 against Utah — breaking the previous record of 48.125 set earlier in 1994 at the Oregon State Invitational. Minnesota set a new standard on the floor exercise, where a score of 48.775 broke the previous record of 48.15 set against Alabama in 1993.

Individually, former gymnast Lori Kindler broke the Minnesota record on the floor exercise when she posted a 9.90 against Iowa State. Kindler's score broke Marie Roethlisberger's effort of 9.850 set in 1990 at the NCAA Women's Gymnastics Championships.

BASKETBALL

PEARSON NAMED CO-BIG TEN PLAYER OF THE WEEK— Senior power forward CARA PEARSON (ST. PAUL, MN/HARDING) was the co-Big Ten Player of the Week for the period ending January 8. Pearson, a senior cocaptain, played an instrumental role in the Gophers stunning upsets of #7 Penn State and #19 Purdue at the Sports Pavilion over the weekend. Against Penn State, Pearson had her fourth double-double of the season with 15 points and a career-high 14 rebounds. Pearson also had career-highs in blocks (3) and steals (4) against the Lady Lions.

Pearson also came up big against Purdue as she sank the game winning free throws with no time remaining to give Minnesota a 68-67 victory. Pearson had 19 points and 10 rebounds against the Boilers and held all-American Leslie Johnson to only six points. Pearson shared honors with Wisconsin's Barb Franke.

GOPHERS TAKE UNBEATEN SHOW ON THE ROAD— Minnesota, 8-5 overall and 3-0 in the Big Ten, takes its unbeaten show on the road for its first conference road tests this season as the team takes on Ohio State, Friday, Jan. 13, followed by a televised contest against Illinois, Sunday, Jan. 15, in Champaign, Ill.

Both Friday and Sunday's contests will air on Radio K 770 with Paul Barnes calling all the action.

Sunday's game against Illinois will be broadcast by Sports Channel-Chicago with Tracy Warren and Karen Stack providing the call of the game. The game will also be picked up by Midwest Sports Channel, a Prime Network affiliate, with tip-off at 2 p.m.

ABOUT OHIO STATE— Ohio State is 8-5 overall and 2-2 in the Big Ten after losing to both Indiana and Wisconsin over the weekend. Ohio State had defeated Penn State and Purdue the previous week and had entered the national rankings for the first time this season at No. 22. Ohio State was a finalist at the 1993 NCAA Women's Final Four, losing to national champion Texas Tech, 84-82.

The Lady Buckeyes feature junior Katie Smith, who was a first team all-Big Ten selection and first-team all-American last year. Smith leads the Buckeyes, averaging 21 points and seven rebounds a contest. Smith leads the Big Ten in scoring and is shooting over 50 percent from the field. Other Buckeyes in double figure scoring include Peggy Evans (12.3 ppg, 5.5 rpg) and Lisa Negri (10 ppg, 9.8 rpg).

THE SERIES— Ohio State leads the series 23-4 and has won 19 of the last 20 games. Minnesota's last victory came January 17, 1992, when the Gophers defeated the Lady Buckeyes, 83-75, in Williams Arena. Last season, Ohio State defeated the Gophers 85-66 at the Sports Pavilion.

ABOUT ILLINOIS— Illinois and head coach Kathy Lindsey are 7-5 overall and 0-3 in the Big Ten conference. Illinois opened up the season 7-2, including winning seven straight games, but has lost three straight contest after junior Anita Clinton (10 ppg/7.2 rpg) was lost for the season with an ACL injury.

Without Clinton, the Orange and Blue boast senior Kris Dupps, who is averaging 16.3 points a game and ranks ninth in the Big Ten in scoring. Dupps, an all-Big Ten honorable mention selection last season, is also pulling down 10.3 boards a game, good for third in the conference. Two other Illinois players are in double figures including frosh Krista Ranking (12.2 ppg), good for second on the team, and Ann Henderson (10.1 ppg).

THE SERIES— Minnesota leads the series 12-11 and has won four of the last seven games against Illinois. Last year, the Gophers lost, 88-78, in Champaign in the only meeting of the season.

GOPHER REWIND— Minnesota had its most successful weekend in the history of the program according to head coach Linda Hill-MacDonald as it defeated #7 Penn State Friday evening and #19 Purdue Sunday afternoon, both at the Sports Pavilion.

The Gophers defeated Penn State for the first time in the history of the program with a 71-56 shellacking of the Lady Lions. Minnesota had lost the previous five contests against the Lions. The victory also marked the highest-ranked team the Gophers have defeated since Texas Tech last season, who was ranked fourth in the country.

Minnesota held the potent Penn State offense, which was averaging 85.5 points a game, to only 56 points. Minnesota shot 47 percent from the field and outrebounded the much taller Lady Lions 45-41. Senior **LORI LAWLER (ROCHESTER, MN/LOURDES)** led all scorers with 19 points, while Pearson had her fourth double-double of the season with 15 points and a career-high 14 rebounds. Pearson also had a career-high in steals (4) and blocks (3). Senior **SHANNON LOEBLEIN (ST. PAUL, MN/HARDING)** also finished with 11 points.

Against the Boilermakers, it came down to the final buzzer, literally. Pearson was fouled by Purdue's Danielle McCulley with 0.00 seconds on the clock. Pearson needed a free throw to win the game and connected on the first shot. The Gophers, thinking the game was over with the basket, stormed the floor which drew a technical foul on Minnesota for having too many players on the floor. Pearson made the second free throw to give Minnesota a 68-66 lead. Purdue's Stacey Lovelace then stepped to the charity stripe to shoot the technicals, making the first and just missing the second to give the Gophers a 68-67 victory. Pearson led all scorers with 19 points and pulled down 10 rebounds for her fourth double-double in her last five games. Lawler had 14 points for the Gophers and sophomore post **CHERI STAFFORD (HAM LAKE, MN/BLAINE)** had 12 points and seven rebounds.

Sophomore and number one player TIFFANY GATES (GRANDVIEW, MI) won her first two matches, but then lost to Gulberk Guitini of Alabama-Birmingham in the third round. Gates finished the weekend 2-1 in singles. DANA PETERSON (APPLE VALLEY, MN) and BRIDGET FERGUSON (BURNSVILLE, MN/EDEN PRARIE) completed the weekend 2-2.

The doubles teams of Culik/Ferguson and Gates/Peterson finished 0-1 on the weekend. Gates/Peterson were seeded third to start the tournament.

WHAT'S NEXT— Minnesota will travel to nationally-ranked Notre Dame and Western Michigan Saturday-Sunday, Jan. 28-29, respectively.

TRACK AND FIELD

UP NEXT— The 1995 Minnesota women's track and field team will join the men's track and field team in hosting the Northwest Open, its first meet of the season, Saturday, Jan. 14, at the University Fieldhouse. The meet will start at 9:30 a.m. with the field events and the developmental races, followed by the running events and invitational portion of the meet scheduled to start at 11:30 a.m.

WINDCHILL...IS NOT A FACTOR FOR THE 1995 TEAM—

Windchill...is not a factor is the theme for the 1995 Minnesota track and field team. But this year, a chill is in the air as the University of Minnesota women's track and field team looks to breeze by the opposition this season in its quest for a Big Ten championship.

Coming off its best indoor season ever, where Minnesota finished fourth with 41 points and finished the year eighth in the country in dual meet rankings, head coach Gary Wilson and the Gophers are looking to move up even higher this season. With indoor track and field all-American LORI TOWNSEND (CLARKSBORO, NJ/KINGSWAY), Big Ten indoor shot put champion JOAN KARNES (LONG PRARIE, MN) and every other Big Ten point-getter returning to the squad this season, the Gophers have a solid base in which to build upon and advance further north up the standings. Townsend was an all-American in the indoor 5,000 meter race, finishing 10th at last year's NCAA meet and setting a new Minnesota varsity record in the event, while Karnes won the Big Ten championship with a throw of 47-11 3/4 feet.

Minnesota continued its success during the outdoor season in 1994. The Gophers finished with 58.5 points at the outdoor Big Ten meet last season, only 10 points out of third place. The Gophers should continue to provide a chill for the opponents as all-American javelin thrower HEATHER BERLIN (LIBERAL, KS), outdoor shot put champion Karnes and nine other athletes who scored points at the Big Ten meet are returning for Minnesota.

THE SCHEDULE— The Gophers face one of the toughest schedules in the country, both home and away in 1995. During the indoor season, Minnesota hosts the Northwest Open, the Nike Invitational and the Minnesota Open, while traveling to the Wisconsin Triangular, the Cargill Games in Winnipeg, Canada, and the Iowa State Invitational. The Gophers will then head to Ann Arbor, Mich., for the 1995 Big Ten Indoor Championships and the 1995 NCAA Championships in Indianapolis.

The schedule does not get any easier in the spring as Minnesota hosts the Minnesota Invitational, the Nike Invitational and the Minnesota Open. The Gophers have an extremely tough road schedule making appearances at the Texas Relays in Austin, Texas, the Nebraska Quad, the Purdue Quad, the Kansas Relays, the St. Olaf Invitational, the Drake Relays and the Penn Relays, before the 1995 Big Ten Outdoor Championships May 20-21.

WHAT'S NEXT— The Gophers will travel to Madison, Wis., Saturday, Jan. 21, for the Wisconsin Triangular. Meet time is 10 a.m.

GOPHERS HOST THIRD ANNUAL FEDERATED INSURANCE COURT CLASSIC — For the third consecutive year, Federated Insurance and Women's Athletics have teamed to host the Federated Insurance Court Classic, Friday through Saturday, at the 98th Street Racquet, Swim and Health Club in Bloomington, Minn.

Minnesota, Vanderbilt, Kansas and Baylor will compete in the Classic, beginning Friday at 6:30 p.m. with the semifinals, and Saturday at 4 p.m. with the consolation and championship matches. Minnesota will play Baylor in one semifinal, while Kansas and Vanderbilt will play in the other.

THE FEDERATED INSURANCE COURT CLASSIC TEAMS — MINNESOTA GOLDEN GOPHERS — The Federated will be the first team event for the Golden Gophers this season. Minnesota has competed individually in three tournaments — the William & Mary Invitational, the Notre Dame Invitational and the Milwaukee Classic — in addition to sending selected participants to the Rolex Regional Qualifier in East Lansing, Mich. Senior **SUSAN CULIK (CHAPIN, SC/CHAPIN)**, sophomore **TIFFANY GATES (GRANDVILLE, MI)** and junior **DANA PETERSON (APPLE VALLEY)** competed in the Rolex Regional Qualifier, with Peterson and Gates reaching the semifinals of the doubles competition.

Gates and Peterson are currently ranked 30th in the Rolex Collegiate Rankings. The duo enters the Federated with a 7-4 record and a championship at the Notre Dame Invitational in South Bend, Ind.

As a team, the Gophers are ranked eighth in the Midwest Region of the Rolex Collegiate Regional Rankings. Gates and Peterson are ranked fourth in the region, while Gates is ranked 19th in the region in singles. Gates enters the Federated with a 7-6 overall record, including a 6-4, 6-1 victory against Sophie Goldschmidt of Baylor at the Milwaukee Classic in Milwaukee, Wis.

Frosh **JENNY SVEHLA (NAPERVILLE, IL/CENTRAL)** leads the Gophers in singles wins with eight, including a consolation championship at the William & Mary Invitational.

KANSAS JAYHAWKS — The Jayhawks come to Minneapolis as the tournament's highest ranked team — appearing 10th in the national poll. Kansas has three singles players ranked in the top 100, including second-ranked Nora Koves, 52nd-ranked Bianca Kirchhof and 63rd-ranked Jenny Atkerson. Gates and Koves met on the court once last season, with Koves earning a 6-3, 4-6, 6-0 victory, March 23.

Kirchhof finished the fall season with a 10-2 singles record, while Atkerson is a member of the 31st-ranked doubles team with Christie Sim. Sim and Atkerson enter the Federated with a 7-2 overall record and a quarterfinal loss at the Central Region Rolex Championship.

Kansas has one other nationally-ranked doubles team with Kirchhof and Kim Webster. Kirchhof and Webster finished the fall schedule with a 5-3 record.

The Series — The Gophers are 3-5 against Kansas. The Jayhawks defeated Minnesota 9-0 last season.

VANDERBILT COMMODORES — Vanderbilt competed in its first team competition last weekend. The 30th-ranked Commodores defeated Middle Tennessee State and Tennessee-Martin by scores of 8-0.

Vanderbilt has no singles players ranked nationally, but does boast a threesome ranked in the Southeast region with Kim Schiff (20), Meredith Chiles (21) and Sarah Brown (23). The doubles duo of Schiff and Chiles are ranked 43rd in the nation and have a record of 5-2.

Schiff leads the Commodores singles parade with a 9-3 singles record, while Chiles is next at 9-4.

The Series — Minnesota and Vanderbilt have never met in women's tennis.

BAYLOR BEARS — Like the other three competing teams, Baylor boasts a nationally-ranked doubles team with Melissa Castro and Greta Gibson appearing in the polls in the 35th spot. Castro and Gibson finished the fall schedule 4-2 overall.

As a team, Baylor is currently ranked fourth in the Southwest Region and has three players ranked regionally — Castro (8), Gibson (22) and Goldschmidt (26). Castro leads the singles parade with a 14-6 record, while Goldschmidt is next at 6-3 and Gibson is 5-3.

The Series — Baylor competed in last year's Federated Insurance Court Classic, losing to Minnesota on the final day of competition, 5-4. Last season's meeting was the only time Minnesota and Baylor have competed against each other.

WHAT'S NEXT — Following the Federated, Minnesota will travel to South Bend, Ind., for a second time to play 15th-ranked Notre Dame in a dual competition, Saturday, Jan. 28. Sunday, Jan. 29, the Gophers will be in Kalamazoo, Mich., to play Western Michigan.

BASKETBALL

GOPHERS TRY TO REBOUND AGAINST WISCONSIN AND INDIANA— Minnesota is looking to rebound after losing two road games over the weekend with contests against first-place Wisconsin Friday at the Sports Pavilion and Indiana Sunday in Bloomington, Ind. Friday's game against Wisconsin begins at 7 p.m., while Sunday's contest is scheduled for 1 p.m. (CST).

The Wisconsin game will be on FM Cable network of Radio K with Paul Barnes and Crystal Flint calling all the action, while Sunday's contest will be televised by KIUT-TV, a student station at Indiana.

MINNESOTA DROPS OUT OF RANKINGS— It was a short stay for Minnesota in the USA Today/CNN Top 25 rankings. The Gophers were ranked No. 24 last week, marking the first time this season Minnesota appeared in the national rankings.

ABOUT WISCONSIN— Wisconsin is 11-3 overall and 4-1 in the Big Ten Conference, good enough for first place. The Badgers are ranked #25 in country, dropping two spots, after losing to Michigan State by 10 points, 78-68.

Wisconsin is led by all-Big Ten player Barb Franke and Keisha Anderson. Franke, who ranks third in the Big Ten in scoring and eighth in rebounding, is averaging 19.4 points and 7.8 rebounds a contest. Anderson has scored in double figures in eight games this season and is averaging 12.5 points and 4.8 rebounds. Anderson also leads the Badgers in assists per game with 5.3.

Head coach Jane Albright-Dieterle is in her first season at Wisconsin and is seeking her 200th career victory against the Gophers on Friday night.

THE SERIES— Minnesota leads the series 18-12 and has won the last three matchups. Last year, Minnesota defeated the Badgers 82-71 in Madison, Wis., and 89-84 in Minneapolis. In game one last season SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) had a career-high 28 points and eight steals. In game two against the Badgers, Loeblein answered with 19 points.

ABOUT INDIANA— Indiana is the surprise team in the Big Ten this season with a 13-2 overall record and 3-2 conference mark. Indiana won its first 10 games to open the season, before losing to Wisconsin to start Big Ten play. Indiana is also a perfect 9-0 at home this season.

The Hoosiers are led by Lisa Furlin and Shirley Bryant. Furlin is averaging 18.3 points and 6.2 rebounds a game, while Bryant is at 17.4 points and 9.3 rebounds. Furlin ranks sixth in the Big Ten in scoring and Bryant seventh. Bryant also is fifth in rebounding.

Indiana is coached by Jim IZARD, who is in his seventh season at Indiana. IZARD won his 100th game as a head coach at Indiana earlier this year.

THE SERIES— Minnesota leads the series 15-12 and has won the last two games. The Gophers defeated the Hoosiers 73-68 at Bloomington, Ind., and then again at home, 94-74, behind Carol Ann Shudlick's 26 points.

GOPHER REWIND— After having its most successful weekend in the history of the program, Minnesota struggled on the road, dropping two games to Ohio State, 82-57, and Illinois, 68-54.

Against the Buckeyes, Ohio State opened the game with a 22-8 run. The Gophers narrowed the gap to 24-22, but Ohio State responded and took a five point lead into the locker room at the half.

To open the second period, Ohio State went on a 12-4 run and never looked back in handing Minnesota its worst defeat of the season.

Minnesota's leading scorer, CARA PEARSON (ST. PAUL, MN/HARDING), was on the bench much of the game after getting into early foul trouble. She ended the evening with only 10 points, with many of those coming in the final minutes. Loeblein was Minnesota leading scorer with 16 points. Loeblein connected on four three pointers in the contest.

Against Illinois, Minnesota jumped out to a quick 10-2 lead, but then went cold both shooting and rebounding. Minnesota only managed 25 points over the next 30 minutes of play, and missed a number of lay-ups from close range. The Gophers only shot 37 percent from the field. Illinois went 24-of-29 from the free throw line.

Pearson was the only Gopher in double figures as she ended with 18 points, but only six of those came in the second half. Loeblein finished with eight and LORI LAWLER (ROCHESTER, MN/LOURDES) with seven points.

TRAVEL WOES— In addition to the losses, the Gophers struggled in the travel department as well. The Gophers were scheduled to leave Thursday evening for Columbus, Ohio, via St. Louis, Mo. Minnesota's flight to St. Louis was delayed leaving Minneapolis and once the plane got into the air, it was struck by lightning before arriving in St. Louis. No damage was done to the plane and no one was injured, but once arriving at St. Louis, the Gophers flight to Columbus was delayed causing the team not to arrive in Columbus until 3 a.m. Friday morning. Saturday morning, Minnesota boarded a plane for Detroit and suffered another delay once arriving there on the connecting flight to Champaign, Ill. After the game Sunday, Minnesota's flight from Indianapolis to Minneapolis was cancelled causing the team to go back to St. Louis and take a connecting flight to Minneapolis, finally arriving at 12:30 a.m.

For anyone keeping count, the Gophers were in six states (Minnesota, Missouri (twice), Ohio, Michigan, Illinois, and Indiana) and six different airports in a span of 80 hours.

ABOUT THE GOPHERS—

MINNESOTA IN THE CONFERENCE— Before last weekend, Minnesota was 3-0 in the Big Ten Conference after having defeated Northwestern, Penn State and Purdue, all at home. It marked the Gophers best start in conference play since 1983-84, when the Gophers opened the season 3-0 in Big Ten play. The best conference start in Gopher history occurred in 1982-83 when Minnesota opened with five straight victories.

HOME SWEET HOME— The Gophers love playing in the Sports Pavilion. Minnesota has a 17-4 record in the Pavilion, including an 7-1 mark this season. Minnesota's only loss at home this year occurred in the second game of the season against South Carolina, 78-72, in the championship game of the Dial Soap Basketball Classic. The Gophers have won seven games in a row at the Pavilion. Minnesota has a 1-5 road record, including 0-2 in the conference, and is 0-1 in neutral site games.

THE HEAD COACH: LINDA HILL-MACDONALD— Linda Hill-MacDonald is in her fifth season at Minnesota. She has a 54-71 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance.

GYMNASTICS

GOPHERS TRAVEL TO TEMPE, ARIZ., FOR MEET AGAINST NINTH-RANKED ARIZONA STATE — After breaking several records in the team's opening meet, the University of Minnesota Golden Gophers will travel to Tempe, Ariz., to compete against ninth-ranked Arizona State in a dual meet, Friday, Jan. 20, at 8 p.m. CST.

THE ARIZONA STATE SUN DEVILS — Arizona State began its season, Monday, Jan. 16, with a dual meet at third-ranked Utah. The Sun Devils scored a 189.950, while Utah won the dual with an effort of 195.475.

Junior all-America Katie Freeland highlighted Arizona State's effort with a score of 9.925 on the vault. Freeland's score was the highest vault score of the event and the only individual event Arizona State won in the meet.

Missing from Arizona State's line-up was senior all-America Tina Brinkman. Brinkman suffered a concussion during a recent car accident and is listed as questionable for Friday's meet against the Gophers.

LAST SEASON — The Sun Devils finished the 1994 campaign with a 13-4 record and a 10th place finish at the NCAA Women's Gymnastics Championships in Salt Lake City, Utah. Under head coach John Spini, ASU has reach the NCAA Championships 13 times in the past 14 years.

THE SERIES — Minnesota has defeated Arizona State once in 12 competitions. The Gophers and Sun Devils competed against each other twice in 1994, with Arizona State winning a dual meet at the Sports Pavilion, 190.800-186.025, Jan. 29, and finishing ahead of the Gophers at the UCLA Invitational, Feb. 19, with a score of 191.400 to 187.750.

GOPHERS BEGIN SEASON WITH RECORD-BREAKING PERFORMANCE — Frosh MINDY KNAEBLE (NEW HOPE, MN/TOTINO-GRACE) highlighted the Minnesota Challenge with an effort of 9.825 on the balance beam, as the Golden Gophers began their regular season with a team score of 189.025 in front of a Sports Pavilion record gymnastics crowd of 2,342 fans.

Minnesota won the meet, followed by Winona State, 170.750, Gustavus Adolphus, 168.525 and Hamline University 164.500.

Knaeble's balance beam score was the second highest score in school history and the team score of 189.025 was the highest season opening score for any Golden Gopher women's gymnastics team by 7.525 points. The final score marked only the eighth time in school history that a Gopher squad finished at 189.00 or better.

The Gophers best event of the meet was the balance beam, where the team finished with a school record score of 48.525. The score broke the old record of 48.450 set against the University of Utah last season.

Sophomore JONDA HAMMONS (LODI, CA) scored a career-high and the third highest score in school history on the floor exercise with an effort of 9.825, while senior captain MICHELLE RIEGER (MARIETTA, GA/WESTFIELD (HOUSTON, TX)) scored a career-high 9.800 to finish second on the beam and record the third highest score in school history on that event.

Other event winners for the Gophers included Knaeble on the vault with a score of 9.575 and sophomore KRISTEN VANDERSALL (PLYMOUTH, MN/ARMSTRONG) on the uneven bars with an effort of 9.55.

TRACK AND FIELD

UP NEXT— The Gophers travel to Madison, Wis., for the co-ed Badger Track Classic in the Shell Saturday, January 21. Field events begin at 10:30 a.m., followed by running events at noon.

GOPHER REWIND—GOPHERS SHINE AT NORTHWEST OPEN— Head coach Gary Wilson's team won four events at the Northwest Open, hosted by the University of Minnesota. Frosh **KIM MARTIN (PITTSBURGH, PA/SCHOENLY)** tied a school record in her first meet as a Gopher runner, in the 55 meters. Martin tied Val Owen's record set in 1993. Martin was one of the top sprinter on the East coast last year and won the Pennsylvania state championship in the 200m and was a runner-up in the 100 meters.

Junior all-America **LORI TOWNSEND (CLARKSBORO, NJ/KINGSWAY)** continued her winning ways by taking first in the mile in 5:00.20. Senior **ANDREA GROVE (WINNIPEG, MANITOBA/TUXEDO SHAFTESBURY)** ran the seventh-best performance in Minnesota history in the 3,000-meters, winning in a time of 9:50.46 and senior **JOAN KARNES (LONG PRARIE, MN)** continued her domination of the shot put event with a toss of 47-5 1/4. Gopher junior **KATHIANNE SELLERS (LANCASTER, PA/MANHEIM TOWNSHIP)** finished second in the high jump with a mark of 5-8. Her mark tied a career-high and ranks third in Gopher history. Junior **DANI PARKOS (GRAND FORKS, ND/CENTRAL)** finished second in the shot put with a throw of 46-0.

THE SCHEDULE— The Gophers face one of the toughest schedules in the country both home and away in 1995. During the indoor season, Minnesota hosts the Northwest Open, the Nike Invitational and the Minnesota Open, while traveling to the Wisconsin Triangular, the Cargill Games in Winnipeg, Canada, and the Iowa State Invitational. The Gophers will then head to Ann Arbor, Mich., for the 1995 Big Ten Indoor Championships and the 1995 NCAA Championships in Indianapolis.

The schedule does not get any easier in the fall as Minnesota hosts the Minnesota Invitational, the Nike Invitational and the Minnesota Open. The Gophers have an extremely tough road schedule making appearances at the Texas Relays in Austin, Texas, the Nebraska Quad, the Purdue Quad, the Kansas Relays, the St. Olaf Invitational, the Drake Relays and the Penn Relays, before hosting the 1995 Big Ten Outdoor Championships, May 20-21.

WHAT'S NEXT— Minnesota hosts the Nike Invitational Saturday, Jan. 28, at the Minnesota Fieldhouse. Meet time is scheduled to begin at 4 p.m.

GOPHERS GLAD TO BE HOME: PLAY MICHIGAN AND IOWA—

The University of Minnesota women's basketball team (9-8 overall, 4-3 in the Big Ten) returns to the Sports Pavilion for a game Friday, Jan. 27, versus Michigan (7-10 overall, 2-5 in the Big Ten) and Sunday, Jan. 29 against Iowa (7-10 overall, 3-4 in the Big Ten). Friday's game against Michigan starts at 7 p.m., while the Iowa contest tips off at 2 p.m.

Friday is National Car Rental Youth Night, where the University of Minnesota and National Car Rental have joined in a joint venture with the fifth graders of the Minneapolis Independent School District to promote and increase awareness and participation of women's athletics with today's youth.

Sunday's game against Iowa will be carried live by Midwest Sports Channel with Michelle Tafoya and former Golden Gopher Lea Bergin calling the game. It will be the second of three games carried by Midwest Sports Channel this season. MSC will also carry the Ohio State game Sunday, Feb. 12.

ABOUT THE OPPONENTS—

MICHIGAN WOLVERINES— Michigan is 7-10 this season and 2-5 in the Big Ten, tying them for 10th place. Michigan is a much improved team this season as the seven wins marks the most wins for a Michigan team since the 1991-92 season, when it finished the year 7-21. In the last two seasons combined (1992-93, 1993-94), Michigan had only won five games during that time.

Michigan had only seven players on its 1993-94 roster, but this season has a full squad as it welcomed the nation's 11th-ranked recruiting class in the country.

Michigan is led by sophomore guard Amy Johnson and junior Jennifer Brzezinski. Johnson is averaging 13.3 points, 5.4 rebounds and 2.9 assists a game, while Brzezinski is the other Wolverine in double figures with 12.4 points and 9.8 rebounds a game. Silver Shellman is close to double figures in scoring, averaging 9.9 points and 5.4 boards a contest.

THE SERIES— Minnesota leads the series 15-11 and has won the last four matchups. Last season, Minnesota defeated the Wolverines 88-59 in Ann Arbor, Mich., and 79-70 at the Sports Pavilion. In Ann Arbor, CARA PEARSON (ST. PAUL, MN/HARDING) and SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) both had 18 points for the Gophers and Michigan-native LISA ROELL (IRON MOUNTAIN, MI/N. DICKINSON) had a career-high 11 points.

IOWA HAWKEYES—Iowa is struggling this season as they come into the Sports Pavilion with a 7-10 record and a 3-4 Big Ten mark. The 10 losses mark the most losses by an Iowa team since the 1983-84 season, head coach C. Vivian Stringer's first season at Iowa. That year, Iowa lost only 10 games.

Iowa is down to only 10 players, as injuries have taken their toll on the Hawkeyes. All-Big Ten player Tia Jackson is playing at limited strength after reinjuring her reconstructed knee earlier this season. Iowa also lost 6-5 post player Simone Edwards to a knee injury at the start of the year.

Iowa does boast the top recruiting class in the nation according to Joe Smith at *Women's Basketball News Service*. Iowa features seven newcomers, with many of them making their mark.

Jackson is the Hawkeyes leading scorer, averaging 12.1 points and 5.7 rebounds a contest. Frosh Tiffany Gooden is the only other Hawkeye averaging in double figures with 11.9 points and 4.4 boards a game.

THE SERIES— Iowa leads the series 21-12 and had won 20 games in a row until the Gophers upset the Hawkeyes, ranked #11 at the time, 64-58, at the Sports Pavilion. The win secured Minnesota's bid to the NCAA tournament. Carol Ann Shudlick had 16 points, while Loeblein had 14 and Flint 10 for the Gophers.

LOEBLEIN BREAKS ALL-TIME THREE POINT RECORD—

Senior SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) made Minnesota history Sunday against Indiana as she broke the Minnesota all-time three point record. Loeblein canned her 102nd trey of her career with three minutes left in the second half against Indiana to spark a furious Gopher rally at the end of the game. Loeblein moved past Jodi Olson for first place. Olson had 101 threes for her career.

GOPHERS SPLIT A WEEKEND PAIR— Minnesota split a pair of games over the weekend, losing to Wisconsin, 76-63, at the Sports Pavilion, then winning a thriller in Bloomington, Ind., in defeating the Hoosiers 81-76 in overtime.

Against Wisconsin, the Badgers opened the game with an 11-0 run. Minnesota got back into the game and tied the score at 26-26 late in the first half. After taking a three point lead into the locker room, Wisconsin opened the second half on fire, going on a 22-4 run to open the second half to put the game away. Wisconsin's Barb Franke and Keisha Anderson had 19 points a piece, while LORI LAWLER (ROCHESTER, MN/LOURDES) led all Minnesota scorers with 16 points.

--more--

It was better news for Minnesota against the Hoosiers. Minnesota trailed by eight point at the half and were down by seven with three minutes to go in the contest and leading scorer Pearson sitting on the bench after fouling out of the game. Loeblein connected on her record breaking three pointer, then frosh KAY SCHMIDT (BLOOMINGTON, MN/KENNEDY) came up big time for the Gophers. Schmidt nailed a 17-footer from the right base line to pull the Gophers within two. As Indiana took the ball up the court, Schmidt drew on offensive foul on Hoosier center Quacy Barnes and was sent to the free throw line to tie the game. Schmidt made both buckets to tie the game at 72-72. After a flurry of action in which both teams had layups to win the game, Minnesota took control of the overtime period behind a Loeblein put back and a Schmidt three pointer to give Minnesota an 81-76 victory. It was Minnesota's first conference road victory and Indiana's first home loss this season, after opening the year a perfect 9-0.

Loeblein led all Minnesota scorers with 25 points, while Lawler and Pearson, who only played 14 minutes, had 15 a piece. Schmidt finished the game with seven and frosh ANGIE IVERSON (OWATONNA, MN) tied a career-high with 11 rebounds.

MANY CAREER HIGHS SET AGAINST INDIANA— Many Gopher players had season or career-highs against Indiana in a number of categories. Loeblein had a season-high 25 points. Lawler had a career-high nine rebounds and Iverson tied a career-high in rebounds with 11. Schmidt had a career-high in points with seven and tied her career mark in rebounds. Junior NANCY SHUDLICK (APPLE VALLEY, MN) had a season-high four points and a career-high eight rebounds against the Hoosiers.

MORE TRAVEL WOES—The Gophers continue to have travel problems. On their trip to Indiana, their original flight was cancelled causing the Gophers to arrive at 10:30 p.m. in Bloomington, Ind. On Sunday afternoon, the Gophers missed their return flight to Minnesota after the game went into overtime and snow blanketed Indiana. Redirected to Detroit, the plane sat on the runway in Indianapolis for 45 minutes due to bad weather in both Detroit and Indianapolis. Once in the air, the plane circled Detroit for 45 additional minutes after all of the runways were shut down. Once landing in Detroit, the Gophers made a connecting flight and after another lengthy delay finally touched ground in the Twin Cities at 11 p.m.

HOME SWEET HOME— The Gophers love playing in the Sports Pavilion. Minnesota has a 17-5 record in the Pavilion, including an 7-2 mark this season. Before Friday's loss to Wisconsin, Minnesota's only loss at home this year occurred in the second game of the season against South Carolina, 78-72, in the championship game of the Dial Soap Basketball Classic. The Gophers had won seven games in a row at the Pavilion before falling to the Badgers. Minnesota has a 2-5 road record, including 1-2 in the conference, and is 0-1 in neutral site games.

HOME SWEET HOME II—It is not just the Gophers who like to play at home—it's the entire Big Ten. This season, the home team is an incredible 27-10 at home during Big Ten play and 61-19 overall. Wisconsin and Penn State are the only teams that remain unbeaten at home as Indiana lost Sunday. Indiana and Illinois have the next best home records, losing only one game.

Home records—

	Overall	Big Ten
Wisconsin	7-0	4-0
Penn State	6-0	3-0
Indiana	9-1	2-1
Illinois	5-1	1-1
Minnesota	7-2	3-1
Iowa	5-2	3-1
Purdue	5-2	2-1
Ohio State	5-2	2-1
Michigan St.	4-2	2-1
Northwestern	4-2	2-0
Michigan	4-5	3-3

THE HEAD COACH: LINDA HILL-MACDONALD— Linda Hill-MacDonald enters her fifth season at Minnesota. She has a 55-72 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance.

STARTING LINE-UP SET— Pearson, Loeblein, Lawler and TONIA NELSON (NEW LONDON, MN/NEW LONDON-SPICER) have started every game for the Gophers while SARAH CECKA (JORDAN, MN/ANOKA RAMSEY CC) has started 16 of 17 games for the Minnesota. Sophomore CHERI STAFFORD (HAM LAKE, MN/BLAINE) has the only other start for Minnesota.

PEARSON LEADS THE WAY— Pearson continues her streak of double-figure scoring games for the Gophers. Pearson has scored 10 points or more in all 17 of the Gophers games this season, including a career-high 25 against Western Illinois. Pearson has been the leading scorer for Minnesota in eight of the team's 17 games this year. She leads the team in scoring and rebounds, averaging 15.5 points and 8.5 rebounds a game. She also has had career-highs in rebounds (14), steals (4) and blocks (3) this season, all against Penn State. Pearson has been named to the all-tournament team at the Dial Soap Basketball Classic and the Bertha Teague Memorial Classic in Stillwater, Okla. Pearson was also named Minnesota Women's Athletics Athlete of the Month for December and the Big Ten Player of the Week for her accomplishments against Penn State and Purdue.

LAWLER CONTINUES GREAT PLAY—Lawler has done a complete turnaround for the Gophers this season. After only averaging 3.8 points and 2.08 rebounds during her first three seasons with the Gophers, Lawler is averaging 12.5 points and 4.7 boards a game and is first on the team in minutes played with 33 a contest. She is also shooting 48 percent from the field and 38 percent from behind the three-point arc. Lawler already has 10 three's this season after only having two the entire 1993-94 season. Lawler had a career-high 21 points against Northwestern and poured in 19 points against Penn State.

SATURDAY IS KAREN KLEINDL AND GRACEVILLE-CLINTON HOMETOWN DAYS—The University of Minnesota women's athletic department and WCCO-Radio News/Talk 8•3•0 will co-sponsor a "Hometown Day" celebration for Gopher women track and field and cross country athlete KAREN KLEINDL (GRACEVILLE, MN/CLINTON-GRACEVILLE) and the cities of Clinton and Graceville, Minn. The celebration will take place after Kleindl competes in the mile race at the Nike Invitational. The mile will take place at approximately at 5:15 p.m. with the ceremony scheduled for 5:40 p.m.

The "Hometown Day" campaign honors Gopher women student-athletes and their hometowns in the state of Minnesota. Kleindl, a sophomore this season, ran her career-best in cross country at Region IV meet this fall (19:03) and was named the most improved runner at the 1994 cross country banquet. She also had Minnesota's third-fastest time in the indoor mile last season.

Before coming to Minnesota, Kleindl was a four-time participant at the Minnesota state high school track and field meet and a five-time MVP of the track and field team. She was the state runner-up her frosh and sophomore seasons in the mile.

GOPHER REWIND— Frosh KIM MARTIN (PITTSBURGH, PA/SCHENELY) broke the Minnesota varsity record in the 55m for the second week in a row at the Badger Track Classic in Madison, Wis. Martin's time of :07.16 broke the mark of :07.18 set by Martin and Val Owen set in 1993. Martin also won the 200m in a time of :25.64, ranking her seventh on the Minnesota all-time list.

LORI TOWNSEND (CLARKSBORO, NJ/KINGSWAY) recorded a provisional qualifying time of 9:41.56 in the 3,000 meter in finishing third. Senior ANDREA GROVE (WINNIPEG, MANITOBA, CANADA/TUXEDO SHAFTESBURY) ran a provisional qualifying time of 4:50.00 in the mile, the third fastest time in Minnesota history.

Other event winners included DANI PARKOS (GRAND FORKS, ND/CENTRAL) in the shot put (47-9), a career-best for Parkos, ranking her sixth on the Minnesota all-time list. LORI HARDRICK (MILWAUKEE, WI/WISCONSIN LUTHERAN) won the triple jump with a mark of 39-2 1/2.

THE SCHEDULE— The Gophers face one of the toughest schedules in the country both home and away in 1995. During the indoor season, Minnesota hosts the Northwest Open, the Nike Invitational and the Minnesota Open, while traveling to the Wisconsin Triangular, the Cargill Games in Winnipeg, Canada, and the Iowa State Invitational. The Gophers will then head to Ann Arbor, Mich., for the 1995 Big Ten Indoor Championships and the 1995 NCAA Championships in Indianapolis.

The schedule does not get any easier in the fall as Minnesota hosts the Minnesota Invitational, the Nike Invitational and the Minnesota Open. The Gophers have an extremely tough road schedule making appearances at the Texas Relays in Austin, Texas, the Nebraska Quad, the Purdue Quad, the Kansas Relays, the St. Olaf Invitational, the Drake Relays and the Penn Relays, before hosting the 1995 Big Ten Outdoor Championships May 20-21.

WHAT'S NEXT— Minnesota travels to Winnipeg, Manitoba, Canada for the Cargill Games Saturday, February 4. Meet time is 10 a.m.

ABOUT THE OPPONENTS—

MICHIGAN STATE SPARTANS— Minnesota concludes the first half of the Big Ten season with a contest at Michigan State Friday. Michigan State is 8-9 on the season and 2-6 in the Big Ten, good for ninth place. The Spartans have lost three games in a row, including a home contest to Purdue last Monday night.

The Spartans are led by all-Big Ten player Kisha Kelley and Zareth Gray. Kelley is averaging 19.8 points and 6.0 rebounds a contest. Kelley ranks second in the Big Ten in scoring. Gray is the only other Michigan State player averaging in double figures with 10.8 points and 4.8 rebounds a game.

As a team, Michigan State is shooting over 45 percent from the field and averaging 75.1 points a game.

THE SERIES— Michigan State leads the series 14-11, but has lost the last three match-ups with the Gophers. Last season, Minnesota defeated MSU 82-69 at the Sports Pavilion behind 30 points by Gopher all-America Carol Ann Shudlick. CARA PEARSON (ST. PAUL, MN/HARDING) had 14 points for the Gophers.

In game two, Minnesota won 66-62. Minnesota had four players in double figures, including SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) and Pearson with 10 points a piece.

WISCONSIN BADGERS—Minnesota looks for revenge as it travel to Madison, Wis., to play the Badgers (13-5 overall, 6-3 in the Big Ten), where Wisconsin is a perfect 7-0 at the Fieldhouse. Wisconsin defeated Minnesota 76-63 only two weeks ago at the Sports Pavilion. Wisconsin has lost two games in a row and has fallen into second place after losing to Purdue and Penn State over the weekend.

The Badgers are led by all-Big Ten player Barb Franke and point guard Keisha Anderson. Franke is averaging 18.6 points and 8.3 boards a game, while Anderson runs the offensive show at the point. Anderson is averaging 13.2 points, 4.7 rebounds, 5.3 assists and leads the Big Ten with 3.4steals a game.

As a team, Wisconsin is averaging 74 points a game, while holding its opponents to 64 points. Wisconsin is shooting 45 percent from the field.

THE SERIES— Minnesota leads the series 19-12 and had won the last three games, until the meeting two weeks ago. In that game, Wisconsin opened the game with an 11-0 run. Minnesota got back into the contest and tied the score at 26-26 late in the first half. After taking a three-point lead into the locker room, Wisconsin came out on fire, going on a 22-4 run to open the second half and put the game away.

Franke and Anderson kept the Gophers guessing all night and finished the game with 19 points a piece.

For the Gophers, LORI LAWLER (ROCHESTER, MN/LOURDES) had 16 points, while Pearson had 14. Junior center SARAH CECKA (JORDAN, MN/ANOKA RAMSAY CC) had 12 rebounds, tying a career-high.

GOPHERS ON THREE GAME WINNING STREAK—Minnesota is on a three-game winning streak with victories over Michigan and Iowa over the weekend. The two victories put the Gophers into second place in the conference, only a half-game behind league leader Penn State.

Michigan, 76-58, at the Sports Pavilion. Loeblein, Pearson, Lawler and CHERI STAFFORD (HAM LAKE, MN/BLAINE) all had 12 points to lead the Gophers. Stafford also had a team-high nine rebounds.

Minnesota jumped out to a 37-34 halftime lead and never looked back, playing tough perimeter defense against the outside shooters of Michigan. The Wolverines only shot eight percent from three point range (2-for-25).

Against Iowa on Sunday, Minnesota rallied behind the hot shooting of Loeblein and played flawless defense to defeat the Hawkeyes 70-56.

Loeblein connected on a career-high and Sports Pavilion record six three pointers in the game and finished with 19 points. Loeblein was 6-of-9 from the field and pulled down seven rebounds. The Minnesota women's basketball team (11-10 overall, 6-5 in the Big Ten) returns to the friendly confines of the Sports Pavilion for the final time this season as it takes on Illinois Friday and Ohio State Sunday. Friday's game starts at 7 p.m., followed by a 2 p.m. tip-off Sunday.

The Gophers are an impressive 19-5 at the Sports Pavilion and 9-2 this season as they go into the final home weekend. Big crowds are expected for both games and fans are encouraged to purchase tickets in advance.

Friday's game against Illinois is sponsored by the local Saturn dealerships in the Twin Cities. Fans can drop by any local Saturn dealership and receive free tickets to the game.

Sunday's game against Ohio State will be broadcast live on Midwest Sports Channel and is Senior Day at the Sports Pavilion as the women's athletic department honors LISA ROELL (IRON MOUNTAIN, MI/NORTH DICKINSON), LORI LAWLER (ROCHESTER, MN/LOURDES), CARA PEARSON (ST. PAUL, MN/HARDING) and SHANNON LOEBLEIN (ST. PAUL, MN/HARDING). Senior ceremonies will be held before the game.

The game Sunday will also be sponsored by Converse and Oshman's, where free tickets are available at the stores prior to the game and prizes will be given away throughout the contest.

FRIDAY IS SARAH CECKA HOMETOWN DAY—The University of Minnesota women's athletic department and WCCO-Radio News/Talk 8-3-0 will co-sponsor a "Hometown Day" celebration for Gopher women's basketball athlete SARAH CECKA (JORDAN, MN/ANOKA RAMSEY CC) and the city of Jordan, Minn. The celebration will take place during halftime of the Minnesota vs. Illinois game.

She is averaging 6.6 points and 5.3 rebounds a game for the Gophers. Cecka had the first double-double of her Minnesota career against Texas A&M with a career-high 14 points and 12 rebounds. She also had 12 rebounds against Wisconsin.

ABOUT THE OPPONENTS—

ILLINOIS— Illinois comes into Minneapolis after losing at home to Michigan Sunday, 74-69. Illinois is now 9-11 on the season and 2-8 in the Big Ten, but one of those two wins came at the hands of the Gophers in January. Illinois opened the season 7-2, but has struggled after losing center Anita Clinton to an ACL injury in early January. Since then, Illinois has gone 2-9, including losing the first five games without Clinton.

Illinois is led by senior forward Kris Dupps and frosh Krista Reinking. Dupps is averaging 14.7 points and 8.9 rebounds a contest, while Reinking, who is back from a stress fracture, is averaging 11.5 points a game. As a team, Illinois is only shooting 39 percent from the field, while its opponents are at 45 percent.

THE SERIES— Minnesota and Illinois are tied at 12 games each, but Illinois has won the last two match-ups. In the first meeting this season, Illinois defeated the Gophers, 68-54. Minnesota jumped out to a quick 10-2 lead, but then went cold both shooting and on the boards. Minnesota managed only 25 points over the next 30 minutes and missed a number of layups from close range. The Gophers only shot 37 percent from the field. Pearson was the only Gopher in double figures with 18 points.

OHIO STATE—Ohio State is 13-7 overall and 6-4 in the Big Ten. Ohio State had won four games in a row until losing at Iowa Friday 67-61. The Buckeyes have won five of their last seven games.

Ohio State is led by all-American guard Katie Smith and forward Peggy Evans. Smith is averaging 22.6 points and 6.1 rebounds a game and leads the Big Ten in scoring. Evans dominates the middle as she is averaging 16 points and seven boards for the Buckeyes. No other Ohio State player is averaging in double figures.

As a team, Ohio State is shooting 48 percent from the field, while holding its opponents to only 41 percent. The Buckeyes have also outscored their opponents 79.4-67.3 on the season.

THE SERIES— Ohio State leads the series 25-4 and has won 20 of the last 21 games played between the two schools. Minnesota's only win occurred in 1992 when the Gophers defeated OSU 83-75 at Williams Arena.

Minnesota is trying to avenge an earlier loss to Ohio State, as the Buckeyes defeated Minnesota 82-57 in Columbus, Ohio. OSU opened the game with a 22-8 run. The Gophers narrowed the gap to 24-22, but the Buckeyes responded and took a five-point lead into

the locker room at the half. To open the second period, OSU went on a 12-4 run and never looked back in handing Minnesota its worst defeat of the season. Loeblein had 16 points for the Gophers.

GOPHERS DROP TWO—Minnesota ended its three-game winning streak, losing at both Michigan State and Wisconsin over the weekend. Minnesota had an eight point lead with seven minutes remaining in both games but could not hold on for the win.

Against Michigan State, the Gophers had a 61-53 lead, but managed only five points in the last seven minutes of the game. Michigan State stormed back and took the lead on a Cheri Euler jumper with 2:29 remaining in the game. Both teams went scoreless over the next two minutes with Minnesota having the ball with nine seconds left in the game. Lawler inbounded the ball to Loeblein whose three point attempt bounced off the front rim and just past the outstretched arms of Gopher center **CHERI STAFFORD (HAM LAKE, MN/BLAINE)**. Michigan State connected on two late free throws to win the game 69-66.

Pearson led Minnesota with 20 points and Loeblein had 18, as they were the only two Gophers in double figures.

Against the Badgers, Minnesota lost a heartbreaker as Wisconsin beat them 79-78 in overtime in front of a UW-Field House record crowd of 9,358. Minnesota led by eight with five minutes remaining, but Badger point guard Keisha Anderson, playing with a broken nose, took control of the game, scoring eight points down the stretch, including the free throw with 1.6 seconds left in regulation to send the game into overtime at 72-72.

In the overtime, Badger all-Big Ten player Barb Franke connected on a three point play and raced out to a four point lead. Loeblein answered with a three pointer to cut the lead to one. Minnesota had a chance to win it with 1.9 seconds on the clock, but Loeblein missed a three point attempt at the buzzer.

Loeblein led all scorers with 25 points, while Lawler had 20 and Pearson 14 for Minnesota. Cecka had 10 points and 10 rebounds for the Gophers.

ABOUT THE GOPHERS—

PEARSON WINS RAMSEY COUNTY AWARD—Pearson was named the 1995 recipient of the Ramsey County Athlete of the Year Award sponsored by the Downtown Lions Club. Pearson will be honored during a luncheon February 7.

INJURY REPORT—Roell missed the Wisconsin game with a sprained ankle. Roell injured her ankle during a shootaround Sunday morning. She should be back for the Illinois game Friday.

LOEBLEIN BREAKS ALL-TIME THREE POINT RECORD—

Loeblein made Minnesota history against Indiana as she broke the Minnesota all-time three point record. Loeblein canned her 102nd trey of her career with three minutes left in the second half against Indiana to spark a furious Gopher rally at the end of the game. Loeblein moved past Jodi Olson for first place. Olson had 101 threes for her career.

HOME SWEET HOME—The Gophers love playing in the Sports Pavilion. Minnesota has a 19-5 record in the Pavilion, including an 9-2 mark this season. Minnesota's only losses at home this year were to Wisconsin and South Carolina, 78-72.

THE HEAD COACH: LINDA HILL-MACDONALD—Linda Hill-MacDonald enters her fifth season at Minnesota. She has a 57-74 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance.

TRACK AND FIELD

UP NEXT— The Gophers travel to Ames, Iowa, for the Iowa State Invitational Saturday, Feb. 11. Meet time is 10 a.m.

MARTIN NAMED MINNESOTA FEMALE ATHLETE OF THE MONTH FOR JANUARY—Frosh **KIM MARTIN** (PITTSBURGH, PA/SCHOENLY) was named Minnesota Women's Athletics Athlete of the Month for January. Martin tied the Minnesota varsity record in the 55m dash in her first competition as a Gopher, winning the Minnesota Invitational in a time of :07.18. The next week, Martin broke the 55m record, running a :07.16 in placing third at the Badger Track Classic. At the Nike Invitational last weekend, Martin claimed her second Minnesota record when she ran a :24.95 in the 200m dash. She became the first Gopher athlete to break the 24 second mark. She also held the six fastest times in the 55m and the top two times in the 200m in January for the Gophers.

GOPHER REWIND—Frosh **KIM MARTIN** continued her record-setting ways for the University of Minnesota again this week as she set two more varsity records at the Cargill Games in Winnipeg, Manitoba, Canada. Martin set a new varsity record in the 200 meter dash with a time of :24.74 breaking her old record of :24.95 at the Nike Invitational set last week.

Martin also was on the record setting 4x200 relay team at the Cargill Games. Martin, **KATHIANNE SELLERS** (LANCASTER, PA/MANHEIM TOWNSHIP), **LORI HARDRICK** (MILWAUKEE, WI/WISCONSIN LUTHERAN) and **KIM HOFNER** (BURLINGTON, WI) set the Minnesota varsity record in the 4x200 with a time of 1:42.98, breaking the old record of 1:46.64 set in 1979.

Martin now owns three varsity records after only four meets this season and has set or broken varsity records five times this season.

Other Gophers winners included **LORI TOWNSEND** (CLARKSBORO, NJ/KINGSWAY) in the 3,000 meters in a time of 9:52.02.

THE SCHEDULE— The Gophers face one of the toughest schedules in the country both home and away in 1995. During the indoor season, Minnesota hosts the Northwest Open, the Nike Invitational and the Minnesota Open, while traveling to the Wisconsin Triangular, the Cargill Games in Winnipeg, Canada, and the Iowa State Invitational. The Gophers will then head to Ann Arbor, Mich., for the 1995 Big Ten Indoor Championships and the 1995 NCAA Championships in Indianapolis.

The schedule does not get any easier in the spring as Minnesota hosts the Minnesota Invitational, the Nike Invitational and the *Minnesota Open*. The Gophers have an extremely tough road schedule making appearances at the Texas Relays in Austin, Texas, the Nebraska Quad, the Purdue Quad, the Kansas Relays, the St. Olaf Invitational, the Drake Relays and the Penn Relays, before hosting the 1995 Big Ten Outdoor Championships May 20-21.

WHAT'S NEXT— Minnesota returns to the University Fieldhouse for the Minnesota Invitational Saturday, Feb. 18 at 11 a.m.

SWIMMING AND DIVING

GOPHERS HOPE FOR TOP THREE FINISH AT BIG TEN'S — The Minnesota women's swimming and diving team has a top three finish as its goal for the 14th Annual Big Ten Women's Swimming and Diving Championship, Thursday-Saturday, Feb. 16-18. The championship is at the Indiana University Natatorium on the campus of Indiana University-Purdue University-Indianapolis (IUPUI). Preliminaries begin each day at 11 a.m. for the swimming events and at 1 p.m. for diving. The finals are 7 p.m. each day.

THE TEAMS — No. 2 ranked Michigan is expected to win its ninth consecutive Big Ten team title this year, returning four Big Ten champions in five events and eight championship finals placewinners. "Eleventh-ranked Northwestern is the probable second place team at the championship," says Jean Freeman, Minnesota head swimming and diving coach, "with 17th-ranked Minnesota, No. 18 Penn State and Ohio State battling for third through fifth." Freeman expects 23rd-ranked Wisconsin and Purdue to battle for the next two slots with the eighth through 11th being fought for by Illinois, Indiana, Iowa and Michigan State.

THE GOPHERS BY EVENT — Minnesota is taking 22 swimmers and four divers to the Big Ten meet, with championship meet rules allowing swimmers to compete in three individual and four relay team events. The divers compete in two scored events and the option of one exhibition (platform) diving event. The top eight competitors from the prelims compete in the finals each night, with the ninth through 16th placewinners racing in the consolations.

In the sprint freestyle events, Freeman believes sophomore SUZIE HELVIG (MANDAN, ND/MANDAN) and senior tricaptain PAM SMITH (SPRINGFIELD, IL/SOUTHEAST) will place in the finals of the 50-yard freestyle, with junior KIM BRYANT (EAGAN, MN/EAGAN) and frosh KARI KLASSEN (NORTHFIELD, MN/NORTHFIELD) placing in the consolation round. In the 100-yard freestyle, look for Helvig, Pam Smith and Klassen in the finals, with Bryant and sophomore DEVON COELLNER (SALINA, KS/SALINA) scoring in the consols.

In the mid- and distance freestyle races, Helvig, sophomore ALICIA HICKEN (CAMPBELLVILLE, ON, CANADA/SILVERTHORN) and Coellner should split the scoring in the finals and consols of the 200-yard freestyle. In the 500-yard freestyle, Hicken, along with newcomers KIM WILSON (SOUTH BEND, IN/RILEY) and OLGA SPLICHALOVA (ZNOJMO, CZECH REPUBLIC) are expected to race for top eight finishes, with junior WENDY WOODS (MADISON, WI/WEST) placing in the consols.

Splichalova and Wilson are top eight contenders in the 1650-yard distance freestyle with Hicken having a good chance for the consols.

Freeman feels frosh SHONA BAILLIE (OAKVILLE, ON, CANADA/SILVERTHORN/MISSION VIEJO) will finish in the top eight of both the 100- and 200-yard backstroke events, with senior tricaptain KIKI ANDERSON (FALCON HEIGHTS, MN/ROSEVILLE) in the consolations of both. Sophomore KATE WENDT (RIVER FOREST, IL/OAK PARK RIVER FOREST) is being looked to as well to place in the consols of the longer race.

The Gophers' depth in the 100-yard breaststroke is evident with five swimmers in possible scoring position. In the finals of the event, look for frosh GRETCHEN HEGENER (COLOGNE, MN/MAYER LUTHERAN) and junior LESLIE WILCOX (EXCELSIOR, MN/MINNETONKA) to score, with sophomores JESSICA SMITH (PORTLAND, OR/REYNOLDS), NICOLE NELSON (LAKE FOREST, CA/EL TORO) and frosh NICOLE FIEST (MANDAN, ND/MANDAN) in the consols. In the 200-yard breaststroke, Freeman expects Wilcox and Hegener to be in the finals of the event with sophomore JESSICA GRASS (KNOXVILLE, TN/FARRAGUT) to place in the consolation race.

A big event for the Gophers to rack-up points is the 200-yard butterfly. Grass, sophomore TANYA SCHUH (LAKE ELMO, MN/STILLWATER) and Wendt are all expected to earn points for Minnesota in the finals of the event with Anderson and Klassen delivering more points from the consols. In the 100-yard butterfly, Schuh and Klassen are expected to be in the finals, with more possible points in the consolations of the event from Baillie, Anderson, Pam Smith and sophomore CARRIE RAETH (KALISPELL, MT/FLATHEAD).

Freeman would like to place three in the 200-yard individual medley, with one in the finals and two in the consols of the four-stroke event. Baillie and Coellner are the Gopher's top swimmers in the event, with Hegener and Wendt swimming hard to score. In the 400-yard individual medley, Minnesota is hoping to place a pair in both the finals and consols, with Wilson and Splichalova in the top eight and Grass, Woods and Wendt in the consolation race.

Minnesota has always been a strong relay team and this year is no exception, with Freeman expecting all five relays to place among the top four in each of the races. Relay team assignments are not usually finalized until the day of the race, but the Gophers' fastest 200- and 400-yard freestyle teams this season have the same four swimmers on each: Helvig, Klassen, Pam Smith and Coellner. Look for Splichalova to join Helvig, Klassen and Coellner in the 800-yard freestyle relay. The 200- and 400-yard medley relays will be led-off by Baillie in the backstroke, Hegener in the breaststroke, the butterfly being swum by Schuh and either Helvig or Pam Smith swimming the freestyle anchor leg of the races.

Minnesota's strong diving contingent expects to place all four divers in both 1- and 3-meter diving. Junior JENNIFER KOSKI (ANOKA, MN) and sophomore ANDREA BERG (ISSAQUAH, WA/LIBERTY) should place in the finals of both springboard events with senior KARA MARTIN (LINCOLN, NE/EAST) and junior JENNIFER COOK (ELK RIVER, MN/ELK RIVER) in the consols of each event. Martin, a 1994 NCAA all-American in platform diving, will also compete in the exhibition platform event at the championship.

GYMNASTICS

GOPHERS HOST NATIONALLY-RANKED PENN STATE, ILLINOIS FOR MINNESOTA INVITATIONAL — Three Big Ten Conference schools will invade the Sports Pavilion, Saturday, Feb. 18, as the Minnesota Golden Gopher women's gymnastics team will host the Minnesota Invitational.

Seventh-ranked Penn State and Illinois will compete with the 20th-ranked Gophers. The meet is scheduled to begin at 7 p.m.

A LOOK AT THE OPPONENTS

PENN STATE— The seventh-ranked Lady Lions have suffered only two setbacks this season, losing to second-ranked Alabama in the team's second meet of the year and top-ranked Utah in the team's last meet, Feb. 11.

Penn State's best score came against Utah, where the Lady Lions produced an effort of 193.825. Utah scored a 195.175, while Alabama edge the Lady Lions 193.900-193.025.

Penn State has earned two wins against Big Ten schools, defeating Illinois 191.475-187.050 in the first meet of the year and Ohio State 192.875-188.300 in Columbus, Ohio, Jan. 28.

The Series — Penn State holds a 7-0 advantage against Minnesota. The Gophers and Lady Lions competed against each other twice last season. Penn State outscored the Gophers 187.775-183.850 the first time and 194.025-189.200 at the Big Ten Championships.

ILLINOIS — Illinois recorded its highest team score in school history, Sunday, Feb. 5, when the team defeated 19th-ranked S.E. Missouri State, 192.550-191.250. Illinois broke six school records during the win, including being the first Illinois team to ever reach the 190.000 mark.

Illinois broke two team event records — balance beam scoring and floor exercise scoring — along with establishing four individual records. Frosh Stacy Redmond established the highest score in Illinois school history as well as the balance beam record with a mark of 9.95.

Illinois recorded the school's third highest mark in its last meet, Feb. 10, with a score of 189.35. Illinois defeated 17th-ranked Illinois-Chicago, who only scored a 188.525.

The Series — The Gophers hold a 23-5 advantage against Illinois. The two schools competed against each other once already this season at the Michigan Invitational. The Gophers outscored Illinois 190.450-186.650.

Illinois' last victory against Minnesota came at the 1991 Big Ten Conference Championships where Illinois scored a 185.50 to the Gophers 183.250.

BATZA BACK FOR MINNESOTA INVITATIONAL — After missing Minnesota's last two meets with a lower back sprain, frosh STACEY BATZA (OXFORD, CT/SEYMOUR) is expected to return to the Gophers' line-up for the Minnesota Invitational.

Batza injured her back during the Gophers final warm-up rotation at the Utah Invitational Feb. 6 and was pulled from the line-up five minutes before the start of the meet. The Gophers competed with only five competitors on each event.

Batza competed in Minnesota's first three meets and has been the Gophers' only all-arounder. Batza posted a season-best all-around score of 38.275 at the Michigan Invitational, Jan. 27.

Batza's best event has been the vault, where she posted consecutive scores of 9.825 at Arizona State (Jan. 20) and the Michigan Invitational (Jan. 27).

GOPHERS REACH 190.00 MARK FOR THIRD STRAIGHT MEET IN WIN AGAINST MISSOURI — The 20th-ranked Gophers scored their third consecutive score of 190.00 or better Saturday in the Sports Pavilion, as Minnesota defeated the University of Missouri, 190.250-186.650 in front of 1,200 fans.

The Gophers' total was the fourth highest score in school history and the team set one event school record with an effort of 48.05 on the uneven bars. The 48.05 broke the former record of 48.00 set at the Big Ten Championships in 1990, and tied at the Oregon State Invitational in 1993.

Frosh MINDY KNAEBLE (NEW HOPE, MN/TOTINO-GRACE) highlighted the Gophers' individual performances with a score of 9.85 on the balance beam. Knaeble's effort tied the school record with former Gopher great Marie Roethlisberger.

Roethlisberger set the mark in 1990 at Iowa State. Sophomore KRISTEN VANDERSALL (PLYMOUTH, MN/ARMSTRONG) recorded the second highest score in school history and tied a Sports Pavilion record with an effort of 9.85 on the floor exercise, while Knaeble established a career high on the same event with a score of 9.70.

Vandersall also tied the second highest score in school history on the uneven bars with a score of 9.875.

THREE TEAM RECORDS BROKEN DURING 1995 SEASON — In addition to Saturday's uneven bars record, the Gophers have broken two other team records during the 1995 season.

Minnesota broke the balance beam record at the Minnesota Challenge, Jan. 14, with an score of 48.525. The effort broke the former record of 48.450 set against the University of Utah, March 19, 1994. Minnesota's other record came on the vault at the Michigan

Invitational with a score of 48.05, breaking the former mark of 48.00 set at the Central Region Championships, April 7, 1990.

In all, the Gophers have broken all five team records (floor exercise and team score are the other) since head coach Jim Stephenson arrived at Minnesota in 1991.

VANDERSALL'S UNEVEN BARS SCORE HIGHLIGHTS GOPHERS 9.80 CLUB IN 1995 — Vandersall's uneven bars score against Missouri was a historic mark in Gopher women's gymnastics. Vandersall's 9.875 effort on the uneven bars was the first score of 9.85 or better by a Gopher other than Roethlisberger. Roethlisberger reached the 9.85 mark on the bars eight times in her career.

Minnesota's five individual scores of 9.80 or better on an event against Missouri gave the Gophers eight scores of 9.80 or higher for the season.

GOPHER WOMEN'S GYMNASTICS TEAM RANKED IN TOP 20 FOR FIRST TIME SINCE 1990 — The Gophers jumped from 25th to 20th in the Feb. 8 AAI Women's Gymnastics top 25 poll, following its highest score of the season, Monday, Feb. 6, at the Red Robin Invitational in Salt Lake City, Utah.

The leap into the top 20 marks the first time the Golden Gophers have reached a top 20 ranking since 1990, when the team was ranked among the elite 20 for five weeks and achieved a ranking as high as 15th.

Minnesota's highest ranking during any regular season came in 1983, when the Gophers reached No. 7 in the polls. Since 1983, the Gophers have reached a top 20 ranking during the regular season five times — 1983, 1984, 1986, 1990 and now 1995.

As for the Feb. 8 poll, the Gophers' ranking is based on the team's season average score of 189.375. Minnesota recorded the school's second-highest score, at Utah, with an effort of 190.650.

The Gophers are ranked among the top 25 in three of four events — the uneven bars (19th), the balance beam (11th) and the floor exercise (23rd).

HOME ATTENDANCE ON PACE TO SET RECORD AVERAGE —

After two home meets in 1995, the Gophers are on pace to set a record home attendance average for women's gymnastics. The Gophers are averaging 1,771 people in 1995, up from last season's all-time best average of 1,160.

Minnesota's first meet of 1995, the Minnesota Challenge, Jan. 14, set a regular season home meet record with 2,342 fans in attendance.

Prior to last season, the Gophers had only one other season where the team averaged more than 1,000 people for its regular season home meets — 1991 when an average of 1,077 fans attended Minnesota's four home dates.

GOLDEN GOPHER HEAD COACH JIM STEPHENSON — Golden Gopher head coach Jim Stephenson is in his third season at Minnesota. Stephenson guided the 1994 Gophers to their first regional appearance since 1991 and a third place finish at the Big Ten Championships.

Prior to coming to Minnesota, Stephenson was the top assistant coach at the University of Utah for four years, where he helped coach the program to national championships in 1990 and 1992, along with coaching nine all-Americans on the uneven bars.

WHAT'S NEXT — The Gophers will return to the road for the team's fourth away meet of the year when Minnesota competes in Iowa City, Iowa, against the University of Iowa, Saturday, Feb. 25, at 2 p.m.

BASKETBALL

GOPHERS PLAY FINAL THREE GAMES ON THE ROAD—

Minnesota (12-11 overall, 7-6 in the Big Ten) hits the road as it plays its final three games of the regular season on the road, starting with # 17 Purdue and # 13 Penn State, Friday and Sunday, respectively.

Friday's game against Purdue begins at 7:30 p.m. (EST) and Sunday's tilt against Penn State will begin a 2 p.m. (EST).

GOPHERS SELLOUT THE SPORTS PAVILION—Last Friday's game against Illinois made history as it was the first sell out in Sports Pavilion history as 5,526 fans passed through the gates. The previous high crowd at the Pavilion was 4,282 fans when the Gophers played Northwestern February 6, 1994.

It was only the second largest crowd to see a Gopher women's game at home as 6,746 fans crammed into Williams Arena to see Minnesota play Indiana January 24, 1993.

FANS FLOCKING TO SEE GOPHER WOMEN—This season, the Gophers cumulative attendance was 27,428 for an average of 2,110 fans a game. For Big Ten Conference games, the Gophers averaged 2,921 fans this season, the highest average attendance in Minnesota history.

ABOUT THE OPPONENTS—

PURDUE—Purdue (18-8 overall, 10-3) is the hottest team in the Big Ten, winning its last seven games to move into first-place in the Big Ten. Purdue is ranked 17th in both the AP and USA Today/CNN poll and advanced to the NCAA Women's Final Four last season.

Purdue is led by forwards Stacey Lovelace and Jannon Roland. Lovelace leads Purdue in both scoring and rebounding, averaging 14.6 points and 8.5 boards a game. Lovelace also averages 2.7 blocks a game and has 64 on the season, more than the entire Gopher team, to lead the Big Ten in that category. Roland is averaging 13 points a game and pulling down 5.1 rebounds, while shooting 31 percent from three point-land.

The Boilers have lost the services of all-America center Leslie Johnson due to personal reasons. Johnson was third on the team in scoring and rebounding with 11 points and six rebounds a game. But the loss has not phased the Boilers as they have won all six games since her departure.

THE SERIES—Purdue leads the series 16-10, winning 15 of the last 17 match-ups against the Gophers.

GAME ONE: MINNESOTA 68, # 19 PURDUE 67—In game one this season, the Gophers got the best of the Boilermakers at the Sports Pavilion, as they defeated them 68-67 at the buzzer. With the score tied at 66-66, senior CARA PEARSON (ST. PAUL, MN/HARDING) was fouled by Purdue's Danielle McCulley with 0:00 seconds left on the clock. Pearson needed a free throw to win the game and connected on the first shot. The Gophers, thinking the game was over with the basket, stormed the floor which drew a technical foul on the Gopher bench for having too many players on the floor. Pearson made the second free throw to give Minnesota a 68-66 lead. Lovelace then stepped to the line for the Boilers to shoot the technical, making the first and just missing the second to give Minnesota a 68-67 victory.

Pearson led all scorers with 19 points and pulled down 10 rebounds, while LORI LAWLER (ROCHESTER, MN/LOURDES) had 14 points and CHERI STAFFORD (HAM LAKE, MN/BLAINE) had 12 points and seven rebounds.

ABOUT PENN STATE—Penn State is 18-4 on the season and 9-3 in the Big Ten, good for second place. The Lady Lions are ranked 12th in the WBCA/USA Today poll and 13th in the AP for the week ending February 6. Penn State has won nine of its last ten games, with the only loss coming to Purdue.

Penn State is led by center Angie Potthoff and point guard Tina Nicholson. Potthoff is averaging 18.4 points and 10.8 rebounds a game, while Nicholson is the premier point guard in the Big Ten, averaging 9.3 points and eight assists a game. The Lady Lions have three other players scoring in double figures including Missy Masley with 14.2 points, Carla Coleman with 11.3 points and Tiffany Longworth at 10.1.

Penn State has the most potent offense in the Big Ten averaging 79.1 points, while holding the opponent to only 63. Penn State is also shooting over 45 percent from the field.

THE SERIES—The Lady Lions lead the series, 5-1, but the Gophers won the last match-up, January 6 at the Sports Pavilion.

GAME ONE: MINNESOTA 71, #7 PENN STATE 56—The Gophers defeated Penn State for the first time in the history of the program with a 71-56 shellacking of the Lady Lions. The victory marked the highest-ranked team the Gophers have defeated since Texas Tech last season, who was ranked fourth in the country.

Minnesota held the potent Penn State offense, which was averaging 85.5 points a game, to only 56 points. Minnesota shot 47 percent from the field and outrebounded the much taller Lady Lions 45-41. Lawler led all scorers with 19 points, while Pearson had 15 points and a career-high 14 rebounds. Pearson also had career-highs in steals (4) and blocks (3) and earned Big Ten Player of the Week honors for her efforts against both Penn State and Purdue.

GOPHER REWIND—The Gophers split the final home series of the year defeating Illinois 92-46 in front of a sell out crowd at the Sports Pavilion, then losing to Ohio State 93-73 in the home finale.

Against Illinois, the Gophers went on a 34-3 run to end the game to blow out the Orange and Blue. The 46-point margin of victory was the largest Big Ten win for the Gophers since the 1982-83 season when Minnesota defeated Michigan 90-43.

Minnesota set a number of season-highs in the game including most points scored in the second half (65), field goals made (36), FG percentage (.563), FT percentage (.773) and assists (29).

Pearson led all scorers with her seventh double-double of the season, finishing with 20 points and 12 rebounds. SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) had 14 points, followed by SARAH CECKA (JORDAN, MN/ANOKA RAMSEY CC) with 12 and Lawler with 11. Lawler also had a career-high eight assists and Loeblein had seven assists.

Against Ohio State, the Buckeyes shot over 70 percent in the second half and 60 percent for the game to defeat the Gophers in front of 3,078 fans. Ohio State led by ten at the half and pulled away early in the second period.

Pearson led Minnesota with 17 points, but only had a season low two rebounds. Stafford had a good game with 17 points and eight rebounds in only 20 minutes of action. Lawler had 13 and Cecka finished with 12 points for the Gophers. Minnesota was hurt by the poor shooting of second-leading scorer Loeblein, who had only five points and shot 2-for-15 from the field. For the game, Minnesota shot only 39 percent and 12 percent from three-point land.

ABOUT THE GOPHERS—

PEARSON WINS RAMSEY COUNTY AWARD— Pearson was named the 1995 recipient of the Ramsey County Athlete of the Year Award sponsored by the Downtown Lions Club.

PEARSON ENTERS TOP TEN IN SCORING— Pearson entered the Minnesota career scoring list against Ohio State. With her 19 points Sunday, Pearson has 981 points, good for tenth place. But she better watch behind her because Loeblein is close on her heels with 974 points.

Pearson has also moved in to the top ten for free throws made and free throw attempted, while Loeblein is in the top ten for field goals attempted.

LAWLER AND SCHIEBER WIN ACADEMIC AWARDS— Lawler and frosh SARAH SCHIEBER (CALEDONIA, MN) received academic awards over the weekend. Lawler, a pre-med/philosophy major, received a studyship from the Roger Hagberg Memorial Williams Fund Committee, while Schieber received a grant from the Rochester Area Alumni and Friends of the University of Minnesota. The studyship will pay for books for one year.

LOEBLEIN BREAKS ALL-TIME THREE POINT RECORD— Loeblein made Minnesota history against Indiana as she broke the Minnesota all-time three point record. Loeblein canned her 102nd trey of her career with three minutes left in the second half against Indiana to spark a furious Gopher rally at the end of the game. Loeblein moved past Jodi Olson for first place. Olson had 101 threes for her career.

LOEBLEIN CONTINUES TO MOVE UP ASSISTS LIST— With her five assists against Ohio State, Loeblein is now fifth on the Minnesota career assists list with 242. Loeblein moved past Debbie Hilmerson into fifth place. Loeblein's next victim is Laura Coenen with 255.

HOME SWEET HOME— The Gophers love playing in the Sports Pavilion. Minnesota has a 20-6 record in the Pavilion, and finished the year with a 10-3 mark this season. The Gophers only losses at home came at the hands of South Carolina, Wisconsin and Ohio State. Minnesota has a 2-7 road record, including 1-4 in the conference, and is 0-1 in neutral site games.

HOME SWEET HOME II— It is not just the Gophers who like to play at home—it's the entire Big Ten. This season, the home team is an incredible 38-19 at home during Big Ten play and 79-31 overall. Penn State is the only team to remain unbeaten at home, while Wisconsin has only one loss at home, that coming yesterday in front of a sold-out UW Field House against Michigan State.

THE HEAD COACH: LINDA HILL-MACDONALD— Linda Hill-MacDonald is in her fifth season at Minnesota. She has a 58-75 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance. In the NCAA tournament, Minnesota upset Notre Dame at South Bend, Ind., then lost to 12th-ranked Vanderbilt in Nashville, Tenn.

PEARSON LEADS THE WAY— Pearson continues her streak of double-figure scoring games for the Gophers. Pearson has scored 10 points or more in all 23 of the Gophers games this season, including a career-high 25 against Western Illinois. Pearson has been the leading scorer for Minnesota in 12 of the team's 23 games this year. She leads the team in scoring and rebounds, averaging 15.6 points and 8.0 rebounds a game. She also has had career-highs in rebounds (14), steals (4) and blocks (3) this season, all against Penn State. Pearson has been named to the all-tournament team at the Dial Soap Basketball Classic and the Bertha Teague Memorial Classic in Stillwater, Okla. Pearson was also named Minnesota Women's Athletics Athlete of the Month for December and the Big Ten Player of the Week for her accomplishments against Penn State and Purdue.

LOEBLEIN ON THE MARK— After having her worst game of the season against Wisconsin three weeks ago, Loeblein has answered the call scoring a season-high 25 points against Indiana and Wisconsin and 18 and 19 points against Michigan State and Iowa, respectively. Against Indiana, Loeblein broke the Minnesota career three-point record and scored 14 of Minnesota's 31 first-half points. Against Iowa, Loeblein set a career-high connecting on six three-pointers in the game and shooting 75 percent from behind the arc.

LAWLER CONTINUES GREAT PLAY— Lawler has done a complete turnaround for the Gophers this season. After only averaging 3.8 points and 2.08 rebounds during her first three seasons with the Gophers, Lawler is averaging 12.5 points and 4.3 boards a game and is second on the team in minutes played with 33 a contest. She is also shooting 48 percent from the field. Lawler already has 16 three's this season after only having two the entire 1993-94 season. TOWNSEND NAMED ALL-ACADEMIC—Townsend was named to the United States Cross Country Coaches Association and Women's Intercollegiate Cross Country Coaches Association all-academic squad. Townsend has a 3.750 GPA in design communications.

MINNESOTA RANKED—The Golden Gophers are ranked #24 in the latest *Track and Field News* dual meet rankings.

WHAT'S NEXT—Minnesota tries to improve on its fourth-place finish as it travels to Ann Arbor, Mich., for the 1995 Big Ten Indoor Track and Field Championships Friday-Saturday, Feb. 24-25.

TENNIS

THIS WEEK—The Gophers (5-3 in dual meet action, 1-1 in the Big Ten) travel to nationally-ranked Northwestern and Wisconsin. Minnesota plays at Wisconsin Saturday, Feb. 18, at 10:30 a.m., followed by Northwestern Sunday, Feb. 19, at 10 a.m.

ABOUT WISCONSIN—Wisconsin is 2-2 this season and 1-2 in the Big Ten, defeating Western Michigan and Ohio State and losing to Northwestern and Indiana. Wisconsin, who is ranked #34 in the country, is led by number one player Lauren Gavaris, who is ranked 12th in the country. Gavaris is 22-5 overall and advanced to the round of 16 at the Rolex Indoor Championships in Dallas.

ABOUT NORTHWESTERN—Northwestern is ranked #22 in the latest Rolex Collegiate poll. Northwestern is led by Siri Eklund and Elissa Kim.

GOPHER REWIND—Minnesota split a pair of matches this weekend, defeating Michigan State, 9-0, and losing to Michigan, 8-1. Against the Spartans, Minnesota won every match in straight sets and did not give up anymore than six games in a match.

Against the Wolverines, the Gophers were not quite as lucky, losing every match in straight sets. The loss ended Minnesota's four-match winning streak. Only the doubles team of **TIFFANY GATES** (GRANDVIEW, MI) and **DANA PETERSON** (APPLE VALLEY, MN) won, defeating the nationally-ranked team of Sarah and Liz Cyganiak 6-3, 7-6.

For match results, see page 8.

GATES ALMOST PERFECT IN DUAL MEET ACTION—Gates is 7-1 during the dual meet season for the Gophers. During that time, she has beat #25 Wendy Crabtree of Notre Dame and has impressive victories against the number one players from Baylor and Vanderbilt. Her only loss came Sunday against Sarah Cyganiak of Michigan, ranked #70 in the country.

PETERSON AND GATES RANKED—The doubles team of Peterson and Gates is ranked No. 30 in the country and No. 4 in the region in the latest Rolex rankings. The duo has a 14-5 record this season and has defeated the nationally-ranked team of the Cyganiak sisters from Michigan.

NATIONAL RANKINGS OUT—Minnesota is not ranked in the latest Rolex Collegiate Rankings, but the Gophers face 11 teams listed in the rankings including #12 Indiana, #15 Notre Dame, #22 Northwestern, #20 San Diego, #23 Michigan, #30 Vanderbilt, #34 Wisconsin, #42 Illinois and #44 North Carolina State during the course of the season.

INJURY REPORT—Senior **AMY ERSKINE** (EDINA, MN) and sophomore **KATHY WAYNE** (TEMPE, AZ/CORONA DEL SOL) still have not played a match for the Gophers this season. Erskine is out with shoulder injury and Wayne has a foot injury.

UP NEXT—The Gophers travel to San Diego, Calif., February 25, to play #20 San Diego in dual meet action.

SOFTBALL

GOPHER SOFTBALL TEAM BEGINS SEASON AT TEXAS-ARLINGTON TOURNAMENT — The 1995 version of the Minnesota Golden Gopher women's softball team begins its season, Friday, February 17, at the Texas-Arlington Tournament in Grand Prairie, Tex.

The Gophers begin the tournament against the host school, Texas-Arlington, Friday at 1 p.m. The Gophers second round-robin game Friday is at 3:30 p.m. against Southwest Texas State. Saturday's match-ups feature the Gophers' final round-robin game at 10 a.m. against Sam Houston State. A double elimination championship tournament will begin Saturday afternoon and end on Sunday.

The Gophers schedule at the Texas-Arlington tournament (1994 records):

Friday, Feb. 17, 1 p.m. vs. Texas-Arlington (17-37 overall, 11-19 Southland Conf.)

Friday, Feb. 17, 3:30 p.m. vs. Southwest Texas State (19-35 overall)

Saturday, Feb. 18, 10 a.m. vs. Sam Houston State (19-35 overall, 14-18 Southland Conf.)

The Series — The Gophers are 2-3 overall against Texas-Arlington. The last time the two teams meet was Feb. 16, 1991, with UTA winning 4-0.

Against the Southwest Texas State, the Gophers are 2-0 after sweeping a double-header in San Marcos, Tex., last season.

Sam Houston State and Minnesota last played in 1991 with the Gophers winning 3-2. Minnesota's all-time record against the LadyKats is 1-2.

GOPHERS RETURN 12 LETTERWINNERS AND NINE STARTERS FROM 1994 SEASON — Twelve letterwinners and nine starters return from 1994, giving the 1995 Minnesota Golden Gopher women's softball team a solid nucleus from which to build on — including the one critical area, pitching.

Sophomore JENNIFER JOHNSON (DIAMOND BAR, CA/DIAMOND BAR) returns to the circle after exiting the 1994 season with an arm injury ten games into the year. Johnson's record stood at 5-5 when she departed, but the lefty pitched the Gophers to a 1-0 upset over then third-ranked Southwestern Louisiana in her last outing.

Sophomore JENNY BAUER (COTTAGE GROVE, MN/PARK COTTAGE GROVE) returns after a freshman season that produced 33 appearances and over 190 innings of work.

The addition to the Gophers' staff this season is frosh WENDY LOGUE (MILAN, IL/ROCKRIDGE). Logue did not play high school softball but participated in the ASA ranks from 1987 through 1994. Logue pitched in eight national tournaments and won three state championships, four regional championships and ranked among the top eight pitchers in the nation. In 1993, Logue made the second cut for the United States Olympic team.

Offensively, the Gophers return their top two hitters in all-American candidate RACHEL NELSON (GOOD THUNDER, MN/MAPLE RIVER) and all-conference candidate MELISSA WOLD (OAKDALE, MN/HILL-MURRAY). Nelson led the Gophers last season with a .365 batting average and 73 hits, most during the Big Ten regular season.

Wold's season ended early when she stepped in a hole in the outfield at Michigan State and tore ligaments in her left knee. At the time, Wold was leading the Gophers with a .363 batting average and 29 hits.

Defensively, the Gophers finished 1994 ranked 10th in the nation in defense and return one of the best defensive catchers in the country in sophomore ANN BARTHOLMEY (AUSTIN, MN/AUSTIN) and one of the strongest arms in the outfield with KATIE PETERSON (MILWAUKEE, WI/PIUS XI).

Bartholmey's experience from last season will make the Minnesota native a serious threat for post season accolades. Bartholmey finished 1994 with 20 throw-outs and allowed only one past ball.

Peterson matched Bartholmey's number of 20, but with 20 assists from the outfield. Peterson threw-out 20 base runners attempting to score from second base in 1994.

One area of concern defensively for the Gophers will be replacing Mariann Dukart at first base. Dukart left Minnesota after a four-year career that produced the highest fielding percentage in school history.

But Golden Gopher head coach Lisa Bernstein has worked Bauer, Logue and pair of other newcomers at the right-side corner, giving her some talents from which to use.

HEAD COACH LISA BERNSTEIN — Gopher head coach Lisa Bernstein enters her fourth season at the University of Minnesota. Bernstein has compiled a 84-95-1 (.469) record with two winning seasons at Minnesota. Bernstein's Big Ten record stands at 36-45 (.444).

WHAT'S NEXT — The Texas-Arlington tournament is one of four tournaments and two doubleheaders the Gophers play away from the Bierman Softball Stadium prior to the team's home opener, Wednesday, April 5, against Mankato State. The Gophers Big Ten opener is Saturday, April 1, in East Lansing, Mich., against Michigan State.

The Gophers next tournament is the Sunwest Diamond Tournament in Albuquerque, N.M., beginning Thursday, Feb. 23.

GOLF

GOLFERS OPEN SPRING SEASON IN FLORIDA — The Minnesota women's golf team opens its six-tournament spring season Feb. 20-21 at the Owl Preview Classic in Fort Lauderdale, Fla. Hosted by Florida Atlantic University in Fort Lauderdale, the Monday-Tuesday tournament will be played at the Inverrary Resort and Country Club. The 36-hole tournament features 18-holes each day, with tee times at 10 a.m. and 7:30 a.m. on Monday and Tuesday, respectively.

The 18-team field includes Arkansas-Little Rock, Florida Atlantic, Illinois State, Lynn, Minnesota, Ohio State, Charleston Southern, Florida International, Iowa State, Mercer, Mississippi, Stetson, College of Charleston, Georgia, Jacksonville, Michigan, Northwestern and Winthrop.

The Gophers will be led by senior AMY SCHMIESING (SPICER, MN/NEW LONDON-SPICER) with a 77.57 season stroke average, with senior ANGIE AUSE (RED WING, MN/CENTRAL) (80.71) playing in the number two position. Playing in number three is senior JENNY KAISER (RICHFIELD, MN/RICHFIELD) (81.82), with frosh AMY DAHLE (RED LAKE FALLS, MN/LAFAYETTE) (80.55) in four, and junior CAROLYN KLECKER (RIVER FALLS, WI/RIVER FALLS) (82.83) in the five-spot.

NORTHWESTERN—Northwestern has an identical 12-13 overall record, but is 7-7 in the Big Ten, a half game in front of the Gophers. The Wildcats plays at Illinois Friday evening before taking on the Gophers Sunday.

Northwestern has won its last two games and three of its last four. The Wildcats are led by Maureen Holohan, who is averaging 14.7 points and 8.2 rebounds a contest. The Wildcats also have three other athletes scoring in double figures with Michele Ratay (14.0), Christina Braden (12.2) and Katrina Hannaford (11.4).

The Purple and White are shooting over 44 percent from the field, while holding its opponents to 40 percent. Northwestern's greatest problem has been turnovers as they have the worst turnover margin in the Big Ten. On the season, NU has had 492 turns, compared to 410 for the opponent.

THE SERIES—Northwestern leads the series 22-9, but has lost three of the last four match-ups against the Gophers.

GAME ONE: MINNESOTA 74, NORTHWESTERN 54—In the opening game of the Big Ten campaign, Minnesota completely dominated the first matchup this season back in December. The Gophers outshot Northwestern 45-32 percent and shot 50 percent from behind the three point arc.

Minnesota was led by LORI LAWLER (ROCHESTER, MN/LOURDES), who finished with a career-high 21 points. Pearson and Loeblein both had a double-double with 13 points and 12 rebounds and 14-10, respectively for the Gophers. The 10 rebounds were also a career-high for Loeblein.

GOPHER REWIND—The Gophers have lost their last three games, including both games over the weekend to #15 Purdue and #11 Penn State. Minnesota lost to Purdue 66-50 in West Lafayette, Ind. The maroon and gold suffered through poor shooting in the second half, losing to the Boliers. Minnesota connected on just 10-of 27 shots in the second half and scored a season-low 25 second-half points.

Loeblein led all Minnesota players with 17 points, while Lawler had 16. Pearson only had six points in the game, her lowest total of the season, and ending her double figures scoring streak at 24 games.

Against Penn State, turnovers were the key as the Gophers had 23 compared to only 13 for the Lady Lions. Penn State jumped out to a nine-point lead with 14:19 on the clock in the first half and

took its largest lead of the game with 8:54 to play in the first period. In the second half, Minnesota pulled within two points, 60-58, on a Loeblein layup with 11:45 to play. Penn State then took charge and pulled away from the Gophers for the 87-73 victory.

Loeblein had a game and season-high 27 points for the Gophers and set a Recreation Hall record for three pointers in a game with seven and three's attempted with 15. Pearson came within an assist of recording only the second triple-double in Minnesota history. Pearson ended the game with 19 points and 12 rebounds.

ABOUT THE GOPHERS—

GOPHERS SELLOUT THE SPORTS PAVILION—The Feb. 10 game against Illinois made history as it was the first sell out in Sports Pavilion history as 5,526 fans passed through the gates. The previous high crowd at the Pavilion was 4,282 fans when the Gophers played Northwestern, February 6, 1994.

It was only the second largest crowd to see a Gopher women's game at home as 6,746 fans crammed into Williams Arena to see Minnesota play Indiana on January 24, 1993.

FANS FLOCKING TO SEE GOPHER WOMEN—This season, the Gophers cumulative attendance was 27,428 for an average of 2,110 fans a game. For Big Ten Conference games, the Gophers averaged 2,921 fans this season, the highest average attendance in Minnesota history.

PEARSON WINS RAMSEY COUNTY AWARD—Pearson was named the 1995 recipient of the Ramsey County Athlete of the Year Award, sponsored by the Downtown Lions Club. Pearson was honored during a luncheon February 7.

LOEBLEIN ENTERS TOP TEN IN SCORING—Loeblein entered the Minnesota career scoring list against Ohio State. With her 27 points against Penn State, Loeblein has 1,018 points for her career, placing her ninth on the Minnesota career scoring list. But she better watch behind her as Pearson is close on her heels with 1,007 points.

Loeblein is also in the top ten for field goals attempted with 923, while Pearson is ninth in the free throws made with 218 and tied for ninth in free throws attempted with 345.

LAWLER AND SCHIEBER WIN ACADEMIC AWARDS—Lawler and frosh SARAH SCHIEBER (CALEDONIA, MN) received academic awards. Lawler, a pre-med/philosophy major, received a studyship from the Roger Hagberg Memorial/Williams Fund Committee, while Schieber received a grant from the Rochester Area Alumni and Friends of the University of Minnesota. The studyship will pay for books for one year.

LOEBLEIN BREAKS ALL-TIME THREE POINT RECORD—Loeblein made Minnesota history against Indiana as she broke the Minnesota all-time three point record. Loeblein canned her 102nd trey of her career with three minutes left in the second half against Indiana to spark a furious Gopher rally at the end of the game. Loeblein moved past Jodi Olson for first place. Olson had 101 threes for her career.

MORE THREE-POINT RECORDS—Loeblein has shattered the Minnesota season three point record with 58 this season. She broke the mark of 48 held by Jodi Olson set in 1990. Loeblein has also broken the season three point attempts mark with 148 this season, shattering the old record of 126 held by Stacy Carver in 1990.

Loeblein also tied the Sports Pavilion three point mark in a game with six against Iowa earlier this season. Against Penn State on Sunday, she broke the Recreation Hall record for three pointers made and attempted with seven and 15, respectively.

LOEBLEIN CONTINUES TO MOVE UP ASSISTS LIST—Loeblein is now fifth on the Minnesota career assists list with 244. Loeblein moved past Debbie Hilmerson into fifth place. Loeblein's next victim is Laura Coenen with 255.

HOME SWEET HOME— The Gophers love playing in the Sports Pavilion. Minnesota has a 20-6 record in the Pavilion, and finished the year with a 10-3 mark this season. The Gophers only losses at home came at the hands of South Carolina, Wisconsin and Ohio State. Minnesota has a 2-9 road record, including 1-6 in the conference, and is 0-1 in neutral site games.

HOME SWEET HOME II—It is not just the Gophers who like to play at home—it's the entire Big Ten. This season, the home team is an incredible 41-21 at home during Big Ten play and 82-33 overall. Penn State is the only team to remain unbeaten at home, while Wisconsin has only one loss at home.

THE HEAD COACH: LINDA HILL-MACDONALD— Linda Hill-MacDonald is in her fifth season at Minnesota. She has a 58-77 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance. In the NCAA tournament, Minnesota upset Notre Dame at South Bend, Ind., then lost to 12th-ranked Vanderbilt in Nashville, Tenn.

Minnesota scored a 188.675 to defeat Iowa (186.075) at the Minnesota Invitational and a 189.200 at the Big Ten Championships to finish ahead of the Hawkeyes' 188.250. The Gophers are 25-9 all-time against Iowa.

OKLAHOMA SOONERS — Oklahoma comes to Iowa with a 3-2 overall record and a high score of 193.275 set last weekend in Denton, Tex., against Texas Woman's University. The Sooners' score surpassed the team's previous high of 191.550.

The Sooners best event in Texas was the floor exercise, where the team scored a 48.550. Chelle Stack led the Sooners with an effort of 9.90, while Melissa Griffith was close behind with 9.850.

The Series — Minnesota is 1-4 all-time against Oklahoma. The two teams last met on the gymnastics floor, March 8, 1992, at the Oklahoma Invitational in Norman, Okla. Minnesota finished third in a four team meet with a score of 187.10. Oklahoma won the event with a with a 191.90.

POLLY SET TO RETURN TO GOPHERS LINE-UP — After missing the first half of the 1995 season, sophomore STEPH POLLY (LINCOLN, NE/SOUTHEAST) is healthy to compete for the Gophers. Polly missed Minnesota's first six meets with a stress fracture in her left ankle and chronic tendinitis in both lower legs.

Polly competed in 11 meets for Minnesota during the 1994 year, primarily on the vault, balance beam and floor exercise. Polly scored a career-high 9.70 on the vault at the NCAA Central Region Championships in her last meet (4/9/94), but recorded her highest score on any event against Utah (3/19/94) with a 9.80 on the floor exercise.

GOPHERS SHATTER SEVERAL SCHOOL RECORDS — Three team records were broken and one individual record tied, as the 20th-ranked Gophers scored a 193.675 to upset seventh-ranked Penn State and defeat the University of Illinois in front of 1,462 at the Sports Pavilion, Saturday night. Penn State finished second with a score of 192.500 and Illinois finished third with 190.275.

Minnesota set records for team score, breaking the old

mark of 191.615 set last season in the Sports Pavilion against the University of Utah. The Gophers also broke the team vault record with a score of 48.25, surpassing the mark of 48.05 set at the Michigan Invite earlier this season. The Gophers' final team record came on the uneven bars with a score of 48.35, breaking the mark of 48.05 set Feb. 11 against the University of Missouri.

Sophomore KRISTEN VANDERSALL (PLYMOUTH, MN/ARMSTRONG) tied the school record on the bars with a score of 9.90. Vandersall's mark tied Marie Roethlisberger, who scored a 9.90 three times in her career.

Senior SHANNON FISHER (SHOREVIEW, MN/MOUNDS VIEW) also recorded a career-high on the bars with a score of 9.55.

Other individual highlights for the Gophers came from frosh MINDY KNAEBLE (NEW HOPE, MN/TOTINO-GRACE), who scored the second highest score in school history on the floor exercise with an effort of 9.850. Sophomore JONDA HAMMONS (LODI, CA/LODI) also posted a career-high on the floor with a score of 9.825.

The Gophers' victory against the Lady Lions was the first time Minnesota has beaten Penn State in women's gymnastics. The Gophers are 1-7 all-time against the Lady Lions and improved to 24-5 all-time against Illinois.

RECORD WATCH REACHES SIX TEAM RECORDS — The Gopher women's gymnastics record book is beginning its second edition, as the 1995 squad has broken six team records and tied two individual records during the season.

The Gophers have broken the team scoring record once, the vault record twice, the uneven bars record twice and the balance beam record once. The only team record not broken during the 1995 season is the floor exercise record.

Vandersall's 9.90 on the beam during the Minnesota Invitational tied her for the school record on that event, while Knaeble produced a 9.850 on the balance beam against Missouri to tie her for the school record on that event. In fact, since head coach Jim Stephenson arrived in 1992, three individual school records have been tied or broken and all five team records have been eclipsed.

Former Gopher Lori Kindler scored a 9.90 on the floor exercise last season to establish a new school record in that event.

VANDERSALL'S UNEVEN BARS SCORE HIGHLIGHTS GOPHERS 9.90 CLUB IN 1995 — Vandersall continued to set new standards in 1995 with a mark of 9.90 on the uneven bars at the Minnesota Invitational.

Vandersall became the first Gopher to reach the 9.90 plateau this year and only the third Gopher in school history to reach a score as high as 9.90. Roethlisberger scored a 9.90 three times on the bars, while Kindler achieved the mark once on the floor exercise.

Vandersall's score was one of four Gopher scores above the 9.80 mark, as she also went over 9.80 on the floor exercise with a mark of 9.825. Hammons and Knaeble also surpassed the 9.80 plateau on the floor with scores of 9.825 and 9.850, respectively.

Minnesota's four individual scores of 9.80 or better on an event at the Minnesota Invitational gave the Gophers 12 scores of 9.80 or higher for the season.

GOPHER WOMEN'S GYMNASTICS TEAM RANKED IN TOP 20 FOR FIRST TIME SINCE 1990 — The Gophers jumped from 25th to 20th in the Feb. 8 AAI Women's Gymnastics top 25 poll.

The leap into the top 20 marks the first time the Golden Gophers have reached a top 20 ranking since 1990, when the team was ranked among the elite 20 for five weeks and achieved a ranking as high as 15th.

SWIMMING AND DIVING

GOPHERS SECOND AT BIG TEN CHAMPIONSHIPS – The University of Minnesota women's swimming and diving team placed second with 536.5 points at the 14th Annual Big Ten Women's Swimming and Diving Championships. It was their best finish since 1992, when Minnesota was third. Overall, the Gopher's have finished second seven times since 1982.

Michigan was crowned the team champion for the ninth consecutive year, earning 857 points, with third-place Northwestern garnering 483 points. The championship was Feb. 16-18 at the IU Natatorium on the campus of Indiana University-Purdue University-Indianapolis.

COACH SHAFFER RECEIVES ACCOLADE – Minnesota diving coach Doug Shaffer was named 1995 Big Ten Women's Diving Coach of the Year for the second time. Shaffer, the 1993 NCAA Men's Diving Coach of the Year, was also the 1994 Big Ten Women's Diving Coach of the Year.

ALL BIG TEN SELECTIONS – Two Gopher swimmers were named All-Big Ten selections after the championships. Frosh KIM WILSON (SOUTH BEND, IN/RILEY) was named an all-Big Ten Selection for her winning performance in the 1650-yard freestyle. Sophomore TANYA SCHUH (LAKE ELMO, MN/STILLWATER) was voted an all-Big Ten Selection At-Large by the coaches for her butterfly performances in individual and medley relay team events.

MINNESOTA SETS TWO BIG TEN RECORDS – Minnesota set two Big Ten meet records, one each in swimming and diving events. Wilson set the Big Ten record in the 1650-yard freestyle with a NCAA qualifying time of 16:14.67, breaking the former record of 16:17.51 set in 1991 by Ohio State's Susan Gottlieb. Senior KARA MARTIN (LINCOLN, NE/EAST) set the Big Ten platform diving record for a 12-dive program with 566.95 points. Martin established the first-ever record for the event, which was introduced this year. The former platform diving event featured an 11-dive program.

WILSON SETS THREE SCHOOL RECORDS, SHARES FOURTH – Besides setting the Big Ten record with her win in the 1650-yard freestyle, Wilson set three individual-event Minnesota school records. She broke the 1650-yard freestyle Minnesota record of 16:26.25, set in 1990 by Lynn Newton. Wilson's 1000-yard freestyle split time (from the 1650-yard freestyle) of 9:49.68 is also a new Minnesota school record, breaking Newton's 1990 record of 9:56.27. The 1000-yard freestyle is not a Big Ten or NCAA event.

In the 500-yard freestyle, Wilson set the record in the prelims of the event, then resetting her own record in the evening finals. In prelims, she clocked a time of 4:49.80, breaking the former record of 4:50.04, set in 1988 by Jodi Schirmers. In the evening finals, Wilson reset her record with a second-place NCAA consideration time of 4:49.27. She also was seventh in the 400-yard individual medley with a NCAA consideration time of 4:25.14 and was on the fourth-place 800-yard freestyle relay team, which had a record time of 7:25.29.

FIVE MORE SCHOOL RECORDS SET – Junior JENNY KOSKI (ANOKA, MN/ANOKA) reset her own 1-meter diving record for a ten-dive program, with 442.05 points, finishing third in the event, breaking her 1994 record of 429.40 points. Koski was also fourth in 3-meter diving with 516.05 points for her 11-dive program.

Schuh set the 100-yard butterfly record twice in one day, qualifying for the NCAA championships. During the prelims, she recorded a time of 55.11, breaking her Jan. 20 record of 55.98. In the evening finals of 100-yard butterfly, Schuh placed second, resetting her morning record with a NCAA qualifying time of 54.74. She was also third in the 200-yard butterfly NCAA consideration time of 2:01.70, and was a member of the second-place 400-yard medley relay team.

Schuh, along with senior KIKI ANDERSON (FALCON HEIGHTS, MN/ROSEVILLE), frosh GRETCHEN HEGENER (COLOGNE, MN/MAYER LUTHERAN) and frosh KARI KLASSEN (NORTHFIELD, MN/NORTHFIELD) set the school record in the 400-yard medley relay with a NCAA consideration time of 3:44.74. The foursome broke the 1992 record of 3:46.56, set by Trina Thames, Kris Zeller, Uta Herrmann and Laura Herman.

Anderson, Hegener, Schuh and sophomore SUZIE HELVIG (MANDAN, ND/MANDAN) broke the 200-yard medley relay with a time of 1:42.93, negating the former record of 1:43.20, also set in 1992 by Thames, Zeller, Herrmann and Herman.

In the 800-yard freestyle relay, the team of Klassen, Helvig, frosh OLGA SPLICHALOVA (ZNOJMO, CZECH REPUBLIC) and Wilson shaved over a second off the former record with a time of 7:25.29. The broke the 1990 record of 7:26.36, set by Linda Oegema, Stacey Niedenfuer, Newton and Sabine Westhoff.

ABOUT THE OPPONENT—

IOWA HAWKEYES (10-16 Overall, 6-10 in the Big Ten)—Iowa and head coach Vivian Stringer have struggled through their worst season since Stringer took over as head coach 12 years ago. The 16 losses is the most suffered by a Stringer-coached team in her 23 year-career. The previous high was 10 losses back in 1983-84, Stringer's first season as the head coach at Iowa.

Expectations were high for Iowa this season as they were picked to finish third in the conference at the Big Ten Tip-Off Luncheon in November. Iowa boasts the nation's best recruiting class this season according to Joe Smith at *Women's Basketball News Service*, which features seven newcomers, but injuries have taken their toll on the Hawkeyes. Pre-season all-Big Ten selection Tia Jackson reinjured her reconstructed knee early in the season and has not been playing at full strength and center Simone Edwards went down with a knee injury before the start of the season.

The Hawkeyes have won their last two games after losing seven of their last eight previous to that. Iowa defeated Michigan, 71-43, Friday evening and then beat Illinois, 69-61, in Champaign, Ill.

The Gold and Black is led by frosh sensation Tiffany Gooden and Jackson. Gooden is averaging 15.3 points and 5.1 rebounds for the Hawkeyes, while Jackson is close behind with 13.8 points and 4.9 rebounds. Frosh Tangela Smith is the only other Hawkeye player averaging more than four points a game with 9.4 points and 8.2 boards.

As a team, the Hawkeyes are shooting a dismal 37 percent and only 29 percent from behind the three point arc. The famous Iowa defense has also struggled this season, allowing the opponent to shoot over 40 percent from the field.

THE SERIES—Iowa leads the series 21-13, but Minnesota has won the last two matchups. Iowa had won 20 games in a row until the Gophers upset the Hawkeyes, ranked #11 at the time, 64-58, at the Sports Pavilion in the final game of the season last year, securing a bid to the NCAA tournament for the Gophers.

GAME ONE: MINNESOTA 70, IOWA 56—Minnesota rallied behind the hot shooting of guard SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) and played flawless defense to defeat the Hawkeyes. Loeblein connected on a Sports Pavilion record six three pointers and finished the game with 19 points. Loeblein was 6-of-9 from the field and shot 75 percent from behind the three point arc. She also pulled down seven rebounds. CARA PEARSON (ST. PAUL, MN/HARDING) and LORI LAWLER (ROCHESTER, MN/LOURDES) finished with 12 points a piece, while Gooden and Smith had 14 points for the Hawks.

STARTING LINE-UP CHANGES—Pearson, Loeblein, and Lawler are now the only Gophers to have started every game this season. TONIA NELSON (NEW LONDON, MN/NEW LONDON-SPICER) did not receive the start for the first time this season against the Lady Lions and was pushed to the reserve role in favor of frosh JAIME ELLIS (LAKE OSWEGO, OR/LAKE OSWEGO). Ellis also started Sunday against Northwestern. SARAH CECKA (JORDAN, MN/ANOKA RAMSEY CC) lost her starting position against Penn State with sophomore CHERI STAFFORD (HAM LAKE, MN/BLAINE) getting her second start of the season. Cecka was back in the starting lineup against Northwestern and had a career-high 21 points.

GOPHER REWIND—The Gophers have lost their last four games, including Sunday's game against Northwestern, 74-58, in Evanston, Ill. Only five players scored for Minnesota as the Wildcat bench outscored the Gophers 22-4. Cecka, after regaining her starting position, led the Gophers with a game- and career-high 21 points. Cecka was one of four Gophers in double figures as Loeblein finished with 12 points, followed by Pearson with 11 and Lawler with 10.

Minnesota led the game 6-4 early, but Northwestern took the lead for good at 8-6 with 13:42 to play in the first half. The Wildcats were led by junior Michele Ratay with three first half three pointers. Northwestern then outscored Minnesota 20-10 over the first eight minutes of the second half to put the game out of reach.

PEARSON NAMED HONORABLE MENTION ALL-BIG TEN—Pearson was named SportsChannel-Chicago honorable mention all-Big Ten over the weekend. Pearson is averaging 15.2 points and eight rebounds for Minnesota. Pearson was named honorable mention all-Big Ten by the coaches her sophomore season.

PEARSON AND LOEBLEIN ENTER 1,000 POINT CLUB—Both Pearson and Loeblein entered the 1,000 career point club against Penn State (2/19/95). Loeblein scored career-point 1,000 with 8:03 left in the first half on her third trey of the game, while Pearson notched her 1,000 point with 4:08 to go in the first period on a five foot jumper from the right side.

LOEBLEIN AND PEARSON ENTER TOP TEN IN SCORING—Loeblein entered the Minnesota career scoring list against Ohio State. With her 12 points against Northwestern, Loeblein has 1,030 points for her career, placing her ninth on the Minnesota career scoring list. But Loeblein better watch behind her as Pearson is close on her heels in 10th place with 1,018 points, passing Elsie Olm against Northwestern when she finished with 11 points.

LOEBLEIN AND PEARSON ENTER MORE TOP TEN LISTS—Loeblein is ninth in field goals attempted with 939, while Pearson is 10th with 933 FGA. Pearson also cracked the top ten against Northwestern in the field goals made with 399, tying her with Tammy Manly. Pearson is ninth in the free throws made with 219 and free throws attempted with 346.

LAWLER AND SCHIEBER WIN ACADEMIC AWARDS—Lawler and frosh SARAH SCHIEBER (CALEDONIA, MN) received academic awards. Lawler, a pre-med/philosophy major, received a studyship from the Roger Hagberg Memorial/ Williams Fund Committee, while Schieber received a grant from the Rochester Area Alumni and Friends of the University of Minnesota. The studyship will pay for books for one year.

LOEBLEIN BREAKS ALL-TIME THREE POINT RECORD—Loeblein made Minnesota history against Indiana as she broke the Minnesota all-time three point record. Loeblein canned her 102nd trey of her career with three minutes left in the second half against Indiana to spark a furious Gopher rally at the end of the game. Loeblein moved past Jodi Olson for first place. Olson had 101 threes for her career.

MORE THREE-POINT RECORDS—Loeblein has set the Minnesota season three point record with 62 this season. She broke the mark of 48 held by Jodi Olson set in 1990. Loeblein has also broken the season three point attempts mark with 160 this season, shattering the old record of 126 held by Stacy Carver in 1990.

Loeblein also tied the Sports Pavilion three point mark in a game with six against Iowa earlier this season. Against Penn State (2/19/95), she broke the Recreation Hall record for three pointers made and attempted with seven and 15, respectively.

LOEBLEIN CONTINUES TO MOVE UP ASSISTS LIST—Loeblein is now fifth on the Minnesota career assists list with 245. Loeblein's next victim is Laura Coenen with 255.

HOME SWEET HOME—The Gophers love playing in the Sports Pavilion. Minnesota has a 20-6 record in the Pavilion, and finished the year with a 10-3 mark this season. The Gophers only losses at home came at the hands of South Carolina, Wisconsin and Ohio State. Minnesota has a 2-10 road record, including 1-7 in the conference, and is 0-1 in neutral site games.

THE HEAD COACH: LINDA HILL-MACDONALD—Linda Hill-MacDonald is in her fifth season at Minnesota. She has a 58-78 career record at Minnesota. Last season, MacDonald led the Gophers to an 18-11 overall record and a 10-8 Big Ten record, in earning their first-ever NCAA tournament appearance. In the NCAA tournament, Minnesota upset Notre Dame at South Bend, Ind., then lost to 12th-ranked Vanderbilt in Nashville, Tenn.

THE BIG THREE: PEARSON LEADS THE WAY—Pearson has scored 10 points or more in 25 of the Gophers' 26 games this season, including 23 in a row to start the year. Pearson has been the leading scorer for Minnesota in 12 of the team's 26 games this year and had a career-high 25 against Western Illinois. She leads the team in scoring and rebounds, averaging 15.2 points and 8.0 rebounds a game. She also has had career-highs in rebounds (14), steals (4) and blocks (3) this season, all against Penn State. She also was an assist away from recording only the second triple-double in Minnesota history in game two against Penn State.

PEARSON NEEDS A TROPHY CASE—Pearson has received a number of awards this season including being named honorable mention all-Big Ten by SportsChannel. The Big Ten coaches also will name an all-Big Ten team, which Pearson should receive much consideration. Pearson has been named to the all-tournament team at the Dial Soap Basketball Classic and the Bertha Teague Memorial Classic in Stillwater, Okla., and was named Minnesota Women's Athletics Athlete of the Month for December and the Big Ten Player of the Week for her accomplishments against Penn State and Purdue for the period ending January 9.

PEARSON WINS RAMSEY COUNTY AWARD—Pearson was named the 1995 recipient of the Ramsey County Athlete of the Year Award sponsored by the Downtown Lions Club.

LOEBLEIN ON THE MARK—Loeblein has taken charge over the last 10 games for the Gophers. Loeblein had a season-high 27 points against Penn State and set Rec Hall records with seven three pointers and 15 trey attempts. Loeblein has been in double figures in nine of her last 10 games. Against Indiana, Loeblein broke the Minnesota career three-point record and scored 14 of Minnesota's 31 first-half points. Loeblein set a career-high connecting on seven three pointers against the Lady Lions and against Iowa she had six three-pointers in the game and shot 75 percent from behind the arc.

LAWLER CONTINUES GREAT PLAY—Lawler has done a complete turnaround for the Gophers this season. After only averaging 3.8 points and 2.08 rebounds during her first three seasons with the Gophers, Lawler is averaging 12.2 points and 4.3 boards a game and is second on the team in minutes played with 32 a contest. She is also shooting 46 percent from the field. Lawler has been a threat both

inside and outside as she has 19 three's this season after only having two the entire 1993-94 season. Lawler had a career-high 21 points against Northwestern and poured in 20 against Wisconsin and 19 points against Penn State.

WOLD HAS DOUBLED THE FUN FOR THE GOPHERS THIS SEASON — After only 14 games this year, Wold is on pace to break the single season record for doubles. Wold currently has seven doubles and trails Barb Drake by only eight. Drake produced 15 doubles for the Gophers in 1986.

HEAD COACH LISA BERNSTEIN — Gopher head coach Lisa Bernstein is in her fourth season at the University of Minnesota. Bernstein has compiled a 91-102-1 (.472) record with two winning seasons at Minnesota. Bernstein's Big Ten record stands at 36-45 (.444).

WHAT'S NEXT — Minnesota will return to the Twin Cities and not play until Monday, March 20, when the team will travel to California for a pair of games against Cal Poly-San Luis Obispo. The Gophers will remain in California to participate in the Pony/Louisville Tournament on the campus of Cal State Fullerton, March 22-25.

GYMNASTICS

GOPHERS MAKE WEST COAST TRIP — The University of Minnesota women's gymnastics team will travel West to compete in the Shanico/Oregon State Invitational, Friday, March 3, at 9 p.m. CST. Top-ranked Utah, sixth-ranked Oregon State and San Jose State will compete with the Gophers.

SHANICO HAS BEEN GOOD FOR THE GOPHERS — Prior to the start of the 1995 season, the Shanico Invitational has provided some good scores for the Gophers. Minnesota first broke the 190,000 mark for team scoring at the Shanico, March 6, 1993. Last season, the Gophers scored a 189.975 to give the team its third highest score in school history prior to the beginning of the 1995 year.

Minnesota had also tied a school record on the uneven bars with an effort of 48.00 in 1993. Since the beginning of this season, the Gophers have broken the 48.00 mark twice, the highest being a 48.250 against Penn State and Illinois, Feb. 18, 1995.

A LOOK AT THE OPPONENTS

Oregon State — The Beavers are 3-1 in dual meet competition and finished first in two of three invitationals. Oregon State lost its first dual meet of the year at 11th-ranked Arizona State, 194.225-192.350 this past weekend.

The Series — Minnesota has never outscored Oregon State in eight meets the two teams have competed against each other.

Utah -- No info

The Series - Minnesota and Utah competed against each other once this year at the Red Robin Invitational on the Utah campus. Minnesota scored a 190.650, while top-ranked Utah score a 196.300. Minnesota has never beat Utah in eight meets.

San Jose State — No information available.

The Series — The Gophers are 2-0 against the Spartans

SVEUM AND FISHER LISTED AS QUESTIONABLE — Two key contributors for the Gophers may miss the Shanico meet with various injuries. Frosh KIM SVEUM (MINOT, ND) sprained her right ankle, Friday, during practice and was pulled prior to the meet at Iowa. Sveum was hampered by an ankle injury to her left foot prior to the start of the season. Sveum did not compete in Minnesota's first two meets, but had become a strong performer on the vault and floor exercise. Sveum posted season highs with a 9.775 on the vault and a 9.700 on the floor.

Also listed as questionable for this weekend is senior SHANNON FISHER (SHOREVIEW, MN/MOUNDS VIEW). Fisher was pulled from the line-up prior to the Iowa meet with lower back pains. Fisher competes on the uneven bars and balance beam and has posted career highs this season with a 9.650 on the bars and a 9.725 on the beam.

SHANICO AMONG HIGHEST ATTENDED EVENTS — The Shanico is the highest attended regular season women's gymnastics meet in the history of Oregon State women's gymnastics. Last season's meet drew 7,506 fans, breaking the previous Shanico record of 6,137 set in 1992. The 7,506 fans is the third highest gymnastics crowd at Oregon State as the two sessions of the NCAA Championships drew 8,501 and 8,245 respectively.

As a program, Oregon State averaged over 6,000 fans in 1994, third highest among women's gymnastics teams and 10th overall in the nation for college women's sports programs.

GOPHERS SCORE OVER 190.000 FOR SECOND TIME WITH ONLY FIVE COMPETITORS ON TWO EVENTS --For the second time this season, the Gophers have been hit by the injury bug prior to the start of a meet and have competed with only five people on two events.

With Fisher being removed from the line-up prior to Sunday's meet at the University of Iowa and Sveum injuring her ankle, Friday, the Gophers used only five people on the vault and uneven bars. Despite the injuries, the Gophers scored a 190.800 — the team's highest score on the road this season. Minnesota did finish third in a three team meet, as Oklahoma won with a 193.425 and Iowa was second at 190.930.

Minnesota's other five competitor line-up occurred at the University of Utah, when frosh and all-arounder STACEY BATZA (OXFORD, CT/SEYMOUR) was pulled from the line-up prior to the start of the meet with a lower back sprain, meaning the Gophers had only five people on every event.

GOPHERS SCORE TEAM RECORD ON BALANCE BEAM — For the second time this year, the Gopher broke the team balance beam record. Minnesota scored a 48.675 at Iowa, breaking the previous mark of 48.525 set at the Minnesota Challenge, Jan. 14.

Four Gophers scored a 9.725 or better on the beam, with frosh MINDY KNAEBLE (NEW HOPE, MN/TOTINO-GRACE) recording the highest effort at 9.825. Knaeble's score gives her three scores of 9.80 or better on the beam.

HAMMONS HAS BEST MEET AS A GOPHER — Sophomore JONDA HAMMONS (LODI, CA) recorded three career highs on the three events she competed on, Sunday. Hammons' day was highlighted by a 9.875 effort on the floor exercise, the second highest score in school history. Hammons only missed tying the school record set by former Gopher Lori Kindler by .025.

Hammons' other career highs came on the vault with a score of 9.675, breaking her previous best of 9.650, and the balance beam where she produced a 9.725 to break her old best of 9.625.

RECORD WATCH — The Gopher women's gymnastics record book is beginning its second edition, as the 1995 squad has broken seven team records and tied two individual records during the season.

The Gophers have broken the team scoring record once, the vault record twice, the uneven bars record twice and the balance beam record twice.

VANDERSALL'S UNEVEN BARS SCORE HIGHLIGHTS GOPHERS 9.90 CLUB IN 1995 — Vandersall continued to set new standards in 1995 with a mark of 9.90 on the uneven bars at the Minnesota Invitational, Feb. 18.

Vandersall became the first Gopher to reach the 9.90 plateau this year and only the third Gopher in school history to reach a score as high as 9.90. Roethlisberger scored a 9.90 three times on the bars, while Kindler achieved the mark once on the floor exercise.

Against Iowa and Oklahoma, Knaeble and Hammons were the only two Gophers to post scores above 9.80. The two scores give the Gophers 15 scores of 9.80 or higher this season.

HOME ATTENDANCE ON PACE TO SET RECORD AVERAGE

— After three home meets in 1995, the Gophers are on pace to set a record home attendance average for women's gymnastics. The Gophers are averaging 1,668 people in 1995, up from last season's all-time best average of 1,160.

Minnesota's first meet of 1995, the Minnesota Challenge, Jan. 14, set a regular season home meet record with 2,342 fans in attendance.

Prior to last season, the Gophers had only one other season where the team averaged more than 1,000 people for its regular season home meets — 1991 when an average of 1,077 fans attended Minnesota's four home dates.

GOLDEN GOPHER HEAD COACH JIM STEPHENSON —

Golden Gopher head coach Jim Stephenson is in his third season at Minnesota. Stephenson guided the 1994 Gophers to their first regional appearance since 1991 and a third place finish at the Big Ten Championships.

Prior to coming to Minnesota, Stephenson was the top assistant coach at the University of Utah for four years, where he helped coach the program to national championships in 1990 and 1992, along with coaching nine all-Americans on the uneven bars.

WHAT'S NEXT — Minnesota will return home for its final home meet of 1995, Sat., March 11, when the Gophers host 25th-ranked Iowa State.

TRACK AND FIELD

GYMNASTICS

GOPHERS FINISH HOME SCHEDULE— The University of Minnesota women's gymnastics team will conclude its 1995 home schedule, Saturday, March 11, against 18th-ranked Iowa State. The meet is scheduled to begin at 7 p.m. in the Sports Pavilion.

SATURDAY'S MEET LAST HOME EVENT FOR TWO SENIORS — Saturday's meet against Iowa State will be the last home meet for two Gopher seniors, as MICHELLE RIEGER (MARIETTA, GA/WESTFIELD (HOUSTON, TX)) and SHANNON FISHER (SHOREVIEW, MN/MOUNDS VIEW) will conclude their Gopher home careers.

Both Rieger and Fisher have competed on the uneven bars and balance beam for Minnesota throughout the year. Rieger set a career high on the balance beam at the Minnesota Challenge, January 14, with a score of 9.800. Rieger later tied the score against Missouri.

Fisher established a career high on the uneven bars this season with an effort of 9.650 against Missouri.

SVEUM PROBABLE FOR IOWA STATE MEET — Frosh KIM SVEUM (MINOT, ND) sprained her right ankle during practice, Feb. 24, and has missed Minnesota's last two meets. Sveum was hampered by an ankle injury to her left foot prior to the start of the season. Sveum did not compete in Minnesota's first two meets, but had become a strong performer on the vault and floor exercise.

A LOOK AT IOWA STATE — The 18th-ranked Cyclones scored a 192.075, Friday, at the University of Iowa to defeat the Hawkeyes. Iowa scored a 190.900. Iowa State was led by the Mazza triplets, with Kim scoring a 9.700 on the uneven bars, Karen a 9.55 on the balance beam and Katie a 9.650 on the floor exercise.

Minnesota and Iowa State met twice last season, with Iowa State defeating Minnesota 191.150-188.225 in Ames, Iowa, Feb. 5, and the Gophers returning the favor at the NCAA Central Region Championships, 187.300 - 184.225.

GOPHERS FINISH THIRD AT SHANICO/OREGON STATE INVITATIONAL — The 19th-ranked Gophers finished third out of four teams at the Shanico/Oregon State Invitational, Friday, March 3.

Second-ranked Utah won the meet with a score of 195.175, while seventh-ranked Oregon State finished second with a 194.375. Minnesota scored a 189.475 to finish third, while San Jose State finished fourth at 180.775.

Minnesota's score of 189.475 was only the third time in eight meets the team has scored under 190.000, but the second time in as many trips to the West Region the Gophers have scored under the 190.000 mark. Minnesota scored a season-low 187.375 at Arizona State, Jan. 20

Sophomore KRISTEN VANDERSALL (PLYMOUTH, MN/ARMSTRONG) highlighted Minnesota's effort with a 9.750 score on the uneven bars and a 9.700 score on the floor exercise, giving the Gophers their highest two scores of the meet.

Frosh MINDY KNAEBLE (NEW HOPE, MN/TOTINO-GRACE), who is ranked 13th in the country on the balance beam, scored a 9.675 on the event; while sophomore JONDA HAMMONS (LODI, CA), who is ranked 17th on the floor exercise, scored a 9.650 on that event. SEE PAGESIX FOR GOPHER MEET RESULTS.

TWO GOPHERS RANKED IN TOP 20 INDIVIDUALLY, TEAM DROPS TWO SPOTS TO 19TH — Two University of Minnesota women's gymnasts moved into the top 20 in the nation, individually on an event, in the March 1 AAI women's gymnastics national polls.

Knaeble is tied for 13th in the country on the balance beam, while Hammons is ranked 17th on the floor exercise.

The ranking is determined on the individuals regional qualify scoring (RQS), meaning the top six scores for the year are used. Two of scores must be from home meets and two scores must be from away meets. The highest and lowest score are then dropped and the remaining four scores are averaged to achieve the regional qualifying score.

Knaeble entered the top 20 with an RQS of 9.775, tying her with Julie Ballard of the University of Georgia. Lori Strong is ranked No. 1 on the beam with an RQS of 9.875. Knaeble is also the highest ranked student-athlete from the Big Ten Conference on the event.

Knaeble tied the school record on the beam with a performance of 9.85 at the Minnesota Invitational, Feb. 18. Knaeble's score tied her with former Gopher great Marie Roethlisberger.

Hammons earned her ranking with an RQS of 9.794. Jenny Hansen of Kentucky is the top ranked individual on the floor

exercise with an RQS of 9.931. Hammons is the second-highest ranked Big Ten athlete behind Heather Kabnick of Michigan, who is ranked 10th nationally with an RQS of 9.831.

Hammons recorded the second highest score in school history on the floor with an effort of 9.875, Feb. 26, at the University of Iowa.

As a team, the Gophers remained in the top 20, but dropped two spots from 17th to 19th, despite recording the highest road team score of the season with a 190.800 at Iowa. The top 25 poll is also determined by using the regional qualifying score.

In the Central Region rankings, the Gophers dropped from the fifth to the seventh spot. The top seven teams qualify for regionals, April 8, in Ann Arbor Mich. Illinois-Chicago and Iowa State moved ahead of the Gophers, while Northern Illinois entered the regional top 10 for the first time this season behind the Gophers.

All ten teams rank in the Central region poll are nationally ranked, giving the Central Region the most nationally ranked teams. The Midwest region is second with seven teams and the Southeast region is third with four teams.

RECORD WATCH — The Gopher women's gymnastics record book is beginning its second edition, as the 1995 squad has broken seven team records and tied two individual records during the year.

The Gophers have broken the team scoring record once, the vault record twice, the uneven bars record twice and the balance beam record twice. The only team record not broken during the 1995 season is the floor exercise record.

The latest record broken was the balance beam record, as Minnesota scored a 48.675 at Iowa, Feb. 26.

Vandersall's score of 9.90 on the uneven bars during the Minnesota Invitational, Feb. 18, tied her for the school record on that event, while Knaeble produced a 9.850 on the balance beam against Missouri to tie her for the school record on that event. In fact, since head coach Jim Stephenson arrived in 1992, three individual school records have been tied or broken and all five team records have been eclipsed.

Former Gopher Lori Kindler scored a 9.90 on the floor exercise last season to establish a new school record in that event.

Minnesota's school records in 1995

Team score: Feb. 18, 193.675, breaking former record of 191.625 set in 1994 at home against the University of Utah.

Vault: Jan. 27, 48.05 at Michigan Invitational, broke former record of 48.00 set at the Big Ten Championships in 1990 and tied at Oregon State Invitational in 1993. Record broke, Feb. 18, at Minnesota Invitational with a score of 48.250.

Uneven Bars: Feb. 11, vs. Missouri, record set at 48.05, breaking former record of 48.00 set at Oregon State Invitational in 1993. Record broke again the following week, Feb. 18, at the Minnesota Invitational with a score of 48.350.

Balance Beam: Feb. 26, at Iowa, record reset with score of 48.675, breaking old record set Jan. 15, 1995, at the Minnesota Challenge with a score of 48.225.

VANDERSALL'S UNEVEN BARS SCORE HIGHLIGHTS GOPHERS 9.90 CLUB IN 1995 — Vandersall continued to set new standards in 1995 with a mark of 9.90 on the uneven bars at the Minnesota Invitational, Feb. 18.

Vandersall became the first Gopher to reach the 9.90 plateau this year and only the third Gopher in school history to reach a score as high as 9.90. Roethlisberger scored a 9.90 three times on the bars, while Kindler achieved the mark once on the floor exercise.

The Gophers had no scores of 9.80 or better at the Shanico, leaving the team with 15 scores of 9.80 or higher this year.

HOME ATTENDANCE ON PACE TO SET RECORD AVERAGE — After three home meets in 1995, the Gophers are on pace to set a record home attendance average. The Gophers are averaging 1,668 people in 1995, up from last season's all-time best average of 1,160.

Minnesota's first meet of 1995, the Minnesota Challenge, Jan. 14, set a regular season home meet record with 2,342 fans in attendance.

Prior to last season, the Gophers had only one other season where the team averaged more than 1,000 people for its regular season home meets — 1991 when an average of 1,077 fans attended Minnesota's four home dates.

GOLDEN GOPHER HEAD COACH JIM STEPHENSON — Golden Gopher head coach Jim Stephenson is in his third season at Minnesota. Stephenson guided the 1994 Gophers to their first regional appearance since 1991 and a third place finish at the Big Ten Championships.

WHAT'S NEXT — The Gophers will conclude their regular season with a dual meet, Monday, March 20, at Nebraska. Minnesota will then travel to Champaign, Ill., for the Big Ten Championships, Saturday, March 25.

SOFTBALL

GOPHER SOFTBALL TEAM OFF FOR TWO WEEKS — After playing only two of a scheduled nine games in Texas during the weekend, the Minnesota Golden Gopher softball team will get plenty more rest, as the Gophers will not take to the diamond again until Monday, March 20, when Minnesota travels to California for a double header against Cal Poly - San Luis Obispo and the Pony/Louisville Tournament in Fullerton, Calif.

RAIN LIMITS GOPHERS TO ONLY TWO GAMES DURING WEEKEND IN TEXAS — The Gophers weekend fun in the Lone Star State was cut short by rain, as Minnesota was limited to only two of a scheduled nine games. Thursday, the Gophers were supposed to play a double header against Southwest Texas State in San Marcos, Tex., but Mother Nature doubled to left in the top of the first inning and forced the games to be cancelled.

Next for Minnesota was supposed to be at least seven games in the Texas A&M Aggie Invitational, but the tournament was washed out after the Gophers were able to complete only two games, Friday.

Minnesota lost both games, losing 8-0 to 19th-ranked Notre Dame and 5-3 to Colorado State. Junior JENNY LOPEZ (FORT COLLINS, CO/FORT COLLINS) finished 3-3 from plate and had a double, while sophomore RACHEL NELSON (GOOD THUNDER, MN/MAPLE RIVER) had two hits against Colorado State.

Sophomore JENNIFER JOHNSON (DIAMOND BAR, CA) and frosh WENDY LOGUE (MILAN, IL/ROCKRIDGE) took the losses for the Gophers in the circle. Johnson's record evened at 4-4 for the year, while Logue dropped to 3-3.

Minnesota previous national ranking came March 10, 1992, when the Gophers also received their only top 10 ranking with an appearance in the eighth spot.

This season, the Gophers have played three teams ranked in the top 25, defeating 18th-ranked Oklahoma, 4-2, and 13th-ranked Texas A&M, 3-1. Minnesota's only loss to a ranked team was a 8-0 loss to eighth-ranked Nebraska.

Minnesota is one of only two Big Ten Conference teams ranked in the top 25. Michigan is ranked in the 10th spot, while Indiana, Iowa, Ohio State and Purdue all received votes.

SWIMMING AND DIVING

NCAA ZONE MEET NEXT FOR DIVERS — The Minnesota women's diving team heads to the NCAA Zone C Meet this Friday and Saturday at Miami University in Oxford, Ohio. The top eight point scorers from the zone meet advance to the NCAA swimming and diving championships, March 16-18, in Austin, Texas. On Friday, the 3-meter springboard event will be held with 1-meter springboard and platform diving on Saturday.

Senior KARA MARTIN (LINCOLN, NE/EAST) will compete in 3-meter and platform diving. Last year at the NCAA championship, Martin became an all-American in platform diving with a third-place finish in platform diving and was a honorable mention all-American in 3-meter diving.

Competing in 1- and 3-meter diving are juniors JENNY COOK (ELK RIVER, MN/ELK RIVER) and JENNY KOSKI (ANOKA, MN, ANOKA) and sophomore ANDREA BERG (ISSAQUAH, WA/LIBERTY)

COACHES COMMENTS — "All four divers have a chance to qualify for the NCAA meet," Minnesota head diving coach Doug Shaffer says. "Based on their performances at the Big Ten meet, all four would be going to the national championship." "But," Shaffer cautions, "there will be other non-Big Ten schools at the zone meet for us to contend with."

TRACK AND FIELD

UP NEXT— Selected Gophers will travel to the NCAA Indoor Championships in Indianapolis, Ind., Saturday, March 11. Head coach Gary Wilson will know early this week if any of the Gophers who have provisionally-qualified during the season, will advance to the national meet.

FOUR GOPHERS ARE PROVISIONALLY QUALIFIED—ANDREA GROVE (WINNEPEG, MANITOBA, CANADA/TIXUEDO SHAFTESBURY), LORI TOWNSEND (CLARKSBORO, NJ/KINGSWAY) and DANI PARKOS (GRAND FORKS, ND/CENTRAL) have all provisionally qualified for the NCAA meet in Indianapolis. Grove is 13th nationally in the mile, Townsend 16th in the 3,000 and Parkos 15th in the shot put in the national rankings released two weeks ago.

MINNESOTA RANKED—The Golden Gophers are ranked #24 in the latest Track and Field News dual meet rankings.

BASKETBALL

GOPHERS END SEASON WITH LOSS TO IOWA—The Minnesota women's basketball team finished the 1994-95 campaign with a first-round loss to Iowa, 57-44, at the Big Ten Tournament in Indianapolis over the weekend. Minnesota concluded its season losing seven of their last eight and finishing the season at 12-15 overall and 7-9 in the Big Ten.

MINNESOTA LOSES TO IOWA IN FIRST ROUND—Minnesota shot a paltry 31 percent from the field, its lowest percentage all season, in losing to ninth-seeded Iowa in the first game of the Big Ten Tournament. Minnesota and Iowa were tied at 27 at the half, when the Gophers jumped out to a seven point lead in the second half behind a SHANNON LOEBLEIN (ST. PAUL, MN/HARDING) three pointer, her first points of the game. Iowa then started to apply the press and disoriented the Gophers for the remainder of the game. Minnesota managed only two baskets over the last 12 minutes, while Iowa pulled away for the victory.

As a team, the Gophers scored their second lowest point total of the season with 44 points and had their worst game from behind the three point line, going 2-for-15. Minnesota did lead the Big Ten in three point shooting before the Iowa contest.

Minnesota also managed to make it to the free throw line only seven times in the game, a season-low, while Iowa went to the charity stripe 19 times.

LORI LAWLER (ROCHESTER, MN/LOURDES) led all Minnesota scorers with 13 points and CARA PEARSON (ST. PAUL, MN/HARDING) had 12 points. No other Gopher scorers were in double figures and Loeblein, the Gophers second leading scorer, had only seven points on 3-of-13 shooting from the field. Loeblein, the leading three point shooter in the Big Ten, was only 1-for-8 from behind the arc.

She also was an assist away from recording only the second triple-double in Minnesota history in game two against Penn State.

PEARSON NEEDS A TROPHY CASE—Pearson received a number of awards this season including being named honorable mention all-Big Ten by the coaches and SportsChannel. Pearson was named to the all-tournament team at the Dial Soap Basketball Classic and the Bertha Teague Memorial Classic in Stillwater, Okla., and was named Minnesota Women's Athletics Athlete of the Month for December and the Big Ten Player of the Week for her accomplishments against Penn State and Purdue for the period ending January 9.

GOPHERS UPSET 21ST-RANKED IOWA STATE — The 23rd-ranked Gophers (11-7 overall, 2-1 dual meets) finished their 1995 home schedule with an upset victory against 21st-ranked Iowa State, Saturday evening in the Sports Pavilion, outscoring the Cyclones 192.650 - 189.100 in front of 1,558 fans.

Frosh **MINDY KNAEBLE** (NEW HOPE, MN/TOTINO-GRACE) and sophomore **KRISTEN VANDERSALL** (PLYMOUTH, MN/ARMSTRONG) highlighted the meet with each scoring a 9.825 on the floor exercise — the fourth highest score in school history on that event. Frosh **STACEY BATZA** (OXFORD, CT/SEYMOUR) scored a 9.800 on the vault, the third highest score in school history on that event and only the sixth score in school history of 9.800 or better on the vault.

Other major contributors for the Gophers included junior **SUSAN CASTNER** (WORTHINGTON, OH/THOMAS WORTHINGTON) with a 9.800 on the balance beam, the third highest score in school history and a career-high for Castner on that event. Vandersall scored a 9.800 on the bars, the fourth highest score in school history.

As a team, the Gophers scored the second highest team score in school history on the bars with an effort of 48.05.

The loss was the first loss in dual meets for the Cyclones this season. Iowa State dropped to 5-1 in duals and 7-8 overall.

GOPHERS FINISH UNDEFEATED AT HOME FOR FIRST TIME SINCE 1989 — Minnesota's victory against Iowa State improved Minnesota's home record to 7-0 this season — marking the first Gopher team to finish its home schedule undefeated since the 1989 team went 4-0 in Williams Arena.

The Gophers' score of 192.650 against Iowa State was the second highest score in school history and gave Minnesota its second home victory against a higher-ranked team. The Gophers recorded the school's highest score ever with a 193.675-192.500 win against seventh-ranked Penn State, Feb. 18, at the Minnesota Invitational.

RECORD WATCH — The Gopher women's gymnastics record book is beginning its second edition, as the 1995 squad has broken seven team records and tied two individual records during the season.

The Gophers have broken the team scoring record once, the vault record twice, the uneven bars record twice and the balance beam record twice. The only team record not broken during the 1995 season is the floor exercise record.

Minnesota broke the balance beam record for a second time this season at Iowa with a score of 48.675.

Vandersall's score of 9.90 on the uneven bars during the Minnesota Invitational tied her for the school record on that event, while Knaeble produced a 9.850 on the balance beam against Missouri to tie her for the school record on that event. In fact, since head coach Jim Stephenson arrived in 1992, three individual school records have been tied or broken and all five team records have been eclipsed.

Former Gopher Lori Kindler scored a 9.90 on the floor exercise last season to establish a new school record in that event.

GOPHERS FINISH REGULAR SEASON AT NEBRASKA — The University of Minnesota women's gymnastics team will conclude its regular season, Monday, March 20, with a dual meet against 16th-ranked Nebraska in Lincoln, Neb. The meet is scheduled to begin at 7 p.m. and is a combined dual meet with the Minnesota men's team.

Nebraska — The 16th-ranked Cornhuskers (14-4 overall) defeated Iowa State, Friday in Lincoln, scoring a 193.575 to Iowa State's 190.150. Nebraska has lost only two duals this year, losing to Missouri, Jan. 27, and Iowa State in Ames Iowa, Feb. 16. Nebraska's other two defeats came at the Bulldog Invite in Athens, Ga., where the Cornhuskers finished third.

GOPHERS BEGIN POSTSEASON AT BIG TEN CHAMPIONSHIPS, MARCH 25 — Following the trip to Lincoln, the Gophers will trek to Champaign, Ill., to participate in the Big Ten Championships. In addition to the Gophers, fourth-ranked Michigan, ninth-ranked Penn State, Michigan State, Ohio State, Iowa and Illinois will compete at the championships.

GOPHERS SEEK FIRST BIG TEN TITLE SINCE 1991 — Minnesota's last Big Ten team championship occurred in 1991, when the Gophers defeated second-place finisher Iowa, 189.00-188.250. Minnesota also produced its last individual champion the same year, when frosh Jessica Wolf scored a 9.70 on the vault to win the championship.

MICHIGAN SEEKS FOURTH STRAIGHT BIG TEN TITLE — Since the Gophers team title in 1991, Michigan has won the last three Big Ten titles. In addition to seeking a fourth straight team title, Wolverine Beth Wymer will look to become a four-time Big Ten all-around champ at the this year's championships.

MINNESOTA AT BIG TEN CHAMPIONSHIP — Since the Big Ten began a conference championship in 1975, the Gophers have finished first three times, second four times, third six times, fourth twice, sixth once and seventh twice. Minnesota's Big Ten titles came in 1991, 1989 and 1988. The Gophers did not compete in 1975 and 1981.

GOPHERS UPSET 21ST-RANKED IOWA STATE IN FINAL HOME MEET OF SEASON — The 23rd-ranked Gophers (11-7 overall, 2-1 dual meets) finished their 1995 home schedule with an upset victory against 21st-ranked Iowa State, Saturday, March 11 in the Sports Pavilion, outscoring the Cyclones 192.650 - 189.100 in front of 1,558 fans.

GOPHERS FINISH UNDEFEATED AT HOME FOR FIRST TIME SINCE 1989 — Minnesota's victory against Iowa State improved its home record to 7-0 this season — marking the first Gopher team to finish its home schedule undefeated since the 1989 team went 4-0 in Williams Arena.

The Gophers score of 192.650 against Iowa State was the second highest score in school history and gave Minnesota its second home victory against a higher-ranked team. The Gophers recorded the schools highest score ever with a 193.675-192.500 win against seventh-ranked Penn State, Feb. 18, at the Minnesota Invitational.

RECORD WATCH AT SEVEN TEAM RECORDS BROKEN AND TWO INDIVIDUAL RECORDS TIED DURING 1995 SEASON — The Gopher women's gymnastics record book is beginning its second edition, as the 1995 squad has broken seven team records and tied two individual records during the season.

The Gophers have broken the team scoring record once, the vault record twice, the uneven bars record twice and the balance beam record twice. The only team record not broken during the 1995 season is the floor exercise record.

Minnesota broke the balance beam record for a second time this season at Iowa with a score of 48.675.

Vandersall's score of 9.90 on the uneven bars during the Minnesota Invitational tied her for the school record on that event, while Knaeble produced a 9.850 on the balance beam against Missouri to tie her for the school record on that event. In fact, since head coach Jim Stephenson arrived in 1992, three individual school records have been tied or broken and all five team records have been eclipsed.

Former Gopher Lori Kindler scored a 9.90 on the floor exercise last season to establish a new school record in that event.

Balance Beam: Feb. 26, at Iowa, record reset with score of 48.675, breaking old record set Jan. 15, 1995, at the Minnesota Challenge with a score of 48.225.

GOPHERS DROP FROM TOP 25 — For the first time since the preseason top 25, the Gophers are not ranked among the AAI Women's Gymnastics top 25, despite scoring the team's second highest score of the season against Iowa State.

The Gophers also dropped one spot in the regional ranking to eighth. The top seven teams qualify for the NCAA Central Region Championships, April 8, in Ann Arbor, Mich.

Individually, frosh MINDY INAEBLE (NEW HOPE, MN/TOTINO=GRACE) remained ranked on the balance beam after entering the top 20 nationally in the March 1 poll. However, Knaeble dropped from 17th to 20th with a regional qualifying score (RQS) of 9.787. Knaeble and Wymer are tied for 20th and are the only Big Ten Conference members ranked.

The polls are based on the individual's and team's RQS.

Prior to coming to Minnesota, Stephenson was the top assistant coach at the University of Utah for four years, where he helped coach the program to national championships in 1990 and 1992, along with coaching nine all-Americans on the uneven bars.

WHAT'S NEXT — Following the Big Ten Championships, the Gophers will wait to see if the team qualifies for the NCAA Central Region Championships, April 8, in Ann Arbor, Mich.

SWIMMING AND DIVING

GOPHERS 19TH AT NCAA CHAMPIONSHIPS—The University of Minnesota's women's swimming and diving team tied with Kentucky for 19th-place at the 1995 NCAA Women's Swimming and Diving Championships at the University of Texas-Austin. Both teams scored 53 points each at the meet, which was March 16-18. It was the third time in five years that the Gophers have finished among the top 20 teams at the NCAA championships; Minnesota was 10th in 1992 and 18th in 1991. In a seesaw battle for first place between Stanford and Michigan, Stanford came out on top with 497.5 points. Michigan was second (478.5) and was followed by Texas (355), Southern Methodist (306.5) and Arizona (250).

TWO RECEIVE ALL-AMERICAN HONORS — Two Gophers earned all-American honors at the championships by finishing among the top eight finalists in their events. Sophomore TANYA SCHUH (LAKE ELMO, MN/STILLWATER) was fifth in 100-yard butterfly with a time of 55.00 to earn all-American honors. She also received all-American honorable mention honors as member of the 13th-place 200-yard medley relay team. Schuh also swam in the 200-yard butterfly, where she was 26th with a time of 2:02.95 and was 18th as a member of the 400-yard freestyle relay team (3:32.30).

TENNIS

COMING UP—The Gophers (5-6 in dual meet action, 1-3 in the Big Ten) will return to action this week when they travel to the Carolinas to play Furman, North Carolina State and North Carolina. The Gophers play Furman, Wednesday, March 22, at 2 p.m., followed by NC State, Friday, March 24, at 2 p.m. and North Carolina, Saturday at 10 a.m. Minnesota has had the previous three weeks off from competition due to scheduling and finals.

ABOUT THE OPPONENTS—

FURMAN—Furman, located in Greenville, SC, has fallen out of the national rankings after being in them most of the year. Furman has won four Southern Conference titles in a row, but inexperience will be a factor this season as Furman lost five seniors to graduation.

THE SERIES—This is the first meeting between the two schools.

NORTH CAROLINA STATE—North Carolina State features Kylie Hunt, who is ranked 68th in the country in singles play and 38th in doubles play when teaming with Margie Zimmer.

THE SERIES—Minnesota leads the series 1-0 after defeating the Wolfpack 7-2 in 1982.

NORTH CAROLINA—North Carolina has six returning letterwinners and is trying to rebound from a disappointing 7-16 record in 1994. The Tar Heels are doing that with a 6-5 record this season. NC is led by number one player Ariana Cervenka and Inge Commissaria in the number two position.

THE SERIES—North Carolina leads the series, 5-0, and defeated the Gophers, 9-0, last year.

GOPHER REWIND—Minnesota has lost four straight dual meets, losing to nationally-ranked Wisconsin, Michigan, Northwestern and San Diego. Minnesota lost to Wisconsin 6-3, Michigan, 8-1 and 7-2 to both Northwestern and San Diego.

GATES ALMOST PERFECT IN DUAL MEET ACTION—Number one singles player TIFFANY GATES (GRANDVIEW, MI) will try to continue her dominance this spring when hitting the Carolinas.

Gates is 10-1 during the dual meet season for the Gophers. During that time, she has beat four nationally-ranked players, including #12 Lauren Gavaris of Wisconsin, #54 Dina Birch of San Diego and #25 Wendy Crabtree of Notre Dame. Her only loss came against Sarah Cyganiak of Michigan, ranked #70 in the country.

GATES NATIONALLY RANKED—Gates is ranked 76th in the latest Rolex Collegiate Rankings. This ranking marks the first time in Gates' college career, she has been nationally ranked in singles.

Gates should once again move up in the rankings when the next rankings are announced Tuesday afternoon.

CULIK AND FERGUSON SHINE—Seniors SUSAN CULIK (CHAPIN, SC) and BRIDGET FERGUSON (BURNSVILLE, MN/ EDEN PRARIE) are 10-1 in the number three doubles position for the Gophers in the spring. Their only loss came at the hands of Tara Graff and Jamie Fielding of Michigan.

PETERSON/GATES ON LOSING SKID—Gates and doubles partner DANA PETERSON (APPLE VALLEY, MN) are no longer nationally ranked as they have lost their last three matches, dropping their overall record to 14-8. Before the three match skid, the duo had won five in a row and seven of their last eight.

NATIONAL RANKINGS OUT—Minnesota is not ranked in the latest Rolex Collegiate Rankings, but the Gophers face 11 teams listed in the rankings, including #12 Indiana, #15 Vanderbilt, #16 Notre Dame, #21 San Diego, #24 Northwestern, #32 Michigan, #40 Wisconsin, #42 Illinois and #45 North Carolina State during the course of the season.

INJURY REPORT—Senior AMY ERSKINE (EDINA, MN) and sophomore KATHY WAYNE (TEMPE, AZ/CORONA DEL SOL) still have not played a match for the Gophers this season. Erskine is out with shoulder injury and Wayne has a foot injury.

SOFTBALL

GOPHERS TRAVEL TO NORTHWESTERN & MICHIGAN FOR SIX ROAD GAMES— After taking three of four from Penn State during the weekend, the Minnesota Golden Gopher softball team (15-17 overall, 5-3 Big Ten Conference) will travel to Northwestern, Wednesday, April 12, for a pair of games and then move to Ann Arbor, Mich. for a four-game weekend set against fifth-ranked Michigan beginning Saturday, April 15.

THE OPPONENTS—

Northwestern Wildcats — The Wildcats improved to 6-2 in the conference and 18-10 overall after winning three of four games during a weekend series against Michigan State in Evanston, Ill. The Wildcats have won eight games in the team's last ten, including three of four against Penn State in the team's conference opener.

Offensively, Northwestern has been helped by the services of catcher Kelley Green and her .361 batting average. Green is the only Wildcat player with an average of .300 or better. The strength of the Wildcats has been in the circle. The Wildcats entered the Michigan State series with the second-best team ERA in the conference at 1.94, and moved it slightly higher to 1.99 following the three wins against Michigan State. Alison Ward leads the Wildcats with a 1.52 ERA in just over 64 innings of work, while Misty Lauby has the most wins with nine and most innings pitched at 95.0.

The Series — Minnesota and Northwestern are even at 23 games apiece in Big Ten play, while the Gophers hold an overall advantage of 29-25. Northwestern swept the Gophers last season at the Bierman Softball Stadium, while the Minnesota won a non-conference battle at the Pony Invitational in Fullerton, Calif., 4-1.

#5 Michigan Wolverines — After starting the year 26-3 and 8-0 in the conference, the fifth-ranked Wolverines lost four of five games during the past week. Michigan dropped a non-conference game to Toledo, 8-6, Thursday, before losing three of four games at Iowa during the weekend. During the Iowa series, the Wolverines managed only one run in the three losses, (0-1, 1-2, 0-3), while posting their only victory in the series' third game, 5-1.

Michigan entered last week leading the conference in both hitting and pitching. The Wolverines have six players with at least 93 at-bats and an average of .306 or better, including infielder/pitcher Sara Griffin who leads the team with a .402 average and 112 at-bats.

In the circle, Griffin also leads the team with a 1.28 ERA and is tied for the team lead in wins with 10. Kelly Kovach is second on the pitching roster with a 1.39 ERA and a 10-2 record. Overall,

the Wolverines post a 1.52 team ERA and a .302 team batting average.

The Series — Michigan leads the all-time series between the two institutions, 28-18, in conference and 29-18 overall. Last season's four game series at the Bierman Softball Stadium provided a sweep for the Wolverines by scores of 3-1, 1-0, 4-2 and 3-2.

BAUER-NELSON SHINE IN GOPHERS 5-1 WEEK — Sophomore RACHEL NELSON (GOOD THUNDER, MN/MAPLE RIVER) finished the week with a .619 batting average and sophomore JENNY BAUER (COTTAGE GROVE, MN/PARK) earned three wins, as the Gophers finished last week 5-1.

Minnesota began the week, Wednesday, with a pair of non-conference victories against Mankato State at the Bierman Softball Stadium. The Gophers won game one, 4-0 and the second 8-0. Nelson finished the day 6-7 and sophomore JENNIFER JOHNSON (DIAMOND BAR, CA) earned a complete game victory in game one, while Bauer pitched a three-hit shutout in game two.

During the weekend, Minnesota took three of four games from visiting Penn State. Game one provided Penn State heroics, as Valerie Serpico homered in the top of fifth to give Penn State a two-run lead at 3-1. The lead stood, and Lady Lion Heidi Hanna produced a three-hit performance in the circle to give Penn State their only victory of the weekend. The loss ended a four-game winning streak for the Gophers.

In the second game, Minnesota scored early and often with four runs in the first, one in the second and four in the third to build a 9-2 lead. Sophomores ANN BARTHOLMEY (AUSTIN, MN) and JODI HALVORSON (RICHFIELD, MN) each finished the game 3-4 from the plate, while Nelson and frosh AMBER HEGLAND (FARMINGTON, MN) each added two hits in the game.

Second day action moved from the Bierman Softball Stadium to the Hubert H. Humphrey Metrodome due to inclement weather. Minnesota won both games, 8-2 and 3-1. In the third game of the series, sophomore JENNIFER FOX (AUSTIN, MN) finished 3-4 and Nelson went 2-3 with two RBI, as the Gophers opened a scoreless game with a six-run second inning.

In the series' final game, Minnesota ended a scoreless tie with a two-run fifth inning and senior KIKI ROMERO (ALTA LOMA, CA/ST. LUCY'S PRIORY) belted her first career home run in the sixth inning to give Minnesota a 3-0 lead. Bauer earned her third win of the week in the second game, while Johnson earned her second save of the season after relieving Bauer in the fifth inning. Johnson earned the win in the first game at the Metrodome to improve her record to 7-10.

GOPHERS IMPROVE TO 4-2 IN METRODOME — Sunday's doubleheader against the Lady Lions was not the first time the softball team has played in the Metrodome. The Gophers began their 1991 campaign with the Metrodome Softball Classic, where the team finished 2-2. Minnesota defeated Minnesota-Duluth (3-2) and Northern Iowa (2-1), and dropped games to Nebraska (3-0) and Missouri (3-2, 9 innings).

RADIO K TO BROADCAST HOME BIG TEN GAMES — The University of Minnesota's student radio station, Radio K, will broadcast all Big Ten Conference games from the Bierman Softball Stadium and the Gophers scheduled doubleheader at Iowa State, Wednesday, May 3.

INSIDE THE OFFENSIVE NUMBERS —

•In the Gophers' 15 wins this season, the first four members of the line-up — Nelson, KATIE PETERSON (MILWAUKEE, WI/PIUS XI), MELISSA WOLD (OAKDALE, MN/HILL-MURRAY) and Hegland — have combined for 79 hits and a .432 batting average. In Minnesota's 17 losses, the foursome has combined for only 49 hits and a .253 batting average.

•Nelson enters the Northwestern/Michigan week with a 12-game hitting streak. The all-America candidate has collected 23 hits in 45 at-bats in the 12 games and has posted a batting average of .511. Nelson's longest hit streak of her career was 14 games, extending from the final 12 games of 1994 to the first two games of this season. In her short career, Nelson has 38 multiple-hit games and is on pace to tie Kari Blank's single season record of 82 hits.

In her first two seasons Nelson has hit .517 against Penn State (15-29).

•Wold has doubled the fun for the Gophers this season.

Wold's team-leading nine doubles is only six short of tying Barb Drake's record of 15 set in 1986. Wold entered the Penn State weekend with the second longest hitting streak on the team at five games. In that time, Wold had gone 7-14 (.500), knocked-in four runs and had one double. Wold finished Saturday's first game 0-3 from the plate, but went 1-4, 1-3 and 1-3 in the series' final three games

•Peterson is only four sacrifices short of tying her own single season record set last year of 18.

•In the 13 wins, Hegland has 15 RBI. In the 17 losses she has only 3.

In Austin, **DANI PARKOS** (GRAND FORKS, ND/CENTRAL) won the discus with a NCAA Provisional Qualifying toss of 161-0. It was a season best toss for Parkos and only two inches off her previous career best. **HEATHER BERLIN** (LIBERAL, KS) also had a good meet placing third in the javelin. Berlin's toss of 173-7 was an automatic qualifying throw for the all-American. Also, the 4x100 relay team placed 18th with a time of :47.41, the third best performance in Minnesota history.

At the Nebraska five-way, Minnesota finished fourth with 11 points. Nebraska won the meet with 111.5, followed by Colorado State with 64.5 points, Iowa State with 52 points, Minnesota and Wichita State with four points. Minnesota all-American **LORI TOWNSEND** (CLARKSBORO, NJ/KINGSWAY) was the only event winner for the Gophers, as she finished with a time of 9:51.41. **GLENDA WHIPPLE** (ETNA, CA/UNION) was second in the javelin with a toss of 130-6, while **BRIDGET NEUTGENS** (OLIVIA, MN) was third in the 800 meters. **ANDREA GROVE** (WINNIPEG, MANITOBA, CANADA/TUXEDO SHAFTESBURY) was fifth in both the 800 and the 1,500 meters.

TAYLOR JOINS TRACK AND FIELD SQUAD—**SWANTRECA TAYLOR** (DONALDSONVILLE, LA/COMO PARK (MN)), a point guard on the Minnesota women's basketball team, has taken her game from the court to the track as she will now compete for Gary Wilson in the triple jump and the sprints. Taylor is a former Louisiana state champion in track and field.

THE SCHEDULE—The schedule will be a difficult one for the Gophers as they host the 1995 Big Ten Championships, the Minnesota Invitational, the Nike Invitational and the Minnesota Open. They also have an extremely tough road schedule making appearances at the Alabama Relays, the Texas Relays, the Nebraska Quad, the Purdue Quad, the Kansas Relays, the St. Olaf Invitational, Drake Relays and the Penn Relays.

GOPHERS WIN ALL-ACADEMIC TEAM AWARD—The University of Minnesota women's cross country team was named a winner of the Women's Intercollegiate Cross Country Coaches Association all-academic team award. The award is given to programs whose entire team GPA is 3.0 or higher.

Minnesota will host Indiana for a four-game set beginning Saturday.

Wednesday's twin bill is scheduled to begin at 3 p.m., while Saturday's two games will begin at 1 p.m. Minnesota and Indiana will complete the four-game set, Sunday, beginning at noon.

SUNDAY'S DOUBLEHEADER A WCCO HOMETOWN DAY FOR RACHEL NELSON — Sophomore RACHEL NELSON (GOOD THUNDER, MN/MAPLE RIVER) and her hometown of Good Thunder, Minn., will be honored as part of WCCO News Talk 8·3·0 Hometown Day Campaign. THE OPPONENTS—

#24 Iowa Hawkeyes — Iowa improved 26-13-1 and 10-2 in the Big Ten Conference with a four-game sweep of Penn State in State College, Pa., during the weekend. Iowa won both games, Saturday, by scores of 7-1 and the two games, Sunday, 4-0 and 7-2. Sunday's first game produced a no-hit performance by Hawkeye frosh Deborah Bilbao.

The Series — Iowa and Minnesota have met 60 times on the softball diamond, splitting the series at 30 games apiece. Iowa does lead the Big Ten series 26-21, while the Gophers hold a 9-4 non-conference advantage.

Iowa took four games from the Gophers last season, winning 8-0 and 8-0 in Iowa City, Iowa, and 3-0 and 4-1 at the Bieman Softball Stadium.

Indiana Hoosiers — Defending Big Ten champion Indiana moved its record to 20-19 overall and 9-7 in the conference with a split at home against Northwestern. Northwestern took game one, 4-1, while Indiana rebounded to win the second game, 2-1. Day two produced a Northwestern win, 3-2, in eight innings in game one and a 12-1 Hoosier win in the series' final game.

Michelle Venturella, last season's Big Ten Conference Player of the Year, leads the Hoosiers in hitting with a .387 batting average. Venturella has six home runs and 34 RBI. In the circle, Gina Ugo leads the team with a 12-7 record and a 2.21 ERA.

The Series — The Hoosiers hold a 34-17 overall advantage and a 32-17 advantage in Big Ten play against the Gophers. The Hoosiers took four from Minnesota last year in Bloomington, Ind., winning 7-2, 8-2, 1-0 and 8-0.

GOPHERS SUFFER SIX ROAD LOSSES DURING TRIP — Minnesota hit tough times during a six-game road trip at Northwestern and ninth-ranked Michigan last week, losing all six games to the conference foes.

Minnesota's trip began, Thursday, in Evanston, Ill., where the Wildcats handled the Gophers, 4-0 and 8-2. In the first game, Wildcat pitcher Alison Ward tossed a two-hitter, while game two produced seven hits, but only two runs. Nelson and sophomore JENNIFER FOX (AUSTIN, MN) gave the Gophers their only multiple hit efforts of the afternoon, each finishing the second game 2-3.

Nelson entered the doubleheader with a 12-game hitting streak, but went 0-3 in game one.

Saturday, Minnesota began a four-game series in Ann Arbor, Mich., against ninth-ranked Michigan. The Wolverines won both games Saturday by scores of 5-0 and 11-5. Nelson again highlighted Minnesota's offensive attack in the second game with a 2-4 performance. In game one, Michigan pitcher Kelly Kovach won her 12th game of the season with a two-hit performance.

Sunday, Minnesota missed an opportunity to get a couple of wins, allowing two runs in the bottom of the seventh to lose 2-1 in the first game and losing 6-4 in 10 innings in the second. Frosh AMBER HEGLAND (FARMINGTON, MN) had Minnesota's only multiple-hit performance of the day with a 2-5 effort in game two.

Nelson finished the day with only two hits, but belted a RBI triple and a two-run home run — her first home run of the season.

RADIO K TO BROADCAST HOME BIG TEN GAMES — The University of Minnesota's student radio station, Radio K, will broadcast all Big Ten Conference games from the Bieman Softball Stadium and the Gophers scheduled doubleheader at Iowa State, Wednesday, May 3. Paul Barnes will call the play-by-play.

—INSIDE THE OFFENSIVE NUMBERS —

In the Gophers 15 wins this season, the first four members of the line-up — Nelson, KATIE PETERSON (MILWAUKEE, WI/ PIUS XI), MELISSA WOLD (OAKDALE, MN/HILL-MURRAY) and Hegland — have combined for 79 hits and a .432 batting average. In Minnesota's 23 losses, the foursome has combined for only 66 hits and a .240 batting average.

•Nelson entered the Northwestern/Michigan week with a 12-game hitting streak. The all-America candidate collected 23 hits in 45 at-bats in the 12 games and posted a batting average of .511. Nelson's streak ended in the first game against Northwestern where she went 0-3.

Nelson's longest hit streak of her career was 14 games, extending from the final 12 games of 1994, to the first two games of this season. In her short career, Nelson has 40 multiple hit games and is on pace to tie Kari Blank's single season record of 82 hits. Nelson's 54 hits this season puts her in the 12th spot on the all-time single season list, two short of passing Lezlie Weiss, Sandy Scott and Danne Leininger to move into ninth place.

•Wold has doubled the fun for the Gophers this season. Wold's team-leading 10 doubles is only 5 short of tying Barb Drake's record of 15 set in 1986.

•Peterson is only three sacrifices short of tying her own single season record set last year of 18.

•In the 15 wins, Hegland has 15 RBI. In the 23 losses, she has only 4.

•Hegland's 21 walks this season puts her in 7th place on the all-time single season list. Weiss holds the record for most free bases with 31, set in 1992.

COMING UP—The Gophers (8-12 in dual meet action, 3-7 in the Big Ten) will travel to Champaign, Ill., for the 1995 Big Ten Tennis Championships. Minnesota is the eighth seed and will play #9-seed Ohio State in a first round match Thursday, April 27, at 9 a.m. If Minnesota defeats the Buckeyes, it will play top-seeded Indiana, ranked 18th in the country, in a second round match Friday morning.

ABOUT THE OPPONENT—OHIO STATE—Ohio State finished ninth in the conference with a record of 2-8. The Buckeyes feature number one player Michelle Busch and number four player Linda Magid, who has the best winning percentage on the team.

THE SERIES—The Gophers lead the series 15-5, including a 7-2 victory over the Buckeyes a week ago at the 98th Street Racquet Club in Bloomington, Minn., to end a six match losing streak and seven match Big Ten losing skid. Minnesota led 4-2 after the singles portion of the meet as TIFFANY GATES (GRANDVILLE, MI), SUSAN CULIK (CHAPIN, SC), DANA PETERSON (APPLE VALLEY, MN) and JENNIFER HAYES (FOND DU LAC, WI/GOODRICH) won their matches. The Gophers then swept the doubles competition to give them a 7-2 victory.

Gates won at the number one singles spot with a 6-1, 6-2 win over #48 Rachel Epstein. Minnesota's other singles victory came in the number four position as JENNI SVEHLA (NAPERVILLE, IL/CENTRAL) defeated Lee-Ann Rostovsky, 7-5, 6-2.

In doubles, Minnesota took two of three matches with Gates and Peterson winning at the number one spot 6-2, 6-3 over Epstein and Christy Sharp to pull the Gophers within one match at 4-3.

Indiana clinched the win when the number three doubles team of Natasha Joshi and Megan Mawicke defeated Svehla and Hayes.

BIG TEN PREVIEW—Michigan looks to defend its title after scoring the most points ever at a conference championship in 1994. Six of the 10 schools have at least ten placewinners returning for this year's Championships with 1995 Big Ten Indoor Champion, Illinois, leading the way with 19 athletes. Minnesota, Penn State and Wisconsin are next with 14 placewinners returning to the Championships.

GOPHER REWIND— Minnesota concluded its regular season by hosting the Minnesota Open Friday evening. The Gophers received an outstanding performance from junior discus thrower DANI PARKOS (GRAND FORKS, ND/CENTRAL) who set a new personal best in winning the discus. Parkos' throw of 164-7 is the third longest throw in Minnesota history and beat her previous best of 164-5 set earlier this season.

Senior CINDY BETHANY (ROSEVILLE, MN/MOUNDS VIEW) won two events as she jumped her way to victory in the long and triple jump. Bethany's leap of 39-7 1/4 was a season-best for her and ties junior LORI HARDRICK (MILWAUKEE, WI/WISCONSIN LUTHERAN) for the longest jump this season by a Gopher athlete. Other event winners for the Gophers included MEGAN NOLAN (MANKATO, MN/LOYOLA) in the 400 meters, ANNE MARSHALL (SCHOLFIELD, WI/C EVEREST) in the 1,500 meters, JOAN KARNES (LONG PRARIE, MN) in the shot put and LISA BEACHY (NORCROSS, GA) in the pole vault. Beachy set a new Minnesota record in the pole vault with a leap of 8-6, breaking her old record of 7-0. This is the first season pole vaulting has been an event for women, but still remains an exhibition event.

NCAA QUALIFIER UPDATE—Minnesota has two athletes already qualified for the 1995 NCAA Championships in Knoxville, Tenn., and two others who have provisionally qualified. Seniors LORI TOWNSEND (CLARKSBORO, NJ/KINGSWAY) and HEATHER BERLIN (LIBERAL, KS) have qualified in the 5,000 meters and javelin, respectively. Other who have provisionally qualified include Parkos in the shot put and discus and KATHIANNE SELLERS (LANCASTER, PA/MANHEIM TOWNSHIPS) in the high jump.

MARTIN BREAKS SIXTH MINNESOTA RECORD—Frosh KIM MARTIN (PITTSBURGH, PA/SCHOENLY) set her sixth Minnesota varsity record May 6, at the Nike Invitational. Martin ran a blazing time of 11.68 in the 100m dash, breaking the old record of 11.79 set by Sam Caffey in 1989. Martin also holds Minnesota records in the indoor 55 meters (twice), indoor 200 meters (twice) and was a member of the 4x200 meter relay team. Martin ranks fourth in the Big Ten in the 100 meters through May 8.

THREE GOPHER ATHLETES RECEIVE THE "TOP FIVE" AWARD—The Minnesota track and field athletes received the Minnesota "Top Five" award, given to the five athletes with the highest GPA. Senior KRISTEN GOELZER (JANESVILLE, WI/JOSEPH A. CRAIG), senior LISA MCCUNE (HARTFORD, WI) and junior JENNIFER IMSANDE (BRAINERD, MN) are this year's winners. Goelzer has a 3.89 GPA in honors biology/pre-med, while McCune has a 3.91 GPA in Spanish/pre-physical therapy and Imsande has a 3.92 in honors history.

GROVE AND WHIPPLE HURT FOR GOPHERS—NCAA Indoor Championships qualifier ANDREA GROVE (WINNIPEG, MANITOBA, CANADA/TUXEDO SHAFTESBURY) and heptathlete GLENDA WHIPPLE (ETNA, CA/UNION) are both injured for the Gophers and will see limited, if any action, the rest of the season. TENNIS

COMING UP—The Gophers have concluded their season as a team this year with a seventh place-finish at the Big Ten Championships, but sophomore TIFFANY GATES (GRANDVILLE, MI) has kept her season alive by qualifying for the NCAA Championships in Malibu, Calif.

GATES BECOMES FIRST GOPHER TO QUALIFY FOR NCAA TOURNAMENT—Gates was extended an invitation to participate in the 1995 NCAA Women's Tennis Singles Championships May 12-20 in Malibu, Calif. Gates becomes the first player in Minnesota women's tennis history to be invited to the NCAA tournament and is one of 64 players across the country to participate. The singles draw and Gates' opponent will be announced Tuesday.

Gates finished the regular season 26-10 and 11-2 in the Big Ten at the number one singles position. She is ranked 55th in the latest Rolex Collegiate Rankings, her highest ranking ever during her career at Minnesota. Gates had victories over six nationally-ranked opponents in the spring, including Wendy Crabtree of Notre Dame, who is ranked 16th in the country.

In doubles, Gates was just as tough as she teamed with junior DANA PETERSON (APPLE VALLEY, MN) in the number one position throughout the season. Gates and Peterson finished the year 22-10 and 10-3 in the Big Ten Conference. The duo was ranked as high as 30th in the Rolex Collegiate Rankings earlier this season.

Gates was a perfect 3-0 in singles at the Big Ten Championships last week in Champaign, Ill., and was named all-Big Ten for the second time in her career. She was also named the Minnesota Women's Athletic Department Athlete of the Month for April after going 14-2 for the month.

GOPHERS SIGN TOP PLAYER IN HRDINOVA—Head coach Martin Novak signed Wisconsin all-state tennis player Jana Hrdinova of Stoughton, Wisc., to a national letter of intent.

Hrdinova, a native of Czechoslovakia, won the Wisconsin Athletic Association (WIAA) Division One State championship in 1994 and was a perfect 25-0 on the season at Stoughton High School. She also was the champion of the prestigious USTA Bay Classic Tournament in Green Bay, Wisc., and the North Shore Junior Tournament in Milwaukee, Wisc., in 1994.

Track and Field at NCAA Championships

TRACK AND FIELD

UP NEXT— Minnesota will send at least three athletes and possibly four to the 1995 NCAA Track and Field Championships May 31-June 3, in Knoxville, Tenn. Minnesota has two athletes already qualified for the Championships, and two others who have provisionally qualified. Seniors **LORI TOWNSEND** (CLARKSBORO, NJ/KINGSWAY) and **HEATHER BERLIN** (LIBERAL, KS) have qualified in the 5,000 meters and javelin, respectively. Others who have provisionally qualified include **DANI PARKOS** (GRAND FORKS, ND CENTRAL) in the shot put and discus and **KATHIANNE SELLERS** (LANCASTER, PA/MANHEIM TOWNSHIP) in the high jump. Parkos' mark in the discus (166-4) should vault her into the top 16 in the nation and qualify her for the Championships.

GOPHERS FINISH THIRD AT BIG TEN'S—The Gopher track and field team placed third with 85.5 points at the 1995 Big Ten Track and Field Championships, their best finish ever at a Big Ten Championships. Illinois won the Big Ten title with 163 points, followed by Wisconsin, Minnesota, Purdue and Michigan.

Individually, Minnesota had two individual champions. Berlin won the javelin with a toss of 168-4 (51.30) defeating the second place finisher by almost 20 feet. It was the second Big Ten title for Berlin in the javelin. Parkos was also a winner in the discus with a personal best toss of 166-4, defeating Sami Jo Williamson of Purdue by over eight feet. It was the first Big Ten championship for Parkos. She also placed third in the shot with a toss of 46-9 1/2.

Other outstanding performances for the Gophers included the 4x100 relay team of **LORI HARDRICK** (MILWAUKEE, WI/WISCONSIN LUTHERAN), **KIM MARTIN** (PITTSBURGH, PA/SCHOENLEY), **KIM HOFNER** (BURLINGTON, IA) and Sellers who set a Minnesota varsity record in placing third. The team finished the race in 46.21, breaking the old record of 46.72 set in 1990. Also, **CINDY BETHANY** (ROSEVILLE, MN/MOUNDS VIEW) was third in the triple jump with a career best leap of 40-4 1/4. Bethany's jump is the second longest jump in Gopher history.

Martin placed fifth in the 100 meters and sixth in the 200 meters, while Townsend was second in the 5,000 meters and third in the 3,000 meters. Frosh **ANDREA LENTZ** (WILLMAR, MN) was 11th in the 1,500 meters, **JENNIFER IMSANDE** (BRAINERD, MN) was fifth in the 400 hurdles, **JANEL MCKOWEN** (PRIOR LAKE, MN) was seventh in the 400 hurdles, **JOAN KARNES** (LONG PRAIRIE, MN) was eighth in the shot put, **SUSIE PETERSON** (ASHLAND, WI/ONDOSAAGON) was fourth in the heptathlon with a career best score of 4,556 points and **GLENDA WHIPPLE** (ETNA, CA/UNION) was eighth in the heptathlon.

MARTIN BREAKS SEVENTH MINNESOTA RECORD—Martin set her seventh Minnesota varsity record at the Big Ten Championships. Martin ran the second leg of the 4x100 relay team that set a new record of 46.21. Only two weeks ago, Martin ran a blazing time of 11.68 in the 100m dash at the Nike Invitational, breaking the old record of 11.79 set by Sam Caffey in 1989. Martin also holds Minnesota records in the indoor 55 meters (twice), indoor 200 meters (twice) and was a member of the indoor 4x200 meter relay team.

THREE GOPHER ATHLETES RECEIVE THE "TOP FIVE" AWARD—Three Minnesota track and field athletes received the Minnesota "Top Five" award, given to the five athletes with the highest GPA. Senior **KRISTEN GOELZER** (JANESVILLE, WI/JOSEPH A. CRAIG), senior **LISA MCCUNE** (HARTFORD, WI) and Jennifer Imsande are this year's winners. Goelzer has a 3.89 GPA in honors biology/pre-med, while McCune has a 3.91 GPA in Spanish/pre-physical therapy and Imsande has a 3.92 in honors history.

TENNIS

GATES LOSES IN FIRST ROUND AT NCAA'S—Sophomore **TIFFANY GATES** (GRANDVILLE, MI) lost in the first round of the 1995 NCAA Singles Championships in Malibu, Calif. Gates was overpowered by Melissa Zimpfer of Tennessee, ranked 46th in the nation, 6-4, 6-0. Gates finished 26-11 on the season in singles and was named all-Big Ten for the second time in her career.

FINAL RANKINGS DUE OUT NEXT WEEK—Gates will be looking to move up in the rankings when they are released next week. Gates is currently 55th in the country, her highest ranking of her career.

CORRECTION—Contrary to what was announced earlier, Gates is not the first Gopher to advance to the NCAA tennis tournament, but she is the first athlete from Minnesota to play in the NCAA Singles Championships. Claudia Brisk and Kathleen Heckman were the first Gophers to play in the NCAA tournament when they qualified for the doubles draw in 1982.

Track and Field at NCAA Championships

TRACK AND FIELD

UP NEXT: THE NCAA CHAMPIONSHIPS— Minnesota will send three athletes to the 1995 NCAA Track and Field Championships May 31- June 3, in Knoxville, Tenn. Seniors LORI TOWNSEND (CLARKSBORO, NJ/KINGSWAY) and HEATHER BERLIN (LIBERAL, KS) have qualified in the 5,000 meters and javelin, respectively, while DANI PARKOS (GRAND FORKS, ND CENTRAL) will participate in the discus. Parkos was the very last athlete in any event invited to participate in the championships.

Townsend will run a preliminary heat Thursday with the opportunity to advance to the finals on Saturday. Berlin will compete on Wednesday, while Parkos will throw the discus on Saturday.

Earlier this year, Townsend set a new Minnesota varsity record in the 5,000 meters when she ran a 16:17.67 at the Penn Relays in April. Townsend finished second in the 5,000 at the Big Ten Championships and third in the 3,000 meters.

Berlin won the Big Ten Championships, Purdue Quad, Alabama Relays, the Nike Invitational and Penn Relays this season. Berlin had a season best toss of 179-9 at the Penn Relays, the second best toss in school history.

Parkos had a career best throw of 166-4 at the Big Ten Championships to claim the title. Parkos has also won the Texas Relays in the discus and was voted the 1995 Minnesota Track and Field Most Valuable Athlete after scoring 16 points at the Big Ten outdoor meet.

SOFTBALL

GOPHER SOFTBALL PLAYER NAMED NSCA ALL-AMERICAN—Minnesota Golden Gopher softball player RACHEL NELSON (GOOD THUNDER, MN/MAPLE RIVER) became the first Gopher to be named a softball all-American since 1991, as the sophomore was named a third team NSCA all-American last week.

Nelson is the first Gopher since former Minnesota standout Lezlie Weiss was named to the second-team following her senior season in 1992.

Nelson, a two-time first-team all-Mideast Region and a first-team all-Big Ten Conference choice this year, finished the season with a team-best .380 batting average. The Good Thunder, Minn., native also led the Gophers in at-bats with 200, runs scored with 36, hits with 76, triples with three, stolen bases with 13 and on-base percentage with a .414 average. Nelson had 24 multiple-hit games in 1995, including a season-best 4-4 performance against Mankato State. For her career, Nelson has 46 multiple-hit games. Nelson's longest hit streak of 1995 was 14 games, while she recorded only 23 strikeouts in her 200 at-bats for the year.

Nelson joined five other Big Ten Conference student-athletes named to the three teams, as Michigan frosh Sara Griffin and Michigan senior Kelly Kovach were named to the first team and Indiana senior Michelle Venturella, Iowa junior Tasha Reents and Iowa sophomore Kari Knopf were named to the third-team.

The University of Arizona dominated the awards, placing six players on the first team. Wildcat senior shortstop Laura Espinoza led all first-team selections with NCAA highs in RBI with 128 and home runs with 37.

As a team, the Gophers finished the season with a 27-29 overall record and a 15-13 mark against Big Ten Conference teams. Minnesota advanced to the four-team Big Ten tournament with a fourth-place finish in the conference.

TRACK AND FIELD

GOPHER REWIND: THE NCAA CHAMPIONSHIPS— Gopher senior **HEATHER BERLIN** (LIBERAL, KS) placed second in the javelin at the 1995 NCAA Championships in Knoxville, Tenn., while **LORI TOWNSEND** (CLARKSBORO, NJ/KINGSWAY) was sixth in the 5,000 meters and junior **DANI PARKOS** (GRAND FORKS, ND/CENTRAL) was 12th in the discus.

Berlin finished with a toss of 183-2 placing behind Vallerie Tulloch of Rice, who won her third NCAA javelin title. Berlin's toss was a new Minnesota record and the longest in her collegiate career by over six feet. The second-place finish for Berlin tied her for the highest placing by a Minnesota athlete in the NCAA Track and Field Championships with Rachel Lewis, who was second in the indoor shot put and outdoor discus in 1990.

The senior was named an all-American for the third time in her career, twice at Minnesota and once at the University of Kansas. She becomes only the second athlete in Minnesota history (with Lewis) to earn outdoor all-American honors more than once in her career.

Townsend also earned all-American honors for her sixth place finish in the 5,000 meters. It was the third time in her career she earned all-American honors, but the first time she was honored in an outdoor event. Townsend finished the race in 16:34.67, her third fastest time this season. She had set the Minnesota varsity record earlier this season in the event when she ran a 16:17.67 at the Penn Relays in April.

Parkos, who was the last athlete in any event invited to participate in the Championships beat eight people seeded ahead of her to place 12th in the discus. Parkos, the 1995 Big Ten discus champion, had a toss of 164-10 at the NCAA meet, the second best throw of her career.

As a team, Minnesota finished with 13 points, good for 23rd place in the team competition.

TOWNSEND EARNS ACADEMIC ALL-DISTRICT HONORS— Townsend has been named to the 1995 GTE Academic All-District 5 At-Large Team. She will now be one of 80 athletes to advance to the national ballot which will be voted on June 1-13 by members of the College Sports Information Directors of America (CoSIDA), and announced Thursday, June 22.

Academically, Townsend has a 3.76 GPA in graphics communications and is a six-time academic all-Big Ten selection and cross country academic all-American. This is the first time Townsend has won the CoSIDA award.
